NUMBER 1

MANCHESTER, WASHTENAW COUNTY, MICHIGAN

THURSDAY, SEPT. 10, 1953

FIVE CENTS PER COPY

\$2.50 PER YEAR IN ADVANCE

## Mobile Unit To Be Here September 15

The Red Cross Mobile Blood Unit will be at the Emanuel church hall on Tuesday September 15, 1953 from 2:00 to 5:00 p. m. and from 6:00 to 8:00 p. m. This is everyone's opportunity to help build up Manchester's Blood Bank. The bank serves everyone in the Manchester area. Its operation also aids the National Defense and the state blood plasma program. The need for the blood bank locally cannot be doubted during the first seven months of operation. There is no longer a frantic search for donors necessary in an emergency, in this area according to chairman of the Red Cross Mobile Blood Bank, Stanton Roesch.

The war in Korea is over, or at least the shooting is over for the present. But the need for blood is still present for our military hospitals and defense program. The ladies of the Legion auxiliary are going to again solicit blood donors for September 15. Remember that when you are called and say "Yes, I want to give blood," you will be helping the Manchester blood bank your friends and neighbors and perhaps even yourself—as well as the defense program. Remember too that seven out of every ten pints donated stay in Manchester for the use of Manchester people. The date, September 15, the place Emanuel Church hall—the time 2 to 5 and 6 to 8.

If by chance you are missed in the telephone solicitation you need only to report at the hall. Advanced pledging is not required—only desired.

### Frederick John Schill

Frederick John Schill, 73, died suddenly at the Mercy Hospital in Jackson, Tuesday night following a heart attack.

He was born in Manchester, March 8, 1880, a son of George and Sarah Hoag Schill.

On June 4, 1916, he married Bertha Miller.

He is survived by his wife, 4 daughters, Mrs. Margaret Oltersdorf, Mrs. Betty Frye, Mrs. Jean Marie Steele all of Manchester and Marlene Schill at home, one son, Veryl of Manchester, 9 grandchildren and a half-sister, Mrs. Minnie Melchert of Vandercook Lake.

Funeral services will be held Friday at 2:00 p. m. at the Emanuel Church.

Burial will be at Oak Grove Cemetery, Rev. Karl Rest officiating.

Body will lie in state at the church from 1:00 p. m. Friday until the time of service. Friends may call at the Jenter funeral home until Friday morning.

Prior to his retirement about two years ago, Mr. Schill was employed by the Ford Motor Co.

The power of the state is measured by the power that men surrender to it.—Felix Morley.

### Pfc. Victor Hannaman To Be Here On Leave

Pfc. Victor Hannaman, who spent the week end with his wife and son and his parents, Mr. and Mrs. Otto Hannaman, had to return to Camp Atterbury, Indiana, for one day before beginning a fourteen day furlough. He was taken back to camp by his sister, Elaine, and his mother, Mrs. Otto Hannaman, who remained for the day to bring Victor back with them for a visit. Mrs. Victor Hannaman and baby are staying with her father-in-law during their absence. Other guests at the Hannaman home on Sunday were Mr. and Mrs. Bert Duffney of Detroit, and Mr. and Mrs. Robert Kuhl of Manchester.

### Emanuel To Have New Parking Lot

Work is progressing satisfactorily at the parking lot in back of the Emanuel Church. This work was started about a year ago when the church council agreed that cars bringing people to and from church services were encountering serious risks as they loaded and unloaded in the Main street of the village in front of the church.

Rev. Karl Rest was particularly concerned about the children getting out of cars on the highway. With the parking lot this problem will vanish.

The lot which is adjacent to the church was cleared last year and gravel and dirt was hauled to the site. Sidewalks are being laid for this summer and plans call for the lot to be black-topped in the future. Allen Schaffer, Manchester contractor, has been awarded the grading and sidewalk contract.

### Free-Lo Extension Learns Glass Etching

Mrs. Louis Vogel was the hostess at the first meeting of the fall season when the Free-Lo Extension met at her home for a lesson on etching of glass.

The business meeting preceded the etching lesson which proved to be one of the most entertaining of the season.

### Emanuel Members To Can For Church Home

The canning season is here and for members of the Emanuel Evangelical church it means doing a bit of charity work along with their regular efforts to supplement next winter's food supply.

A Mission Festival, an annual event at the church, has been scheduled for October 11. At that time the garden produce canned especially for this event will be brought to the church and a truck will carry the canned food to the Evangelical and Reformed Home for Old People and Orphans in Detroit.

For those who are in need of cans or containers for this work, some have been provided and are available at the garage.

### O.E.S. Association To Be Here Sept. 11

The Manchester Chapter No. 101 of the Order of Eastern Star has resumed meetings with Geo. Johnson explaining to the group the purpose of establishing a permanent board for Carr Park. It was voted to give a twenty dollar donation to the Carr Park Fund.

The secretary read a detailed report from the French boy that the Manchester Chapter has been sponsoring for several years.

Mrs. Birdella Flood, Worthy Matron, announced that the county association will meet at the Emanuel church hall on September 11th at 2:30 p. m. with a dinner following at 6:00 p. m. at the Emanuel church hall.

A luncheon will be served prior to the meeting at 12:30 p. m. at the Methodist church hall. In charge of decorations will be Mrs. Don Boutell, Mrs. Allen Schaffer, Mrs. Harold Alexander and Mrs. Ronald Jenter. On the hospitality committee will be Mrs. George Johnson and Mrs. Millard Mann.

The program committee consists of Mrs. Roger Hardenbergh, Mrs. Henry Eames, and Mrs. Birdella Flood. Mrs. John Neuderfer will have charge of registration and tickets.

At the conclusion of the meeting Mrs. Ed Steele, Jr., and her committee served refreshments.

### Rufus Gillam Resumes Teaching Here

Rufus Gillam, who spent 8 weeks this summer teaching arts and crafts at the Jayson Camps at Monterey, Massachusetts has returned to Manchester to resume his teaching in the fifth grade. After he arrived at the camp, located about ninety miles from New York City he was appointed one of the counselors to go into New York to bring the children, numbering about two hundred, back to camp. He said that it was some sight to see Grand Central Station swarming with boys and girls leaving the big city to go to the various camps in the mountains to spend their summer vacations.

Jayson Camps, is located in the Catskills. Children attending the camp are mostly wealthy Jewish families he said.

WINNER, NINTH NATIONAL TRAFFIC SAFETY POSTER CONTEST

### THE AMERICAN WAY

Now, A Vacation For Mama!

### Coming Events

On Sunday, Sept. 13, the Emanuel Evangelical church will return to its schedule of Worship Service at 11:00 a. m.

The Church Council of Emanuel Evangelical and Reformed church will meet on Monday evening, Sept. 14 at 8:00 p. m.

The Tabernacle Society of the Emanuel church will meet on Tuesday evening, Sept. 17.

The Children's Workers Conference of the United Brethren church will meet at Ida on Monday, Sept. 14. Several members of the Sunday School at the Sharon Evangelical United Brethren expect to attend.

The Women's Society of the Methodist church will meet Wednesday, Sept. 16 at 1:00 p. m. for the annual luncheon with Mrs. John Pratt's committee in charge. Mrs. Robert Schaible will have charge of the worship service; Mrs. William Palmer will arrange the program and Mrs. Leslie Chavey will care for the young children of the members during the affair.

The Clinton Women's Thrift Shop will be held Sept. 17, 18 and 19. Good used clothing, useful china and glass at 202 Jackson Road, formerly the Vaughan Implement Co.

Iron Creek Farm Bureau will meet at the home of Mr. and Mrs. John Buss on Friday, Sept. 11.

The Mobile Unit of the Red Cross will be at the Emanuel church hall from 2 to 5 and from 6 to 8 p. m. on Tuesday, Sept. 15.

On Sunday, Sept. 20, the Cassidy Lake Boys Choir will be at the Iron Creek church under the direction of Mr. and Mrs. Forrest Cook. The public is invited.

The Iron Creek Missionary Society meeting has been postponed one week from Sept. 17 to Sept. 24, when the meeting will be held at the church.

The Sharon Farm Bureau will meet at the home of Mr. and Mrs. Ed Schumann at 8:00 p. m. on Friday, Sept. 11.

The Silver Lake Community club will hold the first meeting of the season at the home of Mr. and Mrs. Clarence Pauson on Friday, Sept. 11, at 8:00 p. m. Mrs. Nathan Alber and Mrs. Willard Manor will serve on the refreshment committee.

Tiny collared lace capes covered the strapless lace bodices of their ballerina-length gowns made with skirts of tiered net. Mrs. Randall carried white glamelias like those in her headress. The bridesmaids wore orchid glamelias that matched those they carried.

Robert Hargreaves was his brother-in-law's best man and the ushers were Dr. Roger G. Lyons and Jack Keena.

Orchid glamelias and black accessories were chosen by Mrs. Dresselhouse to complement the dusty rose lace over taffeta dress she donned for her daughter's wedding and reception, the latter held in the Crystal Room of the Hotel Hayes and attended by 250 guests.

A trip through northern Canada and Maine was the destination of the newlyweds when they left the reception. Mrs. Delzeith wore a beige sharkskin suit with brown accessories and a corsage of white glamelias.

Upon their return scheduled for after September 15, they will make their home in Jackson.

Mrs. Delzeith was graduated from Manchester high school and St. Lawrence School of Nursing at Lansing. A graduate of St. Mary's high school, Mr. Delzeith attended the University of Michigan and was graduated from Ferris Institute, where he was a member of Phi Delta Chi, pharmaceutical fraternity.

Pre-nuptial parties were given by Dr. and Mrs. Lyons, Dr. and Mrs. Ethel L. Stone and the Mesdames Francis Harrison, Arthur Young, Randall Farr, Lyons, Martin Norton and Limmer.

## Antiques To Play Important Roll At Fair

### Heat May Effect

### Local Flower Display

A broad band of cool air and chilling showers moving slowly south and east from the sun-baked mid-west Friday pushed from its path a stubborn heat wave that had gripped the Midwest for 11 days, with temperatures from 92 to 100.2 in Detroit on September 2. This was a record breaker for the big city.

Temperatures tumbled—as much as 30 degrees as the cool air moved across the parched mid-continent. Average temperature here seemed to be about 98 degrees. Farmers were beginning to worry about their crops as the hot weather had caused farm produce to ripen too quickly and vine crops dried out. Michigan was pretty lucky as only three deaths were caused directly by the heat.

This terrific heat has caused some worry too, to Manchester's fair chairman of the flower display, Mrs. Alvin Beuerle. Last year it was the cool weather that worried the fair chairman of the flowers but despite the weather there was the most beautiful display ever offered at the community fair.

This year she hopes that everyone will do his very best to bring in displays not later than Thursday noon, when the flowers will be judged. Flowers in antique dishes is another category which will be judged. Don't forget to have your flowers at the high school by Thursday noon, September 17.

### State Fair Round-Up

Here's a few short notes in what to do and see at the Michigan State Fair and when to do and see what you want. Of course the state fair has been in progress since last Friday, but you have until Sunday before it's all over.

Most agricultural, livestock and general exhibits are open every day of the fair but some events fall on designated days.

Sept. 11, FARMERS AND OLD TIMERS DAY, that's Thursday. Sept. 11, SCIENCE AND INDUSTRY DAY; Sept. 12, VETERAN'S DAY; and Sunday, Sept. 13, INTERNATIONAL DAY.

Sept. 11, 12, 13 at 3, 6 and 9 p. m. Theresa Brewer, Louis Armstrong, The Harmonicats, The Four Freshmen, the Kirby Stone Quintette and Billy Ward's Dominoes will present stage attractions. Sept. 12 and 13 Eddie Fisher will be the special attraction for the closing days. All this at the Coliseum.

Cavalcade of Thrills will be presented through Sept. 12.

The 250-mile stock car race with more than 60 drivers will begin at 2:00 p. m. on Sunday afternoon at the grandstand.

Free fireworks nightly and daily parades. Many other attractions.

### Miscellaneous Shower

Mrs. Fred Meyer, Mrs. Jessie Tuller and Mrs. Joan Eversole entertained at a miscellaneous shower on Sunday at the home of Mrs. Elmer Gage for bride-elect, Beatrice Meyer, who on Saturday, September 12 will become the bride of James Beaudet of Milan.

Guests numbering about sixty were present from Dexter, Ann Arbor, Chelsea, Brooklyn, Tecumseh and Manchester.

The directors installed were Mrs. Earl Lamb, Mrs. Merle Schook, Mrs. Nathan Brown and Mrs. Ed Schumann. Historian is Mrs. Louis Kemner.

Prior to the installation a short program was presented which included an accordion solo by Larry Chebowki of Phoenix, Arizona, grandson of Mrs. Ed Schumann, the retiring president. Joyce Berke entertained with her Hawaiian guitar and Alice Maurer sang three selections. Readings were given by Mrs. Lowell Parr of the local Moms group.

Following the meeting dainty refreshments were served by the committee.

The Misses Mildred and Marian Geske and Wilma Spiegelberg have returned home after a trip to the Wisconsin Dells.

Antiques of all types will be welcomed again this year at the Manchester Community Fair according to Mrs. C. W. Knauss the director of this division. Many people, she says, have things to exhibit if they only give a bit of thought to what is included in this category.

The director hopes that this will be even a larger exhibit than last year's. She asked that people be reminded to look in their attics and trunks to see what they can find to bring in.

Toys of yesterday will be a special feature. Toys that folks here had as children, of wood, glass, china, iron, paper etc. In another class, she says, will be the parade of dolls both large and small of antique vintage.

The third special exhibit will be the "Village Album" with photos of people and places in and around Manchester.

She made special note that a toy does not have to be a hundred years to be an antique, one author, she says, state that a toy twenty-years old was an antique. The expression "my grandmother had one of those" may give an idea as to what may be entered. All exhibits are to be in by Thursday noon, Sept. 17.

### Oklahoma Ranch To Sponsor Horse Show

One of the main attractions at the Manchester Community Fair scheduled for Saturday, September 19, will be a horse show arranged by R. C. Merrithew and the Oklahoma Ranch Club. The horses will lead the street parade which will start from the fair grounds immediately after the steer club auction. Tentative time for this parade is 2:00 p. m. After the parade the horse show will be held on the fair grounds—the high school athletic field.

William Kulenkamp, local fair board president, enlisted R. C. Merrithew, early in the spring to direct the horse show. Mr. Merrithew says there is much satisfaction for the older club members to watch the youngsters, also members of the club, as they show their horses in friendly competition.

Leading the parade will be Herbert Steffens, president of the Oklahoma Ranch club, who will direct operations from his portable address system and furnish some of the music. Also furnishing music during the parade will be Manchester's own school band under the direction of R. C. Soritor.

The horse show on the athletic field will be directed by Irvin Walker of Clinton, and the flag bearers will be Shirley Walker of Clinton and Lois Stevens of Manchester, both members of the Oklahoma Ranch Club.

### Manchester MOMS Host At Installation

The Manchester Moms met for their regular meeting Tuesday September 1, at which time they were host to the Ann Arbor and Grass Lake units. State officers were present and installed the incoming officers from these three units.

There were 65 present. Manchester officers installed were as follows: president, Mrs. LeRoy Marx; vice president, Mrs. Ed Schumann; corresponding secretary, Mrs. Robert Kuhl; financial secretary, Mrs. Aiger Clark; chaplain, Mrs. Charles Wurster; and treasurer, Mrs. Roy Hesel-schwerdt.

The directors installed were Mrs. Earl Lamb, Mrs. Merle Schook, Mrs. Nathan Brown and Mrs. Ed Schumann. Historian is Mrs. Louis Kemner.

Prior to the installation a short program was presented which included an accordion solo by Larry Chebowki of Phoenix, Arizona, grandson of Mrs. Ed Schumann, the retiring president. Joyce Berke entertained with her Hawaiian guitar and Alice Maurer sang three selections. Readings were given by Mrs. Lowell Parr of the local Moms group.

Following the meeting dainty refreshments were served by the committee.

The Misses Mildred and Marian Geske and Wilma Spiegelberg have returned home after a trip to the Wisconsin Dells.

## Local People In The News

Seaman Raymond Dunny of Chinotique, Va., was home for the week end with his parents, Mr. and Mrs. John Dunny, sr. Mr. and Mrs. Eugene Krzyzaniak, Mr. and Mrs. Patsy Snyder attended the game between the Fireballs and Manistique on Saturday at Cadillac.

Mr. and Mrs. J. A. Walkow and daughters, Neoma, Evelyn, and Nancy, and Shade Creech also attended the game at Cadillac.

Miss Marilyn Sturdevant of Huntington Park, Calif., who has been spending the past three weeks visiting relatives here, returned home Tuesday.

Mr. and Mrs. Russell Middlemiss and Mr. and Mrs. Oscar Dilard attended the State Fair at Detroit on Sunday.

Mr. and Mrs. Harold Gage of Saline, Mr. and Mrs. Leon Gage and Denise of Hazel Park, spent the week end with their parents, Mr. and Mrs. Claude Gage. On Sunday they all attended a family picnic at the home of Mr. and Mrs. Vern Shipley at Silver Lake north of Ann Arbor. Mr. Shipley is a brother of Mrs. Gage.

Judy Krzyzaniak of Dearborn, who had been spending a week with her grandmother, Mrs. Anthony Krzyzaniak, accompanied Mr. and Mrs. Eugene Krzyzaniak to her home Saturday evening where Eugene and wife were guests of his brother, Leonard, and family.

Charles Laskawa and grandson, Gregory Guneyar, of Toledo, Ohio, were Sunday and Monday guests of Mrs. Anthony Krzyzaniak and son Don. Mrs. Laska, who has been a guest of her cousin, Mrs. Krzyzaniak, for a week, returned with her husband.

Pfc. Eugene Smith returned on Saturday evening from Koje-D Island after spending a year of his three years in service in Korea. On Sunday and Monday Clarence Smith and his three sons, Eugene, Don, and Jackie, attended the softball games in Coldwater.

Mr. and Mrs. Walter Watkins attended the Watkins reunion Sunday at the cottage of his brother, Leonard Watkins at Stony Lake. Guests were present from Toledo, Ohio, Birmingham, Lansing and Manchester.

Mr. and Mrs. Albert Haller and their niece, Anneliese Bauhammer, have returned home after a week vacationing in Northern Michigan. While in the north the Hallers stayed at a cabin on Lake Huron near Mackinaw. Among the many points of interest they visited were the Soo Locks and Mackinac Island.

Mr. and Mrs. Carl Schaible spent the week end at Wampiers Lake with Mr. and Mrs. Walter Vogt. Other guests at the Vogt cottage were Mr. and Mrs. Jack Harmon of South Bend.

Mr. and Mrs. J. R. Jones of Detroit spent the week end with Mr. and Mrs. Clarence Schaible and family.

Mr. and Mrs. Carl Schaible and Mr. and Mrs. Whitney Riedel left Wednesday for Thessalon, Ontario on a week's trout fishing trip.

Richard A. Spafard is spending a ten day vacation with his aunt, Miss Ethel M. Spafard at Denver, Colorado.

Mr. and Mrs. Allen Binard and son Dennis, Detroit, spent Friday with her brother and family, the Elwood Pniowski family.

## The News Locally

Mr. and Mrs. Jack Haddad of Detroit spent the week end with her parents, Mr. and Mrs. C. H. Seckinger.

Mr. and Mrs. William Lewis who have been visiting her sister and husband, Mr. and Mrs. Alger Clark, have returned to their home in Elgin, Ontario.

Wanda Braun visited Patty Burkhardt from Sunday to Wednesday.

Mr. and Mrs. Charles Haynes and family of Poplar Bluff, Missouri, and Rose Mary Haynes and Winona Hynes of Campbell, Missouri, spent Saturday and Sunday with Mr. and Mrs. Harold Brown and family. They came primarily to attend the open house for Harold Brown's father, Charles Brown's 85th birthday. Others from out of town at the affair arrived from Detroit, Saline, Ann Arbor and Manchester.

Mr. and Mrs. James Pratt and family have returned home after a vacation in Northern Michigan. Their eleven year old son, Gary, was somewhat limited as to his activities on the trip because of a broken arm. Young Gary tumbled off his pony at the Pratt farm and broke his right arm above the elbow before the Pratts left for their vacation.

Mr. and Mrs. Rolland Grossman and son Barry, and Mr. and Mrs. to attend the open house for Harold Brown's father, Charles Brown's 85th birthday. Others from out of town at the affair arrived from Detroit, Saline, Ann Arbor and Manchester.

Willard Mann and son Ronald were in Detroit Saturday evening to see Cinerama.

1st. Lt. Forrest Cathey has recently been transferred from Randolph Air Force Base, Texas, to Palm Beach International Airport, Florida.

Mrs. Alice Walz and daughter, Elaine, Joan and Carol and Joan Huber spent the week end visiting relatives in Milford and Napanee, Indiana.

## Field Days Emphasize Corn Yield

Big yields, not big "show" ears, will be seen in Michigan's first series of Corn Field Days starting next week, and all signs point to a bumper state corn crop to help attract attention.

The all-day programs, modeled after a "pilot" corn field day last year in Ingham county, were arranged by a Michigan State College Extension Services committee. Members are James A. Porter and Paul J. Rood, soil scientists; Robert G. White, agricultural engineer, and Milton Erdmann and Leyton V. Nelson of the farm-crops department.

Southeastern Michigan Corn Field Day will be Thursday, September 17, at the Lloyd Ruesink farm, about five miles northwest of Adrian.

Thumb Area Corn Field Day will be Wednesday, September 23, at the Grover Laurie farm, 2 miles south and a mile east of Gagetown.

Southwestern Michigan Corn Field Day will be on Tuesday, September 29, at the L. C. Beal farm, about a mile southwest of Three Rivers.

Visitors will see corn populations ranging from 8,000 to 24,000 plants per acre—showing that the big yields come from heavy plantings and half-pound ears, rows as far apart as 72 inches to aid the growth of seedlings of sweet clover and ryegrass; chemical weed control; nitrogen sidedressing including liquids; corn grades and popcorn; the tools needed and the advantages of minimum tillage; corn diseases and insects, and the in-breeding, crossing and other work in hybrid corn development.

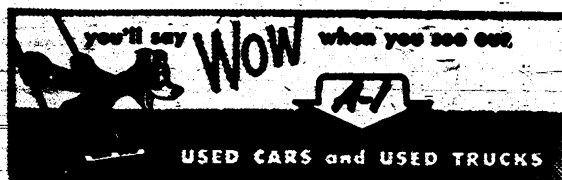

A "curiosity" demonstration will include short, thin and purple corn, open-pollinated and so-called prolific corn plants, pod corn, high protein corn, and the Central American corn forebear called "teosinte."

Has any insurance company yet offered a policy covering the collision of worlds? If not it is something to think about.

WHAT'S NEW—A megaphone with transistors operated by batteries about the size of a matchbox is said to provide volume control that will transform a normal speaking voice either to a loud shout or an inaudible whisper.

## Revenue Level Factor

If the revenue falls below estimates, that will be a major factor in the Administration's decision on the question of calling a special session of Congress to consider raising the debt limit.

## Local Man Recovering After Heart Attack

Carl Toburen, who suffered a heart attack last Thursday, is reported as progressing satisfactorily at his home here. The Toburen's daughter, Mrs. James O. Veale of New York City, has arrived to be with the Toburens. Harry L. Johnston, Mrs. Toburen's brother, and his wife from Dundee, are also spending a few days at the Toburen home.

## Community Fair To Be Sept. 17-18-19th

The Manchester Community Fair preparations are progressing according to schedule. Fair dates are September 17, 18 and 19th, and the fair will be held again on the athletic field and the exhibits in the high school itself. Final arrangements are not complete at this time.

Officers of the Fair Board are: president, William Kulenkamp; vice president, Robert Masten;

secretary, Robert Crandall; and treasurer, Harold Burch. The following committee heads have been appointed by president Kulenkamp: Mrs. Robert Crandall, Home Economics; Mrs. Alvin Beuerle, Flowers; Mrs. C. W. Knauss, Antiques; Mrs. Earl Alber, Hobbies; Fred Lambright, Garden Produce; Luther Klager, Poultry; Willard Mann, Publicity; Robert Merithew, Horse Show; Lowell Parr, Sheep and Swine; Jesse Walker, Dairy Cattle; Robert Kothe, Tractor Pulling Contest; Clayton Parr, Grains; Marie Schneider and Owen Cathey, Premium Book co-chairmen; Mrs. Claud Gage, Space in Merchants Tent; Herbert Jacob, Concessions; Robert Masten and Willard Mann, Grounds; Ray Tibb Tents; Densel Fuller and Kenneth Kouba, Implementations.

### THE UPPER ROOM

We know that all things work together for good to them that love God. (Romans 8:28.) Read Romans 8:26-28.

At the beginning of the nineteenth century, the African continent was unconsciously witnessing a great event. Colonists were weaving their way across hundreds of miles of uncharted land. Among them was Paul Kruger, a boy-of-ten, a future president of the Transvaal Republic. The moving cavalcade clashed with a native tribe. A native slave boy, Magata, escaped and fled southward. He became influenced by a pioneer Christian missionary. Soundly converted, he desired to return to the Transvaal in order to preach the Gospel. Arriving there, he was bound to a wagon, flogged, and expelled from the province.

In his wanderings, he heard of the President of the Republic, Paul Kruger, who at the age of ten had been one of the colonists in the Great Trek. Magata wrote to him. The president granted him sanctuary in the Transvaal. Joyfully, Magata returned to establish the first Society, from which small beginning great things have been done there for God.

**PRAYER**  
Limited though my gifts may be, O God, I offer myself to be witness for Thee. Grant me fruit for Thee through labor. So teach me new joys in the adventure of living for Thee. Through Christ, my Saviour. Amen.

## THOUGHT FOR THE DAY—No Christian's labors for God are in vain.

M. H. Eddy, (South Africa).

## Temperature Falls Milk Test Rises

"Why does my cow's milk vary in butterfat test from month to month?"

That's a question many dairy farmers ask Michigan State College dairymen. The dairy scientists say the variation usually is normal. They cite these examples: Two weeks after freshening, milk from cows in good condition may test high. This is temporary and generally milk will test least during the first few months of a cow's lactation. Then the test increases. It's usually highest near the end of the lactation period.

Milk usually tests highest during the coldest winter month, then decreases with warmer weather. The test is lowest during June or July or during spells of hot, humid weather. It rises again later until the peak is reached in January or February.

The shorter the time between milkings, the richer the milk. And the completeness of milking affects the test because foremilk often is thin, while strippings may be very rich.

The fat content of milk from different quarters of the same cow is not constant. Certain breeds give higher fat content milk than others.

Underfeeding tends to increase the test of milk, but it decreases the milk yield to a greater extent. Night milk is usually higher in test than morning's milk.

The milk of a fairly large herd is reasonably constant in its fat content because it is a mixture of many samples of milk.

## 88th Annual Session Of Medical Society

Four representatives from Washtenaw County will serve as members of the House of Delegates when Michigan doctors of medicine meet in Grand Rapids September 21-25 for the 88th Annual Session of the Michigan State Medical Society.

They are Paul S. Barker, M. D., Harold F. Falls, M. D., Otto K. Engelke, M. D., and R. Wallace Teed, M. D., all of Ann Arbor. The House of Delegates, legis-

lative and policy-making body of the State Medical Society made up of M. D.s representing various geographic areas, will conduct its annual business during the first two days of the session. The final three days will be devoted to intensive study of the latest medical advances.

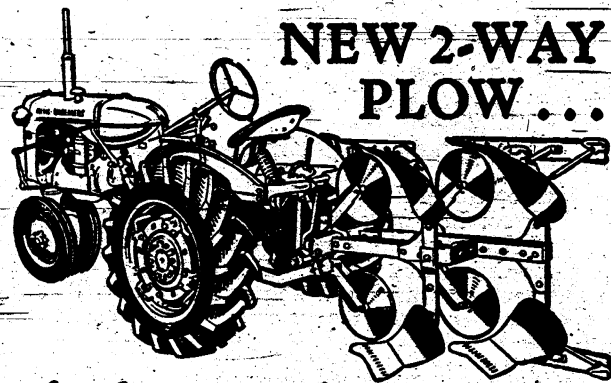

High in the House of Delegates agenda will be the selection of Michigan's Formost Family Physicians for 1953 from a list of 22 candidates nominated from counties throughout the state.

Twenty-six outstanding medical lecturers from every section of the nation will conduct some 40 scientific meetings dealing with recent developments in the many fields of medicine. Among these will be the first annual Beaumont Lecture, presented in honor of William Beaumont, M. D., pioneer Michigan physician who observed the digestive process through a "window" in the stomach of a young fur-trader wounded on Mackinac Island.

The memorial lecture is another

tribute to Dr. Beaumont, from Michigan's doctors of medicine, who will dedicate a Beaumont Memorial on Mackinac Island in July 1954. The Mackinac shrine is a reconstruction of the building where an accidental gunshot in 1822 started Dr. Beaumont on his monumental research project.

Those who claim to be leading the fight against Communism should not support authoritarian groups movements or governments.

## NEW 2-WAY PLOW...

for the CA — champion tractor of the two-plow class

Now Allis-Chalmers offers 2-way plowing... two 12- or 14-inch bottoms... for the CA Tractor.

This spinner-type, close-coupled, 2-way plow eliminates dead furrows. On flat land the field is plowed level from side to side — so essential for irrigation and good surface drainage. On hillsides and rolling land... all furrows are turned uphill to resist downward creeping of the soil and to reduce runoff.

Priced only slightly higher than a one-way moldboard plow, the new 2-way plow is hydraulically lifted and uses CA Traction Booster to put extra weight on drive wheels.

Let us demonstrate.

2-way Spinner-type Plows are available for both WD and CA Tractors

## Adlai Stevenson's Round-the-World-Tour...

● When Stevenson started on his fact-finding tour of the world last March he believed he could travel like an ordinary citizen.

What he learned, and early during his tour, was that he was not just a man who had lost an important election, but rather a power in United States and world politics. Publications in the Far East forecast with complete confidence that he will be the next occupant of the White House.

Read how Stevenson was received in Japan, Malaya, India and other countries. Read, too, his keen observations on his intensive first-hand study of world affairs.

## CHURCH NEWS

### SHARON EVANGELICAL UNITED BRETHREN CHURCH

J. A. Beardsley, Minister  
Sunday School at 10:00 a.m.  
Worship at 11:00 a.m.  
Morning subject: "The Law and the Gospel."  
Choir meeting each Thursday evening.  
Children's Workers Conference at Ida, Michigan September 14. Several members of the Sunday School at the Sharon E.U.B. Church will attend.  
Youth Fellowship meeting will be held on the fifteenth.

### EMANUEL EVANGELICAL AND REFORMED CHURCH

Rev. Karl A. Rest, Pastor  
9:45 a.m. Sunday School  
11:00 a.m. Divine Worship service.  
Sermon theme: "The Absoluteness of Christianity."  
A nursery is conducted during the hour of worship so that mothers of little children will have a safe place to leave them while they attend church.  
Notice that we are returning to the eleven o'clock hour for our worship service this Sunday September 13.  
You are cordially invited to worship with us.

### MANCHESTER METHODIST CHURCH

Rev. Adolph Bergman, Minister  
The minister will preach at the worship service at 11 a.m. on: "God Has A Controversy."  
10:00 a.m. church school.  
Owen Cathey, superintendent.  
Junior Choir rehearsal Wednesday at 7:00 p.m. Mrs. Mabel Pardee, Director.  
Senior Choir rehearsal Wednesday at 8 p.m. Arthur J. Cathey, director.  
The W.S.C.S. of the Methodist Church will have its Annual Birthday Party Wednesday September 16th at 1:00 p.m. at the church. A luncheon will be served by Mrs. John Pratt. The young children of members will be cared for by Mrs. Lesley Chavey.

## Local Briefs

Mr. and Mrs. Charles Brunt of Petersburg spent Sunday and Monday with their daughter and her husband, Mr. and Mrs. Alfred Strang.

Mrs. Edward Steele, sr., was taken to Detroit to the Osteopathic Hospital on Monday.

Mr. and Mrs. Alfred Strang and daughters were Friday evening guests of Mr. and Mrs. Burton Murray of Dexter, at a rehearsal dinner prior to the wedding of Lorraine Lemaux to James Gray of Dexter. The wedding took place at St. Joseph's Catholic Church at Dexter on Saturday morning and the Strangs' daughters, Nina and Melva, were flower girls.

Mr. and Mrs. John Ekin have returned home after a four day trip to Dayton, Ohio, where they visited his aunt, Mrs. Anna Elmore, and other relatives. Mrs. Mary Calhoun stayed with the Ekins daughters during their absence.

Mr. John Ekin received word Tuesday of the death of his brother, L. H. Ekin, at Manville, Alberta, Canada.

Mr. and Mrs. Robert Trent entertained at a birthday party for their son Bobby, at the home of Mr. and Mrs. Edward Steele, sr. Guests were Mr. and Mrs. William Richardson and family; Mr. and Mrs. Erwin Kensler, jr. and family of Charlotte; Mr. and Mrs. Charles Steele and Mr. and Mrs. Edward Steele, jr.

Raymond Reno and family of Battle Creek spent Labor Day with Mr. and Mrs. Paul Schwab. Mr. and Mrs. Paul Schwab and family also visited her brother, Pvt. John Curtiss, who was at the home of his parents, Mr. and Mrs. John Curtiss, sr., at Tecumseh, on a week end pass from Ft. Knox, Ky.

## Marriage Demands Give And Take

MARRIAGE IS A merger of two different personalities. It is a hard enough job to throw up a bridge between two opposite shores, but it is a still harder job to build a permanent bridge of understanding and harmony between two opposite temperaments, two utterly different dispositions.

After all, by the time you marry, your partner is pretty well set in his traits and his character. The concrete has hardened; and frankly, there is little you can do about it. As the school-girl wrote, "We get our parents at so late an age that it is impossible to change their habits."

The same applies to husbands and wives. You do not marry something like a bouquet that you can take apart and rearrange as you would like to see it. You marry someone who is more like a book, already bound and the pages numbered. Often the best you can do is to thank God for the good qualities there, and to pray to Him about the bad ones.

HOWEVER, HERE IS one suggestion from the Department of Agriculture. The Department had suggested to an inquirer many ways to get rid of dandelions. None worked, so finally the Department told him, "We suggest you learn to love them." If it is asking too much to learn to love your partner's faults, at least learn to overlook them. Perhaps you have a few dandelions of your own, perhaps some cactus. There you can surely make headway, because correcting faults is like tying a necktie; we can always do it easier on ourselves than on anybody else.

Every one of us should now and then own up to the fact that we, and not the other party were at fault. The hard-

est words in English to pronounce are: "I was wrong," because you have to say them not with the tongue and teeth, but with the conscience and the heart. That is why, when one of the parties in a marriage flies off the handle like an axe head, the other, whether right or wrong, should bury the hatchet—and not in the other party's skull. For, if we do not take the first step toward reconciliation, what are we but ersatz Christians or church-going pagans!

SURELY, IF ONLY one party is determined that there will be no quarrel, then there can be no quarrel. It takes two to fight. Naturally there will be times when one party's nerves are jangled and out of tune and off-key, but that is precisely the time when the other party has to hold the melody, sweet and sure, so that the other can get back on key.

The soft answer is still the best defense against wrath. The softest answer is that whispered to God in prayer. With His powerful help and our own humble self-control, friction can be reduced to a fraction.—(Rev. Joseph Mantion.)

### For Meal-Time With Frozen Vegetables

Peas In Cream With Potatoes  
An old fashioned farmhouse favorite is the dish of peas in cream with potatoes. Easy to prepare with quick-frozen peas, packed at the peak of perfection.

Be sure the peas are extra fancy to get the best in that real June flavor. Hearty eating for hearty appetites on early fall days.

1 cup diced potatoes  
1 package extra fancy quick-frozen peas  
1/2 teaspoon chopped onion  
1/2 cup heavy cream heated (or 3/4 cup white sauce)

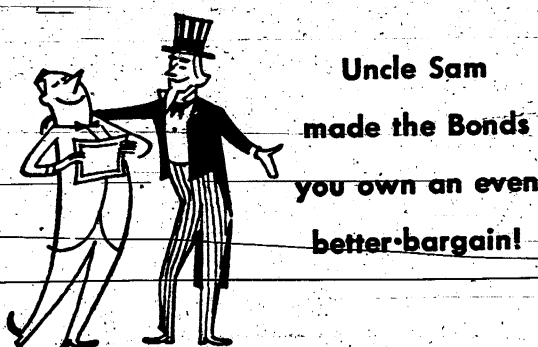

## Knowledge Is Power

2. WHAT ARE THE TWO MAGIC QUESTIONS?

(1) Brigadier General Bonner Fellers, U. S. Army, Retired, doesn't think so. In his book, "Wings for Peace," he states that "We do not have the men to handle even the satellite wars in Indo-China and Korea." He urges that we discard our old concept of war "in which our armed masses meet enemy armed masses. Under the conditions we now face, mass combat will destroy us."  
"The best defense of Paris and Chicago is our ability instantly to destroy Moscow. It is this certain retaliation in the form of total destruction which is the true war deterrent, one the Russians can understand. If America does achieve air supremacy, there will be no war. . . . We do not now have an adequate strategic air force. We have not even decided to build it. And it will take three to five years to build it after we have made the decision. Building such a force must have first priority."  
(2) A California psychologist discovered two questions which reveal much about a person's personality. (a) If you were an animal, what animal would you choose to be? (b) Why? The re-

ply to the second question reveals what the person is really like. Take the man who wished to be a dog, because "Dogs are usually well fed, sheltered, and all their needs are taken care of." This fellow lacks confidence in himself and tends to lean on others. John E. Gibson describes the question technique in "This Week" magazine.  
(3) Books on religious subjects have been among the 10 best sellers of fiction as well as nonfiction since 1949, according to Eugene Exman, head of the religion department of Harper & Brothers, book publishers. In 1949, four of every five nonfiction best sellers had religious titles. The volume of religious books published in this country in 1947 was nearly three and a half times that of 1937.

## Now Your Maturing Series E Bonds Can Earn Interest 10 Years More at 3%!

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually when held to maturity.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as \$1.25 a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45!

So join the Payroll Savings Plan where you work today. Or start the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased through any bank, annual limit \$20,000.

Now even better!  
Invest more in Savings Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

### BREAKFAST SKIPPER?

Shocking, indeed, is the idea of going eighteen hours without food. But that's just what happens when we skip breakfast.

Maybe a light breakfast suits your needs best. This is a quickly-fixed, no-cooking meal.

**Fresh Sliced Peaches**  
**Cornflakes with Milk**  
**Buttered Toast**  
**Coffee**  
**Milk**

Here is a breakfast that will be just right if you get up hungry and are usually famished by lunch time.

**Scrambled Eggs**  
**Buttered Toast**  
**Milk**  
**Coffee**  
For a fairly fancy breakfast, enjoyed most when you have time to linger over a third cup of coffee, try this coffee cake served warm from the oven.

**Peach Coffee Cake**  
No. 2½ can sliced peaches  
1 egg  
1 cup sugar  
1 cup sifted flour  
1 teaspoon baking powder  
¼ teaspoon salt  
¼ cup milk  
3 tablespoons melted shortening  
¼ teaspoon lemon extract  
¼ teaspoon vanilla extract  
½ teaspoon cinnamon  
Drain peaches. Beat egg; add ¼ cup sugar gradually, beat well. Sift together dry ingredients. Combine milk, melted shortening, extracts; add alternately with dry ingredients to egg mixture. Spread in greased eight-inch square pan. Arrange peaches on top of batter. Mix remaining sugar and cinnamon; sprinkle over peaches. Bake in moderate oven (350° F.) forty minutes.  
Yield: Six servings.

JEAN ALLEN  
KROGER FOOD FOUNDATION, CINCINNATI, OH.

### Blood Needed For Civilian Use

The need for blood for civilian use today is as urgent as ever, the Michigan Department of Health emphasized in announcing its return on September 1 to the 1951 quotas that are in effect before it stepped up collections of blood to help meet defense needs.

The Michigan Department of Health will revert to its former program in the 64 counties in which it operates its bloodmobile. All blood collected in these counties will be used to supply the blood products so vitally needed for civilian use.

There is an ever-increasing demand for blood and blood products for the saving of lives and each community must be responsible for supplying enough of this precious fluid to meet the needs of its residents, Department officials said.

Under the state health department's program, blood collected in each of the participating counties is processed in the department laboratories and plasma and other derivatives are returned to the communities in proportion to the number of pints of blood collected.

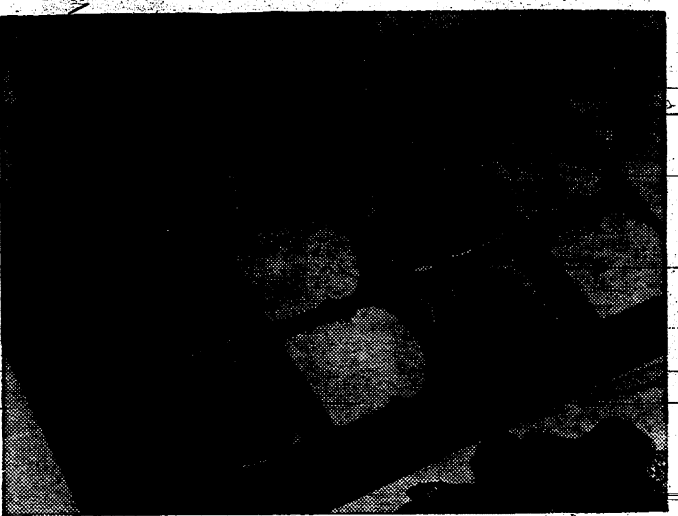

In order to assure adequate supplies of these products to meet the emergencies that arise almost daily in every community all eligible donors are urged to volunteer to give blood whenever the bloodmobile is in their area.

Products made from the whole blood which are available to the communities in proportion to the amount donated include: irradiated liquid plasma, used widely in preventing shock from accidents, childbirth, burns and surgery, and also to sustain a patient until whole blood can be given; antihemophilic globulin,

### Mich. Legion Leader First To Congratulate New Commander

Billy R. Wickens, Midland, state commander of the Michigan American Legion (left), was in the vanguard of well-wishers when he shook hands with his new "boss," Art Connell, Connecticut, who was elected 1953-54 national commander of The American Legion Thursday-afternoon, September 3, by more than 3,300 delegates at the 35th annual national convention in St. Louis, Missouri. Connell, a World War I Navy veteran and Connecticut businessman, succeeds Lewis K. Gough of California, and becomes the first Legionnaire from the small New England state, elected to the Legion's highest office in 35 years of Legion history. Commander Wickens, who headed 83 delegates representing 75,000 Legionnaires living in the "Water Wonderland" state, joined forces in the mid-western metropolis with delegates from 58 national and international American Legion departments to conduct official business of global interest for 3 million Legionnaires. Scene of next year's national convention will be the nation's capital, Washington, D. C.

Sandwiches for a crowd don't have to be a day-long job. Just use mass production, assembly-line techniques. Makes six almost as easy as one!

used to control bleeding in persons suffering from hemophilia, often called "bleeders' disease," and to help control hemorrhage associated with childbirth and surgery; normal serum albumin, used in the treatment of liver and kidney disease and for use as an emergency plasma substitute.

Gamma globulin, used to prevent paralytic polio and for the modification or prevention of measles and infectious hepatitis, is made by the health department laboratories and is distributed according to a plan outlined by the Office of Defense Mobilization.

Those who spend most of their time talking about other people don't have enough variety in life. One of the missing elements usually works.

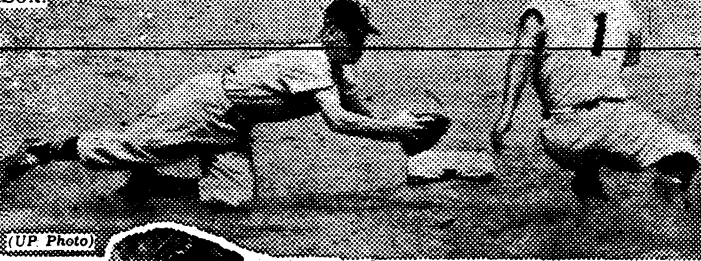

It is usually hard to back the majority, but it often pays in the long run, especially when the majority is wrong.

Making a fool of yourself isn't such a bad mistake if you have sense enough to know who did it.

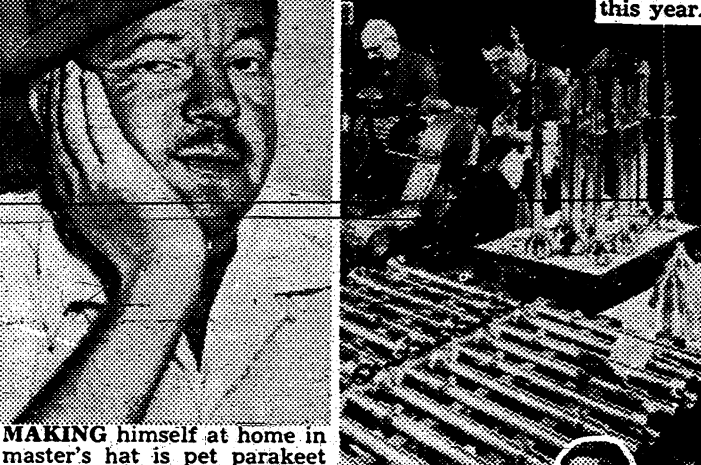

Life is just an everlasting struggle to keep money coming in and teeth and hair and vital organs from coming out. The chaplain of congress takes a look at that body—and then prays for the country.

### Giving Technical Testimony Will Be U-M Session Topic

How to give technical testimony involving medical and health problems in court cases will be the topic for a conference at the University of Michigan October 21.

Sponsors will be the Institute of Industrial Health and the School of Public Health.

Anybody who might be concerned with this type of expert testimony is welcome to attend. The registration fee will be \$5, with an additional \$2.50 if the registrant desires a printed copy of the proceedings.

Morning and afternoon sessions at the School of Public Health building will be devoted to discussions by lawyers, doctors and industrial health experts on the subject of preparing and giving expert medical and technical testimony. An evening session at the Michigan Union will be devoted to a dramatization of good and bad technical witnesses based upon a compensation claim in a simulated case of silicosis, a lung condition due to inhalation of dust containing silicon dioxide.

Applications for enrollment may be obtained from H. E. Miller at the School of Public Health.

### Check Stored Wheat Now

All 1953 harvested wheat should be checked now for insects. Reports from farmers in different sections of the county indicate that insects have been found in the 1953 wheat crop that was stored in grain bins. To prevent insect damage, it is advisable to fumigate 6 weeks after the grain is harvested. Do the following:

1—Be sure the lower part of the granary is air-tight before using a fumigant to prevent insect damage to stored grain. This means that the floor and sidewalls should be equally tight to prevent the fumigant escaping.

2—The grain should be level, and piled not more than 6 inches from the top of the boards on the bins.

3—Use a mixture of 3 parts ethylene dichloride and 1 part carbon tetrachloride as follows:

(a) 5 gallons to each 1,000 bushels for grain stored in deep bins.

(b) 1 gallon to each 150 bushels for lots less than 1,000 bushels.

(c) 8 gallons to each 1,000 bushels for grain stored in shallow bins.

Pour the mixture over the top of the bins of grain. Grain stored more than about 4 feet in depth may need special means of applying the mixture. Get special instructions for such cases. (Note: It is best to put the ethylene dichloride-carbon tetrachloride mixture on the grain from outside of the granary). Do not breathe the fumes of the MIXTURE for any extended period. Do not spill it on the hands or skin.

4—Other fumigants than ethylene dichloride-carbon tetrachloride mixture can be bought to treat grain. They should be used according to manufacturer's directions.

When granary insects are found infesting stored grain, the only thing that will control them is fumigation. Follow the instructions as given for the use of fumigants to prevent insect damage.

After fumigating, it is best to leave the grain undisturbed for 6 days to obtain best results.

### Shorts Entertain Primary Staff

On Sunday, August 29th, the primary staff of the Emanuel Church Sunday School and their helpers met their families after church and drove to Wampers Lake, where they gathered at the pleasant cottage of Mr. and Mrs. Nelson Short.

It was an ideal place to be on such a warm day. The tables were set in the cottage basement for 49 parents and children who made away with a bountiful pot luck dinner. Everyone enjoyed the pleasant surroundings with the children being particularly impressed with the beach and a good swim.

The entire group was grateful

to Mr. and Mrs. Short for their fine hospitality. Mrs. Short is the cradle roll teacher of the department.

### Mr. Voegeding Talks With Son Overseas

Mr. and Mrs. Wilbur Maurer and Mrs. Anna Maurer entertained at dinner Sunday in honor of Mrs. Wilbur Maurer's father, Mr. Clarence Voegeding's birthday.

Among those present were Mr. and Mrs. Clarence Voegeding, Mr. and Mrs. Willis Uphaus and children.

Mr. Voegeding was particularly pleased after the dinner to receive a telephone call from his son, Pvt. Lynn Voegeding, from Leghorn, Italy, who called to wish his

father much happiness on his birthday.

### Robert Defenderfers Entertain On Birthday

Mr. and Mrs. Robert Defenderfers entertained at a family dinner at their home Sunday honoring the birthdays of her parents, Mr. and Mrs. Otto Trinkle, and her sister, Mrs. Elmer Kopa.

Other guests were Elmer Kopa and little son Leslie of Tecumseh, Alfred and Harold Lutz, George Waltz, and Martha Hiding, all of Ann Arbor. Mrs. Defenderfers mentioned that her own birthday had also occurred during the past week, making four family birthdays in the same week on August 25, 26, 27 and 29th.

### 25th Anniversary

The Virgil Mayers were feted a second time in honor of their 25th wedding anniversary, when thirty more relatives and friends from Defiance, Liberty Center, Delta, Holgate, Gerald and Napoleon, Ohio, arrived last Sunday with well filled baskets and gifts and journeyed to the Meyers farm home where a picnic dinner and general good time was enjoyed.

### ... and I Quote

"The best place to find out what shape the country's in is at the beach."—D. S. Halacy, Jr.

"Our excise system is a mass of discriminations and inequities."—Charles B. Sligh, Jr., president of NAM.

# Here's what's behind the big swing to FORD

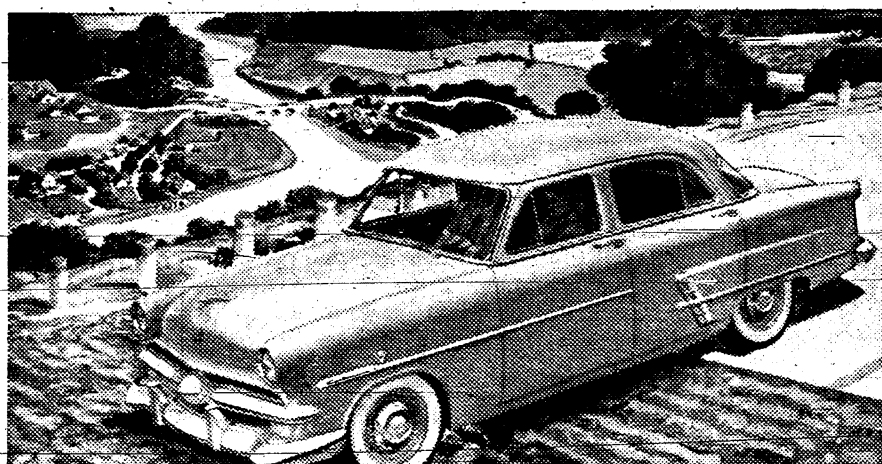

FORD GIVES YOU EVERYTHING YOU WANT AND NEED AT A PRICE YOU WANT TO PAY!

AMERICA'S COSTLIEST CARS ARE SWINGING TO V-8 ENGINES, but Ford's had one for years. (Ford's built more V-8's than all other makers combined!)

IF IT'S A SIX YOU WANT, Ford has the most modern in the industry. Ford's Mileage Maker Six with Overdrive beat all other cars in the recent Mobilgas Economy Run!

DOES ANY OTHER CAR offer you a choice of V-8 or Six engine—or a choice of three great drives? How about foam-rubber in all seats in all models, extra trunk space, smooth ride—does any other car measure up to Ford feature for feature? You know the answer—that some cars do offer most of these features. But the only ones that do are costlier cars! Not a single one of them is in Ford's price field! And Ford offers you these "fine car" features, at half the fine car cost! No wonder the swing's to Ford!

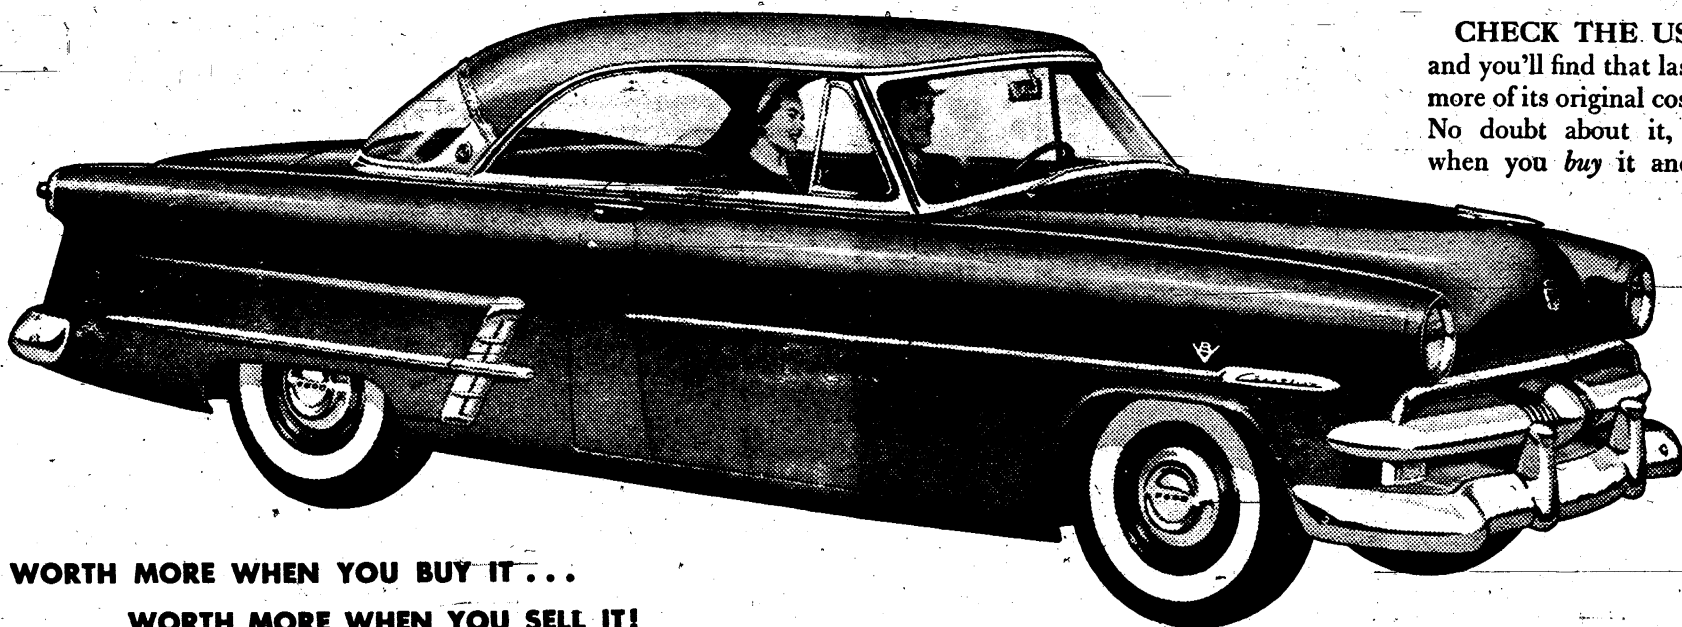

YOU DON'T NEED A HEAVY LIMOUSINE FOR A SMOOTH RIDE. Ford's new rubber compression bumpers and more responsive spring and shock absorber action reduce front end road shock alone up to 80%. Takes you over bumps and ruts smooth as silk. Try a Test Drive!

FORDOMATIC DOES MORE THINGS FOR YOU AUTOMATICALLY—over a wider range—than any drive in the low-price field. It does all the shifting for you—better than you can do it! And Fordomatic combines smooth power flow with lots of "get-up-and-go!"

NO WORRY ABOUT "BLIND SPOTS" IN FORD! With a huge one-piece windshield... car-wide rear window, Ford has more "look out" area than any car in its field! It's truly Full-Circle Visibility. Fords are built with your safety—and your family's safety—in mind.

FORD'S MASTER-GUIDE POWER STEERING is the newest and finest in America—and it's the lowest-priced power steering in Ford's field! Unlike many systems, Ford Master-Guide gives help only when you need it... retains the natural "feel" of the wheel on straightaways.

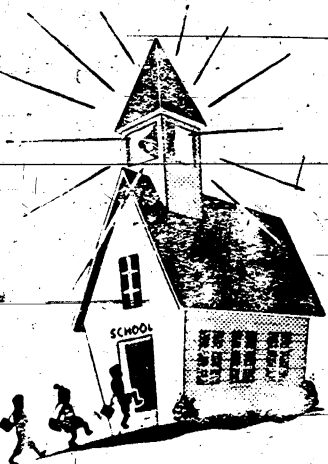

WORTH MORE WHEN YOU BUY IT...  
WORTH MORE WHEN YOU SELL IT!

CHECK THE USED CAR LOTS and you'll find that last year's Ford returns more of its original cost than any other car! No doubt about it, Ford's worth more when you buy it and when you sell it!

### STATE OF MICHIGAN No. 40423 THE PROBATE COURT FOR THE COUNTY OF WASHTENAW

At a session of said Court, held at the Probate Office in the City of Ann Arbor in said County, on the 19th day of August A. D. 1953.

Present, Honorable JAY H. PAYNE, Judge of Probate.  
In the Matter of the Estate of Mayme Holt Eaton, Deceased.  
It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court; and that the legal heirs of said deceased entitled to inherit the estate of which said deceased died seized should be adjudicated and determined.

It is Ordered, That all of the creditors of said deceased are required to present their claims in writing and under oath as provided by statute, to said Court at said Probate Office, and to serve a copy thereof either by registered mail or by personal service upon Bennett C. Root, the fiduciary of said estate whose address is 316 E. Main Street, Manchester, Michigan, on or before the 26th day of October A. D. 1953, at 10:00 o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased, and for the adjudication and determination of the heir at law of said deceased at the time of his death entitled to inherit the estate of which the deceased died seized.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Manchester Enterprise a newspaper printed and circulated in said County.

JAY H. PAYNE  
Judge of Probate

### Notice of Sale of School Buildings, Sites

The Board of Education of PLEASANT LAKE CONSOLIDATED SCHOOL DISTRICT NUMBER ONE, Freedom Township, Washtenaw County, Michigan, has been authorized to offer for sale the following sites and school buildings, to-wit:

1. School District Number One of Freedom Township and known as St. Thomas School, building and site, described as follows, to-wit: "Commencing at the northeast corner of the west half of the northeast quarter of section fourteen in the Township of Freedom, and running thence west one chain and twenty-five links; thence south two chains; thence east one chain and twenty-five links; thence north two chains to the place of beginning, excepting and reserving therefrom a piece in the northeast corner two rods by four rods; also, commencing at the northeast corner of the west half of the northeast quarter of section fourteen of township three south of range four east and running thence south one degree east four rods; thence south eighty-eight and one-half degrees west two rods; thence north one degree west four rods; thence north eighty-eight and one-half degrees east two rods to the place of beginning, containing eight square rods of land for the purpose of a site for a school-house.

2. School District Number Three, of Freedom Township, and known as Pleasant Lake School, building and site, described as follows, to-wit: "Commencing on the section line ten chains and sixty-seven links south of the northwest corner of section twenty-two of township three south of range four east in the County of Washtenaw, and State of Michigan, and running thence

south one degree and a half east one chain and fifty links; thence south sixty-four degrees east one chain and ninety-four links; thence north one degree and a half west two chains and thirty-four links; thence west one chain and seventy-two links to the place of beginning, containing one quarter of an acre of land exclusive of roads; also, all that certain piece of land described as follows: Beginning at a point located at the northeast corner of lands now owned by School District No. 3; thence due east ninety feet; thence due south two hundred and twenty-two feet to the center of the highway; thence north-west along the center of the highway to the east line of lands now owned by said School District Number three to the place of beginning and being in the northwest quarter of the northwest quarter of section number twenty-two in township three south, range four east, Michigan.

3. School District Number Five, of the Township of Freedom, and known as Kuebler School, building and site, described as follows, to-wit: "Beginning at the southwest corner of the southwest quarter of section number twenty-five in township number three south of range number four east, Michigan and running thence north ten rods; thence east eight rods; thence south ten rods; thence west eight rods to the place of beginning, containing one half an acre of land more or less."

4. School District Number six, of the Township of Freedom, and known as Silver Lake School, building and site, described as follows, to-wit: "Commencing ten rods west of the southeast corner of the west half of the southwest quarter of section 28, town 3 south, of range 4 east; thence north 8 rods; thence west parallel with the section line to land owned by Joseph Bower; thence south 8 rods to the section line; thence east to the place of beginning, containing one acre or thereabouts."

5. School District Number Seven, of the Township of Freedom, and known as the Dresselhouse School, described as follows: "Beginning at the east quarter post of section 19, thence north 139.25 feet in the east line of section, thence south westerly in the highway to a point in the east and west quarter line, thence east 327.50 feet in the east and west quarter line to the place of beginning, being a part of the east half of the northeast quarter, section 19, town three south,

range four east, containing 6.50 acres."

6. School District Number 8, of the Township of Freedom, and known as the Irish School, described as follows:

"Beginning at the northeast corner of the east fractional half of the northwest fractional quarter; said 0.60 acres being 8 rods east and west and 12 rods north and south, section 31, town three south, range four east;

Scaled bids will be accepted by the School Board, or its secretary, at the Pleasant Lake Consolidated School, District Number One, or at the home of the secretary, both located on Pleasant Lake Road, Freedom Township, R.F.D. 1, Manchester, until eight o'clock p.m. on Friday, September 18, 1953, for the sale of the aforementioned properties or the school district's interest therein to the bidder or bidders acceptable to said School Board for cash. All bids received will be opened at a meeting of the School Board of said District at eight o'clock p.m. on Friday, September 18, 1953; at the Pleasant Lake Consolidated School, District Number One. The interest of the School District in the aforementioned properties will be conveyed to the acceptable bidder, or bidders, by quit-claim conveyance covering whatever interest said district may have in said property.

All bids must be accompan-

ied by deposit of a sum of money equal to ten percent (10%) of the amount of such bid, or accompanied by certified check, bank draft, or money order made payable to the Board of Education, and the acceptable bidder shall within fifteen (15) days thereafter, pay to said Board of Education the remaining balance due.

The Board of Education reserves the right to reject any or all bids in whole or in part, and to waive any informalities therein. For further information concerning the location of the sites, and the interest of the school district therein, contact James C. Hendley, Union Savings Bank Building, Manchester, Michigan, phone number 3-221.

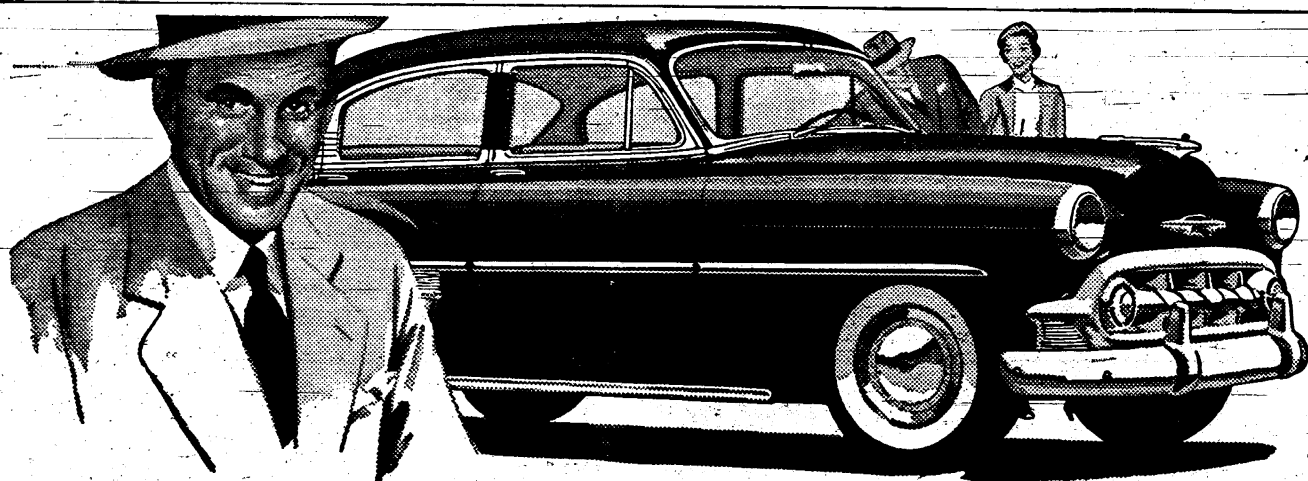

Dated: August 28, 1953.  
Alton Horning, Secretary  
11834 Pleasant Lake Road  
Manchester, Michigan

### LOCAL BRIEFS

Mrs. Harold Wilson of Saline and Miss Emma Schneider were hostesses at a shower Friday evening at the Schneider home in Manchester for Miss Lorene Bray of Ann Arbor, who is soon to become the bride of Duane Westphal of Saline.

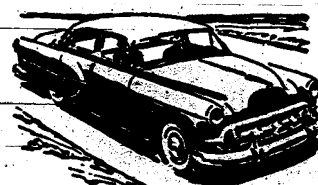

Guests were present from Allen Park, Ann Arbor, Dexter, Saline and Ypsilanti. The guest of honor was the recipient of many lovely gifts. Games were played and refreshments served by the hostess.

**#1**  
FOR FLAVOR • TOAST  
SANDWICHES • NUTRITION  
FRESHNESS • QUALITY

This demonstration was worth  
many hundreds of dollars to me!

I thought only a higher-priced car would  
suit me. But then I found out how much  
more Chevrolet offered for how much less!

rolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide\*  
A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

And it's the lowest-priced line  
A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas  
That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in

Chevrolet's field — the new 115-h.p. "Blue-Flame" V-8 engine. Clear-shift models offer the 108-h.p. "Thrifty-King" V-6 engine.

Biggest brakes for smoother, easier stop. An easy nudge on the pedal brings smooth, positive

—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability  
You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chev-

Let  
at  
of buy.  
demonstrate  
advantages  
Chevrolet now!

MORE PEOPLE  
ROLETS THAN ANY OTHER CAR!
