Senior Citizens Earn **Special Tax Benefits**

(Prepared by the Michigan Association of Certified Public Accountants).

When taxpayers reach the age of 65, they become eligible for several special tax benefits. Knowing about these credits and other tax tips can help seniors avoid paying more taxes than necessary, according to the Michigan Association of CPAs.

One very important source of income to most senior citizens is their Social Security benefits. To qualify for these benefits, eligible taxpayers must register three months prior to their 65th birthday. However, taxpayers who elect to retire early at the age of 62 may also collect Social Security benefits at a reduced

But, just because you decide to retire and collect Social Security benefits does not mean that you have to stop working altogether. On Tuesday we trekked to Hudson to face Morenci in round one of the State playoffs. Bulldog Ramie Emmons scorched the nets for 35 points, leading his sixth ranked, 20-1 squad to an overpowering victory. We were led by sophomore Tom Mann who canned 16 points. Tim Golding also hit in double figures with 10 as Darryl Kuebler and Bart Rickelmann posted 9 and 8 a piece. This season's 8 and 12 record with first-year coach Curt Fielder is a big improvement over last year's total of three wins.

We went to the Ann Arbor News Tournament and in beating a Class B and AA school allowed us to continue in competition. We hosted the pre-district playoff match against Erie-Mason, and beat this 20-3 squad in two straight games. Our over-all record was a winning
