A Joy Ride By Auto

MANCHESTER ENTERPRISE
JULY 8, 1915

From a story in the Patriot, "A June Ride Through A Lovely Country," we extract a few sentences.

"Rural Michigan needs to be seen to be appreciated. Only glimpses are obtained as the whirling auto wheels make fence posts seem near apart. From the land all living comes. The toilers in the fields must grow a surplus before the rest of us can contrive to live. We are dependent upon the labor of others. The solidarity of humanity is a fact, however much we may pull apart or fight each other. But the chiefest of all our thanks are due to those who live in the country—those who charged the wilderness into fields of grass and grain, orchards and vegetables, for they are the most useful men and women in the social organism.

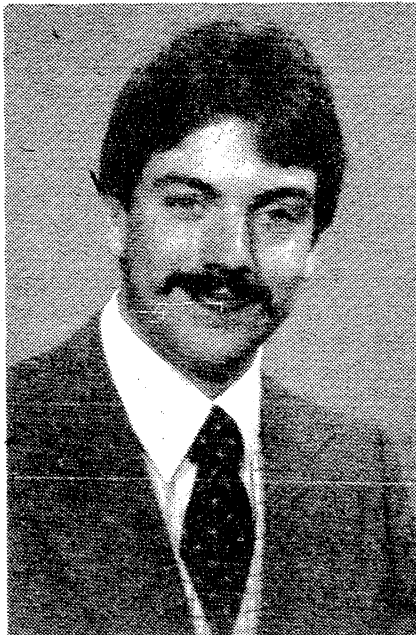

"Michigan never appeared in finer garniture than it does this year. All foliage is fresh and green, not somber with the dust of earth's highways and byways; the fields of wheat and rye, of clover and timothy, never looked more promising; the thick bunches of alfalfa on the Probert dairy farm had a suggestion of up-to-dateness that assured good returns from the large herd of Jerseys; and the hundred acres of wheat on the Watkins farm stood chin-high to a full-grown man, and perfect in appearance, as the long and heavy heads swayed in billowy motion with the summer breeze. Corn is late but has a healthy look. Most of it had to be re-planted in June because of the cold and un-germinating weather in May.

"And the June roses! How plentiful and beautiful they were at the Watkins' home. There is a spendid white rose, the bush brought from New Hampshire in 1834 by Mr. L.D. Watkins'

mother, first set out near the loghouse that was built eighty-one years ago, then transferred to the present family home, where it blooms year after year. But June roses come and go. So do other things. These roses will bloom and fade, as do human lives, which is a way of their own as the years themselves come and go. But think of it! Mr. L.D. Watkins has lived on this farm continuously since 1834, for eighty-one years; every tree in the twenty acres of park is a familiar object to him; many of them have been set out by his own hands, and now are stalwart growths; their life is a part of his life; the farm itself has grown more bountiful crops in recent years than in earlier years; the land has been treated intelligently and scientifically, and it responds thereto with profitable yields; evidence that it is the fault of many whenever the soil becomes exhausted of its fertility and finally brings discouraging returns for the capital and time and labor spent upon it a lesson well worth learning in this utilitarian age.

"Much of the original forest has been retained on the Watkins farms of over 2,300 acres, to which 160 acres with three private lakes has been added within a year. Trees are cut only to save them and to let other trees take their places. And the rapidity with which the young trees grow shows that deep down there is much strength of soil, and the greenness of the foliage indicates an abundance of nitrogen in the atmosphere, which may be had with the proper means of taking it."

Dr. Bruce Bates Takes Over Dental Practice

Bruce A. Bates, D.D.S., has purchased Dr. Glenn Lehr's dental practice and is now accepting appointments.

The twenty-six year old Bates was born in Southfield and resided there until 1966 when he moved to Royal Oak. He was graduated from Kimball High School in 1976 and began his studies at the University of Michigan that fall.

Bruce earned a Bachelor of Science in Zoology in May of 1980 and then decided to attend the University of Michigan School of Dentistry, receiving his D.D.S. in May of this year.

Dr. Bates married his wife, Siobhan, August 6, 1983, and they are now living on the outskirts of Ann Arbor. He is interested in literature, history, water and winter sports and photography.

He is enthusiastically looking forward to serving the community of Manchester.

JoAnn Okey Appointed As Klager Elementary Principal

Following the recommendation of Superintendent of Schools Gene Thompson, the Manchester Board of Education took action at its regular meeting on Monday, July 16, to confirm the appointment of JoAnn King Okey as Principal of Klager Elementary School.

Mrs. Okey, who had been elected to the Manchester Board of Education two years ago, had submitted her resignation as a Board Trustee at a previous meeting stating that she wanted to be certain that there was no conflict of interest.

Okey is a 1969 graduate of the University of Michigan. Her Masters Degree was earned at Chapman College in California in 1979 with a major in Educational Systems Management. She was recently accepted into the Doctoral Program at the School of Education at the University of Michigan.

Okey's professional experience includes working as a teacher in the Inkster and Howell School Districts prior to becoming principal of the Birkenstock Elementary School in Howell. In 1974 the Okey family moved to California where Mrs. Okey worked as a teacher and as Vice Principal in the Fallbrook Schools.

As a conference presenter Okey has participated with the Greater San Diego Mathematics Council, the National Council of Teachers of Mathematics, Michigan Association of Supervision and Curriculum Development and the University of Michigan Mathematics Council.

Her publications include a ten

article series entitled "Summer Magic" for the Livingston County Press and "Graphically Speaking" for the National Council of Teachers of Mathematics 1981 year book.

Superintendent of Schools Gene Thompson commented, "I felt extremely fortunate to have someone of JoAnn's background and talent available within the Manchester Community Schools. She was interviewed by a committee made up of parent representatives from the PTO, two teachers and myself. We were all very impressed with her

Board Continues To Seek Applicants For Trustee Position

The Manchester Board of Education has directed the Superintendent of Schools to continue to seek applications for the vacant Trustee position recently created by a resignation. During discussion at its regular meeting on July 16, the Board indicated its desire to make a replacement appointment at the regular meeting in August.

Persons interested in serving on the Board of Education should write a letter addressed to the President of the Board, Earl Horning, at 710 E. Main Street. Applicants are encouraged to submit letters prior to August 10th in order to enable the Board to have time to consider all those who may be interested. Later applicants will not be rejected however.

The person appointed will serve until the next regular election in June, 1985. At that time the remainder of the term vacated by the resignation of JoAnn Okey will be placed on the ballot.

Persons having questions regarding this position should feel free to discuss the matter with any current board member or the superintendent of schools at 428-7300.

Another Panther Sighting

A sighting of the panther on July 10th by a Manchester resident has reinstated efforts by local and U.S. Fish and Wildlife authorities to trap and capture the cat.

It has been determined that there are two animals, one in the Wixom area and another in the Manchester area.

On Tuesday, July 17, Chief Zsenyuk met with Wixom Chief Phillip Leonard to co-ordinate plans. They will proceed with their search in one area at a time, using a new trap designed and built by engineers in Lansing.

31st Annual Manchester Chicken Broil Thursday, July 19, 1984

Attention Citizens Of Manchester!!!

Con men are again in this area! On Monday afternoon, three males were questioned after police were alerted of a possible scam operation. An interested citizen reported a suspicious incident going on on Ann Arbor Hill. Officers investigated and proceeded to check out the suspects. Two men were released after questioning, the third man was then arrested when the Manchester Police Department determined that a felony warrant was out from the Roseville Police Department for a similar con job.

The three in question were attempting to bilk a citizen out of \$30 for spraying what was supposed to be sealer on the driveway. The substance was not sealer, and not worth the \$30.

Too many cooks spoil the soup? Not necessarily, say the 14,000 people who flock to Manchester the third Thursday each July for the Annual Charcoal Chicken Broil. The event is sponsored by local groups as a fund-raiser, and puts to work about 700 area men and boys in the preparation and serving of the food.

Since 1954, when the Broil first began, the menu has varied little. Guests in our village have been served a butter-basted chicken half, cole slaw drenched in a secret recipe dressing, potato chips, radishes and a beverage. The price, however, has increased to keep up with current costs. This year tickets will sell for \$4.00 presale and \$4.50 at the gate. Advance tickets are available from volunteers or from area businesses, including the Gambles store, the Broil headquarters.

This year "Fat Bob" Taylor will

once again be on hand for entertainment. He will be honored at the 1984 Broil for his part in making the Chicken Broil even better-known to listeners of his radio show. July 19 has been designated as "Fat Bob" Taylor Day.

Proceeds from the event, which total over \$110,000 over the last 30 years, have been used to improve parks facilities and other recreation areas and equipment for the youth. These include such things as the ticket stand, storage shed and concession booth on the athletic field, lighting, a filing system for the library and payment toward the track by Klager School. Most recently, funds were used to purchase the old Blacksmith shop on Main Street, which is now the meeting place for the Manchester Historical Society. The building was dedicated at last year's

Chicken Broil and bears the plaque designating it as an official historic site in Michigan.

Manchester residents probably remember last year's event for its poor weather as much as anything else. Tornado warnings, high winds and soaking rain diminished both profits and spirits, and for the first time lines of people were turned away hungry. This year, however, hopes are high for good weather, good company and lots of the best chicken available anywhere in the state.

births

Craig and Jan Little of Bridgewater, Michigan, are proud to announce the birth of their son, Adam Douglas, on July 13, 1984. He weighed 8 pounds 3 ounces. Grandparents are Mr. and Mrs. Herman Coval and Mr. and Mrs. David Little.

Gordon and Daneil Guenther of Manchester are the proud parents of their first daughter, Kylee Kay, born at Bixby Hospital in Adrian on June 27, 1984. She weighed 6 pounds 3 ounces and was 19 1/2 inches long.

Proud grandparents are Mr. and Mrs. Clement B. Guenther of Saline; Mr. and Mrs. Lawrence Dermeyer of Rives Junction; Mrs. Donna Rice of Brooklyn; and Great Grandmother Mrs. Alice Rowe of Brooklyn.

Scholarship Winner

Eastern Michigan University's Office of Financial Aid has announced 527 additional students as recipients of the University's 1984 Recognition of Excellence Awards. To date, this brings the total of students honored by the scholarships to 677.

Winners of the \$1,000 scholarships must have earned a minimum 3.5 grade point average in high school or community college and must demonstrate outstanding leadership ability. Preference is given to high school students who score at least 20 on the American College Test or 900 on the Scholastic Aptitude Test.

Mark A. Ball, of 611 Vernon Street, Manchester, has been recognized as one of the Excellence Scholarship winners.

One award has been designated for each community college and high school in Michigan. Additional awards are given to Michigan schools and out-of-state schools as funds permit.

Additional winners may be announced at a later date.

Pratt Announces Candidacy For Commissioner

Ellis J. Pratt, of 11663 Pleasant Lake Road, Freedom Township, Manchester, is a republican candidate for District I Commissioner District I, takes in the Townships of Lyndon, Sylvan, Lima, Sharon, Freedom, Lodi, Manchester, Bridgewater, Saline and York.

Pratt, a former farmer in Sharon Township for 28 years, is presently a licensed realtor and appraiser with Spear and Associates, Inc. Pratt has been active in the community, a life time member of the Farm Bureau, serving as County Chairman for two terms. A two term president of the Township Zoning Board. Member of the Manchester Chamber of Commerce and the Manchester Fair Board serving as president for several years. He and his wife are members of St. John's United Church of Christ, Ellis serving on the church council for 12 years and 6 years as president.

Ellis and his wife Doris have three children and six grandchildren. In announcing his candidacy Pratt feels that living in the middle of his district will be an asset, Pratt pledges to fully represent the people of his district by keeping spending down, keeping tax dollars local, reducing County spending and waste. Helping to maintain local government and control.

"Ft. Wayne Flyer" Trip

Heavy demand for tickets on the Southern Michigan Railroad Society's "Ft. Wayne Flyer" steam train trip of July 28 and 29 has led to a complete sell-out of tickets to Ft. Wayne, Indiana. No more tickets will be available to this destination due to limited capacity on the train. However, since many people still express an interest to ride on the steam train, the Society has arranged an extra opportunity for prospective passengers.

On the evening of Sunday, July 29, passengers will be able to board the return trip of the "Ft. Wayne Flyer" at Adrain, Michigan at 6:45 p.m. They can then settle down in open window or air conditioned passenger cars and enjoy a 60-mile, 1 1/2 hour trip across Southeastern Michigan to Allen Park. The train will terminate there, and a chartered, air-conditioned motor coach will be waiting to take passengers back to the Adrian railroad depot, arriving at about 9:45 p.m.

Tickets are available now, on a first-come, first-served basis, from the Society or from Shirts by Trouble, 108 Tecumseh Road, in Clinton.

Anyone desiring information on the trip should contact Celia Davison at 456-7029 or write the Society at P.O. Box 434, Clinton, Michigan 49236.

First Aid Volunteers Needed For U of M Games

The American Red Cross is looking for volunteers to join the First Aid Corps which provide first aid for spectators at University of Michigan home football and hockey games.

The First Aid Corps has treated over 300 injured or ill spectators in the past two seasons.

First Aid Corps members are required to have a valid Advanced First Aid or Emergency Medical Technician certification and CPR card.

Also, each member must pass a written and practical exam, both given Friday, July 27, 7-9 p.m. at the American Red Cross.

Accepted members must then complete two additional training sessions held Friday, July 27, 9-10 p.m. at the American Red Cross and Saturday, August 4, 10-3 p.m. at the U of M Stadium.

For an application or more information, contact Dave Egeler at the American Red Cross, 2729 Packard, Ann Arbor, 48104, 971-5300.

Sons Of The American Legion Spur Moment Saddle Club

Front row: Robby Luckhardt, Jim Schiel, Shane Clouse, Jacob Gilbert; 2nd row: Johnny Schiel, Stacy Clouse, Israel Clouse; 3rd row: Alan Carson, Nathan Gilbert.

The newly formed chapter of the Sons of the American Legion Emil Jacob Post #117 presented its Charter and dedicated its flags on Memorial Day, May 28th.

The Charter was presented to Erwin and Peral Wild in memory of Johnny Bivens. Mr. Bivens was a member of the legion who was interested in starting a Sons of the Legion. He was made an honorary member. Directing the group is Jay Clouse.

The American Flag was presented by Charles and Joanne Schiel. The flag was obtained from Senator Riegle and was flown over the Capitol in Washington, D.C.

The pole for the flag was donated by Steven and Hatty Carson.

The Sons of the American Legion Flag was presented in memory of Johnny Bivens. The flag was given by Erwin and Peral Wild.

The Sons of the American Legion would like to thank Erwin and Peral Wild and Charles and Joanne Schiel for our nice flags and will look forward to using them for years to come. They would like to thank Gerald and Peggy Schmidt for the nice pictures and Huron Camera for developing them.

Arabian Harem Lady; Kevin Blades and Twinkle as an Indian Brave; Jennifer Blades and Sugar as a Circus Bareback Rider.

July 15, 1984, Spur of the Moment Horse Club, Whites Arena. The morning started out a little worrisome, dark clouds and a little rain tried to dampen the day. By the time the show started the sun was shining and starting to get hot. Peggy Friday got the show rolling as she announced the first class to come into the ring. Peggy did a great job announcing all day long! Our Judge, Mary Vix of Howell, was there on time, with a smile on her face. Thanks Mary for a great job! Our Ring Steward for the morning classes was Nadine Bullard and in the afternoon was Karen Lee. Thanks to both of you for all your help! Bernard Davis (husband of Jean Davis, President of Spur of the Moment Horse Club) did a nice job moving the grounds and grading the ring. And as faithfully, setting-up the timer for the speed events. Thank Bernard for all your hard work! Our Arena help was Donnie Adams and Keith Friday. They did a great job, too! Thank you all for the speed events! Thank you guys!

The Spur of the Moment Horse Club Officers and Members would like to express our sympathy to Lynn Elliott for the loss of her husband Jim Elliott. Lynn has done alot to help us get judges for our horse shows.

 Church is planning a unique
 Vacation Church School program
 August 6-10 from 6:30 p.m. - 8:30
 p.m. each week-night.

Children will experience life as
 it was in Jerusalem at the time
 Jesus was a boy. They will be in
 costume and live in tents
 representing the tribes of Israel.
 They will visit various shops and
 learn crafts and trades of the
 time. They will sing the songs,
 and play the games that were
 popular in Jesus' time. There will
 be storytellers and visits from
 Biblical characters.

If you are interested in having
 your children involved in this
 exciting program you may
 register with our directors:
 Elizabeth Kothe, 475-9436 or
 Bonita Kothe, 428-7296.

There is a registration fee of
 \$3.00 for the first child and no
 more than \$6.00 for a family. In
 order to plan properly for this
 type of program we must adhere
 to a July 25th registration
 deadline.

St. Mary's Ice Cream Social

St. Mary's will hold its annual
 Ice Cream Social on Wednesday,
 July 25th. The social will take
 place on the parish lawn from 5
 until 8 p.m. In case of inclement
 weather the social will be held in
 the church hall.

The dinner menu will include
 hot German potato salad, cold
 American style potato salad, cole
 slaw, macaroni and cheese, hot
 dogs and barbecues. The ladies of
 the parish will be doing their best
 baking to provide a large variety
 of cakes, and fresh fruit and berry
 pies for dessert.

Vacation Bible School

"God Bless Our Native Land" is
 the theme this year for Vacation
 Bible School to be held at
 Emanuel United Church of Christ
 June 30 thru August 3 from 9:30
 a.m. - 12 noon. Registration is
 \$3.00 per child or \$7.00 per family
 and one (1) dozen cookies.

Cheese And Butter Distribution

Cheese and Butter distribution
 will take place for the Manchester
 area on Friday, July 20, from 10
 to 12 a.m. at the Manchester
 United Methodist Church. Low
 income families may receive free
 surplus food by presenting ADC,
 Food Stamp, or Unemployment

NOTICE OF PUBLIC HEARING MANCHESTER VILLAGE PLANNING COMMISSION

A Public Hearing will be held on Tuesday, July 31, 1984, beginning at 7:30 p.m. in the Council Room of the Village Hall, 120 South Clinton Street, Manchester, for the purpose of reviewing and hearing comments on the proposed rezoning from AG (Agricultural) to I-2 (General Industrial) of a parcel of land approximately 27 acres in area, lying between the Hoover Universal property on the north and Hogan Road on the south, between M-52 on the east and Parr/Sooten Road on the east, specifically described as follows:

Part of the West 1/2 of the Northeast 1/4 of Section 12, Township 4 South, Range 3 East, Manchester Township, Washtenaw County, Michigan, described as beginning at a point on the North-South 1/4 line of said Section 12 being S 1°-08'-10" E 1128.16 feet from the North 1/4 thereof; thence N 84°-48'-15" E 653.14 feet (formerly recorded as N 48°-52'-20" E 653.38 feet) to a point in the westerly right-of-way line of Michigan Highway M-52; thence S 12°-24'-38" E 997.71 feet along said highway right-of-way line; thence continuing along said highway right-of-way line 265.14 feet in the arc of a 24,430.34 foot radius curve to the right, the long chord of which bears S 12°-05'-59" E 265.14 feet; thence continuing along said right-of-way line S 32°-39'-20" W 369.70 feet to a point in the East-West 1/4 line of said Section 12; thence S 85°-30'-50" W 692.56 feet to the center of Section 12; thence N 01°-08'-10" W 1540.23 feet back to the PLACE OF BEGINNING. Containing 27.61 acres of land more or less including the rights-of-way of Hogan and Sooten Roads. Being subject to the rights of the public in Hogan Road and Sooten Road; easements for power lines as recorded in Liber 334, Page 169, Liber 1100, Page 122, and Liber 1316, Page 373, Washtenaw County Records; any other easements of record.

Written comments from persons not able to attend the Public Hearing should be received at the Village Hall not later than 1:00 p.m. on Tuesday, July 31, 1984.

Manchester Fair August 14 - 18

Final plans are being made for the Manchester Community Fair. Senior Day, Kid's Day, the Queen contest, exhibit tent, food wagons and pull contests are all falling into place. Plans have been made and the Fair books have been printed, and should be distributed to those who entered last year soon. Others who may wish to exhibit this year and haven't recently will find books available at local merchants.

Each year the Fair gives out toys, ribbons and trophies as prizes. But the real prize is a Fair we can be proud of. Help support the Manchester Community Fair and make everyone a winner!

volunteers in any areas. Anyone interested in working in the exhibit tent may call Diane Schwab at 428-8976 to volunteer.

Entertainment plans have been made, and fairgoers this year will be able to welcome back the Clark Family Players, the L-Three Dulcimer Band and Kathy Kitchen and the Kickin' Country Band. In addition, the Fair will continue the nightly drawing for prizes that will be donated by local businesses. There have been some changes in the procedure, however. The number system will still be used and the number stubs will be drawn as before, but the numbers will then be posted and winners will have one hour to claim their prizes. Prizes not claimed by that time will be added to the following night's drawing.

Raffle tickets are now available in more areas. Support the group of your choice by buying your ticket either from any Men's Club member or from the Senior Trip Club members. These groups keep a part of the proceeds from their sales of tickets. Any other groups interested in selling the tickets may contact Jim Thelan at 428-7292 or 428-7474.

As always, the Fair can still use

Another first is upcoming for the "city on the bay." Combustion Engineering will help the city develop a regional resource recovery plant. According to Combustion Engineering, a leader in energy technology worldwide, the project will turn municipal solid waste from the Bay Area into electric energy and recycled materials.

Help Your Heart

Swim for Fitness and Fun

Plunge into cardiovascular and overall physical fitness through swimming, one of the most popular sports activities. If you swim at the proper intensity for at least 20 to 30 minutes three times a week, it will help your heart!

In addition to the cardiovascular benefits, swimming can:

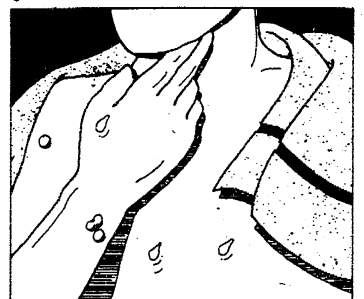

- Help you control your weight.
- Increase your resistance to fatigue.
- Improve your self-image.
- Help you relax and sleep better.
- Tone your muscles.

You may need to see a doctor before you begin your swimming program if you are not accustomed to regular exercise and are a male over 45 years old or a female over 50. When you start swimming, remember not to strain yourself or you may be tempted to quit. Listen to your body. If it takes longer than 10 to 15 minutes for your pulse to slow down after swimming, or if you have difficulty breathing, feel faint or have prolonged weakness, reduce your pace or stop.

Each swimming session should begin with a five to 10 minute warm up and end with a five to 10 minute cool down. Begin your warm up by reaching for the ceiling with both hands and then alternating hands. Do head circles and waist twists. Swim two laps slowly to gradually increase your circulation and body temperature. During

your cool down at the end of your session, swim at least a couple laps slowly to reduce your heart rate and to prevent soreness and cramps.

The longest part of your swim should be at least 20 to 30 minutes of exercising at a level called the target heart rate zone. Your target zone depends on your age and your maximum heart rate. Usually you can determine your maximum heart rate by

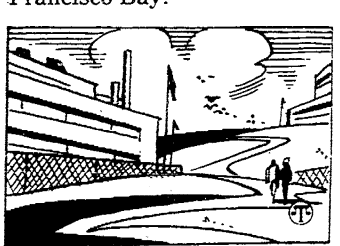

subtracting your age from 220. Your target zone is 60 to 75 percent of your maximum heart rate, depending on how far you have advanced in your exercise program. Immediately after you stop swimming, take your pulse at your neck (see illustration) for 10 seconds and multiply by six to get the number of beats per minute. A 35-year-old, for example, would probably have a maximum heart rate of 185 beats per minute and a target zone of 111 to 138.

Start your swimming program today. You will discover that swimming is a pleasurable way to maintain lifelong fitness.

IT'S A FACT!

One of America's most beautiful cities—San Francisco—was essentially ignored for more than 200 years. Portuguese explorer Juan Cabrillo discovered the Farallon Islands in 1542 but did not spy the nearby narrow entrance to the Golden Gate. In 1769, Spanish explorers were the first white men to see San Francisco Bay.

Another first is upcoming for the "city on the bay." Combustion Engineering will help the city develop a regional resource recovery plant. According to Combustion Engineering, a leader in energy technology worldwide, the project will turn municipal solid waste from the Bay Area into electric energy and recycled materials.

Hit Or Miss

Garage sales, flea markets and weekly auctions have, during the past quite a few years, become a way of life for a great many of our populace. Several nearby towns, for example, have auctions each Friday evening and to these events is brought a host of miscellaneous items from many homes, garages and attics. They range from books and back scratchers to washers and automobiles of questionable parentage.

There are many pieces of furniture in the lots including in many instances, bookcases, many of which still contain books of various kinds and the auctioneer, in most cases, takes these books and magazines and chucks them helter skelter into cardboard boxes of various sizes and these are offered for sale to the book lovers who bid from one to three or so dollars for the contents of each. Sometimes in a batch of these miscellaneous box contents the buyer had found a somewhat valuable or interesting book which was very interesting to the purchaser.

A week or so ago a friend of mine called me and told me that they had found, in one of these boxes, a 1927 telephone book which contained the directories of Ann Arbor, Belleville, Chelsea, Dexter, Manchester, Milan, Whitmore Lake, Willis, and Ypsilanti, and if we would find it all or any part interesting, we were welcome to it. Of course we said we would gladly accept it and when we got it home we turned to the Manchester section which occupied four and a half pages containing some 550 names which were served by the Manchester exchange. Many almost forgotten

names appeared therein as well as many that were familiar. In the back of the book were listed the grandfather of the yellow pages—a list of all the business places in the towns named above. A list of these in Manchester reminded us of many who were no longer in existence and a considerable number which still existed. Among them were the following:

- Washenaw Chevrolet Sales Co.
- Automobile Repairers, Roy J. Blythe.
- C.H. Seckinger, Baker.
- Peoples Bank, Union Bank.
- John Schneider, Blacksmith.
- Wuerthner Bros., Clothing, retail.
- K. of P. Lodge, Masonic Temple
- Young Men's Club, Societies.
- Davidter and Landwehr,
- Burtless and Henzie, Coal.
- George Haussler & Son, A.A. Snowman, Drugs.
- W.C. Marx & Co., Dry Goods.
- Frank Kern, Electrical Contractor.
- W.J. Hoffer, Feed Mill.
- Hill's Feed Store, Flour and feed.
- E.C. Jenter, Furniture dealer.
- J.C. Cathey, F.C. Huber, Frank Trb, Garages.
- American Filling Station, Kern and Aulls.
- G.H. Breitenwischer, Bullen Bros., Norvell, Pittman Bros., Norvell, Clarence Gieske, Sharon Township, General Merchandise.

Court Upholds Student Aid

On July 5, 1984, the Supreme Court upheld the constitutionality of the Solomon amendment which requires that all men receiving federal financial aid for education must be registered with Selective Service.

Chief Justice Burger stated that: "Conditioning receipt of Title IV aid on registration is plainly a rational means to improve compliance with the registration requirement." He went on to state that the law is "a fair allocation of scarce federal resources ... by limiting Title IV aid to those who are willing to meet their responsibilities to the United States by registering with the Selective Service when required to do so."

The legislation (sponsored by Representative Gerald Solomon of New York) went into effect on October 1, 1983. Its intent is to make men aware of their legal requirement to register with Selective Service as they reach their 18th birthdays. To date, 12.4 million men have registered — which represents 98% of the draft eligibles.

Pleased with the Court's decision, General Thomas K. Turnage, the Director of Selective Service, noted: "It has always been my philosophical conviction that a man who accepts the benefits of our society must also accept the responsibilities that go along with them. And, registration with Selective Service is a very unintrusive responsibility that must be met. To their credit, the vast majority of young men have already registered with us. They are proving to be responsible, law-abiding men — I salute them."

Registration is a simple process that takes about 5 minutes at any U.S. Post Office. A man fills out a form which asks only for his name, address, telephone number, social security number and date-of-birth. Men must register within 30 days of their 18th birthday. For their convenience in applying for student loans and job-training benefits, they may register up to 120 days before their birthday. Failure to register is a felony with a penalty of \$10,000 and/or 5 years in prison.

Contact: Paul D. Frakes, Michigan State Director, (517) 377-1641 or H.W. Walls, Region Director, (312) 688-4540.

ANNUAL MEETING
JUNE 30, 1984

The annual meeting of Manchester Township was held at the Manchester Township Hall on Saturday, June 30, 1984. Meeting called to order by the Supervisor at 12:04 p.m. with the pledge of allegiance.

Supervisor announced that meeting was being taped. However, tape player failed into the meeting.

Roll call vote of Board members: Supervisor, Fielder, present; Clerk Lentz, present; Treasurer Burch, present; Trustee Widmayer, present; Trustee Macomber, present. Absent: none.

Also in attendance—eighteen electors and two guests.

Supervisor explained that the meeting would be conducted under Robert's Rules of Order.

Clerk read the minutes of the last annual meeting June 25, 1983. Move by Keith Johnson and supported by Ron Mann to approved as read. Voice vote: Yeas, all. Carried.

Supervisor requested any petitions/correspondence. None presented.

Treasurer Burch explained financial statement. She noted that some funds were transferred to other banks during the year in order to obtain higher interest. She also noted that the financial statement will be posted on the bulletin board in the office.

Michael Scully, Fire Chief, gave a report on the past year. F.D. is pleased with the purchase of new utility truck. He noted that the Dutchmen Firefighter Association have purchased from their private funds a compressor that will fill the Scot air packs for \$500; also coats, helmets, and bunker pants have been purchased by individual firemen. They have expended about \$2400 for added things on the utility truck. He noted it has cut down on expenses as that is the only truck that goes on rescue runs now.

Projections for 1984-85 are:

1. Purchase of new papers—present ones are nine years old and we have tremendous repair bills on them. At present more are down than are working.

2. Purchase 6-8 coats.

3. Plans to retire old #704 and take pump from that and put on #703 tanker. Estimated cost of over \$500. They probably will try to sell old #704.

Looking ahead #701 will need to be refurbished in about two years. Tank leaks now but they think they can repair it.

There are now 3 EMT on the Fire Department. Runs were up this year—25 more than last year. He invited all present to come and look at new #704 after meeting. He requested we think about displaying old fire bell.

Supervisor requested that the F.D. obtain prices for the papers and coats and bring information to next Board meeting.

Nancy Sippel, Library Board President, distributed reports and suggested you read same and she would be happy to answer any questions. She introduced Helen Klentz, the present librarian. She noted she has received two estimates for fire alert that rings on the outside of building. This is not in the budget, however.

Constable Moore reported there is less major crime in our Township possibly because Constable car is seen. Constable car is ancient as is radio equipment. As per budget, he can replace his car this year but radio equipment will have to wait. He stated that he and Constable Alber attended three seminars in the past year which were very beneficial. No comments from Constable Alber.

Proposed General Fund budget for July 1, 1984-June 30, 1985 for \$187,378 presented. It was noted there had not been a salary increase for Board members since 1980.

Moved by Earl Alber and supported by James Kensler to accept as presented, the 1984-85 budget with salary increases as follows: Supervisor \$3900 to \$4300; Assessor \$4,200 to \$4,600; Clerk \$7,600 to \$8,400; Treasurer \$7,200 to \$8,400; Trustees \$1700 to \$2000. (Total for two trustees). Voice vote: Yeas, all. Carried.

Moved by Earl Alber and supported by James Kensler to accept as presented, the 1984-85 budget with salary increases as follows: Supervisor \$3900 to \$4300; Assessor \$4,200 to \$4,600; Clerk \$7,600 to \$8,400; Treasurer \$7,200 to \$8,400; Trustees \$1700 to \$2000. (Total for two trustees). Voice vote: Yeas, all. Carried.

Moved by James Kensler and supported by Earl Alber to pay election inspectors minimum wage for the first eight hours and time and a half thereafter with chairman receiving fifty cents more per hour. All yeas by voice vote. Carried.

Moved by Ron Mann and supported by Keith Johnson to authorize the treasurer to use bank/savings and loan which is most profitable for the township for 1984-85. Voice vote—yeas, all. Carried.

Moved by Gale Koebbe and supported by Mike Scully to allow the assessor to hire a part time secretary. Voice vote—Yeas, all. Carried.

Moved by Keith Johnson and supported by Mike Scully to have monthly meetings of the Manchester Township Board on the second Monday of each month at 8:00 p.m. Voice vote—yeas all. Carried.

Supervisor asked if there was any other business. No response. Moved by Earl Alber and supported by James Kensler to be adjourned at 1:00 p.m. Voice votes—yeas all. Carried.

Wilma E. Lentz, Clerk

FEDERAL REVENUE
SHARING HEARING

Federal Revenue Sharing Hearing was held at the Township Hall on Saturday, June 30, 1984 following the annual meeting. Meeting called to order with all Board members present at 1:02 p.m. Also present were: Lyle Moore, Earl Alber, Nancy Sippel, Janet Uzelac and Luella Pagel.

Budget for \$13,445 for 1984-85 presented.

Moved by Earl Alber and supported by Nancy Sippel to accept budget as presented for July 1, 1984-June 30, 1985. All yeas by voice vote. Carried.

Mrs. Pagel asked if this would make her taxes rise. Supervisor explained this hearing has nothing to do with rise of taxes.

Fielder asked for any other comments. None.

Moved by D. Burch and supported by L. Moore to be adjourned at 1:05 p.m.

Wilma E. Lentz, Clerk

REGULAR MEETING
JULY 9, 1984

PROPOSED SYNOPSIS of regular meeting of Manchester Township Board held on the above date at 8:01 p.m. Meeting opened with the pledge of allegiance with Board members Fielder, Lentz and Macomber present plus nine guests. A quorum was present.

Approved various minutes as submitted. Monies disbursed since last meeting presented. Enter Trustee Widmayer 8:05 p.m.

Approved payment of General Fund bill and also Federal Revenue Sharing bills. Tabled bill for dust control til next meeting.

Fire Chief Scully gave quote for Motorola pagers. F.D. is requesting pagers and 6 new coats. More information will be provided by Chief Scully at next meeting. Fire hall doors discussed. Exit all guests but Alber.

Petty cash report presented. Approved P.A. #116 Applications from Robert and Alberta Hamilton.

Adopted by Resolution General Fund budget for fiscal year July 1, 1984-June 30, 1985 and also Federal Revenue Sharing budget for same fiscal year.

Approved contract with Washtenaw County Road Commission to do Grossman Road project as presented in annual report plus installing one culvert.

Various correspondence presented.

Permission granted for Clerk to accept summer school taxes in the absence of the treasurer.

Cemetery sexton, Board of Appeals Planning Commission fees raised, also mileage.

Accepted Supervisors recommendation and appointed Stanton Roesch as Township Attorney for fiscal year July 1, 1984-June 30, 1985.

Approved payment for Constable Moore's duties.

Meeting adjourned at 9:21 p.m.

PANTHER PAUSE

I am hunting close to the village tonight, in a low section to the northeast. The dirt is dark and moist here and a heavy fog envelopes the area. The sky rumbles threateningly and light dances from behind dark clouds that hover above. The clouds burst and water cascades to the earth. Soon the rain dissipates and the ground is cleansed and fresh for a perfect hunt.

I circled quietly toward the west and as I approached one of the main trails that led to the village, a machine approached me with a loud swishing noise on the wet trail and water whirled from under it as it passed. Soon another machine approached, stopped abruptly, backed up and turned toward me. I was blinded momentarily by the glare of its eyes, which seemed magnified by the sparkling wetness, and I had to turn away to regain my vision. It stared persistently so I retreated to the tall grass along a small stream. Finally it turned and fled toward the village. My hunting altered by the interruption I wandered northward, staying close to the trail and feeling somewhat fascinated by the powerful swishing sound of the machines as they passed.

Suddenly two machines came to a sliding halt near-by and one of them turned into a path toward me. I could hear voices of men—then I heard a softer voice! My mind raced and a flush of excitement swept through me. I listened intently and strained to see around the blazing eyes of the machine. Then two men, carrying large sticks, stepped into the light and advanced nervously toward me. I lingered, waiting for the soft voice to call out again, glancing desperately at the approaching men and back again in the direction from which the voice had called out. Reluctantly I fled, the sound of the soft voice echoing in my ears and the memory of yet another soft voice whirled through my mind. I ran on, until I was weary and my body ached for relief. Still I ran, on and on into the darkness, until I had lost all sense of direction and I could no longer endure the burning pain that surged through my lungs. I collapsed in the wet grass, confused and exhausted. As I recovered from the gruelling run I began licking my soiled body rhythmically in a reverie of thoughts—fatigue enveloped me and I slept.

by C. Tanner

Senior Citizens News

After a busy week, Manchester Area Senior Citizens will start this next one with a Night Mystery Trip on Monday, July 23. The bus leaves the parking lot at Emanuel United Church of Christ at 4 p.m!

The regular brown bag lunch on Tuesday will cap a morning of Bingo (10:30 to 12:00) so bring your own pennies and join the fun. Of course there is Euchre in the afternoon.

July 26, Thursday, is the regular monthly Card Party at Freedom Township Hall beginning at 8 p.m. sharp. Call Helen Braun about transportation from the village for this.

August 9 is the Thursday trip to the famous Detroit Eastern Market.

August 12, there is a chance to hear Jim Nabors and Kaye Starr at the Star Theatre in Flint, but your reservation has to be in by July 25th!

All trip information is available from Helen Braun, 428-8966.

Office hours for Seniors are: Tuesdays, 9:30 to 4:30; Wednesdays, 11:30 to 5:30; and Thursdays 9:30 to 11:30 a.m. Call Jan at 428-7181 during these hours.

Another Successful Bloodmobile

Manchester, the area that is well known at the American Red Cross for giving from the heart, chalked up another top notch Bloodmobile Monday with a record 181 units of blood donated plus another 9 donors who were temporarily deferred. An emergency appeal in this area means help is at hand, and many a hospital patient will be well taken care of because of the Bloodmobile this week at the American Legion Hall.

Congratulations to you all. Complete details and gallon donors will be continued in next week's Enterprise.

DIAL A GARDEN

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

Thursday, July 19 - Using Underripe or Overripe Tomatoes.
Friday, July 20 - Are Your Evergreens Sick?

Monday, July 23 - Drying Flowers.

Tuesday, July 24 - Yellow Jackets.

Wednesday, July 25 - Clues to When Vegetables are Ripe.

Manchester Slo-Pitch

Manchester Slo-Pitch Softball players and their fans are enjoying a very successful summer.

The league consisting of seven teams led by Robert Rhee, are Manchester Tool and Die I, presently leading the league by one game, Charmar, Baker's Dozen, Double A, Manchester Plastic, Hoover Universal and Wacker's Oil.

Manchester Tool and Die II, managed by Curt Fielder, and playing in the Milan Park and Recreation League, have won second place in the league play. The team participated in the Larry Gaberdial Memorial Tournament in Jonesville this past weekend and secured the first place trophy.

Beginning August 1, 1984, families caring for children with severe developmental disabilities in their own homes will be eligible for a cash subsidy under Michigan's new family support subsidy act.

Families eligible will be those having children categorized as severely mentally impaired, severely multiply impaired or autistic, by their local or intermediate school district. Applications for the subsidy will be available the first week in July through the Washtenaw County Community Mental Health Board. The amount of the subsidy will be approximately \$225 per month.

"The family support subsidy program is an important component in providing a full range of family support services to those families caring for their severely disabled children at home," said Saul Cooper, Executive Director of Washtenaw County Community Mental Health program. "In addition to the cash subsidy, the entire community mental health system statewide is in the process of developing case management and respite care services to assist families in avoiding or delaying costly institutional placement of their children. Families with questions regarding eligibility for the subsidy," said Cooper, "should contact our offices at (313) 662-1256, contact persons - Dick Ploutz and Kris Rose-Smith.

The program is the result of passage by the legislature of the Family Support Subsidy Act, Public Act 249 of 1983. The act is being administered across the state by county community mental health programs. Subsidies will be paid to eligible families in the month following the date the completed application is received.

Manchester Village Planning Commission

REGULAR MEETING — JUNE 12, 1984

The Regular Meeting of the Manchester Village Planning Commission for June was called to order at 7:30 p.m. by Chairman Alber. Members present: Alber, Grossman, Leeson, Lowery, Walton and Kallewaard. Members absent: Smith, Kwolek and Stautz. A quorum was present.

The agenda was approved, by acclamation, as presented. Minutes of the Regular Meeting of May 15, 1984 were approved as read.

Robert Mann, Plant Engineer, was present to represent Double A Products Company regarding the company's application for a sign permit. The application was reviewed and it was noted that the size meets the requirements of the Village Zoning Ordinance for an Industrial District. It was suggested by Lowery that 5 ft. of open space be required between the bottom edge of the sign and the ground, at the point of installation of the sign, in order that visibility not be obstructed at the corner of Division and Duncan Streets. After discussion, a motion was made by Walton, seconded by Leeson, to approve the sign permit with allowance for the Zoning Inspector to make the final decision on the height of the sign (based on inspection of the sign on the site). The motion was passed unanimously on a voice vote.

The site plan review of Manchester Apartments was introduced for discussion. The Secretary read aloud 1) an Amendment to the Option Agreement for purchase of the land on which these apartments are proposed to be built and 2) a letter from McNamee, Porter and Seeley dated June 12, 1984. The Amendment to Option Agreement

adds additional land to the site, thus meeting the density requirements of the Village Zoning Ordinance for the R-2B District. The letter from the Village engineers recommends elimination of a stormwater retention pond from the site plan. There was discussion of Village Council's suggestion that the developer seek an easement from Manchester Public Schools to run a sanitary sewer line across the east end of the Athletic Field, in order to tie in to the sewer line on Vernon Street. Rural Housing Corporation, the developer, had no representative at the meeting. A motion was made by Walton, seconded by Grossman, to table the site plan review until the next Regular Meeting of the Village Planning Commission.

The proposed scheduling of the Village boundary change, to add land for the Industrial Park, was reviewed. A motion was made by Kallewaard, seconded by Lowery, to change the June Regular Meeting date from July 10 to July 12, in order to coordinate Planning Commission activities with the July meeting of the Washtenaw County Board of Commissioners. The motion was passed unanimously on a voice vote. The

Secretary was authorized to place a notice in the Manchester Enterprise and on the Village Hall bulletin board, and to write to Rural Housing Corporation to inform them of the change.

The Secretary reported on Village Council action on the conditional use permit applications of Donnellon and Green: Donnellon passed; Green tabled until June 18.

Lowery requested information concerning a building permit originally issued in 1982; construction not yet completed.

Alber requested information on sewer and water maps available for Planning Commission review.

The Secretary was instructed to write a letter to Village Council concerning McNamee, Porter and Seeley's reviews of the Millpond and Manchester Apartments site plans.

The meeting was adjourned at 8:43 p.m. on a motion by Leeson, seconded by Grossman, passed unanimously on a voice vote.

Mary Kallewaard, Secretary

Ford Model Tour Saturday July 26th

The tour will begin and end at the Holiday Inn at the corner of I-275 and Six Mile Road in Livonia. The total distance of the tour is about 140 miles. There will be about 200 Model T's on the tour and this will involve about 500 people.

The approximate times the tour will be in the various areas are: 2:00-3:00 Manchester Widmayer Ford; 2:30-3:30 Chelsea; 3:00-4:00 Dexter.

The national tour for the Model T Ford Club is held in a different area each year. This year the headquarters is in Livonia, from July 23-27. Next year's tour will be in Charleston, West Virginia.

On Monday, July 23, the tour will be across the Detroit River into Windsor, Amherstberg and Fort Malden.

On Tuesday, July 24, the tour will go to Henry Ford's Greenfield Village and Museum. Here the cars will be judged, and also some fun games played with the cars. Part of the fun will also be to take a lap on the Ford test track.

On Wednesday, July 25, the

tour will be to Fairlane and Belle Isle. The tour will also go past the Rouge Plant and the old Highland Park Plant where many of the Model T's were built.

On Thursday, July 26, the tour will feature Michigan small towns and country roads.

On Friday, July 27, the tour will go to Bloomfield Hills, Cranbrook Academy and Kirk of the Hills.

Ford Motor Company built the Model T from 1909 to 1927, and produced about 15 million of them. Some changes were made, but it remained the same basic car for those 18 years. It is estimated that over 200,000 Model T's are still in existence. Hundreds of them have been restored, and many proud owners gladly tell the story of how they did it! Many cars on the tour will be immaculate show car restorations. Yes, many parts for them are readily available, and are being re-manufactured. No one yet knows how long a Model T will last. We do know they will outlast many owners!

"Month Of Sundays"

Tap dancers, a melodrama, and a precision drill team are on the entertainment bill for the third and final picnic in the "Month of Sundays" series Sunday, July 29.

The activities, sponsored by the Washtenaw County Parks and Recreation Commission (WCPARC), will be held at Park Northfield, just north of Ann Arbor in Northfield Township.

The event is sure to be a family pleaser. Bring your own foods for the picnic lunch, starting at 12:00 noon. Grills are available.

Entertainment gets underway at 1:30 with the French Dukes Drill Team. The ten-member team, ranging in age from 12 to 18, will perform a precision routine reminiscent of those that helped it win the 1981 Grand Nationals. The group dates back to 1959, and it's current director is Ozzie Nelson.

Following the French Dukes will be tap dancers from popular Ypsilanti Players troupe.

Winding up the program are nine actors from the Grimes Fairy Tale Theatre to perform the melodrama "Flora of the Flower Shop." Audience participation (including boo's hisses, and

cheers) is a must!

Park Northfield is located on Pontiac Trail, about 1/2 mile west of Dixboro Road. From US-23, take the Plymouth Road exit, go east on Plymouth, and turn left onto Dixboro. Take Dixboro to Pontiac Trail, turn left. The park is on the right hand side about 1/2 mile from Dixboro.

Dividends Declared

Dividends for First of America's three issues of preferred stock were declared today by the Corporation's Board of Directors, announced James H. Duncan, chairman.

A dividend of \$.88 per share was declared for the Series A Preferred Stock, a dividend of \$.81 per share for Series B Preferred Stock, and \$2.035 for Series C Preferred Stock. Stockholders of record on August 10, 1984 will be paid these dividends on September 1, 1984. This will be the third quarterly dividend distribution for Preferred Stockholders in 1984.

First of America Bank Corporation, Kalamazoo, has assets of over \$4 billion and 29 individual banks located throughout Michigan.

Summer Track Meet

The second summer track meet is scheduled for Thursday, July 26th at 6:30 p.m. The first summer meet had between 15-20 runners participate with ribbons awarded to ALL runners.

The meets events depend on the number of runners signed up for each event. The 40 yard dash, 100, 200, 400, mile and 2 mile are scheduled but other events will be added if there is enough interest. The girls track team had a good turnout and all track members and non-members are welcome to participate.

Traffic Slowdown Notice

Traffic using the bridge carrying US-23 Freeway over I-94 Freeway southeast of Ann Arbor in Washtenaw county will be restricted to one lane in both northbound and southbound lanes beginning July 16 (Monday) for bridge improvements, the Michigan Department of Transportation (MDOT) said.

For safety purposes, while construction is underway, I-94 traffic beneath the US-23 bridge will likewise be restricted to one lane, both eastbound and westbound, between the hours of 7 p.m. and 6 a.m. when most of the actual construction work will take place.

The bridge improvement project calls for deck resurfacing and installation of concrete median barriers.

The traffic restrictions are expected to remain in effect through the current construction season.

Obituaries

Charles "Chuck" L. Carlton, Jr. 11951 Leonard Nunica, Michigan

Age 57, died of a heart attack on July 5, 1984 in North Ottawa Community Hospital. He was born in Detroit April 3, 1927. He graduated from Clinton High School and lived in the Clinton, Manchester are for 20 years. He was co-owner of the Country Markets from 1947 to 1962, a six store chain located in Lenawee and Washtenaw Counties. In 1962 he became vice-president and sales manager of Vesco's Inc., a position he held for 13 years. Mr. Carlton lived in the Muskegon area for the past eight years and was owner and president of Plumb's Supermarkets, Inc. Mr. Carlton was a member of the Muskegon Country Club, Detroit Yacht Club, Rotary of Muskegon, Muskegon Heights Economic Development Commission, Muskegon County Board of Directors of Muskegon General Hospital; he was a WW II veteran of the U.S. Coast Guard.

Survivors include his wife, Eileen (Christiansen) Carlton; two daughters, Jennifer Carlton of Spring Lake and Mrs. Steven (Dee Dee) Mittelbrunn of Sioux Falls, South Dakota; one grandson; his parents, Charles, Sr. and Eva Carlton of Reed City and two brothers, James of Indianapolis and Thomas of Clinton.

Funeral services were held July 9, 1984 in Muskegon.

E. Lewis Blaisdell 10315 Clinton Road Manchester

Age 69 years, died July 10th at Saline Community Hospital. He was born November 11, 1914 in Bridgewater Township, to Elmer Lewis and Donna (Lowry) Blaisdell. On December 21, 1937, he married Cora E. Blumhardt. She died November 10, 1980.

Mr. Blaisdell was a self-employed farmer and lived in this area his entire life. He was a clerk of Bridgewater Township for many years and also worked for Walt Kapler, Contractor and Atlas Feed and Grain in Clinton. He was a member of the United Church of Christ in Clinton.

He is survived by one sister, Mrs. Erwin (Thelma) Blumenauer of Manchester; one daughter-in-law, Dianna Blaisdell of Manchester; and four grandchildren: Carrie, Cortne, Katie and Matthew.

He was also preceded in death by his parents, one sister and one son, Larry Blaisdell in May 1983.

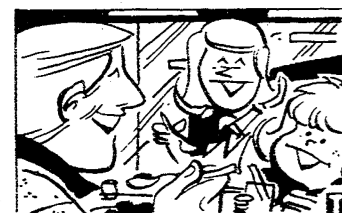

Services were held July 13 at the United Church of Christ in Clinton. The Rev. Roy Wagner officiated and burial followed in Riverside Cemetery in Clinton. Memorial contributions may be made to the Michigan Heart Fund.

MAKING FAMILY LIFE MORE FUN

Salad Bars Add New Eating Out Enjoyment

Eating out is one of the pastimes enjoyed by nearly every member of the family, no matter what the age. Those families whose members include the "younger set" find that fast food restaurants especially meet their needs.

Salad adds a tasty alternative to one fast food restaurant chain.

Now, one of the most popular chains has added a new dimension that's likely to appeal to every family member, from working mothers to the toddlers. The salad bar is the new approach. It's an alternative that adds variety and nutrition to basic meals.

These salad bars, which are now in nearly all the 3,400 Burger King restaurants across the country, are the "serve yourself" variety. That's something kids especially enjoy. They can pick and choose and make up a nutritious plate without even realizing they're eating good food, such as lettuce, tomatoes, eggs, cheese, mushrooms, cucumbers, broccoli, peaches and peas.

The salad bar alternative makes a Burger King meal an eating out experience that's low cost, nutritious and even easy on the calories for those into waist watching.

The salads are available as platters or may be eaten in pita bread, sandwiches as a meal or their own.

IF YOU'RE HOLDING BACK ON HOME IMPROVEMENTS, CHARGE RIGHT AHEAD.

Maybe traditional loans keep you from making all those home improvements you've been meaning to do.

Well, now you can charge right ahead with them. With the Home Improvement Loan Account from your First of America bank.

It's the revolving line of credit that works just like a charge account. You apply just once, then use it as often as you like for planned improvements or unexpected household repairs.

That's because First of America's Home Improvement Loan Account is accepted by many participating merchants

and contractors in your area.

What's more, with good budget planning, you can keep your interest rate lower. Because you pay interest only on the amount you owe, with no prepayment penalty.

So drop into your nearby First of America office to apply for the Home Improvement Loan Account. Or call us at (313) 995-7781 for more information.

When we work together, home improvements are really something to get charged up about.

Member FDIC.

- Comerica C.O.D. Account
- Individual Retirement Account
- Simple Interest Loans
- Paycheck Deduction

And more. We're leaders in banking, and we'll continue to be--right here in Manchester, where we're right at home.

135 E. Main St. • Manchester

Stanowski Announces Candidacy For Juvenile Judge

John W. Stanowski, an attorney with the Washtenaw County Prosecutor's Office who lives in Saline, has announced his candidacy for Probate Court-Juvenile Judge.

Stanowski, 41, a former Ypsilanti resident and a graduate of Eastern Michigan University (1966) obtained his Juris Doctorate from Detroit College of Law.

"If elected, I would initiate a three prong approach to alleviate the causative factors influencing children that come before the Court. This approach would include Alternative Environmental Placement, Juvenile Diversionary Detention Program and work towards the establishment of a Juvenile Alcohol and Drug Rehabilitation Center in Washtenaw County."

Likewise, the Juvenile Court should be the central force in working towards the establishment of an Inpatient Juvenile Alcohol and Drug Rehabilitation Center in Washtenaw County. There are a sufficient number of children who are involved with the juvenile court who are also involved with alcohol and drugs. There is still a greater number of children who are not involved with the juvenile

system, but suffer from alcohol and drug problems. Each of them need help and they need the help NOW. If we do not help them now, we will end up paying for them later in the adult system. This court should also work with the schools in continuing the education of children through such programs as the Drug Awareness Program recently held at the Whitmore Lake School and scheduled for others in Washtenaw County. Education is the best defense to drug and alcohol problems.

John Stanowski and his wife, Rene, a Saline teacher, have two children: Christian 12 and Nicole 10.

He is a member of the Prosecuting Attorney Association of Michigan, Michigan and Washtenaw County Bar Association, American Legion, Post 322 and the Saline and Ypsilanti Chamber of Commerce.

Stanowski, past president of the Breakfast Ann Arbor Optimist and current Grand Knight of the Knights of Columbus Council 6674 of St. Andrew's Parish in Saline is active in the hearing impaired and mentally handicapped children's programs. He also was assistant coach for the Little League and 9 year old baseball teams of Ann Arbor's Logan, King, Freeman and Thurston Schools.

American Legion Auxiliary

The Auxiliary met at the Legion Home on July 11, 1984 for a potluck dinner and meeting, with 26-members and 3-guests present.

One of our guests, Beth Fahey, this year's Girls State Representative, reported that her week at Girls State held at Michigan Central in Mount Pleasant, was educational and a very worthwhile experience, and she thanked the Auxiliary for sending her.

T.V. Ludwick, gave the names of auxiliary members and area citizens who would be helping at the Red Cross Blood Bank to be hosted by the American Legion Auxiliary on July 16th at the American Legion, Hall in Manchester.

Installation of officers for the year 1984-85 took place as follows: President, Helen Rigg; 1st Vice President, Beth Clouse; 2nd Vice President, Kay DuRussel; Secretary, Joyce Stein; Treasurer, Phyllis Baker; Sgt. at Arms, T.V. Ludwick; Chaplain, Edna Knauss; and Historian, Della Widmayer. The Executive Committee consists of Helen Hosmer, Joanne Schiel and Vivian Middlemiss. Outgoing President, Vivian Middlemiss was presented with a gift of a 1983-84 National Headquarters Commemorative porcelain plate, and was thanked for her leadership during the past year.

There will be no meeting in August. The next meeting will be September 12, 1984.

Groundbreaking Ceremony Held For New Saline Professional Building

Left to right: Mike Stepanovic, Carl VanAppledorn, M.D., Al Paas, William Lavery, Scott Fosdick, James Weldon, Roger O'Toole, Robert Moyad, M.D., Peter Fischer, M.D., Paul Besette, M.D., Edward Doll, Sandra White, Judy Ivan, R.N., B.S.N., Mark Hopper, Mayor Donald Shelton, Stanton G. Roesch.

Groundbreaking ceremonies overlooking Millpond Park marked the beginning phase of construction of the new Saline Professional Office Building which will be located directly south of the Saline Community Hospital,

Completion of the two million dollar project is anticipated in December 1984. The two-story structure, designed by the architectural firm of Al Paas and Associates will complement the other buildings on the site. The building, with 22,500 square feet of space available for tenancy, will be located on 1.86 acres of land which has been purchased from Saline Community Hospital. Development of the projects has been provided by a group of private physicians.

Tenancy will be open to allied and professional staff members of Saline Community Hospital, such as physicians and dentists. The structure will also house x-ray facilities and a medical laboratory provided by the Hospital, as well as a full-service pharmacy. According to Saline Community Hospital Administrator, William

Saline Community Hospital Administrator, William J. Lavery and Stanton G. Roesch, President of the Hospital's Board of Directors prepare to dig the ceremonial "first shovelful of dirt" for the new Saline Professional Office Building.

J. Lavery, "The Hospital's support of the project has been in response to the need to free existing space for Hospital purposes and to provide an attractive setting for present physicians and additional specialty practitioners which would improve access to such care in the area. The Hospital has been in need of clinical and ancillary space for a number of years as evidenced by leasing of space elsewhere in the community. The most available Hospital space has been occupied by private physicians in the Meister Building, attached to the Hospital. In order to provide a viable alternative for the physicians, the Hospital has been pursuing the possibility of a privately built office building on site since 1981."

Niehaus said he accepted Kleinschmidt's bid of \$3,911. to fix four of the pavilions at Carr Park. It was the lowest of two of the bids, the third bid was not complete. The work at Carr Park has been completed.

Koebbe presented the D.P.W. and Mechanics reports. Reports on file.

Hinkley appointed a committee to work on the Employee's wages. Wages will be retroactive to July 1, 1984.

Zsenyuk said that Rural Housing would like a letter from Council addressed to them and The Manchester School Board indicating that the Village has no problem with Rural Housing

JoAnn Okey Appointed As Klager Elementary Principal

crossing the Athletic Field and connecting to the sewer on Vernon Street. Council agreed with stipulations.

Zsenyuk said he met with the Teamster representative. The Village D.P.W. and Police Department will be voting on July 24, 1984, whether to join a Union.

The Clerk read a letter from Manchester Plastics, Inc. requesting the establishment of an Industrial Development District because of anticipated plant expansion. Reinhart will look into the matter.

Meeting adjourned at 8:17 P.M.

Helen J. Kensler

CARD OF THANKS
 A special thank you to our 5 wonderful daughters and family's for the surprise 15 anniversary party. Also thanks to our friends that attended and helped us celebrate it.
 Dick & Bettie Fink

CARD OF THANKS
 The Manchester Village Council would like to sincerely thank the Manchester Mens Club for purchasing and delivering the sand and weed control used at Chi-Bro Park, also for installing the two lights at Carr Park.

CARD OF THANKS
 I wish to extend a heartfelt thank to all my friends and family for the visits, cards and flowers that they have given me during my stay in the hospital and since returning home. I have counted my blessings many times for the love and caring they have shown. The food that has been furnished us, the phone calls that came to be, I can never find words to express how much you all mean to me. My love and appreciation to you all, Lin Bigelow.

CARD OF THANKS
 Many thanks to friends and family for all cars, visits and flowers while at the Saline Hospital and since my returning home. Special thanks to Dr. O'Keefe and Dr. Garrison, the nurses for their tender loving care, Rev. Boldman, Rev. Falk and Rev. Reinick for all their prayers. Armin Weidmayer

Medication for severe acne Cause of birth defects

There is now enough evidence to say that a new prescription drug for acne can kill or malform the human embryo, according to the March of Dimes Birth Defects Foundation.

"Any sexually active woman should have a pregnancy test before treatment with Accutane," says Arthur J. Salisbury, M.D., March of Dimes vice president for medical services. "She should avoid becoming pregnant during treatment, and for one month afterward," he warns.

The drug was licensed for sale in 1982 with knowledge that it caused birth defects in test animals, and with a warning against its use during pregnancy. Since then, the manufacturer has twice sent letters to doctors and pharmacists nationwide to stress the risk of damage to unborn babies. The drug's packaging includes a red sticker, warning of this risk.

However, to date the manufacturer and the Food and Drug Administration have received at least 29 reports of miscarriages and birth defects after use of the drug during pregnancy.

The most recent report of birth defects associated with the drug appeared in the June 22 issue of *Journal of the American Medical Association*. Two cases were described by Dr. Paul J. Benke, associate professor of pediatrics at the University of Miami and director of a March of Dimes — supported genetics clinic serving Florida's Palm Beach County.

Malformations in the two babies included hydrocephaly

(enlargement of the fluid-filled spaces in the brain), abnormal ears, small mouth and cleft palate. Both babies died.

These malformations are consistent with earlier reports of hydrocephaly, microcephaly (very small head), small and malformed ears and eyes, very severe congenital heart defects and cleft palate in offspring of women taking Accutane early in pregnancy. They also resemble the malformations that have been produced in test animals.

"This consistency," Dr. Salisbury says, "is the single most convincing piece of evidence that the drug has really caused the reported birth defects. Coincidence is not a plausible explanation."

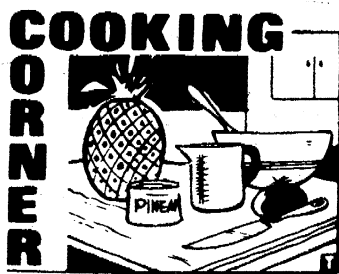

"Accutane has F.D.A. approval only for very severe acne that does not respond well to other treatments," he adds. "Restricting its use to appropriate cases is one way to reduce the risk to women of childbearing age."

"A problem with any drug that does its damage in the early weeks after conception, often before a woman knows that she is pregnant. This is why it is necessary to have a pregnancy test before starting treatment with Accutane, and to have a reliable way to avoid conception during treatment."

"Fortunately," he says, "Accutane is not meant to be taken for more than a few months. When it works for acne, its remission effect seems to last for a year or more. Responsible adult women should be able to avoid conception during the relatively short period of treatment and for a month afterward. Teen-age girls, as a group, are more worrisome, and the choice to treat them with Accutane must be made very carefully on an individual basis."

Women who become pregnant while taking Accutane are urged to have their personal physicians contact the drug's manufacturer, Roche Laboratories in Nutley, N.J., at (201) 235-3021.

If a glass of water were magnified to the size of the earth, the molecules comprising it would be about as big as a large orange.

Tropical Island Stew

- 1 can (20 oz.) Dole Chunk Pineapple in Juice or Syrup
- 1 (3 pound) fryer chicken, cut up
- 6 cups water
- 2 large cloves garlic, sliced
- 1 large onion
- 3 slices ginger root
- 4 stalks green onion
- 1 pound red-skin potatoes, cubed
- 2 large carrots, cubed
- 2 cups halved Dole Fresh Mushrooms
- 1 teaspoon salt
- 1 teaspoon thyme, crumbled
- 1/4 teaspoon black pepper

Drain pineapple reserving 2 tablespoons juice or syrup. Add chicken, water, garlic, unpeeled, whole onion and ginger root to Dutch oven. Simmer, uncovered, 30 to 45 minutes until chicken is tender. Remove chicken to plate to cool. Drain all broth except 2-1/2 cups. Reserve remaining broth for another use. Discard onion, garlic and ginger root. Chop white part of green onion. Slice green part in 2-inch pieces. To broth in Dutch oven, add reserved pineapple juice or syrup, chopped onion, potatoes, carrots, mushrooms and seasonings. Simmer, uncovered, 20 to 25 minutes. Meanwhile cut chicken in bite-size chunks; add to stew with pineapple and green onion pieces. Heat through. Makes 2-1/2 quarts.

In 1910 President William H. Taft became the first president to open the baseball season by throwing out the first pitch.

Letter to Editor

Letter to Editor:

We recently received a call from a Manchester resident who had been saving computer price codes to buy minutes of time for a kidney patient.

I am writing to let you know that there is no campaign of this type going on now, nor has there ever been. Cigarette wrappers, computer price codes and flip tops from aluminum beer and pop cans are being saved throughout the state because of a rumor which is circulating that they can be used to buy minutes of time on a kidney machine. Any help your paper could give us in clearing up this rumor would be very much appreciated.

Right now any kidney patient who needs kidney dialysis treatment or a kidney transplant can obtain this treatment and personal cost is no longer a factor. The federal government now pays about 80 percent of the cost of dialysis for most patients. Private health plans and other government programs pick up most of the remaining costs. This federal program also covers the in-hospital costs of kidney transplantation.

There are several ways interested citizens can help kidney

patients. First thing would be to consider signing an organ donor label to "will" kidneys and other needed organs for future transplantation. Also, volunteers are always needed to help us in our public education effort.

Persons interested in finding out more about the Kidney Foundation, kidney disease or any of the subjects discussed in this letter can contact us toll-free by calling 1-800-482-1455.

Any information you might share with your readers which would help clear up the rumors that items can be redeemed to buy time on a kidney machine would be very much appreciated.

Sincerely,
NATIONAL KIDNEY FOUNDATION OF MICHIGAN, INC.

Lili M. Donaldson
Director of Public Information

When one adds up the number of letters in the names of the playing cards — from ace with three letters all the way to king with four letters — the total comes to 52, the precise number of cards in the deck.
