In Retrospect

I see it was in one of the high-class home decoration magazines that porches are in style again, and I'm glad. Porches use to be an integral part of life and of house and home, but as "ranchers" and air conditioning and television and all the other indoor facilities including the recreation and family room came into being, the porch became deader than the dodo.

But it wasn't always true. I can remember when porches were an important part of life-the front rorch, the side porch and the sleeping porch. The front porch and the side porch too, in many cases, boasted wicker chairs and a swing that hung, suspended from the ceiling on chains and in the cool of the evening, long before air conditioning, you could hear the glider or swing moving rythmatically, and sometimes forth from one of them would come a giggle emerging from sis who was therein entertaining her boyfriend.

On the side porch there was often harrinock, woven from cotton cord, and in it after supper or on Sunday afternoon, father could be found where he had found just the place to rock himself to sleep. There was no TV and therefore no baseball, football nor Continued on page 5

District Court Judge Kenneth Bronson To Speak At Manchester Village Association Meeting

Judge Kenneth Bronson will address members of the Manchester Village Association at their meeting on Wednesday, June 13th at 7:30 p.m. at the Bauernstube Restaurant. All interested parties are encouraged to attend. Judge Bronson, who was noted for his outstanding legal accomplishments by WHO'S WHO IN AMERICAN LAW will answer questions of those at the meeting.

Prior to becoming a District Judge, Judge Bronson served in the City of Saline from 1965 through 1968 as Justice of the Peace. From 1970 through 1977 he served as a member of the Bar Advisory Committee governing the operations of the Michigan State Bar Journal and for the years 1974 through 1977 as the Chairman of that committee, as well as serving as a trustee of the Public Corporation Law Committee. Judge Bronson has a reputation for providing speedy trials and has often expressed concern for keeping costs and delays down for litigants including local

units of government. Judge Bronson lives in Ann Arbor township with his wife Andrea and their six children.

He has been a District Judge since elected to that position in 1974.

Village Curb Pick - Up May 14th

The Manchester Village Association is a relatively new group of folks with diverse backgrounds and interests who work, live, and/or shop in Manchester and who share a genuine concern for the Village.

In an effort to help us all take pride in what is a very special village, the Manchester Village Association is sponsoring, with the cooperation of Bruce Daniels and Public Works Department, a village wide curb pick up on Thursday, May 24th. Anything that the Refuse Transfer Facility will accept and that can physically gotten to the curb, will be disposed of. TOWNSHIPS TO FIGHT COUNTY

The Supervisors of Freedom, Sharon, Manchester and Bridgewater Townships, have met with legal council to initiate an appeal of the assessment increase imposed on the rural Townships of Washtenaw County. The increase was mandated by a State Tax Commission study that found agricultural lands assessed low, relative to recent sales. All property is supposed to be assessed at 50% of market value.

The Townships are not contesting the State study, even though they do not agree

Benefit Recital Sunday at 7:30

The orchestra benefit recital is this Sunday at 7:30 p.m. Its a great opportunity to come and hear professional quality chamber music right here in Manchester while at the same time helping to finance summer camp scholarships.

Performing in this recital will be Mr. Cavid Gable, Ms. Susan Wolter and Mrs.

Joyce Meade. Mr. Gable earned his BH in performance from the University of Michigan where he has been in the position of graduate teaching assistant most recently. le was co-concertmaster of the University Symphony this past season and will be serving as concertmaster for the Ann Arbor Summer Symphony this summer. Mr. Gable has been teaching private violin students in Manchester on Tuesdays this year. We are

fortunate to have had such a fine performer instructing our young muscians! Ms Wolter is a free-lance performer on viola in the Ann Arbor area. She received her bachelors degree in viola performance

from Northwestern University. Mrs. Meade will also be performing in this recital. She received her BA in music education from Seinna Heights College and is currently employed as the orchestra

teacher in the Manchester School. The recital will last approximately an hour. Music by Bach, Duorc'k and Kreisler will be on the program. The music will be followed by a short reception with refreshments provided by Mrs. Lillie Miller, an

2nd Annual Street Fair

On Saturday, August 11, 1979 the village of Manchester will be holding its Second Annual Manchester Street Fair. This arts and crafts fair is being sponsored by the Manchester Art Guild in cooperation with the Manchester Village Association. All exhibit spaces will be located on Main Street in Manchester. A number of activities are planned for the day including children's theatre, music, demonstrations, and the merchant's sidewalk sale.

In order to encourage local artists and craftsmen to participate in this fair, they are being charged \$20 per booth. All other applicants are being charged \$30. Art work will be juried by members of the Manchester Art Guild and applicants should plan on sending three photos or slides along with their application form. Artists and craftsmen wishing to participate in the fair will receive an application form by contacting Karen Hinkley 428-9115 or Kathy Aiuto 428-9202. Applications are also available at the Manchester Art Gallery. All applications must be received by June 30, 1979.

additional imposed assessment, on the basis that they have no Ag. land in their units. The factors as imposed on the Townships are spread on all classes of property, so Residential, Commercial, and Industrial will all be hit with rn additional increase above what the Assessor imposed earlier in the year. The Supervisors feel this is grossly discriminatory, imposing this assessment on our Residential and Commercial properties, and not on the same types of

property in the cities. If the additional amount would have been imposed before the Board Of Review met, it could have been spread on the proper class of property, and the owner would have had an opportunity to appeal. Now, since the Board Of Review has adjourned, there is no

avenue for appeal for the property owner. As it now stands, the local Townships will have the following amounts added to their assessments: Freedom 8.1%, Manchester 4.5%, Bridgewater 8.9% and Sharon 9.0%.

Athletic Boosters Minutes

The regular meeting of the Athletic Boosters was opened at 8:15 P.M. by President Fitzgerald. Minutes of the April meeting were read

and approved. A treasurer report was given by Joe Moore and accepted. OLD BUSINESS:

On May 12, 1979 beginning at 9:30 A.M., Manchester Track will host the Metric Games. There will be 9 teams participating. Concession stand will be taken care of by the Boosters. We will also arrange for people to take tickets.

Mel Sroufe will see that some tables are put up there for that day.

A report was given by Denise Dresch on the All Sports Banquet, being held on May 20. 1979 at 2:30 P.M. Denise reported that all individual invitations had been put out,

being made and that a floral centerpiece was being donated by the Chelsea Flower

Jim Brink reported that the League Track Meets would be held on May 22, 23, 24. The boys will be run on Tuesday the 22nd, the girls on Wednesday the 23rd, and the Jr. High on Thursday the 24th. They will begin at 4:00 P.M. Concession stand will be taken care of by the Athletic Boosters. We will also arrange for people to take tickets.

Kathy Hagerman reported that she did not feel it was worth keeping the concession stand open for regular track meets. It will be opened for the Metric Games and the three league meets. A discussion followed. All present agreed.

Ted Stautz reported that there are S teams signed up for slow pitch. They have cast for the slate as presented. Helen had their organizational meeting and are all

Durwood Mulreed and Dick Krzyzaniak were present and said they they would like to make a donation to the Manchester Athletic Boosters to get some dugouts started at the new baseball diamond at Booster Field.

Also present was Dennis Helfrich who said the labor for the mason work would be

Skills Unlimited

Are you retired and wishing you had a specific part time paying job? There is an organization called Skills Unlimited in Ann Arbor that fills this need in that area. Now you have an opportunity to become a part of just such a group in Manchester.

Mr. Millard Uphaus and Mr. Ray Gonver are willing to try to develop a "Manchester Skills Unlimited" with the blessing of the Ann Arbor group. Their first step is to find out how many over-sixty men and women out there are interested in part time paying work. You can become a part of this project by calling any one of the following three people: Millard Uphaus, 428-7461; Ray Gonyer, 428-7613 or Linda Hartman, secretary of Emanuel United Church of Christ, 428-8359, Call on Tuesdays or Thursdays between 9:00 and 12:00 if possible.

In order to build a "skill bank" the men will need to know your interests and your qualifications if you are a retired person. You may even want to do "your think" at home on a special basis. When they have the necessary information, Mr. Uphaus and Mr. Gonyer will begin looking for employers in the area if possible so there won't be much driving involved. Hopefully, there will soon be a "Manchester Skills Unlimited" functioning here. Call NOW.

Politics isn't too bad a profession. If you succeed there are many rewards. If you disgrace yourself. you can always write a book.

Any way you cut it... it's a snap with a SNAPPER!

That's because a SNAPPER is a top quality, superior performing machine which is easy to maintain and will deliver years of dependable service. They're designed to get your work done faster and to perform more functions than their names suggest. Before you buy a mower or tiller, compare the quality and performance features of a SNAPPER. You'll find SNAPPER is worth more because it does more.

SNAPPER walk-behind mowers can broadcast, vacuum, and with inexpensive attachments, can bag, shred or mulch. SNAPPER extra "High Vacuum" riders can broadcast, bag and vacuum cuttings, leaves, litter, even pine cones, during high moisture conditions. SNAPPER tillers convert to walking garden tractors which can plow, cultivate or doze soil or snow.

Candle Dipping Workshop

A four hour workshop on candle dipping is being offered by the Manchester Art Guild. Participants will learn the art of dipping bayberry candles and each person can expect to make approximately four pairs of candles. Bayberry candles burn better and longer if they are dried for several months, so candles made at this workshop will be perfect for burning at Christmas time. The workshop will be held on Saturday, May 19 from 1:00 to 4:00 p.m. at the Methodist Church, Please call 428-7730 days, or 428-7238 evenings before May 16 to register for the workshop. Keeping Up With Sports

by Jon Hardenbergh

Last week was very busy with a wide range of activities going on. Also it was my most pleasant adventure this spring as the sun shone so I witnessed girls' track. Middle School track, varsity boys baseball and varsity girls softball.

Starting on Monday the varsity boys ich. nosted the Wildcats from Onsted. Steve Meicher took the mound and behind the hitting of mainly Rick Krzyzaniak posted his third win of the season with no losses. Rick belted 2 doubles and a 2 run homerun as teammates Craig Rogers, Bob King, Bob Weirich, Dan Burch and Steve each slugged two or more hits to make the score 9-3. As Over on the track our girls were having a this was being played the girls were doing battle in Onsted. We smashed out 16 hits to net 21 runs allowing Bernie Fielder to win her 7th in 9 decisions. Two or more hits went to Carol Rose, Daphne Nickels, Alisa Clark, Deanna Clark and Susan Ahrens. Onsted did have 15 hits but only 14 points

Tuesday was track day as the boys welcomed the Addison Panthers and the girls trekked to Addison. Unfortunately it was the black cats taking both meets as the boys lost, 84-48 with the girls bowing 82-41. Dana Clark led off the boys with a toss of 41' 10" for 1st but Addison captured the next 7 events. It was the 800 meter relay (Tom Tassie, Brian Broucek, Bill Hagerman and Steve Eversole) providing only our 2nd win and again it was another relay into the win column-the 400 meter with Steve, Brian, Mike Kempf and Gary Daniels. Tom crossed the finish line in front in the 300 meter low hurdles as Steve captured 800 meter run. We finished with Tom, Kurt Sauter, Randy Bondy and Steve taking the 1,600 meter relay. The girls fell to a league foe for the first time as our top point getters were: Deanna Clark in shot put, Gretchen Platt in 100 yd. dash, 880 yd. relay of Pam Martin, Jenny Feldkamp, Michelle Larock and Gretchen, Kay Eversole in the 440 dash and

Wednesday was a rest day for the high school so the middle schoolers took the track to host Morenci. It was a good day as the boys won 73-57 and the girls also tallied more to win 72-23. Listing the point getters: Dettling, Quayle, Mulcare, Drake, Shadley, Day, Stimson, Hoover, Henry, Johnson, Ross, Post and Duvall for the boys. For the girls: Mulcare, Gebhardt, Walkowe, Kniakynycky, Pratt, Goodwin, Pierce, Moore, Adams, Honer, Brokaw and Weir-

On Thursday, 3 games took place. In the first, we hosted Clinton in baseball. When these two schools battle-forget the records. They took us to our last inning ahead 4-3 but we came up with 1 to send it into extra innings. Clinton used our errors to score then held us to give us our second loss 5-4. field day pounding Morenci 92-31. Of the 15 events we captured first place in 11. The boys had traveled to Morenci and with 2 events remaining found themselves behind. so what did we do? We took the two mile run with a strong performance by Kurt Norgaard to creep closer, then captured the mile relay with Kurt Sauter, Karl Sauter. Randy Bondy and Steve Eversole. Unfortunately this didn't win it but it wasn't a loss either as it ended tied 66-66.

On Friday I saw a very exciting girls softball contest as we welcomed Addison. It appeared to be an easy win for us as after 3 innings we were atop 7-0 but they added 5 in their fourth making it 7-5. Well, in girls softball you can end the game in 5 innings if

you're 10 runs ahead and by the fifth we were up 17-8 with the bases loaded and 2 out. We didn't score so Addison came to bat and pounded us with 7 runs before we got them out so the final was close 17-15. Hits went to Nancy Egeler, Carol Rose, Deanna Clark, Alisa Clark, Susan Ahrens, Stacy

Junior Symphony Summer String Institute

Ames and Dephne Nickles

Manchester orchestra students in 5th and 6th grades will have an opportunity for fun and learning at the "first annual" Summer String Institute sponsored by the Manchester Junior Symphony.

This institute will meet twice weekly for four weeks. Activities will include regular orchestra rehearsals, clapping, stomping and running around in rhythms, small chamber music groups (good for use in summer church services) and of course gallons of Kool-aid.

Students from other area schools have been invited including Jackson, Chelsea, Adrian and Saline. Our goals are to learn more and to have

fun doing it! Mrs. Meade will serve as Institute

Co-ordinator. Other staff include Dave Gable, violin, Susan Wolter, viola and Eileen Benway, cello.

A young man being interviewed at one of our local banks for possible employment was asked if he was in the habit of lying, cheating, stealing or coming to work late. His answer was "No, Sir! But I can learn."

School Board Candidates' Night

Seven of the most important and powerful people in our community are the members of the school board. The range of topics that these people must consider and eventually vote on is wide * has far-reaching effects on our counity. Besides controlling the entire school pudget and hiring or dismissing all personnel, the board decides upon such diverse issues as whether to allow the Senior Trip Club to use school equipment, whether to repair the schools' roofs, and whether to reconvene the Athletic League Board Scheduling

Committee. Since the members of the school board are supposed to represent the community. it is important that members of the community have an opportunity to meet candidates for the school board and discuss the issues with them. On June 11, two of the following people will be elected to four-year terms on the Manchester School Board: Barbara J. Cartier, James F. Curley (incumbent), Paul Louis DuFresne, Joseph

F. Fitzgerald, and Dianne Schwab. On Wednesday, May 30, 1979, a School Board Candidates' Night will be held at the High School Library, beginning at 8:00 P.M. This will be an excellent opportunity to meet the candidates, hear statements from them concerning their goals for our schools, and ask them any questions you have concerning their positions on school issues. Please come. The Candidates' Night is

High School Bard **Presents Spring** Concert

The Manchester High School Band will perform its annual Spring Concert tonight at 7:30 p.m. on the High School lawn. In the event of inclement weather it will be moved into the auditorium. Everyone is asked to bring their own lawn chair or blanket for seating. The concert will open with transcriptions of two Richard Wagner operas: the Prelude to Act III of 'Lohengrin" and excerpts from "Die Meistersinger". Both these are some of Wagner's best-known music.

The band will perform a very new piece by Mike Leckrone, director of the Marchine Band at the University of Wisconsin. This piece, Cousteau's Underwater World, utilizes an electronicly prepared tape recording with the band instruments, producing a unique style of music. Also featured will be Analogue, a more conservative compositon, by the same writer. The march Questar by Eric Osterling will close the first half of the

After intermission there will be Music for a Ceremony by Morrissey, Tara Theme from "Gone with the Wind" by Max Steiner, and Overture for Winds by Charles Carter.

Paradigm by John Caruso is a sort of mini-Theme and Variations which the Band played for District Band Festival in March. This piece, quite contemporary in content, requires both the performer and listener to concentrate on the music because of the swiftness on movement between sections of the music. The concert will close with two arrangements by John Higgins, "Concerto for Prime Time" which is a set of television theme songs, and a 1950's collection, "The Golden Age of Rock & Roll". The Band Boosters will be serving refreshments. Admission is complimentary and the public is invited to attend.

IN RETROSPECT

that Memorial Day has, to a great extent, lost its significance. It seems to have become, to a great extent, another day that we don't have to work or that we don't have to go to school and a day when we can perhaps go fishin' or take a short trip or work in the yard. -

As I remember back some years Decoration Day, as it was commonly called then, was one of the year's important holidays. It was a day when there was a parade to the cemetery where quite an elaborate program was presented with one of the children reciting, with fervor, the Gettysburg Address and presenting The Battle hymn of the Republic, sung by the school chorus while the band which had led the parade to the cemetery, played a couple of appropriate numbers.

And most of the town was there too. Maybe then they didn't have so many other things that they could do. Most of us had no autos but managed to walk to these

The day before these services the school children had brought to school from home, flowers from which were made small bouquets, and one was placed on each serviceman's grave along with a fresh flag placed there by the local service man's organizations

In the school during the week or so before May 30 the students were regaled with tales of those who gave their "last full measure of devotion" for their country and that we should all pause on their day to honor their sacrifices.

Following the playing of taps and the firing of the salute by the veterans' representatives, the veterans and their families adjourned to their headquarters where they all enjoyed an elaborate meal and a social evening.

I don't think it would do a bit of harm if we all would take time on May 30 to hear the Gettsburg Address repeated for us and to listen to some words of praise about our basic way of life and if we would take time to gather at the local cemetery to do this we could still have time to attend a ball game or

And while we think about it, it wouldn't do a bit of harm either for our politicians

other form of sport.

and lawmakers to pause and listen too, and to repeat to themselves that this is at least supposed to be a "Government of the people, by the people, and for the people" and not one of the favored few for special interest groups.

It seems to me that our younger folks in particular, nowadays are not being indoctrinated as much as they should be, with a sense of pride in our heritages and our background and the fact that in order to keep our country great we must participate in its activities and perhaps even endure a bit of hardship now and then to keep it what it is and has been, and for which so many have given so much. It doesn't ove us a thing. In fact, we owe it for the opportunity of living in the best country in the whole

And not that it has a thing to do with Memorial Day, someone told me the other day that you had to be able to read and write to be able to vote but you didn't have to, to run for office. Sad but true.

Memorial Day Parade Monday, May 28

The Emil Jacob Post #117 invites all residence of Manchester to participate in our Memorial Day Observance.

The parade will begin at 9:00 a.m. on the Main Street Bridge, featuring Boy Scouts, Girl Scouts, Brownies and Cub Scouts. Emil Jacob Post #117 will conduct the ceremonies - all veterans in the area are invited to come out and march to the cemetery. Rev. Stanley Mckenzie will deliver the

address at the cemetery. All Legionaires and their families are invited to attend a pot luck dinner at the Legion Home at 12:30 p.m. Bring a dish to
