Chairmen Named To Community Fund

Chairmen for the various divisions of the Manchester Area Community Fund Drive for 1953 are as follows: Business District or Special Gifts Fund, Don Sutton; Factories, Lawrence DeVerna; Organization, Rev. John Bunney; Rural Area, Mrs. William Palmer; and Village House-to-House, Mrs. Allen Schaffer.

Teams which have been secured by these leaders will be announced next week along with the report of the annual meeting and the annual meeting and the board meeting which were held Wednesday night.

Everyone connected with the Drive is expected to attend the "Kick-Off" meeting October 8 at Rows Corner Church from 8:30 to 8:00. Timing is very important at this event to make sure all solicitors have their supplies, complete information and time to discuss problems connected with general solicitation. Dates for the Drive are October 12 through 24.

This campaign is our effort to support as many health and community service agencies for the local area, state and nation as can be combined in one fund-raising drive. It will include all of the agencies of the United Health and Welfare Fund, local chapters of national agencies not included in the United Fund and the local Community Chest. The Drive does away with innumerable campaigns for funds throughout the year. When extra requests for gifts arise during the year, the solicitor should be informed of the local Community Chest. This year's quota and cooperating agencies will be given in next week's report.

Local Blood Bank Has 57 Pints

The Red Cross Mobile Blood Unit when at the Emanuel church here processed 138 donors with 84 persons accepted and 84 pints of blood donated. Forty-two pints of the blood drawn is placed in the Manchester Blood Bank. The balance will go to the National Defense and the Plasma program. It was anticipated that more donors would go to the church hall but it was felt that the bowling program on the same day may have kept some from the blood bank.

According to local director Stanton Roesch, the blood bank has built up a good supply again with 57 pints on hand. He noted that if members of families in the Manchester area need blood they have but to call Stanton Roesch, Manchester 5781 or 5335. This includes persons in Manchester, Bridgewater, Sharon, Freedom townships and the village of Manchester who have the right to call for blood from the Manchester Blood Bank.

Mr. Roesch offered congratulations to the Red Cross volunteer workers of Manchester, the Legion Auxiliary and Emanuel church canteen for their help in the blood program and stated that without their generous assistance the Blood Bank would not be possible.

P-TA Dance Classes To Resume

This is the tentative schedule set up for the P. T. A. dance program for this year which will be taught by Mary Jane Hoffman at the Manchester schools. Classes will begin on Wednesday, Oct. 7. Anyone wishing to have children enrolled is asked to do so on this date for the various classes at the given times:

Class of 5 to 7 year olds will meet at 3:45 p. m. This will include only children with one year experience in tap dancing.

The 4 to 6 year olds will meet at 4:15 p. m. who have had no previous experience and then at 4:45 p. m. pupils aged 7 to 10 years with no previous experience will meet and the 8 to 12 year olds with one year tap experience will meet at 5:15 p. m.

At 5:45 p. m., there will be a ballet class for 5 to 7 year olds with two years experience and at 6:45 for the 8 to 12 year olds with two years tap experience. At 7:15 the class of 8 to 12 year olds with three years tap experience will meet and at 7:45 p. m. students with four years of tap or more will meet. Concluding the program will be a class at 8:30 p. m. of junior high school students taking ballroom dancing. This will be a forty-five minute class.

Main Street

Has anyone seen some stray sheep? This is a question which Clarence Huesman of Pleasant Lake, route 1 would like answered. On September 3rd the sheep numbering twenty-two head strayed into a neighbor's field. Because of the extremely hot weather, both farmers agreed that it would be best to leave the sheep marked with a dot of red paint on their shoulder, in with the neighbor's.

A couple of days later the two farmers went to sort out the sheep but Mr. Huesman's were not in the neighbor's flock. We understand that sometimes sheep will separate. No immediate alarm was felt for it was fairly apparent that the sheep were grazing on the Sharon hills and would be rather hard to locate at first. However, the farmers of the neighborhood—as well as those involved have made a systematic search but to no avail. If anyone knows of the whereabouts of these sheep would they contact Mr. Huesman who says that his flock looks pretty sick with 22 missing.

We were glad to learn that Roger Pratt is able to attend his classes in the 10th grade in a walking cast after he fell and broke his leg on September 7. This wasn't the first time Roger broke his leg. Last year, about this time—September 11 to be exact, he had a double fracture in the same leg—that was playing football. Better luck to Roger in the future.

Many of Manchester graduates are at various colleges and we hope to publish a list next week of where they are. If you would like to have your son's or daughter's name in the list and if they are at school please call and tell us.

We were happy to learn of the new appointment to the Secretary of State's Branch Office at Milan—particularly because the new appointee is none other than our very good friend, Lucile M. De Ryke, former publisher and editor of the Milan Leader. Very best of luck to Lucile, who opened the Branch Office on Monday.

Manchester Extension Elects Officers

The Manchester Extension Club met at the home of Mrs. Louis Grossman Tuesday, Sept. 22, with the annual election of officers as the business of the day. The new officers are: president, Mrs. Ed Dayss; vice president, Mrs. Fred Alber; secretary-treasurer, Mrs. Louis Grossman.

The leaders are Mrs. Roy Lowery and Mrs. Harold Fisk with Mrs. Flora Luckhardt as the alternate. Mrs. Frank Higgins is on the Good Cheer Committee. Mrs. Ella Kullenkamp will have charge of the entertainment.

Mrs. Fred Steinaway was elected reporter. New members will be welcome to the club and anyone interested can contact any of the officers or members of the group. There will be no October meeting.

Exchange To Back Steer Club

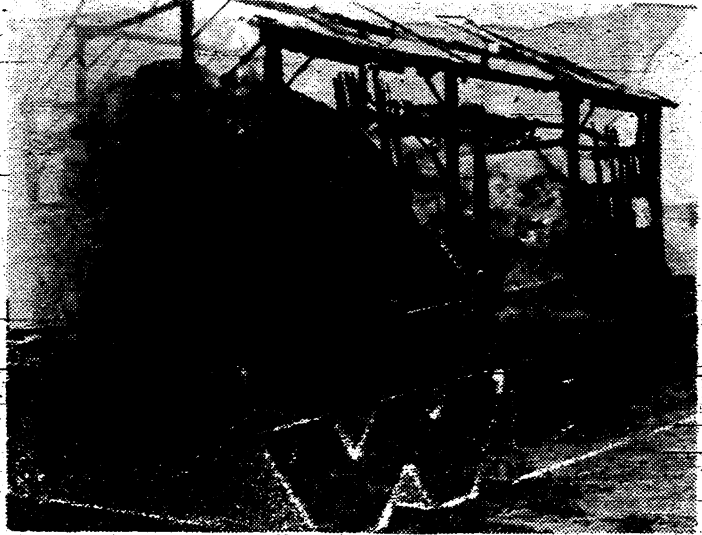

The Manchester Exchange club met Monday, September 28 with thirty-four members and guests present. It was decided that the club would sponsor a steer club again another year. Chairman, Robert Hamilton gave a report on the success of this year's steer club project, which has just been completed.

Organization of an Economy Run for the local school and neighboring schools was discussed. Representatives from Clinton, Tecumseh, and Brooklyn were present and Chelsea and Dexter have also been invited to participate in the Economy Run with the tentative date set for Sunday, November 1st.

Frank Reck, chairman of the Economy Run outlined to the guests present what was done last year and how the affair will be operated this year. Larry Soldan, driving instructor, then gave a few remarks on the benefits that young drivers derive from this experience and said that the school is solidly behind this project.

Representatives of the Mobil Oil Company presented films on the 1952 National Economy Run, which concluded the program.

Mr. and Mrs. Eugene Kaupp and Mr. and Mrs. Ira Kaupp of Dexter, spent the week end at Alpena.

On Friday evening Mrs. E. J. Sott and Mrs. Stanley Maurer attended a bridal shower in honor of their sister Grace Steeb of Saline, at the home of Mrs. Victor Guenther and Mrs. Austin of Saline.

Mrs. Sott, Mrs. Maurer and Mrs. Ray Steeb of Dexter were also hostesses the previous Friday evening at a shower given at Mrs. Sott's home at Pleasant Lake. Grace Steeb will marry Gus Lindemann of Saline on October 10th.

Trailing behind are the All Stars with Dennis McDermott the captain with a total of six touchdowns.

The boys are playing a fine game and are to be highly commended on the spirit with which they play, particularly because all playing takes place on the high school athletic field during the recess period at school. The teams rotate so that each team plays a different team every day. Last year the boys played tackle but because of school regulations this cannot be carried out this year. Each team has four flags and instead of tackling, the player has to grab the flag which the players carry in their pocket. Mr. Bob Waltz is assisting Mr. Rufus Gillam with the project.

On Saturday evening Mrs. Glen Adams entertained for her husband's birthday. Guests were Mr. and Mrs. John Oetjens and Mr. and Mrs. Oliver Edwards of Detroit, and Mr. Fred Uhr, Mrs. William Uhr, Mr. and Mrs. Fred Schaible, Mr. and Mrs. Oscar Bahnmiller, Mr. and Mrs. Joseph Langowski and son and Mr. and Mrs. Richard Hlavka and son, all of Manchester and Mr. and Mrs. Leslie Rogers and son of Michigan Center.

Cards were played and refreshments were served.

140 Attend First P-TA Meeting

The first regular meeting of the P. T. A. met with a record attendance of 140 including a 100 per cent teacher attendance Monday night. At last year's opening meeting there were 84 present.

President of the group James Pratt presented Superintendent of Schools Fred Atkinson, who announced the final consolidation of the Manchester School District. Mr. Atkinson expressed the hope that persons will participate in the activities of this school the same as they did in the rural schools, that are now annexing.

Mrs. Roger Hardenbergh, program chairman, presented corsages and boutonnieres to all of the teachers. President of the school board, Luther Klager and Superintendent Atkinson discussed the four steps necessary when building a new school. These include the architect, the site, type of building and the bond issue.

When the school buildings in the rural areas are no longer needed, to house children (upon the completion of the new school) these buildings will be sold by bid with the buyer being approved by the school district.

Because of a crowded school schedule the driver training course is being temporarily abandoned. The Manchester high school has invited five other schools to participate in the "race without speed contest" again this year. The problem of text books and rental of books for students here was mentioned by Mr. Atkinson.

A short business meeting was held with reports by standing committees. The clothes exchange which the PTA will sponsor on Saturday, Oct. 3, at the civic auditorium was discussed by Mrs. Roland Grossman. She pointed out that this will not be a rummage sale but an exchange of good used clothing. The clothes should be at the school at 3:45 p. m. Friday of this week for the sale. Mrs. F. M. Reck reported that the PTA membership is 179 at the present time which is an increase of six over last year.

Mrs. Clarence Schaible reported on the progress of the dance committee. At the meeting there were 25 of the 28 room mothers present, it was announced by Mrs. Millard Uphaus, chairman.

Miss Nellie Ackerson's room won the book for the greatest percentage of parents present. Craft School won the book for the greatest percentage present from the new annexed rural districts.

A donation to the Carr Park Association was made by the PTA. A meeting to discuss the possibilities of adult education classes is being planned in the near future by Supt. Atkinson.

Refreshments of homemade cookies, ice cream, tea and coffee were served by Mrs. Eugene Kaupp and Mrs. Harold Altenbernt, the co-chairman, and they were assisted by Mesdames Frank Tomko, Marvin Oates, Earl Alber and Eugene Huber.

Ann Walton Has Birthday

Mr. and Mrs. Ray Kerr entertained at a chicken roast for the tenth birthday party of Ann Walton, daughter of Mr. and Mrs. Tom Walton. Besides the Waltons and their children, David and Ann, other guests were Mr. and Mrs. Roland Grossman and Barry and Frank Lowery, Raynor Haeussler, Dick Kerr and Mr. and Mrs. John Althouse, all of Manchester, and Mr. and Mrs. Kenneth Walton of Upper Sandusky, Ohio.

Freedom Farm Bureau Elects

The Freedom Farm Bureau met at the home of Mr. and Mrs. Alfred Kuhl for their annual election of officers. Assisting the hostess was Mrs. William Stark.

The new officers are as follows: chairman, Armin Kuhl; vice chairman, Jack Niehaus; discussion leader is John Miller and Mrs. Jack Niehaus is the secretary. Mrs. Alfred Kuhl was named Blue Cross secretary and Mrs. William Stark is the Women's Committee Chairman, with Mrs. Harold Eiseman, the alternate.

Alfred Kuhl was named Minute man. It was decided that the creation at the monthly meeting was to be handled by the hostess.

Fire of undetermined origin destroyed a 30 x 40 foot barn on the farm of Tony Eusades on 15901 Eusades Road, located about seven miles northwest of Manchester, on Sunday afternoon. Twenty-five tons of hay, some farm equipment and carpenter tools were included in the loss.

Loss was estimated to be about eight thousand dollars, according to Fire Chief Lawrence Scheid. The fire was discovered by a neighbor, Don Blalock. Despite efforts of neighbors the barn was demolished before the Manchester fire department arrived. They managed to save a tool shed and garage and the house which were located near the barn. The tool shed-garage had been painted only last week and the new paint was badly blistered.

Mr. and Mrs. Eusades, an elderly couple, were unaware of the fire until it was discovered by Blalock.

F.W. Schiller Heads Emanuel Choir

The Emanuel Choir members and their families enjoyed a delicious pot-luck supper at the church hall on September 27th under the able direction of Mr. and Mrs. Andrew Engel, Mrs. Ray Tibb and Mrs. Floyd Palmer.

At the business meeting which followed, president, Mrs. LeRoy Dresselhouse welcomed the following girls to the choir: Joan Ahrens, Marilyn Ahrens, Mary Louise Ahrens, Janice Klager, Joan Koebe, Mary Land and Evelyn Schumacher.

A nominating committee consisting of Mrs. Theodore Blumenauer, Mrs. Stephen Kravitz, Mrs. LeRoy Dresselhouse and Doris Blumenauer presented their nominations for new officers which were unanimously accepted as follows: president, F. W. Schiller; vice president, Mrs. Ray Tibb and secretary-treasurer, Mrs. Robert Defendierfer.

Rev. Karl Rest and R. C. Soritor gave the choir a few aims and goals which they would like to see achieved during the coming year.

Plans are underway for a Junior Choir and an invitation to everyone who is in the Junior and Intermediate department in the Sunday School to join has been extended.

The Senior Choir is still open for new members and anyone interested can meet with the choir on Thursday evening of every week at 7:00 p. m. at the church hall. Plans are already underway for a Christmas Cantata and special music.

First District M.E.A. Meeting Held

The first meeting of the Washtenaw District M. E. A. was held at the Tappan High School at Ann Arbor. The business meeting followed the six-thirty dinner which was served to sixty-eight members.

Presiding at the meeting was retiring president Frank Henry, Superintendent of the Rawsonville school. Roberta Britt of the Willow Run schools, was elected president of the group and secretary is Rufus Gillam of the Manchester schools.

Dick Adams, Field Representative for this district, spoke briefly on the Beecher Memorial Library Fund which is being raised by donations of teachers.

The evening program opened with Mr. Ray Hayden from Saginaw presenting picture slides of wild flowers of Michigan which he himself had taken over a number of years. This was the first in a series of meetings to be based on the theme "Re-discover Michigan." Speakers for this series are persons well qualified to present in a most interesting manner some of "Michigan's Wonderland."

The next meeting for the Washtenaw M. E. A. will be held on October 28th with dinner at the Chelsea Methodist Church with Dr. Paul Barrett the guest speaker of the evening.

Attending from Manchester were Mesdames Hulda Martin, Gladys Swanson, Ina Haeussler, Mabel Pardee, Birdella Flood, Leo Scully and Ray Trolz, the Misses Ethel Brown and Nellie Ackerson and Bob Watz and Rufus Gillam.

Rev. Adolph Bergman has been named General Chairman of the Washtenaw County CROP Drive at a meeting on Monday.

Women's Bowling

Tuesday, Sept. 22nd, proved to be a decisive evening for the Women's Bowling Association. Each team either won four points or lost four. Carl M. Schaible, Inc., Lannom's Variety, Schaffer Lumber Co., and Manchester Drug were on the winning side of the ledger while Uphaus Drug, Widmayer Hardware & Furniture, Manchester Bakery, and Hamilton's Market were busy tending their wounds. Widmayer's found some consolation in their high team single game total of 765.

A couple of new records were

established when Schaible's turned in a high team three game total of 2144 and Joyce Schaffer set a new high individual three game score of 492. Five of the ladies rolled games of 160 or better—Joyce Schaffer had a 195, Lena Riedel 185, Birdella Flood 170, Donna Thurman 162, and Pat Soldan 160, but none of them could beat Edna Knauss' high individual single game score of 199, which she has held for three consecutive weeks. Turkeys gobbled this week for Joyce Schlicht, Joyce Schaffer and Pat Soldan but Vera Schaible silenced them by rolling four consecutive strikes.

Team	W	L	Ave.
Carl Schaible, Inc.	10.5	1.5	678

Women's Bowling

When the ladies took the alleys on the second night of the new bowling season the lanes were still smoldering from the going over they received on opening night but it didn't take long for things to cool off! Before the night was over most of the girls had adjusted their averages to more comfortable levels, but six of them proved that they still had plenty of firepower by turning in games of 165 or better. Edna Knauss topped the list with 199 followed closely by teammate Shirley Bower with 195. Betty Schaeble rolled a 168; Margaret Klager and Pat Soldan both had a 167; Joyce Schaffer and Vera Schaible 166. Just to show the rest of us how it's done, splits were neatly picked up by Mary Anne Schill, 4-7-10; Donna Thurman 6-7-10; Edna Knauss 7-9; Amanda Schaible 5-9-7;

and Turkeys were hatched by Shirley Bower, Lucille Thent, Joyce Schaffer, Mary Anne Schill and Elaine Steele. Widmayer's Hardware and Furniture carried off the honors for the high team single game with a 765 while Hamilton's Market had the high team three game total of 2039 and Birdella Flood again collected the highest individual three game score with 483.

Several teams showed up in smart new bowling attire this week and we understand some of the others will have new outfits in a week or so. Skirts and blouses carrying the sponsor's name or trademark appear to be the most popular so far this year. Maybe the new finery will give the gals added incentive.

Men's Bowling

By Rolly Grossman

There was a big collision in the Business Men's Bowling League as Kappler's Contractors met Mary's Tavern. These two teams seem to "lay in wait" for each other and when they meet there is some good bowling done. This time the Tavern's boys, lead by Fritz Wurster (508 series) and Morgan Kern (505 series), downed the Contractors in taking 3 out of 4 points, although Art Golas (511 series) and Speck Kappler (559 series) tried to keep the Contractors in the match but they didn't quite do it.

The A. B. C. Service team showed the Widmayer Sales & Service team why the Service men were 1952-53 champions by taking 4 points. Ted Roberts (523 series) and Bob Clark (555 series) were the big guns for A. B. C.'s in this match.

Carl M. Schaible's team finally got in the winning ways by downing Klager's Hatcheries for 4 points. Earl Bersuder led the Ford men by having a 528 series.

Spoke's Mobil Service kept up their winning pace when they grabbed 3 out of 4 points from Jan & Jim's Girl team. There wasn't any big series, but the bright spot in this match was a 203 game by Jake Trent of the Mobil team.

Mann's Millers, skinned by K. & W. Farm Supply when the Millers got 3 close points. The second game was won by 10 pins for Mann's and the total pins was quite close. Bill Kroske of the K. & W. team had a 505 series. In the only split of the night Double A Products and Short's Electric Service both had 2 points to show for their night's bowling. There weren't any 500 series in this match but the fellows all bowled good averages.

There were some good games rolled and the bowlers who had over 200 games were Bob Clark, 219; Dick Weir, 207; Speck Kappler, 206; Dewey Hartbeck, 205; Jake Trent, 203 and Jim Baker, 202.

Quack!

This is no joke, for any and all concerned. A recent new recruit turned up in Fort Meade, Md., with the real but somewhat wonderful name of Pvt. Donald R. Duck.

Postmaster's Position At Bridgewater Still Open

The Civil Service Commission has extended to October 6 the deadline for accepting applications in the examination for postmaster at Bridgewater. The time limit was extended because the number of applications received so far has not been sufficient for adequate competition, the Commission announced.

Applicants must have resided for one year in the community that is served by the post office. They must be able to handle sim-

ple records of accounts and be able to deal agreeably with the public. They will be required to pass a written test.

Further information and application forms are available at the Bridgewater post office. The forms must be received by the United States Civil Service Commission, Washington, D. C. on or before the deadline date.

A 12-foot truck body of magnesium is now being produced by an Eastern company. It weighs only 850 pounds; the builders say a comparable steel body would weigh about 2,200 pounds.

Pvt. Leon Kuhl

Funeral services were held at 2 p.m. for Pvt. Leon Kuhl, 20, a native of Sharon township, who died Saturday morning at Camp Atterbury, Indiana, where he had been hospitalized since July with leukemia.

Born on July 11, 1933, he was a son of the late Albert Kuhl and Mrs. Grace Dresselhouse Kuhl. He attended Sharon Hill School and then went to live with a brother in California. He was inducted into the Army in April, 1953.

Surviving are his mother, of Sharon township; four brothers, Homer and Earl of Chelsea, Herman at home, and Roy of San Diego, California; and three sisters. Mrs. Leorette Drake of Brooklyn, Michigan, and Mrs. Clarence Foor, Jr., and Mrs. Russell McAlpine, both of Jackson; and several nieces and nephews, aunts and uncles.

The funeral was held at the Jenter Funeral home on Tuesday, Sept. 29, and burial was at the Sharon Center Cemetery.

Confirmation Class Elects Officers

The confirmation class of the Emanuel Evangelical and Reformed Church held the first session on Saturday, Sept. 28, with fifteen seniors and nine juniors present.

The election of officers was held with Kay Kemner elected president; Janet Braun, treasurer; Pauline Buss, pianist; and Kay Kuhl assistant pianist.

Senior Class Sets Up Two Projects

The Senior Class at their first homeroom meeting of the year, elected their officers as follows: president, Gordon Schultz; vice president, Gary Dresselhouse; secretary, Paul Wahr; treasurer, Le-

onard Scheid and reporter, June Leeman.

The two main events for the year were scheduled. These will be the senior play, which will be held Nov. 19th and 20th, and the Holly Hop, which will be held Dec. 19th.

The class would like to announce that Christmas cards will be sold as in previous years. These can be obtained after the 9th of November from any members of the senior class or by calling Gordon Schultz at Manchester, Phone 3931.

Nice picture, isn't it? A man, completely relaxed, secure in the knowledge that he has a little pile of money saved that's earning extra income for him every day.

How does a man on average income do this? You, for instance? It's easier than you realize. All you have to do is sign to invest in Savings Bonds on the Payroll Savings Plan.

You see, you don't have to save a lot at a time on the Payroll Savings Plan. There are people who save only \$3.75 a week on the Plan. (But that \$3.75 a week can bring them \$5,153.72 in U. S. Savings Bonds!) Imagine what just a few dollars a month will accumulate for you. And now—with the new earning power of these Bonds—the money you invest in them will bring you more interest, for more years, than ever before in history. The simple chart below explains it all to you.

Best of all, you'll find that you can save on the Payroll Savings Plan, even if you've never been able to save in the past. Because the money is saved for you, before you have a chance to spend it.

Put yourself in that picture of a relaxed, secure person—today. Sign the Payroll Savings Plan where you work. Or, if you are self-employed, go to your bank and have your banker get you started in the automatic Bond-A-Month Plan. It's as simple, as helpful, as the Payroll Savings Plan!

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately \$1,000	\$5,000	\$10,000
Each week for 5 years, save	\$3.75	\$18.75	\$37.50
Each week for 9 years and 8 months, save	\$1.85	\$8.80	\$18.75
Each week for 19 years and 8 months, save	\$0.75	\$3.75	\$7.50

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings.

Your money makes money for you every minute—with U. S. Savings Bonds on the Payroll Savings Plan

Mrs. Wm. Romelhardt New Head Of Aux.

The American Legion Auxiliary Unit 117 held their regular meeting and installation of Officers on Wednesday, Sept. 9. The brief business meeting was opened by President Baker. Mrs. Rolland Grossman, Rehabilitation Chairman, reported on the hospital party at Ypsilanti State Hospital at which the unit entertained on August 25.

The motion was made and seconded that the Unit purchase two pair of adjustable crutches, one pair for adults and one pair for children. These to be added to the hospital equipment for loan to the community. Fall plans were discussed and the Fair Committee asked full cooperation from all members for the General Store and Fish Pond. The purchase of playground equipment for Carr Park was tabled until the October meeting.

President Baker asked for volunteers to phone solicit blood donors for the Blood Bank program on Sept. 15. Plans were discussed for the Canteen.

There being no further business the meeting was turned over to the Brooklyn Drill team and Mrs. Gladys Taylor, Second Zone vice president who presided as installing officer. The following officers were installed for the coming year:

President, Mrs. William Romelhardt; 1st vice president, Mrs. Basil Schwab; 2nd vice president, Mrs. Harold Alexander;

secretary, Mrs. Russell Hosmer; treasurer, Mrs. Russell Van Smith; Sgt. at Arms, Mrs. Ted Roberts; chaplain, Mrs. Raymond Neuderfer and historian, Mrs. Frank Reck.

The junior past president, Mrs. James Baker was presented with the past president's pin, for which she thanked the group. She also expressed her thanks to the group for all the cooperation she had been given during the past year.

Immediately following installation the meeting was continued by President Romelhardt who announced that the Fall Conference is at Lansing on October 3 and 4 and it was decided to send two delegates from the Unit. Mrs. Marvin Oates was appointed Good Cheer Chairman for the coming month and Mrs. Walter Vogt, Chairman of the October serving committee.

After adjournment a lovely buffet lunch was served by Mrs. George Merriman and her committee.

National Audubon Screen Tour

Once again the Washtenaw Audubon Society and the Ann Arbor Public Schools Adult Education Department are bringing to Ann Arbor a fine group of natural history lecturers, personally present the best in all-color outdoor motion pictures on a variety of wild life subjects. The primary aim of the sponsors is to further the cause of conservation through appreciation and greater understanding of the out-of-doors.

They are very anxious to have families in the areas surrounding Ann Arbor join with them, to help make this a truly county project.

The schedule of the series is as follows:

Oct. 3—Karl Maslowski with "Beneath Buckeye Skies." This will be on birds and animals of Ohio.

Oct. 24—Allan Cruickshank with his "Santa Lucia Sea Cliffs," a picture story of one of the wildest coastal areas.

Nov. 28—Robert Hermes bringing "Bonaventure Diary," showing unusual colonies of sea birds and other wildlife on the Island of Bonaventure, off the Gaspe coast.

Jan. 16—Alfred Bailey with "High Country." This takes you to the Colorado Rockies for big game—mountain sheep, elk, mule deer and distinctive birds.

Feb. 20—Dick Bird will show "Newfoundland," a picture of humor and unusual excitement in a rugged land of picturesque charms and rich abundance, with moose, caribou, beaver, water birds, song birds, and others.

Mar. 6—Laurel Reynolds in color the Pacific coast from "Western Discovery." This explores the Pacific coast from Mexico to Puget Sound, showing elephant seals, killer whales, auklets, shorebirds, wild geese, and others.

The pictures will be at the Ann Arbor High School Auditorium, at 8:00 p. m. Price for the series of six is \$2.00. Ticket-

Legion Wins Three National Citations

The American Legion was awarded three national citations at their recent National Legion Convention in St. Louis, Mo.

The Legion's Troop Morale program "Hometown, U. S. A." was awarded a national citation by the public relations division of the Michigan Department of the American Legion and its 75,000 members.

Vic Benjamin, Legion state public relation director, was awarded first honors for an outstanding job performed in the interests of community and state.

The American Legion Press Association named the Michigan Legionaire, Michigan's state Le-

gion paper edited by Vic Benjamin, second best among the 480 smaller Legion publications.

Dates Set For Concert Series

Mr. Haydn Morgan, president of the Ypsilanti Community Concert Association is pleased to announce that all of the dates for the 1953-54 concert series have been verified. Just this week Miss Agnes Wardroper, Corresponding Secretary, has had final word from the New York office of Community Concerts Incorporated. As usual the concerts will be held in Peace Auditorium at 8:30 o'clock.

The first concert of the season will be given on Wednesday evening, October 14, by Ray and Gomez, spectacular dance team. After their third tour of the European Continent, Frederick Ray and Pilar Gomez, fiery Spanish and Latin-American dancers, returned to America for a sold-out tour in 1952-53, once more confirming their position as supreme entertainers in a popular field as well as serious and impeccable technicians of the dance. The Association, because of so many audience requests for a dance recital, is happy to present one of such fine caliber.

The second recital will be on Thursday evening, November 5, given by Alfred and Herbert Teltschik—two brothers forming the duo-piano team popularly known as "The Teltschiks from Texas." Now on their fifth sold-out tour of the continent, the Teltschiks success is best gauged by the unusual number of re-engagements they will play this season. An enormous technique, a sound background, imagination and taste, and, above all, their own innate musicianship are the essential

reasons for their continuing welcome by enthusiastic audiences everywhere. Duo-pianists have always been a favorite among Ypsilanti audiences.

For its third concert the Ypsilanti Community Concert Association presents Carroll Glenn, the virtuoso violinist, on Monday evening, February 15, 1954. Miss Glenn is the beautiful and distinguished young American violinist who last year, after returning from her fourth triumphant European tour in four consecutive years made her longest American tour both as recitalist and as soloist with the principal symphonies. She has been called the most amazing woman violinist since the great Maude Powell.

The fourth and last concert of this season very well may be called "the grand finale" with none other than the inimitable Metropolitan Opera star, Helen Traubel, appearing in Ypsilanti on Thursday evening, April 1. If a quiz-master were to ask me "What well-known American woman writes popular murder mysteries, owns part of a baseball club, has a rose named for her, and can be as easily identified by her infectious laugh as by her great soprano voice?" the answer, "Helen Traubel" would automatically be called out by the thousands of fans who adore America's greatest dramatic soprano. All Ypsilanti should be proud to be host to such a famous personage and indeed, the Ypsilanti Community Concert Association is proud to close its 1953-54 season with one of the greatest musicians in the world today.

Flowering Bulbs Require Inspection Before Sale

Act 189 of the Public Acts of 1931, as amended, requires that perennial flowering bulbs, such as tulips, narcissus, hyacinths, and lilies, must be inspected and certified prior to being offered for sale. Growers producing such bulbs for sale must also be licensed under the same act. Likewise persons or firms who buy and sell flowering bulbs are required to have a plant dealers license.

C. T. Boyer, Chief of the Bureau of Plant Industry, cautions all growers and dealers to be sure they have the proper licenses and

that all bulbs have been inspected and certified before offering them for sale. If they wish to request such inspection service or obtain the necessary licenses, they may do so by contacting the Bureau of Plant Industry, Michigan Department of Agriculture, Lansing, Michigan.

A lot of youngsters have been raised in the past 20 years with the idea that government support is a normal thing for farmers to expect at all times. That kind of thinking can lead to Socialism. We've got to get back to depending on ourselves in normal times.—Agriculture Sec. Benson.

From where I sit... by Joe Marsh

One for the Books!

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?" "It's not for me," she answers, "it's to remind you, and everybody else who asks what it's for, to contribute to the Woman's Club Library Fund. We need \$200 and we figured we'd get more help if we could get people to ask us about it."

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all

fixed up—and there's enough money for some new books, too.

From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors. Like when we start telling them what we think is best. I may like a travel book and a temperate glass of beer while you prefer a cup of tea with your historical novel. Let's both remember not to "put the finger" on the other!

at half the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it... worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over \$4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and for less than half the fine car price!

Look under the hood of the most expensive cars and what do you find?

A V-8 Engine!

Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's—by millions—than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car fine.

Automatic shifting, for example. All the fine cars offer it in one form or another because it's one of the things that make a fine car fine. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever—it

gives you exactly the amount of power you want, when you want it—automatically.

Fine car power steering, too. The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it—especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels and just enough to take out the work. You don't relinquish one particle of control—rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. And you don't pay a fine car price for "Master-Guide."

But there is another fine car feature—the Ford ride. Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement—or lack of it! Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day

would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

What about room? Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger bigger inside.

Visibility is another fine car Ford feature. We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match... plus side windows that mean every passenger gets room with a view!

How beautiful is a Ford? A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty"—well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree—even our competitors

—that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

But what about Ford quality? Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish—we believe Ford's baked-on enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

How then is it possible to give you this fine car at half the fine car price?

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

More money for you!

NOW YOUR MATURING
SERIES E BONDS CAN EARN INTEREST
TEN YEARS LONGER—AT 3%!

Have you given any thought to what you'll do with
those maturing Series E Savings Bonds you patriotically
invested in ten years ago? Well, here's real good news for
you. You won't have to do a thing with them and they'll
continue to earn interest for ten years longer at 3% com-
pounded semiannually. Just hold on to your Bonds and
allow them to go on earning!

And in the meantime join the millions of thrifty
Americans who are investing in Savings Bonds regularly
through the Payroll Savings Plan. Millions who say it's
the one sure way to save.

The sum you set aside each week may be as little as 25c
—or as much as \$275. If you can save just \$3.75 a week
regularly through the Plan, in five years you will have
\$1,025.95! In 9 years and 8 months you'll have \$2,137.30
... in 19 years and 8 months, \$5,153.72! For now the
Series E Bonds you buy and hold to maturity can earn
3% interest compounded semiannually.

No matter how small your income, you can't afford not
to put something aside for yourself. So join the Payroll
Savings Plan where you work today.

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which
pays you your interest by check every six
months, ask at your bank about United States
Government Series H Bonds. Series H is a new
current income Bond available in denomina-
tions of \$500 to \$10,000. Redeemable at par
after 6 months and on 30 days' notice. Matures
in 9 years and 8 months and pays an average
3% interest per annum if held to maturity. In-
terest paid semiannually by Treasury check.
United States Government Series H may be
purchased at any bank, annual limit \$20,000.

Pleasant Lake Schools Have First Assembly

The pupils of the Pleasant Lake School listened to Rev. Emil Meszel, brother of Rev. Theophil Menzel of the Bethel church, as he told the children some of his interesting experiences. These held the attention of the pupils for the subject—perhaps dearest to his heart, is India. For Rev. E. Menzel is a missionary in India, home on a furlough.

He told about the schools, the home life of the children of this far away country and told them jungle stories.

Before leaving, the missionary left a copy of his new book "Pach-kaur" to be placed in the Pleasant Lake School library. "Pach-kaur" he explained, is the name of a boy and in India the word means no good or rubbish. He explained to the children how the

Indians gave this name to a child hoping that the spirits wouldn't take him like they had his brother—particularly if his name meant—rubbish.

The assembly was held for all pupils above the third grade.

George Girbach

Funeral services were held Friday for George Girbach, aged 83 years, a lifelong resident of this area. He died Tuesday night at his home on the Manchester-Clinton Road, north of Clinton.

He was born on September 21, 1870, in Saline township, a son of Jacob and Elizabeth Girbach.

In 1890 he was married in Ann Arbor to Miss Jennie Liddell, who survives. Other survivors include two sons, George at home, and Walter of Tecumseh; four brothers, Andrew and Gottlieb of Saline, John of Clinton, and Fred of Pontiac; two sisters, Mrs. Elizabeth Hamlin and Mrs. Herman Goll, both of Ann Arbor; three grandchildren and several nieces and nephews.

Funeral services were held at 2 p. m. Friday at the Proctor Funeral Home in Clinton with Rev. Vaughn Whitely of the Methodist church officiating. Burial was in Riverside Cemetery.

Bridgewater Farm Bureau Elects New Chairman

When the Bridgewater Farm Bureau met at the home of Mr. and Mrs. Theodore Parker. The main business of the meeting was electing new officers for the coming year.

Chairman John Norcross presided at the meeting and Leonard Dayss was elected to the post of chairman; vice chairman will be Theodore Parker; Edgar Randall the discussion leader; Mrs. Everett Stockwell the Blue Cross secretary; Mrs. Charles Spence the secretary; Mrs. Edwin Haeussler heads the Women's committee with Mrs. Marvin Breitenwischer, the alternate.

Mrs. Theodore Parker was named publicity chairman. The October meeting will be held at the home of Mr. and Mrs. Charley Spence.

Mr. and Mrs. Duffield Ball and family attended the fortieth wedding anniversary of his parents, Mr. and Mrs. Joseph Ball, at open-house at their home in Chelsea on Sunday.

Local Briefs

Kevin Iwanicki of Clinton is spending this week with his aunt and uncle, Mr. and Mrs. Duffield Ball and family.

Henry Steinaway celebrated his 82nd birthday at his home on Monday, September 28th.

Last Thursday Mrs. Mary Calhoun visited Mr. and Mrs. Cecil Cornwall and daughter Janice and Mrs. Clifford Kendall, all of Battle Creek.

Rev. Adolph Bergman, John Pippenger, John Ekin and James Pratt attended the quarterly conference of the Ann Arbor District of the Methodist church at Adrian on Tuesday evening.

On Sunday evening Mr. and Mrs. James Pratt and family called on the George Nichols family at Tecumseh.

Friends here will be interested to learn that Mr. and Mrs. Eimen Kopka are the proud parents of a daughter, Karen Jean, born at the Herrick Memorial hospital on Sunday, September 27th. Mrs. Kopka is the former Jean Trinkle, daughter of Mr. and Mrs. Otto Trinkle.

Mr. and Mrs. George Nollar are moving into their new home next to their farm home at 8533 Sharon Hollow Road. The down stairs apartment, which they are vacating at their farm house, will be rented by the Sam Cushman family.

Mr. Rufus Gillam spent the week end with his mother, Mrs. Pearl Gillam, at Flushing.

Mr. Robert Walz, new fifth grade teacher, spent the week end with his parents, Mr. and Mrs. Charles Walz, at Montgomery.

Football Summary

Hazen kicked off to Airport Community. Airport returning it to the 32 yard line. Manchester got the ball but fumbled and a few plays later Airport was on Manchester's 1 foot line. But a couple of penalties and a good Dutchman line kept them from

scoring. Again Manchester fumbled and Airport scored a few seconds later. Spaldy going over from the one yard line. The half ended Airport 6—Manchester 0. The second half was uneventful as neither team could put up a score.

Manchester got down to the 20 yard line in the third quarter but a loss of 10 yards stopped the rally. The score at the end of the third quarter still 6-0.

In the fourth quarter, Airport unleashed a deadly passing offset and scored on a long pass to make the score 13 to 0 after the conversion point was run over.

Then a few long runs brought a third and final touchdown for Airport, a run of 15 yards around the right end counting 6 points for Airport. The conversion was good. Thus Manchester lost 20 to 0 on a well played game.

Swinging mixing-faucet. Wide, no-tip fluting. Two large storage compartments and sturdy steel shelf. Spacious cutlery drawer slides easily, even when fully loaded. Top of one-piece, acid-resisting porcelain-enamelled steel. Hi-Bake, easy-to-clean finish. Sound-deadened doors close positively on torpedo catches. Curved, no-splash bowl design. Recessed toe and knee space. Impressed soap dish. Crumb-cup strainer. Half-turn convertible bowl to dishwasher. Easy-V handles in glistening chrome.
