"TAKE IT EASY!" Remember those words of wisdom as you cook and work around your kitchen. Here's a check list on some ways to save energy in the kitchen 1. Use the right tool for a job. A pastry blender to mix pastry or chop eggs for egg salad. A rubber scraper to transfer batter from mixing bowl to pan.

2. Keep a supply of prepared foods o simplify meal-making. Biscuit and pudding mixes, condensed mushroom soup or other soups to use for white sauce, precooked rice. 3. Drain dishes dry, in a drainer, 4. Sit down to work whenever

FOR ENJOYABLE LENTEN MEALS, serve the condensed soups that are meatless. These include: Clam chowder, tomato, vegetarian vegetable, cream of celery, cream bean soups. Any one makes happy eating with grilled cheese sand wiches, mixed green salad. CREAMED TUNA is a seafor

dish that appeals to young or old "salts". Ideal for Lent made with Heavenly Creamed Tuna tablespoons minced onion tablespoons butter or mars garine can (14 cups) tondensed cream of celety or cream of tablespoon butter or mashroom soup

Cook onion in 1 tablespoon butter until limp; add soup, milk and tuna; cook over low heat about 10 minutes. Blend hot drained noodles with remaining butter and olives. Pour creamed tuns over noodles. Makes 6 servings.
