LARGE CROWD ATTENDS SPECIAL COUNCIL MEETING

Approximately 40 people attended Monday nights Council meeting at which each of the three Class C License applicants gave their plans if they should receive the license. Each of the applicants gave a brief proposal as to their future plans. Several of the audience voiced opinions mostly to the effect that the decision should be in the best interest of

and Sharon United Mathodist churches."
Involved also as a church project was the Youth Fellowship of the United Methodist Church who made and distributed all the dance posters.

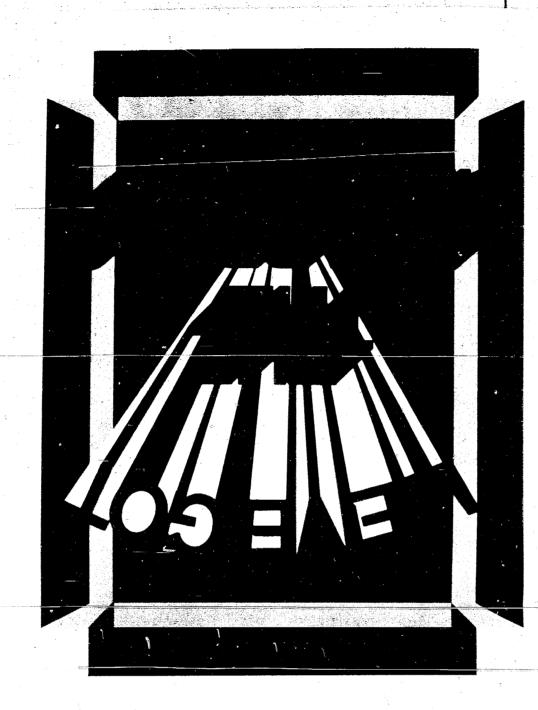

"We'd like to thank everyone for donating to the canisters, buying sham-

rocks, raffls and dance tickets; to those who made the dance a success; the Enterprise for all the publicity; and everyone who helped in any way in "Hollis" Walker's behalf," a committee spokesman said representing the initial committee of Chairman Jim Yungkans,

Sue Rajotte, Art and Jean Haab, Art and Nancy Lamarank, Kay Warner, Ted Kavos, Craig Price and Art McGee.

"Hollis" is again a patient at St.

Joseph, Room 291 bad 2 undergoing further treatment. Visitors and cards are most welcome.

THINK OF

WHAT DO

YOU

by Carolyn Ahrens

To all of us, Manchester is "home." To some it's a rather new home but one which is found to be ideal in many respects. Whether in a large city or small village, people are basically the same but with one difference in a small community, they get to know one another. To new-comers since last October, the Thomas E. Schills and their five children, Lee Anne, 6th grade, Tammy, 3rd grade, Tracy, 2nd grade, Andy in kindergarten and four-year-old Tim who attends Manchester's nursery school. Manchester is

now their "home" also.

Their home, the old Marshall place on Ann Arbor Hill, is also "populated with three rather large standard French poodles and a Siamese cat" the family pointed out. Mr. Schill is Director of Employment Services at St. Joseph Mercy Hospital, Ann Arbor "so their move from Ypsilanti was a natural one when they found the perfect place to suit their needs," Mrs. Schill added and who is incidentally a do-it-yourself painter and furniture refinisher and who is also collecting antiques which she hopes will further enhance their 114-year-old house.

Among her many activities involving her family, Lynne Schill has been called to service as a Girl Scout Leader. For the past two years she has served on the boards of the Huron Valley Council of Cooperative Nurseries and the Michigan Council of Cooperative Nurseries as areastate coordinator. She was recently elected Chairman of the Huron Valley Council of Cooperative Nurseries for 1970-71 and is also a member of the executive board and alumnae secretary of of her sorority in Ann Arbor.

The Schills have found many interesting projects for the entire family in the community. To them Manchester has come to mean a great deal in so short a time. As best described by Lynne Schill to her family, Manchester means

With an eye to the growth and development of five young children, and having grown tired of the rat race that city life is today, we were more than ready for a move to a small community. The first necessary commodity was a suitable house, one which would satisfy our needs for space, one that did not look like its neighbors, and one that would lend itself to our personalities and way of living. The house on the hill was the perfect answer. Priority number two was a good safe educational experience for the kids. Again Manchester's excellent schools filled the bill.

Litroin U.S.A.

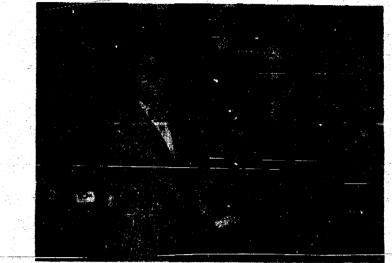

Then we set out to find whether the natives were friendly. We had been told, "Don't expect too much from them. They'll be cliquish, hard to get to know, and resentful of your intrusion."

We moved in anyway. The house is more satisfying than we could have imagined; the schools and teachers better than their excellent reputation, and the people of Manchester are great. We wonder now what took us so long to come home to the village.

You are not glad-handers, and you haven't given us the "rush." It's obvious you don't have to. When people are genuine, they don't have to be loud. We love you all, and are extremely grateful for the warm and neighborly way you have let us join you. So now we're glad to share with you the things your town has come to mean to us.

Manchester is being confident the kids will get safety to school, be unmolested while they are there, and get home again in one piece. Manchester is having Mrs. Flood for your principal and carpet on the school floor. It's being the only third grader in the class that isn't a busser, and having the kids have you shop for them on Saturday. Manchester is having a skating party in the wilds, on a pond one block from Main Street. Manchester is being called to lead a troop of Girl Scouts. after having moved in last week. It's having the pastor call and invite you to the basketball game with him; it's having people stop you on the street to say they like your Christmas decorations. Manchester is going to church on Sunday, where they still ring bells, and when the folks say "Glad you came this morning," they mean it

Manchester is not having parking meters, or stop lights; it's having to spend three Saturdays finding the man to get a permit to haul your trash to the dump, and then hauling it there, and having the attendant help you unload it. Manchester is driving in from any side of town, spotting the two tallest pine trees, and saying to yourself, "Those are mine." Manchester is having neighbor's drop in at midnight, with a pie, to welcome you to your new old house. It's turning on the water, and considering calling the neighbors to turn their's off so you can have some. Manchester is getting excited when the siren goes off at noon; it's watching the volunteers converge on the fire station when it goes off other than at noon, and jumping out of the way, as the trucks, needing mufflers, careen around the corner to save a farm. Manchester is the promise of brighter days, the promise of cleaner Raisin water, or an old-fashioned friendly down town. It's a cool Dairy Queen eaten while hypnotized by water over a dam. It's friendly common people, at ease with the world, determined to show the world that decency, clean surroundings, and concern for fellow men are not lost. It's home, and we love it.

Mr. Roscoe Lannom was the proud recipient of a Ben Franklin 25-year award presented to him at his store this week by Jim Lyons from the Ben Franklin Division of City Products Corporation. The award reads: "Presented to Roscoe Lannom in recognition of a quarter century of continuous Ben Franklin operation."

TO THE PEOPLE OF MANCHESTER

It is very difficult for me to be able to thank the people of Manchester, Local 2190, Double A Products, Sportsman Club, Manchester Methodist Church, Wackenhut and the Roamers, Sharon EUB Church and the Committee that was

formed on my behalf.
I only hope that I can be of help or service to the people of Manchester who have given me such friendship that words cannot express.

I am now at home and would be glad to see my friends anytime. Again, in all sincerity -- thank you.

After graduation Sue is planning on going to I.B.M. School.

Ray and Wanda Tirb were among the 500 American (Chevrolet) car dealers that descended upon Britain this month! World Airways flew the dealers across the Atlantic in six Boeing 707s. They were settled in a pair of Park Lane Hotels where they spent the last evening topped off with a banquet at the Dorchester attended by the Lord Mayor of London.

British European Airways shuttled the dealers to Paris, France, Amsterdam, Holland and Geneva, Switzerland.
In Paris, Ray and Wanda enjoyed a

tour of the town, lunch in the Eiffel
Tower and a show in the evening at the
Lido.
In Amsterdam a bus tour of the town,

a visit to the diamond factory, a typical Dutch lunch, and a boat ride up the canal.

In Geneva a bus tour of the town, time for shopping and dinner in a Swiss Chalet.

HEY! WE'RE HAVING **OPEN HOUSE!**

Join us Sunday afternoon, April 26, anytime between 2:00 and 4:00 p.m. for cup of coffee and a look-see at Manchester Day Care Center, in the nursery room of Emanuel Church.

We want you to get to know us - to find out we're not babysitters nor are we trying to run a pre-kindergarten. We offer two day a week two hour sessions where pre-schoolers learn the fun of finding out about themselves and this big wide world. Mothers alternate helping our certified teacher, Mrs. Paul Boehler, as she brings these kiddles from babyhood into an awareness and readiness for school and the world around them

We take scholarship children, too, and need your help (or the organization to which you belong) in locating and sponsoring them.

Come, join us on Sunday and see what a cooperative nursery school is all about. No donation, no solicitation, we just want to meet you and have you meet us. See you then --

DRUG USE AND ABUSE PROGRAM TO BE HELD AT HIGH SCHOOL

Plans are being made to hold a "Drug Use and Abuse" program at the high school on Tuesday, April 28. This program is designed to show students the consequences that result when drugs are taken from different approaches by individuals in contact with this problem.

The program will begin at 8:55 a.m. with a ten minute introduction and explanation of the program as it relates to each of the four speakers. From 9:55 to 12:00 students will choose three of the four speakers or a movie they would like to attend for forty minute sessions.

Speakers invited to participate are State Police Detective Robert Foster from the Jackson Narcotics Squad, Dr. Robert Schreiber from the Children's Psychiatric - Hospital the University of Michigan, Mr. Todd Woolery the Supervisor of the Washtenaw County Juvenile Detention Home and Dr. Derrick Miller. Clinical Psychiatrist at the University of Michigan. The program is open to the public if they wish to attend.

THE LANSING REPORT Senator Gilbert E. Bursley

Constituents frequently write to their senators and complain that taxes are too high and something ought to be done about them.

was entitled Invariably, in the same letter they will ask for financial support of the state government for some project or service in

which they are vitally interested. But individuals aren't the only ones who fail to equate higher taxes to appropriation of money to their favorite causes. Sometimes newspapers do it, too.

A few days ago, a Detroit newspaper (The Free Press) carried an editorial cartoon showing Joe Taxpayer in the traditional barrel, a hand showing a piece of paper with the words "Local, State, Federal Tax Hikes" and a caption over it

all "Now They Want The Barrel." it was an effective cartoon. But the editorial which ran immediately next to it spoiled the whole effect. The editorial

"When City Taxes Run Out, State Must Do its Duty."

The crux of the editorial was that Detroit is pretty well taxed - now it is time for the state government to pull Detroit out of its financial hole.

Where is the state to get the money? Where else but levying more taxes on

the poor Taxpayer already in the barrel. This suggestion obviously doesn't receive much sympathy from out-state

On April 29 the Township Zoning Board will hold a public meeting for the construction and operation of Tamarack Park - a public camp ground and recreation area.

We would like to take this space to show some of the benefits which will result from this park. Tamarack Park is for you -- the people of Manchester. Located on 60 acres of Half Moon Lake, it will be a recreational area designed to provide facilities for camping, fishing, boating and picnicing for Manchester and its surrounding communities. Here is what Tamarack Park will mean to

- * An increase in the economic growth of Manchester.
- * Help in sharing the property tax burden.
- * Supervised community recreation. * Summer work for local teens.
- youth activities, local teen and adult dances, and other activities such as Scouting outings, 4-H field trips, etc.

Tamarack Park will be of a rustic motif that will blend with the natural beauty of the land. It will be a park that Manchester will be proud of. The meeting will be held at the Manchester Village Hall at 8 p.m. on April 29. Attend it if you can. If you can't give us your moral support. Call Dave Stowe at 428-8183 if you have any questions.

SALUTE TO BUS DRIVERS

by Carolyn Ahrens

Spring, although determined to hold out as long as possible this year, brings with it the traditional "sunshine and flowers" as well as a spurt of outdoor play and activity. Children suddenly forget personal safety such as when crossing streets and as many people will add, "their minds are on everything but themselves" and no one knows that better than a school bus driver. As stated on a school bus safety slogan card, "School buses carry the most precious cargo in the world -- your children" and the responsibility of their safety belongs to everyone including the children themselves.

To obey the Golden Rule along with care, caution and courtesy and the ten commandments for safe school bus operation, the bus drivers are well aware of their responsibility and much of it stems from pure common sense. The children know this as do parents because personal safety is a daily habit and natural instinct. As pointed out by one Manchester school bus driver, "To do our best we need cooperation from other drivers, children and parents. One in particular is to stop when the bus is stopped and the flashers are going. A law is now in effect stating that if anyone fails to stop we need only to get their license number and two witnesses and the owner of the car, regardless of who is driving it, will get a citation. At one time we had to identify the driver, which was often impossible to do, but now all we need is the license

To remind, salute and encourage safe driving habits, the Livingston-Monroe and Washtenaw County Transportation Supervisors will join the national campaign in "emphasizing the need for continued highway safety." As proclaimed by Paul E. Linebaugh on behalf of the Washtenaw Intermediate School District, April 20-25, 1970 is National School Bus Safety Week.

During thsi week attention will be stressed on highway safety, particularly school buses, on driver responsibility in heeding school warning lights and signs as well as calling attention to the responsibilities of school bus drivers, the children and their parents.

As participants in this National School Bus Safety Week, Manchester has been fortunate. With thousands of safe miles against a 955-mile-per-day route there is much to be said for the men and women who carry the 783 bus-driven students to and from school nine months out of a year. There are 16 operating buses in Manchester including the small Pleasant Lake kindergarten bus.

To Ed Kirk who has driven a school bus for some 23 years, Bill McCully, Betty Hough, Bob Rutherford, Rita Trolz, Pearline Jordan, Russ Widmayer, Geneva Keasal, Russ Fuller, Armen Hauessier, Cloyce Smith, Peg Townsend, Helen Hosmer, Joanne Evilsizer, Christal Barber and Gary Brokaw, Florence Kirk who drives the special education children and substitute drivers Lauren Traub, Maynard Blossom, Roger Marrison and Roger Merrillat the responsibilities of their jobs are often "beyond the call of duty" with some tales about their small passengers more than worth the cold blistery days, hot sunshine streaming through the windshield and all the discomforts often found on a school bus. Driving a school bus is a job many people admittedly could not and would not do. It requires dependability. a sense of judgment and skill to handle the buses and many times a sense of humor is all that gets the driver through

MAY FELLOWSHIP DAY TO BE HELD AT EMANUEL

May Fellowship Day will be celebrated by Church Women United in Manchester at Emanuel United Church of Christ Fellowship Hall together with other units of Church Women United across the nation. This will continue a long tradition of church women across the country to use the first week of May to lift an

emphasis on the creative and healing re-

lations among people in every community. This year's theme "Dissolve the Distance Between. . ." is designed to help close the gaps -- whether they be educational, generational, social, racial, or cultural - which perpetrate misunderstanding and inequalities.

All women of Manchester and the surrounding area are invited to join in at Emanuel at 1:30 p.m. on May 2 to share in May Fellowship Day.

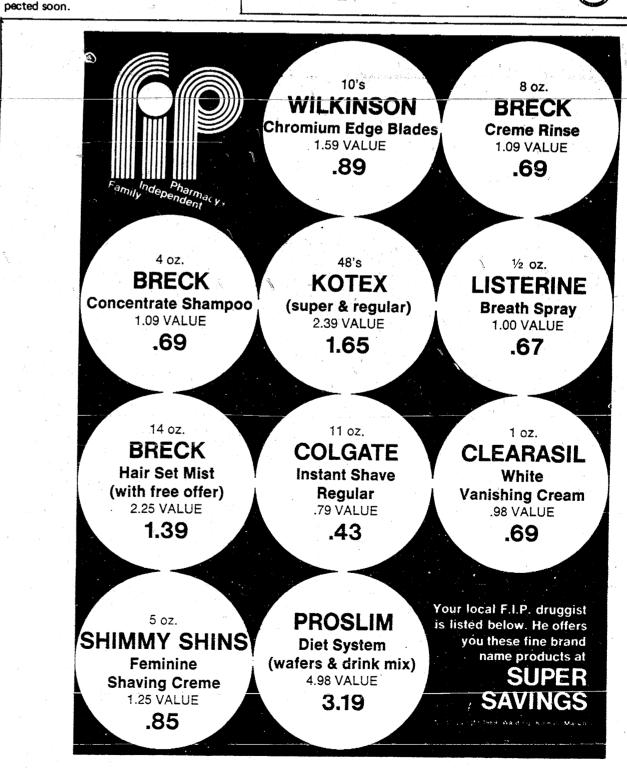

The Nation's Beauty

Shop There it stands, the Nation's Beauty Shop. Millions of others like it are saying to us. "Give us your trash . . . let us help you beautify our country!" And all we have to do is to use this free beauty service - take a step or two extra to keep trash from becoming litter.

Each of us can do our part in giving our country a "facial" by patronizing these little "shops" set up for our convenience. Every litter bit hurts. So let's keep our face clean Michigan!

The Manchester Junior High Track Team won their first meet of the season Wednesday, April 15 by downing Morenci 58-51. The meet was close all the wayand its outcome was to be determined by the last two events of the day, the 880 relay and the 440 relay. Manchester had to win both relays to win the meet. With the pressure on, the 880 relay team of Chris Strong, Steve Beach, Dennis Keezer, and Kurt Kensler breezed to a first place finish in a time of 2:00.3. Now with the score 53-51 the entire meet was dependent on the fine points awarded to the winning 440 yard relay team. With the pressure really on, the Dutchmen did not fold as the team of Rick Kennedy, Scott Gormley, Tim Ahrens, and Tom Popkey won easily in a time of 56.3 seconds.

Strong and Kennedy spearheaded the Dutchmen victory by tallying 9% points each. Strong, in addition to being a member of a relay team won the sixty yard high hurdles (10.4) and finished second in the pole vault (6'3"). Kennedy, also on a relay team was first in the pole vault (6'5") and second in the hundred yard low hurdles (15.7).

Other top point getters for the Junior High were George Merriman and Jim Miller with eight each, and Scott Gormley with 614. Miller won the 75 yard dash with a fine time of 9.5 seconds and Jim was also second in the 220 yard dash (30.5). Merriman won the longest running event, the 440 yard run (70.1), and also placed second in the shotput with a toss of 33'6". Gormley, won the low hurdles (15.2) and as well was a member of the 440 relay team.

Three seventh graders were instrumental in the team scoring. Kurt Kensler was third in both the high jump (4'2") and the 75 yard dash (9.8) and anchored the 880 relay team. Steve Beach, in addition to running a leg of the 880 relay team, was third in the shotput (33'5") Kurt Koceski came on strong to finish third in the sixty yard dash with a time of 8.6 seconds.

Two other team members also figured in the scoring. Brad Frey was second in the sixty yard dash (8.0) and third in the long jump (14'9"). Dennis Keezer was on the 880 relay team and finished second

in the high hurdles (10.8). The Junior High Dutchmen go against Madison on April 22 and are at Hudson on April 29.

TOUR GROUP TELLS HIGHLIGHTS OF TRIP

It is very hard for us to express all our feelings toward a trip that was once just a dream in our minds. The exciting plane ride and the breath-taking Alps will stay with us forever. The hospitality of the Europeans was far more than we had expected.

The highlights of our trip were: we saw the elaborate castles of King Ludwig II of Bavaria, the beautiful Alps, and Konigsee, the highest lake in the Alps. In Bad Liebenzell Mrs. Cooper's hometown, we stayed in a small castle which was exciting and different. We also visited a health spa in that town which was very interesting. A day was spent shopping in Rothenburg, a medieval town. It was impossible to get lost because there was a wall completely surrounding the town. On our way through the Alps we stopped in Mittenwald where we saw a violin maker and his museum. The same day we went to Oberammergau where the Passion play is held. On our tour of Munich we saw churches, an art museum with pictures by famous painters from all over the world and we saw the 1972 Olympic site where building has already begun. From the tower of the Frauenkirche, we were able to see a beautiful view of all Munich. We visited the Mathaser Bierstadt, the largest beer-garden in the world. We saw many building with painted wall which sometimes told the history of the town.

The German people and their customs were unique, because of this we were attracted to their way of living and wanted to become part of it. We became very fond of our bus driver, Kurt, and it was

fun trying to communicate with him. Truthfully the trip was very rewarding because we had a chance to relive the medieval past which did not exist in America. We are very thankful for the opportunity we were given and we hope very much to be able to relive it again. Once again we would like to say thanks

to Mrs. Cooper - who made the trip what it was.

MICHIGAN BELL PLANS TO **EXPAND COMMUNITY DIAL OFFICE IN MANCHESTER**

A \$96,700 project to expand the Manchester community dial office is scheduled to begin this week, according to Nicholas J. Prakken, local manager for the Michigan Bell Telephone Company.

Prakken said a 10 by 37 foot building addition will be erected at 326 Madison. The addition will be constructed of face brick to match the existing dial office

After the addition is completed in October, technicians will install added dial switching equipment to provide for growth and expansion. The equipment is expected to be placed in service next June Prakken said.

The project is part of the record \$270 million Michigan Bell will spend on new facilities this year.

The Manchester office now serves nearly 1,400 customers. The building addition will be built by Braun & Finkbeiner Builders of Saline.

OPEN HOUSE TO BE HELD AT 14TH DISTRICT COURT

The 14th District Judicial Court, 122 S. Main St., Chelsea will hold an open house Sunday, May 3 from 1 to 4 p.m.

Workmen tore down the old water tower on Ann Arbor Hill last week. It died hard as shown by the above photo. It fell only that far and workmen had to get jacks to force it the rest of the way.

BOARD OF EDUCATION'S **BUDGET HEARING** WELL ATTENDED

Between forty-five and fifty citizens turned out Wednesday, April 22 to hear the Board of Education explain the 1970-71 budget needs and the proposed Intermediate Building remodeling project-Representation from various community organizations as well as interested participants made up the attendance. Mr. Luther C. Klager, School Board President welcomed the group and outlined the evening's agenda, which was confined to the proposed remodeling project and the forthcoming millage election.

Speaking on the remodeling project, Mr. Klager pointed out that the Intermediate Building was in its thirty-fifth year of a forty year life expectancy. Mr. Klager also noted the maintenance items that have been done over the last dozen years. "Maintenance or sporadic repairs will no longer satisfy the many needs", said Mr. Klager. "We must now concern ourselves with major remodeling to update the building both for safety and curriculum requirements." he added.

An expenditure of approximately \$160,000.00 is planned if the bonding election on Monday, May 4 is approved by the district voters. The district would bond itself for this amount for a period of 16 years. The initial cost to district taxpayers would be .82 of a mill. The overall debt levy would be increased over last year by just .07 of a mill. This would amount to 7 ¢ a thousand dollars of equalized valuation. On a \$10,000 valuation this would amount to seventy cents (70c) of tax.

Mr. Klager concluded with a remark that if the remodeling becomes a reality the Intermediate Building would be on a par with the other buildings in the district as far as safety regulations and educational requirements are concerned, and the usefulness of the building as a school facility would be extended by 25 years.

Superintendent Robert D. Swartz presented an outline of the proposed budget for 1970-71, discussed the projected increase in detail and explained the need for increased millage. Citing an improved salary schedule and the need for additional classroom teachers as major causes for the increase, Superintendent Swartz said that the Board of Education was reluctant to ask for additional millage, but there was no alternative at this time. "We are fortunate that our teachers have agreed upon a salary schedule for the 1970-71 school year," Swartz said. "The teacher's association brought reason and prudence to the bargaining table with them, and the community can well be proud of this group of professional persons," he said. The superintendent went on to explain that the State Legislature has not as yet resolved the school aid bill, and that school districts were "in the dark," as usual, as far as state aid was concerned. This matter could be settled anytime between now and the end of June, but until it is, the schools in Michigan do not accurately know what aid will be forthcoming.

Superintendent Swartz passed out informational sheets showing the necessary budget improvements proposed for the coming year, the areas that would be affected, and the amounts of increase or decrease in those areas. In addition to this, a comparative salary schedule sheet BROWNIE TROOP 651 was handed out showing how Manchester stood in regard to other area schools. A sheet was also distributed that indicated the majority of area schools still had a total tax levy higher than that proposed by the Manchester School District.

At the conclusion of the two presentations, members of the audience were given an opportunity to react to the two

Boat Race

ANNUAL BOAT RACE **SCHEDULED FOR MAY 17**

It's spring again and time for our annual river event - the Boat Race. This is the one time of the year when the river is utilized to its fullest and everyone has a good time. It is more than a leisurely cruise down from Fellows Bridge because everyone is racing against time, but if you have never come down the course may i suggest you get a boat and try it. It is very picturesque and usually quite abundant with wild life. The peace and quiet sur-

rounding you is very relaxing. The Fourth Annual Amateur Boat Race sponsored by the Manchester Chamber of Commerce will be held Sunday, May 17 starting at 2:00 p.m. The events will again start at Fellows Bridge north of Manchester and end at the Main Street

Rules, regulations, events, etc. will be published in next weeks paper.

Join the fun, get yourself a partner and enter the race. We have a new category this year, Husband and Wife boat. Plan on being on hand May 17 either as a contestant or a spectator for another big Manchester event.

WINNERS ANNOUNCED OF POSTER CONTEST FOR CHAMBER BOAT RACE

The Manchester Chamber of Commerce Boat Race Committee ran a contest throught the school art classes for a different approach on the posters to advertise the boat race.
