

Spring Tutor Training Workshop

Reading from left to right: Mrs. Townsend, Mrs. Grew, Mrs. Oug and Mrs. Lawrence

The January board meeting of the Literacy Council of Washtenaw County set in motion planning for its Spring Tutor Training Workshop to be held in March. This marks the 11th year that the Council has sponsored free tutoring in basic literacy as part of its program to address adult literacy problems.

A highlight of the January meeting was the presentation to Mrs. Clair Grew of a dictionary to be given to a student of hers who has just completed a year of reading skills study. Dictionaries for award to such students are purchased with money from the Richard E. Townsend Memorial Fund. Mrs. Edna Townsend, widow of Prof. Townsend, made the presentation. Also on hand were Mrs. Elizabeth Ong, President of the Friends of the Ann Arbor Public Library, which gives financial support to the Council, and Mrs. Elizabeth Lawrence, Head of Circulation at the Ann Arbor Public Library, who is Vice President of the Council and Workshop Chairman.

In the Tutor Training Workshops, volunteers learn the phonics-based Laubach Literacy reading skills teaching method used worldwide to promote basic literacy. Because of the one-to-one nature

of the method, maintenance of an active program requires periodic training of new tutors. The twelve hour, five session Spring Workshop will be held on March 4 and the four Thursdays following.

To participate, prospective tutors may call Donna DuButts, Council Secretary, at 482-5715. Materials for registration may also be picked up at the Ann Arbor Public Library (Main Library or any branch) or at the Ypsilanti Public Library.

Recruitment in the Ypsilanti community is being emphasized this spring. The sessions will be held in Ypsilanti High School at Packard and Hewitt. The Council hopes to train a total of 50 tutors in its Spring and Fall Workshops.

The Council is also actively soliciting new students in need of reading improvement or basic reading skills training. Potential students who wish to enroll or persons acting on their behalf may also call Donna DuButts.

In addition to the tutorial program, the Literacy Council of Washtenaw County also maintains Adult Basic Reading collections at the Ann Arbor and Ypsilanti Public Libraries. Technical and practical as well as recreational materials are included.

Genealogical Society

The Genealogical Society of Washtenaw County will meet at the Liberal Arts and Science Building, Lecture Hall #2, Washtenaw Community College on Sunday, February 28, 1982 at 3:00 p.m.

Milton Charbonneau will speak on "Early Michigan History - Before the White Man" and Steven Shoman will speak on "The Durand Registration - Ottawa Tribe".

Programs Offered at Chelsea Hospital

Chelsea Community Hospital is offering the program "Weight Training: A Part of Total Fitness for Women" on February 25, 1:15 to 2:30 PM. Sharon Wells, columnist and teacher, will use spatulas and baking pans to demonstrate what she calls "the most efficient form of exercise."

To register, call Chelsea Community Hospital at 475-1311 Ext. 354.

CPR classes will be offered to the public, scheduled for three Wednesday evenings beginning February 25, 6:30 - 9:30 p.m. Classes will be held in the Physical

Therapy Department.

Participants successfully completing the course will receive Red Cross certification in the lifesaving skill of cardiopulmonary resuscitation.

The cost of the course is \$2.00. To register call Chelsea Community Hospital, 475-1311 Ext. 354.

Meeting Notice

The Manchester Sportsman's Club will meet Thursday, February 25 at 8:00 p.m. All membership dues are payable now.

The new IRA program now offers every working person a virtually risk-free way to accumulate a fortune. Unlike other forms of investment, it does not require a great deal of your time or study, and your investment is insured to \$100,000 with an agency of the federal government.

All you have to do is make weekly deposits to an IRA account at Great Lakes Federal Savings. The tax shelter provided these deposits, plus the high interest earned, plus the magic of compounding make it possible for you to accumulate your fortune. Depending on the age at which you start, you could accumulate \$250,000, \$500,000, \$1,000,000 or more.

Perhaps you can't budget \$38.46 per week for your IRA account but can start with \$10. Then as your wages increase you can increase the weekly deposit.

It's safe. It's sure. With this one investment your financial future can be secure.

Second Annual Hockey Game

Hit or Miss by Farley

Ted Lindsay, former player, coach and general manager of the Detroit Red Wings, will play for Manchester in the Raisin River Flyers play their second annual hockey game against the Washtenaw County Sheriff's Department.

Lindsay is shown above with Jon Hardenbergh at the Athletic Banquet of 1982 held at the K of C Hall.

Admission is \$2.00 and a lot of action is promised as the Flyers try to avenge last year's loss to the police team.

The game will be held at 7:00 p.m. Friday, March 12 at Yost Arena in Ann Arbor. Sponsored by the Athletic Boosters, the profits will benefit the Manchester sports program.

Tickets are available from Chief Zsenyuk, the Gambles Store, Athletic Boosters, or at the door.

Some days ago, I was listening to a talk show on radio from Toledo. The subject under discussion was the amount of money spent for snow removal and how much would be available with which to repair the 'potholes' which would surely be found in the pavement beneath the snow, or would they just be left there.

One of the fellows was a member of the city's highway department and he evidently was tired of hearing about potholes and he rather angrily said so and then caught himself and said "I've heard all I want to about potholes and I wish to state that those cavities are not potholes, they are highway deficiencies. Please remember that."

Now all that may be true but they feel the same when you hit them with a car wheel.

Another participant in this show was asked how the extreme cold made things tough for him, replied "I was out shoveling my sidewalk and paused to rest for a minute or two when my shadow froze into the snowdrift and I had to go back and dig it out before I could continue."

Our informant says that there is a law in Shreveport, La., prohibiting the giving away of book matches by funeral directors. I wonder if there is a hint anywhere in this action?

Figures we ran across the other day show that the most powerful industrial nation in the world had folks with only one percent with electric refrigerators, 28 percent with gas or electric stoves and only 35 percent with telephones and less than 40 percent of its people had adequate diets, and no one had television. This was the United States just 60 years ago.

Other gems of knowledge told us recently includes the fact that nowadays two out of every three women over 65 live on an income of less than \$77.00 a week.

Sportscasters on TV have originated many colorful phrases to describe those they think are somewhat mentally lacking. Among them is "His elevator doesn't go all the way to the top." "He drifts upstream nowadays." "He doesn't have both oars in the water." "He likes to jump under the net," and "He's not playing with a full deck", and others.

And now in conclusion may we state that since we have switched to champagne I have some good news. Your favorite beer is less apt to cause cancer than it was a couple of years ago. If you didn't realize it, that's not surprising. We never heard it mentioned in the beer commercials.

A Japanese survey showed that beer drinkers were less subject to heart attacks than teetotalers.

According to research a new malt drying process has improved this danger considerably. According to the latest reports less than one per cent of the domestic beers and 2.5 of the imported beers had levels of "five parts per million of contamination," the level that has been determined safe. That information should make many a man's day.

World Day of Prayer-Friday, March 5th Emanuel Church To Host Service

WORLD DAY OF PRAYER SERVICE is hosted by the Women's Fellowship of Emanuel Church at 1:30 p.m. on Friday, March 5. Mrs. Joan Scott, Christian Education Director at Emanuel, will be the guest speaker, speaking on: "Prayer and Action: The Church In The World".

Refreshments and a time of fellowship will follow the service. We invite all the ladies of the Manchester area to this special service.

Women of Ireland - Catholic and Protestant - from the Republic of Ireland and Northern Ireland invite their sisters around the world to pray with them and for their troubled land on World Day of Prayer.

They worked ecumenically at the Christian Renewal Center near the border of both countries preparing the Service on the theme: The People Of God: Gathered For Worship, Scattered For Service, which draws upon religious traditions and is a call to peace, justice and reconciliation, a recognized need in Ireland and in many nations and regions of the world. What a dramatic scene of Christian witness and service by these women of Mission! Women chosen by God to witness and serve in that distraught, disturbed community.

World Day Of Prayer is a world-wide witness to the unity and faith expressed by women in over 150 countries and islands. Celebrated on the first Friday in March, it is sponsored in the United States by Church Women United, continuing a

Letter To The Editor

February 23, 1982

Mr. Jeff Schaffer, Council President, and Village of Manchester Council
Manchester, Michigan 48158

Dear Mr. Schaffer:

At last night's Council Meeting (2/22/82) you directed me to Mr. Claran Knauss, the Building Inspector for the information requested in my letter of February 9, 1982.

I specifically requested the complete file of Building Permits, Inspections and Variances to Code Authorization that pertain to what I call the "Junque Shoppe" at 224 North Union.

Mr. Knauss was contacted and I learned a lot from him. He is certainly not the culprit and I am sorry that I misread him originally.

The records I requested are in the Village Office in the hands of Sue Koebbe the Clerk. Mr. Knauss only learns that a permit has been issued when someone in the Village brings copies down to his home, sometimes as much as a month or two late. How can you operate this way?

Although you thought (and I do not understand this) my two previous letters were sent to you personally, do not take this one in the same light. If they were personal they would have been sent to your home address. Furthermore, you acknowledged these two letters on a Village of Manchester letterhead.

I made the statement last night and I repeat, that you as Council President are dodging the issue along with the Council and Village administration for lack of direction.

Again I am requesting that my two letters be read into the Council Minutes and that I be furnished the records previously requested. I am entitled to this public data and if you are not familiar with the Act, the Village Attorneys can advise you of Attorney General Kelley's ruling.

Very Truly Yours,
Frank D. Leonard

School Board Minutes

REGULAR MEETING

February 15, 1982

The meeting was called to order at 9:00 P.M. by Vice President William Bunney.

Roll Call: Members present: DuFresne, Horning, Talcott, Mann, Bunney, Little, Broucek (arrived during Roll call).

Communications: Dr. Thompson reported that a letter had been received from the WLEA/MEA indicating that they would like to negotiate a new contract between the Manchester Community School District and the WLEA/MEA.

It was moved by DuFresne to receive the communication received by WLEA/MEA indicating an intent to negotiate a new contract with the Manchester Community School District. Supported by Horning. All yeas.

Dr. Thompson further reported that discussions with the MEA had indicated their desire to negotiate the new contract without the use of employed negotiators for either side. Discussion followed regarding the advantages and disadvantages of attempting to negotiate a contract in this manner. Dr. Thompson indicated that the Board had already adopted a resolution authorizing a contract with MASH for negotiating services and that it would be necessary to rescind this action. It was moved by Horning to withdraw the direction to the superintendent to contract with MASH for negotiations services. Supported by Talcott. All yeas. Abstain: Little.

Minutes of Previous Meetings: January 25, 1982: It was moved by Bunney to approve the minutes of the regular meeting of January 25, 1982 as presented. Supported by Horning. All yeas.

January 30, 1982: It was moved by Horning to approve the minutes of the special meeting of January 30, 1982 as corrected. Supported by Little. All yeas.

February 1, 1982: It was moved by Little to approve the minutes of the special meeting of February 1, 1982 as presented. Supported by Bunney. All yeas.

Financial Report: It was moved by Little to approve the financial report showing a balance of \$598,355.81 as of January 31, 1982. Supported by DuFresne. All yeas.

Bills Payable: It was moved by Horning

Discussion Items:

Split Schedule for Buses: Dr. Thompson reported that at the request of the Executive Committee the administration had studied the question of changing to a two level busing schedule for elementary and secondary school students. He indicated that the administration had attempted to examine the question from the effects on students as well as from an estimated cost analysis basis. The basic problem as reported by the administration was with the length of the runs in Manchester. The investigation had indicated that districts which had successfully implemented a two level busing program had done so with bus runs significantly less than one hour in length. The longest run in Manchester is in excess of 1 1/2 hours. It was noted that while some cost benefit could be realized if the time problem did not exist these benefits would not be highly significant. The consensus of the Board was in agreement with Dr. Thompson's recommendation that the current program be continued.

Board Policies: The Board reviewed for a first reading policies in the 6000 series dealing with the following topics: Instructional Philosophy, fire drills, fire safety regulations, classroom assignment, co-educational physical education, curriculum, alternative programs, religious instruction, school government, controversial issues, homework, lesson plans, textbooks, recreation program, community education.

Policies in the 8000 series were also reviewed for the first time. The topics of these policies are as follows: Purposes, powers, and responsibilities of the Board, formulation of policies, role of the Board, committees and public meetings.

Renovation Priorities: As directed by the Board, the Administration submitted recommendations regarding a reduced

Manchester Community Joins Parade Of Donors

The Pinnacle Engineering Company, Inc., Double A Products Company, Xi Epsilon Iota, The 20th Century Club and The American Legion have joined with other community groups in support of a new Radiographic/Fluoroscopic Unit with major donations. The present X-Ray Unit has exceeded its projected life span of five to seven years, having been purchased when the hospital was built in 1974. Saline Community Hospital must depend on community support now, as it has in the past, for the purchase of costly capital equipment. Hospital officials emphasize that the cost of capital equipment is rising while the hospital also faces cuts in Medicaid and Medicare reimbursements. Community members are reminded that a donation to the hospital represents an investment in their own health care. The total for donations is now approaching \$62,000.

Inquiries and gifts may be directed to Saline Community Hospital's Office of Community Services and Development at 400 W. Russell Street - Phone: 429-5435, ext. 249.

Head Injury Presentation Given

"Use of the Mini-Computer with Traumatic Head Injured" was the topic of a special presentation given by Marilyn Koster, M.S., C.C.C., Speech Pathologist and Director of Speech and Language Services at Saline Community Hospital to over 200 professionals from throughout the U.S.A., England, Scotland and Australia recently. The conference designated as "Coma to Community" was held at Santa Clara Valley Medical Center in San Jose, California.

Marilyn's presentation included information regarding the computer as a therapeutic tool and its use in achieving motivation/reinforcement, basic

communication, vocal production, articulation, memory retraining, self-monitoring and independent skill learning. Case studies and demonstrations were presented in support of these innovative new techniques.

Ms. Koster holds a Master's degree from Eastern Michigan University in Speech Language and Audiology and has completed considerable advanced coursework in the area of Traumatic Head Injuries. She and her family reside in Manchester.

Senior Citizens Meals

Senior Citizens in the Manchester Area are served meals every Tuesday and Thursday from the Emanuel Church of Christ kitchen. The project is financed locally by the moderate cost of the meals themselves, gifts from individuals, organizations and the Manchester United Way. There is no Federal Aid involved, so the project is not being threatened by the recent cuts in aid. The Manchester Senior Council, Inc. is the sponsor of the project.

The menu for Tuesday, March 9 is: Baked Pork Chops, Dressing, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk. Before the meal on Tuesday, Seniors are invited to attend the Exercise Class that is most helpful to those who think exercise is something only for the agile. The classes start at 11:00 a.m. Following the meal there are card games for all Seniors whether they come to the meals or not.

On Thursday, March 11, they are serving: Spaghetti & Meat Sauce, Tossed Salad, Garlic Toast, Dessert, Coffee, Tea

Seniors To Learn About The Heart

Seniors from throughout the area will gather for Saline Community Hospital's monthly Senior Health Education Program on Wednesday, March 10, 1982. The program begins at 11 a.m. and will be held in the hospital's Blue Room. The topic for this month's program will be the heart and circulation. Featured will be a presentation by C.S. Hwang, M.D. of Manchester, a Saline Community Hospital Medical Staff member. The program will also include information regarding such areas as nutrition, medications and exercise as they relate to the program topic.

A regular cafeteria luncheon will be available in the hospital dining room following the program. Further information may be obtained by calling Saline Community Hospital at 429-5435, ext. 331.

Jolly Farmerettes 4-H Club

The monthly meeting of the Jolly Farmerettes 4-H Club was held Tuesday, February 16, 1982 at the Sharon Township Hall. There were 13 members, 4 guests, and 6 leaders present. The secretary and treasurer reports were read and approved. We received another thank you letter for the Sunshine Boxes by Mrs. Linda Coday. Mothers Tea will be held at the Manchester High School from 6:00 p.m. to 9:00 p.m. The Modeling Clinic will be on Saturday, March 20, at the Town Hall from 1:00 to 4:00 p.m. We also received a thank you note from the Washtenaw 4-H County Show. Mrs. Lambarth gave the leaders report. We had a guest come to our meeting to give us tips on how to keep your face beautiful. We received cards to contact her if we needed help. Demonstrations were given by Kristin and Kathy Curley. The next meeting will be April 20, from 7 - 8:30 p.m. Marie Ball, Club Reporter

Community Education

Washtenaw Community College will be providing counseling services to outreach students during the months of February and March. Students currently enrolled in Washtenaw Community College classes and those who wish to enroll are encouraged to meet with the college counselor during one of the following dates at Manchester High School Library: Tuesday, March 16 and Tuesday, March 30. Students will be seen from 5:00 - 7:00 P.M. on a walk in basis and from 7:00 - 9:00 P.M. by appointment only. Appointments can be made by calling the college's counseling center at 973-3464. If currently enrolled students need their WCC transcripts or other information related to their records or program plans, they should notify the counseling center by the Tuesday preceding their appointment.

Completes Degree

Eighty Siena Heights College students completed their degrees at the end of fall semester in December. The degrees include three masters, 60 bachelors, and 17 associates. Gary Poore of Manchester was one of these students. He completed a Bachelor of Arts degree in Commercial Photography.

World Day Of Prayer

prayer movement began! By 1919 the two prayer groups had combined for ONE Celebration! The World Day Of Prayer, a mutual sharing of concern for the world by the whole world!

World Day Of Prayer is truly a chain of prayer encircling our world. From its beginning in 1941, the tradition of Church Women United has been to join prayer and commitment to action programs and projects which express the dedication of Church Women United to Christ's mission at home and overseas. Church Women United's ecumenical communities throughout the United States act out their commitment as part of a global community.

In the past, by means of offerings received on this day, Church Women United has developed programs and projects to further peace, justice and the empowerment of women. These offerings strengthen the national unit and undergird the global thrust of the Movement through the International Grants program.

On January 22, William G. Milliken, Governor of the State of Michigan signed

An Executive Declaration in Observance of World Day Of Prayer. "In a world plagued by tenuous relationships between nations, peoples and cultures, prayer serves as a common bond and as a means of dedicating ourselves to improving the quality of life throughout the world."

"Therefore, I, William G. Milliken, Governor of the State of Michigan, do hereby declare March 5, 1982, as World Day Of Prayer in Michigan, and urge all citizens to give appropriate recognition and support to this effort designed to facilitate a moral and spiritual awakening in America and throughout the world."

Sheep Shearing School

The Washtenaw Cooperative Extension Service in cooperation with Mid-State Wool Growers and the Michigan Livestock Exchange will be holding a Sheep Shearing School March 19 and 20th. The school will be held at the Michigan Livestock Sale Barn, 9610 M-52, just north of Manchester, Michigan.

The day's activities will begin each day at 9:00 a.m. and end at 4:00 p.m. Enrollees will be taught the basic care and

maintenance of equipment, how to use the equipment, proper sheep handling, and will actually shear several sheep. Providing the instruction will be Paul Taylor, professional sheep shearer and state sheep shearer from Ohio. He will be assisted by Larry Mrozinski, Extension Sheep Specialist from Michigan State University.

The registration fee is \$25.00 and is on a first come, first serve basis. For further information please contact Bill Ames, Extension Agriculture Agent, Washtenaw County by calling 313-973-9510.

J.V. Win One Lose one

by Jon Hardenbergh

We jumped out to an early lead Tuesday, against Adrian Madison and were able to substitute freely. We did lead by 27 at the intermission and although the Little Trojans were able to close within 10 we didn't lose our cool. We went on to end it 17 points ahead, 82-65. We had 4 players post double figures: Freshmen Tom Lockridge with 28 and Pat Ridenaur had 19. Sophomores Tom Bejma had 17 while Ron Melcher had 15.

On Friday, we found ourselves in Blissfield and we held a 33-28 lead going in to the final period of play. Here we had our problems—4 of our starters fouled out and we hit a mere 11 of 29 freebies to give the Little Royals the win, 59-49. Tom Bejma led the way popping 13 as Pat followed right behind hitting 12.

We now stand 5-10 overall.

ROUNDBALLERS STUMBLE

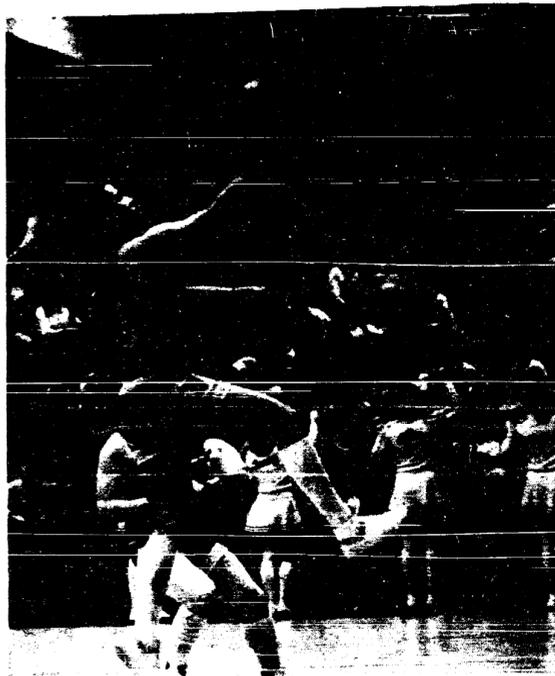

Junior Jim Krzyzaniak contributed well this week. Had 10 points Tuesday and 11 points Friday.

by Jon Hardenbergh

On Tuesday we hosted the Trojans from Adrian Madison and played a solid first half but a bad second half to enable Adrian Madison to win. One other very important game factor was the zebras—I've coached for 8 years and that was the most pathetic

job of officiating I've ever seen." a very distraught Coach Bartels said. They just seemed to lose control of the contest and it sure got rowdy. There were over 60 fouls called in this game. We hung in there although being down 8 after the opening period to rally back, out-scoring them 15-10 to be short only 3 at halftime. Adrian

Another good week for Dave Malcolm. 12 points Tuesday and 22 points Friday.

Photos by Jon

Madison proceeded to enter the third period by tallying the first 7 points—and that's all she wrote as the final was 79-62. Senior Pete Johnson, playing his last home game popped for 14 points as Juniors Dave Malcolm and Jim Krzyzaniak totaled 22 points, 12 and 10 respectively.

On Friday, we trekked to Blissfield and the Royals came back to nip us with less than a minute left, 62-60. We came out hot and proceeded to go 7 up after eight minutes. In the second stanza we fell apart and allowed Blissfield to knot the score 35-35 by halftime. The Royals went up 2 in the third period then the fight got going.

The lead changed hands some 4 times throughout this, the final period, but it was the free throw shooting of Blissfield that really determined the outcome. We had 13 shots from the charity stripe in which we made 10—that's great. Unfortunately they connected on 20 of 25 and this killed us. We now stand 0-10 in the L.C.A.A. as the Royals stand 2-8. Dave had a big night as he burned the nets for 22 points as Pete Johnson hit for 21. Jim again posted double figures as he dropped through 11.

We now close the regular season on Friday as we travel to Onsted—next week we begin district playoffs in Clinton.

School Board Minutes

renovation project. The Administration's recommendations reduced the project to approximately 1.4 million dollars from the original 2.3 million. Additional recommendations regarding possible reductions totaling approximately \$150,000.00 were also presented to the Board. It was noted that at current interest rates a millage levy of 2.25 mills would be necessary to provide the necessary improvements. After extensive review during which the Board noted that work at Ackerson, Middle School, and Klager had been reduced to essentially energy saving, heating, roof, and storage space projects. Dr. Thompson reported that every effort had been made to retain as much of the work as possible at the high school. President Broucek asked that the discussion continue at the March 1, 1982 special meeting and asked that Dr. Thompson arrange for the architects to be present.

New Business: It was moved by DuFresne to add the topic of bus radio bids to the agenda. Supported by Mann. All yeas.

Dr. Thompson reported that specifications had been submitted to four (4) major bus radio systems suppliers. Three bids had been received. Following discussion it was moved by Little to award the project for school bus radios to the General Electric Company which had submitted the low bid and to direct the superintendent to reduce the system by eliminating one control station and adding chargers for the portable radios. Supported by Talcott. Roll call vote: Yeas: DuFresne, Horning, Talcott, Broucek, Bunney, Little, Mann.

Postage Meter Finances: Dr. Thompson reported that Board policy currently

limited the writing of office fund checks to \$100.00. With the postage meter now in use this limit was insufficient to maintain postage. He requested that the limit for checks for postage meter purposes only be increased to \$300.00. It was moved by Little to permit the writing of checks for postage meter purposes up to \$300.00. Supported by Mann. All yeas.

It was moved by Talcott to adjourn the meeting at 10:30 p.m. Supported by DuFresne. All yeas.

Operating Costs Second Lowest At Manchester

According to data recently released by the Washtenaw Intermediate School District the per capita operating costs of the Manchester Schools were listed as the second lowest in the county at \$1,712.31 per student for the 1980-81 school year. The lowest operating costs were recorded by the Milan schools at \$1,708.62 per student.

Nearby and comparable school districts recorded expenses as follows: Chelsea Public Schools \$2,025.79 per student, Dexter Public Schools \$1,962.30 per student, Whitmore Lake Schools \$1,943.79 per student, and the Saline Schools at \$1,876.49 per student.

These per capita operating costs are derived from current operating expenses less deductible expenditures which produce an adjusted operating cost for each school district. These costs are then divided by the 1980-81 audited membership. The source for these data is worksheet DS-2860 which is used to calculate potential tuition costs for each school district in Washtenaw County.

Farm Bureau Leaders Meet

Presidents from the three levels of Farm Bureau - county, state and national - met in Flint recently to discuss their roles as agricultural leaders and review current issues of concern to farmers. During the two-day session, local farmer Luther Schaible (left) of Manchester, who serves as president of the Washtenaw County Farm Bureau, visited with Robert Delano (center), president of the American Farm Bureau Federation, and Elton R. Smith, president of the Michigan Farm Bureau and American Farm Bureau Federation vice-president. Delano addressed the county Farm Bureau presidents and their executive committees on the need for farmers to continue their support of the administration's anti-inflation campaign.

Hospice Of Washtenaw

The Hospice of Washtenaw is a non-profit health care agency which trains and utilizes volunteers in the care of the terminally ill and their families. Volunteer help families in a variety of ways - through supportive counseling, friendly visiting, health care education, light household chores and errand assistance. Other volunteers serve on planning committees, assist in office operations, publicity, and public speaking. Hospice volunteers come from all walks of life. It is not necessary to have a background in health care to be a hospice volunteer.

Anyone interested in learning more about the Hospice of Washtenaw is urged to attend an Information Meeting to be held on March 16th at 7:30 p.m. at 2530 South Main Street in Ann Arbor. Please call 996-1996 for more information.

Freedom Gang 4-H Club

The February meeting of the Freedom Gang 4-H Club was held at Terri Blumenauer's home on Saturday, February 6, 1982. Fifteen members and two leaders were present. Lisa Tuveson, vice-president, led the meeting.

A discussion about Spring Achievement and the articles each member was taking, was held. The demonstration was given by Terri on how to make a bead wreath and candy cane. Refreshments were enjoyed by all.

The next meeting will be Saturday, March 6, 1982 at the home of Anne Mazurek.

Respectively submitted,

WCC News

Washtenaw Community College Trustees face the problem of having to increase tuition and reduce the fund balance to provide a balanced budget for next year. At their February 23 meeting, the WCC Board of Trustees was alerted to problems the College will face in building its 1982-83 operating budget.

Anticipated state aid will be reduced by \$136,000 from this year's level and property tax revenue is estimated to increase by three per cent. To balance the budget, the College's fund balance (reserve funds the College has accumulated to support programs during difficult economic periods) would be used and tuition would be increased substantially.

"In the past, we have been able to keep our tuition rates well below the average for Michigan community colleges," Gunder A. Myran, College President, said. "Even though we will have to ask students to bear a larger burden of the cost of operating the College," he said, "the tuition rates will be no higher than the state average for community colleges. Our objective has always been to keep our tuition as low as possible and that continues to be our goal. However, with state aid declining and property tax revenues stabilizing because of the state's economic crisis, the College must increase tuition fees."

The Board heard a report on a number of program reductions planned by the College. "We are reducing our costs in every possible area, but we also want to continue to provide the level of community college services the people in this area need and deserve," Myran said.

The Trustees will take action on the budget in June.

Federal Cheese Distribution

The Federal Cheese distribution in Manchester is Friday, March 5 from 10 a.m. to 5 p.m. at the Knights of Columbus Hall on Madison Street, next to the post office. Do not park in front of the post office. Use the lower end of the street or the parking lots on either side.

Community Service Agency (CSA), has assigned Manchester Family Service as distributor for this area, that is: Manchester School District, all of Manchester Township and that part of Bridgewater Township that is in the Clinton School District.

You will need identification when you sign up for the cheese. To be eligible for the giveaway your identification may be: Food Stamp Card, Medicaid Card, SSI recipient letter from Social Security, CSA

letter of acceptance in the 1982 Energy Conservation Program, Heat Start assistance, or legal proof of income at or below the Poverty Income level.

This first shipment of 240 pounds of cheese to this area may not meet the demand. However, a second supply will come in the middle of March. After the present supply is exhausted the clients who have not received any may register for the second shipment. They will be asked to give their name, address, phone number, family size and identification proof so that sufficient supply may be ordered. This registration may also be done by phone to Mrs. Claire Reck 428-8852 or Mrs. Dianne Schwab 428-8976. Call by the 8th of March.

The people who are eligible and signed up will be notified when the second shipment is available.

In case of a storm on the 5th of March, that would close the school, the distribution will be on Saturday, March 6 at the same place and time.

Marital Enrichment Seminar

On Saturday, March 6th, the Church of Jesus Christ of Latter Day Saints (Mormons) will be presenting a "Marital & Family Enrichment Seminar" in Ypsilanti. It will run from 6:00 - 9:30 p.m., with four different classes available. The classes will be: (1) Communication, (2) Finances, (3) Anger and Everyday Relationships, (4) Coping With Stress. All four lectures may be attended in the three and one half hour seminar because the classes are on a rotation basis. This seminar is open to the public and 'free' to those who attend. We invite anyone interested to attend and to bring their families. The seminar will be held at 941 S. Grove, Ypsilanti.

For further information please call 428-9694 before 10:00 a.m. during the week.

AN ORDINANCE TO AMEND ORDINANCE NO. 96 OF THE VILLAGE OF MANCHESTER ENTITLED "THE VILLAGE OF MANCHESTER ZONING ORDINANCE."

THE VILLAGE OF MANCHESTER ORDAINS:

Section 1. The Village of Manchester Zoning Ordinance is amended by deleting Section 21.03, "Conditional Uses" of Article 21.0 "R-1B, Single-Family Urban Residential District" and substituting the following therefor:

ARTICLE 21.0

R-1B Single-Family Urban Residential District

SECTION 21.03 - CONDITIONAL USES

The following buildings and structures, and uses of parcels, lots, buildings and structures are permitted subject to obtaining a conditional use permit as provided in ARTICLE 50.9:

- Golf courses, but not including golf driving ranges;
- Country clubs, public swimming pools, and recreation clubs, public and private parks and playgrounds;
- Churches and public buildings;
- Public and private nurseries, primary and secondary schools;
- Essential services, as provided in Section 10.03 K and L, herein;
- Home occupations;
- Professional medical offices;
- A planned unit residential development only in accordance with the procedures and regulations in Article 52.0: parcel abutting a principle or
- Live professional repertory theatre, provided such use is located on a parcel abutting a principle or minor traffic artery (as defined in the adopted Manchester Village General Development Plan), and provided such use within one block of the Central Business District.

Section 2. This ordinance shall take effect and be enforced 30 days after passage and after legal publication thereof.

Made and passed by the Manchester Village Council at a meeting thereof on Monday, March 1, 1982.

time in Mexico to learn their language and their customs. When the Maltese arrived, they too were welcomed. Holy Trinity School became a junior United Nations. "Corktown College" was founded—teaching such exotic courses as cooking, sewing, health-care, basic English and folk dancing. A health clinic treated God's poor while a lawyers' clinic gave free advice. Prominent judges, national, state and city officials, university people, prosperous business men and many newsmen, radio and television representatives were drawn to this unique parish over the years. Yet, no matter how prominent the visitor, be or she might have to wait until the latest needy person had been seen. The wife of one of America's richest men wore her exquisite mink coat as he worked with a poor parishoner sorting clothes in a cold hall. Her reaction? "The happiest Christmas I ever spent".

Father Schlinkert, who for five years was with Monsignor Kern as his Assistant Pastor, says, "I have personally seen a veritable fortune pass through this man's hands and straight into the hands of the poor".

People of the various congregations are cordially invited to hear Monsignor Clement H. Kern as he joins us for the Combined Lenten Service at St. Mary's Church this coming Wednesday, March 10, 7:30 p.m.

Students in grades 4, 7, and 10, in the Manchester Community Schools once again tended to score higher than their counterparts throughout the rest of the state on the Michigan Educational Assessment Tests which were administered in the Fall of the school year.

The Michigan Educational Assessment Program (MEAP) measures student ability in basic skills in reading and mathematics. The tests are designed to provide classroom teachers with information regarding students in order to help improve the instructional program.

Eighty four percent of the Manchester 4th graders had mastered at least 78 percent of the skills in mathematics at the time the tests were given in September.

Across the state 74 percent of this age group had mastered the math skills. Similarly 84 percent of the Manchester students had mastered at least 75 percent of the reading skills. The state figure for the reading skills was 78 percent.

At the 7th grade level 81 percent of the Manchester students had mastered the reading skills compared to 78 percent of their state counterparts. Some disappointment was noted as 51 percent of the Manchester students had mastered the math skills while 59 percent was the statewide figure. School officials have indicated that special attention would be given to this area during the current school year.

Manchester 10th graders continued to record scores well in excess of others throughout the state. Seventy two percent of the local students had mastered math skills while across the state the figure was 59 percent. Eighty four percent of Manchester students had mastered reading skills. Seventy six percent of the statewide students had mastered the same skills. "While we are certainly not satisfied with

all of the scores which were reported", said Superintendent Thompson, "we feel that generally Manchester students exhibit a high degree of basic skill achievement when they are compared to students from other school districts. We intend to

continue to make every effort to improve the instructional program in an attempt to assure that each student will have the opportunity to learn at his/her maximum ability".

INSOMNIA

"Early to bed and early to rise" supposedly is a prescription for health, wealth and wisdom, but if it works at all it depends on falling asleep quickly and waking rested. Unfortunately, many of us have trouble falling asleep, or staying asleep. Some have trouble every night; they suffer from chronic insomnia. Insomnia can be a very vexing problem because it is rarely caused by a physical illness. Often it is the result of anxiety or depression.

People who have insomnia usually get more sleep than they think but their sleep may not be as satisfying or restful. In any case, regular loss of sleep calls for a doctor's attention. But don't expect your doctor to prescribe sleeping pills right away. Most doctors prefer to treat insomnia by trying to alleviate the basic anxiety and tensions that keep you awake. Sleeping pills can be habit forming and most become less effective if taken regularly. That's true of over-the-counter drugs too. Most aren't very effective to begin with but they can become habit forming and can trigger reactions with another drug you might be taking.

There are some ways to promote sleep which might help. For example, have a regular sleep schedule: try going to bed and getting up at set times; avoid heavy or spicy foods or coffee or tea late in the evening; exercise regularly but avoid vigorous exercise in the evening; reserve

an hour or so before bedtime for quiet activity like reading or listening to soft music; and consciously try to relax your muscles one by one starting with your toes and slowly progressing up through legs and torso. All of these can help create a mental and physical condition conducive to sleep.

If nothing else works, and your doctor does prescribe sleeping pills, follow his instructions carefully. His permission will be necessary to refill any such prescription so make sure you don't over-use the medication and take it only when absolutely necessary.

Degrees Received

A total of 1,713 students completed degree requirements at Purdue University in December.

Bachelor's degrees were awarded to 1,131 students while 129 received associate (two-year) degrees. In the two groups, approximately 86 graduated "with distinction." Ten percent of the candidates in each school who have the highest indexes, none of them with a grade-point average of less than 5.3 of a possible 6, receive their degrees "with distinction."

Some 45 students graduated "with highest distinction," a status conferred on approximately the top 3 percent of all distinguished students, regardless of school.

Advanced degrees were awarded to 453 students.

The December graduates, along with students who finished work for their degrees last August, will be eligible to participate in Purdue's 130th commencement in May.

Nancy L. Alexander, 10731 Bethel Church Rd., Manchester, received her Master of Science degree.

News Of Good Things Growing

Ethnic foods have always been popular in this country, because of the varied heritage we Americans enjoy. Most recent addition seems to be the foods of Mexico. Favorites in our southwestern states for many years, their popularity has spread in recent years to the Midwest.

You notice the proliferation of Mexican-style restaurants, and also the many chile varieties now appearing in our markets. Check your local farmers' market next summer and you'll find some of the different varieties of chiles. Although not in sizeable commercial production, they've joined the many other "good things growing in Michigan."

This week, a friend in New Mexico sent me some delicious recipes using chiles, dry edible beans, and other agricultural crops which are grown in Michigan. The spicy flavor of Mexican-type foods may take some getting-used-to, but you'll soon find the extra zip appealing.

Here's a recipe for Corn and Cheese casserole that will perk up a dull winter day.

Combine one 12-oz. can of whole kernel corn, drained, with one-quarter to one-half cup chopped green chile (canned, fresh or frozen). Place in a shallow greased baking dish. Add 1 1/2 cups grated cheddar cheese, top with 1 cup cracker crumbs. Combine 1/2 cup milk, 2 tablespoons melted butter, a dash of salt and pepper, and pour over the corn mixture. Bake at 375 degrees about 25 minutes. You may add a layer of sliced cooked ham or crisp bacon, if you wish.

Manchester Travel's Grand Opening Winners

The "New Face in Town", Manchester Travel, held its Grand Opening Celebration on Monday, February 22, 1982. Approximately 400 people had the opportunity to plan their next dream vacation, sample Egyptian baclawa and become acquainted with the services, travel agencies have to offer.

The winner of the weekend in Toronto for two was Rainer Teichert of Double A Products. Door prize winners included: Margaret Kruse, Manchester; Scott Smith, Ann Arbor; Marilyn Thompson, Clinton; John Kowal, Livonia, and Loren Anderson, Ann Arbor.

Handweavers Guild Exhibition

The Ann Arbor Handweavers Guild will have its Eleventh Annual Exhibition at North Campus Commons March 2 through March 25, 1982.

The exhibition traditionally represents a

cross section of Guild member's work, showing each persons growth and development over the past year. It will feature weaving and fiber constructions employing traditional weaving, basketry and macrame techniques.

The Ann Arbor Handweavers Guild is an educational organization dedicated to the enjoyment of weaving through the sharing of weaving experiences and information. Formed in 1956, the Guild is composed of over 70 weavers having a wide range of experience, including artists with state wide recognition.

The North Campus Gallery is open from 8:30 a.m. to 4:30 p.m. Monday through Friday. It is located at the corner of Bonisteel and Murphree on the University of Michigan's North Campus. There is ample parking.

MATS Meeting Set For March 10

The Manchester Association For Talented Students will be meeting Wednesday, March 10, 7:00 p.m. at the High School, Room 110.

It is a crime when really talented, bright children are ashamed of the gifts God gave them! They should be able to be just as proud of their talents as our star athletes are of their speciality. Come and share your ideas about how we might encourage this attitude.

Nondus Buss will be with us to present the program she is originating at the Middle School. She will also be available to answer questions.

We would like to see all of you there: the curious, the workers, the anxious, the idea people, but mostly the concerned.

Bloodmobile-March 29

On March 29 there is a very important Bloodmobile at Manchester United Methodist Church from 12 to 6 p.m. The quota for this annual spring clinic is 200/250 pints.

For example there are 200 cases of open heart surgery in the 5 county Southeastern Michigan Blood Center area per month and 25% of those are done at the Ann Arbor Hospitals. Our Blood Club is a major factor in furnishing blood for this area.

For this reason a number of Manchester Blood donors have answered the call recently when they were called by Ann Arbor Hospitals to help with open heart surgery. Those of you who gave will be pleased to know that your generous donation was credited to Manchester and that we are very proud of you.

The churches in the area are organized for this drive and their recruiters are already working, as follows: Bethel United Church of Christ, Mrs. Victor Mann; Emanuel United Church of Christ, Mrs. James Kensler; Manchester United Methodist Church, Mrs. Dennis Helfrich; St. Mary's Catholic Church, Mrs. William Schwab; Sharon United Methodist Church, Mrs. Willis Uphause; North Sharon Bible Church, Mrs. Joe Lantis; Iron Creek Community Church, Mrs. Ruth Donko; Faith Community Church, Miss Lynn Gonyer; St. Thomas Lutheran Church, Mrs. Judy Hazen; Zion Lutheran Church, Reverend John Morris; Victory Baptist Church, Reverend Clare Gleason; and St. John's Lutheran Church, Bridgewater, Mrs. Armbruster (office phone 428-7644).

Call your church recruiter if not already contacted, before March 22nd as these registrations should be in the hands of the Chairman-of-the-Day, Mrs. Robert Little, by that date. If convenient to reach her put your cards in an envelope and drop them off at "The Clothes Line".

For two weeks before the Bloodmobile there will be 4 drop boxes for donors to use. Each of the banks: Ann Arbor Bank and Trust, National Bank of Jackson on Main Street and Great Lakes Federal and A & B Market - Manchester IGA store, will have displays of cards and drop boxes for registration of donors. Donors will receive their cards back by the 28th of March giving them their exact time of appointment.

Local industries will begin their scheduling a week to a week and a half before the 29th. Each has its own system of supporting the Red Cross Blood Program for which they supply about half the quota for the area.

Blood cannot be replaced by money. It must come from the hundreds of volunteer donors who come to Red Cross Bloodmobiles every week to serve their fellowman. If you are 17 through 65 and in good health you probably can be a donor. The Red Cross and Manchester are counting on you now - March 29th. (Seventeen year olds do not have to bring a parental release in order to give blood anymore.)

Mens Club Meeting

The Manchester Mens Club will hold their regular meeting on Thursday, March 18 at the Bauernstube Restaurant. Cocktail hour will be from 6 p.m. to 7 p.m. with dinner following.

The guest speaker for the evening will be Jim Fielder.

Everyone is invited to bring a friend.

Outstanding Citizen of the Month

Pictured are Reverend Ronald L. Iris, Optimist Member, Eric and parents Mr. and Mrs. James Duncan.

The Optimist Club Outstanding Citizen of the Month for March is Eric Duncan, a senior at Manchester High. The son of Mr. and Mrs. James Duncan, 400 East Main Street, Eric has participated in track three years, cross country for three years, basketball for four years, the band and pep band one year and has been a cast member in school plays. He has also been a member of the High School Varsity Choir four

years. In addition to his school activities, Eric is active in the youth group of Faith Community Church. This past summer he participated in a 2,000 mile bike trip with the church group.

Eric, whose hobbies include running, swimming, skiing and cooking, plans to attend Central Michigan University in the fall of 1982 to major in speech pathology.

Black Sheep Theatre To Open 1982 Season

The Black Sheep Theatre of Manchester will open its 1982 theatre season with a production of George Bernard Shaw's *Pygmalion* on Friday, March 19. The play will run three consecutive weekends with performances Friday and Saturday evenings at 8:15 p.m. and a Sunday matinee at 4:00 p.m.

Pygmalion, one of Shaw's best known works, takes its title from the Greek legend of a sculptor who falls so much in

love with a beautiful statue he has created, that the gods take pity and bring the marble image to life. In this adaptation, the artist is Professor Henry Higgins, a phonetics expert, and his work of art is the transformation of a Cockney flower girl, Eliza Doolittle, into a flawlessly spoken Victorian lady. Complications ensue, since Eliza was flesh and blood to begin with and eventually resents her status as an experiment. The play follows very closely the action of its most recent adaptation, the musical *My Fair Lady*.

Ticket prices for all performances are \$7 - regular admission, \$5 - seniors over sixty and college students, and \$2 - youth admission, under eighteen years. Group rates are available. Reservations can be made at the box office, noon to 6 p.m. Tuesday through Sunday, by phone (313) 428-9280.

United Way Annual Meeting

The Annual Meeting of the Manchester United Way will be held at 7:30 p.m. on Tuesday, March 23, 1982, at the Manchester Township Hall, 275 South Macomb Street.

We have had another successful campaign due to your continued support of the United Way. All members of the community are invited and encouraged to attend. Annual reports will be given by all of the agencies represented in the United Way budget.

An election will also be held to fill four 3-year terms on the United Way Board. Those members whose terms are expiring include Jim England, Marie Garlick, John Suter and Alice Swainson. Please plan to attend!

Tri-Star Basketball Skills Conterst

The Manchester Optimist Club will hold a Tri-Star Basketball skills contest at 9:30 a.m. March 13 at the Middle School. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, eight through thirteen, against youth of their own age. All that is needed to compete is the desire and a pair of gym shoes. There will be trophies awarded to the winners in each age group.

Entry blanks are available in the office at both the Middle School and Klarger School. Each entry blank must be signed by the parent of the contestant, approving of participation.

Hockey Game Sponsored By Athletic Boosters

Children ten years of age and under will be admitted free to the second annual hockey game between the Raisin River Flyers and the Washtenaw County Sheriff's Department. The Flyers will be out to win back the trophy and avenge last year's loss to the police team.

Manchester will have a secret weapon, former Detroit Red Wing Ted Lindsay, when they take to the ice at 7:00 p.m. Friday, March 12, in Yost Arena, Ann Arbor.

Tickets for persons 11 and older are \$2.00; they are available from Police Chief William Zsnyuk, Athletic Boosters, the Gambles Store, and at the door.

The game is sponsored by the Manchester Athletic Boosters and proceeds will benefit Manchester's sports program.
