

# Language Laboratory Added To High School

A language laboratory has been added to the equipment in the high school.

At the beginning of this school year the experimental method started for first year language students. The laboratory is an important aid in this approach to language learning. The experimental method may be summarized as learning to understand basic structures in the language; learning to say what is understood; learning to read what is said; and learning to write what can be read.

Formal analysis of grammar is not undertaken until the second stage of language learning. The single permanent fact about language learning is that it concerns, not problem solving but the formation and performance of habits. This is the area in

which the language laboratory is beneficial.

The language laboratory can be effective in learning, not in terms of the dual nature of authentic language behavior—a friendly chat with a machine if still quite a distance in the future—but rather, in terms of the repetition and overlearning of behavior patterns that are to become habitual. The advantage of the machine over the living partner for the purpose of sustained repetition is obvious: the machine can repeat in identical fashion what was said before. The machine can also record the student's response, which may be judged more critically while he plays than he can as he hears himself speak. He can also compare his response with the original, often perceiving what

was not clear to him while he listened and replied.

The language lab also gives the student the chance to hear native speakers of the language. The student will be able to learn to understand the language when spoken by some other person besides his teacher.

The essential components of the laboratory are these: tape recorder and a record player, earphones and microphones. The laboratory is arranged so that students connect their headsets in to outlets inserted along the floor.

They can then hear a "program" which is played at the console operated by the teacher. They hear into the microphones and hear themselves as they speak. The teacher can listen to individual students as they speak; he can also address the entire class over the system or speak to any individual without being heard by the remainder of the class. The console has two tape recorders, a record player and outlets where two other tape recorders (or record players) can be connected. It is possible to have five different "programs" in operation at once.

Therefore, the lab is able to accommodate students who are working on different tapes or at different tapes or at different levels. Students may also be connected so as to carry on conversations with each other.

According to Mrs. Judy Higgins, High School German teacher, the most important part of the equipment are the earphones. The importance of having top quality earphones is often overlooked and cheap sets are often bought so that more money can be spent on books which are unnecessary.

She notes that the earphones in the Manchester School lab are of fine quality and perform their essential task. Since no sound in the new language is technically identical with those of the mother tongue, and since many of them are very different, the learner must hear them all with complete clarity if he is to reproduce them.

At this time Manchester has the tapes which accompany the first year German books. These tapes contain various kinds of oral exercises spoken by native German

# CLERK NOTES NEW NOMINATING METHODS

Manchester Township Clerk, Waldo C. Marx draws attention to the new method of nominating officers for the two active parties which go into effect this year.

It is very important that the people remember the date of June 14 at 4 p. m. This is the deadline for filing petitions with Township clerks.

In the past the township has operated under the caucus system for nominations, these meetings were held from six weeks to two months prior to the General Election. A law passed this year by the State Legislature requires all townships in the state to nominate officers for the General Election by Primary Election. This election will be held on August 2.

According to law, a resident wishing to seek any of the elective offices of the township must circulate a petition in order to have his or her name on the Primary Ballot. These petitions are available to those interested in circulating them and may be obtained at Marx & Marx stores.

They must be signed by at least one per cent and not more than 4 per cent of the registered voters. In Manchester township this means that these petitions will require between 16 and 49 signatures of registered electors to be valid. These signatures will be checked against registration records by the clerk.

"People should remember that this method described is now the only way to gain entry for either party on the November General election ballot. If there is no primary contest, the names from the filed petitions automatically advance to the General Election Ballot on November 5," Marx concluded.

County Parks Ready For Holiday  
The three Huron-Clinton Metropolitan Authority parks in Washtenaw County are ready for use during the three-day Memorial Day holiday weekend and for the 1966 summer season.

This announcement was made by Bretton Schultz, park manager whose headquarters are at the Hudson Mills Metropolitan Park office, 8801 N. Territorial Road, 5 miles northeast of Dexter.

# FATHER RAYMOND SCHLINKERT TO CELEBRATE SILVER JUBILEE

This community's television priest, Rev. Fr. Raymond R. Schlinkert will celebrate the 25th anniversary of his ordination Sunday, June 5.

A Solemn High Mass at 12:30 p. m. will be followed at 2 p. m. dinner for priests and relatives at the Knights of Columbus hall. A reception for the public will be held from 5 to 7 p. m. in St. Mary's church hall.

At 7 p. m. Wednesday, June 8 Fr. Schlinkert will celebrate a special Mass for his parishners at St. Mary's and he hopes the congregation will be present.

Rev. Fr. Schlinkert will be the celebrant at the Sunday Mass; his cousin Rev. John R. Marx C.S.Sp. of Philadelphia will be the acolyte (if a back injury will allow him to travel); Rev. Leo N. Seltre, Detroit will be the sub-deacon and Rt. Rev. Msgr. Vincent T. Hankard, Highland Park, sermon. Msgr. Hankard was the pastor of the first church to which Fr. Schlinkert was assigned. Acolytes will be high school graduates of Class of 1966.

Mrs. Robert Mauch, member of the American Academy of Dramatic Arts of Ann Arbor will direct St. Mary's choir and soloists will be Mr. and Mrs. Richard Toensing and Mr. and Mrs. Robert Mauch Ann Arbor.

Fr. Schlinkert was born in St. Clair, Michigan March 18, 1912, attended Sacred Heart Seminary, Detroit, Mount St. Mary of the West, Norwood, Ohio from 1937 to 1941 and was ordained to the priesthood June 7, 1941.

Previous parish assignments include: St. Benedict, Highland Park, St. Anthony, Belleville; St. Gregory, St. Edward and Most Holy Trinity, Detroit and St. Patrick's Union Lake. He has been pastor of St. Mary's, Manchester since April 3, 1963. This is his first pastorate. While in St. Mary's Fr. Schlinkert has been able to continue his television work and drives into Detroit each week to tape his television program "With This Ring", viewed over Channel each Sunday at 9:30 a. m. and after the late, late show on Sunday evening.

The last pole indicated that his viewers total some 100,000 on each show. Fr. Schlinkert started his television work in 1952.

Among the guests at the silver jubilee Sunday will be Msgr. George, Dean of Washtenaw County, St. Thomas, Ann Arbor; Msgr. Joseph V. Pfeffer, St. Elizabeth, Detroit, former pastor of St. Mary's; Msgr. John Eppenbrock of Trenton, formerly of Manchester; Fr. Lewis Ellis, Union Lake; Rev. Fr. Stewart Brennan, former Director of Music of the Archdiocese of Detroit, Dearborn; Fr. Joseph Lagnani, St. Louis School, Chelsea; Rev. Fr. Wm. Griffith, Deerfield; Fr. Harold Wolf, St. Joseph's Adrian; Fr. Gerald Nitowski, St. Thomas, Ann Arbor; Fr. Edward Holton, St. Mary's Adrian; Fr. Lambert Voy, Erie; Fr. Paul Donovan, Michigan Center; Very Rev. Celine Steiner SJ, Chancellor of University of Detroit; Fr. F. S. Salizewski, St. Mary's Chelsea; Anthony J. Wallis, St. Joseph, Dexter.

Fr. Schlinkert has a very pleasant and chatty personality, which endears him to the people he meets. Talking with him he said, "I have met a host of priests who have fought the good fight so faithfully as to bolster me by their example. And in every parish have been edified by the quiet heroism of truly good men and women. Between all of these and me there is a bond. Yet no bond so happily forged than that which presently exists. The Manchester mantle wears well upon a man's shoulder. Here the valley green, greetings are genuine and it is good to be in this Family of God."

His parents, the Theodore J. Schlinkerts of Detroit, his only sister, Sister Jane Rose of Msgr. O'Brien's Central High School for girls in Kalamazoo and his brothers, Robert T., vice president of the Taft Broadcasting Co. and manager of WBRG, Birmingham, Ala., and Ted, a graduate of the University of Detroit, a mechanical engineer for a conveyor firm in Atlanta, Ga., and their families are expected to attend the anniversary Mass on Sunday.

Fr. Marx, who was scheduled to be the deacon at the Sunday anniversary Mass will not be able to attend. Deacon at the service will be Fr. Seltre and the sub-deacon will be Fr. Lewis Ellis of St. Patrick's Union Lake.

# Open Letter To The People Of Manchester

I want to thank everyone for the cards and letters sent to my husband Red, since my last letter to the Enterprise.

Just knowing someone back home is thinking of him is wonderful for his moral.

A doctor put a "shunt" in Red's left arm last week. This is where the artificial kidney machine is attached for his treatments twice a week. Each treatment takes 6 hours.

Friday, May 27 his kidneys were removed. His doctor said he came through the operation fine. He will be uncomfortable for a few days, but God willing, his strength will soon return and then he will be ready for the kidney transplant.

We have no idea when the transplant will take place. He will be on 24 hour call for a cadaver kidney—which is a kidney from a deceased person.

I will try to keep everyone posted as to his progress through the Enterprise. I am depending on his many friends to help me keep his spirits up as this is a great factor for his recovery.

So far, you have done a wonderful job and I want to thank each and everyone.

Sincerely,  
Mrs. Melvin "Red" Lamb

# Judge John B. Swainson Commencement Speaker

Judge John B. Swainson, newest member of the Wayne County Circuit Bench will be the speaker at the ninety-third commencement scheduled at 8 p. m. Thursday, June 2 on the Manchester High School Athletic Field. Seventy-eight seniors will be presented by Superintendent of Schools, Robert Swartz.

Presentation of Diplomas will be made by Luther Klager, President of the School Board.

Manchester is justly proud that this community can claim Judge Swainson as one of its distinguished residents. The Swainsons recently purchased the nearly-century old Martin farm on Hogan Road, southeast of Manchester. They completely remodeled the exterior of the country home and spend much of their free time here.

Judge Swainson has a unique and interesting background. He was born in Windsor, Ontario on July 31, 1925. At the age of nine months his family moved to Port Huron, Michigan where he attended the public schools and was graduated from high school. He was captain of his high school football team and was also awarded Scouting's highest rank, that of Eagle Scout.

Almost immediately upon his graduation, he entered the U.S. Army, and after basic training was assigned as a combat infantryman to the 3rd Army under the command of General George A. Patton. During a night patrol in November 1945, near Metz in the Alsace-Lorraine area of France, the explosion of a German land mine necessitated the amputation of both legs.

Upon his release from the Army Hospital System, he entered college and earned both A.B. and L.L.B. Degrees, and entered the private practice of law in Detroit. During his college days he met and married Alice Nielsen of Detroit and they have three children, Stephen, Peter and Kristina.

In 1954 Judge Swainson was elected to the Michigan State Senate from the 18th District (the northwest section of Wayne County) and was re-elected in 1956. Then he was elected as the minority leader of the Senate. In 1958 Judge Swainson was elected to the office of Lieutenant Governor of the State of Michigan, and served as Lieutenant Governor to Governor G. Mennen Williams during his last term of office.

In 1960 Judge Swainson was elected as the 40th Governor of Michigan at the age of 35, making him the second youngest man ever to hold that office. Stevens T. Mason was 26 years old in 1837 at the time of his election as Michigan's first governor. He was the first man to be Governor of Michigan not having been born in the United States.

During his term of office, much legislation was enacted into law that has resulted in the very favorable economic position Michigan enjoys today. His judicial appointments to office were subsequently elected by the people without exception. Through his efforts, Michigan's outstanding highway construction program was continued. His special efforts in the fields of education and mental health have been recognized state wide.

As a Circuit Judge, Judge Swainson has had a wealth of experience not available to any other citizen of Michigan, and is well recognized for his outstanding abilities in the field of government.

He was elected to his present position as a Circuit Judge on April 5, 1965, without opposition.

BENEFIT FOR 'RED' LAMB IN PROGRESS

Plans for the benefit project for Malvin "Red" Lamb are now completed. The project being a dance at Manchester high school on June 18. Although organized by the alumni classes of 1953-54 the benefit is a community function. The success of the benefit depends on the enthusiasm and support of the citizens of Manchester.

"How can we co-operate?" many people have asked. The answer is: Purchasing tickets for the dance or by sending a contribution to the "Red Lamb Benefit Fund" at the Union Savings Bank. The tickets are available from friends of Red, the Riverview Barber Shop and Sunn Insurance Agency.

The dance at the high school will be held from 8:30 to 12:30 with two bands providing the music. The dancing will include both ballroom and square dancing. Refreshments will be available during the entire evening.

Red is at the Cleveland Medical Center using the artificial kidney machine and awaiting a possible kidney transplant. His wife, Jeanette is in an apartment across from the hospital and his two children are at the home of their grandparents, Mr. and Mrs. Roland Guntner. Knowing that people may be interested in sending cards they may be mailed to Mrs. Victor Wurster, Double A Products Company, Manchester and she will forward them to the Clinic.

Exchange Vows

Mrs. Ray F. Kemner

When Mr. and Mrs. Ray F. Kemner return from a wedding trip through the east they will be residing at the Seifridge Air Force Base, Mr. Clemens, Michigan.

The bride is the former Patsy Ann Hageman, daughter of Mr. and Mrs. Eugene D. Hageman of 916 Cavanaugh Lake Road, Chelsea. She married Ray Frederick Kemner, son of Mr. and Mrs. Ernest Kemner of 18490 Bethel Church Road, Manchester, in a double ring ceremony at Emanuel United Church of Christ, Saturday, May 28, 7:30 p.m. Mrs. Royal Davidner played traditional wedding music and Mrs. William Zinke of Chelsea sang "Because" and "The Lord's Prayer."

Given in marriage by her father the bride wore a silk organza sheath over taffeta. The bodice had an empire waistline, scoop neckline and long sleeves. The skirt was accented with a sweep train. Appliques of lace adorned both the bodice and skirt.

Her veil of English illusion was secured by a crown of seed pearls. She carried an arrangement of white roses and stephanotis. Miss Bethel Kemner was maid of honor. Her empire sheath of aqua crepe and shantung had a detachable Watteau panel train. A matching tailored bow of shantung and veiling made her headpiece. She carried an arrangement of baby white carnations.

The bridesmaids were Miss Carole Gieske, Mrs. Richard Neff and Miss Regina Hageman, all of Chelsea. Their gowns and flowers were like those of the honor attendant.

William Zinke of Chelsea was best man and guests were seated by Dennis Moore and Gordon Grossman, both of Manchester, cousins of the bridegroom and Richard Neff of Dexter.

These Memories Will Linger

- Some memories that will long remain in the minds of the 1966 Seniors are these:
Our long tedious hours spent to make the Senior Food Tent a great success.
Our first day with the new freshmen and making them new and everlasting friends.
The wildly enthusiastic crowds at the football games. Even rain and snow didn't dampen our school spirit.
The fun and yet tiresome deadlines we had to meet in building a float; our final float for the Homecoming game against Onsted.
The pungent smell of corn popping in the machine while someone yells, "One hot dog and twelve popcorns--quick."
The crowded, busy halls.
The slamming of books in our lockers at night.
Getting ready for the wonderful Holly Hop--wonderful by night Government Day and getting our pictures taken in front of the state capital, meeting state representative Gilbert Bursley, and raising the city of Lansing.
The Senior play practices for "What a Life."
Those wild pep assemblies, "Yea, Seniors!"
Senior Skip-Day. The Sound of Music, the Federal Reserve Bank, Detroit and a delicious dinner at Eastman's Gaslight Room! Wow! What a day!
Ordering caps and gowns and choosing just the right invitations for the Class of '66.
The Senior Class song practice and our growing knowledge that we are being together as a class for one of the last times.
The Junior-Senior Reception and Prom. Those were beautiful decorations, the anchors, the false ceiling, the enchanting scenery.
The restless shuffling of feet, the quiet rustle of papers as everyone waits for the last bell.
Now at graduation we take many memories with us which we will recall often as we face a new and different kind of life ahead. We want to say that it has been fun knowing and being with you. We'll miss all of you, so we say-- GOOD-BYE.

The Manchester High School teachers would like to wish a fond farewell to the class of 1966. It is with the deepest regard that we send you out into the "big wide world." You have now completed one of the longest and most important steps on your way to adulthood.

High school is but a preparation for the life which you will be expected to lead in the future. Life demands many things of you. You will automatically become a part of your community either right here in Manchester or somewhere else equally as important. You will be expected to be a continuing good citizen. **TO THE SENIORS**

The Senior Class of 1967 wishes the best of luck to the senior class of 1966.  
We hope all of you will be happy and successful in the future years.

Graduation is an important step in everyone's life. It is the result of 12 years of studying and having fun. You will remember the elementary years with just homework and more free time. But as you grow older you will remember too that when you entered junior high you had more homework and less free time. But all your labors were compensated for at the picnic the last day of school at the State Park.

Then you entered high school. In addition to endless homework you could participate in sports and clubs.

Your years at high school saw a "Senior Week" program with the junior play, class rings, then the senior four year "Senior Week" program. Finally, you, the class trip to Washington and New York and finally - Graduation!

We are sure all the seniors will look favorably on the past 12 years. It is an accomplishment that should be appreciated. It is not good bye - just "til we meet again."

Sincerely,  
Class of 1967

## Vacation School To Open Next Week

A variety of activities are being planned by the teachers and helpers who make up the staff of the Vacation Bible School at Manchester will be in session from June 6 to 17.

Registration will open at 9 a. m. June 6 in the class room where the children will be meeting during the school to study the CHURCH. Registration fee is 25 cents a week for each child, except that no family is supposed to pay more than a dollar for the entire school period.

Except for pre-schoolers, who will be in the kindergarten, all children will be in the grade they are just finishing in school.

Mrs. Donald Davis of the Methodist Church and Mrs. Ralph Knauth of Emanuel will serve as co-superintendents of the Bible school with the assistance of both adults and young people from both churches. They are looking for a large attendance this year.

Leaders of the pre-school kindergarten department are Mrs. LeRoy Knickerbocker, Mrs. Ted Stauter, Mrs. Anton Schlosser, Mrs. Del Luckwick and Mrs. Paul Ernst. The Misses Karen Knickerbocker, Kathy Richardson, Marcel Steele and Mary Wuster will also serve in this department. This class meets in the kindergarten rooms on the first floor of the educational unit of Emanuel Church.

Primary teachers and helpers include: Mrs. Max Walter, Mrs. Alvin Clark, Mrs. Homer Walter, Mrs. LeRoy Marx, the Misses Margaret Kemmer, Karen Jantzen, Sandy Tyrol, and Debbie Marz. who will be meeting their pupils on the second floor of the Methodist Fellowship Hall.

Third and fourth grades will meet on the first floor of the Fellowship Hall with Mrs. Duane Roller, Mrs. Ellis Dennis, Mrs. Dennis Heitrich, Mrs. Richard Knouse, Miss Christiane Diehl, Miss Robin Roller, Miss Sandy Roller and Miss Barbara Steele.

Mrs. Willard Hanks will direct the activities of the 5th and 6th grade on the second floor in Emanuel. Serving with her will be Mrs. John Hoffmanson, Mrs. Bruce Daniels, Nancy Davis, Judy Popkey, Janet Reinhart and Gloria Grossman.

In the same building Mrs. Robert Kuhl and Mrs. Robert Hamilton will meet with students of the 7th and 8th grades.

Registrars will include Mrs. Walter Samonek, Mrs. Roland Grossman, Mrs. Norman Fielder, Mrs. William Schaefer and Miss Sally Schaefer.

The sharing project which has been chosen for this year is the sending of books to new literates in a Spanish speaking country. This is a very important work as soon as people are able to read they need something to help them continue in this effort. These books are made up of a number of simple words but the ideas are adult enough to hold the interest of their readers. It is felt that in this project the children will be sharing in the work of the church as these books are prepared and distributed by the Association for World Literacy and are prepared and distributed by the National Council of Churches to which both the churches co-operating in the Vacation Church School belong.
