Teachers Discuss School Needs With Architect

On Wednesday, December 16th, Mr. Clark Ackley, architect for the Manchester Public Schools, met with the high school faculty for the purpose of getting the teachers' suggestions concerning the new high school.

It is Mr. Ackley's policy to first design our high school to fit the curriculum which will best meet the needs of the youth of the Manchester community, and secondly, to design each classroom and departmental area to meet the needs of our ever increasing high school enrollment. Each specialized area, such as industrial-farm shop, agriculture, homemaking, business education, science, library and physical education must be adequate to serve our future enrollments.

Mr. Ackley was pleased to receive the many practical suggestions offered by the teachers. It was evident that they had given considerable thought to the problem of what types of facilities would be best to teach the type and size classes we expect.

Early next month the architect will present his preliminary plans to the Board of Education for their approval. After the plans are approved, the Board of Education will set the date for the bond issue vote.

Ered Schaffer Escapes Injury as Car Tips

Ered Schaffer narrowly escaped serious injury when his car went out of control on an icy patch on Scheweis Road, crashed through three guard posts zig-zagged across the road and went through two guard posts and toppled on its side.

With the aid of Mrs. Don Uehaus who was passing, shortly after the accident, he managed to get out of the car. Other neighbors also aided Mr. Schaffer who seemed to be none the worse for the experience. The slow speed at which the car was traveling attributed to the little damage done to the car.

Service Men's News

Pvt. Richard F. Esslinger, whose wife, Peggy Jo, lives at 410 W. Washington, Ann Arbor, Mich., recently arrived in Korea for duty with the 7th Infantry Division.

Men of the "Hour Glass" division are undergoing intensive training to maintain the peak combat efficiency displayed by the unit from Pusan to the Yalu river.

Pvt. Esslinger entered the Army last June and completed basic training at Fort Knox, Ky. He is the son of William C. Esslinger, 2249 Grindley Pl., Dearborn, and Mrs. Florence E. Frisbe, 6612 Tuttle Hill, Ypsilanti.

Pvt. L. G. DeFreytas spent a ten-day furlough with his parents, Mr. and Mrs. L. G. DeFreytas of Hieber Road, Pleasant Lake. He reported to Fort Sam Houston, San Antonio, Texas for special training as a dental technician. The private had completed three years of Mechanical Engineering at Notre Dame, South Bend, Indiana, before entering the Army on August 27th. He received his basic training with the Medical Replacement Training Center at Camp Pickett, Virginia. Mr. Lud Brierling, a former roommate, and now a medical student at the University of Michigan, joined the DeFreytas family at an early Christmas dinner during Leo's furlough.

S. A. Dick Krzyzaniak has been discharged from the Hutchinson Naval Air Station, Kansas, after spending 23 months in service. He was stationed at Corpus Christi for some time after training at Great Lakes before being moved to the Hutchinson Naval Station where he remained until his discharge. He has returned to work at the Manchester Plant of the Ford Motor Company where he was employed prior to his service time. He is living with his mother, Mrs. Anthony Krzyzaniak.

Carolyn Leeman Crowned Queen At Holly Hop

At the third Holly Hop at Manchester high school sponsored by the seniors some four hundred people crowded into the gym to dance to the music of Johnny Harberd and his orchestra. The evening was climaxed with the crowning of Manchester high school queen.

The five girls were judged Friday afternoon at a high school assembly by representatives from Clinton, Saline and Manchester on the following: poise, personality, attractiveness, voice, school interest, activities and scholarship.

Carolyn Leeman, daughter of Mr. and Mrs. Sydney Leeman, was chosen queen and made her entrance through a huge silver bell as the orchestra played a fanfare. Joseph Schwab, president of the village, crowned the queen with a holly crown. She was also presented with a pretty bracelet and a dozen roses. Gordon Schultz, senior class president, introduced the girls of the court and crowned each with a holly wreath. They were June Leeman, Marilyn Breitmeier, Janice Klager and Janet Budnik.

Punch was prepared and served with cookies by Mrs. Sydney Leeman and Mrs. Lawrence Miller. Chaperons for the dance were Mr. and Mrs. Herman Schultz and Mr. and Mrs. Robert Masten.

Coming Events

The Sunday School of the Sharon Evangelical United Brethren Church will give a Christmas program at 8 p. m. Thursday, Christmas Eve. It is the custom at the church to take an offering for the benefit of the Flat Rock Children's Home, Flat Rock, Ohio. This will be taken up at this service.

Thursday, Dec. 29 the Comrade's Class of Sharon Evangelical United Brethren Church will have a dinner meeting at the home of Mr. and Mrs. Leonard Dayss at 6:30 p. m. There will be a gift exchange.

On Jan. 4-5 there will be a rural conference at Sharon Evangelical United Brethren Church at which time delegates and ministers of all rural churches of the Detroit District will be present. There will be three such conferences in the state during that week. The three District Superintendents of the Michigan Conference will also be present.

The Arbeiter holiday party will be Tuesday, Dec. 29, at the hall with a potluck supper.

Out of Bounds

— Father Tab
A little Boy of heavenly birth
But far from home today
Comes down to find His ball, THE EARTH.
That sin has cast away.

Oh comrades, let us one and all
Join in to get Him back His Ball . . .

O. E. S. Installation Friday

The Order of Eastern Stars No. 101, held regular initiation on Friday evening, December 18th, at which Mary and Russell Van Smith were taken into the chapter.

The next regular meeting will be held January 8th at 8:00 p. m. instead of January 1st due to New Year's Day.

Christmas

On that blessed night, the world was hushed with wonder, and hope arose anew for all mankind . . . Christ the Saviour was born. Today, we pray for His guidance, that we may find peace in our hearts and renewed faith in a world in which men everywhere shall live in good will and understanding with one another.

Main Street

By the way the snow is falling today there seems to be little doubt that we'll have a white Christmas—and a late weather report indicated that the white fluffy stuff will be piled up in drifts in some parts of the state by high winds and colder weather. Hard to believe that only this (Tuesday) morning the ground here was free of snow as rain pattered gently to the ground. The entire staff of the paper takes pleasure in wishing each and every one of you a Very Merry Christmas.

Out at the Pleasant Lake school, which is the only one in our area still having school, the school principal was telling us that one of the pupil's mother, Mrs. Raymond Tskylewicz of Lima Center Road, brought a gingerbread house to school for the children to have at their party on Thursday morning.

The "gingerbread house" is about a foot high and looks for all the world like one in the fairy tales. The door-stands part was open and the shutters at the windows are outlined in white frosting, which also marks off the shingles on the roof. Green and orange gum drops are used to make the shrubbery around the house and a gingerbread man and woman are out in the yard. The "yard" is another piece of gingerbread on which the house stands. This, too, is covered with white frosting. Round the whole house is a candy-cane fence. And on top of the house, making his way down the chimney is Santa Claus. The "gingerbread house" will be dismantled Thursday morning. Mrs. Tskylewicz made the pretty house for her young son, Raymond, a first grader at the school.

Mr. and Mrs. Leslie Chavez have graciously donated the Methodist Sunday school a piano for use in the junior department which meets at the church parsonage each Sunday morning.

On Sunday Mrs. Hattie Brown celebrated her 80th birthday when she and her daughter, Ethel, were dinner guests of her son, Mr. and Mrs. Frank Brown.

Our apology to Mr. Chas. Schor for the mistake in the classified ad section. The piece are selling for thirty-five cents a pound live weight.

Former Manchester Man Receives Order

Frater Leonard Way O. S. B., the son of Mr. and Mrs. O. M. Way 705 City Road, Manchester, received the order of subdiaconate during a ceremony in St. Benedict's church, Atchinson, Kansas, December 19. His Excellency, the Most Rev. Edward J. Hunkeler, archbishop of Kansas City in Kansas, conferred the order. During the same ceremony, six other members of St. Benedict's abbey received the subdiaconate, and one received the diaconate.

Frater Leonard was born at Grass Lake, Michigan, March 3, 1924. He received his early education in Manchester, and attended the Precious Blood Fathers' St. Joseph's college in Rensselaer, Indiana, where he was awarded the Bachelor of Arts degree, cum laude, with a major in English literature. After his freshman year in college, he served with the U. S. Marine Corps for three and a half years. He entered the novitiate at St. Benedict's abbey in September of 1949, and pronounced simple vows as a Benedictine monk, September 8, 1950. On July 11 of this year, he pronounced solemn vows. The tonsure and minor orders were conferred on him by the Right Rev. Cuthbert McDonald O. S. B., abbot of St. Benedict's abbey, July 30, 31, and August 1. Frater Leonard was appointed Registrar of St. Benedict's college with the opening of the present school term, and is completing his fourth year of theological studies.

Mrs. Mina Trolz, Mrs. Ray Johnson and Loren Trolz attended the funeral of Mrs. Hazen Bennett at South Lyon on Saturday.

Mr. and Mrs. George Bergman of Ann Arbor are planning to spend Christmas Day with Rev. Adolph Bergman and his mother, Mrs. Olga Bergman.

Businessmen's Bowling League

December 8

Team	T Pts.
Mary's Tavern	40
A/B C Service	39
K & W Farm Sup.	34
Spike's Mobil Service	33
Kappler's Contractors	31½
Short's Electric	30
Mann's	29
Klager's Hatcheries	27
Widmayer Sales	25
Carl Schaible, Inc.	23
Jan & Jim's	14
Double A Products	10½

Strange things happened in the Businessmen's Bowling League. Double A Products came up to grab 2 points from Short's Electric thereby earning a draw and getting the most points the Product bowlers have taken in a long time. The third game was won by 1 run by Double A. Herb Bersuder, 554 series, and Ralph Wurster, 509 series, for Short's were the big guns in this match.

Spike's Mobil Service trounced Jan & Jim's Grill for 4 points to continue their steady climb in the standings and are now in 4th place. Spike's team was led by John Dunny, Jr., 547; Robert Dunny, 525; Jake Trent, 522; and Don Rhees, 514; while Ben Evisizer, Jr., threw a 501 series for the Grill bowlers.

Mann's Millers tangled with K & W Farm Supply and came home with 3 points, but the Farm Suppliers remained in third place in the standings. Willard Mann, 541; and Dick Fink, 516 for Mann's led the way for the Millers.

A B C Service took 4 points from Widmayer's Sales & Service and moved into 2nd place in the standings, only 1 point out of 1st place. The Service men were led by Elwin Benedict, 568 series, which was high series for the night. Dewey Hartbeck, 518 series, and Ted Roberts, 502 series, while Earl Koebbe had a 527 series for Widmayer's Sales & Service.

Carl M. Schaible's Ford team got 3 points from Klager's Hatcheries as Norm Fielder, 558 series, Earl Bersuder, 553 series, and Duane Roller, 535 series, came through to lead the Ford team to the win, while Jack Weir had a 500 series for Klager's.

In the big match of the evening Mary's Tavern showed why they lead the league by downing a good Kappler's Contractors team for 4 points. Each team had 3 men crack the 500 series mark; for Mary's Tavern: Morgan Kern 535, Fritz Wurster 521, and Russ Wilf 515; for Kappler's: Speck Kappler 541, Homer Kappler 522, and Ed Galloway 521.

On Sunday, Dec. 6th, six teams bowled the games they should have bowled on Nov. 17th during

deer hunting season. A B C Service took on Carl M. Schaible's Ford team and got 3 out of 4 points. It must have been close to dinner time (2:00 p. m.) as none of the bowlers cracked the 500 series mark in this match.

Widmayer's Sales & Service jumped on Jan & Jim's Grill by taking all 4 points. In this match Larry Soldan for Widmayer's led the Service men to the win with a 538 series.

Spike's Mobil Service tangled with Short's Electric Service and Spike's came home with 3 points. The bowlers who were largely responsible for the win for Spike's were John Dunny, Jr., 544 series and Don Rhees, 517 series.

The bowlers who had a 200 game or better on both dates were: Herbert Bersuder 230, Earl Bersuder 225, John Dunny, Jr. 222, and 214, Elwin Benedict 213, Dewey Hartbeck 213, Earl Koebbe 211, Russell Wolff 210, Don Fielder 206, Norman Fielder 206, Homer Kappler 205, Jake Trent 203, and Don Rhees 201.

The leaders in the various departments remained the same: Mary's Tavern held 1st place in the league standings as well as high team game 1092; Kappler's Contractors have the high team series mark, 2727; Homer Kappler holds the individual high game 252 and high individual series, 632.

Women's Bowling League

—By D. Sutton

Team	W	L
Schaffer Lumber Co.	36	20
Lannom's	34	22
Manchester Drug	33	23
Carl Schaible, Inc.	31½	24½
Manches. Bakery	30½	25½
Uphaus Drug	23	33
Widmayer Hdw.	22	34
Hamilton's Mkt.	14	42

Competition is always keen when the two local "Pill Pushers" meet, and this was no exception! There was plenty of action, although we heard that it was more verbal than muscular! No quarters were taken and none given, and when the hassle was over the records showed a split with Manchester Drug still in 4th place and Uphaus Drug in 6th.

Carl M. Schaible, Inc. took 3 points from Hamilton's Market but it still wasn't enough to push their "Model T" out of that 4th place rut.

Manchester Bakery may have cooled off a bit but their temperature was still 3 degrees higher than Widmayer's Hardware and Furniture. Bakery stayed in the 5th spot while Widmayer's dropped out of a 6th place tie and into the 7th notch.

No records were broken but individually some of the girls did

all right. Those cookies from the Bakery went home with a good share of the honors. Birdella Flood had 4 consecutive strikes and a "double." Her teammates had a "double" and Mrs. Holstein picked up a 5-7 split. Shirley Bowen of the Schaible aggregation, and Elaine Steele of Hamilton's Market each took home a "turkey." Marian Fox and Joyce Schaffer of the Lumber Co. team each had 2 doubles and Joyce had a 513 series—Not Bad!! Doris Bersuder took the only prize for Widmayer's—a "double." Thelma Aiken of Uphaus Drug rolled 2 "doubles" and her teammate, Doris Sutton, picked up a 8-9 split. Lannom's Vera Schaible and Amanda Widmayer had doubles and Lena Riedel picked up a dandy split—7-5-10.

December 22

—By D. Sutton

Team	W	L
Schaffer Lbr. Co.	39	21
Lannom's Variety	38	22
Manchester Drug	35	25
Manchester Bakery	33½	26½
Carl M. Schaible, Inc.	32½	27½
Widmayer's	24	36
Uphaus Drug	24	36
Hamilton's Mkt.	14	46

High Team Single Game: Manchester Bakery 822.
 High Team 3 Games: Lannom's 2205.
 High Individual Single Game: L. Trent 221.
 High Individual Three Games: L. Trent 543.

Very little change took place in the league standings last week—in fact the only team to lose ground was Carl M. Schaible, Inc., who dropped from 3rd to 5th place when they lost 3 points to Schaffer Lumber Co. Schaible's fall automatically lifted Manchester Drug and Manchester Bakery into 3rd and 4th respectively.

Lannom's Variety walked the Hamilton Market team by 4 points. Manchester Drug and Widmayer's Hardware and Furniture split and Manchester Bakery took 3 from Uphaus Drug.

Thirteen of our number had games of 165 or better. Birdella Flood topped the list with a 180. Betty Schaible followed with a 176 while Shirley Bowen, Lena Riedel, Joyce Schaffer and Pat Soldan each had a 171. Amanda Trent was close behind with a 169.

Widmayer rolled a 170 and Lucy Edna Knauss and Irene Lomb both had a 168 and Francis Bersuder a 166. Both Jean England and Ann Pniewski rolled a 165.

Jean England was the only gal to snag a "turkey" during the evening but 13 of the others had doubles. Frances Bersuder led the pack with three while Lucy Trent and Irene Lamb each had two.

One more night of bowling before our holiday vacation and that one is a position night, so there should be something to talk about next week.

Christmas Programs End Semester

Holiday vacation for Manchester schools will begin at the close of classes on Friday, December 18th. Supt. Fred Atkinson noted that classes will again resume on January 4th. A program has been planned for the high school on Friday, December 18, at 2:15 p. m. in the civic auditorium. The Holly Hop Queen will be selected by mayors of various near-by towns at that time. Gale Koebbe will act as assembly chairman. Working on the planning committee were Jerry Ekin and June Leeman. The German class will sing several selections in German. At the conclusion of the program a visit from Santa Claus has been planned and he will pass out the gifts to students, assisted by members of the student council. The high school band under the direction of R. C. Sor-

tor, will play the accompaniment for the singing. Mr. Joseph Wiehr teaches German at the local school.

The fifth grade will have a Christmas party and program on Friday afternoon beginning at 1 p. m. All of the parents are invited. Mr. Waltz's room will present a play "The Pilgrim's Three Homes." Mr. Gillam's fifth grade will entertain with two plays, "The Christmas Fairy and Scrooge." "The Man on the Street" interviews Christmas Shoppers. Refreshments have been planned by Mrs. Edward Steele, Mrs. Homer Walter and Mrs. Tom Lockridge, who are home-room mothers.

The sixth, seventh and eighth grades are exchanging gifts and are having a Christmas party. Room mothers planning refreshments are: Mrs. Roy Knickerbocker for the sixth grade, Mrs. Densel Fuller for the seventh grade and Mrs. Charles Schebor for the eighth grade.

A survey indicates that fire losses in the United States will

exceed \$1,000,000,000 this year—the highest in our history.

C. F. EISENHAEUER and EMPLOYEES

Businessmen's Bowling League

There was some very nerve-racking and photo-finish matches in the Businessmen's Bowling League this last week. For example Spike's Mobil Service and K & W Farm Supply battled each other with the Farm Suppliers getting the first game and Spike's getting the second and third games. All games were close—then the total pins were added—both teams had the same amount of pins—2338. That gave each team one-half point so Spike's got 2½ points and K & W got 1½

points. Ken Kouba 511 series, and Al Simmons 505 series, for the Farm Suppliers were the only ones to crack the 500 mark.

Along came Kappler's Contractors and Widmayer Sales & Service who bowled to a draw—2 points apiece—on some very close scoring with the Contractors losing the first game by 15 pins, but winning total pins by the same amount. Lawrence Kappler 530, Art Golas 524, and Ed Galloway 523, for Kappler's and Hallie Ayres 513, for Widmayer's were the big guns in this match.

Mann's tangled with Double A Products in another close meeting

with Mann's getting 3 points, but not without a struggle. Mann's won the second game by 10 pins and total pins by 12 pins. In another close one Klager's Hatcheries took 3 points from A. B. C. Service. The Hatchers got total pins by 14 pins with Jack Weir 524, and Dick Wiedmayer 528, setting the pace for the Hatchery men's win. Dewey Hartbeck 564 series, and Le Roy Marx 549 series, for A B C's tried hard to keep their team in the match.

Carl M. Schaible Ford team rose up and struck down the league leading Mary's Tavern team for 3 points. The top bowlers for the Ford team were Earl Bersuder 508 series, Norm Fielder 504 series, and Duane Roller 502 series. Mary's team had two bowlers in the 500 series class—Morgan Kern 545 series, and Frisz Wurster 519 series.

Short's Electric Service jumped on Jan & Jim's Grill team for all 4 points. Nelson Short's had his first 500 series, 524, of the season to lead his team to the win.

Fritz Wurster, 231, Dick Widmayer 215, Hollie Ayres 225, Duane Roller 204, Norm Fielder 202, Morgan Kern 202, Ed Galloway 202, Nelson Short 201, and LeRoy Marx 201 were the good bowlers who had a 200 game or better. Mary's Tavern is the league leader yet, leading A-B-C Service in second place by 1 point.

Kappler's Contractors hold the high team series, 2727, and Mary's Tavern grasps the high team game mark, 1002. Homer Kappler has a good grip on high individual game, 252, and high individual series, 632.

Team	December 15	Points

Double A Products	11½

Sharon Extension Visits Santa's Helper

The Sharon Extension visited the Ann Arbor Santa Claus, better known as Albert Warnhoff, on Monday afternoon. They found that he has lived up to his reputation and has been a very busy Santa this year and has painted

more than 1500 toys. Included were such toys as a little white church to be used as a bank, the big rocking teeter, small and large table sets; a wooden train, kiddie cart and wagon, toys that would make any little boy happy. There were doll beds and cradles, as well as dolls for little girls. The Sharon Extension took stuffed toys and bedding for the doll beds as their donation.

The Ann Arbor Santa said that he has nine more trips to make before Christmas during which he'll distribute gifts to University hospital, Michigan Children's Aid Society and the Children's Aid Society.

The Sharon Extension hopes they will be able to do even more next year to aid in this charitable work and they wish a Merry Christmas to everyone who helped to make these unfortunate children happy for Christmas.

If there is anyone interested in contacting Mr. Warnhoff for suggestions as to what they might do his address is: Albert Warnhoff, 1315 Franklin Blvd., Ann Arbor, Michigan.

More than 1,500 toys have come off the workbench of Albert Warnhoff, Ann Arbor's "Santa Claus" this year, bringing to exactly 23,576 the number the kind-hearted carpenter has turned out in 50 years of following his Christmas hobby.

Warnhoff went to Lansing to take toys to children at the Michigan School for the Blind, thereby launching a busy two weeks during which he will hand out gifts to needy children. He was taken to Lansing by members of the Lions Club, which specializes in helping the blind.

Warnhoff, who is getting along in years, thought at one time that last year might be his last so far as toy-making was concerned, but changed his mind. And, since last Christmas, he has turned out a total of 1,570 toys, his biggest single year's output.

Through the years, organizations and individuals around town have enlisted themselves in Warnhoff's cause as "Santa's helpers," dressing dolls and doing other work. Many have donated money to help defray the cost of materials; some provide transportation as he makes his rounds; others have given him tools; still others

have bought toys to add to those Warnhoff makes.

It all adds up to an annual Christmas story that is Ann Arbor's own.

Neighborhood Self-Help Plan Offered As Cure For Juvenile Delinquency

Neighborhood "self-help" programs as a cure for juvenile delinquency were outlined before a Senate sub-committee by Mgrs. John O'Grady, an authority on youth problems. Testifying before a Judiciary sub-committee, he said that juvenile crime is not an iso-

lated problem but "is intimately bound up with neighborhood and community disintegration... Action by the people themselves to better their neighborhood is a surer cure than 'highly specialized services from the outside.'"

 December 31 8:00 p. m. New Year's Eve Service.

You are cordially invited to worship with us.

Christmas Cards

This poem was published in the Brooklyn Express on December 17 and we thought many of our readers would enjoy reading it. This year, I thought I wouldn't send so many Christmas cards. It seemed so foolish in a way. To send greetings to friends that we see every day.

This year, as usual, came out last year's lot. To see who remembered And who had forgot With solemn intent and purpose in view To reduce that long list And sort-out a few.

Do you think I could do it? Not a one could I find not precious to me. So I changed my mind. It just isn't foolish, how dare I think it such? Those greetings have meaning. We don't know how much.

Nature's a way of her own, for reducing our list. So let's keep it up—Is there some one we've missed? Many I find as I look through my cards. Have joined the ranks of the Saints in the stars. They are not sending cards this year. To friends they have known and all they hold dear. But have joined the ranks, with others they've loved

Will spend Christmas up there, with our Saviour above.

Each year they are fewer, as older we grow. Let's keep up the tradition and keep it aglow. Our holiday greetings mean more than we know. So once more to you Christmas greetings I send. And next year and next year, and next year dear friends.

—Bonnie Ingraham.

Iron Creek Farm Bureau Holds Christmas Party

The Iron Creek Farm Bureau held their Christmas party as the Iron Creek church parlors on Friday, Dec. 11, with about fifty present. Mr. and Mrs. Otto Feldkamp of Clinton were present and he showed pictures of Alaska which everyone enjoyed.

Local Briefs

Mr. and Mrs. Howard Kimble and family of Jackson spent Sunday with his mother, Mrs. Ralph Kimble.

Mr. and Mrs. Herbert Blumenhardt and son, Jimmy, of Clinton were Sunday visitors of her aunt, Mrs. Mary Galloway, and son, Ed. Mr. and Mrs. Leo Scully and family spent Sunday in East Toledo with her sister and husband, Mr. and Mrs. Otto Hoffman, where they celebrated Christmas prior to

the departure on Monday of Mrs. Scully's mother, Mrs. Grant Wirt.

Mr. and Mrs. Glen Bertke accompanied by their daughter, Mrs. Jack Kesby of St. John, were Sunday dinner guests of his sister, Mr. and Mrs. Charles Gormley and son of Toledo.

Mr. and Mrs. Harold Taft of

Hillsdale, Mr. and Mrs. Duane Churchill, Mr. and Mrs. Charles Steele and Mr. and Mrs. Ray Johnson spent Sunday afternoon with Mr. and Mrs. Herbert Johnson.

Mrs. Erwin Haessler and Albert Feldkamp went to Lake Okech on Monday to visit their sister, Mrs. Anna Burch, who is ill at her home.

Manchester's School Building Question Box

In January, voters of the Manchester School District will be asked to vote on a bond issue to build new school facilities to take care of the enlarged district. Numerous questions have arisen on details of the program. To clear up these questions, the Enterprise has sought the answers from the proper authorities. They are published herewith:

Question: How much will the building program cost?
Answer: The estimate is \$465,000. This includes not only the

cost of a new high school but the cost of the land, improvements to the land, and remodeling the present high school for use as a grade school building.

Question: Is this too large a program for Manchester?

Answer: No. Other communities are undertaking similar programs. The cost of our building program equals about 10 percent of our county-equalized valuation. Nine other towns have recently undertaken additions to their schools, and their costs run from 9.1 percent to 15 percent of their county-equalized valuations.

Question: How much interest will we have to pay on this \$465,000 debt?

Answer: Whatever interest is bid by the investment house that takes the issue.

Question: Will we have to pay four percent? That is the figure quoted in the Citizens' Committee report.

Answer: Probably not. Interest rates seem to be coming down on school bond issues. Recently Holland, Michigan, floated a school bond issue at under two percent,

and Albion raised money for its schools for less than two and one-half percent.

If any reader has other questions about the forthcoming school building program, he is invited to telephone the high school, 8-2341. The answers will be published from week to week in this paper.

Tie-Buying Tips

There'll be a happy husband in your home Christmas day if you've bought him a tie with an eye to his current wardrobe. To assure all men of this unexpected pleasure, the Wembley Fashion Council gives tips on the proper tie-buying procedure. Pick gray or maroon ties in solids, stripes or patterns for blue suit enthusiasts. Green or tan ties for men who favor brown suits, and green, blue or maroon ties for grey suit wearers. Better than giving a single tie is giving a wardrobe of ties with several ties pinpointed to his particular suit, or one to each of his various suits.

GOING SOUTH?

Fashion has decreed it's smart to be timely.

This season, whether you travel north or south, you'll find chic women wearing high-style Eternatic pocketwatches suspended on chains from their belts. Keynoting resort wear fashions these unique watches, with ball bearing-mounted winders, are precision timepieces that automatically wind as you walk. They have transparent backs that dramatize the watches' whirling mechanisms and are first-rate conversation pieces as well as timekeepers.

Telephone Co. Sets

For Yule Rush

The Michigan Bell Telephone Co. on Dec. 23 braced itself for the annual Christmas rush.

Extent to which Santa Claus will ride the long distance wires during the next 24 or 36 hours is indicated by the fact that never before have there been so many telephones. Michigan Bell has nearly 2,200,000—and they are being used at a calling rate highest in the company's 75-year history.

Company officials predict a 100 per cent increase over an average week-day. A full operating force is scheduled for duty Christmas Eve and Christmas Day. Every available long distance circuit is in readiness for what is traditionally the busiest time of the year for telephone people.

Operator dialing of long distance calls has been expanded this past year. New, modern switching centers will have their first taste of Christmas, making it possible for operators to dial more calls direct to their destinations in

many cities across the country.

In spite of its careful preparations and technical improvements, Michigan Bell advises of the possibility of delays on these holiday calls and urges its customers to place their calls early.

"Only Santa himself, with his remarkable, magical ways, could guarantee perfect satisfaction on every call. He seems to surmount all obstacles of time, distance, weather and special demands. But he hasn't been available for consultation on this matter," mused Michigan Bell's chief operator. "It's a busy time for him, too."

LOCAL BRIEFS

Mr. and Mrs. Anthony Sargenti of Dearborn were Sunday guests at the home of Birdella Flood. On Christmas Day Mrs. Flood, Mr. and Mrs. Laurel Breitenwischer and family and their mother, Mrs. Amelia Bentschneider, will drive to Detroit to be guests of Mr. and Mrs. Milton Breitenwischer. Other guests will be the Paul Breitenwischer family of Tecumseh.

Added Power, Performance Mark Chevrolet

The two-toned four-door sedan in the "210" Series typifies the new beauty and smartness of the Chevrolet line for 1954. The "210" Series is one of three cars and luxurious new interiors in striking color offered by the company in an array of 13 body models. Added power and chassis improvements, extension of the Powerglide automatic transmission option to all cars and luxurious new interiors in striking color harmonies are a few of the principal features.

More power, an extension of the automatic transmission option to all cars, and design revisions to accentuate the low, flowing beauty of the three body series high spot the 1954 Chevrolets.

The latest models went on display nationally, Friday, December 18. It benefits as well from restyled interiors, a wider choice of rich colors and color harmonies and chassis advances to assure quieter operation with increased performance.

Power brakes, adding safety and driving control, become optional for the first time in the low-priced field with the introduction. As still another "first" in Chevrolet's market, electric front seat and window lifts are also available. This convenience

provides passenger car comfort through push button control.

Again in 1954 Chevrolets will be powered by a choice of two engines, each more powerful and responsive than its 1953 counterpart. The 115-horsepower "Blue Flame" engine is used in gearshift models. An engine of 125-horsepower couples with the Powerglide automatic shift, now available on all cars, including the sedan delivery.

In appearance the 1954 Chevrolets have a longer, more rugged look. Designed for a broader, lower effect, the front bumper has been curved farther around the fender. The grille, bumper guards, parking lamps and hood ornamentation have been modified to conform with the new motif. Although the brightwork of the individual series profiles remains much the same, design touches at the rear re-emphasize the distinction of the line.

The power plant in the Powerglide option uses the time-proven valve-in-head six cylinder principle with 125-horsepower available at 4000 revolutions per minute. An innovation is the installation of high-lift cams and improvement in valve mechanism to make possible a freer intake of combustion mixtures and a more complete expulsion of exhaust gases. The result is increased breathing effi-

ciency at the same compression ratio of 7.5 to 1.

Improvements in valve mechanism were adopted not only to conform with the higher cam lifts but to make all parts stronger and more durable. Hydraulic valve lifters have been redesigned for more reliable operation. A composite camshaft drive gear, having an aluminum alloy ring, a synthetic rubber insulator and cast alloy iron hub, replaces the bakelite and fabric gear with steel hub. XCR alloy steel is utilized for exhaust valves for greater strength at high temperatures and resistance to scaling and pitting.

Another mechanical improvement in the Blue Flame "125" is applied to prevent stalling following cold starts. To allow for heavy acceleration demands during warm-up, the thermostat spring in the automatic choke has been stiffened and the vacuum piston increased in diameter.

Pistons are of the same lightweight type familiar in the 1953 Powerglide engine, but the piston pins have been offset, contributing to quiet operation under all conditions.

Smoother acceleration is provided by a carburetor change to afford a better balance in fuel mixture. The result is a double step in the fuel valving into the carburetor power jet which maintains peak efficiency in mixture during changing load conditions.

Barnyard Economics 1954 Model

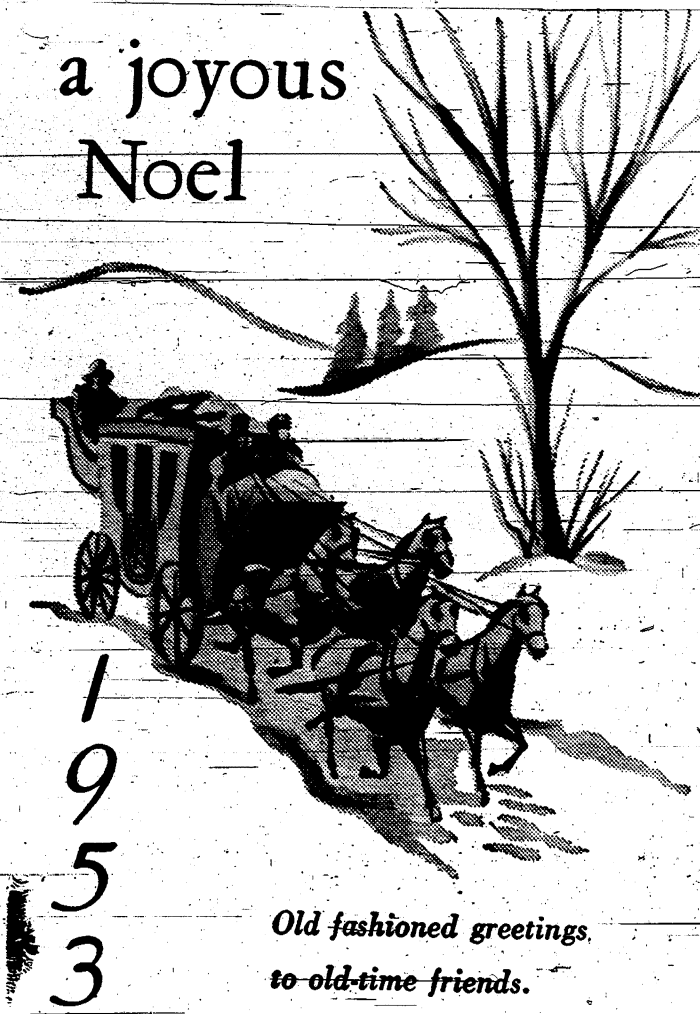

The current price-cost squeeze on farmers' net incomes is not expected to get worse according to Don Johnson, county agricultural agent. The farm price decline of 17 percent since June 1952 which has been accompanied by only a 3 percent in costs has resulted largely from a 30 percent decrease in exports and a high level of farm production. Farm prices, now at 52 percent of parity, are expected to remain in the range of 45 to 95 percent of parity for the foreseeable future according to Mr. Donth.

What farmers can do to ease this squeeze was discussed by Mr. Elwood and Mr. Donth, Michigan State College Agricultural Economists, at a meeting of Washtenaw county farmers on December 15th. The best squeeze-easers for most farmers are things that farmers can do in the management of their own businesses according to the economists. A high level of consumer income and government price support programs will combine to keep prices from going much lower but these things will not ease the squeeze.

Cars Collide on M-11

Two persons suffered injuries in an automobile collision on M-11 and Hibbard Road in the village Sunday about 11 a. m.

Mrs. Edwin Heussler, RFD 1, Clinton, riding with her husband, was taken to Herrick hospital at Tecumseh for treatment. Lewis Trolz of Manchester was treated by a physician for broken ribs and a shoulder injury.

Manchester deputy, Charles Schebor who investigated, said the car driven by Mr. Trolz made a left turn in front of the Heussler automobile. Both cars were extensively damaged, the officer reported. Mr. Heussler escaped serious injury.

Wilma Stark Wed In Church Rites

Wilma Jean Stark, daughter of Mr. and Mrs. William Stark, became the bride of Durwood William Beatty, son of Mr. and Mrs. John W. Beatty of Otter Lake, at a double ring candlelight ceremony performed at the Manchester Methodist church on Friday, December 18, at 7:30 p. m. by the Rev. Adolph Bergman.

Mrs. Wesley Proctor of Clinton aunt of the bride, played traditional wedding music and Leonard Stark of Pittsfield, brother of the bride, sang "O Perfect Love" and "The Lord's Prayer." A white Christmas tree stood at either side

of the altar and evergreens with white satin bows decorated each of the church windows.

Given in marriage by her father, the bride was attired in white satin and lace. The fitted bodice featured a sweetheart neckline with a Queen Anne collar and long tight sleeves which ended in points over the wrists. Sequins trimmed the bodice and collar. The full floor length skirt was of paneled lace and satin. A lace cap studded with seed pearls held her fingertip veil. Her pearl necklace was a gift of the bridegroom and she carried a cascade of white roses and ivy.

Miss Marjorie Stanke of Flint, roommate of the bride at Michigan State College, was maid of honor. Her strapless gown was of nylon net and satin over which she wore a matching satin jacket. She carried a colonial bouquet of pink carnations and a headband of shattered pink carnations completed her costume.

Miss Linda Reck of Manchester and Miss Lois Stark, sister of the bride, were bridesmaids. Their gowns were of coral and cotton blue respectively and fashioned like that of the maid of honor. Both wore headbands of shattered yellow carnations and both carried colonial bouquets of yellow carnations.

Mr. James Jessop of Byron served as best man and, seating the guests, were Julius Barth of Detroit, John Proctor of South Lyon, and Richard and Douglas Stark, brothers of the bride.

Following the ceremony a reception for 150 guests was held at the church hall. Mrs. D. A. Beatty of Detroit, aunt of the bridegroom, cut the cake assisted by Mrs. Charles Barnsdale of Trenton and Mrs. Floyd Proctor of Grass Lake. Serving were Mrs. George Dinius of Tecumseh, Miss Patricia Hazen of Manchester, Miss Frances Pidd of Dexter, Miss Patricia Beatty of Detroit, and Miss Nancy Proctor of South Lyon. The Women's Society of Christian Service had charge of the kitchen.

After a brief trip they'll be at home in East Lansing where they are both students. The bridegroom is a graduate teacher's assistant and is working on his masters degree. The new Mrs. Beatty is a Junior at Michigan State College and a graduate of Manchester high school. She is a past member of the Tower Guard of M. S. C.

For the wedding the bride's mother, the bridegroom's mother, the bride's aunt and the bridegroom's aunt all had corsages of pink

carnations. Among the guests was the bridegroom's grandmother, Mrs. Frank Beatty of Pleasantville, Pa. and the bride's grandparents, Mr. and Mrs. Harvey Proctor and Mr. R. P. Higgs of Trenton.

Shakespeare Christmas Party

The Shakespeare Club held their annual Christmas party at the home of Mrs. Martin Keasal with a three course turkey dinner being served at 1 o'clock by the committee.

There were games and contests and a gift exchange to round out the pleasant afternoon.

Those assisting the hostess were Mrs. Lenore Chavey, Laura Palmer and Grace Bunney.

The next meeting will be with Ella Kern January 5th.

Mrs. Elizabeth Trolz Celebrates 85th Birthday

Mrs. Elizabeth Trolz was guest of honor at a potluck birthday dinner party given at the home of her daughter and husband, Mr. and Mrs. Irving Kuhl, on Sunday evening. The occasion was her eighty-fifth birthday. Those present were her five sons, Mr. and Mrs. Clarence Trolz, Mr. and Mrs. Ray Trolz, Walter Trolz of Manchester, Mr. and Mrs. Elmer Trolz of Sharon, Sidney Trolz of Grass Lake, her daughters Mrs. Oscar Shonsheck and husband of Brooklyn, Mr. and Mrs. Irving Kuhl at whose home the dinner was held, and her three sisters, Mrs. Amelia Kemmer, Mrs. Anna Weyer and Mrs. Ralph Kimble, and her brother, Albert Wipert.

Is There A Santa Claus?

Because we have found no better answer than this we trust that maybe you too will wish to read once more the reply that F. P. Church wrote to a letter received as follows:

"Dear Editor: I am 8-years old. Some of my little friends say there is no Santa Claus. Papa says 'If you see it in The Sun it's so.' Please tell me the truth, is there a Santa Claus?" Virginia.

The reply to that letter is now a classic of American Yuletide literature, first published in the New York "Sun" on September 21, 1897.

"Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except they see. They think nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

"Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

"Not believe in Santa Claus? You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but

that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

"You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the eternal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

"No Santa Claus! Thank God he lives and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood."

South Lyon Defeats Manchester

Standings				
Team	W	L	P	Pct.
Pinckney	2	0	0	1.000
South Lyon	1	0	0	1.000
Hartland	0	2	0	.000
Manchester	0	2	0	.000

Manchester's Dutchmen found 30 points not quite enough as the Dutchmen bowed, 31-30 to South Lyon for the former's second straight one-point defeat in loop play.

Ed Goodrich hit on the first of two free throws, with two seconds left, to provide the victory point after Barney McIlvoy's charity toss at the 10-second mark knotted the count at the 10-second charity toss at the 10-second mark knotted the count at 30-all, Goodrich led the winners with 11 points and McIlvoy had 10. Ray Mitchell and Harold Dresch had eight each for Manchester. Free throws proved a Dutchmen bugaboo throughout as they cashed but two of their 18. In second-team play, Manchester was a 55-18 winner.

Lt. Forrest Cathey arrived Sunday evening from Barksdale Air Force Base, Louisiana to spend a ten-day furlough at the Cathey home.

Mr. and Mrs. Charles Lee of Detroit came Sunday to visit the Ed Kirk family and other relatives a few days and to attend a family Christmas party at the Ed Kirk home Sunday evening.

See It And Believe It!

BELIEVE IT OR NOT, this is a motel! And it's at Palm Beach, Florida, the mecca of millionaires. Thanks to the development of motels, you no longer have to be fantastically wealthy to enjoy the most fabulous part of Florida. And the motel accommodations are amazing. For example, the "Sea Breeze", above, the newest motel in the Palm Beach area, has built-in air conditioning in each room, a fresh water swimming pool, 500 feet of ocean beach, individual patios, sports facilities, Continental breakfasts, and a unique observatory, so the guests can take under water pictures. And it's a motel!

Christmas Greetings

Even as the Star guided the three wise men to Christ in Bethlehem, so may we find Spiritual Guidance in the age-old message of Christmas along with renewed courage to work steadfastly for a world of peace and mutual understanding.

SERVICE ROOFING COMPANY

Joyous Greetings

As brightly as the Star of Bethlehem on that Holy night, may the true spirit of Christmas shine in your heart at this holiday season and always.
