

A Manchester Boy

that at that time the beach and birch part of it was not the pleasantest part of my education, and school-boy pleasures. There are associations and recollections connected with that old brick school-house that methinks will have a place in memory as long as life lasts.

Passing on up town with few exceptions there are no changes until we get up into the business part, then there is so little of the old town that I will not attempt to mention but few places. The Southern Washtenaw mill, where your honored parent worked for the good of hungry humanity; the old Brown mill across the Raisin river; the old carding mill near it, the latter two looking as if they had passed through their life of usefulness.

Turning to the left up the hill we run right onto a stranger of the old days, the D. H. & S.W. Ry., with one of the old boys, A. D. Perkins, as agent. Philo Millen used to live in the farthest house north; but what a change there is along the banks of the river where used to be a long unbroken bank covered with shrubbery, and near where I have seen wild deer crossing the pond, now stands a beautiful row of dwellings.

Coming back to the corner again, where the Wheeler family's old residence has stood so long, I find a few old land-marks, but the most of them have been modeled over so that they are hardly recognizable; but passing south I find a good many familiar places, one of them the old brewery, which has a part of the old wall left to tell of the days of its prosperity.

A little farther east is the old stone house, my first home in Manchester, while near is the Bierce property, the Methodist church, where I had ought to have learned more good than I did, and many dwellings that are familiar.

Down at the old foundry, where I spent a great many of my days, I

find a lot of ruins that except for their little bit of present usefulness would at least look better if floated off down the river, or made into fire-wood so much as would burn. In the vicinity of the foundry, where was a field of nothing but stone, now stand houses in thick profusion, with street running back into the grove, where we have enjoyed many pleasant hours, drank sap from the maples, and fished from the Raisin for bull-heads (and as far as luck went always found myself the biggest one that was caught).

Well, Matt, I presume that you think that I have gone wild, or soon will be, from the tenor of this history, but I must say a word or two retrospective of those that we have known. First to me was Mr. & Mrs. Beach, with whom I lived for about eight years, are gone to a home from whence no traveler returns. Of the days and years of my life with them I can say but little, for I was but a thoughtless boy those days. Mrs. Beach was the only mother I ever knew, and none that knew here but will bear me out in saying that a kinder and more christian-like woman than she it would be hard to find. There are many more of the old people that have passed away, but it will be more of the school mates that my mind turns to, and to mention each one of them would take more space than I can use. Some of them are scattered from Maine to Mexico, while some are still farther away in foreign lands, while there are others, as Mrs. Beach used to sing—

"Some are in the church yard laid,
Some sleep beneath the sea,
But few are left of our old class
Excepting you and me."

A half-ton Cheddar cheese is said to have been given to Queen Victoria as a wedding present. That gift began as 10,000 pounds of milk!

Farm Bureau Leader Offers Cooperation To DNR Director

The president of the state's largest farm organization says he hopes the Michigan Farm Bureau's long history of cooperation with the Michigan Department of Natural Resources in dealing with agricultural concerns will continue under the leadership of new DNR Director David Hales.

"We welcome Director Hales to this most important department and look forward to working with him in addressing those problems facing Michigan agriculture which are the responsibility of the DNR," said Jack Laurie, Tuscola County farmer who heads the Michigan Farm Bureau.

"The DNR is extremely important to all citizens of Michigan—and especially to those of us involved in agriculture. The programs DNR administers and the regulations for which they are responsible, such as wildlife, air and water quality, and the state's Farmland and Open Space Preservation Act, impact farmers on a daily basis.

"Farm Bureau's relationship with the DNR in the past has been one of continuing communications and, for the most part, cooperation. We intend to do our part to maintain that relationship," he said.

Laurie said one current issue that must be addressed by the department is wildlife crop damage.

"The department has aggressively tackled the challenge created by the increasing size of the deer herd. Significant progress has been made, but the problem has not yet been solved," Laurie said. "We look forward to working with Director Hales to solve this severe economic problem faced by Michigan farmers."

Hales, who currently heads

Michigan's Low Level Radioactive Waste Authority, assumes his new responsibilities on June 1. He will replace retiring director Gordon Guyer, who earned Michigan Farm Bureau's highest honor, the "Distinguished Service Award to Agriculture" award, in 1983 when he was director of MSU's Cooperative Extension Service.

Prices To Farmers Drop

Prices farmers received for their products dropped .8% in February from the month before, but remained 6.6% above February 1987 levels, the U.S. Department of Agriculture reports. Higher prices for grain and livestock for the month were not enough to offset lower prices for vegetables, cotton and dairy products in the index.

Net cash income is likely to be down at least \$2 billion this year from last year's record high \$57 billion, the USDA economists said. Causes of the decline in income will be higher production expenses for fuel, fertilizer and seed of between \$1 billion and \$3 billion, and lower government payments, likely to drop \$2 billion or \$3 billion this year.

Promotion and Education Great

Promotion and Education Committees are conducting unique programs that address specific needs in their county while building on good programs of the past. County Promotion and Education Committee members are pioneers in Michigan and in the United States as they develop outstanding activities to promote FB, agriculture, and educate farmers and non-farmers.

The kickoff for a new program called Farm Bureau Speakers took place during the cabinet meetings held in February and March. Sixty-three people signed up to be speakers for FB. Their first topic is "What is Farm Bureau" and can be delivered to FB members at CAG and other meetings. Anyone can sign up to be a Farm Bureau Speaker, just contact Julie Chamberlain at Michigan Farm Bureau, 7373 W. Saginaw Highway, Lansing, MI 48909. The goal is at least two speakers per county.

For more information on the Promotion and Education Committee, there is a video available "P&E Opportunities Unlimited," available on loan by request from Julie Chamberlain. The 12-minute video is designed to inform groups, or individuals, about the structure and projects of the Promotion and Education Committee.

A Fine Engine House

Manchester Enterprise August 18, 1887

"Hello! Mat."

We were hurrying along the street at Jackson on Tuesday, when we were startled by the above ejaculation and looking up saw our old friend, George Wemple, foreman of chemical engine No. 1. We grasped hands and were given a hearty shake.

"Come inside," said he, "and see the machine."

We followed him into the building, which is a fine-looking two story brick structure, finished on the inside in natural woods, and the whole as clean and tidy as a lady's kitchen.

The chemical engine has two tanks, so arranged that one can be charged while the other is in use, or both can be used at once. It is a splendid piece of workmanship and is kept bright and clean. It is only within the past few years that people have become convinced that chemical engines are far superior to steamers in putting out fires, and where they have both, the chemical is invariably the first set at work. The carbonic acid gas smotherers

out the fire and goods and buildings are not injured as where large quantities of water is thrown upon them.

Besides the chemical stands a large ladder truck, fully equipped with all the latest improvements and devices for putting up ladders from a 15-foot ladder to a 65-foot extension, with grappling hooks, etc. A four-wheeled hose cart was also shown us.

The horses stood in their stables facing the front of the building and at the sound of the gong the stable doors are opened and they spring to their places where the harness, already attached to the trucks, is quickly fastened to them, the men spring to their seats and in ten seconds from the time the gong sounds an alarm the three equipments have passed out of the building and are hurrying to the fire.

"Every day at 9 a.m. and at 2 p.m., if not called out to a fire, we drive out for practice and exercise," said George, "and if you wait a little while you can see us start."

We declined, but he insisted upon our going up the stairs to

Wanted: Two Good People

Members of the Manchester Township Library Board of Trustees are elected every four years in the general election in November. This year incumbents Mrs. Doris Mahony and Mrs. Hazel Walker, will not seek re-election. Two persons are needed to fill these vacated seats. The only qualifications are residency in Manchester Township and an interest in the library and its affairs. The Board meets on the first Tuesday of each month. Nominating petitions may be had at the Township Clerk's office on Macomb Street and must be filed on or before May 31st. For answers to your questions, call Olga Nickels, 428-8632.

Federal Foods Distribution

Federal surplus foods will be distributed in the Manchester area Friday, May 20, at the Manchester United Methodist Church from 9 a.m. to 2 p.m. The longer hours are available because of the "Low-income Spring Shop" which will be open at those hours also.

Excellent Series Concludes

DURING THE REIGN OF THE QUEEN OF PERSIA is the title of the last work discussed by that group which has for more than ten weeks been sharing an interesting and enjoyable experience called the "Reading and Discussion Series" hosted by the Manchester Township Library.

This final meeting was held Thursday, May 5th with guest lecturer Professor Arthur Athanason of Michigan State University's Department of American Thought and Language.

This novel may well have been the most controversial of the series. A quick summary of the plot - a look at three generations of women living on an Ohio farm in the 50's - could never begin to suggest a reason for the strong negative feelings many in our group had about this story.

However, Prof. Athanason began with his analysis of the story and his very favorable impression of it. This was followed by comments from several in the group who support-

ed Prof. Athanason's fondness for the work. Those negative "preview" remarks which had buzzed around the Library prior to our meeting did NOT dominate the discussion. But you may be sure they were heard! There followed a strongly opined and clearly expressed give-and-take discussion.

One special treat of this discussion was Prof. Athanason's dramatic readings. With his theater background and very obvious talent and experience, Prof. Athanason read passages of this book to us. He also read a (very short) short story by Erskine Caldwell for the purpose of expanding upon the themes of our novel, but which left a very intense impression on the group independent of our other discussion.

To hear someone read aloud, and read aloud with such strength and sensitivity, is a treat we hadn't expected but most certainly appreciated!

A treat we had come to expect (and yet never taken for granted!) was the out-of-this-world sweets served after the discussion broke up. For each meeting in the series, Ann Fowler created a "theme" treat: eg, when we met on March 17th, Ann made Irish soda bread. Shortbread was the fare when our discussion concerned three short stories. And this last meeting featured absolutely delicious cherry tarts because the story concerned - well, there may have been more than one reason for the tarts! It must be said that as good as the series was, as interesting and warm and surprising as the discussions were, the conclusion of each meeting with relaxing conversation accompanied by Ann's unsurpassable refreshments, was by no means any less excellent!

Kallewaard Appointed VP

Thomas R. Kallewaard has been appointed Vice President and Director of Operations for Renken & Company, a prominent local real estate investment and management company which is associated with property in eight states.

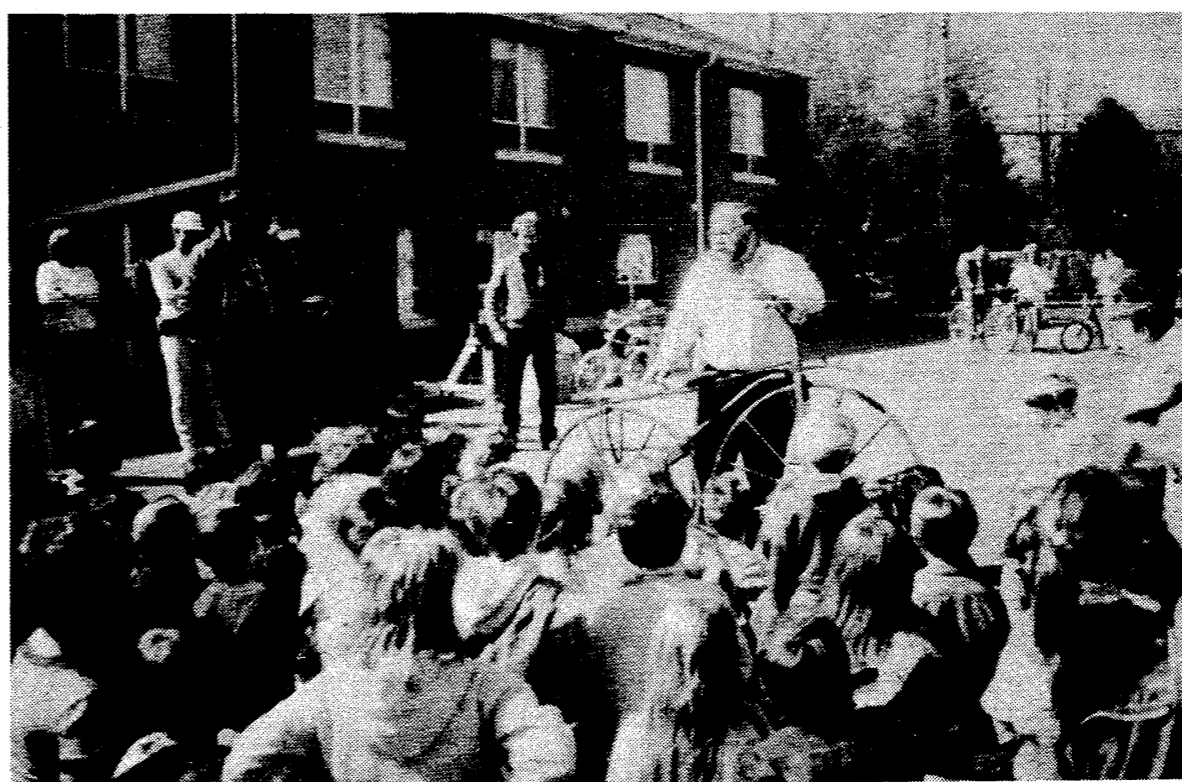

Kallewaard, who has been with Renken & Company during the past year, is a registered principle who manages and operates Renken Securities, an affiliated broker/dealership and member of the National Association of Securities of Dealers. The firm markets and sells all Renken real estate syndications.

Kallewaard is responsible for preparation of all investment offerings through Renken, including customer relations, company marketing and sales, and investor communications. He is also part of the company's senior management team responsible for company planning and policy formulation.

A graduate of Detroit College of Law, Kallewaard is an attorney and a member of the Michigan State Bar Association. Immediately prior to his association with Renken, he was an Executive Officer with a major regional bank, where he supervised trust management and employee benefit plan administration. He is past President of the Washtenaw Estate Planning Council and has coedited publications on basic financial, estate, and tax planning.

This series was presented as part of the Library's 150th Anniversary celebration. Please call the Library at 428-8045.

Optimist Club Bike Safety Day

Jim Hurd, Chairman of the Bicycle Safety Day, showing the children one of the antique bicycles that he had on display.

The Optimist Club sponsored Bicycle Safety Day, was attended by more than 100 Manchester adults and children.

Following a warm up session in the parking lot of the Emanuel Church of Christ parking lot, Mark Van Bogelen introduced Deputy Maloney who reviewed traffic regulations and safety suggestions.

L. B. Hilbert, local bicycle enthusiast, displayed his recumbent touring bicycle and reviewed hand signals, rider responsibility in traffic, and safety equipment.

Jim Hurd, Emily Gordon, Stephanie Hanselman, and Kim Reeb displayed several antique and classic bicycles.

The bicycle rodeo, an obstacle course, followed providing the

children with an opportunity to demonstrate their bicycling skills.

The day ended with each participating child receiving a Schwinn water bottle. Lucile Bruner drew Jeremiah Tobias' name for the Huffly BMX bicycle donated by Kleinschmidts Hardware Store. Registrants needing to pick up their Schwinn water bottle may do so Saturday 9-12 at the First of America Bank.

Book Exchange Day

The Klager Chapter I reading program sponsored a Book Exchange Day. The children brought in their old books and

Kindergarten Round-Up

All children eligible to enter school in the fall of 1988-89 are invited to participate in the Kindergarten Round-Up. Children should be 5 years old on or before December 1, 1988.

Round-Up will be held Friday, May 13, 1988, in the Kindergarten room at the Nellie Ackerson building. The schedule is as follows:

8:15-9:45 - ALL P.M. PRE-SCHOOL CHILDREN and children with last names beginning with A and B.

10:00-11:30 - children with last names beginning with C through L.

12:15-1:45 - children with last names beginning with M through T.

2:00-3:30 - ALL A.M. PRE-SCHOOL CHILDREN and children with last names beginning with U through Z.

The content will be:
1. Parent meeting.
2. Children in classroom.
3. Children at screening stations.

4. Bus Ride FOR ALL CHILDREN AT 11:30 a.m. ONLY. Call Klager School at 428-8321 if you have any questions.

IMPORTANT: please bring your child's birth certificate and immunization record to Round-Up; please record the time of your session; plan a minimum of 1-1/2 hours for the classroom activity and screening process. This is a special time for your child, therefore, we discourage the presence of siblings.

Rogers Corners Fram Bureau

The Rogers Corners Fram Bureau group will meet Friday May 13th, at 8:00 p.m. at the home of Mr. and Mrs. Elvin Meyer.

COUNTY OF WASHTENAW

LINDA JO FORNWALT, Plaintiff -vs-
HUEY E. FORNWALT, JR.,
Defendant

Andrew L. Fanta (P29540)
Attorney for Plaintiff

Case No. 88-38425-DM
Judge: Edward D. Deake

AMENDED
ORDER TO ANSWER

At a session of said Court held in the City of Ann Arbor, County of Washtenaw, State of Michigan on the 8th day of April, 1988.
PRESENT: HONORABLE Edward D. Deake, Circuit Court Judge

On the 25th day of February, 1988, an action was filed by LINDA JO FORNWALT, Plaintiff, against, HUEY E. FORNWALT, JR., Defendant, in this court for divorce.

IT IS HEREBY ORDERED that the Defendant, HUEY E. FORNWALT, JR., shall answer to take such other action as may be permitted by law on or before the 11th day of May, 1988. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this court. Such answer or other action shall be filed in the above-entitled cause and a copy thereof sent to the Plaintiff's attorney.

Liberty II, Friday, May 13

A spectacular musical tribute to the national symbol of freedom will be performed in a series of concerts across this area. It is called "Liberty II" and is staged by hundreds of local volunteers.

Inspired by the Statue of Liberty in New York harbor, "Liberty II" features the 200-voice Michigan/Ohio Concert Choir accompanied by laser effects, fireworks and filmed imagery. They will also be joined by children's choirs and a troupe of choreographed dancers.

The show has a salute to each of the armed forces and such memory jogging sequences as a portion of President Kennedy's inaugural.

A special appearance will be made by the most decorated combat soldier in the U.S. armed forces history.

The Michigan/Ohio Concert Choir includes members from all over southern Michigan and northern Ohio. They come from all walks of life and over 100 churches. They have rehearsed intensively for many months under the direction of their leader, Thurlow Spurr.

These are the places and times for the local "Liberty II" performances: Friday, May 13 - 8:00 p.m., Pioneer High School, Ann Arbor, MI.

There is reserved seating for the show. Tickets are \$9.00 and will also be sold at the door.

Alber Farm Newly-Certified Centennial Farm

Thirty-seven Michigan farms, including one in Washtenaw County, have been certified as Centennial Farms, Secretary of State Richard H. Austin announced today.

The farm owned by Nathan Alber of Manchester is a newly-certified Michigan Centennial Farm. The Alber family farm, located at 12474 Bethel Church Road in Manchester, has been in the family for 107 years.

"Since the current Centennial Farm program was begun in 1948, this office has certified more than 5,600 farms as Centennial Farms," said Secretary Austin. "We are pleased to recognize the Alber family for their commitment to Michigan agriculture, as well as the preservation of our heritage."

A Centennial Farm is a farm of 10 or more acres, which has been in the same family for at least 100 years. Owners receive a Michigan Centennial Farm certificate from the Department of State's Bureau of History, and a marker for display at the farm. The on-farm markers are provided by Detroit Edison and Consumers Power Company.

If you live on a farm that has been in the family for 100 years or longer and are interested in the Centennial Farm program, contact the Michigan Department of State, Bureau of History, Lansing, MI 48918

Klager 4th Graders Visit Holland, Michigan

Wooden shoes are still made by hand in Holland, Michigan. Students observed the many steps involved in making a "klompen."

The children in Mrs. Raus, Mrs. Ellsworth and Mrs. Shaw's fourth grade visit the Dutch Village in Holland. On this guided tour they learn about the traditional dutch costume.

6 important facts about wheel alignment

- 1. Extend tire life**
It's happened to almost everyone: buy a set of tires, and before long one or two tires are wearing out before the others. On today's cars, this applies to the rear tires as well as the front tires. The most common cause of unusual tire wear is improper alignment. Over the years, a properly aligned vehicle can save hundreds of dollars in tire wear.
- 2. Spot problems early**
A suspension system inspection is an inherent part of the wheel alignment operation. This gives the mechanic a chance to spot worn parts that would affect vehicle alignment. It also gives him an opportunity to spot small problems before they become big, costly ones.
- 3. Ensure safe driving**
A periodic four wheel alignment makes sure your car handles properly and, more importantly, provides an opportunity for inspecting the suspension system for defective parts. In some ways, the safe driving aspect may be the most important benefit of wheel alignment.
- 4. Stretch fuel mileage**
Fuel mileage increases as rolling resistance decreases. Proper wheel alignment sets all four wheels parallel which, in turn, assures minimum rolling resistance. This plus proper tire inflation provide top efficiency for maximum mileage.
- 5. Improve handling**
Does your car pull to one side, does the steering wheel vibrate, do you have to constantly move the steering wheel to keep your car traveling straight ahead? These and other handling problems can generally be corrected by four wheel alignment.
- 6. Get a better ride**
Proper alignment helps the front and rear suspension systems do their job. With all the system components in proper relation, road shock is efficiently absorbed, so the vehicle is more stable, and you get a smoother ride.

Wheel Alignment \$24.95

Summer Arrives At Historical Museums!

It's not quite summer, but five of Michigan's regional history museums in Concord, Copper Harbor, Garden, Grayling and Negaunee are already open or will be by May 15, Secretary of State Richard H. Austin announced today.

"We open these five museums before the traditional tourism season because they make exciting school field trips, and we want to encourage youngsters to experience Michigan's history," Secretary of State Austin said.

The museums, operated by the Department of State, include:

HARTWICK PINES LOGGING MUSEUM, GRAYLING. The first regional historical museum to open in early April, it depicts the major industry that civilized and developed Michigan in the years after statehood was achieved.

Log buildings house many pieces of logging equipment and furnishings typically found in 19th century lumber towns. Lecture hikes are available.

The museum is part of Hartwick Pines State Park, one of Michigan's last remaining stands of virgin pine.

ALSO OPENED IN EARLY APRIL WAS THE MANN HOUSE. Set in the historic village of Concord, 10 miles south of Jackson, the Mann House is an antique lover's delight. Furnishings in the two-story victorian home (circa 1884) date to 1840-1873. The home looks much the way the Mann sisters left it, when they died they bequeathed the house to the state in 1969.

MICHIGAN IRON INDUSTRY MUSEUM, NEGAUNEE. Six miles west of Marquette this new museum has been open since May 1. Its exhibits commemorate 125 years of iron mining in the Upper Peninsula, including peak years (1848-1855) when Michigan was the nation's major producer of iron ore.

The museum was opened to the

public for the first time last spring.

OPENING MAY 15 IS THE FAYETTE TOWNSITE, GARDEN. While the Civil War raged, nearly 500 settlers built the community of Fayette around the Jackson Iron Co. blast furnace, their sole industry. When the blast furnace closed in 1891, the town rapidly died.

Today Fayette Townsite is a state part of 15 weather-beaten 19th century buildings-including homes, a hotel, an opera house and a company store-surrounded by quiet forests and limestone cliffs on Big Bay De Noc about an hour east of Escanaba.

THE FORT WILKINS HISTORIC COMPLEX, COPPER HARBOR. Opening May 15, Fort Wilkins is probably the most popular field museum. Last year 200,000 vacationers toured the compound, which was built in 1844 to keep peace in the U.P. Copper Country. The fort was occupied for only a few years.

Costumed interpreters act out roles typical of life in a 19th century military compound throughout the summer.

There is no admission charge for any of the regional Michigan Historical Museums, although parking or camping in an attached state park may require a fee. More than 350,000 people visited Michigan's field museums last year.

For more information, hours, dates of special events or specific directions to a regional Michigan Historical Museum, contact the Lansing museum office at 517/373-3559.

Office Space For Rent On Main Street 428-8173

Girls' Track

GIRLS TRACK DEFEATED

The girls' track team was defeated by Vandercook Lake 81 to 47 to bring the Dutchwomen to a 1-2 record in the conference and a 2-4 record overall. Laura Meister brought in 9-1/4 points to the team by placing first in the 100 meter dash (13.7); first as the second leg of the 800 relay and second in the 200 meter dash (29.9). In the winning 800 relay team, along with Laura Meister, were Amy Major, Lynette Wright, and Stacey Wilde who hit their best time this season in 1:58.48. In addition to leading off the winning relay team Amy Major soared to a first place position in the 200 meter dash (28.1). Rachael Arney took second in the mile in 6:30.5, her best time this season, and third in the two mile (14:37.5). Trisha Schuler nabbed second place in the two mile in 14:25, her best time this season, and third place in the mile (6:05.3). Some other second place finishers were: Lynette Wright for the shot put (24'9-1/2) and the 100 meter dash (14.12); Staci Williams in the 110 high hurdles (19.1) - a personal best; Stacey Wilde in the high jump (4'7"); and Jennifer Faulhaber in the 400 meter dash (69.6). Vandercook had some tough competition, but the Manchester girls performed well.

Next meets are May 12th, East Jackson at home and May 14th Manchester Metrics.

Our Lady Dutch had a good day in the Hudson Invitational scoring 50 points and bring home 11 medals.

Scoring points for the Dutchwomen were Rachael Arney, Trisha Schuler, Julie Hamilton, Cheryl Carter in the 4 mile relay - 5th place. Distance medley team of Rachael Arney, Trisha Schuler, Dawn Wenk, Jennifer Faulhaber placing 4th. 2 mile relay team of Rachael Arney, Trisha Schuler, Dawn Wenk, Jennifer Faulhaber 3rd place. Hudson relay of Rachael Arney, Stacey Wilde, Laura Meister, Amy Major getting 4th. Middle distance relay of

Cheryl Carter, Amy Booth, Laure Fielder, Tracey Anderson taking a 5th. Mile relay of Amy Major, Jennifer Faulhaber, Lynette Wright, Vicki Warner getting 4th. Shot put relay team Lynette Wright, Julie Hamilton, Tracey Anderson 5th place. Discus relay of Jennifer Faulhaber, Cheryl Carter, Vicki Warner just missed medals by placing 3rd. Winning medals were: Stacey Wilde, Vicki Warner, Cheryl Carter in the high jump relay. Amy Major, Laura Meister, Stacey Wilde, Lynette Wright in the spring medley. The 440 relay of Amy Major, Laura Meister, Stacey Wilde, Vicki Warner placed 2nd for medals. Congratulations Girls!

Can't Get Back On Track

by Jon

Our boys welcomed Grass Lake Monday, and the Warriors used a 10 hit attack to bury us, 11-3. Scott Gross and Jason Van Deven collected the only 2 Dutch hits.

On Wednesday we trekked to Napoleon. Coach Wes Gall has been concerned for several weeks with the consistency of our pitchers. We got a solid performance from hurler Bryan Barnard, but our offense failed to score enough runs as our defense surrendered six errors. This left the final tally 4-3.

Little Dutchmen Win

Our JV boys hosted Napoleon Wednesday and when I arrived in the 4th inning, our pitcher, Dan Weber, was going strong supporting a 4-1 lead. We began plastering the ball to score 11 straight runs, but the Pirates answered with 6, in their half of the 5th so the score stood 15-7. In our half of the 5th we scored 2 runs to win via the mercy rule 17-7.

Sports Round-Up

BOYS TRACK

Vandercook Lake - 72, Manchester - 65. The league leading Jayhawks came into town on Tuesday expecting to blow us off. But, what they got was a battle right to the end. Like I've said before, don't take us lightly, we're not patsies anymore. And believe me Vandercook found that out! Mike Stidham (43') and Craig Scully (39') went 1 and 2 in the shot. Denny Steele (123'8 P.R.) and Steve Samonek (108'11-1/2 P.R.) came back moments later to go 1-3 in the discus. Freshman Jason Woods vaulted 9'0 (P.R.) to get a point in the pole vault. Ryan Burkhardt and Matt Knul took 2nd and 3rd in the 110 hurdles 18.2 and 18.8 (also P.R.). Brad Uphouse stayed undefeated in the 400 meters (53.4 P.R.). Brad also placed 2nd in the high jump and long jump. Mike Brokaw won the 100M easily in

11.5, but was nipped in the 200M 24.4 for 2nd. Freshmen sensations Jamie placing 2nd in 4:55.6 and Benji 3rd in 4:58.6. Nick Miller's first defeat in the 800M was today, but he still set a P.R. of 2:10.3 for 2nd place. Matt Knul gave us a point in the 300 hurdles (46.5) and 3rd place. Then came the Winzenz's and Brain Weidmayer in the 3200M which they swept, Jamie leading the way in 10:59.1 (P.R.), Benji close behind in 11:04.3 and Brian getting 3rd in (11:29.7 also a P.R.). Then it was time for the 1600 relay. Vandercook saved their best for this, only to be wasting their time, because Mark Fenelon, Brad Uphouse, Nick Miller and Brad Wilson never looked back to win in 3:42.7. The same was true in the 400 relay when Allan Carson, Mike Brokaw, Robbie Gonyer and Dwayne Archibeque said bye-bye and coasted to an easy win in 47.8. Congratulations on a moral victory!

Manchester -119, Grass Lake - 18. We got our 3rd win of the season (P.R. for Coach Joe Keister) over a weak Warrior team.

We won 16 out of 17 events. Jason Woods (8'6) and Steve Samonek (8') went 1-2 in the pole vault. Craig Scully (41'2), Mike Stidham (40'9), Denny Steele (36'6-1/2) swept the shot put. Brad Uphouse won the long jump (16'11-3/4). Brad, Jon Uphouse, Matt Knul swept the high jump. Denny Steele (115'5), Steve Samonek (110'5-1/2) went 1st and 3rd in the discus. Our 3200 relay (Nick Miller, Dan Young, Jamie & Benji Winzenz) won easily in 9:21.3. Ryan Burkhardt (18.0

18' combined to get 4th place. Benji, Jamie Winzenz's, Brian Weidmayer, Nick Miller took medals in the 4 mile relay, (3rd place). Spring medley team of Brad Uphouse, Allan Carson, Mike Brokaw, Brad Wilson got 2nd place medals. Middle distance relay of Nick Miller, Mark Fenelon, Steve Samonek, Jamie Winzenz indulged in more medals for a 2nd place. 440 relay of Allan Carson, Mike Brokaw, Brad Uphouse, Dwayne Archibeque helped themselves to 2nd place medals. Hudson relay of Allan Carson, Dwayne Archibeque, Nick Miller and Jamie Winzenz again cashed in on medals for 2nd there. 880 relay Robbie Gonyer, Jon Uphouse, Brad Wilson and Mark Fenelon placed 3rd. Distance medley team of Dan Young, Jon Uphouse, Brian Weidmayer and Benji Winzenz took 4th. 2 mile relay of Dan Young, Benji Winzenz, Brian Weidmayer, Bud Bull grabbed a 5th. Shuttle hurdle team of Ryan Burkhardt, Matt Knul, Darren Hoek, and Dan Young took another 3rd. Out of 15 relays we received medals in 9, and scored in all 15. Tremendous job guys!

Girls' Track Wins

The girls' track team brought down the Grass Lake Warriors 83 to 45. The girls were off to a good start with the field events. Stacey Wilde took first in the high jump (4'6) with Vicki Warner grabbing second (4'). Staci Williams was able to seize first place in the long jump (12'4-1/2) with Dawn Wenk taking second (9'11-1/4). Vicki Warner took another second place in the discus throwing 60'6; not far behind was Cheryl Carter capturing third with a 58'8-1/2 throw. Making their best throws of the season in the shot put were Julie Hamilton (24'3) getting second place and Tracie Anderson (19'9) getting third. The two-mile relay team (Rachael Arney, Jennifer Faulhaber, Trisha Schuler, Dawn Wenk) not only took first place, they hit their best time of the season - 11:55.19. Staci Williams had another personal best in the 110 high hurdles (10.02) and took

REPAIR YOUR DAMAGED WINDSHIELD FOR A FRACTION OF REPLACEMENT COST.

Most windshield breaks are repairable, and the cost is far lower than windshield replacement. The patented, proven Novus method can restore and repair windshields both structurally and optically, leaving damaged areas almost invisible. But act now! If crack damage spreads too far, it may become necessary to replace the entire windshield.

We come to you... Mobile Service Anywhere in Washtenaw County. MOST INSURANCE COMPANIES WILL PAY 100% OF REPAIR COST.

WAYNE'S WINDSHIELD REPAIR
 — 428-7028 —

The last thing you need now is a problem paying for more car insurance.

A family can have many drivers. And many drivers can mean many cars. There may be a problem with finding a full gas tank or the right keys. So you don't need a problem with car insurance.

You deserve a discount. And, that's exactly what Auto-Owners gives families with two or more automobiles. A nice one too!

Your independent Auto-Owners agent bridges himself on the substantial savings he can give multiple car families.

And with a name like Auto-Owners—he's won fame with his claims service. Find out from your "no problem" Auto-Owners agent just what the one advantage could be of having many cars and many drivers in your family. It's no problem!

Sharon Township Planning Commission Public Hearing

Please take notice that the Sharon Township Planning Commission will hold a Public Hearing on May 25, 1988, 8 p.m., at the Sharon Township Hall, 18010 Pleasant Lake Road.

This special Land Use Application would allow Daniel C. Walter & Barbara A. Walter to operate a Welding, Fabricating & Light Machining business.

The land for which the special Use Permit is requested is part of the W 1/2 of the SE 1/4 of section 35, T3S, R3E, Sharon Township.

Please direct any written comments to Ed Hurst, Chairman, Sharon Township Planning Commission, 17233 Grass Lake Road, Grass Lake, Michigan, 49240 on or before May 25, 1988.

4-H Youth Programs

4-H Clubs help youth learn new skills and develop self-confidence. 4-H clubs teach young people to work with others, take responsibility and make decisions. More than 100 projects are available to provide learning experiences to 4-H members of all ages and abilities. The 4-H members decide whether their interest will be in woodworking, horseback riding (also for handicappers), clowning, gardening, bicycling, raising a leader dog, outdoor cooking, photography....

Assistance in starting a new club in your school or neighborhood (or joining an existing club) is available through the Washtenaw County Cooperative Extension Service. An orientation to 4-H Youth Programs will be given on Tuesday, June 21, 1988, from 7:00 to 9:00 p.m. at the Cooperative Extension Service. For more information please call the 4-H office at 971-0079 between 8:30 a.m. - 5:00 p.m.

Sports Festival For Physically Challenged

The Michigan Wheelchair Athletic Association and Cerebral Palsy/Les Autres Sports Association have joined forces to sponsor the Michigan Sports Festival for the Physically Challenged. The event will take place at Eastern Michigan University on Thursday, May 19, 1988. This is the 24th year for the Annual Michigan Wheelchair games and the 13th year for the Annual Cerebral Palsy/Les Autres games, but only

the 2nd year for a joint venture with both organizations together. Approximately 450 athletes are expected to compete in track and field events, weight lifting, swimming, table tennis, cycling, archery, slalom, and air guns. Athletes compete at the regional level to qualify for national and international competition. We are proud to announce that 12 athletes have been selected to represent the United States at the Paralympic games in Seoul, Korea this October.

Dividend Declared

First of America Bank Corporation today declared a dividend of \$.45 per share of its Common Stock, announced Daniel R. Smith, Chairman and Chief Executive Officer. The dividend is payable on July 22, 1988 to shareholders of record as of June 24, 1988.

A dividend of \$.475 per share of Series E 10% Convertible Preferred Stock is payable on June 1, 1988 to shareholders of record as of May 9, 1988.

A dividend of \$1.0125 per share of Series G 9% Convertible Preferred Stock is payable on June 1, 1988 to shareholders of record as of May 9, 1988.

A dividend of \$4.175 per share of Series H 9% Convertible Preferred Stock is payable on June 1, 1988 to shareholders of record as of May 9, 1988.

Depot Quilt Show

The members of the Chelsea Historical Society are sharing their family quilts with the community at the Depot Quilt Show on Saturday, May 21, from 10 a.m. to 4 p.m. and Sunday, May 22 from Noon to 4 p.m.

The money raised will help in the restoration of the Depot. A Sampler quilt which was hand pieced and quilted will be raffled off. Tickets are available from Chelsea Historical Society members and at the Quilt Show itself.

We will have Victorian Crazy Quilts dating back to the 1860's. The quilts have worked into them, political ribbons with dates and persons who were running for an office with very elaborate embroidery on them. Other quilts were brought into the community when people settled their families here from other states.

Present day as well as old pieced and appliqued quilts will be shown. Viewers of the show will vote by ballot on Best of Show in Antique Class; Best of Show in Present Day class and Viewers Choice over all. Rosette ribbons will be presented to the owners. There will be quilting demonstrations and hand piecing going on during the show. Please come and join us.

As always, all in the community are invited to attend the meeting. There should be an opportunity to hear much news about what projects are being undertaken by

our neighboring historical societies in Washtenaw County. Welcome all.

Band To Visit Washington D.C.

On May 18th, the Manchester High School Band will set out on their three-day trip to Washington, D.C. This is the first trip of this kind ever taken by the MHS Band. Their transportation there and back will be by a chartered bus. The trip costs \$280 per student (paid mostly by the Band Boosters). The money raised for the trip was done so by the yearly fruit sale and running booths at the University of Michigan football games.

Some of the highlights of the trip will be seeing the widely acclaimed "Cats", the famous play "Annie", and much more. Not only is the band going to Washington to see these exciting shows, but it is going to put on one itself. The band will be playing a concert in front of the Washington Monument.

While in Washington, they will be staying in the Marriott Twin Bridges in Arlington. They will be back on Saturday, the 21st.

Hope College Graduate

Kathryn A. Miller, daughter of Mr. and Mrs. Robert J. Miller of Manchester, is a candidate for a Bachelor of Arts degree in English composite from Hope College. Commencement exercises were held Sunday, May 8.

Hope College is a four-year, co-educational, liberal arts college with an enrollment of 2,710 men and women and is affiliated with the Reformed Church in America.

Bridgewater Township Board Minutes

All board members present. Clerk minutes approved as read, treasurer gave a beginning balance for the opening year. The 1988-89 budget was accepted.

Bills totaling \$4,148.32 were paid.

OLD BUSINESS

Saline Summer Tax agreement was accepted, with a years review.

Board discussed fire runs.

NEW BUSINESS

Augusta township resolution was adopted. The Manchester Fire Department contract was discussed and signed.

Zoning inspector gave his report, Planning Commission reported.

Comments were heard from the electors attending. The board was petitioned to file a formal request to the Washtenaw County Road Commission about the Austin Road Detour.

Karen Weidmayer, Clerk

4-H Poultry Expo

A poultry show, chicken and turkey barbecue contests and an egg grading contest are only a few of the events that will take place during the 4-H Poultry Expo July 12-13 at Michigan State University.

Interested young people from 9 to 19 can also participate in fitting and showmanship, live pullet judging, and a poultry breeds identification and quiz contest.

The Poultry Expo gives kids, whether or not they're 4-H members, the chance to learn more about poultry and the poultry industry.

Entrants can improve their communications and cooking skills through participation in the egg preparation demonstration contest and can have a good time and a good laugh during the egg throwing contest.

Contest winners may win trophies, ribbons, scholarships or award trips. The registration deadline is June 17.

For more information about the 4-H Poultry Expo, contact John Evert at the Washtenaw County Cooperative Extension Service 4-H Office, 971-0079.

WC Genealogical Society To Meet

Lucille Couzynse of Owosso, Michigan, will address the Genealogical Society of Washtenaw County at 1:30 p.m. on Sunday, May 22, 1988. "Letter Writing - How to Get What You Want" will be the subject of her address. The meeting will be held in Lecture hall #2 of the Liberal Arts and Science Building of Washtenaw Community College, 4800 East Huron River Drive, Ann Arbor, Michigan.

Mrs. Couzynse is a graduate of Western Michigan University with B.S. and M.S. degrees in Homemaking Education. She has taught in the Muskegon County Schools and more recently taught genealogy classes in Adult Education Classes in Owosso and Corunna, Michigan.

The instruction portion of the meeting will be conducted by Carolyn Griffin. Her subject will be "Organizing Information to Share with Others". Admission is free.

Teen Volunteers Needed

An information meeting for prospective teen volunteers will be held from 7 to 8 p.m. May 17, in Classroom 6 at St. Joseph Mercy Hospital Education Center in Ann Arbor. Volunteers help out at St. Joseph Mercy Hospital, Mercywood Health Building, Huron Oaks Chemical Dependency Facility, Maple Health Building and Reichert Health Building in Ann Arbor, at Arbor Health Building in Plymouth and at McAuley Health Building in Canton. Volunteers can work directly with patients or in non-patient contact positions. Complete orientation and training are provided for all programs. To sign up to attend an information meeting or for more information, call the Catherine McAuley Health Center Volunteer Services Dept., 572-4159. Adults are also welcome to attend.

Opera Company To Perform

The Pappagano Opera Company will present a special performance of "Thomas and Sally" on Saturday, May 14, at 2:00 p.m. in the Main Dining Room of Chelsea Community Hospital, 775 S. Main Chelsea, Michigan. The public is invited; Breather's Club members and their families are particularly encouraged to attend. There is no admission charge but advance reservations are requested. Please call 475-3951 for reservations or more information.

Your Noisy World Could Become Silent

Come and hear how to cope with the hearing impaired in yourself and your loved ones with a film strip and Audiologist from McAuley Hospital. This will be held Tuesday, May 17, at 8:00 p.m. at the Pittsfield Union Grange, Saline-Ann Arbor Road, Ann Arbor, Michigan. Questions and coffee hour following. For more information call 428-8817 or 475-2618.

American Legion Auxiliary

The American Legion Auxiliary will meet at the Legion Home on May 11, 1988, at 7:30 p.m.

300 Club Winner

Winner of the Manchester Fire Department 300 Club was Ted Tapping with ticket #101.

 Tuesday, May 17 - 8:30 p.m. Discipleship Class.

"Mobility '88"

From New Buffalo to Battle Creek, travelers along eastbound I-94 will be able to tune their car radios to a special broadcast which will provide highway construction information this summer, the Michigan Department of Transportation (MDOT) said today.
 Three low-power radio transmitters will be in operation by Friday (May 6). Drivers can tune in the messages by dialing 1200 AM on their radios.
 The radio information system is part of the transportation department's "Mobility '88" program designed to minimize inconvenience to motorists in highway construction areas.
 Singing along I-94 will direct motorists to pull into MDOT's New Buffalo Welcome Center, or rest areas near Coloma and Battle Creek, for taped messages about road construction conditions ahead. Information will be changed as the projects progress.
 The department has nearly a dozen road improvement projects

along I-94, from bridge work near St. Joseph to major road reconstruction at Kalamazoo, Marshall, Jackson and Ann Arbor.

Travelcast Radio Co. of Ann Arbor installed the low-power AM radio transmitters and will assist MDOT with monitoring the quality of the tapes.
 A second advisory radio system along I-75 in southeastern Michigan will go into operation Friday for travelers in the area.
