Saline Community Hospital

Sis Wenger

Millrose Women's Health Center

Saline Community Hospital's Millrose Women's Health Center is pleased to announce the first program of this year's Women's Night OutFor The Health Of It! series. Titled "How Much Is Too Much?", the program will feature Sis Wenger, a leading expert and nationally known speaker on alcohol and drug education.

The problem is not necessarily the amount one drinks, but rather, how one drinks. Alcohol too often affects women's health, behavior and relationships.

This session will focus on the special concerns of women related to the use and abuse of alcohol. Among the topics discussed will be the long term and short term physical effects alcohol has on women, social patterns of women drinkers, alcohol and sex, social consequences of problem drinking, and women at risk of developing a drinking problem.

This program takes place Wednesday, Nov. 4, 1987, 6:30 p.m. at Weber's Inn in Ann Arbor. Dinner and a social hour are included in the \$18.50 price.

For more information, or to reservations, (313) 429-1508.

Vaccine Clinic Offered

Remember the fever, sore throat and cough you had last winter? It could have been caused by an influenza virus. The Washtenaw County Health Department is offering an influenza vaccine to provide immunity against the types of flu that have been circulating in the past year and are thought to be most likely to occur in the United States this

not blame the company for build-

On December 11, 1833, congressional delegate Lucius Lyon presented a petition from the Michigan Territory requesting Congress pass an enabling act that would allow Michigan to join the Union. The House of Representatives Committee thought Territories

"expedient" to adopt such legislation, and in the Senate, the issue was debated, but tabled by a vote

Congress's refusal to allow Michigan to join the Union stemmed from a border dispute between Michigan and Ohio. Both claimed a strip of land that included present-day Toledo. The land probably belonged to Michigan, but Ohio was a strong state, whose political powers trans-

cended those of a territory. Rebuffed, acting Territorial Governor Stevens T. Mason and the Michigan Territorial Council

moved to form a state government and demand admission. Contending that the Northwest Ordinance of 1787 stated that a territory was eligible for statehood once its population reached 60,000, the council ordered a census taken in October 1834. Finding over 86,000 people living in the Lower Peninsula, the council then ordered an election held on April 4, 1835, to choose delegates to a constitutional convention that would assemble in Detroit on May 11.

Michigan's independent actions towards statehood worried Ohioans, who did not want to lose Toledo. Located on the Maumee River, Toledo was to be the eastern terminus of a river/canal system that would reach to the Ohio and Mississippi rivers.

In 1835 the controversy over the Toledo Strip brought Michigan and Ohio to the verge of war. Both sides sent armed bodies to the area and adopted hostile

VILLAGE LEAF PICK SCHEDULE

LEAF PICKUP - Manchester's first annual Leaf Pickup Program begins next Monday October 19. Two pickups are scheduled for each part of the Village. Officals ask residents to scatter leaves in the gutter and wet them down. Brush, logs and stones should not be mixed with the leaves because they can damage sweeping equipment. Cars with catalytic converters are susceptible to fires if parked over dry leaves, and owners should park them with caution. Poor weather may effect the schedule. If crews complete a day's work early they will move to the next section but will return on the scheduled collection day. For updates call 428-7877 or see Gary Wiedmayer.

8th Grade Goes **Undefeated!**

On behalf of Coach Terry Woods and myself, I would like to congratulate the 1987 8th grade football team. They finished their season on Wednesday, October 21st in an old fashioned Manchester-Clinton defensive battle. The first half set the pace for the game with the score knotted at 0-0 after the first 16 minutes of

The Jr. Dutch started the second half on defense and this time, the strong offense of the "Team down the Road" was too much to handle. The two-point conversion was unsuccessful, so the Redskins lead with six minutes left in the third quarter.

The two fine teams battled well into the fourth and final stanza with the good guys still down by six. Then with only three minutes until the final play, Lance Fielder broke through the interior behind the superb blocking of George Stripp and Mike Riske. After a broken tackle and some fancy footwork, Lance found pay dirt. Quarterback John Wards keeper failed for two and left the two teams tied at six.

The defense, as in the past, held and with no time on the clock and a Redskin scampering loose, Linebacker Mark Schulze hog tied him only three yards from the goal line and saved a perfect two year performance. The 1987 8th grade football team finished two years with a record of 11-0-1.

The team was lead by offensive linemen, George Stripp, Mike Riske, Jeff Hughes, Nathan Gilbert, Stephen Haeussier, Pat Walz, Jason Wood, Ryan Shankland, Jeno Okey, Tim Becktel, and Chris Armstrong. Tight ends were Gary Beard, Patrick Clark, Carl Frey and Heath Goodell. The Dutch backs were headed up by John Ward, Lance Fielder, Mark Schulze, Cary St. Charles, Chris Maitland and Jim Buono.

the autoharp as an accompaniment to One More River. The children had to strum the F and C chords in the right places while maintaining the correct rhythm. The following people worked in

pairs - one pressing the chord and the other strumming: Meghan Wilson and Dereck Hanselman; Paul Schulte and Steve Spurr; Jenny Messing and Casey McMullen. The class has also been learning

how to accompany on the xylophone the song Peanut Butter and Jelly Please. The intervals and rhythms were difficult.

These children mastered the accompaniment: Jodie Donnelon, Megan Kennedy, Cheryl Pfaus, Gerald Lowery, Ryan Roberts, Angelo Petrino and Andrew

Halloween Activities

Klager Has Visit From McGruff

Classrooms at Klager are preparing for a favorite holiday -Halloween! This week's special activities include a visit from the Washtenaw County Sheriff Department. On Wednesday Officer Valentine and "McGruff" the dog will hold an assembly on Halloween Safety. On Friday, Officer Jim Damron will present a puppet show with "Deputy Ghostly.'

The annual Klager parade will start at 1:30 p.m. and parties will begin at 2 p.m. Friday.

Happy Halloween!

Jim Ross and Wonder Smith stand with their display of masks. Mrs. Shaw's 3rd and 4th graders produced a variety of 3 dimensional masks.

"Class of the Week"

The 1st graders in Mrs. Savage's class had a special visitor during their gym class this week. Mrs. Henry, acting principal, joined the children for a hula-hoop activity. The hula hoops "magically" became steering wheels, fluttering butterflies and spinning pennies. Mrs. Kemp, the physical education teacher, has introduced several games and routines using the hula hoops.

REPAIR YOUR DAMAGED WINDSHIELD

Phone 313-428-7000

Most windshield breaks are repairable, and the cost is far lower than windshield replacement. The patented, proven Novus method can restore and repair windshields both structurally and optically, leaving damaged areas almost invisible. But act now! If crack damage spreads too far, it may become necessary to replace the entire windshield.

We come to you . . . Mobile Service Anywhere in Washtenaw County. MOST INSURANCE COMPANIES WILL PAY 100% OF REPAIR COST.

Lady Dutch Update

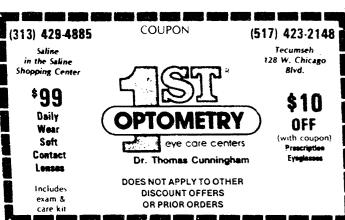

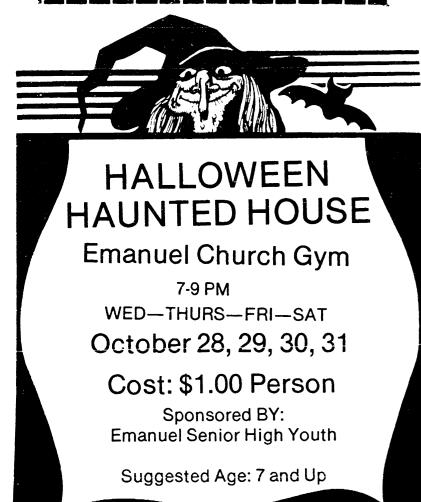

JV Girls' Basketball Stacev Wilde Rebounds

Thursday at Hanover Horton.

game of the year. Unfortunately League record.

by jon all this went for nought as Michigan Center won 45-40. This Our varsity had a rough week, past week we traveled to Stockas they dropped both outings, bridge and they were victorious, Tuesday at Stockbridge and 47-26. Stacey Wilde was our high scorer with 13 points. We knew it I now have the last four games' had to happen as we finished out stats on our JV girls. On October the week by beating Hanover 13 Jackie Ahrens scored ten Horton 33-24. Stacey Wilde led points as we fell to East Jackson, our scorers with 12 points, as 45-32. Two days later Stacey Jennifer Faulhaber and Rhonda Wilde had a big outing as she Evilsizer played their games of gunned for 18 points and grabbed the season, scoring four points 29 rebounds. Katie Marecle came each. We now have a 7 and 7 off the bench to play her best overall record with a 4 and 3

Dutchmen Share Cascades Crown

Mike Stidham

We entered Friday's game athe winner would tie Napoleon for the Conference title. We buried the second consecutive season.

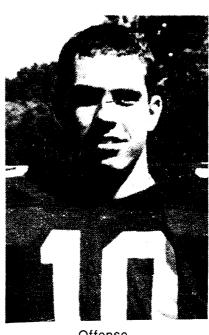

As this contest got under way, was 5-0. it seemed both sides were very

Jason VanDeven

by jon tentative. Late in the first quarter Manchester marching band? we were unable to cross the goal line so settled for three points on receiving, but we failed to convert gainst Michigan Center knowing a 24-yard Jason Van Deven field to a first down, so punted. Center goal. Some six minutes later, the exhibited an impressive 63-yard, Cardinals' punt from their own 14-play drive which netted them a the Cardinals 28-6 to share the endzone went awry, resulting in a touchdown. The try for extra championship with the Pirates for two-point safety for us. Half the point failed, leaving them ahead battle was history and the score 6-5. All this Cardinal scoring did

How about that impressive Dutch giant. The Center kickoff

Tom Mann

The second half started with us

was returned by Jason for 25 yards. It then took us a mere two minutes, thirty seconds to travel Offered the remaining 54 yards to pay dirt. Quarterback Tom Mann went to the air to Jason from 10 yards out for the six points. Tom then tossed to Brian Gebhardt for the two-point conversion. At this point we sat atop 13-6. Two plays later our John Korican snatched a Cardinal pass to turn the tide. We just rolled down the field on 10 plays for 66 yards, basically on fullback Steve Samonek's legs. Tom crossed the goal line from one yard out, then tossed to Jason for the 2-point conversion. This left us in control 21-6 with about seven minutes left. Our second team scored to close the contest as Jamie Darrow plowed in from 4 yards out. Jason toed the P.A.T. to make the final 28-6.

Junior fullback Steve Samonek rushed 19 times for 99 yards. Head coach Jim Fielder said to his players after the game "You played like champions".

Be with us Friday as we host

'Liquid Diet' Essential

need special attention and a "liquid diet" to keep them operating efficiently. By checking the six fluid levels listed below before winter arrives, motorists can help ensure their vehicles will be prepared properly for coldweather operation. Check owner's manual for fluid-level inspection directions. The key fluids include:

- Antifreeze-Use hydrometer to check strength of antifreeze in radiator. Proper mix is 50 percent water and 50 percent antifreeze. Mixture should be good for up to 37 degrees below zero.
- Motor Oil-Use dipstick to check oil and add when fluid reaches the add mark. Use SAE 5W-30 oil to improve fuel economy and cold-weather performance. - Brake Fluid - Fluid level should be within one-quarter

inch of the top of the reservoir. - Power Steering Fluid-Check indicator stick and, if needed, add slowly to avoid overfilling.

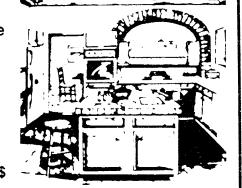

- Automatic Transmission Fluid-Check with indicator stick generally located behind engine on passenger side. The car should be parked on a level grade with the engine running.
- Windshield Washer Solvent-Keep the reservoir filled with solvent.

Letter To The Editor

bus. It is our tax dollar that pays behaving. for this privilege and I resent anvone that assumes they have are faced with the same problems the right to increase my liability in the form of higher school taxes because they have not taught their children proper behavior. I am refering specifically to the Oct. 20 Ann Arbor News article regarding one of our bus drivers where a parent is demanding the firing of the driver who "allegedly" slapped (a rather lengthy stretch of the truth) her parents and those parents must child for 'horsing around'. If the child was so rowdy as to distract the driver to the point of discipline, then that child was also putting every other child on the bus in jeopardy of being involved in an accident. The article says some of the children are afraid of the driver. In my opinion, if that fear keeps them in their seat and behaving as they should in a making sure they are safe and moving vehicle, the consequences mainly for keeping my taxes of the fear are more than justified lower by practicing preventative when it results in their safe maintenance. arrival at their destination. I Sincerely, rather doubt that their fear is any Jan Imonti

Fall Walk

Try-It patch.

On Saturday morning, October 3rd, Manchester Brownie Troop #274 joined several other troops in the council in the Girl Scout Fall Walk 1987 at Camp Linden. After lunch in the Hunter's Lodge, all the girls participated in a very loud and enthusiastic sing-a-long. The girls then began a two-hour walk of the camp. The very coolness of the day had the girls walking a little faster than usual, but we took in everything there was to see. We saw the colors changing on some of the trees, all kinds of plant life, and the beautiful lakes and ponds. We crossed a stream on the "Monkey Bridge", a scary experience. Ask any girl in the troop about the "moose" we saw on the side of the trail. Back at the lodge the girls were treated to some hot chocolate and marshmallows, then everyone headed home after a very fun day.

What Does Your Car **Really Cost?**

[Prepared by The Michigan Association of Certified Public Accountants]

You've had your eye on that sleek new coupe for months and now you've got the perfect excuse true cost. The reason is your car's national averages range from \$161 to buy it: your four-year-old family econo-box needs a \$500 early years and then levels out. buy the new car than continuing new car is \$10,000. Using Reports provide information for to fix the old one.

Not so, says the Michigan Association of CPAs. It is almost always less expensive to own and first year. In the second year, it operate an older car than to buy a will new one. In fact, that four-yearold economy car costs you only about 25 cents a mile to drive while the new mid-size car will cost you well over 45 cents a mile. And that's including the repair bills you'll face with the older car.

If those figures don't seem to make sense to you, don't worry. Most people don't know what their cars really cost them. What they usually do is add up the total of annual payments, throw in the comprehensive coverage in cost of insurance and you've got your annual cost. But that's a you probably already have for "cash flow" cost and doesn't truly your older car. In fact, the represent all of your costs. Your Car's Annual Cost

To determine the true cost of For a car more than four years your car, you have to take into old, it may not be economically account the following things: depreciation, insurance, loan interest (if applicable), registration and taxes, maintenance, gasoline (including oil, lubrication, etc.), parking and tolls. The first four items are what's known as fixed costs - costs that will remain more or less the same whether you drive your car ten miles a can be significant. Using that year or 10,000 miles a year. The same \$10,000 car as an example, other items are variable costs because they will tend to increase as your use of the car increases. put down 20 percent and paid off Let's look at them one at a time.

Manchester High School Expands Computer Lab

121ST YEAR VOLUME NUMBER THREE

Manchester High School has taken an important step toward rebuilding the computer lab that was lost when the vocational equipment moved to the Pleasant Lake Building. Although all eight IBM computers have not been replaced, an excellent beginning was made this year with the purchase of four PC's through the Zenith school purchase plan. Although the PC's have double the IBM memory and come standard with both color and graphics capability, they were purchased at a considerable savings to the school district.

Since the new computers are 100% compatible with the IBM's all of the software taught on the former equipment is already powered up on the new computers. "Not having to replace expensive software," says business computer teacher Sheryl money." Eighty-five Manchester students are currently enrolled in Business Computers, Computer Programming or Accounting. Hopefully, the new equipment will allow more students to take

Halloween Leaves Trail Of Debris

HALLOWEEN LEAVES TRAIL OF DEBRIS Auto Plays Prominent Part In After-Dark Activities In Name Of "Fun"

Verily times are changing, even with the Hallowe'en revelers. In years gone by there was a certain amount of secrecy about the doin's on Hallowe'en night, as the town marshall and his shining badge threw fear into the youthful heart. Then a few years ago it seemed that fear was flung to the wind and the youngsters began their favorite sport of soaping store windows even before night had fallen. This year a new crimp was placed in the custom. At supper time everything seemed serene, with no signs of the evening's activities except black cats, witches, and false faces and jack-o-lanterns to be used by the

But the curtain of night had hardly dropped down when a racket here and there gave notice that somethin' was doin.' It generally proved to be some old ox or bunch of cans being dragged behind an auto. And again here is evidence that times

Recreation Task Council Apprehensive **Over Budget**

Tentative revised budget figures presented to the Village Council reveal that a possible shortfall of \$124,500 is possible-

before July 1988, when revenues are again expected. The figure is a tentative projection based on the figures that have been compiled over the last two weeks. Emory Garlick, Interim

Manager, explained that the figures represent a worst case scenario and would be dependent on the amount of money already spent that would be recoverable when bonds are sold for the treatment plant.

Council voted Monday to have those bonds peddled Responding to reports that Washtenaw County instead of would involve a fee, it is expected

Garlick pointed out to Council that funds were not presently available for any expenditures until the bonds could be sold.

"You don't have enough money

thing until you recover some of the money under the sale of the bonds," he said.

Funds have been borrowed from three different accounts and need to be returned to those accounts. Those funds are expected to be replaced in part by the sale of the bonds that was authorized at a Council meeting earlier this fall.

Garlick had high praise for the staff and council members who put in large time commitments to make the presentation possible.

"I can't say enough good about them. I am really happy with the staff and the council," said Garlick. He admitted to having spent about 60 hours during the

Parent-Teacher Conferences Thursday-Friday November 5 and 6

Boys and girls at Klager are displaying their work in preparation of Parent-Teacher Conferences to be held Thursday, November 5, and Friday, November 6. Deon Dwyer and Ryan Weir add a poster to the bulletin board.
