Groups and individuals who for any reason don't want to buy the posters prepared by the state committee are urged to make their own.

The 1966 emblem features a Mackinac Bridge Tower and three soaring sea gulls and incorporates the Michigan Week Theme, "Michigan—Dynamic in World Progress."

For the first time in 13 years the robin is absent from the posters and other materials, Paul Penfield of Detroit, General Chairman of Michigan Week, said there was no intention of belittling the robin, the state's official bird, but the new emblem was selected as the ideal one from a number submitted to the state committee.

The materials are in blue and green. This year the selection is the largest ever offered by the state committee.

Another innovation this year is the offering of special kits which have been assembled at the suggestion of state trade associations to fit the needs of retailers and other businesses, institutions, and organizations.

The selection includes posters in three sizes 8 x 12 inches; 22x 20 inches, and 36 X 60 inches. There are tent cards for use on tables, counters, and desks, and stand-up counter cards. Product cards have been designed for retail retailers with space for imprinting, especially for the promotion of Michigan products.

C catalog order sheets with complete information and prices may be obtained from the Michigan Week state office, 520 Cherry St., Lansing or from the county or community Michigan Week committees.

Robert Yelvington, of the Michigan Public Relations Board, directed preparation of the promotional materials as the Board's Deputy chairman for advertising and promotion. He is vice president and secretary of Capital Advertising, Lansing.

Girls' State is seven days of intensive instruction and practical governmental procedure, interspersed with some social activities. But this is not a social session.

Each girl will be assigned to a "City" where self government will prevail. Elections for "City" officers will take place followed by the election for county and state offices and representatives.

One of the primary objectives of Girls' State is to stimulate girls to take a deep interest in the development of home and community life. The members of the American Legion Auxiliary hope that Girls State will inspire the girls of today in such a way to become better citizens for the nation tomorrow.

Mayor and Mrs. James Hausmann and councilman and Mrs. Chester Decker

Everywhere in Michigan these days, people are talking and living the glories of their state. May 15-21 is Michigan Week. Manchester is no different than any other community and everyone is buzzing around as the final plans are being completed so that there will be no hitch in the plans for mayor exchange.

This is the 13th annual Michigan Week, climax of a year-long education and promotion by an army of volunteers selling Michigan to itself and to the world.

Manchester's former village president, Eugene Bentschneider and Ted Roberts were pin-pointed for the job of entertaining the visiting mayor from Three Oaks.

The co-chairman are contacting the churches in the area to have the clergy start Michigan Week by having special mention made during the Sunday services of this special week.

Mayor and Mrs. James Hausmann and councilman Chester Decker and his wife and their Mayor Exchange chairman are planning to meet Mr. and Mrs. Ted Roberts, and Manchester's mayor and Mrs. Gale Koebbe and Village Clerk Lyle Widmayer and his wife at Marshall for dinner on Sunday.

Before 38-year-old Mr. Hausmann became mayor of Three Oaks two years ago he served three years as councilman. His wife, Dorothy plans to accompany him here. The Hausmanns have three children, a fourteen-year-old daughter and two sons, twelve and five.

Bright and early Monday morning the Roberts and Bentschneiders will escort the visitors back where the entire day has been planned for their entertainment.

First there will be a walking tour of the Main Street and meeting of the merchants. This will be followed by a luncheon at Schumms. Before returning to the village there will be a visit to the Chrysler Proving Grounds, then back to Manchester and the men will stop off at Double A, Hoover Ball, Manchester Plastics, Manchester Stamping and Manchester Tool & Die plants where they will have an opportunity to see the factories in operation.

It is thought that maybe the ladies might enjoy a trip to the library, the schools and churches during this time. Just what the plans are wasn't exactly mapped out at press time.

But before going to the Knights of Columbus hall for a cocktail hour and dinner, the visitors will be invited to stop at the Joe Fitzgerald home to freshen up. Fitzgerald and Ray Tirt are in charge of the ticket sales for dinner which is open to the public. Tickets are to be purchased in advance.

Bentschneider said that during Michigan Week the restaurants will be using special Michigan Week place mats. The theme this year is "Michigan—Dynamic in World Progress."

Every citizen is expected to take part in Michigan Week, wherever he is and in any way that comes naturally using the occasion to learn more about the state, its people and places and to join in selling the advantages of Michigan to people everywhere.

This year families have been urged to have one important meal during the week made up entirely of Michigan foods.

Every church is expected to observe Spiritual Foundations Day Sunday, May 15 with recognition of the early history of the church and the part which the faith it represents has played in the development of Michigan.

Each day is a special day: Monday, Our Government Day; Tuesday, Our Heritage Day; Wednesday, Our Livelihood Day; Thursday, Education Day; Friday, Hospitality Day, and Saturday, Our Youth Day.

Roses Arrive From Okinawa

It isn't every day that residents here go to the mail box and find a box of roses! Last Friday Mrs. Lyle Moore of 10894 Sharon Hollow Road went to her mail box to pick up the mail.

Hanging on the box was a light weight parcel which had been sent from her son Pfc Gordon Moore who is stationed with the Marines in Okinawa. The airmail package contained a dozen dark, red roses, an orchid corsage and a lovely card which was signed in her son's hand writing.

Mrs. Moore said it was surprising how well the roses had kept the two days in transit. The roses were her Mother's Day gift from her son.

WED IN DOUBLE RING CEREMONY

Mrs. James Hartmann

Baskets of white glads and snow flowers decorated the altar at the Emanuel United Church of Christ on Saturday for the wedding of Linda Goodell and James Hartmann.

The double ring ceremony was read at 7:30 p.m. by the Rev. Ralph Kuehner.

Parents of the couple are Mr. and Mrs. George Goodell and Mr. and Mrs. Douglas Kennedy, all of Manchester.

For her wedding the bride chose a floor-length gown of angelic tulle with a detachable chapel train. The icy, beaded neckline was outlined with applique of ice-embroidered lace.

Miss Diane Dresselhouse of Manchester, cousin of the bride was the maid of honor. Miss Shirley Patus of Manchester was the bridesmaid.

Both grooms were of floor length acute nylon chiffon over tulle with square necklines and bell sleeves. The gowns were styled with empire waists.

When the couple left on a short wedding trip the bride was wearing a light green beading-bone suit with beige accessories.

Mr. and Mrs. Hartmann are both graduates of Manchester High School. The bride is a graduate of Cleary College and is employed at the University of Michigan. Her husband is a student at Michigan State University.

COUNTY 4-H SHOW SUNDAY

The annual Washtenaw County 4-H Horse Show will be held Sunday, May 15 starting at 10 a.m. at the Rural Activities Center, Ypsilanti or thine.

This is held in conjunction with the Cooperative Extension Service. All riders in the show must be 4-H members in Michigan and proof of 4-H membership. There will be 19 classes and entry fee is 75 cents in each class. R. J. McKenzie of Ypsilanti is the show chairman.

A high point trophy will be awarded to the highest scoring Junior and Senior rider of the day and it is estimated that 150 4-Hers will be entering competition during the show.

Six plaing resets will be awarded to the top riders according to placings given by the judges. Miss Laura Wilson of Detroit will judge the English classes and Richard Forbush of Dearborn will judge the Western and Fittings and Showmanship classes. Doug Cline of Ann Arbor will be the ring master and Bruce Avis of Ann Arbor will announce the show.

The profits from the show are to finance the 4-H horse study trip to Kentucky for 35 4-H horse project members and leader expenses. The County 4-H horse judge's fees are also financed by profits from this show.

Questions regarding the show and listing the classes may be obtained by calling 663-7511, extension 227.

There are 185 boys and girls enrolled in the Washtenaw County 4-H Horse project. Last year there were 110 youths.

Increased interest in horses is being shown throughout the entire county with both urban and rural families participating in the program. Both English and Western riding are popular and 4-Hers learn about riding and showmanship and horse care.

The largest club in Ann Arbor is the Superior with 35 members. Mr. and Mrs. Clinton Fisk with the Sharon Valley Saddle Club and Knowlton Brown of the Hoot 'n' Holler Club are involved with members from Manchester, Saline and Tecumseh.

In Dexter area Mrs. Doyle Ross and Mrs. Donald Allen are leaders of the Hedge Hoppers Club. The HI Horse Club led by Allen Geer and Ben Conklin is also in that area.

State Police Caution Boaters

Early season boaters in Michigan are advised by the State Police to take double precautions against upsets and other type of water accidents because of an increased exposure threat.

Experience has shown that cool spring weather appreciably lessens survival chances for boating accident victims even if lifesaving devices are worn.

Boaters are urged to match motor horsepower to boat size, to avoid overloading boats, to watch for sudden changes in weather and heed storm warnings and to follow all boat safety rules.

The caution was coupled with a report that the State Police underwater recovery squad is now up to full strength of 40 for the 1966 water activity season.

Boaters are assigned to 29 posts throughout the state.

Assistance in water accidents can be obtained by notifying any State Police post or other law enforcement agency.

The State Police divers are all certified American Red Cross water rescue instructors. Each is fully equipped for underwater searches, including lights. For Assignments under special conditions the department has available amphibious trucks based at East Lansing headquarters and Brighton.

Michigan's water accidents in 1965 took the lives of 245 persons and injured 235 others.

Library News

A special display of books is featured at the Township Library this month. Adventure and suspense novels such as Ian Fleming's "From Russia, With Love" and "The Senties" by Ed McBain are available along with historic novels like "Rabble in Arms" and "Northwest Passage" by Kenneth Roberts.

Other favorites are "The Minister and the Choir Singer", a significant account of the brutal and mysterious murders of the Rev. E. W. Hall and Eleanor Mills in New Jersey.

"The Naked and the Dead" by Norman Mailer and "Mr. Roberts" are both World War II novels. In "Hunting Anyone?" Syd Hoff zeros in on the gun set and sends the reader recolling with laughter.

The purpose of this display is to get more men to read library books.

The library is open Wednesday nights and Saturday for the convenience of those who can't come in during the day.

Hundreds of books are being processed for a book sale in June. These are books that are in fair condition but are still good reading in spite of wear and tear.

Books are also being accepted for the book sale from anyone who wants to clear off a book shelf or clean out an attic. Proceeds will be used to purchase children's books.

Mrs. Anna Schill donated a lovely old leather bound book printed in 1877 called "THE Animal Kingdom" to the Historical Room recently. Any books, pictures, newspapers or other items are always a welcome addition to the historical collection.

Richard Spaford brought in eleven record albums to add to the library's record collection. Among them are Fred Waring and the Pennsylvanians. The library also has a portable phonograph which may be checked out on the same basis as books.

Visits Here

Mr. and Mrs. Ed Riedel and grandson David LaGosh of Jackson were Sunday guests of Mr. and Mrs. Clarence Fielder and family.

LOCAL GIRL SELECTED IN TOP 40

Bonnie K. Burkhardt, daughter of Mr. and Mrs. Lorenz Burkhardt of 14481 Pleasant Lake Road, has been selected as one of the top 40 of the freshman girls at Michigan State University.

On May 1 Miss Burkhardt was tapped for "Tower Guard", a sophomore honorary, at the annual "May Morning Sing" held at Beaumont Tower on the MSU campus. This ceremony consists of the

presentation to the public of the pledges' names. "Tower Guard" has 40 members chosen from the 100 girls who have the highest grade points in the freshman class. These 40 members are chosen by their excellence in character, leadership, scholarship and service.

Miss Burkhardt, a freshman pursuing a study in the social sciences, has a 3.84 grade point on a 4-point scale. She is a member of Standards' Board at West Wilson Hall for next year.

The purpose of "Tower Guard" is to be of service to the MSU Community and to set an example for MSU students. Two traditional services of "Tower Guard" have been reading to the blind and ushering at graduation.

On May 5 Bonnie attended the annual reception for "Tower Guard" at Cowles House, the residence of President and Mrs. John A. Hannah. Mrs. Hannah served as hostess by supplying background materials to the 40 girls and by leading a tour of Cowles House.

Miss Burkhardt has also been selected to the honorary sorority, Alpha Lambda Delta, which is reserved for sophomores with a grade point of 3.50 or better.

Returns From Florida

Mr. and Mrs. Herman Braun have returned to their home here after spending the past five months at their home at Deerfield Beach, Florida.

COMEDIAN BERT LAHR TO STAR IN 'THE BIRDS' AS YPSILANTI GREEK THEATRE OPENS

Ypsilanti, Michigan-Bert Lahr has been engaged for the starring role in "The Birds", Aristophanes' brilliant burlesque of Greek mythology, the Ypsilanti Greek Theatre has announced.

The comedian, acclaimed as the last of the great clowns' will play Pishetairios, who is sick to death of the bureaucratic middle, high prices and taxes of his native far-exhausted Athens, and is determined, along with his friend, to come to the domain of the birds where he can live in peace.

"The Birds" is the second production of the 1966 Festival of the Greek Theatre. It will open June 9.

A lusty satire resembling Broadway musical comedy in spirit, "The Birds" will be presented in repertory with "The Oresteia" of Aeschylus through September 10.

Mr. Lahr joins Dame Judith Anderson in the vanguard of artists who will perform for the Greek Theatre's inaugural season. The famous tragic actress will star as Clytemnestra in "The Oresteia", opening June 28. It will be the only production ever mounted in America of this, the only complete trilogy surviving from ancient Greek times.

As the opening dates indicate, Miss Anderson and Lahr will be launching, a day apart, the YGT's season of Greek drama in English in a professional repertory basis-production venture never before undertaken.

They will perform in Walter O. Briggs Baseball Stadium on the campus of Eastern Michigan University.

Mr. Lahr has ventured during his lengthy career into every branch of show business, and he has triumphed in each new undertaking.

At fifteen, through the prodding of a neighborhood pal, he answered a newspaper advertisement to become part of "Nine Crazy Kids," a "school act" popular in vaudeville at that time.

Subsequently, Mr. Lahr graduated into burlesque, when the emphasis was on laughter and the comedian was king. Harry Delmar brought him to Broadway for the first time

in a revue called "Delmar's Revels."

He continued to find public favor in such stage successes as "Flying High," "Hot-Cha," "Life Begins at 8:40," "George White's Scandals," "The Show is On" in which he introduced the famous woodchopping song, "DuBarry Was a Lady" in which he dueted "Friendship" with Ethel Merman,

"Seven Lively Arts" opposite Beatrice Lillie and "Burlesque," which his portrayal of Skid demonstrated as a dramatic actor.

He followed a long run in the musical revue "Two on the Aisle" with a distinguished performance in Samuel Beckett's tragi-comedy "Waiting for Godot."

The American Shakespeare Festival asked him to guest star in their national repertory tour of "A Midsummer Night's Dream" as Bottom and "The Winter's Tale" as Autolycus. His most recent Broadway appearance was the revue "The Boys Against the Girls," in which he was joined by Nancy Walker.

Mr. Lahr's foray into films was made in an opus entitled "Faint Heart" shortly after his first Broadway success. But it was not until he moved out to Hollywood several years later to co-star with Judy Garland in "The Wizard of Oz" as the Cowardly Lion that he achieved the fame before the cameras that he had already won behind the footlights. To date he has appeared in almost thirty motion pictures.

Mr. Lahr enjoyed a particularly happy association with the television series Omnibus, starring on six segments including Shaw's "Androcles and the Lion," Moliere "School for Wives," and a memorable "History of Burlesque," written especially for him by S. J. Perelman.

Navy Nurses to Celebrate 58th Year

The United States Navy Nurse Corps will celebrate its 58th anniversary Friday, May 13 in recognition of the importance of Navy Nurses to national defense and our way of life.

Gov. George Romney has proclaimed week of May 8-14 as "Navy Nurse Corps Week" throughout the State of Michigan and has urged the citizens of Michigan to support the Navy Nurse Corps in its mission, its goals and traditions.

The proclamation was in answer to an appeal by Commander Ruth Pokoy, a Navy Nurse, who recently returned from a tour of duty in South Viet Nam.

And since their inception 58 years ago, the Navy Nurse Corps has grown from a small elite group affectionally known as "The Sacred Twenty" to their present strength of over 2,000. They have served their country well in World Wars I and II, in Korea and now, once again, they serve aboard hospital ships and field hospitals in Viet Nam rendering care and comfort to our fighting men.

Spring Luncheon at Dearborn Inn

The annual Spring Luncheon for members of the Twentieth Century Club and their guests was held Saturday at the Dearborn Inn.

More than thirty gathered in the Greenfield Room for the affair. Planning the party were Mrs. R. C. Kerr, Mrs. Roger Hardenbergh and Mrs. Charles Cresswell.

Miniature baskets of tiny spring flowers marked each table sitting. A Style Show by a Detroit Fur Shop and a Dress shop climaxed the entertainment.

Predict UFO Reports During Beetle Spray Program

Reports of unidentified flying
 objects may be common through-
 out southwest Michigan during the
 next two or three weeks, according
 to a Michigan Department of
 Agriculture official.

Strange balloons, low-flying
 aircraft, and a flashing light hovering
 over the meadows are used in
 association with the 750,000 acre
 aerial treatment of suppression of
 a plant pest, the cereal leaf
 beetle.

Bomb-like balloons called
 "kytoms" will be lifted above
 meadows to guide the low-flying
 torpedo bombers in their 450-foot
 wide spraying swaths. The
 balloons, filled with helium, will
 be continually moved by hauling
 them down onto tractors.

A boom-mounted flashing
 beacon is another gadget likely to
 start UFO rumors. Shipped up
 from the U.S. Department of
 Agriculture's special equipment
 section in Maryland, it uses under
 hydraulic pressure from the bed
 of a truck. Within seconds from
 breaking the truck to a standstill,
 the brilliant white flasher may be
 seen for miles. It stands suspended
 upon a silver, expandable
 aluminum pole. The truck carries
 a special gasoline generator for
 power.

Homing in on the kytoms and
 flashing beacon will be the occa-
 sional 4-H Display at
 Builders Show

The Producers of Youth, particu-
 larly those enrolled in the 4-H
 Woodworking and Electrical pro-
 grams will be displayed this year
 at the Builders Show, May 11-15
 at the University of Michigan
 Field House.

In addition to viewing the work
 of the young craftsmen, visitors
 will have an opportunity to visit
 with 4-H members and leaders
 about their project work. 4-H
 will have booth 77.

RECORD SIGN-UP IN GRAIN PROGRAM

A record Michigan sign-up in
 the 1966 wheat and feed grain
 program was announced by Frank
 J. Light, Chairman of the Agri-
 cultural Stabilization and Conser-
 vation State Committee.

Reports from all counties in
 Michigan show 49,593 farms
 signed in the wheat program and
 47,940 farms signed in the feed
 grain program. The sign-up in
 each program represents about 45
 percent of the total wheat and
 feed grain farms in the State.

Producers signed in the program
 agreed to divert approximately
 794,000 acres from the production
 of feed grains and 158,200 acres
 from the production of wheat.

The sign-up is the greatest in
 Michigan history. The wheat
 program is 113 percent higher
 than any previous year. The feed
 grain sign-up also shows an in-
 crease of 112 percent over the
 previous high.

This record sign-up is an in-
 dication of the Michigan farmer's
 willingness and desire to con-
 tinue the successful war against
 high storage corn.

An excellent national sign-up
 was also reported according to
 Light. He noted that the feed
 grain sign-up nationally was
 within one percent of the previous
 high.

Mr. Light said that feed grain
 producers participating in the
 program will earn price support and
 diversion payments. Those signed
 in the wheat program who meet
 the minimum requirements will
 earn wheat certificates valued at
 about \$1.30 a bushel. Participating
 farmers will also qualify for
 price support loans.

verned 1900 horsepower navy
 bombers, carrying the spray chemi-
 cal, malathion. Skimming a
 meadow level at speeds up to 200
 miles an hour, they need the help
 of a 50-man ground crew to keep
 them on the beam.

Much of the flying will be done
 very early in the morning, as
 well as at dusk. Winds then are
 generally lower, making for better
 spray conditions.

The battle against the grain
 destroying beetle is a cooperative
 effort of the Michigan Depart-
 ment of Agriculture's Plant In-
 dustry Division and the USDA's
 Plant Pest Control Division.
 Weather permitting, it will go
 on during daylight hours until areas
 in southwestern Michigan
 counties have been treated.

Exchange Notes

St. Patrick's Catholic Church at Whitmore Lake was the scene of the wedding of Vivian D. Sannes of Manchester and James A. Thelen of Whitmore Lake.

The Rev. Fr. Arthur A. Lowry officiated at the nuptial high mass at 10 o'clock Saturday, May 7.

Parents of the couple are Mr. and Mrs. Albert A. Sannes of 802 Oak Street, Manchester and Mr. and Mrs. Alphonse Thelen of Whitmore Lake.

For her wedding the bride wore a floor-length gown of Chantilly lace and silk organza with a satin neckline and long pointed sleeves. The full gathered skirt was overlaid by a short panel edged with lace. The panel extended into a chapel train. A pearl and pearl headpiece held her brilliant veil of nylon illusion and she carried a bouquet of white daisies centered with an orchid.

Maid of honor was Margaret Sannes of Manchester, sister of the bride. Bridesmaids were Kate Elstler of Chelsea, Jeanne Rowe of Portage Lake and Wanda Veal of Dexter. The junior bridesmaid was Charlene Sannes of Manchester, sister of the bride. Their gowns were of brocade and crepe with scoop necklines and elbow length sleeves. They carried arrangements of pink and blue daisies.

Mrs. James A. Thelen

Serving as best man was Michael Thelen of Whitmore Lake, cousin of the bridegroom. Guests were seated by Dennis Sannes of Manchester, brother of the bride, Jack Elstler of Chelsea, Lonnie Peters of Alpena and William Birchmeier of Dexter.

A reception followed at the Moose hall in Ann Arbor after which the couple left on a honeymoon in Canada and Niagara Falls. When they return they will make their home at Portage Lake near Pinckney.

The New PLUS PHILADELPHIA LIFE UNDERGRADUATE STUDENT PLAN

What is the NEW PLUS Plan?

The NEW PLUS Plan is the Philadelphia Life Undergraduate Student Plan. It is a plan of life insurance especially designed for students to provide \$10,000 of low cost life insurance during the years when the student is preparing for his chosen vocation, and during the transition period when he is becoming established in that vocation. Through the NEW PLUS Plan, every student can create a \$10,000 estate to cover debts incurred or family savings expended for his education. The NEW PLUS Plan will also protect a young family which might otherwise be unable to survive the shock of early death without becoming dependent on the grandparents.

Who is eligible for the NEW PLUS Plan?

Every student age 16 to 24 years, 6 months, is eligible to apply for the NEW PLUS Plan.

How does the NEW PLUS Plan work?

- The NEW PLUS Plan provides \$10,000 of permanent life insurance with growing cash values.
- UP TO AGE 28, the cost of the plan is a very low annual premium of only \$40.00 regardless of age.
- AT AGE 28, the premium for the NEW PLUS Plan changes from \$40.00 to \$128.00 for men (\$134.60 for women).

This plan guarantees a \$10,000 estate no matter when death occurs and the insurance is fully paid-up at age 90.

• AT AGE 31, family obligations will have normally increased and economic status will have improved to the extent that additional insurance will be needed. The NEW PLUS Plan, through its "Additional Insurance Privilege" guarantees that the student can purchase, without medical examination or other evidence of insurability, an additional \$10,000 of permanent life insurance at the Company's standard rates.

Therefore, by exercising all the privileges of the NEW PLUS Plan, the student is guaranteed a \$20,000 estate of permanent life insurance.

What happens if the student becomes disabled?

If the student becomes totally and permanently disabled, the NEW PLUS Plan will continue to provide \$10,000 of insurance, without further premium payment as long as the disability continues. The cash values will grow just as if the premiums were being paid. Even though disabled, the student is still guaranteed the right to purchase the additional \$10,000 of permanent life insurance at age 31 by paying the standard rates for healthy lives.

What happens if the student leaves school?

The NEW PLUS Plan continues as long as the premiums are paid.

BOARD EXPLAINS MILLAGE ELECTION AND BUDGET

Open Letter To the People Of Manchester

Dear Friends: It would be impossible for me to write to each of the many beloved friends to let them know my husband "Red" is doing. He is still a very sick man and just starting treatment for chronic kidney failure. Each day of life for him is a precious gift which would not be possible if it were not for our faith in God, the hospital, doctors, nurses and the many cards and letters sent to us from everyone home. We miss our two little children more than words can tell but our minds are at ease as we know they are getting the best of care. We miss our much loved home milles and friends. God be willing, time will go swiftly and we will be home again.

Petitions Filed With School Board

Four nominating petitions have been filed with the secretary Aurin Leeson for two vacancies on the Manchester School Board. The terms of Loren Trolz and Edward Kemmer expire this June. The annual school election will be held Monday, June 13. Those who have filed petitions are Loren Trolz, incumbent; Allen Alber, Paul Boehler and Clarence Fielder. Loren Trolz is seeking his fifth term as a member of the Board of Education. He is engaged in general farming.

HERB MAHONY NAMED TO COUNCIL

The Village Council Tuesday evening accepted the resignation of Robert Clark, councilman, who is quitting because of his work at the Ford Motor Company Rawsonville plant. Gale Koebe, village president appointed Herbert Mahony to fill the vacancy. This is the second time that the village president has had to fill a vacancy on the council. The first one was caused when Koebe was elected village president. His unexpired term as councilman is being filled by James Bauer.

Chest Names Committees

Committees for the coming year were announced at the May meeting of the Manchester Community Chest Board. The executive committee includes president Edward Galloway, Stanley White, Louis Vogel, Mrs. James Baker, Mrs. Franklin Reck and Clarence Fielder. The Budget Committee members are treasurer Louis Vogel, Mrs. Franklin Reck, Luther Klager, Mrs. Del Ludwick, Floyd Green and Mrs. Irvin Gill. Four members of the Budget Committee must be present to hold a meeting. The next meeting of the board will be June 14 at which time the new budgets for the coming year will be scrutinized and the agencies will be asked to meet with the board on a scheduled basis. The publicity committee is Mrs. Franklin Reck, Robert Swartz and Fred Leeman.

DISPLAY FLAGS MEMORIAL DAY

At the luncheon meeting of the Chamber of Commerce president Al Gaige suggested that the local merchants try and have the American Flag displayed in front of the business houses on Decoration Day.

Mention was also made that a tribute to those who gave their lives in the Navy should be included in the Memorial Day Services again this year. Last year this special tribute at the Main Street bridge was omitted. In discussing the fast approaching Chicken Broil, planned for the third Thursday in July, Dan Boustell mentioned that the success of this well-known event is "probably due to the fact that the funds realized from the big broil are used to benefit the whole community. The money is used to buy something substantial, something permanent—usually something for the children!" He mentioned various improvements for the Athletic Field and for Car Park.

Roscoe Lannom discussed the recent auction sale which the merchants sponsored and pinpointed some areas which might need further study. He complimented the merchants for the fine prizes which were given away and discussed at some length problems involving minors who had acquired handfuls of play money which they were using at the auction.

Sidewalk sales are under consideration at this time and merchants might well appreciate a word from their patrons as to their thinking on the advisability of holding the event one or two days.

Clarence Fielder, a local businessman, served one term as a member of the Board from 1960 to 1964. Allen Alber is engaged in farming and trucking business and resides with his family in Sharon Township.

Paul Boehler, a former school teacher is now a claim adjuster with an insurance company and lives with his family in the Pleasant Lake area.

Valedictorian

Susan M. Pedersen, daughter of Mr. and Mrs. Carl J. Pedersen of 13560 Schlewels Road, Manchester has been named the Valedictorian of this year's graduating class. Susan has an academic average of 3.848 for her high school work. Oakland University has awarded Susan the Oakland University Scholarship and the Michigan Higher Education Assistance Authority, through the State Competitive Exam, has awarded her a scholarship. Susan's activities while attending Manchester High School have been Future Teachers Club, Girls' Basketball and German Club.

SENIOR CITIZENS TO MEET AT NEW TIME

The Senior Citizens of Emanuel will meet at the church hall Wednesday, May 25 at 1:30 p.m. This is an earlier hour than usual. The Senior Citizens have been invited to Chelsea to meet with the St. Paul Senior Citizens at St. Paul's church in Chelsea.

Sunday, May 29 will be the Baccalaureate Services at the High School Gym at 8:00 p.m.

There will be a public meeting at 8 p.m. Monday, May 23, in the Nellie Ackerson School to discuss the budget needs and millage election on June 13.

The Board of Education is asking for 5 mills of extra operating money for the 1966-67 school year. This request represents an increase of 2 mills over last year's request.

School officials point out that these funds are needed if the school district is to maintain its current program and make improvements in its education offerings.

The 1966-67 school district budget is up about \$55,000 over last year's budget. A substantial amount of this increase will go to the teachers in the form of a salary improvement. Additional teachers to accommodate a growing enrollment and rising operational costs will also account for some of the increase.

The Manchester school system is growing both in enrollment and services, according to Superintendent Robert Swartz.

Courses are being expanded in several areas. More improvements are being contemplated for next year.

All of the improvements will enhance and enrich each student's school experience regardless of the direction of the student relative to a college prep program or a vocational program, Swartz said.

Manchester will be offering Art instruction with a full time instructor; kindergarten through 12th grade; office machines course; expanded high school physical education program, including bowling, golfing and swimming; expanded laboratory work in chemistry and in elementary and advanced biology; and improvements in the high school English program.

Improvements being considered include: An upper elementary and junior high guidance and counseling program; full time remedial reading teacher with expanded reading services available to high school students; and a more extensive mathematics program in the high school.

The latter includes a program to accommodate the vocational bound student, the college prep student and the gifted student.

Also in the plans are in-service training programs for teachers; an additional bus route to accommodate growing enrollment; and expanded bus route service.

DANCE PLANNED TO HELP 'RED' LAMB

In an effort to try to raise funds to help defray the medical expenses involved in treating a Manchester resident, a community dance is being planned for June 18 at the Manchester High School gym. The affair will benefit Melvin (Red) Lamb who is a patient at the Cleveland Medical Center and help defray some of the expenses involving the use of an artificial kidney machine and a possible kidney transplant.

The dance is planned by the alumni of Manchester High School Classes of 1953 and 1954 of which Lamb and his wife, the former Jeanette Guenther are members. Tickets will go on sale next week. Further details are available from Mr. and Mrs. William Schwab on the dance.

At this time Lamb is at the Cleveland Clinic Foundation where he is hospitalized. His wife Jeanette and his mother, Mrs. LeRoy Lamb have taken an apartment near the hospital. Tests are still being evaluated in consideration of a kidney transplant. One kidney has ceased to function. The kidney ailment resulted from a childhood illness. At this time the Union Savings Bank of Manchester and the Chelsea State Bank are receiving contributions for the Lamb family. Until confined because of the kidney failure "Red" worked at the Sam Brown barber shop in Chelsea.

The Lamb's two children are staying with their grandparents, Mr. and Mrs. Roland Guenther. Jackie, five-years, went to Cleveland last week end but two-year-old Billy was unable to go because of a cold. The dance will be held from 8:30 p.m. to 12:30 a.m. with a donation of \$1 requested. Two orchestras will furnish music.

PTA DANCE RECITAL NEXT SATURDAY

The PTA sponsored Dance Recital will be presented at 7:30 p.m. Saturday, May 21 in the civic auditorium. The 65 students range in age from 3 years to high school students and will be under the direction of teacher Susan Wood Sizemore in "An Evening of Dance". The public is invited, according to Mrs. Richard Kuntz, PTA representative.

AN EVENING OF DANCE Tod Armentrout dances with Cheryl Hieber. (1 to r) Debbie Meister, Cindy Schiller and Gail Trolz.
