Edward L. Handy, age 72 passed away Sunday, January 3 about 1:30 p.m. at Herrick Memorial Hospital where he had been a patient two days. Mr. Handy had been in ill health since retirement from Tecumsel Products in 1957, Mr. Handy was born Dec. 17, 1898 in Tecumseh. His parents were Peter and Susan (Mull) Handy. On November 2, 1921 he married Isma M. Halsey who survives. He was a former member of Tecumseh Eagles.

Survivors include two sons, Leo and Donald both of Manchester, one daughter, Mrs. Erwin (Udean) Richardson of Onsted: two protiers, Fred Handy of Tipton and Frank of Fairfield; one sister, Mrs. Maude Creger of Tecumseh; 17 grandchildren and 14 great-grandchildren.

Funeral services were held Wednesday at 1:30 p.m. at Proctor Funeral Home in Tecumseh. Rev. Thomas Hicks officiated. Burial was in Tipton Cemetery.

RIVER RAISIN FARM BUREAU

The River Baisin Farm Bureau will meet Wednesday, January 13 at Sharon Town Hall. Mr. & Mrs. Mahlon Smith will be the hosts.

With the turn of the New Year, the next three months offer the bulk winter sports. In our area the main so now is snowmobiling which has resulted in turning people from television to the outdoors. Whether it be trailriding or just a family get together, riding the snow

crests is a great new sport. Skiing, skating and winter fishing are a few of the winter sports available in our area. There are fine slopes available for ski ing at either the Irish Hills or Mt. Brighton, full details are available on request. With lakes and ponds frozen over the kids have a ball skating and drum up an occasional game of hockey. We have had a few reports of good fishing on area lakes and live bait is available locally. One absolutely essential item of ice fishing gear is a bottom-finder, a heavy sinker that can be hung on a hook. Fish the bait about a foot off the bottom; that's the jackpot depth for most fish in the winter. Always check the thickness of the ice before venturing out on it. Ice should be 2 to 3 inches thick to hold one man. Your spare tire can serve as a life preserver if someone breaks through thin ice. The spare will support the weight of two men, even mounted on the rim. If the ice is too thin to get near, roll the tire to the hole. If your door or trunk lock freezes, hold the key over a match flame, insert it in the lock and wait a few seconds before turning it.

A great sport for the hunter especially with fresh snow is rabbit hunting. Next week we will bring you some information on cottontail hunting along with some do's and don'ts on dressing for the cold

Tell them you read it in "Woods and

SNOWMOBILE WINNERS ANNOUNCED FOR JAYCEE RACE

Sunday, January 3rd, proved to be the most profitable and exciting race yet at the 3rd Annual Manchester Jaycee Snowmobile Race. Held at the Manchester Speedway, machines from as far away as Findley, Ohio, Ft. Wayne, Indiana and Pentwater, Michigan were included in the 229 registration list, all vieing for the \$1,800 purse. It was reported that there will be an approximate \$2,000 profit from the race, a portion of which has already been designated toward the little league park soon to be under con-

struction on S. Auburn St. There was approximately 1,400 paid admission at the race which was described by some of the drivers "as the best run race that they had been to in a couple of years". According to Bob Rhees, the reason for this was the 80% turn-out of the Jaycees and the cooperation between the fans, drivers and everyone else at the race. He added that the Jaycees also were able to take 250 feet of film of the race this year

A total of 52 races were run and although "it was unofficial we were told that the big Class EE (800cc) machines were turning the track in 21 seconds, Rhees added. One Manchester area gal captured first place in both Class A and B races in the Powder Puff, Mrs. Brian (Karen) Ahern, who reportedly did some excellent driving in both races. Some excitement and tense moments occurred during the Powder Puff when Mrs. Robert (Rita) Burkhardt also of Manchester, rolled her machine suffering some minor bruises. A more serious injury was Jim Marcus of Clinton who was driving the Burkhardt machine, rolled it again and suffered a dislocated shoulder.

The Jaycees would like to thank everyone who participated in the race whether driver, spectator or worker with a special thanks to the Manchester Auxiliary Police, the Sportsman Club, Donna Gill, Schaffer Equipment, the Ford Motor Co. and the Manchester Enterprise. "It takes a lot of time and effort on a project like this, especially when it's a success as this has been," Rhees said, "and that means a lot of people working together."

Winner of the side of beef was George Ismell of Whitmore Lake, the bushel of joy went to Gerald Alberston of Hamberg, and the peck of joy to Dick Kuntz of Manchester.

Winners of the trophies and cash prizes were:

Powder Puff ist Karen Ahern, Brooklyn SkiDoo

SWIM CLASSES ANNOUNCED

The Red Cross has announced their schedule of swimming and lifesaving classes for the winter session.

Adult-Learn-to-Swim classes will meet at Pioneer High from 9 to 10 p.m. Open to anyone 18 years or older instruction will be provided for all levels of ability from non-swimmer to advanced levels. Senior Lifesaving classes will be held

at Tappan Junior High from 7 to 9 p.m. Pre-requisites for the Senior Lifesaving course include 15 years of age, good swimming ability including the breaststroke and sidestroke and a 1/4 mile swim. Students enrolling in this class will be required to purchase a textbook and supply their own mask, fin, and snorkel. All classes will meet on Wednesday, January 20th, 1971.

Conducted through the cooperation of the Red Cross and Ann Arbor Recreation Department, the classes are taught by trained Red Sross volunteer instructors. There is a \$2.00 pool fee navable to the Ann Arbor Recreation Department. There is no charge for the course instruction. Mrs. Jeanne Dean will coordinate the Adult classes while Ray Hosford will be in charge of the Lifesaving instruction. To register for the classes call the

Red Cross at 971-5300. Your Red Cross is a participating member agancy of the United Fund.

COFFEE DAY PLANNED AT KOPPER KETTLE

A March of Dimes Coffee Day is being planned this coming Saturday, January 16 at the Kopper Kettle. Open from 5:30 a.m. to 8 p.m., Mrs. Herman Boelter of City Road is making home-made raised donuts to be served at thissall-day affair. This is the second year the Gills have co-operated in this special March of Dimes event.

ANNUAL WORKSHOP TO BE PRESENTED

The Huron Council of Cooperative Nurseries will present their 5th annual workshop at 9 a.m. on Saturday Feb. 6 at Zion Lutheran Church 1501 W. Liberty Ann Arbor.

Artic Cat Program features wokshops and exibits Among the outstanding leaders attending will be Mr. William Browning on conservation and ecology and Mrs. Shirley Daly on nutrition. Other leaders prominent in their Reld will also conduct workshop sessions in specialized areas such as music, perceptional development, first aid, safety in the preschool as well as creative and play activities.

OPTIMIST CLUB HOSTS ZONE 6 REGIONAL MEETING

Mr. Andrew Nitsos, Governor of the Michigan District of Optimist International, was guest speaker at the regular meeting of the Manchester Optimist Club were hosts to all clubs in zone 6, including this sixth facility with the other five Adrianm Dundee, Breakfast Ann Arbor, Monroe, Evening Ann Arbor, Breakfast Ypsilanti and Ann Arbor. Distinguished guests besides the governor were: Mr. John E. Anger, past governor, Dr. Leo Baker, Governor-Elect and Mr. Richard C. Macormack, Sec-Treasurer. A warm welcome was given 119 guests and optimists by the local club.

The evening was well planned with members from each club holding a roundtable discussion on subjects of individual

committees.

The Zone 6 District is one of 39 administrative divisions that make up the federation of man's community service clubs known as Optimist International. Now in its 53rd year, the organization has more than 3,000 affiliated clubs and in excess at 100,000 members in the United States and Canada. The president of the Manchester Op-

timist Club is Mr. Al Gaige. The club is very active on the community scene with various service programs and projects and of coursem its outstanding work with the youth of the area. A number of activities such as the steer club, the chicken broil and the student of the month are currently being conducted by the local group. Several of these programs are based on programs of the International organizations and are being furthered by clubs across the country.

ESTIMATED INCOME TAX **DEADLINE FOR**

FARMERS

-Fermers who earned at least twothirds of their 1970 gross income from farming should file their 1970 declaration of estimated Federal income by January 15, 1971. Form 1040-ES(F) should be used for this purpose. However, farmers do not have to file an estimate if they file their 1970 Federal income tax return. and pay all the tax due by March 1, 1971. WORKSHOP SCHEDULED

"Farmer's Tax Guide", Publication 225 furnishes information on this subject and may be obtained free by dropping a post card to District Director, Internal Revenue Service, Detroit, Michigan

48226 or your county farm agent. Fighermen who expect to receive at least two-thirds of their gross income from fishing follow the same rules as those for farmers.

MICHIGAN LIVESTOCK **EXCHANGE ABOUT READY** TO START CONSTRUCTION

by Carolyn Ahrens

The Michigan Livestock Exchange, soon to be under construction on the Norman Bucholtz farm, or better known as the old Biggs farm on M-52 and Pleasant Lake Road, "is probably the best thing that could have napponed to Manchester. one village resident commented on the final decision to move the Detroit facility to this area. "We're a farm community and many area farmers may be able to get jobs at the exchange . . it's an ideal

situation for our community," he added. The \$300,000 facility will be located on a 40-acre site and will include animal sheds, loading docks, and auction area, a lunch counter and offices. Construction is expected to take four months in good weather and six in bad it was reported, with completion scheduled for August of this year. The driveways will be completely paved and a spokesman added, "you'll hardly know its there." Traffic through Manchester will be at minimum he added, with a majority of the trucks coming in on -94 and Pleasant Lake Road.

The decision to settle in the Manchester area came after Chelsea's rejection of the proposed site and the reason this Monday night. The Manchester Optimist's general area was chosen was to co-ordinate such exchange centers located throughout Michigan. The other facilities are located in Battle Creek, Cassopolis, St. Louis, Cass City and Portland although the Manchester exchange will be the largest in the state, serving six to seven southeastern Michigan counties.

> "As many area people as possible will be hired at the exchange with at least ten full-time and 25 to 30 part-time men," Allen Alber Sharon Township Supervisor pointed out. He added that as far as he knew at present only a few families would move into this area, these being the general managers of the operation. Unofficial but also unexpected will be one or two suction days with cattle in and cut of the exchange at times within two hours, "This is just what the name implies," Alber pointed out, "an exchange of cattle. There will be no slaughtering. ... just buying and selling."

> Sharon Township Zoning Board voted . unanimously to grant a conditional use permit to allow construction and mainince of the facility, dairman Ellis Pratt said. The Detroit exchange lease now held by the Penn Central Railroad expires June 1, 1971 and the exchange must move out of the Detroit area in accordance with the recent rezoning code.

DONATE TO YOUR **BLOOD BANK TODAY**

The Manchester Red Cross will set up an Open Clinic at the Emanuel Church Hall on January 14 from 12 to 6 p.m. and ask all able bodied persons to donate a pint of blood. If you have not registered go on the 14 anyway though you may have to wait your turn.

Donors between the ages of 18 and 20 should bring a parental release form, signed, unless they are married, in the armed forces or self-supporting.

MARCH OF DIMES

A March of Dimes Mothers March workshop is scheduled for Wednesday, Jan. 20 at the Nellie Ackerson school, room 101, at 7:30 p.m. All village marchers as well as the mothers who will march in the rural community are invited to attend this informative meeting, March of Dimes Chairman Mrs. Wm. Bunney announced. A film is also scheduled.

GEORGE SHILLERS CELEBRATE 60th ANNIVERSARY

by Carolyn Ahrens

Last Saturday Mr. and Mrs. George Shiller of 503 Granger, were feted at the home of the Benjamin Shillers also of Manchester, in honor of their 60th wedding a miversary. The couple was married J nuary 9. 1911 in Gardner, Massachusetts Honored guests included their son Benjamin, his wife, a daughter Mrs. Ralph (Ann) Petersen and her husband of Detroit, three grandsons and two great-grandchildren, Mrs. Shiller and Mrs. Petersen co-hosted the party. Other guests included family and friends of Detroit, Oak Park and the Manchester area.

Their daughter Ann baked and decorated a four-tier cake complete with bridal comple on top which added a special meaning to the party which the Shillers "t proughly enjoyed". Another unexpected surprise was a congradulatory note from President and Mrs. Richard Nixon, Michigan Governor William Milliken and the Manchester Village Council.

The Shillers, both originally from the Gardner area, moved to Richmind, Michigan shortly after their marriage and were engaged in farming in that area, in Flat Rock and in the Imlay City areas until Mr. Shiller's retirement. They

moved to Manchester three years ago. Mr. Shiller, at 85 years young, re-Mon., Jan. 18 - Athletic Boosters 7:30 cently built a 12' x 12' tool shed and two Tues. Jan. 19 - JH Madison Here 4:30 years ago added three rooms to their home, doing almost all of the work himself. Mrs. Away 7 p. m. JH Pinckney Away 6 p. m. COACHES CORNER

DUTCHMEN BLOW

17 POINT LEAD

Rob Schaffer has rejoined the squad this week after being out over Christmas and the last two games with a slightly cracked wrist.

The Dutch play Hudson here friday.

The JV's also lost their game 65 - 54.

Mandel Armstrong and Brad Roberts

were high scorers. Brad with 18 pts. and Mandel with 13 pts.

Two interesting games this Saturday evening might be Grass Lake at Springport (at this time both teams are undefeated) and Ypsilanti at Jackson High Yosilanti is undefeated and ranked number 2 in the state class A.

Poor shooting at the free throw line has hurt us in both overtime losses. At Onsted we shot a poor 11 of 29 for 38% and missed 6 land-1's in the last quarter and in the overtime. The Morenci ballgame wasn't much better as we hit 18 of 38 for 47% and missed 5 land-1 situations. Most high school coaches feel about 60 - 5% is average with anything above 70% good.

Our varsity also has had too many turnovers. A turnover is the loss of possession of the ball without a shot. We have averaged 24 a ballgame and we think about 16 18 should be average.

The Ir. High plays Hudson tonight (Thursday) at the high school starting at 5 p.m. with the seventh grade playing first. The ninth grade plays at Hudson at 5 p.m.

Monday both the seventh and eighth grade beat Grass Lake by scores of 40-20 and 36-21 respecyively. Our ninth grade lost to Grass Lake 69-54.

Reflecting on the 50 to 0 wrestling win I wondered just what were the Manchester statistics as far as point totals. Checking back in the record: I found the most points that we have ever scored was in a 51-5 win over Jackson Lumen Christi. The fewest points we had in a match was 11 and the most points ever scored against the Dutch was 37 by

Dexter in our second year.

Bob Preston and Ke: Tindall are leading the team in number of wins this season. They each have 7. Dave Roberts has 5 in a row for the most consecutive wins.

THREE IN A ROW!

Manchester scored a come from behind victory over Pinckney Monday night and raised their record to 3 wins 2 losses. The Dutch came up from 18 to 8 to win it 33 to 20. Mark Chapin sparked the come back tying the score 20 to 20 with a pin in 13 seconds (a new school record).

Other winners for Manchester were John Roberts, Dave Roberts, Gene Kemeter, Chuck Bebedict, Ken Tindall and Hugh Haeussler. Bernie Roulo wrestled to a draw with his opponent.

After Hudson on Thursday night the wrestling team will travel to Leslie on Saturday, January 16 for the Leslie Invitational Tournement.

POSTED NO HUNTING Johnielu Barber Bradford

The listening voods held lovely sights, In awe I gaze the walk hour And if I walk vithout a source The woodland children will come ou

I hear a stir, a tep By someone small of smeone big. A white-tailed buck or timid squirre Is nibbling at a tender twig.

A cautious doe is icc. ing on, A half-grown rabbit sampers by; I hear a cardinal's sea A dot of red take

We share our woods with city acia, They read our sign, the understand . . . We welcome friends but only when They walk without a or run hand.

FRIENDS Pat Lembcke

See how he gallops, graceful and free, Striding along so effortiessly. See how he raises his head high and proud,

Challenging all in a voice clear and loud! Yet when I whistle, he stops and turns And comes to me with eyes that yearn For a handout sweet and a bite to eat . . . And the love shines out of those big dark

He's not really wild, he just likes to pretend. He's my yearling colt and I'm his friend.

KERI KNICKERBOCKER IS MANCHESTER'S MARCH OF DIMES POSTER GIRL

By Caroly Ahrens

Rubella, more commonly known as German measles, the dread disease of expectant mothers, always happens to someone else, not you. But an estimated 50,000 hildren died in the womb or were born with pirth defect because their mother contacted German measles while pregnant during the 1964-65 epidemic, a clinical report from the National Foundation, March of Dimes tates. Today, after years of research and dedication of thousands of people, from those who give to those who study, a vaccine has been discovered that can uitimately eliminate that threat. It must be done however through children researchers claim because that are the main source of rubella infection and inoculation of women of childbearing years could still be dangerous

to the fetus, the foundation report conrinues An innocent enough sounding disease with mild symtoms as a short period of discomfort but one with lasting effects such as loss of hearing, impaired vision, congenitally damaged hearts and mental retardation are common if a mother contacts German measles during pregnancy. Why? Because the placenta offers no barrier against German measles virus. The first three months of pregnancy is the time this disease poses the greatest threat to the growing embryo, the foundation discovered.

An area woman who contacted Rubella in her sixth week of pregnancy said, "I can only say, everyone should do everything that can to get the vaccination for prevention of Rubella or at least keep any suspected carrier or exposed individual away from public places and most importantly, expectant mothers until the incubation period or disease has passed.

Keri Knickerbocker, the blue-eyed brown haired five-year-old daughter of the Hollis Knickerbockers of 9200 Sharon Hollow Road, is a victim of Rubella. With an enlarged heart artery which was corrected within the first two months of her life, it was learned sometimerlater that Keri was also deaf. Mr. Knickerbocker first suspected his daughter was deaf but to what extent was not discovered until she was two years old. "Many children won't talk at an early age especially when older children in the family talk for them," the Knickerbockers were told at first. A short time later and at the insistance of her parents, it was finally confirmed that Keri not only had a defective heart artery which was completely corrected and the Rural March began January 15th but she was also deaf...Rubella.

Keri is now learning to hear and speak. "We started with a 3-year-old child who had never heard a single sound," her mother explained, "and without the help of the teachers at Rackham, I don't know what we'd have done." She went on that at first a deaf child even with a hearing aid

must learn to talk by reading lips, emphatically encouraged by Rackham teachers. They stress correct and careful enunciation especially at first and by making a child attempt to ask for everyday needs, will eventually lead to that allimportant "first" word. An infant from birth "hears" mother and dad talk and eventually speech comes naturally but a deaf child "sees" and nothing else. "When you tell an average child nine times you must tell a deaf child 9,000 times" Rackham instructors repeatedly stressed to the Knickerbockers, "Don't give up!" Keri's first word was "ball"

This year is Keri's third year at Rackham School in Ypsilanti. Many area families, either through a child of their own, amember of their family or a friend, are familiar with Rackham School. Manchester is no stranger to birth defects. Mrs. Knickerbocker pointed out that Rackham does not take any mentally retarded children only those with physical disabilities. Rackham instructors work with the parents and the child and Mrs. Knickerbocker describes them as "exceptional teachers with endless patience." She, as perhaps many have, thought it heartless to send an emotionally disturbed child to a special school often to live there for long periods of time. "Now," she says, "I can see why. Those schools and teachers are trained to help the child develop to a potential that parents could never achieve alone. Although Keri has never been nor is she mantally handicapped, through her we have learned a great deal."

Keri's teacher last year received ther training at the John Tracy School for Deaf in California, a school founded by the late Spencer Tracy in memory of his son. Today the UM has such a training program with many of the students on a student-teacher basis at Rackham. Swimming amd gymnasium exercise are also part of Rackham curriculum and closed circuit TV is invaluable for observation ny teachers, Oscar Eschelbach, Mrs. Earl Alber, Mrs. students, and on special days, visitors.

Eight year-old Jill and Hollis, Jr. 12, are also an important part of Keri's learning process. "They treat her as an equal...arguments and all." Mrs. Knickerbocker added. Often Jill will read to Keri, many times helping her pronounce a new word, teach her a new game or relate color book pictures with words, naturally and with a sister relationship which helps Keri to learn. "We don't baby her anymore than any family would a youngest child," the Knickerbockers pointed out. "We've been told and realize that you cannot feel sorry for them for their own benefit. They must learn to be independent as any child should."

A country with an unsurpassed amount of knowledge is shockingly low on an international list of birth defects. The United States is 17th on that list. "And we shouldn't be," Mrs. Knickerbocker said. "We know the dangers, the warning signs and the effects of Rubella are nationally known and the publicity alone should warn thousands of mothers yet we have so many children who suffer needlessly from the effects of Rubella. A few years ago wo didn't have that vaccine, now we do. It's high time we realized the full impact of that "harmless" childhood disease...Rubella, more commonly known as the 3-day measles or the German measles. "If some day you feel sorry for your-

self, come to Rackham. You'll know then how fortunate you really are." March of Dimes Chairman Mrs. William

Bunney reminds Manchester residents that the Village march is scheduled for Monday, January 25th through the 30th and will continue through the 27th.

Won't you help Keri and so many others like her to achieve full hearing and speaking with your dimes and dollars? Your thanks won't be much...only a silent thank you from a little girl who is still learning that too often taken-forgranted blessing..sound.

LOCAL BLOOD CLUB ADDS 62 PINTS

In spite of bad weather January 14, seventy-five people came to the local Bloodmobile to offer their g ift of life for the Manchester Community Blood Club. Sixty-two pints of blood were donated to the local bank and most of the thirteen who were deferred will be able to give in the future except hepatitis victims who are still banned.

With the average use of the bank now at 10 pints per month, the committee is hoping to be able to schedule another Bioodmobile in June, July or August. The date will be announced as soon as possible. Besides the blood donors thirty local volunteers assisted the professional crew that attends the unit from the Red Cross Southwest Regional Blood Bank in Detroit. Mrs. Millard Uphaus was Chairman-of-the Day and Dr. Wm. Purfield and Dr. D.M. Petersen share the hours of responsibility The Emanuel Church of Christ furnished the facilities for the clinic.

Registrars were Mrs. Finn Olsen, Mrs. Dan Boutell and Mrs. Ina Ayers. Registered nurses from the area who

volunteered their time were Mrs. Stanton Roesch, Mrs. Ameleto Simmons, Mrs. Alvin Kappler, Mrs. Harold Settles and Mrs. Floyd Parr. Nurses Aides included Mrs. James

Pratt, Mrs. Morgan Kern, Mrs. John Wallace, Jr., Mrs. Robert Achtenberg Mrs. Ronald Jenter and Mrs. Ralph England Volunteer drivers transporting donors from Double A Products were Millard

Uphaus, Joseph Schwab and Herman Kuebler, Manchester Tool and Die and the Stamping Corporation also gave the clinic full support. Canteen helpers for Mrs. Lorenzo

Steele were Mrs. Harry Sutton, Mrs. Ernest Kenner, Mrs. D.D. Ludwick. Mrs. Basil McGuire, Mrs. Duane Braun, Mrs. Walter Vogt, Mrs. Edward Steele and Mrs. Mable Acton. The sandwiches and cookies were furnished by the Emanuel Women's Fellowship and the juice for the donors was given by the American Legion Auxiliary.

The Manchester Red Cross Blood Club honor roll of gallon donors has now reached 30 with the addition of Mrs. Ardis Scheid, Harry Sturdevant, Gerald Randall and Albert Hoeft, Jr. A new 2 gallon donor bringing that group to ten, was Alfred Strang. Two more 3 gallon donors joined Edward Galloway. They were Rolland Grossman and Laurin Leeson.

Most of the 70 on the honor roll as well as other in the area have given more pints of blood than their credits show. Records are hard to keep because many donors give to more than one club, they lose their cards or often carry two or three. Complete records for the Manchester Club are on file with the committee since March 15, 1957, but the Club has been in existence since 1951. Many had given before the Red Cross Community Blood Club Program was established to Michigan Department of Health which held clinics following World War 11 for Veteran's Hospital needs, and they were called upon by local families to meet a crisis when blood was needed.

Many in the area give to the Red Cross Club at their place of employment and or their community club. All are coordinated remember 769-2300 or its listing, call the they may draw their needs from that club by the Red Cross to meet the needs of all the people. Everyone in the Manchester School District, all of Manchester Township and employees and their immediate families of Double A Products, Manchester Tool & Die and the Stamping Corporation are covered by the Manchester Community Red Cross Blood Club. This is why it is so important that everyone able to give in these categories attend a local Red Cross Bloodmobile or one more convenient to him.

When blood is needed it must be reguested from the club's committee or the public relations office of the plant in which the individual works. Red Cross is free---it

NEW DEPARTMENT SET UP

Mr. Ray Rasey, Jr. has been given the position of installment loan manager at the Union Savings Bank of Manchester, Mr. William K. Cray, President, stated it was necessary to set up a separate loan department because of the growth and volume of business being handled at the bank. This could be handled more efficiently and give better customer service by setting of a separate department and under the supervision of highly trained and skilled

Ray is 39 years of age and has for this length of time had a great amount of experience with which qualifies him for managing for a manager of a bank installment loan department. He attended college two years and graduated from many American Institutes of Bank courses, such as money and banking, commercial law, negotiable instrument law, principles of banking, analyzing financial statements.

He was with the Ohio Citizens Bank and Trust of Toledo for 12 years. During this period of time he was in the installment loan department and dealing with Consumer credit. He was later promoted to assistant manager of collections, then collections manager. Subsequently he was assistant manager of the entire small loan department, which had about \$23,000,000 in loans. This gave him charge of dealer loans and floor plan financing.

Ray and his family are no strangers to Manchester. His wife, Barbara, lived in Manchester the first three years of her life. Ray was born at Napoleon, Ohio, and they have three sons age 18, 10 and 6 All of them are looking forward to being in Manchester area when housing is obtained. They now reside at 924 Hawthorne Avenue, Temperence, Michigan 48182.

Ray is a two year veteran of the Korean War. He and his boys enjoy outdoor life and he has been very active in local community and civic organizations.

769-2300 FOR SUPERIOR AMBULANCE SERVICE

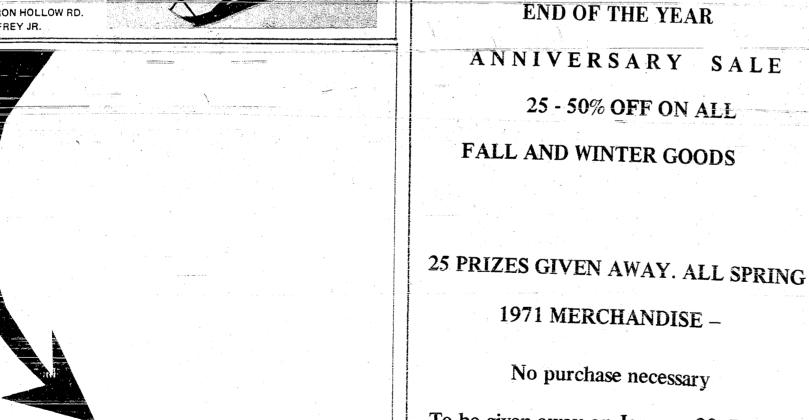

Superior's number is not listed in the yellow pages under ambulance or the white pages under Superior. It is listed under Ambulance Service by Superior in

the white pages with the Southfield number. If you need an ambulance and can't operator, the Sheriff's Dept. or the Ann Arbor Police Dept.

All other ambulance Companies that operate in Washtenaw County are listed in the directory.

HIGH SCHOOL EXAMS

Manchester High School Exams will be on the 28th and 29th of January. These exams will mark the end of the first semester.

to register. You do not have to be present

TRICKEY'S INC.
