# FAIR TIME

Its fair time! In Manchester the annual community fair opens on September 2 and concludes on September 5th. Like in Chelsea, Saline and other surrounding towns and villages, its the time that children plan on to have their chance to go on rides, the ferris wheel and merry go counds. Its the a bit easier. time, too, when farmers take a few hours off to compare notes with their neighbors, not only talking about the farm work, seeing the new type of farm machinen but also seeing some of their neighbor very best efforts in farm produce, garden truck, grain,

modes enc For many years Manchester has had a fair. But back in the twenties it was an agricultural display, held at school, after it opened in the fall. Teachers and students worked together putting on exhibits of all some to best show off Johnny's and Surje's very best efforts. There were some very talented exhibits too, for teachers, such as Nellie

Acheron, had a real flare for art and many of the exhibits in her good ilies "attawatts" va doub uncom be remembered by her students and those who came to see them. In the early days of the fair the homemaken event the summer canning and making perserves. same and feilies to fill their winter storehouse and when they canned they kept in mind the coming fair and young daughters were asked to bein so that they too could take

exhibits to the fair. The baked

south display were the early of

But times charged. There are still time displays of cannot goods but the numbers have decreased nd gaiged on elabolite tist ins more entries this year. The fair became a community project. R. C. Merithew was the fair president in 1980 and 1981. He was particularthe interested in promoting a horse show. This was very understandable as he more? Oklahoma Ranch.

This was the time that Manchester started having concessions at the fair. It is sometimes bett क नार्थंड के किया विकास की निर्माण की that Merithew was president of the Fair Roard were mady ones. The their was in debt, but the case was good. It hought cometing special क्ष क्षेत्रक श्राम और कुरमा है के मान phere. These were the red letter केंग्स को दोन करन होता हो। दोन दोनोंनेrea of the area. 96 YEAR NO. 35

**NEW TEACHING** 

MATERIALS AT

SCHOOLS

ENTERPRISE

YOUR OWN HOME TOWN NEWSPAPER

SEPTEMBER 3, 1964 MANCHESTER, MICHIGAN

Materials have been acquired this summer for use on an experimental basis in some classrooms to individualize the s pplementary reading program. This, along with most elementary class loads under thirty children, helps alleviate the needs for individual instruction formerly handled by a way now and conclude October 2. remedial reading teacher. Since reading is such an important factor in the overall school proworking day, from 8 a.m. to gram and educational development 4:30 p.m.

sufficient materials to each teach- wheat program is not automaticer to aid her in the teaching of goal, according to Ted Tapping,

coming at a rapid pace in the country. The local board of education is working with the teachers and administration to keep pace with the times. A total request of over \$19,000 for science, math, etc. was submitted to the Federal Government under the National Defense Education Act. Approval is

expected later this fall, at which time many new pieces of science equipment for elementary and secondary grades will be pur-

Included in this equipment will be maps and globes, zoology charts, anatomical charts, botany charts and science charts.

Educational television will be included on an experimental basis too. Approximately half of the total amount will be paid by the government: the remainder will come from the one mill extra voted tax, approved by the district last June.

CELEBRATE GOLDEN ANNIVERSARY

re than 150 guests signed the guest book for the open house evening at Emanuel Church Hall for Mr. and Mrs. Edward n their golden wedding anniversary celebration. The couple t 511 Furnace Street, Manchester. The party was planned in conor by their children. A daughter, Mrs. Tom Iwanicki of and agranddaughter, Ann Dayss of Manchester poured. One attendants of fifty years ago, Alfred Reimold, Bridgewater, r of Mrs. Dayss was present and also at the affair was the nd of the other attendant, Mr. Arthur Grau of Chelsea. Cities ented by signatures of guests in the guest book kept by a laughter, Cathy Dayss were Evart, Mt. Clemens, New Balt-Ann Arbor, Jackson Jasper, Detroit and Manchester. The received a host of anniversary cards and lovely gifts.

#### WHEAT PROGRAM UNDERWAY FOR SIGNUP

The signup for the 1965 wheat program is now under way at the ASCS County Office, Max M. Kalmbach, Chairman, Agricultural School opens September 8 with Stabilization and Conservation County Committee, has announced Students come in at 1:30 p.m. On Roy Marx and Harry Sutton. The signup will extend over a period of about 5 weeks, is under Applications to take part in the program may be filled out any

The Chairman emphasized that participation in the voluntary the signup is the first step to qualifying for any of the program's high school first marking period benefits. Participating farmers can will end November 25. The eleintegral part of accomplishing this get about the same returns from mentary and junior high school from the 1964 program, and may week marking periods this year, niques in the educational field are will enable many producers to adapt the program more closely to their farming operations.

Growers who are interested in any of the program's new provisions should ask how these would affect their operations at the time of signing up/ These new provisions include substitution of wheat for feed grains or feed grains for wheat in the division program, the establishment of an oat-rye base for the farm, and overseeding the wheat allotment

and storing the excess under bond Growers will qualify for a price-support loan and for market ing certificates by keeping within Fair at the PTA booth and parents the farm wheat allotment for the participating farm and for any other farm in which they have an take out a membership in the interest, keeping within all other Parent Teacher Association.

allotments set for the participating farm, diverting an acreage equal to at least 11.11 percent of the farm allotment to an approved conserving use (in addition to the farm's conserving base), and meet- Washtenaw County Library has

Loans will average \$1.25 per bushel nationally. Domestic certof the allotment's normal pro-

duction). under prorduce his allotment by at All residents was Washtenaw acres to approved, conserving uses. These payemnts will be based on 5 - percent of the county price-support loan rate and the normal vield for the farms.

#### VACATION BIBLE SCHOOL

Mrs. Robert Little and Mrs. Anton Schlosser are in receipt of letter from the World Council of Christian Education and Sunday 3chool Association that they are very thankful for the \$43 check they received from the Manchester Summer Vacation Bible School.

The leaders said that before the school concluded they took up a collection to be sent in so that Bible pictures and information could be sent to missionaries who sadly need this type of material so they can carry on their work. There were 150 or more children enrolled in the summer program here which they believe

was a very good representation during the six week summer Leaders said they knew the ones contributing would be glad to

know their offering has been re-

LOWER FEED COSTS. In a high energy ration, such as a full feed of corn, new ures supplements help cut feed costs. One is Purdue 64. The 1,000-pound formula consists of 250 pounds of molasses, 221 pounds of ures, 104 pounds bone meal and 35 pounds lodied salt, plus vitamin A, sinc and cotalt. Even though additional grain is required to furnish energy lost by feeding ures one may save 3c per day per steer.

may save at per day per steer.

BATCH-IN-BIN DRYING, If your harvest volume will be too large for economical drying with an in-storage system, a conversion to a batch-in-bin system may be in order. Since grain is batch dried in one bin and moved to auxiliary bins, you'll need a larger burner to step up heater capacity augers to move grain after drying, and distributors at bin tops. Material cost conversion of an 18-foot in-storgae bin is about \$410 and for a 27 footer, \$800.

DAIRY BREEDING DESERVES MORE DAIRY BRZEDING DESERVES MORE ATTENTION. Minnesota scientists say genetics account for only about 10 per cent of the difference between dairy herd milk production everages. This does not mean breeding is less important, but means farmers have been doing a better job of management. With a sound breeding program, you should improve herd milk production by at least 1 per cent yearly. Remember 10 per cent is only an average, breeding in your herd may make up a higher por-

CARBURETOR ADJUSTMENT, Engineers estimate that 10 per cent of all petroleum fuel burned on the farm is wasted by faulty carburetor adjustment. following your operator's mannual.
