Washtenaw County Sheriff's 1991 Update

Sheriff Ronald J. Schebil County. This is the lowest the fatal collisions occurred in number of highway deaths re- an 8 mile stretch of Austin Road, corded since 1972, and reflects 7% on US 23 near Barker Road a dramatic reduction in the and 7% on Geddes Road benumber of fatalities over the past tween Ridge Road and Harris two years which were higher Road. than anticipated

On a national level, traffic fatalities were at their lowest since 1924. However, the roller coaster profile of traffic deaths in this county over the past 20 years emphasizes the random nature of highway fatalities.

everyone to do their part to make Department and the Ypsilanti 1992 an even safer year for Police Department each policed highway travel in Washtenaw 4% County.

4% involved 3 vehicles. 1% of down 40.4 %. the fatalities involved pedestrians. Three of the fatal collisions involved motorcycles resulting in the death of 2 motorcycle operators and 1 pedestrian.

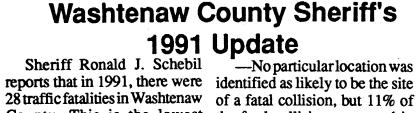

-The age of the victims ranged from 4 years to 76 years old. The average age was 32 years old. 57% of the deceased were male, 43% were female. All of the pedestrians were female (18 yrs., 21 yrs., and 69 yrs. old). Deceased male drivers ranged from 18 to 62 years old (30.5 years average) with only 1 deceased male driver under 21 years old. Deceased female drivers ranged from 23 to 61 years old (36.7 yrs. average).

-57% of those who died in the collisions were directly responsible for the collision. 75% of the fatalities were in the atfault vehicle or were at fault as a pedestrian. 43% of the fatalities were male drivers, 14% were male passengers, 25% were female drivers, 7% were female passengers.

-Safety belts were not used in 78% of the fatalities. Alcohol was involved in 78% of the fatal collisions, but only a possible factor in 63%.

—70% of the fatal collisions occurred between 6 p.m. and 4a.m. 59% occurred between 9 p.m.and 4a.m. The most dangerous nights (6 p.m. to 6 a.m.) were Thursday (22%) and Tuesday (15%). December was the most dangerous month (18.5%), followed by April (15%). January, March, July and November each recorded 11% of the fatal collisions. There was at least one fatal collision each month.

-18.5% of the fatal collisions occurred in Superior Township, 15% in Ann Arbor City, 11% each in Northfield and Ypsilanti Township, 7% each in York and Manchester Townships and 4% each in Ann Arbor Township, Augusta Township, Bridgewater Township, Dexter Township, Lima Township, Saline Township, Scio Township, Sylvan Township and Ypsilanti City.

—No particular location was

New Village Residential Builders will have Extra Charge on Permit

New builders in the Village beware! Permits issued for new residential construction issued between January 1, 1992 and December 1, 1995 will be charged at the rate of \$30 for each year remaining in the 1991 assessment for start-up and operational costs of the Western Washtenaw Recycling Authority.

This was decided 7-0 at the January 20 meeting of the Manchester Village Council. As it stands, all houses in the Villages of Chelsea and Manchester are charged a \$30 special assessment and the only way to make it equitable is to tack that fee onto building permits for new builders.

No Money Down!*-With \$2,918 Total Savings!

\$1,000 Cash***
Back \$1,918 Factory" Incentives

Great News! Your Greater Michigan Ford Dealer's incredible savings on Michigan's best selling car, **Ford Escort, and Michigan's best selling compact pick-up, the **Ford Ranger, have been extended.

Hundreds of new Ford Escorts in stock are available with up to \$600 cash back and 2.9% financing for 48 months. 2.9% financing can drastically reduce your monthly payments and save you over \$2,400 in finance charges. With that combination, you could save over \$3,000 on a new Ford Escort!

Plus, choose from hundreds of new Rangers in stock with \$1,000 cash back and over \$1,900 in factory incentives. But these great deals end February 4th. So see your Greater Michigan Ford Dealer today and turn this economic news into a smart financial investment.

Hurry! Offer Ends February 4th.

MEMORIES OF YESTERDAY—VISIONS OF TOMORROW

Manchester, Michigan

Thanks to the efforts and enthusiasm of the steering committee (Gov. John Swainson, Sandy Trolz, Janet Shurtliff, Ted Tapping, Nondus Buss and Ann Pat Wolf) and with the continuing involvement of more and more citizens, plans for Manchester's 125th Anniversary Celebration progress.

125th Year — Volume 15

A meeting was held Wednesday evening and representatives of some of the various organizations in and around town, such as the schools, Scouts, Historical Society, etc. attended to offer their comments and support.

Sandy Trolz of The 18th Century Shoppe introduced Honorary Chairman of the event,

Herbert Widmayer.
The official theme of the anniversary celebration had been chosen and was announced-

Manchester: Memories of Yesterday — Visions of Tomorrow

This theme, submitted by Nondus Buss, recognizes the history of Manchester and the community's commitment to the

The Village of Manchester was officially incorporated March 16, 1867. On March 16, 1992, 125 years later, a special kick-off program will be pre-sented initiating 125 days of observance and celebration. Although many ideas were offered as to what that program would consist of, a program chairman is still needed.

There were suggestions of possible events and activities that could be held at the anniversary celebration. If you or your group would like to take on one of these events listed below as your contribution, or if you have another idea of your own, please let the committee know as soon as possible.

Kick-off Festivities would include having the

Manchester Township P.O. Box 540 Wanchester, MI 4815

churches announce the occasion on Sunday and ring church bells on Monday, March 16; official proclamations from the State/ local governments; ceremony at gazebo or Mill porch.

Heritage Day at the Gazebo —Perhaps recitations by school children, spelling bee

Mill Run/Track Meet Student Essay Contest making a nice commerative collection at the end of the celebration. This activity would involve working with the schools Society (a donation of \$125) and with the kids.

Antique Auction, Picnic in the Park, Band Day, Old House the Merchant's Tent at the Fair) 2" tall. Exhibit or Tour of

Manchester Memorabilia Collections Oral History Project — Stories from our seniors recall-

ing Manchester's history.

For you or you group to get involved, phone 428-8159 or 428-9312. And, for up-to-date detailed information and literature, stop by the 125th Anniversary official headquarters -

Pyramid Office Supply located on Main Street. Sybil trating the celebration is needed. Kolon is chairing a committee The logo would be a visual to organize and staff the head-representation of the idea of quarters. To help with expenses which ebration and will be used to

will be incurred, a Friends of the publicize events, on t-shirts, 125th account has been estab-plates, caps, etc.

Friends of the 125th to date drawing. Rules are as follows:

The 18th Century Shoppe pencil should be used on the (Sandy Trolz) Manchester Area Historical good reproduction when

Manchester Community Fair Board (donation of space in area about 8-1/2" wide by 7-1/

Pyramid Office Supply (donation of store front and window space for displays)

Mr. and Mrs. John Swainson (donation of \$125)

There will be an official poster/calendar available. Deadline for submitting dates is February 22! Phone 428-8159 or 428-9312. Get your event or special project listed on this commemorative calendar.

Council will decide at the next meeting whether to allow Applied Science and Technology, Inc. to continue with the cleanup of the underground storage tank site at the DPW yard. In mid December Geraghty and Miller conducted the first phase of the investigation which consisted of installation of three monitoring wells, collecting soil and groundwater samples, installation of two river gauges, surveying of wells and river gauges, and determining the flow of the groundwater.

An evaluation showed that soil contamination has been found northeast of the maintenance building located on Union Street, and the compound BTEX (commonly found in gasoline) has been found in one groundwater sample collected from the monitoring well. It was also noted that the groundwater is flowing in a northeasterly direc-

---Vanessa Forsthoefel tion toward the river, which ASTI suspects that contaminants

ASTI submitted to council a list of recommendations to be completed during the next phase of the cleanup and the estimated costs. It is uncertain still whether Manchester will receive funding for the cleanup through the Michigan Underground Storage Tank Fund.

have migrated off-site.

•SALARY PACKAGE FOR DPW SUPERVISOR

Council will discuss changing the position of DPW Supervisor, held by Gary Wiedmayer, from hourly to salary.

Gary has worked for the Village since 1981 and has been in charge of the DPW since 1985. He is on call 24 hours a day, 365 days a year and averages 200 hours per year in overtime.

Continued on page 16

Roger Pond describes himself as a freelance columnist, agricultural writer, and backyard sheepherder, who lives near Goldendale, Washington. Pond was reared on a dairy farm in Ohio and holds degrees in agricultural education and wildlife management from Ohio State University. He is a former county extension agent and has been writing full-time since 1983. Roger and his wife, Connie have

There's nothing like a good basketball game to create some couldn't dribble a lick, but Jim excitement in a rural commucould rebound, so in he went nity. When the team is winning, We had one play: The forwards everyone is a master of and center went after the defenroundball strategy. And when sive rebound, tipped it to the we're losing it's only a matter guard waiting at the foul line, of days before the same people and the guard took off down the who have been asking how floor while a forward and the many fouls a player is allowed other guard ran down the sidewill begin calling out defenses from the stands.

I try to keep quiet at the high the fast-break we might as well school games. The only person give the ball to the other team I give any advice is my son; and and let them shoot it again, behe knows I'm full of bologna cause that was "our play." But and doesn't let my suggestions our play usually worked, and in bother him. this first game we were up by The game has changed so eight points at halftime. Then,

much, I'm not sure I understand it anymore. When I was a kid we didn't have all these terms like "power forward" and "point guard." In those days power forward was the first gear on the team bus, and a point guard was a short guy who never de more than one foul shot.

Every time I hear someone giving the players advice from the stands I think back to my first game in the sixth grade. Even though all of us kids had became oting baskets since we could standup, we weren't wellversed in the game.

The coach grabbed five kids off the bench and made two of them guards, two forwards, and one a center. That's the only way you played in those days: Two guards, two forwards, and a center.

Our center was a big kid named Jim, who had moved in from Arizona the year before. 'cause I got an F and Roger got Jim's family moved a lot and he lost a grade or two in the process -- that's one reason he was so

selected by the two political parties.

tion regarding this election.

Council Discusses Snow Removal Responsibilities

Council and Village Clerk Karen Tucker have been in the process of revising the Village Codebook for six months and with the big snowfall we had in the early hours of January 14, they are looking at changing the section regarding snow

The codebook currently states that it is unlawful for the owner or occupant of any premises with a sidewalk to permit snow to remain on it for more than six hours after being notified in writing by the superintendent of public works. After six hours, the superintendent is authorized to have the snow removed at the expense of the owner/occupant, and the cost may be collected as a single lot assessment. "Currently, there is nothing in our codebook to charge anyone if they do try to enforce it," said Karen.

After checking with other communities, she found costs range from a per foot or hour charge to an average per house fee. For instance, Dexter charges a per hour fee plus equipment and a 15 percent administration cost; Chelsea charges \$.37 per foot, plus a 10 percent administration charge; Saline estimates a typical home is 90 feet long and charges a flat rate of \$22 for homes up to that length; and Milan charges by the hour plus equipment.

A main concern is the safety of the senior citizens and pedestrians in town, and making sure the revisions they make will not be cost prohibitive, Karen explained. It is the goal of Council to get the snow removal section taken care of this season so it can be implemented next winter.

Mr. Ron Niedzwiecki, Superintendent.

Mr. Niedzwiecki's replies are in bold print.

Dear Ron,

The volume of information that you presented to Vanessa and myself is quite extensive and needs to be fleshed out before I can comprehend it's magnitude. I have some questions of a general nature that pertain to finances, population, ratio's, SEV, projections, needs vs wishes and perceptions of the voters. These questions are general in nature and may not apply directly to the District Bond Study but will impact a vote when and if such is held.

These questions have been developed from talking to sev- ETC. eral persons within the district. One of the persons I spoke with provided a five year general fund status report that is now ten years old. This type of information may be helpful to the voter in determining if they wish to support a bond election. The questions are not in any specific order but have been recorded as discussed.

- 1. Revenue and the schools expenditure's for the past five years. See past statement.
- 2. Student population for past five years. -
- 3. Employee's and student / employee ratio past five years. 4. District SEV basis, total
- value, past five years. SEE COMPARISON OF

DITURES.

Nothing thrills us like same day service.

Tell us where it hurts, we're listening. When your car needs services, the first person our Service Advisor will turn to is you. Your description of symptoms is the key to a quick and accurate repair on your Ford, Mercury or Lincoln. That's why we've improved our Quality Care service to help ensure that when you talk to us, we don't just listen - we understand.

technicians are Quality Care professionals. That means they've taken classes and home study courses that teach them how to listen to and understand your needs, and act on them.

We've also created Customer Diagnosis forms that help you and technician pinpoint and translate a car's moans and groans into successful repairs.

Join the 9 million satisfied customers who've already experienced the trained ears of Quality Care. Stop in anytime. After all, it's our baby we're talking about.

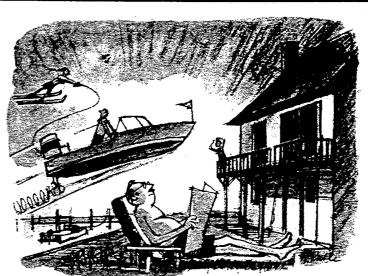

BAND MEMBERS TO PERFORM IN HONORS CONCERT

Seven members of the Manchester 7th/8th Grade Band will be performing in the MSBOA District VIII Junior High Honors Band this Sunday, February 2. The concert will consist of 130 outstanding area junior high band students divided into two bands. The following band members will represent Manchester: Kathy Doyle, Rebecca Koffman, both on flute; Erica Punches, clarinet; Joe Tobias, baritone saxophone; Jessica Smith, french horn; Mark Harris, trombone; and Art Gleason, baritone. The concert will be held at the junior high school in Charlotte, Michigan at 4 p.m. A variety of music will be featured at the concert which is open to the public.

Band students are eligible for this event by being nominated by their band director. Once they are accepted, their responsibility is just beginning. Last Friday evening, the Honors Band members traveled to Lenawee Christian School for an audition in which they were assigned chairs and parts. The students will have this week to work on their parts before they practice as a band. The two Honors Bands will then rehearse from 8 a.m.— 4 p.m. this Saturday, and for a few hours before the concert Sunday. Mr. Randy Riepma, Manchester's band director, is very proud of the interest and dedication that his students have put forth in preparing for this event. Best wishes to our Honors Band members! Remember, practice makes perfect.

Back row (l to r): Mr. Randy Riepma, Joe Tobias, Erica Punches, Mark Harris, Art Gleason. Frontrow: Jessica Smith, Kathy Doyle, Rebecca Koffman

The last thing you need now is a problem with vour claims service.

Have you ever waited for a claims check? And waited? And waited? Maybe you should learn about the "no problem" people from Auto-Owners. They take pride in their fast, fair claims service. What's their secret? It's their common sense approach. They know having a claim isn't one of life's pleasures, so they try to make it a bit

Maybe that's why almost all of Auto-Owners policyholders are satisfied with their claims service. Check out their fame-to-claims yourself. See your "no problem" Auto-Owners agent.

Proposed Synopsis January 14, 1992

The meeting was called to order with all board members, except Schaible, present. Deputy Clerk Guenther substituted for Schaible.

Minutes and Treasurer's report were approved with \$23,955.54 in the General Fund and \$4.10 in the Liquor Fund.

Various communicatins were read and discussed including fire runs and information on house trailer taxation. The Planning Comm. has held several meetings and a public hearing regarding the Keyholing ordinance. The Comm. will meet April 7, 8:00 at the townhall to wrap up discussion of this and other matters.

Old Business included discussion of citizen's complaints. pole light and telephone pur-

Under New Business, the Board, approved townhall rent paid in advance of rate change, and Robert Miller attendance at Planning workshop.

Bills #3222 through #3237 were approved for payment. The meeting was adjourned at 9:30

Submitted by Julie Schaible, Clerk

Approved by: Robert Little,

Christmas In April

Do you have one day to help

Christmas in April (Washtenaw) is currently being formed through a coalition of businesses, community and civic groups and the building trade unions. Volarea will be needed to provide both skilled and unskilled labor to rehabilitate local homes. This year, Christmas In April will occur on April 25.

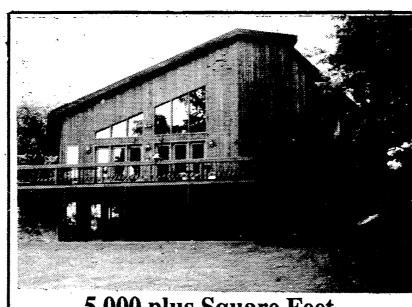

Christmas in April (Washtthose less forunate than you in enaw) is part of Christmas in the Manchester area? Then you April (USA), a nationally known may be interested in volunteer- housing rehab program, which ing time, skills and/or money to repairs homes of low income Christmas in April (Washt-homeowners, low income senior citizens or handicapped homeowners. All repairs are done at no cost to the homeowners. Christmas in April has rehabilitated 8,000 homes helping over 32,000 people, unteers from the Manchester serving 165 cities and towns with 144,000 volunteers. It is a nonsectarian, nonprofit, private organization.

Tuesday night was our night to host Vandercook Lake in Basketball. Our Little Dutch captured the victory as the Varsity won 59-50. Jason Dominick and Rob Davis each slammed home 19 points.

Wednesday was our first home meet for our wrestlers as Michigan Center came to town. This meet was close throughout and as I looked at the wrestlers it appeared we had two meets left facing a 10 point deficit therefore a chance. Unfortunately, Center captured six points on a forfeit and this put them over the

Thursday was volleyball night as we hosted Jackson Northwest. Our JV Lady Dutch turned a complete about face and handled Jackson in two straight games. Total team passing was 76 percent, servers were 81 percent and hits were 82

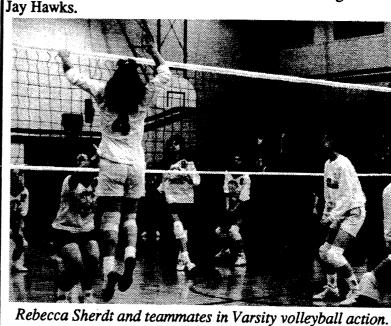

—Jon Hardenbergh percent. We were more aggressive and played a much better defensive game. Shan Lee led all servers with 13, Laura Alber had 10 and April Butterfield had eight. In the Varsity contest Northwest powered their way to win 15-11, 9-15 and 15-7. Adrienne Wallace was our top hitter tonight with 17 of 19 with five kills.

On Friday we visited the Trojans of East Jackson. In the first contest of the evening, our Little Dutch continued their roll as they won 58-48. In the Varsity match-up it was a much tougher, tighter defensive battle. The tide turned in favor of the Dutchmen in the fourth stanza giving us the well deserved 55-51 victory. Jason Dominick had a super night on defense and scored 22 points offensively. Tom Fielder had a solid night as he hit for 12 all from the field.

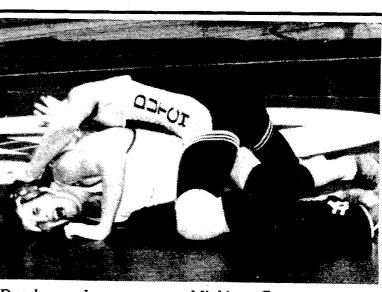

Volleyball News

Starting out on Monday our Lady Volleyballers traveled to andercook Lake. Unfortunately, the JV team wasn't up to their usual performance they missed serves, bad passing and terrible hitting led to a two game loss. The one bright spot was Jenny Williams and Shan Lee as our centers.

The Varsity Spikers had a little trouble eliminating the Lady

Allen Road Bridge May Close

125th Year — Volume 16

Allen Road is one mile north of Clinton, the bridge is about one half mile west of Clinton - Manchester Rd., Bridgewater Township.

Managing Director Robert Polens of the Washtenaw County Road Commission disclosed today that Allen Road bridge may be closed within the next two weeks. The Allen Road bridge crosses the River Raisin north of Clinton in Bridgewater Township.

The closing of Allen Road bridge would mean residents on Allen and Hogan could have as much as four and one half miles further to drive. The possibility of closing was discovered on a routine inspection of the bridge structure. The bridge has been under a three ton load restriction for several years.

As our picture indicates the deck is showing severe deterioration. The understructure according to Polens is in even worse condition. Washtenaw County Road Commission will employ an engineering consultant to evaluate the structural integrity of the bridge.

According to Polens the decision to close could come within a week. The road commission could use a Bailey Bridge to replace the decayed structure. Currently a Bailey Bridge is being used on Sheridan Road. It is possible the Sheridan Road bridge could be moved to Allen Road and a culvert could be installed at the Sheridan Road crossing of Iron Creek.

A Bailey Bridge is a portable structure, pre-manufactured, that can be transported in sections to the site of a needed crossing. The current cost of a Bailey is between \$40,000 and \$50,000.

The Allen Road river crossing could be closed for as much as a year. Funding will be a major problem as no federal or state funds appear available. The decision of Governor Engler to not increase the gas tax two weeks ago was pointed to as a lack of money available to help local roads.

A TOUCH OF CLASS **COULD TURN TO TRASH** IF P.C. CAN'T FIND A WAY

Hickory Hollow, a 40 acre development on Hogan Road east of M - 52 has run afoul of Manchester township sign ordinance. Steve and Ron Milkey of Premier Contracting started this development stone wall and sign along with another on Herman Road when they discovered the possibility of an ordinance violation. Manchester Township specifies that a sign may not exceed six square feet and the setback from the Road Right of Way is 20 feet. There does appear to be a substantial disagreement about what part of this wall is a sign. Township considers the entire wall as part of the sign and not just that carved portion. Bob Kellum chairman of PC said, " If the letter of the ordinance is followed the wall would have to come down. However there did not appear be an intent to circumvent the ordinance and enough mitigating prior variances have been granted to allow this sign to remain." (Personal note, it appears to this writer the sign is definitely in good taste, not intrusive on the roadway and will be beneficial to property owners and the Township. If a fence were added to this wall no setback might be required.)
