Local Churches Slate Schedules For Christmas

In the various churches in and near Manchester, the following schedules have been set up for the Christmas season. Four churches will have services on Christmas Day.

St. Mary's Catholic Church will have a special midnight Mass celebrated by the pastor, Rev. Fr. Walter Hennes, with Christmas music played just prior to the Mass. This midnight Mass will be followed immediately by a low Mass. A third Mass will be celebrated at 9 a. m. Christmas Day. There will be no Holy Hour on Tuesday evening of next week. Hours for confession will be Wednesday afternoon from 4 to 5 p. m. and Wednesday from 7:30 to 8:30 p. m. and Thursday from 3 to 4 p. m. There will be no confessions Christmas Eve.

At the Emanuel Evangelical & Reformed Church there will be a Sunday School Christmas program in the parish hall on Christmas Eve at 7 p. m. On Christmas Day, the pastor, Rev. Karl H. A. Rest, will preach at a Sun-rise Service at 7 a. m. This will be followed by Holy Communion at 8 p. m. Sunday, Dec. 20, the members of the senior choir of the Emanuel church will present a Christmas Cantata, "The Babe of Bethlehem" by Bernard Hamblen under the direction of R. C. Sontor. The evening will open with traditional Christmas hymns by the junior choir after which the Cantata will follow, consisting of solos and choruses.

There will be a special Christmas Eve service at 7:30 p. m., Dec. 24, at the Methodist Church and on Christmas Day there will be a special service at 10 a. m. The Church School will have a Christmas program Sunday, Dec. 20, at 8 p. m., Rev. Adolph Bergman, pastor.

At the Bethel Evangelical and Reformed Church there will be a Sunday School program on Christmas Eve at 7:30 p. m. Mrs. Paul Heiber is Sunday School superintendent. On Christmas Day the pastor, Rev. Theophil Menzel, will have a special Christmas Communion Service at 10 a. m.

A Christmas Cantata is planned at the Sharon Evangelical Church for Sunday, Dec. 20 at 11 a. m., entitled "The Dawn of Christmas." Rev. J. A. Beardsley is pastor. Sunday School will be at 10 a. m. directed by Mrs. Harold Buss, Supt. of Sunday School. On Christmas Eve the Sunday School will give their annual Christmas program at 7:30 p. m.

Rev. Alvin Brazee will deliver his Christmas message at the Iron Creek Church at the regular service on Sunday at 10 a. m. There will be a Sunday School Christmas program on Wednesday, Dec. 23 at the church hall at 8 p. m. with the children taking part in the affair. Distribution of presents and candy will be under the direction of Mrs. Alvin Brazee.

Santa To Visit Here Wednesday

A long distance call has come from The Toyshop, North Pole, that Santa Claus will arrive in Manchester Wednesday, Dec. 23, about 1:30 in the afternoon.

Santa reports that all his reindeer are in good condition, and that his eight deer-power sleigh has been enlarged to care for the extra volume of orders that has been pouring in on him this year.

"Judging by the way requests have been coming in," he says, "I'd say there isn't a bad boy or a bad girl in Manchester. Come to think of it, I guess there never was."

Mrs. Claus has knitted him a new muffler and new mittens to keep him warm during his trip this year. Last year, his fingers got a bit chilly from hanging onto the reins.

Santa will probably park his reindeer on a farm outside of Manchester, on Wednesday, and give them a feed of hay while he greets Manchester's boys and girls on the square; down between the mill and the bank. They'll be tired from their trip and need resting. If the weather is good, Santa

Community Chest Allocates Money

With the Christmas spirit uppermost in the minds of all the people of the Manchester area can feel a glow of satisfaction for their part in making the world a little brighter for many people—even many they will never know or see.

The Manchester Community Fund budget committee met last week and allotted a large portion of the \$4,169.60 which was so generously given to the Red Feather Drive from the area. A belated donation to the drive is from the Argus Company of Ann Arbor which has returned \$14.50 of their collection assigned to Manchester by their workers, along with a matching amount from the company, giving the local fund \$29.60 more.

The Salvation Army, which is synonymous with Santa Claus and whose work is tremendous throughout the whole year, has received a check for \$300.00 for Manchester's gift to their cause.

The United Health and Welfare were allowed \$780.00 to assist with their thirty-seven agencies. When the T. V. screen and radio request aid for physically and mentally ill. Almost invariably Manchester has helped with its gift to the United Health and Welfare. The agency includes Sister Kenny, Polo Foundation, Michigan Heart, Cerebral Palsy, Mental Health & Hygiene, Multiple Sclerosis, Leader Dog League and Path-Finder Guide Dogs, Hearing Society, Epilepsy Center and League, the Urban League, Travelers Aid, U. S. O. and many more.

Given the chance, this agency could be the clearing house for all health organizations requesting money from the public.

Michigan Crippled Children were given \$175.00 and the American Cancer Society \$450.00 for 1953-54.

Requests from local groups which have been made to date include the Civic Christmas Party \$150.00. (It will be December 23 this year). Girl Scouts \$300.00, Cub Scouts \$500.00, Boy Scouts \$500.00, Recreation \$500.00, Band \$200.00 and Student Council \$350.00. All of these requests were put in the budget awaiting a call from the organizations.

The budget committee from the Community Fund Board this year includes Lawrence DeVerna, Rev. Rest, George Johnston, and Milard Uphaus.

Requests to participate in the fund should be sent in writing to the president of the board, Milard Uphaus, or the secretary, Mrs. Philip Kern. The Community Fund Board passes on the admittance to participate and a formal budget request is required.

Local Girls Compete For High School Queen Title

Plans for the annual Holly Hop.

sponsored by the Senior Class of Manchester High School are well underway according to the committee, who has secured the services of Johnny Harber and his orchestra to provide the dance music. June Leeman, Jo Miller and John Cargo are on the refreshment committee and Lloyd Ahrens, Gary Dresselhouse, Mary Kemner, and Patsy Snyder have charge of decorations. Pat Rolston and Kenneth Kemner are ticket co-chairmen and are assisted by Donald Wolf and Bill Curtiss. Joan Walz made the posters and Marshall Norgaard and Bill Walz worked on an advertising project.

The highlight of the dance will be the crowning of the Manchester high school queen. The organizations of the school have each entered a candidate and a popular vote has selected five girls as candidates for this honor. Qualifications considered were based on scholarship, poise, attractiveness and popularity. Those selected were June Leeman, senior; Carolyn Leeman, junior; Jeanette Budnik, Marilyn Breitenwischer and Janice Klager all sophomores. The queen will be judged Friday, December 18 by the mayors: Mr. Joseph Schwab of Manchester, Mr. Paul Hoyt of Clinton, Mr. Henry Leutheuser of Saline and Mr. Anton Nielsen of Chelsea. Mrs. Marie Scheurer of Manchester will act as moderator. The four girls not selected will be members of the queen's court.

The crowning will be done by Manchester's mayor, Mr. Joseph Schwab, during the dance on Saturday evening, December 19th.

Beacon Light Ext. Has Christmas Party

The Beacon Light Extension held their Christmas party at the home of Mrs. Albert Brown on Saturday evening with a pot-luck supper. Husbands of members were also guests. A gift exchange took place and secret pals were revealed at the party. The January meeting will be held with Mrs. Howard Heselschwerdt.

Mr. and Mrs. Anton Feldkamp called on Mr. and Mrs. Eli Miles at Jackson, on Sunday and in the evening, guests of Mr. and Mrs. Feldkamp were Mr. and Mrs. Albert Wahr.

Mr. and Mrs. Clarence Dettling, Mrs. Elmer Dettling, and Mrs. William Uhr called on Elmer Dettling at Howell Sanatorium on Sunday.

Mr. and Mrs. Robert Patches had as their dinner guests on Sunday Mr. and Mrs. Edgar Hays of Livonia.

Mr. and Mrs. Oscar Eschelbach were dinner guests of Mr. and Mrs. Hubert Van Camp of Linton on Sunday evening.

Mr. and Mrs. L. V. Kirk entertained their card club on Sunday evening.

Mrs. Ralph Keeser of Chelsea spent Sunday afternoon with her daughter, Mrs. Elwin Benedict.

Coming Events

The Legion-Auxiliary will pack their Christmas shut-in boxes on Monday evening, Dec. 21 at 7:30 at the hall. All donations of cookies, candy, etc. are to be left at the hall or the home of Mrs. Basil Schwab. Any members who can help pack the boxes, please be at the hall Monday evening.

Over 100 At Exchange Party

More than one hundred Manchesterites, their wives and guests met at the Otsego Hotel in Jackson, Monday night for the club's annual Ladies Night.

The speaker was Guv Hill, co-ordinator of high schools at Michigan State College, whose talk on the Christmas spirit was an effective plea for tolerance and understanding by all men of good will, and an interpretation of the open mind that is willing to accept change in a changing world.

Hill, who is popular with Manchester audiences for his wit and informality, was the principal speaker at the Exchange Club Farmer's Night, earlier this year. He was introduced Monday by Dan Boutell. Others on the program were President Royal Davider and Tom Walton, chairman of the entertainment committee.

A handsome Christmas centerpiece was won by Mrs. Marie Scheurer in a guessing contest, held during the dinner.

Mr. and Mrs. Tom Moore and son Stephen of North Wayne were Sunday guests of Mr. and Mrs. Paul Schwab and family.

Service Notes

Pvt. Harold Breitenwischer, the son of Mr. and Mrs. Aaron Breitenwischer of Kirk Road, Manchester, has recently been assigned to the 490th Engineer Light Equipment Company of the 338th Engineer Group (combat) stationed at Fort Campbell, Kentucky.

Prior to entering the Army in May 1953, Breitenwischer was employed at the Ford Motor Co. in Manchester. Breitenwischer successfully completed basic training at Fort Knox, Ky., and also completed radio school there. Since being assigned in this company he has been assigned as company clerk.

Notice

There will be no dancing classes Dec. 23. There will be lessons Dec. 30. Because of no school that week the following schedule is set for Dec. 30 only:

- 3:45 class will start at 11:00 in the morning.
- 4:15 class will start at 11:30.
- 4:45 class will start at 12:00.
- 5:15 class will start at 12:30.
- 5:45 class will start at 1:00.
- 6:15 class will start at 1:30.
- 6:45 class will start at 2:00.
- 7:15 class will start at 3:00.
- 8:45 class (ballroom) will start at 3:45-4:30 p. m.

Engagement Announced

Mr. and Mrs. Merle Wright of Manchester are announcing the engagement of their daughter, Joyce Jane, to William Merriman, son of Mr. and Mrs. George Merriman, also of Manchester.

North Sharon Extension Party

The North Sharon Extension held a Christmas party pot-luck supper at the Sharon townhall with a gift exchange on Thursday with the members, with Mrs. Albert Bahnmiller, the hostess assisted by Mrs. Clarence Trolz and Mrs. Morgan Esch. Secret Pals were revealed at the party.

Ford Local Plans Christmas Party For Children

Auxiliary Outlines Christmas Program

The American Legion Auxiliary Unit 117 held their Christmas and membership party on Wednesday, Dec. 9 at the Legion hall.

The Good Cheer report was given by Mrs. James Baker. Mrs. Basil Schwab reported that six overseas boxes had been packed for the Red Cross Christmas Project and President Romelhardt told the group that the rehabilitation gifts for veterans had been purchased and sent to the Veterans Hospital at Ann Arbor.

The Community Service Chairman reported that there are two beds and one child's wheel chair and one pair of crutches on hand. The Unit voted to sponsor again their magazine drive for the purchase of more hospital equipment. This drive will be held early in the new year.

It was decided to renew two subscriptions to the Enterprise for the County Infirmary.

Mrs. Charles Wurster, Gold Star Chairman, was instructed to remember the Gold Star mothers at Christmas.

The Auxiliary will pack and distribute their Christmas shut-in boxes on Monday evening, Dec. 21. The boxes will be packed at the Legion Hall, Time 7:30. All members are asked to bring cookies to the hall or to the home of Mrs. Basil Schwab not later than 6:00 Monday evening.

Mrs. Robert Clark was named Good Cheer chairman for the coming month. The January committee consists of Mrs. Philip Kern, chairman, assisted by Mesdames Russell Hosmer, Chris Norgaard, Basil Schwab and Homer Fish.

After the business meeting the program was turned over to membership chairman Mrs. Robert Huber. Guests were introduced and prizes of the evening were won by Miss Marion Fox and Mesdames Stanton Roesch, Walter Vogt and Ray Trolz. The door prizes consisting of a 1954 membership, was won by Mrs. Doris Evisizer.

A lovely lunch was served by Mrs. Edward Steele, Jr., and her committee and a gift exchange ended a very entertaining evening.

The Christmas party for the children of the CIO members and office workers of the Manchester Ford Plant will be held at the Manchester high school auditorium on Sunday, Dec. 20 from 3 to 5 p. m. Santa will be on hand at a gayly decorated tree to distribute gifts to all children including fourteen-year-olds.

The committee in charge has decided to shorten the program this year and will include, besides the distribution of gifts a short comic movie taken of the 1953 local Ford picnic.

There will be a door prize from a drawing during which the adults bringing children may compete. A prize will be given to the largest family attending the party and one for the youngest father accompanying a child.

Ted Roberts, president of the Local 891 will act as master of ceremonies. Working out the details of the party is chairman Deslyn Kraycir, assisted by John Middlebrook, Ethel Wier, Edna Knauss and Ann Palmer. Others assisting will be the officers of the local union.

Bruestles Entertain At Open-House

Mr. and Mrs. John Bruestle were hosts at open-house at their home here on Sunday afternoon as they celebrated their golden wedding anniversary. Among the guests was one, Mrs. Vogel of Chelsea, who was present at the wedding fifty years ago.

A gold and white decorated anniversary cake was served by Mrs. Ted Schneider of Ann Arbor and Mrs. Stephen Kraycir had charge of the guest book. The house was decorated with gold streamers centered with a white wedding ball.

Rev. Karl Rest offered a prayer. Assisting with the arrangements were Mrs. Erwin Haist of Chelsea, Mrs. Martin Slane of Chelsea, Mrs. Emil Bruestle of Pontiac, Mrs. Harold Bruestle of Ann Arbor, Mrs. Bruce Bycraft and Doris Haist of Chelsea, Cheryl Bruestle of Pontiac and Mrs. Ray Sling of Clinton as well as Mary Lou Ahrens, a granddaughter, who makes her home with the Bruestles.

The couple was married Dec. 9, 1903. They were remembered with lovely cards, gifts, flowers and money by their many friends and relatives.

Main Street

On Monday of this week Manchester began to look and feel like winter had set in and before the day was over a blanket of snow and slush covered the ground—and the snow flurries continued through Tuesday. For the folks who have to have snow in order to get in the spirit of Christmas—this quick snow fall will just fill the bill. The sloppy snow made walking conditions miserable but by Tuesday it turned to ice. Shopping days 'til Christmas have really dwindled.

Somewhat it's hard to imagine anyone picking tomatoes around Manchester at this time of year but Chuck Kirk did on Sunday. Guess it's only fair to add that he pulled up the thriving tomato vine late in November and took it down to the basement where since then, the remaining tomatoes have been ripening. He seemed just a bit sad to think he'd gathered in the last of his crop this weekend.

The Allen Schaffers were quite surprised when, in reading a letter from Mrs. Schaffer's sister, Mrs. Harold Townsend, they learned that they—the Schaffers had appeared on television in Anchorage, Alaska. Remember, back in February 1952 when the Schaffers were vacationing in Florida the Civil Aeronautic Administration's Preventative Maintenance took movies of the Schaffers and their plane and said that these films would be used in movies and on television. That was the last they heard about the pictures until the letter from the Townsends. Major and Mrs. Townsend are now living at Anchorage and

were watching television in their home on Mrs. Townsend's birthday when the Schaffer film flashed across the screen.

Mrs. Townsend, who knew nothing about the pictures being taken, was thrilled to see her sister and family. In her letter to Ica she said she couldn't have given her a nicer birthday present.

The repairing of the belfry at the Iron Creek Church is now complete and the ceiling in the vestibule of the church has been lowered. A new ornament takes the place of the 85 year old weathervane at the top of the church.

For those who are interested in the present address of Mr. and Mrs. Fred Binder, it is Riley's Park, Mt. Dora, Florida.

Don't forget that Santa will be in Manchester to see the young fry on Wednesday, Dec. 23 at 1:30 p. m. in front of the municipal Christmas tree.

Out at the Craft school the children will have their Christmas party Friday afternoon with the aid of the mothers. Mrs. Paul Wahr is substituting for Mrs. Iva Huttonlocker, the teacher, who is ill at her home.

Elwin Benedict, Mr. and Mrs. Russell Braun, Mrs. Marvin Meyer and Mrs. Allen Benedict called on the Albert Dillon family in Jackson Sunday.

Mr. and Mrs. Ned Harrington of Livonia spent the week end with her parents, Mr. and Mrs. Andrew Engel.

Mr. and Mrs. Altenbernt were among the fortunate deer hunters who went north. Mrs. Altenbernt shot her buck the first day while hunting near their cabin near Cayford and Mr. Altenbernt bagged his the last week while hunting with friends near Curran.

Julius Wuerthner, Jr., of Providence, Rhode Island, and Miss Lellah Wuerthner of Tecumseh, called on Carl Wuerthner last Sunday.

Mr. and Mrs. Gary Ambs of Jackson were Saturday evening guests of Mr. and Mrs. Herman Schwab and Marion.

Grandchildren Have Same Birth Date

Mr. and Mrs. Earl Taylor of Britton held a birthday party on Sunday evening for their two grandchildren, Sohnie Luckhardt and Rodney Taylor, on Sunday evening.

Sohnie is the two year old daughter of Mr. and Mrs. Allie Luckhardt of Manchester and Rodney is the year old son of Mr. and Mrs. Francis Taylor of Britton. Besides the parents of the children, others present were Mrs. Flora Luckhardt of Manchester, grandmother of Sohnie, and Sohnie's sister, Suzette Luckhardt. The children's birthdays were on Monday, November 30th.

Hamlin Co. To Continue New Gift Idea

Abandoning the traditional Christmas gifts for customers and friends, the C. E. Hamlin Company, Jackson, Mich., will again for the third year, present urgently needed hospital equipment to eight hospitals in Southern Michigan.

So gratifying was the past 2 years' undertakings, that this

year's project was expanded. Therefore, this Christmas, on behalf of our customers and friends, we are presenting equipment to the following hospitals:

Herrick Memorial Hospital, Tecumseh.

Community Health Center of Branch County, Coldwater.

Hillsdale Community Health Center, Hillsdale.

Sheldon Memorial Hospital, Albion.

W. A. Foote Memorial Hospital, Jackson.

Mercy Hospital, Jackson.

Bixby Memorial Hospital, at Adrian.

This Christmas the hospitals listed above will receive stainless steel wheel stretchers complete with latex foam rubber pad—covered with rubberized fabrics at a cost of \$258.00 each.

Polio Drive

An unofficial goal of \$75,000 has been set for the January March of Dimes drive for funds to fight polio, the Washtenaw chapter of the National Foundation for Infantile Paralysis announced recently.

This is more than \$11,000 more than was raised a year ago in the month-long campaign. The \$63,685 contributed in the county in that drive was a record.

More money is needed to press research and tests on various treatments and vaccines which hold great promise of halting the dread crippling disease, and to provide treatment for afflicted persons.

Mrs. J. Rane Pray of Ann Arbor is county chairman for the campaign, which will get under way Jan. 2 and extend through the month of January.

Manchester chairman will be Mrs. R. C. Kerr; Dexter, Leo Hoey; Dixboro, Mrs. Lee G. Begole; Milan, Mrs. C. Heilbronn;

Saline, Mrs. Howard Burr assisted by Mrs. Edwin Hering; Pittsfield Village and East Ann Arbor, Mrs. John C. Goslee; Whitmore Lake, Mrs. Erwin Volz; Chelsea, Mrs. Hugh Sorenson; Willow Village, Mrs. Delores Bennett; Ypsilanti Negro community, Mrs. Ursula Benne; rural areas, Mrs. Carl Rehberg; county rural schools, Mrs. John H. Huss.

Mrs. Arthur Van Duren is in charge of publicity.

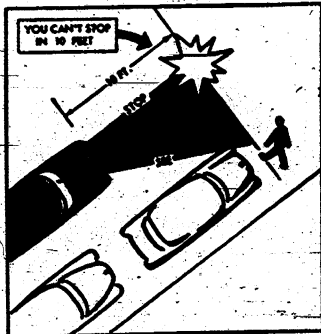

Although no official goals will be set for the campaign, all areas will attempt to increase their totals substantially. Last year, \$35,321 was raised in Ann Arbor and \$11,393 in Ypsilanti and Willow Village combined.

And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.—(St. Luke 11:9.)

The Holy Spirit, being omniscient, knows our innermost needs and desires, our goodness and our weakness. But it is up to us, as His children, to ask and to seek, to knock at the door, in the exercise of our own wills to be righteous, through being forgiven.

That pedestrian who pops out from between parked cars can put you on the spot. The parked car hides him until the last second. When you are far enough along to see him you may have only 10 feet in which to stop.

That fatal triangle in the drawing tells the story. See how close the car is before the line of sight of the driver can reach the pedestrian. He only has to move 5 feet to be in front of you.

At 10 miles per hour your reaction time of $\frac{1}{4}$ of a second moves you 11 feet before your foot hits the brake. You will still skid 7.5 feet before you stop. In 18.5 feet you would have run over him.

Manchester Man Plays Recital at Great Falls Montana

Carl Wuerthner has just received the clipping from the Great Falls, Montana Daily News which states that his brother, Julius Wuerthner, has given an unusual organ concert at the First Congregational Church last Friday night. He replayed his dedicatory recital given January 11, 1920.

Following is the clipping from the Daily News:

An unusual organ concert will be given at the First Congregational Church Friday evening at 8:15, when Julius J. Wuerthner, former organist and choir director there, will re-play his dedicatory recital of Jan. 11, 1920.

While still in the army in World War I, serving as a bandmaster, Wuerthner was invited to accept the assignment with the local church and assumed his duties shortly after his return to Great Falls. The Moller organ, specified by Wuerthner and installed by the church, lately was rebuilt and changed from a tubular pneumatic to an electric action. Recently Dr. Frank Asper of Salt Lake City played the re-dedicatory recital.

In 1920, when Wuerthner played his recital he was assisted by the late Alexander Campbell, baritone, who sang leading parts in the various oratorios given at the church. At the coming concert, Hermann F. Wolff, well-known bass-baritone, will assist in a group of numbers accompanied by John P. Wuerthner, son of Mr. and Mrs. Wuerthner.

A native of Manchester, Michigan, Julius J. Wuerthner commenced the study of piano at 8 under the organist of Emanuel's Evangelical Lutheran Church at Manchester and at 14 was substituting at the pipe organ of that church.

His principal piano study was under Prof. T. F. Rinehart of Adrian College, Michigan, formerly of Leipzig Conservatory. At Lansing, Mich., he was accepted as a piano student of Madan Kedzie, internationally famous concert pianist. He studies church directing under Prof. K. H. Kempf of Ann Arbor, Mich., and in 1926 took a master course in organ under Prof. Wallace Sabine, eminent English organist at San Francisco.

While in high school, Wuerthner began composing music and the sale of two of these early compositions assisted him through the University of Michigan.

His music series "The Awakening of Rameaux" was chosen in competition for the annual Michigan Union Opera of 1911 and is one of the University of Michigan's best known operas.

Wuerthner came to Great Falls in 1913, later serving as organist and choir director of the church for four years and the First Methodist Church for four years and the First Presbyterian Church for four years.

He enlisted in World War I and was assigned as bandmaster to Camp Hancock, Ga., the machine gun training center of the Army, where he wrote the "Machine Gun March," which was adopted as the official march of that camp and is still being played by military bands.

Since 1919 Wuerthner has been organist for the Scottish Rite bodies of Great Falls. He taught his four sons piano, and John, the oldest, won the Major Bowes Amateur Hour in New York City in 1940.

Wolff spent six years studying in New York City and appeared as soloist in several large churches there. He is a pupil of William Vignon, noted French-Hungarian bass, and sang in the cast of the original company of "The Student Prince." For several years he has been soloist at the local Christian Science Church and has appeared as soloist in leading musical events in this city.

After the concert Mr. and Mrs. Wuerthner will hold a reception in the parlors of the church. Guests will be former church members in the three churches Wuerthner has served and members of the present Congregational Church choir.

Holidays Increase Safety Hazards

"Holidays can be a joy or a tragedy, depending on how careful we are in avoiding safety hazards."

That's the blunt word from David G. Steinicke, farm safety specialist at Michigan State College. One of the big hazards he says, comes before Christmas while hurrying to do Christmas shopping—when we have a tendency to disregard all common rules of safety. Early darkness, snow and ice and crowds of hurrying people are the safety hazards that should make us more careful rather than cutting down our vigilance, Steinicke emphasized.

These safety hazards are a menace to both drivers of cars and pedestrians. Our having a Merry Christmas depends on how well we take sensible precautions, the safety specialist adds.

ASC Checking Wheat Land for Market

All wheat fields in Michigan Agricultural Stabilization and are being measured by county Conservation committeemen in order to determine farmers' eligibility for price support on the 1954 crop. The ASC is the successor to the Production Marketing Administration.

Clarence E. Prentice, administrator for the Michigan ASC program, is urging farmers to assist the ASC report by designating fields planted to wheat. The measurement determines whether the farmer has to pay a penalty for over-planting under the acreage allotment and marketing quota set up by the federal government.

After the measurement, the farmers will receive marketing cards which they must have in order to sell their wheat after harvest of the 1954 crop. The ASC committeemen at the same time also are obtaining basic information on all farms that produced corn in any of the past three years. This, says Prentice, is in preparation for the Secretary of Agriculture's expected declaration of corn acreage allotments in 1954. The information is being obtained in 29 commercial corn counties.

Serving coffee to a large group? Gladys Knight with the Michigan State College tourist and resort program, says you can figure that 1 pound of coffee plus two and one-half gallons of water will yield about 40 to 50 cups. In figuring the cream you'll need, remember 1 quart gives you 64 tablespoons. If all take cream, you'd need about one and one-fourth quarts.

Washtenaw Farmers Oil Co. To Have New Manager

W. P. Brown, present manager of the Washtenaw Farmers Oil Company, is leaving the company as of December 31, 1953 to devote his entire time to the duties of manager of the Ypsilanti Farm Bureau. Mr. Brown has been associated with the Washtenaw Farmers Oil Co. and the Ypsilanti Farm Bureau since 1935. For the past 11 years he has managed both the Oil Company and the Farm Bureau. Mr. Brown states that both companies have expanded to the point that it is no longer feasible to operate the two units under one manager. The services rendered and the trading areas served by the two companies are greatly different. And it is thought that by dividing the managerial responsibilities it will enable both companies to better serve their patrons.

Mr. Jeddie Staley will assume the duties of manager of the Oil Company on January 1, 1954. Mr. Staley comes to the company as an experienced petroleum man, having spent the last three years with the Farmers Petroleum Cooperative of Lansing, Mich., in the Field Promotion Department. Prior to that he spent several years with the Farm Bureau Services as District Representative.

Mr. Staley is married and has a daughter five years of age. They plan on moving into this area some time in January.

Hearing on Hogs

A hearing on the slaughter and sale of swine fed raw garbage, now permitted only until garbage feeders can install cooking equipment, will be held in Lansing on Dec. 17.

The hearing on the new regulation will be at 10 a. m. in the offices of the Michigan Department of Agriculture in the Lewis Cass building.

On Oct. 2 a law became effective requiring garbage collected by garbage feeders be cooked at 212 degrees for 30 minutes. This is to prevent spread of swine diseases, which last year cost Michigan hog raisers \$350,000, according to Dr. Lee Davison, state veterinarian.

Not all of the 400 known persons in the state who collect and feed garbage are able to install cooking equipment immediately. The hearing will deal with a new regulation on the transportation, sale and slaughter of swine still being fed raw garbage.

Plenty of Patents
More than 8,000 patents have been issued by the patent office in Washington on machinery to improve the manufacture of leather and shoes.

Freshen Cow in Fall, Not Another \$20

How much profit can you expect when your cows freshen during the fall months instead of the spring?

Extension Dairyman D. L. Murray of Michigan State College, reports that dairy herd improvement records show that for cows freshening during September, October and November, the income over feed cost averaged \$232 per cow. The average for cows freshening during March, April and May was \$212.

Murray says the figures showed a slightly higher feed cost for cows freshening in the fall but the increase in production and the higher price for milk and butterfat still gave about \$20 more per cow in favor of fall freshening.

Cows freshening during the fall, reminds Murray, make for a more even distribution of labor throughout the year. There is more time to spend with the dairy herd in late fall, winter

and early spring. And calves born in the fall usually make good growth since they are in the barn to receive better care. When summer comes they will be the right size and age to make good use of pasture.

Fall freshening, adds Murray, is of particular importance to those dairymen selling whole milk.

If your child's feet are particularly sensitive, he may not be able to wear water-proof shoes. A doctor has said that shoes of this type should be treated as overshoes, that a child should take off water-proofed shoes and change to others when he is indoors. Otherwise, the perspiration is allowed to accumulate and the feet become more and more tender and sensitive, explains Lola Belle Green, extension clothing specialist at Michigan State College.

Production Ratio
One ton of coal is required in the manufacture of three tons of lime.

HIGHEST PROFITS POSSIBLE IF YOU CHOOSE A WINNER!

HONEGGER LEGHORNS

Mr. A. P. Loomis, Honegger's Vice-President in charge of poultry breeding, is shown at right receiving the 1953 Poultry Tribune Trophy from J. H. Flowers, Editorial Director of Poultry Tribune for highest average production per bird in all tests.

WIN THE coveted POULTRY TRIBUNE TROPHY!

Other birds the most coveted poultry award of the entire nation, the 1953 Poultry Tribune Trophy was awarded to Breeder Loomis. The Leghorn he has developed at home of the nation's largest U.S. Certified Hatchery won the highest average points per bird in all official egg-laying contests in which a total of 8,541 birds were competing.

HONEGGER LEGHORN WINS FIRST IN THE 1952-53 CALIFORNIA NET EARNINGS TEST. They made an egg profit of \$7.99 per bird above feed costs in the 50 week period.

The California Random Sample Test just completed gave Honegger Leghorns a three year average of 3rd place with an income above feed costs of \$6.35 per chick. Honegger also won 3rd place this year in the New York Random Sample Test just completed.

These winnings show the high degree of uniformity which has been implanted into the Honegger Leghorns... proof that from year to year you can count on Honegger Leghorns to be consistently top producers. As an example the chicks in these Random Sample Tests represented a random selection taken from over 40,000 Honegger chicks.

Tribune 1952-53 California Net Earnings Trophy.
Tribune Trophy awarded for highest point system pen in the 15th official California Test.

HONEGGER LEGHORNS NOT ONLY WIN THE HIGHEST TROPHIES IN NATIONAL COMPETITION... but also daily praise from flock owners everywhere... many of whom make earnings equally as high as the Random Sample records!

WHY SETTLE FOR LESS THAN THE VERY BEST? FIGURE IT OUT FOR YOURSELF WHAT HONEGGER LEGHORNS CAN DO FOR YOU!

WALT BROWN

We of the Washtenaw Farmers Oil Company are happy to announce the appointment of Mr. Jeddie Staley as our manager for the past eleven years. Mr. Brown will now devote his entire time to the managerial duties of the Ypsilanti Farm Bureau.

We fully expect that by the addition of Mr. Staley to our staff we will be able to better serve our many hundreds of customers throughout Washtenaw County in both the rural and urban areas.

To all of our patrons we are very deeply appreciative of the cooperation and patronage you have given us over the last twenty years. Without these two very important factors our cooperative oil company would not have been able to grow and expand its services.

We confidently look to the future with the thought that we will be able to serve you more efficiently than we have in the past. With this thought in mind we have just recently purchased a three-acre tract of land at the corner of US-23 and Morgan Road and have moved our bulk plant to this location, installed new handling equipment and have more than doubled our handling capacity.

Army Sgt. First Class Keith D. Kelly of Clinton, Michigan, serves the first piece of his birthday cake at a Camp Derby mess hall in Leghorn, Italy. A son of Mr. and Mrs. Fred Kelly, Route 1, he is a member of the 7680th Ordnance Maintenance and Supply Company's stock control division. Kelly entered the Army in 1948 and was stationed at Camp Crowder, Mo., before arriving overseas last September. He is a 1947 graduate of Bellaire High School.

Just \$1 Shows You "Care"

America's streets are now bright with decorations, America's stores overflowing with a million gifts for our families and friends, America's ears open to the pleas of those among us who need a helping hand. But Christmas won't really be Christmas in our hearts unless we share a little bit of America's warmth and wealth with our unfortunate neighbors in other lands.

To express America's hopes for "peace on earth, good-will to all," CARE and the U. S. Government have joined in preparing a special food gift package for relief distribution in 16 countries of Europe and Latin America. For just \$1 you can send this package, containing almost 11 pounds of beef, milk, sugar, shortening, prunes, rice and beans, to a hungry family abroad. The foods were given free to CARE by the Foreign Operations Administration. The \$1 is needed to cover CARE's cost of shipping and delivering the package as a gift from you.

CARE calls this "Operation Reindeer." Those whom it will help—victims of flood and famine and earthquake, the unemployed and sick and hopeless, Iron Curtain refugees who lost everything when they fled to freedom—will call it an act of mercy, a miracle of American friendship. Each dollar you send to "Operation Reindeer," CARE, 660 First Ave., New York 16, N. Y., or any local CARE office, means that a food package bearing your name and address as donor will reach a needy family during the

holiday season. Your own Christmas will have more meaning if you mail your contribution today.

First Telephone Cable Planned for Atlantic

The Long Lines Department of the American Telephone and Telegraph Company this week announced plans to construct the first telephone cable system across the Atlantic Ocean.

The announcement stated that an agreement had been signed, for construction of the cable, by the American Telephone and Telegraph Company, the British Post Office, which organization provides telephone service in Great Britain, and the Canadian Overseas Telecommunication Corporation, which furnishes overseas communications for Canada. It will be owned jointly by these three organizations.

To take three years to complete at a cost of \$35,000,000, this cable will provide physical telephone connection between the United States and the British Isles to supplement radio circuits, now in use, and will have three times present current capacity.

Spanning the Atlantic with a cable system capable of carrying telephone conversations will be the achievement of a goal visualized many years ago. Many technical and economic problems had to be solved before construction could be undertaken. Developments of the past few years in the art of telephony and the growing demand for overseas service have now made it technically and economically feasible to proceed.

Virginia leads Virginia, with eight, has given the nation more presidents than any other state in the union.

Christmas Cards Go 3-D

THE THIRD DIMENSION comes to Christmas greetings this year in the form of "Christmas Town" by Norcross, a complete little village that goes through the mail like a flat king-size Christmas card. Set up with its sparkling snow-covered roofs and steeple, it becomes a colorful decoration under the tree, on the mantel, or in a child's room to give that special holiday touch. Lest this modern 3-D era be confused with seasons past, Santa drives into town in a jeep, with a dimensional tree, all trimmed and ready to be placed in the village square. His faithful reindeer can be loaded into the trailer to ride in carefree comfort. Complete with its decorated mailing envelope, Christmas Town is a good suggestion for those to whom you want to send "a little something more than a card."

Don't let
a used car's price tag
Blind you!

Remember! It's where you buy that counts. Check the price, of course. But check the dealer, too.

An unusually "good deal" on a used car is not necessarily a good value. But we Ford Dealers can put rock bottom price tags on A-1 used cars because we don't depend upon used car profits to stay in business. We sell used cars mainly as a service to our customers who trade them for new cars. Naturally, we must keep these used cars moving to make room for the constant stream of trade-ins we get.

In addition, we Ford Dealers know it pays to play square with you. We want your good will . . . your service business. And, some day, we want to sell you a new car or another used car. So our good reputation rides with the used cars we sell. When you can trust the dealer, you can trust the used car, too.

Local Mechanic Wins 'Tech' Award

Elmer J. Steeb, Plymouth deal-
er of Saline, received official
notice from Detroit that one of
the firm's outstanding automotive
mechanics has received a special
award from Chrysler Corporation.
Harold Wackenhut is being re-
warded a bronze plaque in recog-
nition of his successful com-
pletion of a five-year course in ad-
vanced automotive mechanics. No-
tification came from W. B. Rice,
director of service of Plymouth
and administrator of the nation-

wide training program under
which more than 70,000 mechan-
ics have received special training
in the servicing of Chrysler Cor-
poration cars and trucks.

The training program is known
nationally as the Master Techni-
cians Service Conference. It is the
largest and among the most suc-
cessful ever attempted by Amer-
ican industry. It assures car own-
ers of expert service by master
technicians—men who keep up-to-
date on modern service methods.
"We take our hats off to these
master technicians," Rice said.
"Many have taken this training
on their own time, over a period
of five years. They have shown
their determination to become ex-
perts in their field."

Wackenhut, who has served as
the dealers' conference leader in
the training program says, "The
Master Technician program takes
the guesswork out of automobile
service, keeps labor and material
expenditures at a minimum, and
results in more accurate work at
less expense to the auto owner."

Enrollment in MTCS is volun-
tary. Every month, some 9,000
dealerships receive an instruction-
al kit which deals with one spe-
cial service problem. In each ses-
sion, the men study the problem
under discussion by using the
sound slidefilms, booklets and
charts which are included in the
kit. Then they apply what they
have been shown when they go
to work on the auto parts or as-
semblies involved during the prac-
tical, work period of the confer-
ence. Each session ends with a
written test, and each man's ex-
amination paper is sent to MTSC
headquarters where it is review-
ed, graded, and becomes part of
his permanent record.

Building to Use Atomic Heat

The first American system to
utilize waste heat developed in
atomic reactors will be installed
at the plutonium-producing plant
at Richland, Wash., it has been
announced by private engineers
operating the project for the
Atomic Energy Commission.
The plan is to salvage the heat
from water used to cool the re-
actors. The hot water will run
through a heat exchanger to warm
water in a secondary piped cir-
cuit without making it radio-act-

ive. The water in the secondary
circuit, enough to heat about 1,000
average-sized houses, will warm
air drawn into several plant struc-
tures now being built. The new
system will cost about \$314,000,
and is expected to save \$59,900
a year in heating expenses.

Farm Bureau Meets For Christmas Party

Sharon Farm Bureau held the annual Christmas party for their group on December 12 at the Sharon townhall. There were fifty-five present for the pot-luck supper. Arranging the affair were the Mesdames Laurel Breitenwischer, Paul Feldkamp and Victor Grossman.

Two plans for building an addition to the Sharon townhall were presented by chairman Gottlieb Jacob. These were discussed and one plan was accepted. Mrs. Ed Schuman, Mrs. Mahlon Smith and Mrs. Victor Grossman had charge of the entertainment. The January 8th meeting will be held at the home of Mr. and Mrs. Mahlon Smith at 8 p. m.

Lynn Voegeding Sees Churchill

Mr. and Mrs. Clarence Voegeding have received word that their son, Cpl. Lynn Voegeding, was on leave and visited Munich, Germany and from there they went to Mainz and later spent the week end with Cpl. Raymond Stockinger (also of Manchester) at Bad Krunach, Germany. Before returning to camp they visited Cologne, Germany; Amsterdam, Holland; London, England; Paris, France; Zurich, Switzerland and Garmisch. Lynn's 26-day furlough was climaxed when among the many, many interesting things and people he saw Winston Churchill. In his letter, Lynn said that he expects to be home soon.

Post Master Outlines Best Mailing Procedure

Christmas mailing is full upon us. It will be a mad rush from

now until two days before Christmas. If you haven't mailed yet you are LATE. However there are a few things you can do to help the postoffice handle your mail and still get it there in time. Mailing is heavier this year than ever before and the amount of help allowed is the same, NO INCREASE, SO it is imperative that the following tips be followed in order that we can give you the service you want.

1. Separate your mailings for the different Post Offices when you have several for any one post-office.

2. Keep Manchester mail separate and mail in the slot in the Postoffice so marked.

3. If you have several letters to mail it is best to hand them in at the window.

4. There is a special mail box in the lobby marked AIR MAIL. Collections will be made from this box 15 minutes before time for dispatch and any air mail will be sure of immediate attention if de-

posited in this special box.

5. Don't forget that mail sent at first class rate—3c per ounce—will receive better service at this office and will also be entitled to forwarding or return service.

Yours for the best service and a Merry Christmas to all,

Your Postmaster and Postal Clerks and Carriers.

P. S.—Persons are cautioned that rates to foreign countries except Mexico and Canada, increased this year. First class mail to all countries, except Mexico and Canada, is now eight-cents for the first ounce and four cents for each additional ounce or part of an ounce. On greeting cards, the rate

is two cents for the first two ounces.

Rowes Corners Extension Club

The Rowes Corners Extension met at the Rowes Corners church last week Tuesday, with a good attendance. Families of the members were present for the potluck supper after which entertainment was provided with Mrs. Laurel Breitenwischer in charge.

Royal Davidter showed pictures on a screen, which were enjoyed by all. The January meeting will be held at the home of Mrs. Marie Scheurer on Wednesday, Jan. 13.
