Motor Vehicle Fund
Distribution To Counties,
Cities and Inc. Villages

Not receipts of the State Motor Vehicle Highway Fund for the first quarter of the calendar year 1953 amounted to \$57,836,268.62 and this money is now being distributed to the State Highway Department, the Counties, and the Cities and Incorporated Villages of the State as provided for in Act 51, Section 12, of the Public Acts of 1951, Highway Commissioner Charles M. Ziegler announced. Net receipts of the Motor Vehicle Highway Fund for the first quarter of 1952 were \$54,473,410.40.

Under the 1951 act, all of the State Gasoline and Weight taxes, the Diesel fuel tax and a small account of miscellaneous fees are deposited in the State Motor Vehicle Highway Fund. Payments to the cities and incorporated villages from the Motor Vehicle Highway Fund receipts during the last two

quarters of 1951 and the first quarter of 1952 were based on estimated mileages of city streets as records showing exact mileages were not available. During the first quarter of 1952, exact mileages were determined and it was found a number of cities and incorporated villages had less mileage of streets than had been assumed and so these cities had been overpaid. Hence, starting with the Second Quarter payments of 1952, deductions were made to correct the overpayments.

The deductions are being continued and as a result, a total of \$1,646.88 is being deducted from three communities in making the first Quarter payments. The cities and the amounts, which have been deducted from their latest Motor Vehicle Fund allotments, are as follows:

Bloomfield Hills, \$613.44; South Range, \$630.38; and Free-soil, \$403.06. Deducting the \$1,646 from the three cities, leaves a balance of \$10,987,244.16 being paid to the various Cities and Incorporated Village at this time.

These deductions represent the final overpayment adjustment.

The sum of \$230,000 also is being deducted from the county share of the Motor Vehicle Highway Fund collections. Manchester, this is also an important route because it serves as an access to the Chrysler Motor Vehicle Fund collections. The completion date for this project is July 31, 1953.

ties during the serious financial situation they were in prior to enactment of the gas tax increase in 1951.

The following amounts have been received in local communities: Monroe County 303,779.41; Washtenaw, \$373,187.22. The cities and incorporated villages receive: Ann Arbor \$144,898.34; Milan \$7,990.53; Monroe \$58,995.93; Chelsea \$6,149.38; Dundee \$5,695.70; Saline \$3,941.47 and Ypsilanti \$47,639.96.

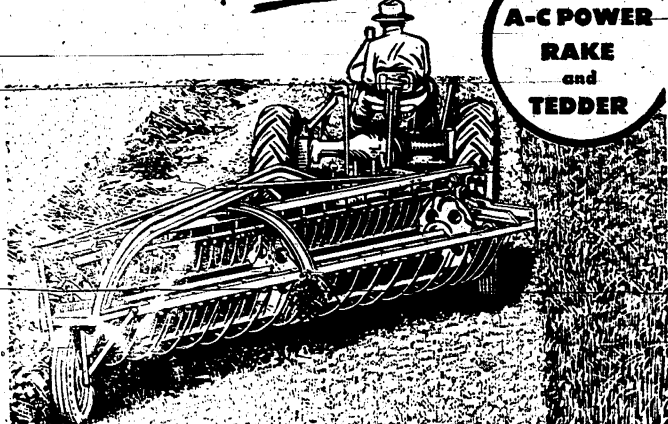

Work has started on several state trunkline highway constructions in this area.

Bridge to carry the Detroit-Toledo expressway over Swan Creek in Monroe county. C. A. Hull, Dryden, is the contractor at the contract price of \$148,998.60. The completion date for this project is December 15, 1953.

Bridge to carry Stone School road over the relocation of M-17, 1.5 miles south of the city limits of Ann Arbor in Washtenaw county. The completion date for this project is June 30, 1954.

3.57 miles of bituminous aggregate surfacing on FAS 39 from US-12 southerly in Washtenaw county. The road south of this project was completed and this project will complete the section between Chelsea and Manchester.

This is also an important route because it serves as an access to the Chrysler Motor Vehicle Fund collections. The completion date for this project is July 31, 1953.

CLASS POEM

Here is just a short poem, to show that our class had some rhyme

Our future decorator Richard Knouase, Does very much to improve the house. Duane Tralz we often call "Bun", And you never know when his car will run.

Always happy, always gay, Jeannette goes merrily on her way.

One of Mary's pastimes is to sell cokes, Another one is to tell many jokes.

Evelyn Dresch is another one of our class, Whatever you say she's an athletic lass.

Leslie Landwehr seems bashful and shy, But when you know him you'll understand why.

Tom Snyder would soon be all set, If he understood Marie's etiquette.

Joan Pierce, in the future, will understand, Just what to do with a hamburger stand.

Joyce and Bill we wish much success, And also a whole lot of happiness.

Bob and Jack often sing a duet, And the songs they have sung we'll never forget.

Jim Kroske says with a sigh, "I'll get there by and by."

Joan Hober has a nickname of Jo, And when you see her, she is usually on the go.

Dianne Ahrens always happy and gay, Working for others day by day.

Arlene Schumacher is quiet and still, And out of life she gets a thrill.

Joyce and Bill we wish much success, Even though she hasn't much to say.

Leroy Manor is quiet as a bird, And do you think that he would part?

Clark Norgaard is our Tom twin, In whatever he does, he's out to win.

Cale Stumphant, in study hall, is clever, But do you think he'll get caught, no not ever.

Jerry Fennell is our class lover-boy, And out of life he gets much joy.

Joe Kirk, with our class has spent, Many faithful hours as president.

Our valdicator is Margery Fisk, And do you think she'd take a risk.

Along the bright way, Dale Randall proceeds, And we know very well, he will always succeed.

Mr. Mills is our class advisor, And has tried very hard to make us wiser.

We the class of '53, Are going happily on our way.

We will always try to be, Bigger and better day by day.

THANKS TO EVERYONE, "THE CLASS OF '53"

From where I sit... by Joe Marsh

PTA Gets Stung by a "Bee"

The local PTA is feeling sheepish today. Seems they complained the youngsters weren't learning enough. Said they couldn't even spell. So the kids challenged them to a spelling bee.

"I was captain of the PTA's," "Doc" Brown told me. "Both teams made the first round just fine. But on the second round Speedy Taylor went down on 'efficiency.' Then his boy Chip, who happened to be next on the school team, rattled it right off. From then on it was murder!"

So now "Doc" says that the

whole PTA is thinking of signing up for night school!

From where I sit, it always pays to look and think before you leap to conclusions. Take those folks who would deny me a temperate glass of beer without a moment's thought. They wouldn't want me to interfere with their personal preferences for, say, buttermilk. It's a good idea to think twice before you "spell out" rules for your neighbor.

Davidter School News

May 21st is scheduled to be the last day of school for the pupils of the Davidter school. Plans are now underway to have the school picnic at Ann Arbor Island. The committees are as follows: games, Mary Fuller and Paul Reinhardt; food, Catherine Butler and Elaine Fuller. June Jedele is in charge of calling the mothers to make arrangements for transportation. The school took part in the track meet at Manchester on Fri-

day. The children wrote papers and drew pictures on what they would like to be when they are out of school. The parents enjoyed reading these at a meeting held Tuesday evening. Those who had perfect attendance for the past six-week period are: Ray Kemmer, Paul Reinhardt, Carl Kemmer, Dennis Rinehart and Bobby Merz.

Elaine Fuller will receive a certificate and her eighth grade diploma and also five stars—for reading forty library books during the school year. Others receiving certificates for reading fifteen books are Carl Kemmer, Richard Merz, Dennis Rinehart, Margie Guenther, and Vickie Widmayer. Mary Fuller has read twenty books. We think these deserve an award for spending their time so wisely.

Mr. and Mrs. Wayne Salyer were in Stockbridge on Sunday where they visited Mr. and Mrs. John Wallen.

Annual Track Meet

Dianne Ahrens, Reporter

The Track Meet was held Friday May 15 on the High School Athletic Field. CLASS HISTORY

The Class of 1953 began its long journey through school on September 4, 1940. Our teacher that year was Miss Irma M. Reany. The pupils who started Kindergarten that year were Betty Lou Ahrens, Dianne Ahrens, Charles Baldwin, Shirley Hietz, Bobby Calloway, James Dunny, Jack Evilsizer, John Gerald Fennell, Larry Gonyer, Joan Huber, Mary Johnson, Joe Kirk, Richard Knouase, Tom Korneffel, Ruth Kuhl, Melvin Lamb, Leslie Landwehr, Joyce Tibb and Duane Troiz.

Miss Reany was again our teacher in the first grade, and in her class we got our first taste of the 3 R's.

When we became second graders one new student joined us, making twenty in all. The late Mrs. Genevieve Kappeler was our teacher.

Our third grade teachers were Miss Nellie Ackersos and Mrs. Mabel Fardee.

In the fourth grade we again had twenty students, answering the roll call and our teacher was Miss Nellie Ackerson.

In the fifth grade our teacher was Miss Charlotte Stables and we gained six new students, making twenty-six. Our new pupils were William Aiken, Betty Jean Chatelais, Loren Downing, Marlene Scill, Ralph Shadley, and Mary Jane Shaver.

In the sixth grade our number remained at seventeen and our

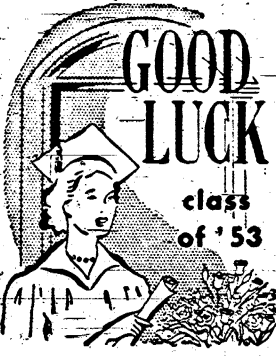

teacher was again Miss Stables. As seventh graders we were proud to enter junior high and to move up to the high school section of Manchester's schools. Our homeroom teacher that year was Mrs. E. White.

Mr. Clifford Walsh was our homeroom advisor during the eighth grade. We again had twenty in our class.

As freshmen in high school, our enrollment had increased to thirty-six. The names were as follows:

Dianne Ahrens, Betty Lou Ahrens, Bill Aiken, Bonnie Arnold, Betty Chatelais, Alma Cummings, Loren Downing, Evelyn Dresch, Jack Evilsizer, Jerry Fennell, Ray Flint, Margery Fisk, Jerry Fitzgerald, Donald Foytik, Jeanette Guenther.

Manchester Seniors

(Continued from Page 10)

McKee, Clark Norgaard, Shirley Perry, Joan Pierce, Dale Randall, Bob Rhees, Arlene Schumacher, Tom Snyder, Gale Sturdevant, Joyce Tibb, and Duane Trolz.

Our homeroom teacher was Mr. D. C. Weed. The sophomores followed the custom of initiating us and we were officially made members of Manchester High School.

Mrs. Aletha Helbig was our sophomore class advisor. The big event of that year was getting our class rings.

Many activities took place in our junior year. Our play, "Bashful Bertie," was a success under the direction of our advisors, Mrs. Aletha Helbig and Mrs. Hulda Martin. We had our first big dance which had a St. Patrick's day motif with music furnished by Doug Webb and his orchestra. We also sold hosiery and wax to help us make money for our senior trip.

This year we started our activities with the presentation of the senior play, "No Boys Allowed," under the direction of our class advisor, Mr. Charles Mills, and Mr. Harold Strayer. The play was a successful money-making venture and we enjoyed working on it. In December we had a Christmas dance, the Holly Hop, which was a huge success. Russ Derby and his orchestra supplied the music. During the year we sold hot dogs, popcorn, and cakes at the football and basketball games, and sold Christmas cards to the people of Manchester. We had a Slop Day and a Dress-Up Day in secret and went to a bank in Detroit. Now our senior year is coming to a close which will be climaxed by the All High Banquet and our trip to Washington. We can look back over our twelve years of school with many pleasant memories.

This is the history of our class of '33 and all of us wish to thank M. H. S. for giving us an education and a wonderful time.

THE ONLY PROTECTION AGAINST WIND DAMAGE

AGAINST most of the common hazards of life we can at least exert some elementary precautions. But wind is a frightening foe. There is so little you can do to protect your property.

There are, in this country, an average of 140 destructive WINDSTORMS annually. No section of the country is immune. So you cannot be sure that YOUR buildings are on "the safe side." Even structures of wind-resistant construction, such as brick, concrete or steel, may suffer heavy damage when they are so unfortunate as to lie in the path of a violent tornado.

BUT—and this is important to remember—you need not meet a tornado, or even a cyclone, to sustain sizeable damage. There are lots of little winds that can throw you for a big loss.

SO, the only really safe course—the course that will give you a feeling of serene satisfaction—is to have ADEQUATE WINDSTORM PROTECTION. THE COST? So little it is sure to prove a pleasant surprise. Especially is that true when you pause to reflect on the possible cost of not having WIND PROTECTION.

BE SAFE, and insure with us; the oldest and largest company of its kind in Michigan, and the second largest of its kind in the World.

Enterprise Receives**Letter From R. Dunny**

Below is a letter which was received here from Raymond G. Dunny, Vu-4, NAAS, Utility Sq. 4, U. S. Naval Air Base, Chincoteague, Virginia. Raymond has been in service since December 1951.

The letter is as follows: "Enclosed you will find a poem that I have written in remembrance of my best buddy—David Hopstead. We played together when we were children and grew up together. I still think a lot about the good times we had together and miss Dave so very, very much."

I would appreciate it very much if you would print this in our home town paper. I think it would bring back a lot of pleasant memories in everyone's heart and also would make me feel a lot better if the folks at home know just how I feel about him.

Signed—Respectfully yours,
Raymond G. Dunny.

MY BODDY

I still think of the time when we were together
and all the good times we had,
Some of them were the best of times
and then again some were bad.

Remember how we used to skip school
and go swimming in the pool
Our folks would get perplexed
with us
and call us little fools

They used to warn us not to skip
But it was little heed they paid
Oh! how I wish that we had listened
To your mom or else to my mother!

And then there was the time
When you got in Dutch with our teacher, Porter.
She took you down to the principal
While I kept things in order.

Was she ever a disgusted teacher
When she came back to her class

I had all the boys out playing ball
Boy! we surely tore up the school yard grass.

But Dave those days are all forgotten
And you have gone away.

I sure wish you were still with me
We'd have changed some since yesterday.

I'll never have the good old fun
That we have had together,
Something keeps reminding me of you—
Guess it's the season or the weather.

I'll never forget you though you're gone
It's hard to believe but it's true
I want to say that I'm a lucky guy
To have had a pal like you.

By Raymond Dunny.

American Legion Auxiliary News

The regular meeting of the American Legion Auxiliary was held at the Legion Hall Wednesday, May 13th, with 22 members and 1 guest present.

Various committee reports were given, at which time Mrs. Alvin Clark, reported as Chairman of the Poppy Committee, that plans were well under way for this year's drive. Poppy sales will be held on Friday, May 22nd, at the Ford Motor Company and Double A Products. Saturday, May 23rd, marks the house to house canvas by the children and the Auxiliary members will sell on Main Street. Our headquarters this year will be at the Wurster Insurance Agency.

Mrs. Russell Smith reported we have two hospital beds and a small wheel chair on hand at the present time.

Mrs. Harry Sutton reported on the meeting that she attended in Ann Arbor at which time a plan for Boys and Girls County was discussed. This program is designed to make our young citizens know more about County Government. The local schools and county officials would participate in the program under the direction of the Legion and Auxiliary. There was much interest shown and as

plans develop and more information is available it will be reported. The Good Cheer committee gave its report and President Baker appointed Mrs. Florence Lowery to head this committee for the coming month. President Baker announced that the walker had arrived and was available for anyone in the community needing it. This is the new hospital equipment purchased with the receipts from this year's magazine drive.

Mrs. Leota Schwab will assist a representative of The Mom's Club with the decoration of the memorial at the bridge for Memorial Day.

The Unit donated to its Post for the Uniform Fund.

Mrs. Ronald Lenter will replace Mrs. Franklin Reck as representative on the Summer Recreation Program.

The meeting was adjourned and refreshments were served by Mrs. Robert Huber and her committee. Next month's committee is as follows: Mrs. Dorothy Romelhardt, chairman, Mrs. Phyllis Baker, Mrs. Doris Hough, Mrs. Margaret

Oltersdorf and Mrs. Robert Armentrout

KEEP DOGS IN, OWNERS WARNED

Dogs running loose in the fields are raising havoc with nesting rabbits, Conservation Officer Don Boyer reported, adding a warning that the law against letting dogs roam in hunting areas at this time of year will be strictly enforced.

"The law says dogs cannot be allowed to run from April 10 to July 15," Boyer pointed out. "That is to protect rabbits, pheasants, and other nesting game, all easy prey to dogs during that period."

In the past we've tried to be reasonably lenient about enforcing that law in Washtenaw county, but the situation is so bad this spring that we will have to crack down."

Boyer said he knew of at least half a dozen instances in which rabbit nests have been destroyed. Pheasants are just beginning to nest and haven't been affected yet.
