Manchester Teachers Attend Special Computer Seminar

Sheryi Hall, Char Henderson, and Susan Davis look up from their computers.

Fifteen Manchester teachers administrators have just concluded a one week intensive seminar designed to familiarize them with world of micro computers. Taught in the school district by Mary Ann Dettling a seminar provided opportunities for teachers to work with computers in the classroom and to learn

basic programming skills. Jane Raus, Melinda Trout, Teddie Groeb, Janice Little, Susan Davis, Char Henderson, Sheryl Hall. Yvonne Henry, Dick Parson, Mary Koebbe, Mary Kuyda, Astrida Punches, Millie Grantham, Mary Blossom, and Janice Hammond all returned to their classrooms early in order to develop special skills to meet the needs of

their students. The dedication of these educators may be seen in their classrooms as they begin the process of preparing for students who will not arrive for another

"We were extremely pleased at the number of teachers interested in enrolling in the seminar and in fact had to limit the enrollment," said Superintendent Gene

"I expect that we will offer the seminar again during the year on an after school basis. I am extremely pleased at the dedication of our teachers and hope that the Manchester Community appreciates this level of commitment."

American life was once a very stable affair. Now it is not. It is very mobile. Folks didn't use to move about very much. They stayed put. They were born, grew up, went to school, got a job, got married, had children, grew old, and died in the

They went to the same school as their parents, and saw their grandparents and uncles and aunts and cousins every week. Their relatives lived in the same county at

Come Memorial Day they put flowers on the graves of their grandfathers, and great grandfathers. There was a continuity about life. There was a sense of permanence, a feeling that every day was a chapter in a continued story.

But today we as a people are nomads, and it is relected in our culture. Our daily habits have changed radically, in a great

We use to like "continued" things. Our popular magazines all carried serialized stories-Collier's, Liberty, American, The Saturday Evening Post-they were famous for their serial way back to the days of Charles Dickens. Daily and weekly newspapers ran serial fiction, and the comic strips were continued stories-Terry and the Pirates, Little Orphan Annie, Dick Tracy and others. Even the comic strips were-Popeye. Barney Google, Alley Oop

You can remember when the radio was loaded with serials for both kids and grown ups-Stella Dallas, One Man's Family, I Love a Mystery-and the movies had serials for the kids every Saturday.

March Of Dimes To **Hold Big Three** Wheel Race

The Washtenaw-Livingston Chapter of the March of Dimes Birth Defects Foundation, the Washtenaw County Sheriff's Department, and The Ann Arbor News announces their Third Annual Big Three Wheel Race.

The race will again be held at the Washtenaw County Sheriff's Department parking lot on Saturday. September 11. 1982, beginning at 8:45 a.m. with opening ceremonies. At 9:00 a.m. the races will begin with the 2 year old racers and continuing with each age group

The children will be racing in heats of 5 wheelers per heat on a 75 yard straight track. The five best times in each age group will race for the grand prize, a brand new Big 3 Wheel. There are 4 Grand Prizes, one for each age. Every racer will receive a free official "Big Three Wheel Race" T-shirt, an appreciation certificate, a place ribbon, and coupons for drink and snacks (all donated by very willing area businesses). We also have special attractions such as a "real" race car, clowns, Sheriff's helicopter, Pittsfield Township Fire Truck, etc.

A balloon lift release will take place

between the 8 and 4 year old races. For an last year, our record was clean for 1982. On unspecified donation, you can purchase a helium balloon and attach a tag with your child's name and address, then wait for a response from the finder.

If you look back on the whole picture you have to agree, that is a lot of fun all rolled into one day! All proceeds from the race will be utilized for the continuing fight against birth defects. For more information call 761-6381. But hurry...registration is \$5 until September 7, 1982, after September 7th, registration will be \$7.

that date a horse in northeastern St. Joseph County was affiliated with the symptoms of the mosquito-borne disease, and we found it necessary to issue our usual alert for the third consecutive

EEE is mostly a disease of horses, but on rare occasions humans do contract the disease. When people are affected, it's a very serious matter. EEE has a fatality rate of 50-70 percent, and permanent neurological illness is frequent in

> survivors. The real problem is that horses can be protected against EEE by a vaccine, but there is no vaccine available for human use. Therefore, the only real defense for people is to avoid mosquito bites.

The disease is contracted when a horse, or a person, is bitten by an infected mosquito which picked up the virus by biting an infected wild bird.

There are a few things to be remembered if you are to protect yourself against mosquitoes and EEE. First off, nosquitoes are most active during evening hours. The mosquitoes likely to carry the EEE virus most often live around fresh water marshes. Avoiding these areas and using caution when out-of-doors in evening hours should be your first concern. Also, when you must be outside wear clothing that protects you as much as possible and use a mosquito repellant on areas of exposed skin. If your residence has any screens that are defective, repair them.

Keep in mind, too, that the problem of mosquitoes is going to remain with us until the first heavy frost, which is usually in

Campbell Nominated For Supreme Court

Judge Ross W. Campbell, of Ann Arbor, received the Republican Party nomination for Supreme Court at the State Convention held at the Amway Grand Plaza Hotel in Grand Rapids on Saturday, August 21.

The nomination, which came approximately 10:30 a.m., was preceded by speeches given by Stephen Bransdorfer, a Grand Rapids attorney; Jackie McGregor, field director for Phil Ruppe's campaign; and Robert Henry, Washtenaw County Chairw a and an attorney for the one was wearing a safety belt!

Campbell, a 22nd Circuit Court Judge addressed individual district caucuses on Friday evening. He received several

endorsements and a standing ovation from the 2nd District.

After his acceptance speech, a jubileusi Campbell said, "This is the first step in restoring reason and common sense to the decisions of the Michigan Supreme Court." Campbell hosted a hospitality suite which featured a bagpiper, Scottish meat pies, and coffee. It was attended by over 800 of the 1900 delegates.

'Operation C.A.R.E."

The Michigan State Police are again requesting the cooperation and support of holiday travelers in making the highways safe this upcoming Labor Day weekend, Friday, September 3 through Monday,

Operation C.A.R.E." will be providing over 3,200 hours of extra traffic patrol which will be concentrated on 2,118 miles

of the state's major trunklines. "C.A.R.E.", an acronym for "Combis Accident Reduction Effort," was initiated by Michigan and Indiana in 1977 and has since developed into a nationwide summer holiday traffic accident reduction program. Forty-two states are expected to conduct "Operation Care" patrols this Labor Day

Michigan troopers will be especially watchful this holiday period for accidentcausing violations such as drinking and driving, following too closely, improper passing, and excessive speed. During the 1981 Labor Day weekend in Michigan, over which 17 persons lost their lives, troopers removed 259 drinking drivers, assisted 2,389 troubled motorists and issued 10,159 traffic citations and 6,761 verbal warnings.

About 50 volunteer groups will be working with "Operation C.A.R.E." by providing their time and resources to serve refreshments and distribute traffic safety literature at 58 different rest areas and roadside parks throughout michigan. The State Police encourage motorists to take a break from the stresses of driving and stop at a "C.A.R.E." break.

The State Police remind motorists that the 35 persons who lost their lives during the Memorial Day and July 4th weekends this year all had one thing in common-not

Exceptional **Performance Rating** Received

Charles C. Chapin was awarded an exceptional performance rating at a recent ceremony at the US Army Mobility Equipment Research and Development Command (MERADCOM). Fort Belvoir. Va. He received this rating for his exceptional contributions in the research and development program covering fuels, lubricants, functional fluids and corrosion preventatives. He also received a Certificate of Appreciation for a patent application involving a new method for replacing brake fluid in automotive vehicles.

A chemist in the Energy and Water Resources Laboratory, Chapin earned a bachelor of arts in organic chemistry from Kalamazoo College in Kalamazoo, Mich., and a master of science in organic chemistry from American University in Washington, DC. He entered civil service in May 1978 and is a member of the American Chemical Society (Organic, Petroleum, Surface and Colloid. History and Industrial Sections) and the American Institute of Chemists.

The son of Robert and Cecelia C. Chapin of Manchester, Michigan, he and his wife, Carol Ann, have two children and reside in Woodbridge, Va.

MERADCOM is a major subordinate command of the US Army Material Development and Readiness Command (DARCOM). The Fort Belvoir-based organization employs more than 1200 military and civilian personnel who are involved in research, development, and initial acquisition in four areas that are to Army readiness: critical mobility/countermobility, survivability, energy and logistics.

Summer Reading **Program Party**

At a special party Wednesday, August 25, some of the Summer Reading Program participants gathered to receive awards, play games, and join members of the Manchester Township Library staff for

refreshments. Twenty-one children from the area. ranging in age from four to eleven. participated in the program and read a total of more than 12,000 pages during the

Linda Hansen received an award for reading the most - 3,020 pages. Certificates of achievement were awarded to those who read eight or more books; Jennifer Bailey, Alvssa Beth Chartrand, Linda Hansen, Bryan Hoeft, Jennifer Kunzelman, Kathy Nosbisch, Jenny Nosbisch, Jamie, Johonna, and Julie Rodenbeck, Angie Schaible, Dawn Schaffer, Billy Schaffer, Johnny Schiel, Melissa Steele, and Christopher and Matt Wiethoff. Congratulations are in order for all the young people who joined

The readers had a choice of all the books in our Library and, though many read fiction, others included books about animals, sports, history, science, science fiction, geography, and humor. The students also had a better chance to browse and discover sections of the library of individual interest.

A second part of the Summer Reading Program was the "Read To Me", and quite a few families with pre-school children participated in it. Parents, older siblings, friends, and other relatives, would read to a younger child who then kept account of the number of pages 'digested'. Because most of the reading was accomplished at home, the Library has incomplete records

Detroit Tigers broadcaster Emie Harwell urges motorists to heed the "School's Open--Drive Carefully" reminder of the Automobile Club of Michigan. Harwell interviews Jonathan Sieplings and Christina Cheske, who will be attrong more than 862,000 elementary school children attending classes in Michigan this year. Traffic safety posters-along with safety patrollers' badges, raingear, belts and other supplies-are being distributed to 4,200 Michigan schools. Harwell will be made an honorary Safety Patrol captain in special "School's Open" ceremonies prior to the Detroit-Oakland game September 4 at Tiger Stadium. He urges parents and motorists to assume a direct responsibility for the safety of Michigan school children.

more than half of all school-related traffic children of traffic safety rules through the deaths in 1981, is the aim of the Automobile Club of Michigan's 1982 "School's Open-Drive Carefully" campaign.

Fifteen students, ages 5 through 17, died in accidents before or after school last year. The Auto Club's studies show that eight of the victims were "dart-outs" who crossed the street from between parked cars or at mid-block.

"With most schools opening September 7. this is the time to begin reminding parents and motorists of their shared responsibility for children's safety," said Robert Cullen, the Auto Club's Safety and Traffic Engineering manager. "Children must be reminded to cross at intersections while motorists must be prepared to stop for forgetful youngsters who cross at

unexpected places.' Some 862,500 youngsters will cross streets or wait for buses as they attend elementary school this year. More than 116,000 will be going to school for the first

Health Services For Veterans

The Washtenaw County Community Mental Health Center has announced that services are now available for eligible Viet Nam veterans through a contract with the Veteran's Administration Medical Center, Ann Arbor, Michigan.

The Adult Services Program of the Mental Health Center will provide readjustment counseling for all people who were in the United States Armed Forces between August 5, 1963 and May 7, 1975. Information about the counseling may be obtained from Timothy Lentner, Program Administrator, at 994-2285.

Veterans must contact the V.A. Medical Center first to fulfill the necessary requirements and then be referred to the Mental Health Center.

The United States Government recognizes that a serious number of Viet Nam era veterans are still suffering with adjustment issues that disrupt their lives. It also recognises that many veterans are unable to relate to more traditional V.A. services and therefore has sought to provide services through alternative settings, such as the Mental Health Center. The V.A. estimates that there are over 11,000 eligible veterans in Washtenaw

"Toys, Past and Present"

In keeping with the purpose of using the Old Black Smith Shop as a display area, plans are underway for the exhibit "Toys. Past and Present" to be presented jointly by the Manchester Area Historical Society and the Manchester Art Guild. The society chairman, Florence Parr, is urging members and area residents to hunt up toys suitable for this display such as old dolls, games. sleds, handmade toys of all types, wagons,

You are welcome to bring the toys to the Historical Society Annual Meeting to be held at the Old Black Smith Shop on Main Street on Monday, September 20 at 7:30 P.M.

Call Florence Parr 428-8658 for further information. Classes of school children and organizations are encouraged to plan to visit the exhibit which will be open Thursdays, Fridays and Sundays from 1:00 to 4:00 and Saturdays from 10:00 to 12:00, 1:00 to 4:00, and 6:00 to 8:00 from October 14 to November 14.
