AGRICULTURE IN ACTION

By Carl P. Keitner
MICHIGAN FARM BUREAU

As any taxpayer can testify, government, over the last decade, has been the nation's number one growth industry with very few exceptions. Expansion at the federal level continues and so does the amount of money it requires.

If spending is held at the \$250 billion level, proposed by the Administration, it would still mean an \$18.4 billion increase in spending over last year. This would mean a deficit of \$25 billion in the 1973 fiscal year ending next June 30. Even without any new major social programs, spending and debt could rise by another \$5 to \$10 billion, bringing an even more intolerable deficit of \$30 to \$35 billion.

It doesn't take much imagination to conclude that such a level of spending will build an inflationary pressure that it will be impossible to restrain it. The only place the money can come from is taxpayers through additional taxes. The buying power of workers is supposed to be up 4.1 percent from a year

ago. But for most people, it's tougher to make ends meet now than ever before. U.S. News and World Report figures bear out the fact that the financial pinch on most families is not imaginary. As U.S. News and World Report puts it, "If you need an income that is at least 34 percent more than you had seven years ago merely to stay even with inflation and taxes."

And so the pressure mounts, government spending trends and growth continue. Congress passes legislation which requires more money than the federal government collects. Taxpayers will have to dig deeper in their pockets to pay the bill. In the long run, the only way we can put the lid on the inflationary pressure and save the taxpayer is to stop or slow down government spending.

LETTERS TO THE EDITOR

Dear Editor:

I believe the voters of Sharon Township have a right to feel proud of themselves for the interest they showed in the November 7, Election. In spite of very bad weather and a continuous long line throughout the day, they still recorded (with absent ballots) a 90% turn out of registered voters. This is something few communities ever achieve. There is another fact about our election I think is noteworthy. After a check of the registration record it appears that 100% of our voters in the 18-21 bracket cast a vote.

There were two other instances where the people felt their vote was very important. One young lady found time to stop for an absent ballot while on the way to the hospital trying to beat the storm. Another voter who was confined in the hospital and missed the absent ballot deadline returned home long enough that afternoon to go through the line and vote.

When people show this much interest, as the entire Township electorate did, our democracy is still very much alive.

Sincerely yours,
Duane Haselschwerdt
Township Clerk

KALAMAZOO COLLEGE NEWS

Over 400 freshmen, coming from 25 states and 8 foreign countries, began their undergraduate careers at Kalamazoo College this fall, making the Class of 1976 the largest in the school's 139 year history.

The private four-year liberal arts college, located mid-way between Detroit and Chicago, has a total enrollment of 1385 students.

Structured in four-quarter, twelve-month academic years, the on/off campus study pattern of the Kalamazoo Plan for Year-Around Education features off-campus programs in career related job situations, study abroad, and independent research - opportunities which make up an undergraduate program unique in the diversity and depth of educational experience it offers.

From the freshman year, entirely "on campus" at Kalamazoo, students have the opportunity to begin the kind of individualized, independent study which will constitute an entire quarter of "off-campus" work by their senior year.

For freshmen, the various department's Freshman Seminars offer a variety of specialized topics to be studied in an in-depth, small-group structure. The Freshman Independent Problem courses have one-to-five students working closely with a professor in a research-oriented, problem-solving approach.

The Senior Individualized Project in the fourth year, in which students have one quarter off campus for individualized work of their own design, is the third off-campus phase in the Kalamazoo Plan.

Kalamazoo students participate in the first off-campus program, Career/Service, in the sophomore year, usually during the spring quarter. The College's Career/Service Office places students in nation wide locations where they gain actual job experience in areas of projected career interests or in community service positions.

Designed for the first two quarters of the junior year, the College's Foreign Study Program sends participating juniors to its centers in Europe, Africa, South America, the Middle East, and Far East. 90% of recent Kalamazoo graduates have participated in the Program which has placed over 2,000 students in foreign study assignments since 1962.

Participating from the Manchester area is Laura Sutton, daughter of Mrs. Hugh R. Sutton of 308 East Main Street.

Township Meeting

The regular meeting of the Manchester Township Board was held in the Village Hall, Monday, October 9, 1972 at 8 pm.

The members present were Clarence Fielder, Waldo Marx, Dorothy Burch, Lyle Widmayer and Ambrose Lentz. The clerk was then asked by chairman Fielder to read the minutes of the last regular meeting held September 11, 1972.

It was moved by Lyle Widmayer and seconded by Ambrose Lentz to accept the minutes as read. Motion carried. The following bills were presented by the clerk for acceptance and payment by the township board at this time. The Manchester Enterprise \$51.80, The Ace Hardware - fire equipment \$16.26, Grossman Huber Service - Fire Dept. \$31.97, State of Michigan Social Security Contribution Fund \$360.29, Internal Revenue Service - withholding tax \$129.56, Manchester Township Library, quarterly payment \$1,375.00, Robert Harrison Washenaw County Clerk - Cost of County Board of Canvassers \$27.13, Manatron Inc. - Three tax trays at \$6.50 each \$19.50.

It was moved by Ambrose Lentz and seconded by Lyle Widmayer that these bills be accepted by the Township board and paid as read. Motion carried. Waldo Marx, Clerk

United Fund Reaches Goal

All Divisions have completed their solicitations, with the exception of the Industrial Division which is expected to be complete this week.

The total goal of \$16,382 has been reached - the thermometer is now 100%. The Division Chairmen are completing their records and will make their final reports at a meeting of the Board on November 29 at the F. M. Reck Memorial Library, Manchester High School, 8 p.m.

All areas have met their required goals and the General Chairman, Donna Gill, reports the drive to be a complete success. Total cooperation of all solicitors and Manchester area residents has helped to make another successful year for the Manchester Community Chest.

AUXILIARY DOLL RAFFLE

The Manchester Jaycee Auxiliary will again this year sponsor a doll raffle. In addition to the doll and her wardrobe, a Case tractor set may be won by some lucky boy or girl.

The doll, her wardrobe, and tractor set will be on display in the window of the Donut Time Shop starting November 18. The drawing will be held December 9.

Tickets may be purchased from any Auxiliary member or at the Gambles Store. The tickets are 50¢ a piece or 3 for \$1.00. All proceeds will be used for community projects. Get your tickets now.

JC's Operation "Red Ball"

The Jaycees are having a Red Ball Drive. A Red Ball Drive is a drive to get all the people in the Manchester area to use the Red Ball stickers. These stickers are to be placed in the windows of the room of any children or elderly persons, who might have a hard time getting out of the house in case of emergency. This sticker would show a policeman or fireman where to go first if someone was caught in the house or just unable to get themselves out.

We hope all the people in the Manchester area will join in this Red Ball Drive.

This is a nation wide drive, being done all over the United States. These stickers could save someone in your

family. Stickers are free and can be picked up at any of these places: Grossman & Huber Gulf, Spikes Mobil, Krauss Pharmacy, Union Savings Bank, Keith's Barber Shop.

Thank you,
Manchester Jaycees

To Each His Own When It's Pumpkin Pie

Everyone has his or her own taste preference when it comes to pumpkin pie. Some like it dark with spices and brown sugar. Others prefer a golden colored pie with white sugar and few spices. For spice, those who favor the light type pie, add only a little ginger. A small amount of corn starch added to either variety helps to stabilize the custard and make a creamier pie.

Sally's Pumpkin Pie

3/4 cup sugar
1 tablespoon corn starch
1/2 teaspoon salt
1/4 teaspoon ground ginger
1 unbaked 9-inch pastry shell

3 eggs, slightly beaten
1 1/2 cups canned pumpkin
1 (13-fluid ounce) can evaporated milk

Mix together sugar, corn starch, salt, ginger and eggs. Add pumpkin and evaporated milk, mixing until blended. Strain if an extra smooth filling is desired. Pour into pastry shell. Bake in a 400° F. (hot) oven 15 minutes; reduce temperature to 350° F. (moderate) and continue baking about 40 minutes or until knife inserted into filling 2 inches from edge comes out clean. Makes 1 (9-inch) pie.

Twentieth Century Club

Seventeen members of the Twentieth Century Club of Manchester were present at the first regular meeting on Tuesday evening, November 7, at the home of Mrs. Ray Kier.

Following the business meeting, Mrs. Walter Vogt gave an interesting report on the history of the club, which was organized in 1939. Coordinating with the program, Mrs. William Dobransky then gave specific ideas and help to the members in carrying out this year's program theme "Women - Life - Yesterday, Today, Tomorrow", as outlined by the program committee.

Plans were formulated for the annual Christmas party, after which refreshments were served by the hostess assisted by Mrs. Robert Swartz.

Early Publication Next Week

Due to the Thanksgiving Holiday and early publication of the paper, all news and advertising copy must be in by Monday noon on November 20. Your co-operation will be appreciated.

BASKETBALL PREVIEW

This year's varsity basketball team is holding an intrasquad scrimmage which will be open to the public. There will be no admission charge.

League officials will be present to explain all the new rule changes for the upcoming season.

The scrimmage will be held on Friday night, November 24, at 7:30 in the High School Gym.

We hope to see you there.

Deaths

Mrs. Clarence (Edna) Lindbert
113 Beaufort St.
Manchester

Age 78 years a life long Manchester resident died Sunday at the Herrick Memorial Hospital in Tecumseh.

She was born October 15, 1894 in Manchester, the daughter of John and Pauline Reichert Rauschenberger. She was married to Clarence Lindbert on July 15, 1916. He survives.

She was a life long member of Emanuel United Church of Christ and of the Womens Guild of the church. In addition to her husband she is survived by one son, John of Jackson, two daughters; Mrs. Frederick (Marian) Seyfried of Ypsilanti and Mrs. James (Marjorie) Hayner of Hamburg, twelve grandchildren and several nieces and nephews.

She was preceded in death by a grand-daughter and a sister. Funeral services will be held Wednesday 1:30 pm, at the Jenter Funeral Home. Rev. Joseph W. Wise will officiate. Burial will follow in Oak Grove. Memorial contributions may be made to the Emanuel Church Building Fund.

CROSS-COUNTRY TEAM CAPS BIG YEAR

Our Manchester High cross-country team finish its 1972 season Saturday with the Fall Athletic Banquet. The Dutchmen barriers were 7 - 3 this past season, the finest season in the schools history.

Receiving the "Most Valuable Runner" award for the second year in a row was co-captain Jose Arana. Arana crossed the finish line first in 6 dual meets this past season. Jose also placed 15th out of 210 runners at the Regional meet, and was 3rd at the League meet.

Junior Tom Guenther, who moved up from 7th man varsity last year to 2nd or 3rd man this past season, was voted the "Most Improved Runner" by his teammates.

First year man Sophomore Phil Kroyzansk was voted the "Most Promising Runner" by his mates. The "Most Promising" award goes to the Freshman or 1st year Sophomore runner who show the potential to excel in

cross-country in the future.

Sophomore Joel Tobias, who was consistently the fourth man on the Varsity, was elected Co-Captain of next years team along with Tom Guenther. Varsity Coach Larry Steeb cited the fine attitude and gutsy performance for the great improvement shown by this years team. Last years team won only 2 meets as opposed to this seasons record high of 7.

Card of Thanks

Thank you and the following people: Lauren Berke who helped with the Halloween Party, Ted Tapping for his help at the gym, Simon Steele for the publicity, the room mothers for judging, the kids for coming, all the Jaycees who helped that night, Albers Orchard and Donut Time U.S.A. for the cider and donuts. And ESPECIALLY my committee of Jaycee Auxiliary, Pat, New, Joan, Carol, Diana, Sharon, Cheryl and Orlin. You were great!

Harry Macomber

To all of you my dear neighbors, relatives and kind friends who remembered me in so many countless ways through my long illness in both hospital and since I returned home. I am most grateful, sincerest thanks.

Mrs. Frank (Winnie) Riedel

"Words cannot really express our appreciation and gratitude to every one who helped in the recent campaign. Warm thanks for your support and encouragement."

THE MANCHESTER ENTERPRISE

106TH YEAR NO. 4 10 CENTS PER COPY THURSDAY, NOVEMBER 23, 1972

Today's living is far removed from the life of the Pilgrims who set aside a special day in 1623 to celebrate a bountiful harvest.

For nearly two years the Pilgrims had worked together as a unit for the "...common cause and condition" under the terms of the Mayflower Compact with very little success. Life in the new land became increasingly difficult, everyone seemed to be working hard so all could be provided for equally, but the cribs and bins were not filled.

In 1623 Governor Bradford proclaimed a new rule allowing every man to till, plant, harvest and store that which he desired. Under the new system, more corn was planted than ever before in hopes that a family would have more than their own requirements and some could be used for trading for other goods and services.

From that beginning, a nation has been built and a Thanksgiving Day was added to our calendar.

We need to ask ourselves at this season, is there a better country than this which the Pilgrims gave us? Is there a country with a superior economic and political system, where the individual has a greater chance for personal achievement? Is there a country that provides for its people better health, educational and social opportunities? Is there a country that grants as much personal or group freedom? Is there a country that offers its citizens travel, recreation and communication systems equal or better than we have? Is there a country that enables such a large number of people national well-being?

I am sure most any citizen of the United States can find a few items he or she feels should be changed or improved upon. But if we take time out and evaluate our living conditions and can compare our standard of living with that in other parts of the world, we will find a lot to be thankful for.

Wrestling Team Starts Praticce

The 1972-73 version of the Manchester wrestling team started practice last Wednesday, November 15th. There are thirty boys on this years team who will try to retain the conference championship that they won last year.

Mike Johnson and Randy Seegert are the Co-Captains and should lead the group of returning lettermen which include four boys who went to the state finals last year.

Coach Gulliver said, we have a good over all team, but need more freshmen and sophomores in the lighter weights. We have a big gap to fill at heavyweight after losing a state champion, but Hollis Knickerbocker and Bob Brady look like good prospects. We will have some outside scrimmages next week which will help tell what we have.

Next week we will have a list of boys and pictures with possible starters for the season opener November 30, with Columbia Central.

Saline Hospital to Build Medical Complex

The Board of Directors of Saline Community Hospital today announced plans to build a \$3.1 million hospital facility. Construction is scheduled to begin January, 1973, and be completed in approximately twelve months.

Three basic elements comprise the new hospital complex:

- (1) The present hospital building will be converted to a medical sciences center housing a doctors' clinic.
- (2) A new central core building will house greatly enlarged facilities for emergency care, radiology, surgery, laboratory and administrative functions.
- (3) A four-wing hospital section will increase inpatient capacity from 26 to 82 beds.

"Most importantly," Ernest Girbach, Chairman of the Hospital's Board of Directors stated, "the new hospital will provide the area with greatly needed additional inpatient and emergency facilities. Our growing community requires this expansion to alleviate present overcrowding and to adequately provide for future population growth in the area."

A 152-bed extended care facility will be built adjacent to the complex by the Detroit Evangelical Home, an affiliate of the United Church of Christ. "Although this extended care facility will be funded independently, its presence within the new hospital complex greatly improves the scope of medical services we can provide area patients," Stanton G. Roesch, Chairman of the Hospital's planning and building committee went on to state: "Obviously, by having extended care in such close proximity, patient transfer problems are minimized and emergency care opportunities are greatly improved."

American Indian Sunday Observed

The Emanuel Adult Fellowship held their annual family Thanksgiving dinner Sunday evening in the Fellowship Hall. Following the dinner a business meeting was held headed by Mr. Art Williams. A program was presented following the business meeting on the American Indians. The Order of the Arrow Dance Team with Keith Whitaker on the drums entertained the group with several Indian dances.

Special guest speaker was Moose Pamp who is the Native American Advocate at the University of Michigan in Ann Arbor. Moose commented on the problems, past and present, of the American Indians thousands of miles from their homes to boarding schools the purpose being to assimilate them into the white culture. He felt this led to the high drop out rate and high suicide rate among the Indian children. Another aspect of much concern is the continual dwindling of their reservation land. Moose said that few people realize even today the Federal Government keeps taking away reservation lands for parks, dams, etc. The question was brought up concerning the recent take-over of the Bureau of Indian Affairs Building in Washington. Moose was there and in charge of Outside Security and explained the reason for the take-over. He said it was the result of much frustration after aides from both political parties refused to meet with them as they had promised and after the army had stopped them from holding religious ceremonies for the American Indians buried in Arlington National Cemetery. Moose said he did not condone what happened as far as the damage to the building was concerned, however, after every avenue of communication had been rejected some of the younger Indians released their anger at the building. Moose questioned the \$2,000,000 figure released as the amount of damage done to the building. In answer to a question of what they had gained, Moose said it would take perhaps one or two years before they would know if the results were positive or negative. He said after over 300 treaties being broken by the white man, sometimes you have to hit them in the head to make them listen. He summed up by saying that the Indians wanted the freedom to be self-supporting, practice their own religion, make their own decision for their people and be able to put industries on the reservations to keep their people together on the reservation. He stated that the needed changes are not possible until the Bureau of Indian Affairs is stopped from having a life and death hold over the Indians' lives.

Faith Community Church Pastor

Rev. Ken Kuepper who was born in the Detroit area, has accepted the pastorate at Faith Community Church, he received his Bible training at Detroit Bible School and graduated from Moody Bible School and also graduated from Grace College Seminary, at Winona Lake, Indiana.

The first church Rev. Kuepper pastored was in Canada. The last few years he has resided in Kalamazoo, helping Mission Churches get started through Grand Rapids Bible School.

Mrs. Marjorie Kuepper also from Detroit is a registered nurse and also graduated from Moody Bible School.

Rev. and Mrs. Kuepper with their children, Ruth Ann, Larry, Tim and Bobby will be moving to 15999 W. Austin Road this week.
