Local School Needs Aired At Meeting

Manchester's school building program began taking definite shape Wednesday evening, Oct. 28th, when the school board and the architect met with the Manchester Public Schools Citizens' Committee to go over two optional plans to solve building needs.

Clark R. Ackley of Lansing, the architect, presented the two plans in detail, one calling for the conversion of the present high school to elementary uses and the building of a new high school, and the other calling for an expansion of elementary facilities and preserving the present high school. Cost estimates show that about the same amount of money will be involved in either plan.

Manchester's basic school needs, based on an estimated population growth up to 1958, are facilities for 220 more students than are now housed in the school plant, plus a farm-and-industrial-arts shop, plus a general purpose and hot-lunch room, and such items as band room and more adequate storage space and office facilities. Though these basic needs could be solved by either plan, the Citizens' Committee voted unanimously for Plan I, calling for a new high school.

As explained by Luther Klager, president of the board, and Fred Atkinson, superintendent, a new high school would make possible an enlarged curriculum in line with the needs of the larger district. Ackley's plans, tentative at this stage, revealed a gymnasium that would seat 800 on folding bleachers for basketball games, or 1500 when the entire floor space is used for seating, as at commencement. There would be a library and study hall, a band room, science and classrooms, home economics, and a farm shop.

Options have been taken on various pieces of real estate. At present the one most favored is the land known as the Kuhl property. This property has a 450-foot frontage on Main Street and totals about 13 acres. This property is just one block north of the present athletic field.

Atkinson pointed out that the present high school can be economically and efficiently converted to an elementary school. The gymnasium would

be used for general purposes, elementary physical education, and hot lunch. The present home economics room would become the hot-lunch kitchen. Many of the other rooms are already well suited to elementary classes. When the students now attending rural schools are brought in they will comfortably fill the present elementary building and converted high school, with some room for expansion.

Plan II, calling for building another elementary building near the present elementary building, plus an activities room and shop, was rejected by the Citizens' Committee for various reasons. It was pointed out by President Klager that the second elementary building would have to be close to her first one. The result would be a crowded condition, with an estimated 800 students (by would necessitate the acquiring 1958) on the present site. This of relatively expensive land. It would also make future expansion difficult, since most of the land near the school is improved and has buildings.

Plan II, it is estimated, would cost in the neighborhood of \$461,000.00. This includes the cost of acquiring property close to the present schools, the elementary building, activities and hot-lunch room, shop and improvements to the present high school.

Plan I, calling for a new high school, would cost \$467,000—almost the same as Plan II. The opinion of the Citizens' Committee was that for this little difference, a new high school was highly preferable. Money that would be spent on site in Plan II, would be spent on building in Plan I, since the proposed site of the new high school is much less expensive than lots nearer the school.

At the Wednesday meeting, Dan Boutell, chairman of the Citizens' Committee, appointed a committee to draw up a report covering both plans. After adoption by the Citizens' Committee, this report will be mailed to all citizens of the school district. Shortly after that, the public will be invited to a meeting to consider the report.

Fire Damages Farm Home

The Manchester Fire Department was called out Saturday night to the farm home of Mr. and Mrs. John C. Novrock at 16149 English Road (formerly the Conser home). The fire was discovered about 11:10 p. m. by members of the family who were awakened by the smell of smoke. The fire was confined to the area of the fireplace and in that wall and apparently was caused by a defective fireplace, according to Fire Chief Scheid, and damage was estimated to be approximately \$5,000.

Local Sixth Grade Defeats Stone School

Inclement weather did not stop the students of the Stone School from coming here to play a football game against the local sixth grade boys. Those who failed to see the game missed a real thrill.

The Stone School won the toss-up and elected to receive. Buddy England kicked off for Manchester. Ronald Walfer was the first to score. He carried the ball from the Manchester thirty yard line. From this time on Manchester kept the lead, holding the opponents to only one touchdown.

Ronald Walfer and Buddy England were the high point men, with each making 2 touchdowns. Charles Dunny and Ronald Powers each scored once. Ronald Walfer and Ronald Power each made an extra point. The final score was 38 to 7 in favor of Manchester.

A really fine game was played by both teams. The Stone School anticipates a return engagement at their school in the near future.

Birth

Born to Mr. and Mrs. Kenneth Keezer a seven pound five ounce daughter, Mary Lorenda, on Tuesday, October 27, at the Tecumseh hospital.

Married At St. Mary's

Patricia K. Lienhart andaniel O. Foytek spoke their wedding vows at St. Mary's Catholic church at Manchester at 10 o'clock Saturday, October 17. Rev. Fr. Walter E. Hennes officiated at the ceremony.

The bride is the daughter of Mrs. Charles Slocum of Chelsea and Richard Lienhart of Jackson. The bridegroom is the son of Mr. and Mrs. John Foytek of Manchester.

Given in marriage by her father, the bride was gowned in traditional white satin, featuring an eight foot train and a sweetheart neckline. Her veil was fingertip length and she carried an eight foot train and carried a bouquet of yellow roses.

Mrs. Neal Mentink of Onondaga, the bride's aunt, was her matron of honor and Dorothy Speer was bridesmaid. Marie Slocum, step-sister of the bride, in a lavender gown, was the flower girl.

Mrs. Mentink and Miss Speer wore gowns of blue-green and powder blue, respectively and carried bouquets of roses. Howard Foytek of Detroit, as best man and Arnold Jenkins of Leslie, Charles Slocum and Kenneth Galbreath as ushers, completed the wedding party.

At a reception held in the Municipal building in Chelsea, Joyce Messner cut the wedding cake and Priscilla Yoell was in charge of the guest book.

The bride was wearing a light brown suit and winter white hat when they left on a wedding trip in northern Michigan. Her corsage was yellow roses.

The bride, a graduate of the Chelsea high school, is employed at the Chelsea Restaurant and Mr. Foytek is employed by the Chelsea Electric and Water Department.

AN INVITATION WE SHOULD ALL ACCEPT—

Joan Guenther Married In Church Rites

Joan Guenther, daughter of Mr. and Mrs. Roland Guenther of Manchester, became the bride of Donald Barth of Chelsea in a candlelight service at 7:30 p. m. at the Emanuel Evangelical and Reformed church here with Rev. Karl H. A. Rest officiating. About two hundred guests witnessed the double ring ceremony.

The bridegroom is the son of Mr. and Mrs. Arthur Barth of Chelsea.

The altar was decorated with bouquets of white glads and giant mums.

The bride's gown featured a white Chantilly lace bodice and sleeves which tapered at the wrist, a keyhole neckline and a tiny standup collar with a cathedral length satin skirt in tiers of lace. A satin bonnet-shaped crown held the fingertip veil and a cascade bouquet of white roses and stephanotis completed her costume.

Miss Jeanette Guenther was her sister's maid of honor. She was attired in a rose velvet strapless gown with a fitted bodice edged with a tiny ruffle. The handkerchief tied skirt was of matching net and ballerina length. She carried a cascade base of white mums and wore a matching headress.

Miss Shirley Barth, sister of the bridegroom, and Miss Marilyn Guenther, sister of the bride, were the bridesmaids. Their costumes were styled the same as that of the matron of honor, only in aqua. Their headresses were of yellow mums.

Beverly Mae Plasters of Milan was the flower girl and is the cousin of the bride. Her costume was similar to the bride's. She carried a basket of white rose petals and scattered them down the aisle.

Arthur Barth, Jr., of Chelsea was the best man for his brother. Ushers were Edward Schiller of Chelsea and Melvin Lamb of Manchester.

Following the ceremony a reception was held at the parish hall with Mrs. E. W. Schmidt, of Ann Arbor, aunt of the bridegroom, cutting the cake. Mrs. Alvin Toney and Mrs. Raymond Pope, aunts of the bride, both of Ann Arbor, poured. Miss Shirley Toney, cousin of the bride, of Chelsea, had charge of the guest book and refreshments were served by the Women's Guild of the church.

When the couple left on a trip through northern Michigan, the bride was wearing a red velvet suit and cobra brown accessories.

The bride is a graduate of Manchester high school and is now employed in the office of the Tecumseh Products Company. The bridegroom graduated from Chelsea high school, spent two years in the armed service and is em-

\$3,547.07 Collected; Funds Still Coming

Cooperation does it again! The Manchester Area Community Chest Fund Drive is over the top and still going. Collected to date is \$3,547.07 and every division has more to report! With a tentative budget of \$3,800 needed for the year it looks as though the drive will take care of it in spite of a \$3,500 quota.

The Rural Division is leading the van. The division as expanded to include the new school area and Pleasant Lake came in as a unit. Mrs. William Palmer, chairman of the division, reports that Pleasant Lake topped the list with \$210.00 and the Sharon area came in a close second with \$200.02. Mrs. Carl Settle is captain at Pleasant Lake and has ten solicitors and Mrs. Allen Alber is captain for Sharon with five on her team. There is no basis for competition as the districts are not similar enough for comparison. With one solicitor or not heard from this division reported \$693.52 as this story goes to press.

The Special Gifts Division, with Don Sutton as chairman, reported \$1,030.00 and two of the nine solicitors are not through. This total included the out of town gifts which are listed individually, otherwise. The village house-to-house Division reported \$500.30 and according to Mrs. Allen Schaffer, chairman of the Division none of her four teams have given a final report. The total amount turned in by the October 26 collection time was: Ford Motor Company \$200.00 Ford Motor Employees & Management \$833.75 Double A Employees & Management \$400.00 Rural \$633.02 Special Gifts \$915.00 McPherson Oil Company \$50.00 Arker Cleaners \$15.00 Village House-to-House \$500.00 Total \$3,547.07.

Next week should see the final report for the area. The Drive has progressed with the utmost efficiency and speed this year, — thanks to everyone!

Chairman of the Steer Club, Robert Hamilton, reported that 16 steers have been purchased and placed in the farms of club members in this district.

Roland Crossman, aided by L. V. Kirk, showed slides and movies of the various activities the club entered into during the past year.

Moving?

Some Manchester folks have been pretty busy the past couple of weeks either moving or getting ready to move. The Ted Roberts family started the ball rolling when they purchased the George Nichols home at 412 West Main street. The Nichols family moved to Tecumseh where they have built a new home.

Mr. and Mrs. Arthur Wahl who had been renting the Tibb home at 139 Adrian street, purchased the Roberts home at 409 Territorial street.

Then the Lawrence Bowers family moved to the Tibb house on Adrian and (are still with us) the Robert Trents are renting the Schaffer apartment at 214 South Washington Street, which the Lawrence Bowers have vacated.

Mrs. Wm. Schaffer Honored on Birthday

Mrs. William Schaffer, sr., was pleasantly surprised Wednesday evening by her family. The occasion was her 70th birthday.

Helping her celebrate the occasion were her husband, and sons and their families, the Allen Schaffers and Cheryl and Douglas and the William E. Schaffers and Larry, Jeffery, and Robert.

A birthday cake, ice cream and gifts added to the party.

Mr. and Mrs. Al Vogel and son Timmie of Ann Arbor, Mr. and Mrs. Tom Iwanicki and family of Clinton and Mr. and Mrs. Clare Arnold and family were Sunday afternoon guests of their parents, Mr. and Mrs. Ed Daves. Miss Bertha Daves of Ann Arbor also spent the day with her parents.

Sgt. DeClaire Home On Furlough

Sgt. Glen DeClaire, son of Mr. and Mrs. Wesley DeClaire, and his wife, Doris, have been spending a month's furlough at the home of his sister and husband, Mr. and Mrs. Maynard Clark, at Pleasant Lake.

Sgt. DeClaire entered the service in February 1952 and served with the Armed Forces in Korea since August 1952. For the last thirteen months he has been a section leader in the third anti-aircraft Automatic Weapons Battalion which is part of the third division.

He will report to Fort Sheridan, Ill., for his release soon.

On Sunday, Mrs. Martha DeClaire and Mr. and Mrs. Gordon Reaburn and son and Mr. and Mrs. Ray Gonyer and Sgt. and Mrs. Glen DeClaire and Mr. and Mrs. Maynard Clark were supper guests of Mr. and Mrs. Wesley DeClaire.

Life is like any other trip. Half of the fun depends on the traveling companions. — Acorn, Oakland, La.

Main Street

Probably the biggest Main Street event scheduled for this week—at least as far as the young fry are concerned, is the annual Halloween party planned by the Recreation for Youth committee with the able assistance of the local Legion Club. The parade will form in front of the library at 7 p. m. Friday, October 30th, and proceed up Main street to the E. G. Mann Mill. Working on the Legion committee are Frank Tibb, Harold Alexander, Toss Knorpp, Harry Sutton and George Merriman.

There will be three sets of judges to speed up the judging of the costumes. List of prizes was listed in last week's paper. Following the judging the sweet cider and donuts will be passed out by the Legionnaires.

And speaking of Halloween, don't know how many have seen the Associated Press story from Mason, Michigan, where Ingham county sheriff's men were investigating a report of some weird goings on last Monday night in the North Aurelius graveyard near Mason. There in the moonlight they found someone digging a grave. It turned out to be Bill Peters, the official grave digger. Why the night work? Peters told the deputies the grave was going to be used the next day and "I've got to get this job done so I can go pheasant hunting."

Here at Manchester the local hunters haven't been having too good luck—mostly because of the

dry weather. But now that we've started to have rain maybe things will change and they'll have better luck.

Don't forget the turkey dinner scheduled at the Methodist church come Wednesday, Nov. 4th, starting promptly at 5:30 p. m.

Patrol Girls

Hayride Party

Friday evening the patrol girls held a Halloween hayride. Mr. Kenneth Kouba supplied and drove the tractor. A few stops were made at homes in the country where the girls were able to ask for trick or treats. Mrs. James Cox, Mrs. Paul Schwab, and Mr. Rufus Gillam, their sponsor, accompanied them.

At the completion of the ride, cider and doughnuts were enjoyed at the home of Mr. and Mrs. Lee Allan.

The patrol girls are the following:

Martha Boutell, captain; Christie Allan, lieutenant; JoAnne Koernke, lieutenant; MariAnne Leedy, Margaret Steele, Janice Pepper, Melva Strang, Judy Kirk, Joyce Bertke, Cherry Brown, Delores Cox, Carol Braun.

Donna Maurer, Patty Binkowski, Karen Kouba, Elaine Kehoe, Sally Scully, Martha Leeman, Mary Jo Huber, Margaret Ferguson, Judy Hazen, Carolyn Fink.

Mrs. Donald Barth

with red accessories and a corsage of yellow roses.

When the couple return from their honeymoon they will be at home at 5855 Bethel Church Rd.

Carl Wuertner Guest At Surprise Party

Seventy-four Maccabee members from Manchester, Jackson, Ypsilanti and Ann Arbor gathered at the Legion Hall Monday evening at a surprise party for one of their members, Carl Wuertner, who marked his 80th birthday on October 27. Entertained at dinner at the home of Mr. and Mrs. Mike Wolf, he was kept busy until the Maccabee members had time to go to the hall for what was supposedly the regular monthly Maccabee meeting.

A special program had been prepared and the affair was climaxed with refreshments of coffee, sandwiches and a decorated birthday cake.

Coming Events

The Freedom Ideal Homemakers will meet at the home of Mrs. Charles Krueger on Weber Road on Friday, October 30th, at 1:30 p. m.

The Junior class of Manchester high school is planning to hold a pancake supper at the high school gym on Saturday, Nov. 7th, starting at 5:30 p. m. On the menu will be sausage, homemade pie and pancakes and coffee.

Friday's game will be held here when the Dutchmen will meet Dexter under the lights.

The Women's Guild of the Emanuel Church will have a special meeting on Thursday evening, Nov. 5th, at 8:00 p. m., featuring the in-gathering of the thank-offering boxes in a service outlined by the National Women's Guild of the Evangelical and Reformed

Church. The members of the Tabernacle Society are invited as the special guests of the Women's Guild.

The regular meeting of the Moms Club will be held at the Legion hall on Tuesday, Nov. 3 at 8:00 p. m. with the Mesdames Clark Bertke, Jacob Baurer and Kate Bivins on the committee.

The Freedom Ideal Homemakers will meet at the home of Mrs. Charles Krueger on Weber Road on Friday, Oct. 30 at 1:30 p. m.

A turkey dinner and bazaar is being planned by the ladies of the Methodist church under the direction of Mrs. Leslie Chavey. This dinner will take place on Wednesday, Nov. 4, starting at 5:00 p. m. Included on the menu will be turkey, dressing, mashed potatoes, gravy, squash, cranberries and homemade pies.

BOWLING

—By Rolly Grossman

Oct. 29

ABC Service went into a first place tie with Mary's Tavern by downing Jan & Jim's Grill for 4 points while Mary's Tavern was taking it on the chin from Mann's Millers by getting only 1 point. This all happened in the Businessmen's League at Chelsea this week as ABC Ser-

vice had four bowlers in the 500 series class who were: Roy Marx (580) in this series Roy had a 210 and a 200 game, also this series was tops for the evening, Dewey Hartbeck (529), Elwin Benedict (514) and Clarence Fielder (510). Mary's Tavern had a bad night after coming up with high game (1002) last week. Mann's took 3 points from the Tavern bowlers and lost the second game by only 1 pin thereby losing a chance to make a clean sweep of all 4 points. Rolfe Grossman had a 534 series for Mann's. K & W Farm Supply stopped Kappler's Contractors by taking 3 points as the Contractors "couldn't get going." Maybe the Contractors "cooled off" after getting high team series (2727) last week. There weren't any bowlers in this match who reached the 500 series mark. Carl M. Schaible's Ford team swept 3 points from Double A Products as Duane Roller, with a 521 series for Ford's, led his team to the win. Widmayer's Sales & Service team bowed to Spike's Mobil Service team when Spike's took 3 points although none of the fellows bettered their averages very much. Short's Electric Service battled Klager's Hatcheries to a draw—2 points a piece. As in the previous match the bowlers couldn't improve their averages much. This week differs from last week because there weren't many 500 series thrown although 200 games were quite numerous. The bowlers all must have concentrated on 1 game instead of 3 games. Roy Marx was different as he threw 2 games in the 200 class—210 and 200. Other bowlers who had a 200 game or better were Robert Diefenderfer 230, Ben Evisizer, Jr., 223, Clarence Fielder 213.

Manchester Women's Bowling

Oct. 29

—By Mrs. Hugh Sutton
Tuesday, Oct. 20, was a slow night for Manchester's Women Bowlers. In fact it was downright dull compared to the previous week's excitement. New records set—no old records broken—very sad!

Schaffer Lumber Co. took 4 points from Carl M. Schaible, Inc., to remain on top of the heap; but they discovered that they were not alone. Lannon's Variety now shares the line-light after wasting Hamilton's "Weinies" for 4 points. Manchester Bakery changed places with Uphaus Drug by taking all 4 points and Manchester Drug took 3 from Widmayer's Hardware and Furniture.

Only three girls had games over 170. Manchester Bakery's Ann Pniowski rolled a 190 and also had 2 turkeys to her credit. Joyce Schaffer of the Lumber Co. team had a 188 game and 1-turkey. Donna Thurman of the Carl M. Schaible aggregation had a 173 and Schaffer's Betty Schaible had a turkey.

Next Tuesday is Position Night and I think we can promise that "There'll be Some Changes Made."

Drivers' Licenses Extended

Driver's licenses issued before Oct. 2, 1953 will be extended for a period longer than three years. A new decision in Lansing will continue the effective period of a

license until a driver's next birthday following the expiration date shown on its face.

This move is designed to permit drivers to change over to the new law which is expected to reduce loss of life and property from highway accidents.

Under the new law, effective the second of this month, drivers are expected to renew their licenses without reminders from the department of Motor Vehicles. Licenses will expire on the driver's birthday at three year intervals.

The additional period permits every driver to "get off on the right foot" by giving him extra time after the present expiration date until his next birthday. It is suggested that people who expect to drive outside the state contact their local officials to make special arrangements. They will supply an official card which explains why the license is legal even though it seems outdated. This step will prevent possible legal difficulties if a Michigan resident should be required to show credentials in a state not familiar with the situation.

Music Teachers To Meet In Detroit

The 68th Annual Fall Convention of the Michigan Music Teachers Association will be held at the Hotel Statler in Detroit on October 26 and 27. It was announced today by Dr. Raymond Gerkowski, Flint, president of the association. With a record attendance of over 500 anticipated for the annual gathering, a full two days of study periods, forums, lectures and concerts have been arranged by Mrs. H. D. Moeller, Detroit, local chairman for the Convention.

Attendance at the Convention usually covers the entire State of Michigan, and participants in the special programs have been selected from among private teachers, high school and college music department faculties, and selected students representing community music groups in the state.

Registration for the convention begins October 26 at 8:30, and the opening session will feature addresses of welcome by Howard Harrington, Manager of the Detroit Symphony Orchestra, and Cyril Wexmael, President of the Detroit Musicians League. This will be followed by a short piano

Overseas Christmas Mailing Dates Told By Postal Officers

Christmas parcels for members of the Armed Forces stationed outside the United States should be sent between now and Nov. 15—and the earlier the better, Ann Arbor Postmaster Oswald J. Koch announced.

Koch said that packages mailed through regular surface channels prior to Nov. 15 can be expected to reach their destinations before Christmas. However, he added, no such assurance can be given for surface parcels mailed after Nov. 15 or air parcel post mailed after Nov. 25.

He urged senders not to delay the mailing of parcels until December on the assumption that timely delivery will be assured through the use of air service.

Boxes for overseas transmission must be of strong construction, the postmaster warned. Each box should be securely tied with strong cord, preferably by four separate pieces, two lengthwise and two crosswise.

Greeting cards for Armed Forces personnel overseas may be mailed at any time, but first class mailings should be made prior to Nov. 15 and air mail prior to Dec. 1.

Reports Cost Millions

More than 1,500,000 man-hours are consumed annually by automobile companies in filling out forms and questionnaires for the Federal government, according to data supplied by 22 out of 49 motor vehicle manufacturers queried. The total time was said to be equivalent to a year's work by a

Colonial Gardens

US-112 Back of Irish Hills

Tower

DANCE

State Treasurer Announces Governorship Candidacy

Hitting at the "confusion" which "typifies Michigan government today" and declaring that the future of the state has been made insecure by a Governor who has failed in harmonious leadership of state government, State Treasurer D. Hale Brake announced here Tuesday that he will be a candidate for the Republican nomination for Governor in the 1954 primary election.

Brake said he made his decision to run "only after a thorough an-

alysis of the needs of the governorship and a soul searching of my own character and record of 19 years of service in state government."

Elected State Treasurer in 1942, Brake has been re-elected by overwhelming margins in the five succeeding elections. In earlier years he built an enviable reputation as State Senator for four terms, and as county prosecuting attorney and a local school board member.

The first Republican in the field, Brake promised to "take the issues of this campaign to the voters with a unified Republican Party behind me" if he wins the nomination August 3, 1954.

He said his primary campaign would be based on his record in

public office and upon the issues which threaten Michigan's future. In his announcement, Brake made it clear that he is unequivocally a candidate for Governor in 1954.

Although urged to run many times in the past, he has never sought the governorship. Brake's home is in Stanton, in Montcalm County where he has a farm.

Following is the complete statement issued by Brake at the time he announced his candidacy for Governor:

"This will answer the question currently raised in the press and among many groups of people in Michigan, namely: Will Brake be a candidate for Governor in 1954? "Confusion typifies Michigan government. The people of this state have been fed a devil's brew of political propaganda. The present Governor has sought to make political advantage out of every situation. The basic issues upon which people must make decisions have been belated in the mist of his hypocritical comments and actions.

"Michigan is a great state. Its people are God-fearing, sensible, and progressive-minded. But the glory of this state has been dimmed, its potential contribution to the welfare of our nation lessened and its future made insecure by a Governor who has failed to harmoniously lead his government forward.

"The governorship is the greatest gift which the citizens of Michigan can bestow. The character of the individual who receives that gift colors and in many instances determines the progress, strength and reputation of this state.

"By this statement I offer myself as a candidate for the Republican nomination for Governor of Michigan at the next primary election. I do so only after a thorough analysis of the needs of the governorship and a soul searching of my own character and record of 19 years of service in state government.

"Many times in the past I have been urged to run for Governor but have stepped aside in an attempt to secure party harmony. Today the financial situation, the bickering, the dangers to our state have become so apparent that I definitely answer the question raised by my friends from every walk of life—Yes, I am an announced candidate for this office and I am in the campaign to stay. I shall base my campaign on a public record of accomplishment and upon the issues which confront Michigan as it looks to the future.

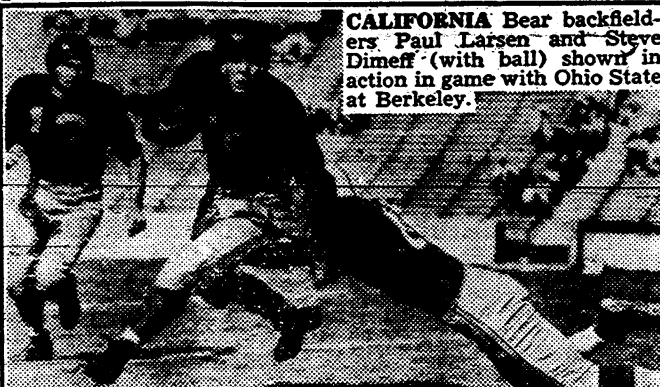

"Michigan is a land of opportunity. With a government efficiently run, in full view of the people, with a knowledge based on complete experience, the people may expect a new era of satisfaction and progress.

"I will take the issues of this campaign to the voters with a unified Republican Party behind me, and with their help I intend to be nominated on August 3, 1954 and serve with every ounce of my being as a true Governor for the people of Michigan following the general election in November.

"I express my deepest gratitude to those who have, by their votes, on twelve occasions entrusted me with major public office. Only by their unified constructive action can the story be told and victory gained.

D. HALE BRAKE"

A nursery is conducted in the Parish Hall during the hour of worship so that mothers may have a safe place to leave their little children while they attend church.

Pastor Rest will start a Class in Church Membership for Adults on Wednesday evening, Nov. 4th, at 8:00. The group will meet for a total of four sessions over a period of six weeks. Registrations are now being received.

You are cordially invited to worship with us.

W.S.C.S. Meet

The October meeting of the Women's Society of Christian Service was held at the Methodist church Wednesday with Mrs. Clayton Parr leading the devotionals period with singing and prayer.

Mrs. Parr read a memorial to a recently deceased member, Mrs. Mary Calhoun, entitled "Eternal Life," by Robert Seagrave.

Mrs. Robert Schaible presented Mrs. J. A. Noble from Jackson, who pleased the audience with a vocal solo, "Trust In God," by Hamblen. She was accompanied by Mrs. Wayne Gillett from Brooklyn.

Speaker of the evening was Mrs. Hallowell, District Supply Secretary, who told about her trip to Alaska. She said the object of the trip was two-fold. Her son is stationed there in government service. As he was to be in Alaska over a period of two years, they hurriedly decided to buy a truck and house trailer and, with the son's wife and baby and over \$700 worth of missionary supplies, they made the 3,500 mile trip. The son's wife and baby remained with

him but Mr. and Mrs. Hallowell returned home by plane.
Their experience along the way highlighted with colored pictures of the beautiful scenery and their intimate visits and contacts with the children of the Jessie Lee Home and the hospital at Seward, Alaska, made a most interesting evening of entertainment.

After the program refreshments were served by Mrs. William Palmer.

National Honey Week Being Observed

Oct. 25 to Oct. 31 is being observed by honey growers all over the nation, according to Olen Warty, 6780 Carpenter Road, who is spokesman for the beekeepers in this vicinity. Producers all over the nation are joining in an effort to tell the American people the

good things about honey and the interesting things about bees.
At present, there are 4,553 beekeepers in Michigan, and 258,000 in the United States.

Swine Breeders Hold First Boar Exhibit

Monday, Nov. 2, the Michigan Swine Breeders' Association co-operating with Michigan State College's Animal Husbandry Extension Department will hold their first all breeds Boar Exhibit and Show at the Livestock Pavilion, Michigan State College, East Lansing, beginning at 9:00 a. m.
The purpose of this educational better sires program in swine production is to assemble at one point good to choice spring boars of the 9 representative breeds.
All boars must be offered for sale to the public in order to be eligible. To stress quality, all breeds will be judged and a champion and reserve champion named for each breed.

At 10:30 a. m. after the show each boar with ribbon award will go in his exhibit pen and may be purchased at the posted price any time thereafter. Prices for most boars will be within a range of from \$75 to \$100 with possibly 8 to 10 boars in a higher price bracket.

Mail Order Insurance

The Michigan Department of Insurance has issued a warning relative to mail order solicitation of insurance. Commissioner Joseph A. Navarre, in information presented for the Michigan Association of Insurance Agents, has acknowledged that virtually none of the clubs, associations and companies now waging an aggressive mail campaign are licensed by the Insurance Department.

Commissioner Navarre explained that the legal limitations of his office made it extremely difficult to combat mail solicitation by unlicensed organizations. He added that his department had no knowledge of the affairs of any alleged insurance company which attempted to operate without an official license.

Individuals who purchase insurance from unlicensed companies must do so at their own risk and consequently deprive themselves of the protection and assistance which the Insurance Department might render. Commissioner Navarre observed that the best interests of all Michigan citizens would be best served by dealing only with licensed insurance companies and their authorized agents.

The Commissioner urged individuals solicited for insurance solely by mail to contact his office or the established local insurance agent in their community for information on the status of any insurance organization. While most insurance companies and agents use mail advertising to an extent, Commissioner Navarre cautioned against mail order proposals which fail to designate the name and address of a licensed Michigan agent.

Mr. W. O. Hildebrand, Manager of the Agents' Association, sound ed an additional warning to pur-

chasers of automobile insurance in unlicensed companies. Such contracts are not acceptable to the State and therefore fail to satisfy the requirements of Michigan's Financial Responsibility Law.

According to Mr. Hildebrand the present intensive mail campaign by unlicensed organizations involves every kind of insurance; all of which is readily available in licensed companies through well known and capable authorized agents.

Jolly Farmerettes

Reporter, Sandy Hassett
The Jolly Farmerettes held their third fall meeting at the home of Sandra and Sue Hassett. Mrs. Harold Stevens is the leader of the group. Newly elected officers are: president, Lois Stevens; vice president, Sue Hassett; secretary,

Pauline Buss, and reporter, Sandy Hassett.

The girls spent their time cutting patterns for their projects. Refreshments of pie and ice cream were served. The next meeting will be held at the home of Margaret Saurer on Oct. 31.

Shakespeare Club

The Shakespeare club met Tuesday with Mrs. Alfred Kuhl with twelve members present. A contribution was made to the Community Chest.

Mrs. John Bowler and Mrs. Paul Feldkamp gave a very interesting paper on "The Sponge Industry" and the "History of Fairs" respectively.

The next meeting is scheduled for Nov. 3, at the home of Mrs. Paul Feldkamp starting at 1:30 p. m.

State Winner in 4-H Dress Revue

KAY ANN CONELY of Brighton will represent Michigan in the National 4-H Club Dress Revue in Chicago in late November.

Miss Conely gained the honor when she was judged winner of the dress revue at the 38th annual State 4-H Club Show held at Michigan State College in September.

Her award-winning costume was a fitted stole suit in a shade of smoke-blue wool overcast with a lavender tone. The stole was fringed in lavender wool. She wore black accessories.

Rating top honors on the basis of poise, grooming, good taste, fine tailoring and harmony of costume and personality, Miss Conely won the award. It is the top award for 20,000 4-H girls in clothing projects in Michigan.

Her trip to 4-H Club Congress in Chicago will be sponsored by the Simplicity Pattern Company, Inc., of New York.

During more than seven years of 4-H Club membership, the 18-year-old Miss Conely has completed 30 projects—concentrating in the 4-H Club clothing, foods and canning programs.

A graduate of Brighton High School last spring, Miss Conely is enrolled in home economics at Michigan State College this fall. She holds two college scholarships—a 4-H Academic Scholarship and a Kroger Scholarship.

The awards program is conducted under the direction of the Cooperative Extension Service of

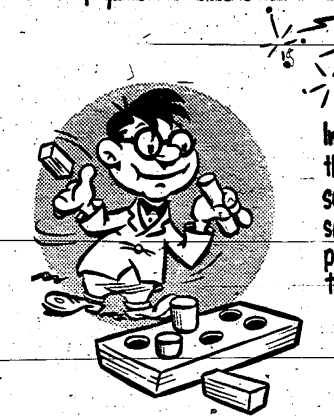

Kay Ann Conely

Michigan State College and the U. S. Department of Agriculture in cooperation with the National Committee on Boys and Girls Work of Chicago.

THE MYSTERIOUS GAME CYCLE

Sportsmen throughout the nation entrust the management of their natural resources to their Conservation Departments. Too many of them expect that word "management" to mean the maintenance of fish and game populations at peak levels year after year—a responsibility far beyond the control of mere man.

Game in particular pays little heed to the efforts of man in his attempt to stabilize populations. Strange "cycles" raise and lower the numbers of pheasants, rabbits, grouse, foxes, raccoons and other birds and mammals with surprising regularity.

It is nature's way of maintaining a balance, apparently—a balance between the species, and a balance in keeping with the food and habitat.

No Closed Seasons?

There are well-informed biologists who believe that a wide-open year-round season on many birds and animals would have little or no effect on their numbers. Gun pressure, they tell us, is the least important factor in the control of population.

But regardless of the theory such an action is a long way off in this state of Michigan. The psychological effect on sportsmen could be pro-

found! With no closed seasons much of the anticipation and planning preceding "opening day" would be lost—and you and I know that's half the fun! Furthermore, with the arrival of the down-side of the natural cycle when wild-life population decreases, we'd blame over-hunting as the cause regardless of scientific proof to the contrary! And our Conservation Department would be in for a first-class lambasting!

So it'll be a long, long time before you'll see the words "NO CLOSED SEASON" in your game law digest in the column opposite grouse, pheasant, rabbit, squirrel and other favorite targets.

The Case for the Fish

On the fish side of the ledger it's a little different story. We're likely to see the day—and in the not too far distant future when many if not most of our inland lakes will be open to year-round fishing. The case at point is just about open and shut as a result of conclusive experiments—seasonal pressure has virtually no effect on the numbers of fish in a given lake.

Right now our trout streams could be opened to fly fishing the whole year thru without impairing trout populations—but again, that's not likely to happen right now. Why should we give up the thrill of "opening day"? It's an institution in Michigan Outdoors!

Foundation Head Defies Professional Speech Teachers

"Stuttering and stammering can be eliminated and the professional teachers who say that a cure is impossible should be made to eat their own words!" Rhoda Lacher, director of the Dyna-Life Center of Detroit, Michigan recently stated.

Miss Lacher announced that the Human Knowledge Foundation will be opened shortly in conjunction with the Dyna-Life Center in Detroit and will—discover and apply new findings in areas of the physical, social and behavioral sciences to promote the well-being of mankind. In making the announcement she lashed out vigorously at the negative attitude of professional speech teachers.

"The stutterer and the stammerer have been pushed to one side for years," Miss Lacher said, "with the cruel comment that they cannot be returned to normal speech."

"This is not true! I have eliminated stuttering, stammering, lisping and speech blockages for the last four years and I will continue to do so despite any statements to the contrary."

"Our records show that stuttering is eliminated in ninety-five to ninety-seven percent of all cases that have come to us, either of their own free will or upon the advice of medical advisors. In most cases we accomplish the elimination of stuttering within a week—in some we have had complete success within a few hours."

Dr. Albert Judd To Retire

After 21 years of loyal service to the Michigan Department of Agriculture, Dr. Albert W. Judd, 62, of Lansing, will soon retire as assistant State Veterinarian because of ill health.

Dr. Judd came to the Department's veterinary work as TB inspector on Sept. 1, 1932, after having conducted successful veterinary practices for a quarter of a century. He began at Bear Lake and later moved to Beulah. On May 7, 1950, Dr. Judd was advanced to the position of assistant State Veterinarian. Qualified, experienced veterinarian.

ians who might be interested in the post, should communicate with George S. McIntyre, acting director of the Department, well in advance of Nov. 9, when the Agricultural commission will interview applicants at its meeting in the Lewis Cass building, Lansing.

Savings Backlog Of Public Huge

The American people have a huge backlog of savings to cushion the economy against a recession, according to Henry J. Taylor, radio commentator and newsmen.

Cash on hand and on deposit would pay off all consumer credit loans, pay cash for the entire 1953 output of the automobile industry and for 1,000,000 new homes, and, in addition, buy all the shares in the companies listed on the New York Stock Exchange, Mr. Taylor said.

Economists explained that the assets listed by Mr. Taylor would have a total value of approximately \$157,000,000,000, compared with \$192,000,000,000 in cash or its equivalent held by the American public.

RINGING IN THE EARS

Dizziness, nausea, ringing noises in the ears, impaired hearing—these are symptoms characteristic of Meniere's disease. One of the most illustrious victims of this condition, which has become more and more prevalent in recent years, was Ludwig von Beethoven.

Today, if Beethoven were alive, he would undoubtedly be able to hear his own music thanks to an operation devised by Dr. Samuel Rosen of New York's Mount Sinai Hospital. For the first time in the history of medicine, there is now hope of a normal life for sufferers from this crippling disease.

Meniere's disease is named for the French physician who first described it in 1861. Since that time, many theories have been advanced to explain its cause, ranging from emotional tension to vitamin deficiency. Today most scientists agree that it results from some disturbance to a nerve center of the inner ear.

Standard surgical treatment for this condition has been to destroy this center, called the labyrinth, a procedure that caused the major symptoms of the disease, but at the cost of causing total deafness in the affected ear. This is important since in from 10 to 15 per cent of all cases both ears are eventually affected.

Dr. Rosen's operation cuts only one nerve, called the chorda tympani, and does not destroy the vital labyrinth. Employed on fifty patients, this operation resulted in striking relief to 82 per cent of the cases, with no damage to the hearing or other untoward effects.

Dr. Rosen's operation cuts only one nerve, called the chorda tympani, and does not destroy the vital labyrinth. Employed on fifty patients, this operation resulted in striking relief to 82 per cent of the cases, with no damage to the hearing or other untoward effects.

Also Cartoon, News and Selected Shorts.

Mr. and Mrs. James Cannon returned home Sunday after a two-week vacation during which time they visited her sisters and families, Mr. and Mrs. Frank Randall of St. Louis, Mo., Mr. and Mrs. Murray Thomas in South Bend, Indiana, and his sister, Mrs. Harold Opie in Bedford, Indiana. They also saw the Notre Dame and Georgia Tech game and took in the races at Keeneland track, Lexington, Ky.

Mrs. Nelson Short attended a

pink and blue shower for Mrs. Harold Calhoun on Thursday evening at the home of Mrs. Delbert Tallman at Clinton. The shower was given by Mrs. Russell Handy.

Mrs. Carrie Huber was guest of honor at a birthday dinner Sunday at the home of Mr. and Mrs. Ben Maurer. Others present were Mrs. Anna Davidter and Mrs. Yatta Maurer.

Mr. and Mrs. Nelson Short were in Jackson Tuesday night to attend a Dri-Gas meeting.

4-H Club Public Speaking Champions

Gloria Walts, 17, of St. Johns, and Richard Osborn, 17, of Flint, were the honor-winning speakers of the public speaking contest during State 4-H Club Show at Michigan State College in September.

Miss Walts' speech was entitled "I Speak for Democracy." Osborn spoke on the subject of "Better World Understanding." Each was awarded a certificate of honor.

Their 4-H Club achievement and leadership records, along with their winning talks, will be submitted to a national committee to be judged.

The boy and girl who are selected national winners from among the state champions will be awarded a trip to the National Club Congress in Chicago and a scholarship of \$500. Donor of the national awards is the Pure Oil Co., of Chicago, Ill.

GOOD NEWS FOR Homemakers

Ann Marshall

GUEST MEALS come often in the weeks ahead with many supper parties and friends "dropping in." Developing a specialty dish will make fall and winter entertaining easy—and successful. Why not try a barbecue-pork roast?

A luscious barbecue sauce brings out the best in most meats—pork, beef, or chicken. A "jewel" of a sauce is made with condensed tomato soup, onion, garlic, vinegar and other seasonings. Since pork is in good supply, this is a fine time of year to cook a pork roast—barbecue-style.

A big beautiful pork roast, fixed barbecue style, brings cheers from everyone, cowboy to school-boy. The sharp-rich barbecue sauce can be rounded up in a hurry. It's a blend of tomato soup and lively seasonings.

Brown potatoes in the oven while the roast is cooking. And about supper time, you can toss a green salad. Finish the meal with a dessert of apple pie and cheese. (With the pie made ahead of time—you will be a relaxed hostess and among happy guests.)

Oven-Barbecued Pork

15-pound pork loin	1 can (1 1/2 cups) condensed tomato soup
1/2 cup finely chopped onion	2 tablespoons Worcestershire sauce
1/2 cup finely chopped celery	2 tablespoons lemon juice or vinegar
1/2 clove garlic, minced	4 drops Tabasco sauce
2 tablespoons brown sugar	
2 teaspoons prepared mustard	

Place pork in a shallow pan and roast in a slow oven (325° F.) for 2 hours. Combine remaining ingredients for sauce; mix well and pour over roast. Continue cooking for 1 1/2 hours, basting frequently. Serve hot barbecue sauce over pork slices. Makes 8 servings.

A new company is marketing rear-wheel sanders to help motorists overcome the problems of driving on ice and in snow. Two hoppers containing 15 to 18 pounds of sand are mounted on the trunk. A hose extends from each hopper to a point ahead of each rear wheel.

HEADING FOR THE FIELDS . . . AND TROUBLE—Flopping jackets, loose-rolled cuffs, dangling scarf ends and shirt tails, all invite accidents around moving machinery. Accenting the danger in this tableau are such safety flaws as extra riders, shield removed from the power take-off shaft, and that unnecessary shotgun.

QUALITY

MAINTAINING and improving the quality of its products is the most highly emphasized activity of this cooperative milk marketing association.

For thirty-seven successful years the Michigan Milk Producers Association has carried on an intensive quality control program in the belief that it provides its members the maximum of protection in holding and expanding their markets.

The Quality Control Department is adequately manned by competent technicians who are provided with the most modern, approved equipment for both field and laboratory work. The illustration above shows a section of the splendid facilities in which the members of this organization have invested at their Imlay City, Michigan, manufacturing plant. Such a laboratory is available to the dairy farmer only through the means of a cooperative organization spreading the cost among thousands of members.

Consumers share equally with members in the benefits which accrue from the production of highest quality products.

Red Toils 3 Hrs For Dozen Eggs

Secretary of State Dulles recently gave this comparison of a worker's earnings in New York and Moscow:

"For a worker to buy a pound of butter in New York, it takes 27 minutes of work; for a similar worker in Moscow, it takes over six hours of work."

"For a pound of sugar, 3 1/2 minutes in New York; 84 minutes in Moscow."

"For a quart of milk, seven minutes in New York; 42 minutes in Moscow."

"For a dozen eggs, 25 minutes in New York; nearly three hours in Moscow."

"For a cotton shirt, nearly one hour in New York; 22 days in Moscow."

"For a man's suit, three days in New York; 47 days in Moscow."

"For overshoes, one day in New York; 13 days in Moscow."

"For a woman's wool suit, 22 hours in New York; 22 days in Moscow."

"For a cake of soap, three minutes in New York; 30 minutes in Moscow."

"The more we know about taxes, the better position we'll be in to help make them equitable and to get them reduced." Charles R. Sligh, Jr., NAM president.

Budget Saving Tips

Housewives can pick up some budget saving tips on egg-buying and Thanksgiving Turkey at Halloween morning demonstrations at the Ann Arbor Farmers Market.

Demonstrations will be presented by the Michigan State College Poultry department in cooperation with Ann Arbor Market Grower Association, according to Mr. Wm. Scott, of Stockbridge.

Two exhibits are being made up especially for the demonstrations from 8:00 to 11:00 a. m. on Saturday, Oct. 31. One exhibit emphasizes importance of egg size in comparison to price, and the other shows how a consumer's dollar is divided up in the purchase of a turkey.

The egg exhibit will show jumbo, extra large, large, medium and small eggs, with the price per dozen that consumers pay on the Ann Arbor market, according to J. M. (Mac) Moore, Michigan State College Extension Poultryman. It also will give the value per pound of the eggs. Consumers will be shown how to determine what size eggs are the best buy at

the price. Housewives who wish, will be given an egg-buying guide to help them in determining the best buys as to size as compared on a weight basis.

Booklets and folders on how to buy, prepare and cook tur-

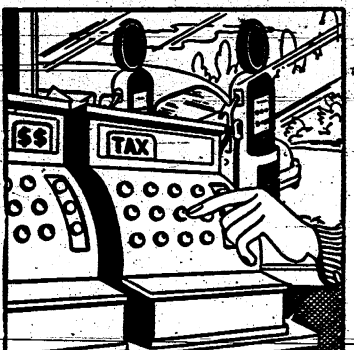

(No. 12 of a series)

Who Builds and maintains practically our entire road system?

You Do. Yes, you . . . the public . . . the taxpaying you. The using public in "use" taxes, has paid for the roads, and for much more, too. For millions of dollars derived from highway use taxing have been diverted—spent for other things.

These Other Things may be fine and necessary, but the hard fact is that our highway system is not yet good enough to meet all the needs of the public. Until it is that good, you can't justify spending highway revenue for anything but building and maintaining roads.

In More Than 20 states it is now unconstitutional to divert road-tax

money. It should be so in all the states.

When you buy a car, a truck, license plates, or a gallon of gasoline, you pay taxes that should buy you an ever-improving road system. Commercial users of the roads pay even more than the general public. Although less than a fifth of all the vehicles are owned by motor transport interests, their users pay nearly a third of the total use taxes.

Remember this, too. There are many other beneficiaries of good streets and highways beside the people who drive on them. The land owner profits when his land is made accessible. Highways are essential in transacting public business; in war, in providing police and fire protection and access to schools.

Two facts, then, are self-evident. One is that motor transport already pays its full share for the use and maintenance of roads, and the other, that America's highway system would be vastly better if millions in "use" taxes had not been diverted.

keys will be distributed free.

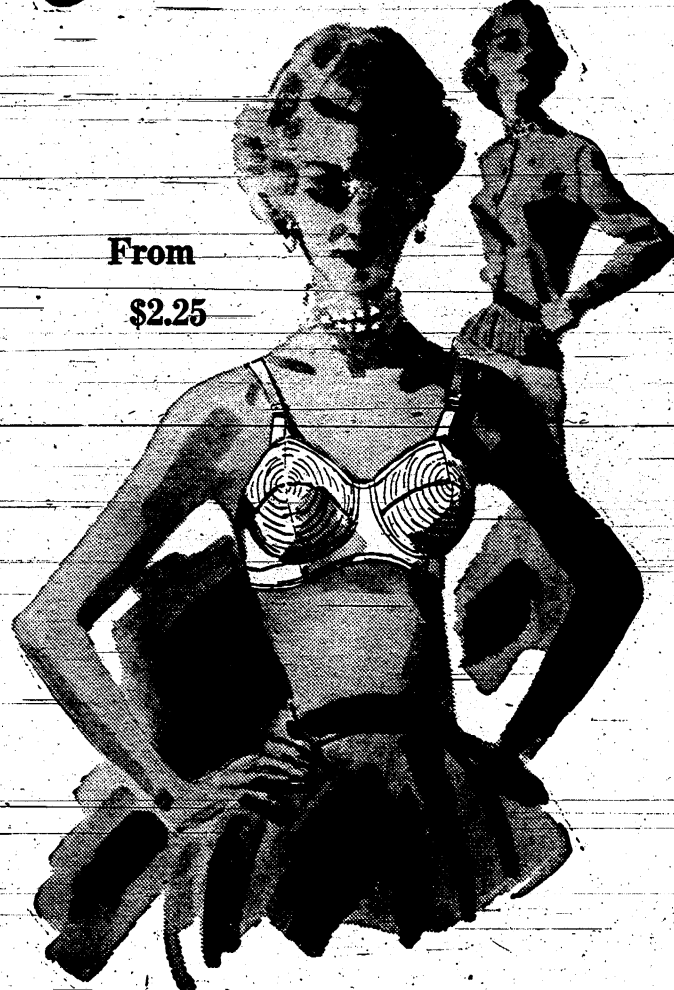

Also folders and bulletins on many other subjects published by Michigan State College Extension Service will be distributed free.

Poultry raisers are welcome to come to market to discuss management problems with the specialists.

LEGALS

**STATE OF MICHIGAN
IN THE CIRCUIT COURT
FOR THE COUNTY OF
WASHTENAW
IN CHANCERY**

Order of Publication No. V-349
Reuben Lambarth, Plaintiff vs.
Richard I. Polhamus and Har-
riett Polhamus, his wife, Jacob
Regetz and Anna Regetz, his
wife, Joseph Cramer (Kramer)
and Sally Cramer, his wife,
Mary Ann Wallace (Mary N.
Wallace), Wealthy E. Wallace,
Lottie Wallace, Daniel Minor
and Melvina (Minor) Cary, his
wife, Daniel J. Minor, Melvin
Minor, Frederick Krause and
Mary Krause, his wife, and Fi-
della B. Watson, and their and
each of their unknown heirs,
devisees, legatees and assigns,
Defendants

At a session of said Court,
held at the Court House in the
City of Ann Arbor on the 22nd
day of September, 1953.
Present: Honorable Philip J.
Glenne, Circuit Judge

On reading and filing the bill
of complaint in said cause, and
the affidavit of Stanton G.
Roesch attached thereto, from
which it satisfactorily appears
to the Court that the Defen-
dants above named, or their
unknown heirs, devisees, legat-
ees and assigns, are proper and
necessary parties defendant in
the above entitled cause; and
it further appearing that af-
ter diligent search and inquiry
it cannot be ascertained, and it
is not known whether or not
said Defendants are living or
dead, or where any of them may
reside if living, and, if dead,
whether they have personal
representatives or heirs living,
or where they or some of them
may reside, and further that
the present whereabouts of
said Defendants are unknown,
and that the names of the per-
sons who are included therein
without being named, but who
are embraced therein under the
title of unknown heirs, devisees,
legatees and assigns, cannot be
ascertained after diligent search
and inquiry;

On motion of Stanton G.
Roesch, attorney for Plaintiff,
it is ordered that said defen-
dants and their unknown heirs,
devisees, legatees and assigns
cause their appearance to be
entered in this cause within
three months from the date of
this Order, and in default there-
of that said bill of complaint
be taken as confessed by said
Defendants, their unknown heirs
devisees, legatees and assigns.

It is further ordered that
within forty days Plaintiff
cause a copy of this Order to
be published in the Manchester
Enterprise, a newspaper print-
ed, published and circulated in
said County, said publication to
be continued therein once in
each week for six weeks in suc-
cession.

Philip J. Glenne
Circuit Judge

A TRUE COPY,
Luella M. Smith, County Clerk
Countersigned by
Irene A. Sertz, Deputy Clerk

TAKE NOTICE that this suit,
in which the foregoing Order
was duly made, involves and is
brought to quiet title to the
following described piece or par-
cel of land situated and being
in the City of Saline, Washtenaw
County, Michigan, to-wit:

Commencing at a stake four
rods south of the southwest
corner of a lot formerly owned
by Franklin N. Rice on the east
side of Ann Arbor Road; run-
ning thence easterly parallel
with said Rice lot ten rods;
thence southerly parallel with
the first line ten rods to the
east line of said Road; thence
northerly along said Road four
rods to the place of beginning
being a part of section fourteen,
Plat of the Village of Saline as
recorded in the Register's Of-
fice, Liber "M", page 316, and
also described as Lot 23, Asse-
sor's Plat number two, in the
City of Saline, Washtenaw
County, Michigan, as recorded
in the office of the Register of
Deeds for said County in Liber
9 of Plats, page 39.

DATED Sept. 26, 1953.
Stanton G. Roesch
Attorney for Plaintiff
Business Address: Saline, Mich.

**STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR
THE
COUNTY OF WASHTENAW
IN CHANCERY**

Gloria R. Tollerud, Plaintiff;
vs. Ole W. Tollerud, Defendant.
ORDER FOR APPEARANCE
Suit pending in the Circuit
Court for the County of Washtenaw, State of Michigan, in
Chancery, on the 6th day of
October, 1953.

In the above entitled cause it
appearing that the defendant,
Ole W. Tollerud, is not a resi-
dent of this state but that he
resides at Pelican Rapids, c/o A.
Boe, in the state of Minnesota.

THEREFORE on motion of
Stanton G. Roesch, attorney for
Plaintiff, it is ORDERED that
the Defendant Ole W. Tollerud,
enter his appearance in said
cause on or before three months
from the date of this order and
that within forty days the Plain-

tiff cause this order to be pub-
lished in the Manchester Enter-
prise, a newspaper published and
circulated within said County,
said publication to be continued
once in each week for six weeks
in succession.

Dated: October 6, 1953.
James R. Breakey, Jr.,
Circuit Judge
Stanton G. Roesch
Attorney for plaintiff
Business address: Saline, Mich.

THE PROBATE COURT
FOR THE COUNTY OF
WASHTENAW**

At a session of said Court, held
at the Probate Office in the City
of Ann Arbor, on said County,
on the 21st day of October A. D.
1953

Present, Hon. JAY H. PAYNE,
Judge of Probate.

In the Matter of the Estate of
Mayme Holt Eaton, deceased.

Bennett C. Root having filed
in said Court his petition, praying
for license to sell the interest of
said estate in certain real estate
therin described, for the purpose
of paying debts, charges and ex-
penses.

It is Ordered, That the 23rd
day of November A. D. 1953, at
ten o'clock in the forenoon, as
said Probate Office, be and is
hereby appointed for hearing said
petition, and that all persons in-
terested in said estate appear be-
fore said Court, at said time and
place to show cause why a license
to sell the interest of said real
estate should not be granted.

It is further Ordered, That
public notice thereof be given by
publication of a copy of this
order, for three successive weeks
previous to said day of hearing,
in the Manchester Enterprise a
newspaper printed and circulated
in said County.

**F. O. Wiedman
Cites Safety Rules**

A modern corn picker can whisk
a 10-foot stick through its snap-
ping rolls in one second—or a
hand before its owner can gasp.
Its husking rolls can snatch an
object thinner than cigaret paper
—or just as efficiently grab fin-
gernails and hair.

There are more than 588,000
corn pickers on the nation's farms.
They will cause more maiming ac-
cidents this year than any other
farm implement.

Husking rolls, snapping rolls,
gathering chains, wagon elevators
—no other farm machine combines
so many potentially dangerous
moving parts.

These grim reminders were
issued today by F. O. Wiedman,
dealer for the New Idea Farm
Equipment Company.

Mr. Wiedman said: "Production
figures tell the story of what the
corn picker means to the Ameri-
can farmer. One thousand bushels
of corn can be picked mechanical-
ly today in the time it would have
taken to hand-harvest 100 bushels
in 1910.

"But for a double reason—
economy and safety—we must im-
press on farmers the necessity of
using pickers in the way they
were designed to be used.

"We install all the safety
shields and devices needed to
make corn picking a safe opera-
tion," Wiedman continued, "but
it's wasted effort if the farmer
decides to gamble his hand or
arm against a few minutes of
saved time."

Wiedman cited the following
safety rules in picker operation:
1.—NEVER reach into a picker
when it is running. Shut off the
power before oiling, adjusting or
unclogging. Make it a habit to
shut off the power every time you
leave the tractor seat.

2.—Keep safety shields in place.
Never operate without them.

3.—Wear close-fitting clothing.

Extra-thumb gloves, originally
used for hand picking, give a false
sense of security—and because of
the projecting thumb—are espe-
cially dangerous.

4.—Never carry a gun on a
tractor or picker. Hunting and
corn-picking don't mix.

5.—Prohibit extra riders.

6.—Use a red flag, carried high,
to warn motorists of the slow-
moving vehicle if you travel on

a highway. At night use lights—
red at the rear and white at the
front.

"Trouble is usually produced by
those who don't produce anything
else,"—Ralph Paul.

... and I quote:
"The way taxes are today, you
might as well marry for love."
—Janis Page.

**GROUCHO SAYS, "Just a quick note
to say the NEW 1954 DE SOTO is
coming on Nov. 5th. Go see it at
your De Soto-Plymouth dealer ...
and tell 'em Groucho sent you!"**

From where I sit ... by Joe Marsh

**It's the Principal
of the Thing!**

Every autumn our High School
has a contest to see who can get
the most ads for *The Recorder*—
the school magazine. The winner
becomes honorary Principal for
a day.

Skip Roberts won last week,
and his first (and only) official
act as "Principal" of the school
was to announce in a loud, clear
voice: "I hereby declare today
a school holiday!"

Knowing Miss Gilbert, the real
principal, it was no surprise to
me that she laughed as hard as
anybody else ... and said to go
right ahead.

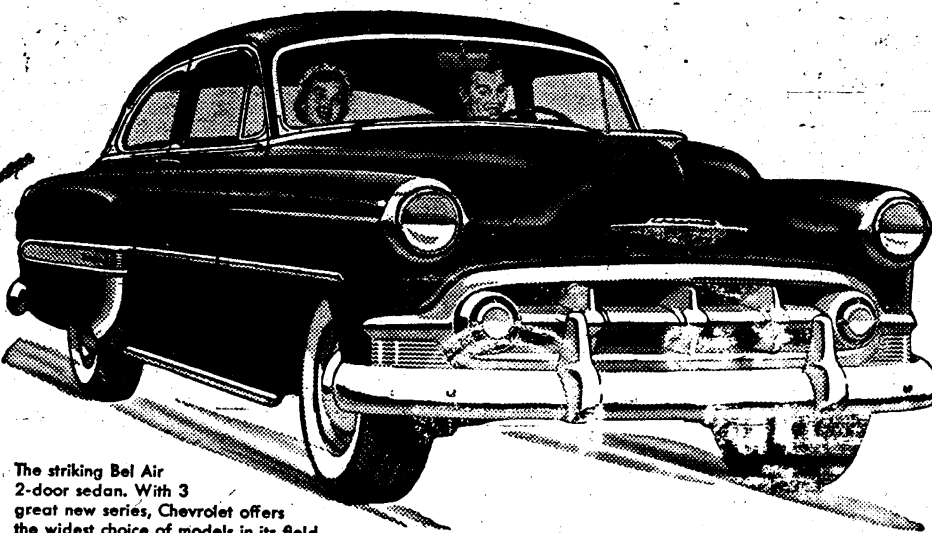

From where I sit, it's no won-
der our youngsters think Miss
Gilbert's such a wonderful per-
son (even though they know
they'll have to make up that
day). Her tolerance, her friendly
way with people of all ages re-
flect in everything she does. For
instance, at my house Miss Gil-
bert prefers tea but always re-
spects my preference for a glass
of beer. As a real person ... in
any community, Miss Gilbert be-
longs at "the head of the class."

Joe Marsh
