THE MANCHESTER ENTERPRISE

114TH YEAR VOLUME NO. 29 USPS 327-460 THURSDAY, MAY 14, 1981

HIT OR MISS by farley

We stumbled over a bound volume of The Enterprise and the Clinton Local (in combination) a few weeks ago and as we read them we found that life in those towns was a bit different in those days but not at all dull. Among the seemingly interesting items were the following:
The new liquor requires all screens, curtains or other devices to be removed from windows and doors so as to give an obstructed view of the bar at those times that the saloons must be closed. The penalty for violating these laws is a fine not exceeding \$200.00 and a jail sentence of from ten days to three months.

I hope to go to the realm above, when I lie down to die. I hope that choirs all clad in white will greet my wandering eye. I know that I'll be filled with joy, in regions free from care for angels tell me in my sleep that there are no kickers there. Though be the jasper pave, no soul will dare complain, though sunshine glows the ages through no spirits call for rain. Though crowns be half a size too small, no seraphs tear their hair, and all is joy because there are no kickers there. The music may be out of tune, no one will hold his ears, the robes may not be tailor made; there'll be no moans nor tears; the sandals may be often worn, none will ask for a better pair, for, Glory - the Lord of hosts, there'll be no kickers there. And when the celestial call for paving on the street, the man who gets the contract may work onward swift and fleet; no spirit will injuncts bring nor cranks nor croakers swear the realms above are free from chumps, there are no kickers there. Then take me from this vale of tears where cranks come to the front, where men who never work nor toil, still lie around and grunt; I long to wear celestial robes and climb the golden stair for well I know that in these lands there are no kickers there.-Ex.

The fire department, so called, tried to hold a meeting at the engine house, on Monday night but there was but a slim turnout.

Services were not held at the Baptist Church last Sunday as their supply of wood was exhausted.

It has been decided to hold the next State Fair at Jackson. It will be one week earlier than usual.

It is hardly probable that local option will carry in Washtenaw county where so many German People reside, yet the temperance people will do all they can to bring about the result. In Manchester where there are eleven saloons and a brewry the people have almost lost hope of accomplishing anything but other sections of the county may change the vote.

The coasting craze is at its height and the magnificent slide of Kief's hill have been thronged with coasters for several evenings.

Optimist Club Outstanding Citizen

Pictured - Mr. Ron Mann, Optimist Member, Kimberly Bristle and parents Mr. and Mrs. Stephen Bristle.

Kimberly Bristle, the daughter of Mr. and Mrs. Stephen Bristle, 9950 Saine Waterworks Road, and a senior at Manchester High School, is the March Optimist Club Outstanding Citizen.

Kim, whose hobbies include sewing, crocheting and knitting, has participated in band three years, been a member of various school play casts three years, the High School Choir one year, and has been a member of the National Honor Society two years. She is a member of the Learn and Sew as well as the Townline Workers 4-H Clubs and has served as president in each of the clubs. Kim is also active in the St. John's Lutheran Church youth group and choir. She also competed in the Michigan pageant for America's Junior Miss at Marshall in late January.

Kim plans to attend Michigan State University next fall to major in clothing and textiles retailing.

Alumni Association Plans

Letters will be mailed this week to all Alumni of Manchester High School inviting them to attend the 107th annual reunion of their association on June 13.

The Alumni Association of Manchester High School who's membership now includes more people than the population of the village is unique for its longevity in this era of mobility.

Although many members will be unable to attend because of distance, age or disability, the officers anticipate a capacity crowd for the dinner meeting to be held at Emanuel Church Hall at 6:30 p.m.

Although the classes of 1931, 56 and 71 will be specially honored by the association, many other classes plan special events for their members.

Mr. Carroll Dietle, Class of 31 will be the toastmaster and special music will be provided by The Varsity Choir of Manchester High School and "A Touch of Magic", an award winning female quartet.

Reservations must be returned by June 6. Questions regarding reservations can be answered by calling Sally Schiel at 428-7772 after 6:30 p.m.

Schools Present Art Shows

The Manchester Art Department will have a showing of High School Art on Thursday, May 14, 1981 in the High School Art room. The room will open at 6:30 p.m. and remain open until the High School Band Concert.

The 7th and 8th grade Art Class will have an Art Show, Thursday, May 28 at the Middle School in conjunction with the 5th grade Pioneer Days Open House and Middle School Band and Choir Concert.

Mayor Exchange Day Monday, May 18

The annual Mayor Exchange Day will be held Monday, May 18. This year we will be hosting the Mayor from Ovid, Michigan. Ovid is located 75 miles north of Manchester. There will be a cocktail hour beginning at 6:00 p.m. with dinner served at 7:00 at the K of C Hall. The price is \$7.50 per person. Tickets may be purchased at the Gambles Store.

SCOTLAND U.S.A.

The swirl of bagpipes and the swirl of kilts will fill Alma, Michigan the weekend of May 22nd as the town hosts its 14th annual Highland Festival and Games and truly earns the name "Scotland U.S.A."

The mid-Michigan town with a wee population of 10,000 annually opens its arms and exclaims "cead mille failte" (one hundred thousand welcomes) to some 80,000 visitors and guests including Governor William Milliken, Miss Dominion of Canada, Miss Michigan and Alma's Queen of Scots - all Festival regulars.

Since its conception in 1967 the Festival has grown to become the largest and most prestigious of its kind in North America. In addition to individual competition throughout the weekend in highland dancing, drumming and piping, the Festival will host the highly sought after U.S. Open Pipe Band Championships on Sunday.

Varsity Choir Concert

Upon returning from their annual trip, the Varsity Choir will perform their Spring Concert. This concert will be held on May 15, 1981 at 8:00 p.m. Prices are: \$1.50 Adults, \$1.00 Students, Senior Citizens are to be admitted free.

Annual Boat & Canoe Race Sunday, May 17th

There will be seven different divisions with a Sprint Race featured at the finish line in Manchester. Trophies will be awarded for the 1st three finishers of each division.
This will be a day to get out and join the fun!

LETTERS TO THE EDITOR

To The Editor:

On May 19th, we are being asked to vote on proposal A, a warmed over version of proposition C from last November's ballot.

Let's examine a few things it will do for you or to you. We are promised a 50% reduction in our property tax but only on operating millages. There is no provision to cut debt millage which will drop your exemption into the middle 40% bracket at the outset. If you own a business or a farm there are other repercussions. There is no exemption at all on your Business, Rental Housing or similar property owned by you, the taxpayer. If you are a farmer and own more than one farm, only the one on which you reside is eligible for any exemption. If you own land which is not contiguous with your farm homestead on which you reside there is no exemption for this property. The average farm is taxed from \$4,000.00 to \$10,000.00. The \$1,400.00 exemption on a \$4,000.00 tax bill is at 35% and with the debt provision the 50% cut in taxes is closer to 30%. On a farm on which the tax is \$10,000.00 the \$1,400.00 exemption is cut to 14%. Less debt millage which are not reduced brings the cut to 10 or 12%.

You are asked to raise the present sales tax of 4% to 5 1/4%, when you make a purchase, a product for \$1.00, you will pay 6% tax, for we have no way of paying 1/2 cent tax.

There is also the question of the circuit breaker tax which is filed on Michigan Income tax form C.R. A lot of people will

lose all or part of this income tax rebate.

Last but not least is the fact that most local governments are paid revenue sharing by the State. These monies could be cut or eliminated entirely. Also the costs of implementing proposal A are to be repaid in part by the State which has at this time not repaid costs of presidential primary of 1980.

To survive the costs of proposition A the local governments may have to drastically raise fees and licenses for services rendered, a lot of the costs which are absorbed by local governments at no additional costs to their constituents under present means open to them.

I for one hope when you enter the polls on May 19th that you are aware of the Pulling of wool over your Eyes" by proponents of proposition A.

Vote NO on proposal A

Sincerely,

Herbert G. Jacob

P.S. Do not forget that on April 15th each year your I.R.S. payments will be higher also your income tax due to State of Michigan, which will further erode your tax exemption. For your own sake vote NO on May 19th on proposal A.

TAX RELIEF - HURRY! HURRY!

C'mon, Rube, step right up to the Greatest Property Tax Relief Con Game in Town! Vote for tax relief on May 19th and get your own personal bottle of snake oil. Hurry! Hurry! Watch the Governor stuff some residential tax relief dollars in your left pocket while the Legislature steals more of them from your right pocket. Hurry! Hurry! They laughed at you on November 4th, Rube; step right up so they can do it again. They promised you Disaster if you cut their "gate" receipts. That one was no fun. You bit too easily. This con game has real exciting sport in it. In this one your property tax bill goes down up front and you get a 6% cap on increases. Watch it, Rube! Who gets the cap? Several other taxpayers in your district may get no increases because they let their properties deteriorate, and you may get a huge increase since the cap is applied district-wide and not individually. The snake oil boys failed to tell you that your individual property tax may increase much more than 6% per year. You like that one? How about this one? Maybe you noticed how weak Michigan's economy is...too bad. Business and industry get no property tax cuts. In fact, fat government will probably soon find a way to increase their taxes to make up for the residential cuts. Now, Rube, taxes are paid before profits are figured. If there is no profit, business has to raise prices or close up shop. Do you still wonder why people buy the other guy's cars? Buy this legislative snake oil and you can further jeopardize

your job — if you still have one. Do you know any unemployed governors or legislators? Of course not. You keep buying their snake oil. How do you like giving them centralized state control of your schools? Buy some more snake oil and that is what you'll do. C'mon, Rube, do you really think they will "replace" your lost local school revenue without telling you how to spend it? Sounds like a great way to guarantee their appearance of importance while stealing more of your freedoms. Don't go way! For all those of you who don't have enough money for the giant bottle of snake oil, they have a 1 1/4% sales tax increase size bottle. No one gets out of the Side Show tent without leaving some money. Hey, All you home buyers and car buyers, I dare you to compute the hidden or open cost of another 1 1/4% tax on those items. If those industries aren't dead yet, be patient. On May 20th they'll be back at the "Big Top" in Lansing laughing at you again. Hold tight. I'll bet they got a brand new label for their snake oil just waiting and ready to go. I wonder what special "benefit" they'll call that one.

Dear Editor:

Last November, the electorate of Washtenaw County rejected Proposal "A" by a margin of 79,617 to 26,756. That Proposal "A" was a whopping tax increase

which would have included an increase in the income tax! Now we are being offered another tax increase under the guise of a tax decrease! The new Proposal "A" which the State is spending \$3.5 Million of our tax dollars on to hold an election deserves the same fate!

The new Proposal "A" is really a "bailout" for the city of Detroit! Fiscal mismanagement over a period of years has brought Detroit to the brink of insolvency and Mayor Young is desperately casting about for some scheme to save his city! He has turned to his buddy, Bill Milliken, for help at the expense of the rest of the outstate taxpayers! Ten of the twenty-one pieces of enabling legislation needed to effect Proposal "A" deal in some way with the city of Detroit - this seems slightly suspicious!

Proposal "A" states that after December 31, 1980, 50% of your property taxes shall be exempt! Sounds good but according to an analysis made by Gerald Miller, the State's Director of Management and Budget, this depends entirely upon the wages of the homeowner! He could wind up paying more! The maximum relief from property taxes will be \$1400 - NOBODY WILL EVER RECEIVE IT! The elderly now may receive up to \$1200 under the "CIRCUIT BREAKER". The cities which levy income taxes will be able to cut them 50% with the State (that's us folks) making up the difference! Already Coleman Young is chaffing at the bit to hold an election raising Detroit's income taxes to 4%. The state (that's us folks) will reimburse

Letters To The Editor

Detroit for the lost income tax! It is possible that local governments will all replace the property tax with an income tax because it would generate more revenue! The Amendment also states that the "State May Assess Agricultural and Forestry Property" on the basis of their use! THE KEY WORD IS MAY!

NOW FOR THE JOKER IN THE DECK! Section 8 of the Michigan Constitution says that the State shall impose a 4% sales tax at the retail level. The added language states "THE LEGISLATURE SHALL IMPOSE ADDITIONAL SALES AND USE TAXES AT A RATE OF 1.5% ON THE SALE OR USE OF TANGIBLE PERSONAL PROPERTY" DID YOU NOTICE THE OMISSION OF THE WORD "RETAIL" FROM THE ADDED LANGUAGE? The state is going to be able to impose an additional 3c tax on our disposal of private property! Not only that but there is some reason to believe that this section will open the door for an additional tax on all phases of the manufacturing process from raw materials to the retail level! This would amount to an increase of 12-15%, NOT 1.5%!

Finally, The State only anticipates losing \$250 million in revenues which it will reimburse to units of local government. I believe that the Legislature has not

anticipated the rush in P.A. 116 by farmers to escape the dizzying increases in property taxes!

Dear Superintendent:

We congratulate the students, principals, and teaching staff of the schools listed on the attached sheet for their fine performance on the 1980-81 Michigan Educational Assessment Program (MEAP) test. Buildings having at least 75 percent of their students attaining 75 percent or more of the mathematics and reading objectives have been identified as achieving outstanding performance.

Obviously, many people play a part in helping students perform well. This is highlighted by those cases where seventh and/or tenth grade students are in a school building for the first year.

We ask you to extend our congratulations on the accomplishments of the students to the school staff and the citizens of the community. They have reason to be proud.

Sincerely,
William G. Milliken, Governor
Philip E. Runkel
Superintendent of Public Instruction

Board of Education

SPECIAL MEETING

May 6, 1981

The meeting was called to order by President William Broucek at 8:05 p.m. Roll Call: Members Present: DuFresne, Horning, Broucek, Mann, Bunney. Members Absent: Little, Cole.

The purpose of the meeting was to review the school facility report with Dr. George Richards of MJK Architects.

Dr. Richards reviewed the report pointing out the highlights to the Board. After a brief discussion it was moved by DuFresne to disregard option three which would have provided for moving the high school to the present Klager site. Supported by Horning. All yeas.

Discussion continued with the Board asking for additional information regarding costs of options and stressing that structural items such as roofs and heating systems must have a high priority.

Dr. Richards indicated that the additional data would be prepared. A meeting was tentatively scheduled for June 1, 1981.

Paul DuFresne indicated at 9:45 P.M. that it was necessary for him to leave to report to work.

Discussion took place regarding the organization of the millage campaign. All Board members indicated their willingness to work in support of the millage. The athletic boosters indicated their willingness to organize coffee meetings at which data could be presented to the community. Dr. Thompson and his building administrators will coordinate the millage campaign while attempting to involve as many groups as possible from the community.

It was moved by Horning and supported by Mann to adjourn the meeting at 10:25 P.M.

Respectfully submitted,
Eugene Thompson

Lambda Nu's Girl Of The Year

The sisters of Lambda Nu feel that Marsha has contributed a lot of time and effort of ideas to the preparation of this chapter.

She is one of the friendliest girls, always going out of her way to be kind. She has a cheerful attitude and happy outlook, looking for the good in people. All this and more has made Marsha Chartrand Lambda Nu's "Girl of the Year."

Xi Epsilon Iota's Girl of the Year

Members of Xi Epsilon Iota chapter of Beta Sigma Phi celebrated the national organization's Founder's Day with a husband-and-wife dinner May 2nd at Gilbert's Steak House in Jackson.

Outgoing President Lois Vitale thanked the members who served with her on the Executive Board for the 1980-81 year, and presented each with a gift.

The highlight of the evening was the announcement of Xi Epsilon Iota's "Girl of the Year"—the member deemed to have made the most worthwhile contributions to the group during the past year. She is elected by her fellow-members in secret balloting.

For 1980-81, the "Girl of the Year" is Dolores Bunney. She received a gift from the chapter, and a special gold badge to wear along with her sorority pin.

Recognize our youth—Michigan's future!

Beta Sigma Phi's Founders Day dinner was celebrated this year by Lambda Nu and some of the other chapters from Lenawee County at the Tecumseh Country Club on April 30th.

Lambda Nu was proud to announce Marsha Chartrand as their 1980-81 "Girl of the Year."

Marsha lives on Clinton Street with her husband, David and daughter Alyssa. She works part time at the Union Savings Bank.

Marsha has been very active in sorority and has done an outstanding job. Her attendance and participation has been excellent. This year she was chairman of our Ways and Means committee and worked hard at reviewing the chapters annual budget.

Manchester Village Planning Commission

April 7, 1981

The regular meeting of the Manchester Village Planning Commission was held at the village hall, with members present: Hinkley, Leeson, Grossman, Tracy, Alber, and Bond. Also Zoning Inspector Knauss.

The meeting was called to order at 7:30 PM, by Chairman Hinkley.

Minutes of the meeting of March 3 were read, and on the motion by Grossman, seconded by Alber, were approved.

It was decided that we should investigate an addition to the Zoning Ordinance to prohibit the parking of recreational vehicles within the front set-back of properties. That is, the "front yard", the open unoccupied space extending the whole width of the lot, and situated between the street line and the front line of the building. Member Tracy was appointed to meet with the village attorney to formulate such a regulation.

With regard to the proposal to extend the village boundaries to encompass a district which may be zoned for light industrial development (so-called "Industrial Park"), the Planning Commission representatives Hinkley and Grossman, with Township Supervisor Fielder, have met with the property owners of the area being considered, adjacent on the north to the Hoover International, Inc., Uniloy Division site, and otherwise on the east by Highway M-52, on the south by Hogan Rd., and on the west by Parr Road/Sooten Street. The owners of the various properties are Mrs.

Pat Post, two parcels of 7 and 8 acres respectively, and Mr. and Mrs. Thomas Post, 10 acres including the former Parr homestead. Also involved in the discussion was Mr. Rudy Scherberg, who owns the property east of Highway M-52, opposite the Hoover and Post holdings, which is also in consideration for the total Industrial Park project. All parties are in agreement. Chairman Hinkley named himself and Member Alber as a committee to develop feasibility studies as groundwork for continued planning.

On the motion by Tracy, seconded by Bond, the meeting was adjourned, at 8:40 PM.

SPINAL EXAMINATION

Your trouble is not just nerves, that's all, many people have been told. But nerves are too important to the body to be dismissed lightly.

Study this chart carefully. If you recognize a symptom, consider that its cause could be a pinched nerve.

A simple, painless and inexpensive spine and nerve test can quickly reveal if your problem is pinched nerve-related.

Thousands of area residents have spine related problems which usually respond to chiropractic care. This is our way of encouraging you to find out if you have a problem that could be helped by chiropractic care. It is also our way of acquainting you with our staff and facilities. Examination includes a minimum of 10 standard tests for evaluating the spine. While we are accepting new patients, no one need feel any obligation.

The Wheeler Family

Prosper J. Wheeler and his wife, Zadia Benham, came to Napoleon township first from Manchester, New York, then to Manchester village, where they lived in a house on the north-east corner of Jefferson and Ann Arbor Streets.

Mr. Wheeler's cooper-shop stood further to the east. It was built with gables to the east and west but Mr. Pomeroy converted it into a dwelling and turned it with a gable facing the street.

It was torn down and is replaced by the house of Bennet C. Root on the same site.

The family of the Wheelers were these: Austin J. who died July 29, 1847, aged 1 year, buried in the old cemetery.

Emily J. who died June 16, aged 18 months also buried in the old cemetery.

One son, William, became a portrait painter of some distinction. He is buried in Hartford, Connecticut. A portrait painted by him of Dr. William Bessac is owned by Edgar G. and his sister Ella Louise, children of Mr. and Mrs. John D. Kief, are owned by Mrs. Nestell.

One son, Prosper J. was in the mercantile business at the beginning of the Civil War, with Lorine Comstock on the south-west corner of Jefferson and Water streets. He died June 26, 1864, aged 29 years, 5 mos. and 25 days. He is buried in

Adrian. "Edward" was of roving disposition.

Adolph, born in 1842, died in Adrian in 1910.

Thaddeus was an Adrian businessman and he died sitting in his chair at the tea-table, December, 1912.

Benjamin Franklin was a colonel during the Civil War, previously a member of the State Militia. They had two children -- a daughter dying in infancy, and a son Walter W. Colonel Wheeler and his wife had been spending the winter in Adrian, since the death of his brother Thaddeus, intending returning to their home at Wolfe Lake, near Grass Lake, Jackson County. He was found dead in bed on February 5, 1913.

His daughter, Lydia, married Philo B. Millen, twin with Chauncey H. Millen of Ann Arbor. Philo was a blacksmith. He was a provost marshal for his district during the Civil War. He died in Jackson, at the home of his son, Chauncey H. on January 16, 1901, aged 73 years. Lydia Wheeler married Philo B. Millen in March 1849. She was born in Manchester, New York and died at Wolfe Lake, April 30, 1899, aged 69 years.

Prosper J. Wheeler died in 1877.

Married

Robert Lee Smith, Jr.

Beth Ann Widmayer

Beth Ann Widmayer and Robert Lee Smith, Jr. were united in marriage by the Rev. Robert B. Macfarlane. The ceremony took place at the Emanuel United Church of Christ in Manchester on Saturday, May 2nd, at 6:30 in the evening.

Parents of the bride are Mr. and Mrs. Lyle Widmayer of Manchester. The groom's parents are Mr. and Mrs. Robert Lee Smith, Sr., also of Manchester.

For her wedding the bride chose a gown of white silk organza, featuring a Queen Ann collar and bishop sleeves. Her bouffant skirt cascaded into a Chapel length train. The gown was accented with silk Venise lace and seed pearls. A large brim hat secured the silk illusion veil. She carried a cascade of ballenda roses and carnations.

Beth's Matron of Honor was her sister, Mrs. Thomas Flynn, of Scotia, New York. Her gown was an apricot celste knit with a matching silk organza jacket. She carried a

hand bouquet of ballenda roses and carnations.

Joan Schaible of Manchester, Dianna De Lawter of Anderson, Ind., Renee' Gonyer of Ann Arbor and Maureen Zsenyuk of Manchester were Bridesmaids. Their dresses and bouquets matched that of the Matron of Honor.

Keith Moore of Manchester served as Best Man. Ushers were Dan Heslip of Manchester, Tom O'Brien of Ohio, Dave Guenther of Manchester and Dan Turvey of Munith.

Larry Green was the organist and Sheryl Adron was the soloist.

A reception was held at the American Legion Hall in Manchester following the ceremony. Mr. and Mrs. Gary Bondy attended the guest book. Ann and Jean Widmayer served the wedding cake.

Beth and Robert honeymooned in Toronto and are now residing in Ann Arbor.

Starting on Monday, we saw our boys baseballers and our girls softballers take to the mound, both squaring off against Addison. In the boys contest it was a real nailbiter in which we scored 2 runs in the last inning to remain unbeaten league-wide, 3-2. Tom Malcolm started and finished to get the win but also scored the winning run. The Panther's pitcher wasn't very fast but he had good control and we just failed to execute properly. Tom's last ball rocked Addison as he struck out 12 but a walk, pass ball and a balk gave Addison a 2-0

lead into the sixth; this is when we tightened the tally to 2-1 on Larry Jacobs walk, steal with Brad Stetler's hit. In our final bats, Jim Krzyzaniak's fielders choice put him on first, then he stole second-Tom Malcolm grounded to third but their player threw wild, allowing Jim to score (2-2) with Tom going to second. Addison walked Nick Krzyzaniak, but Doug VanDeven bounced the ball up the middle to knock in Tom.

Varsity baseball - Jim Krzyzaniak played solid defense at 3rd base Thursday. Photo by Jon

In Girl's Softball, we had our pitching ace Alicia Seegert take the mound. The score was tied 2 all in the second and knotted 3-3 after four innings. In the sixth we picked up 2 runs through a sacrifice by Kathy Gots and a hit by Terri Stengel. This left Alicia the winning hurler after she had given up only 3 hits—striking out 10. Final tally was 6-3.

Tuesday was a sad day for our boy and girl runners. Addison came to town and although I don't know the final score - in the boys meet (it stood 42-21 Addison, after the field events). I did hear we fell. Unfortunately the tally for girls after the field events stood 42-13 Panthers, but we have a strong running attack. We did come up short 69-54 as they handed us our first L.C.A.A. loss. Kari Agin set a varsity

record in the 200 meter dash breaking the ribbon in 26.5 seconds.

Things sure picked up on Wednesday. In the J.V. Baseball contest I witnessed, we had little trouble with Summerfield as we sailed to a 12-1 win. The Varsity games were real seat-edgers. In Girl's Softball, Morenci scored in the first on an error, but we tied it in the second. As the innings moved on they added to their tally so we were down 4-1 with three batters left. Beth Vlcek got us going by capturing first and moving to third base on Alicia's single. Alicia then stole second. Carol Buss drove one run home with a single and then Mary Ridenour bashed a double, bringing in 2, tying the tally 4-4. Teri May then rapped a single, scoring Mary, making us 5-4 winners and undefeated.

ALECIA SEEGERT WINS AGAIN

The boys also had quite a battle as Morenci took them into extra innings. We batted in the tenth and Nick ripped a triple to score our man on first to break the 3-3 tie. Brad Stetler continued to down the Bulldogs leaving us victorious 4-3. Today was Brad's day as he hurled all 10 innings and posted his third win in as many starts. Brad also hit in the first 3 runs as our team record remains unblemished in the L.C.A.A.

Thursday, brought our trackers and I have no report on the doings of our boys. Our girls got back on the winning track with a 68-55 win over Morenci. Again we dropped all field events but proceeded to capture 10 of the next 11 running events. Kari's varsity record she set Tuesday, fell as she crossed the line in 26 seconds flat. In boys baseball we faced a non-league opponent in Grass Lake and handed them their first loss of this season 12-11. Randy Day started and I thought iced our win in the 4th by unknocking a 4-4 tally by slamming a grand slam homer. They just tied it 8-8 then we scored 4 and on came Nick Krzyzaniak to pitch (Nick threw one inning last year—before that—Babe Ruth League at 13 yrs. old). Well, Nick just made it as they scored 3 (12-11) and had the tie run on third—when he struck out the batter.

Friday came and our Girls Softball squad met Blissfield—the Royals took us into extra innings even at 1-1. The hero was Alicia Seegert as she smashed a home run to win the game 3-1. She struck out 15 as she allowed only one hit. Brenda Rose, Mary Ridenour and Teri May had two hits

each. The boys also had a tough time of it as after four innings it stood 2-2 but Nick's RBI single and Jeff Silkworth's sacrifice fly in the sixth gave us two runs for a 4-2 victory.

First of all, on Saturday, our Boys Baseball team had a make-up game with Clinton. After 3 innings of pitching Brad Stetler gave way to Doug VanDeven who threw 4 tough innings but in the 7th Clinton rallied from 8-2 to 8-5 when Nick Krzyzaniak came in and ended it. The final 8-5 with Tom Malcolm and Jim Krzyzaniak supplying bat power. As a team we now sit 9-2 over-all and 7-0 in the L.C.A.A. Also this day was the special Manchester Relays. In overall team score, Milan captured the top spot as we took fifth. In the boys division we posted wins in the shot put and discus as Dana Clark and Don Hagerman teamed up in both. In the girls division we did better with wins in the shuttle hurdle relay (Michelle LaRock, Kari Agin, Jenny Feldkamp, Laura Honer), 400 meter (Michelle LaRock, Laura Honer, Kari Agin, Carrie Petsch) and the 1600 meter relay (Kay Eversole, Gretchen Platt, Dawn Eversole, Kari Agin) with a winning time of 4:12.5 for a varsity record.

The area track poll that's updated weekly show Dana Clark still holding second in the shot put. The girls have Kari Agin in 6th in the 100 dash, 8th in the 220 dash and 2nd in the 220 hurdles. In the relays we hold 5th in the 440 and 10th in the mile (this ranking is for 2 weeks ago. The 4:12.5 gun by our milers Saturday would put us in 2nd). Alicia who doubles also is 8th in shot put and 3rd in discus.

NOTICE OF PUBLIC MEETING VILLAGE OF MANCHESTER

Notice is hereby given that the Village of Manchester will hold a public meeting on the Final Facilities Plan for the Village of Manchester Wastewater Treatment Project. The meeting will be held at 8:00 P.M. on June 15, 1981 in the Village Council Chambers located at 120 S. Clinton.

The Final Facilities Plan was originally prepared in February 1977 and has been discussed at one previous public hearing and one public meeting. The purpose of this meeting is to discuss the updated cost estimates of the selected project.

The selected project is described as follows:
1. Construction of new sanitary and storm sewers to effect separation of combined sewers for the purpose of eliminating combined sewer overflows to the River Raisin. Total Cost \$1,599,500. Local Cost \$921,100.

2. Sewer System Extensions on Ann Arbor Street, Wager Street, South Macomb Street, Logan Road, Grove Street, Adrian Street, Spring Lane, and Hibbard Street. Total Cost \$631,000. Local Cost \$455,000.

3. Upgrading and expansion of the wastewater treatment plant. Total Cost \$3,618,000. Local Cost \$740,000.

The preliminary user costs for a typical residential customer are estimated as follows: (Based on 560 customers)
A. Wastewater Treatment \$6.61.
B. Operation and Maintenance \$12.68.
C. Sewer System Improvements \$9.04.
D. Sewer System Extensions \$7.15.
Total Average Monthly Charge \$35.48.

These estimates are preliminary and will be revised based upon actual construction costs.

You are strongly encouraged to attend this public meeting to discuss the need for the project and the project costs.

Copies of the Final Facilities Plan may be reviewed at the Village Office, 120 S. Clinton.

Married
Leah Louise Marrison Steven Thomas Webster

Rev. Robert B. Macfarlane performed the ceremony uniting in marriage Leah Louise Marrison and Steven Thomas Webster on April 14, 1981. The service was held at the Emmanuel United Church of Christ in Manchester.

Parents of the bride and groom are Mr. and Mrs. Roger Marrison of Manchester and Mrs. Mary Lou Webster.

The bride's gown was of white satin with an overlay of chiffon styled with an empire waistline, long sleeves, standup collar and a full skirt ending in a chapel length train. Her chapel length veil was attached to a crown worn by her mother at her wedding. The sleeves, bodice, collar and bottom of her skirt were accented with rows of lace and seed pearls. Her gown and veil were made by Mrs. Dale Mager, sister of the groom. She carried an arrangement of white carnations, peach colored roses and baby's breath.

Maid of Honor was Susan John of Ann Arbor. Her gown was of dusty peach quana styled with a fitted top, spaghetti straps, empire waist and a flowing A-line skirt. She also wore a flowered capelet to match her gown. She carried a natural color wicker basket filled with silk carnations and roses.

Laurie Olson, cousin of the bride, of Ludington and Susan Kester were bridesmaids. Their dresses and flowers were identical to the Maid of Honor.

Michael Compton of Ypsilanti was Best Man. Ushers were Timothy Marrison, brother of the bride, and Kelly Webster, brother of the groom.

Roger Marrison, father of the bride, and Susan John, Maid of Honor, were the soloists for the ceremony. Anthony Gaines was the organist.

A reception was held at the American Legion Hall in Manchester. Mrs. Roger

Olsen, aunt of the bride from Ludington and Mrs. Dale Mager, sister of the groom from Pinckney, cut the wedding cake. Mrs. Emery Marrison, Jr., aunt of the bride, served punch and Meryl West of Ann Arbor attended the guest book. Mr. and Mrs. Howard Berke had charge of the gifts.

After honeymooning in Tennessee, the couple are making their home in Stockbridge.

SUMMER SHOW

Following closely behind the youth exhibition now on display, is a guild membership show scheduled for May 28 - August 23. The exhibit will be the first presented by the newly formed, cooperatively run gallery of the Manchester Art Guild. Anyone interested in exhibiting and selling in the gallery is invited to submit artwork for jurying on Tuesday, May 26 between 4:00 and 7:00 p.m. in the gallery.

Information on gallery participation will be available at that time or anytime by calling Steve Ljovshin at 428-9393 or Karen Hinkley at 428-9115.

Rogers Corners Farm Bureau

The Rogers Corners Farm Bureau Group will meet Friday, May 15th at 8:30 p.m. at the home of Loren Koenigter, 3015 South Fletcher, Chelsea, Michigan.

"Scotland U.S.A."

The Festival gets off to a gallant official start at 11:00 AM on Saturday with a parade of floats, pipe bands, marching bands, special units and Scottish pageantry. Immediately following are the opening ceremonies and massed bands - an exciting and colorful combined performance by the finest bands in North America. Other features of the Festival include ceilidhs on Friday and Saturday evenings (dancing and refreshments guaranteed to bring out anyone's scottish spirit), a sheep herding exhibition and the Great Lakes Scottish Fiddling Championships. Athletic events at the Games include the traditional caber and sheath toss as well as a long distance roadrun and a soccer game. Additional Festival activities are a juried Art Fair in the Alma College Mall on Saturday and a Teen Dance at the Alma Community Center later that evening. Further information concerning the Alma Highland Festival and Games may be obtained by writing to Alma Highland Festival, P.O. Box 506, Alma, Michigan 48801 or by calling (517) 463-5525.

Manchester Township Board Meeting

PROPOSED SYNOPSIS of Special Bd. Meeting of Manchester Township Bd. in conjunction with the Washtenaw Co. Drain Comm. and Residents of Iron Lake Assessment District. Meeting held at Township Hall on Monday, May 4, 1981 at 7:30 p.m. with Bd. members Fielder, Lentz and Widmayer in attendance plus Drain Comm. James Murray and about 18 interested citizens.

Mr. Murray brought the group up to date regarding the Iron Lake dam. The dam will be repaired to bring it in to compliance with Dam Act 116.

On June 24, 1981 Murray will go to court to get permission to lower the lake level up to 4'. If the court grants permission, the lake will be lowered after the 4th of July weekend. Total time to complete project is 4-6 wks. Total cost will be approximately \$29000 plus out of pocket expenses.

Mr. Murray will ask the Bd. of Comm. for full faith and credit so the expenses can be paid possibly over 3-5 yrs.

Mr. Bialecke, Chairman of the Iron Lake Assoc. thanked Mr. Murray and praised him for his work and cooperation. Meeting adjourned 8:05 p.m.

Promenade The Past 1981

Nine buildings ranging in age from 80 to 130 years and running the gamut from city to farm homes, from converted depot to restored dwelling, will be seen on the 6th annual Promenade the Past tour in Tecumseh, Michigan, May 16 and 17.
A flower show and a display of original gowns both have a wedding theme. Musical groups will be heard, and a craft show and sale and weaving and spinning demonstrations will be included.

Sponsored by the Tecumseh Area Historical Society, Tecumseh Chamber of Commerce and Presbyterian Women's Association, the tour will open seven private homes to view. Several are in Tecumseh's Historic District, where other fine homes can be seen in passing. Two are several miles south of Tecumseh on Rogers Hwy., on a drive past several orchards and other old and restored homes, and one is at the northern edge of Tecumseh.

The tour will begin at First United Presbyterian Church, an 1865 building whose spire is one of the landmarks on Tecumseh's main thoroughfare. Hours are from 1 p.m. to 6 p.m. each day. Also at the church will be a judged flower show May 16th given by the Little Garden Club of Tecumseh, a group which has won National recognition for the quality of its work. Designer wedding gowns and antique gowns will be displayed also, and historic films of the Tecumseh area will be shown.
Tecumseh Fan Club will sponsor a craft show and sale in Tecumseh High School gymnasium.

Tickets are available at the church, local banks and the Chamber of Commerce office. Senior citizens and advance tickets will be reduced fees.

Stress Management Workshop

Saline Community Hospital continues to offer a monthly, six-hour Stress Management Workshop the purpose of which is to promote an understanding and ability to recognize and cope with stress in everyday life situations. The next workshop will be offered Monday, May 18 through Thursday, May 21, with sessions being held each day in the hospital's Blue Room from 2:30 to 4:30 p.m.

Participants may register through Friday, May 15, by calling the hospital switchboard at 429-5435. There is a \$10 fee for the class. For further information regarding course content, please call 429-5435, ext. 337, during regular business hours.

Notice

The Manchester Township Board, with the cooperation of State Representative Mary Keith Ballentine and Senator John S. Mowat, Jr. will hold a meeting at the Manchester Township Hall on Thursday, May 14, 1981 at 7:30 p.m. to explain and discuss the tax proposal (pro and con) that will appear on the May 19, 1981 Special Election. They will try to answer any questions you may have.
Public is welcome!!

Manchester Area Historical Society

The Manchester Area Historical Society will meet at the Emanuel Church Hall, Monday, May 18th, at 8 p.m. Due to Memorial Day, this meeting has been scheduled one week earlier.

"Farming Past & Present" will be the topic for the evening. Mrs. John Sauter, chairman announces that a panel of well-known farmers of both age groups will participate in the discussion.

The public is cordially invited. Please plan to attend.

WALKING

How do you move? Do you shuffle, stroll, limp, mince, march, glide, or roll?

Whatever your style of motion, it can be improved upon with one of the best things in life that's free: walking.

Walking is the most universally recommended exercise of them all. It takes no special gear except comfortable shoes (running shoes, preferably) and clothing appropriate to the weather. To start with, it takes only a half-hour three times a week to get you into walking condition.

The good thing about walking is that anyone of any age who can maneuver at all can walk without fear of injury. Since your body doesn't pound the ground on impact, as it does when playing tennis or jogging, there are no problems of pulled muscles or tendonitis. If you believe that you have a health problem, however, be sure to check with your doctor before embarking on a walking program.

Along with running, swimming, cycling, rope skipping, and cross-country skiing, walking is a good cardiovascular

conditioner. It may seem that you're doing only what comes naturally, but after a half-hour walk with regularity you become more fit.

As with any exercise, you should follow the training rules: warm up first, then increase the frequency, the duration, and the pace. Don't over do, and rest when you're tired; but with a regular walking program scheduled for the summer, you can increase your speed and distance without trouble.

Perhaps walking won't help you to live longer; but it will make you feel better, and that's a big plus in everyone's life.

If you're going to walk for exercise, swing your arms, move with vigor, and breathe deeply. Don't stroll, shuffle, limp, mince, march, glide, or roll! Stride! You'll work better, sleep better, and play better, which isn't a bad trio of dividends for having a pleasant time.

Notice

The Village of Manchester will be holding a public meeting on June 15, 1981 at 8:00 P.M. in The Village Council Chambers to discuss a proposed wastewater treatment project in the Village which should be of interest to all of the community's residents. The project cost is estimated to be about 5.8 million dollars of which about 2.1 million dollars will have to be raised locally. Since this would be a major undertaking by the Village, citizens are invited to participate. The cost for a typical residential customer as a result of this project is expected to be \$35.48 per month. More information can be found in the Village's legal notice announcing the public meeting or by contacting the Village offices. The River Raisin is one of our Village's major assets. You are all invited to attend this meeting to discuss the need for the project in terms of the water quality of our River and the project costs as they affect you.

Sincerely,
Jeff Schaffer

Board Of Education Asks For 21.78 Operational Millage

The Manchester Board of Education has officially acted to set the millage request to be placed before the voters at the June 8, 1981 annual election.

After lengthy discussion regarding the effects of Proposal A and the overall financial condition of the school district it was decided to place a full educational program before the voters. This program will include keeping the Pleasant Lake School open as an elementary facility, reducing Middle School class sizes, extra curricular activities, new textbooks and equipment, and additional maintenance items. The full educational program necessitates the renewal of 17.78 mills and an additional 4 mills for operating purposes. The renewal and additional millage are packaged in one issue. Voters will be asked to decide whether or not to approve a levy of 21.78 mills for operating purposes.

Discussion of the issue focused on the
