MSW. "Although quilting is fulfilling and therapeutic for me, I need this outlet, too, as I continue to grow.

Fran has made so many quilts, she has "run out of wall space", but she will miss "October" while it's gone for three months. "With wall quilts, you feel they aren't functional as bed quilts are; but when you take them down, you realize how they have insulated the room, and sounds seem to bounce off the walls as if the room is empty."

She will be "visiting" her quilt, however. She will make her second trip to the Innovative Traditions show, having been there two years ago on a trip to visit her parents in New York. "I was amazed at the beauty of the quilts I saw there - they were the best quilts I'd ever seen in person. I had seen wonderful quilts in my books, but these were the real thing. It was very inspiring, and I'm honored to have one of my pieces displayed there." She will again visit the show and see her parents during the March 6-June 5 exhibition period.

Fran's beautiful creation is proof that "simplicity can work", and her achievement is certainly a well-deserved honor.

than cars. Back then, farmers like Tim turned cold steel into a hot item over the coals of a blacksmith's forge. Tim's demonstration will run for an hour, starting at 1pm at the Blacksmith Shop, 324 E. Main Street. Some items will be available for sale.

Ice Sculpture Contest on Main Street - Dave Woodring, Head Chef at Chelsea Community Hospital, plus culinary students from Chelsea and Ann Arbor will demonstrate ice-carving techniques that produce beautiful, though temporary, works of art. Blocks of ice measuring 20"x56"x10" will be roughed-out with small chain saws and finished by sculptors working from 10 am to 2 pm.

From 2-4 pm, the blocks of ice will be on display at a location to be announced. The sculptures will be judged and a first prize trip to Toronto or Chicago will be awarded, donated in part by A&J Travel here in Manchester.

All-day Craft Show - Crafters from the surrounding areas will fill the Emanuel Church gymnasium from 10 am - 5 pm. The Women of Emanuel will provide snacks like coffee and cookies for sale all day long.

Special Mystery Guest Hockey Exhibition - We can't say who, but a few people who know hockey pucks almost personally will demonstrate from 2 - 4 pm on the ice-skating rink at the Gazebo Park.

Hot One-Dish Dinner 5-7 PM - The Women of Emanuel Church are cooking up something special for dinner to serve the crafters and anyone else who gets a craving for hot home-cooked specialties, served cafeteria-style in the Emanuel

### Winter, continued Church Fellowship Hall.

Old-Fashioned Barn Dance - After dinner from 7 - 11 pm, the Dick Gorlitz Band will take over the Emanuel Church gymnasium to get your blood moving with rompin', stompin' good old country music. Dick might even call a square or two. This is a good way to work off all that terrific food you just ate!

If this sounds good to you, please bundle up and join your neighbors as we celebrate the good things about winter at the first Winter Festival in the Victorian Village, Saturday, February 12, 1994. The Winter Festival is a great new reason to visit and shop here, keeping our community economically thriving in February, while honoring the reasons why Manchester is so special. Please join us!

For information or booth rentals call Deb, 428-8586 or Teresa, 428-8173 (9-5).

### "THE BIRD" GOES TO BAT FOR SPECIAL OLYMPICS

Mark "the Bird" Fidrych will pitch in again to help the Wertz Warriors reach their 1994 goal. The Warriors are a group of 56 snowmobile riders, with a support crew of 20, who will ride 925 miles throughout Michigan for the 13th year to raise funds for the 1994 State Winter Games. This year, the Snowmobile Endurance Riders have been asked to raise \$280,000 to pay the on-site costs of the Winter Games.

Participating in the Opening Ceremonies and giving these rides to the Special Olympians is the high point of the week for the Warriors.

"The Bird" was all-star pitcher with the Detroit Tigers during his phenomenal rookie 1976 season. His antics—talking to the ball and grooming the pitching mound—

### OLD-TIME ICE HARVEST AT CROSSROADS VILLAGE

A traditional winter activity of the 1800's, the annual ice harvest, will be reenacted at Flint's Crossroads Village, Saturday, February 5. Admission to the Village will be free and visitors can join in the harvesting of massive blocks of ice from Mott Lake.

Other scheduled activities include ice skating, wagon rides, spinning and weaving demonstrations, a model train exhibit, and a children's Valentine-making party.

The Village's 1912 carousel will be operating as will the ferris wheel, weather permitting. Hot food and drinks will be available at the Cider Mill. The Huckleberry Railroad will not be running.

Hours are 11 a.m.-4 p.m.. However, there must be at least eight inches of ice to conduct the event. Please call 800/648-PARK to check on ice conditions.

Crossroads Village is located just north of Flint, off I-475 at Exit 13.

earned him recognition and the nickname "The Bird" around the league. Fans loved him and he drew record crowds, but his baseball career ended prematurely due to a severe shoulder injury.

Fidrych rode with the Wertz Warriors last year and will again ride a snowmobile this year with

the Warriors. The Warriors leave Mt. Clemens Feb. 6, and stay overnight in Oscoda, Houghton Lake, Grayling, Traverse City, Gaylord and Alpena. The ride ends in Mackinaw City on Saturday, Feb. 12 where a check will be presented to Michigan Special Olympics.

### Knights of Columbus Crown Free Throw Champions

Seven boys and girls from Manchester, aged 10 to 14, were named local champions of the 1994 Knights of Columbus International Free Throw Championships and have earned the right to compete next at the district level. Fr. Edwin A Fisher K of C Council, No 4354, in Manchester sponsored the local competition at the Middle School. All youngsters from ages 10 to 14 were eligible to participate.

Michael Fuerstnau was the winner of the 10-year-old boys' division. In the 11-year-old bracket of the competition, Abra Wise was the girls' champion and Eric Walter was the boys' champion. The twelve-year-old winners in the girls' and boys' divisions were Ellen Supers and Ben Grenier. The thirteen-year-old girls' division was won by Amy Gall and the boys' by Billy Alber. Each contestant was allowed 15 free throw attempts in the contest and ties were settled by successive rounds of five free

throws per contestant until a winner emerged.

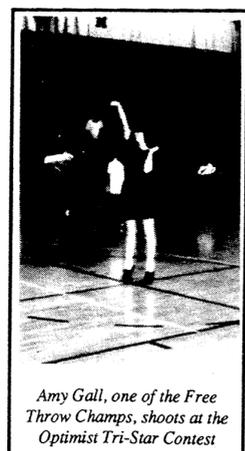

The Knights of Columbus Free Throw Championship is sponsored annually by the K of C and consists of competition at the local, district and state level. International champions are determined based on scores at the state competitions. Last year more than 212,000 boys and girls participated in 3,099 local competitions. Local winners will compete in the district competition to be held February 11, 1994 at the Manchester High School Gym at 1:00.

The Knights of Columbus is an international, Catholic, family, fraternal service organization with over 1.5 million members in 10,000 local councils. In 1992, Knights donated 40.5 million man-hours of volunteer time and \$92.3 million to charitable and benevolent causes, sponsoring programs to benefit their Church, councils, communities, families and youth.

### FRIDAY NIGHT FEVER

-as reported by Shane Goodell, Dan O'Dell, and Brandon Woods

In the fall, it's football. Come winter, BASKETBALL is becoming something to cheer about.

On Friday afternoon, the Leadership Class put on a rousing pep rally at the high school for the culmination of "Coming Home Week". There were lots of activities happening with many of the student body participating in the pep assembly games. Some of the games were "spin on the bat" - stand a bat straight up, spin ten times around, then shoot a lay-up. Try again....

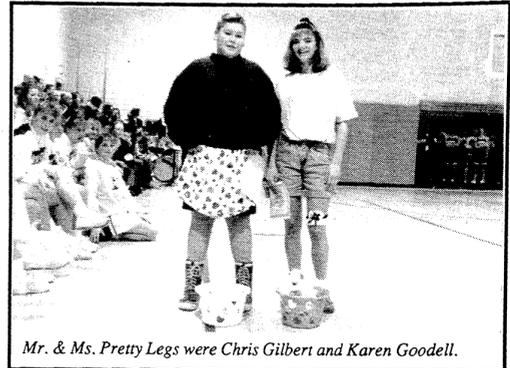

Shaving the balloon was perhaps easier. Shaving cream was spread on a balloon, and participants were given thirty seconds. Whoever had the least amount of shaving cream on their balloon was the winner of this game.

"Toss the Grape" - Partners tossed chocolate-pudding-covered grapes to each other. Winners were the team who caught the most in their MOUTHS in 45 seconds.

The Pie Shoot Out was sort of like the OK Corral. Four pairs of contestants stood in corners. Each pair shot baskets - the one who missed got a shaving cream pie in the face. The battle of the sexes was well matched. Winners were: Chris Gilbert 1, Renee Foster 0, Amanda Erskine 1, Geoff Brooks 0, Andrew Schook 1, Laura Griffin 0, and Kerri Keller 1, Kevin Phelps 0.

At the game that night was the Mr. & Ms. Pretty Legs contest. Two couples from each class participated: Chris Gilbert & Karen Goodell, Ed Cruz and Michelle Schaible, Aaron Novess & Nicole Bisard, Geoff Brooks & Melanie Kapa, Shane Goodell & Amber Burkhardt, Adam Erskine & Kerri Keller and Phillip Leder & April Butterfield. Winners were Chris Gilbert & Karen Goodell. Watch for these legs on Main Street!

To wrap up the Coming Home events, there was a Football Raffle - the football was signed by Gary Moeller and Bo Schembechler. The raffle was won by Nick Rose.

Mr. & Ms. Pretty Legs were Chris Gilbert and Karen Goodell.

### THE ART OF ICE SCULPTURING

by Marsha Johnson Chartrand

French chefs began the art of ice sculpturing more than 200 years ago. The first art sculptures were basic designs used as functional food holders to keep food cold during service time for elaborate buffets. Russians learned the art from French chefs at the turn of the eighteenth century.

The first well documented ice palace was built as a setting for a monstrous joke. On the frozen river Neva, in the winter of 1739 through 1740, a shivering bride and groom spent their wedding night in a building of ice. The palace was designed by an architect commissioned by the Empress Ann Ivanovna. The Empress built this palace to express her jealousy for an old lover who had run off with a peasant girl. This was her way of punishing the couple by making them spend their honeymoon night in an ice castle. The palace was complete with ice cannons that actually fired and a bedroom with a vanity, dresser with mirror, table, chairs and a canopy bed all made from ice.

The Japanese chefs picked up the art of ice sculpturing from the French chefs in the last thirty years. Just recently the Japanese have been considered the masters of the art form. In Japan ice sculpturing is a full time profession, the sculptors carve wood in the summer and ice in the winter. In America ice sculpturing is a relatively young art form helping to revive the dying craft as part of the culinary profession.

Come to the Manchester Winter Festival and see the art of ice sculpturing in person. "Chef Dave", Dave Woodring from Chelsea Community Hospital, will demonstrate the art at Wurster Park on Saturday. He will begin at 10:00. We will also have two apprentices from Maude's restaurant in Ann Arbor.

Ice sculptures are commonly started with chain saws and the fine work is done with a special tool which looks like a five-pointed ice pick. Each sculpture takes approximately two hours to complete.

**Learning the Skills of Basketball**

Participants in "Learning the Skills of Basketball" pass the ball while spectators cheer them on - just like the real thing  
Community Education has been sponsoring a program entitled "Learning the Skills of Basketball." Coached by Johnny Williams, John Crispin, and members of the boys' Junior Varsity basketball team, third through sixth graders have an opportunity to learn about the fundamentals of the game.  
A five week program which began January 28 and runs through March 5 (skipping the "President's Weekend" break), the group is split up into third and fourth graders, who play from 11:00-11:50, and fifth and sixth graders, who play from 12:00-12:50. Boys and girls play together at the Manchester High School Gym.  
The program's objective is stated, "To develop and enhance the basic skills of basketball, to practice good sportsmanship and to acquire a life-long appreciation for the game of basketball." To that the kids would add, "and to have fun!" The photograph evidences that this is happening on a big scale.

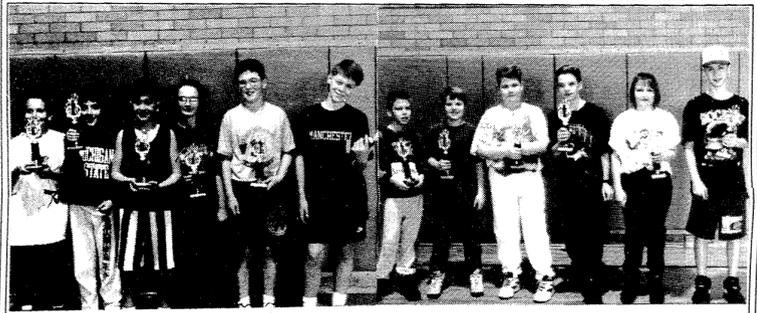

**Optimist Tri-Star Basketball**

For about 25 years, the Manchester Optimist Club has sponsored the "Tri-Star" Basketball Skills Contest.  
Lynn Niehaus has been directing the activity for ten years with help from many other Optimist members. This year, those involved were Mary Anne Fielder and Carol Wiethoff, calculating times and doing paperwork; Dick Fielder, Bob Lowery, Bill Kwolek, Bill Peterson, Mark Van Bogelen and Jeff Wallace helped in running the three segments of the contest.  
Bob Lowery has been working with Tri-Star basketball each year since its inception, and is still enjoying every minute of it.  
The three skills that are evaluated in the tri-star contest are passing, shooting and dribbling. Boys and girls from 8 to 13 compete against others in their own age groups. No special equipment or fancy dress is required - the Optimists stress that "all that is needed to participate is the desire and a pair of gym shoes."  
Each participant received a patch and the first three place winners (within every age group) received a trophy.  
Once again, this proves the Optimists' commitment to Youth in the community, and to the Community of Manchester at large.

# Editorial / Opinion

2/4/1994  
To the Editor  
The Manchester Enterprise

It was good to see (in the Manchester Enterprise, Feb. 3) the picture of members of the first Shakespeare Club. I would like to correct the identification of Mrs. Emma Lehman, who actually stood third from the left, in the back row, not fifth from the left, as the writer has indicated below the picture.

Emma Lehman was my aunt, the wife of Fred Lehman, who was associated with the People's Bank from early in the century until his death in 1964. Aunt Emma, who had been in a wheel chair for fifty years—but was still active in the Methodist Church and in the Shakespeare Club, among other activities—died only a few days before my uncle. They were married in 1905.

The Shakespeare Club, based on Alpha Sigma, a cultural society many high school girls had been a part of at Manchester High School in the late 1800's, demanded scholarship and a wide range of interest from its members. My mother, Elsie Feldkamp Reno, was a member when I was growing up at Pleasant Lake. Aunt Emma (Reno) Lehman continued to attend until her death. I have early membership booklets from both of them. Their schedule of reading and presentations often reads like an agenda for a modern college course.

Elaine (Reno) Watson

The picture of the Shakespeare Club was generously loaned to us by the Manchester Township Library. I checked with Librarian, Dorothy Davies, and an anonymous historian who, at some time in the past, had named the women in the photograph, will now stand corrected. If anyone has further information about the names of Shakespeare Club members, please contact the library at 428-8045; they will be very grateful to hear from you.

## NOTICE BRIDGEWATER TOWNSHIP Homestead Exemption Affidavit

Property owners in Bridgewater Township should receive a Homestead Exemption Affidavit in the mail during the week of February 7. This form must be completed by each owner of a homestead in order to be taxed at a lower school property tax rate on the property during the coming year.

Owners of additional farmland property that is classified by the assessor as agricultural should file a separate affidavit for each additional parcel. That property may be eligible for the reduced tax rate as well. The outcome of the ballot proposal on March 15 will determine which rules will apply, that is, which properties will be eligible for the reduced rate.

Mail the completed affidavits by March 1 to:

Bridgewater Township  
PO Box 6  
Bridgewater, MI 48115

If you do not receive the affidavit by February 18, call Douglas Parr, Supervisor, at (313) 428-8243 (day) or (313) 428-8776 (evening), or Carol A. Peacock, Treasurer, at (517) 456-7303.

## Manchester Township Notice

Due to Scheduling Conflicts, the Manchester Township Board will hold its regular meeting for February on Tuesday, February 15, 1994 at 8:00 pm in the township hall, 275 South Macomb Street.

Kathleen M. Hakes  
Manchester Township Clerk

## NOTICE OF PUBLIC HEARING SHARON TOWNSHIP ZONING BOARD OF APPEALS

PLEASE TAKE NOTICE a public hearing will be held at 7:30 PM on Wednesday, February 16, 1994 at the Sharon Township Hall, 18010 Pleasant Lake Road, to consider an application from Chris Roberts-Antieau for a variance from the Sharon Township Zoning Ordinance. They are requesting a variance to construct a residence on a setback of less than the required distance from the property line on Tax Parcel #015-16-400-005 commonly known as 6000 Sylvan Road, Manchester, MI.

Please direct written comments before Feb. 14, 1994 to: Sharon Township Zoning Board of Appeals, Jan Imonti, Chairman, 17500 Sharon Valley Road, Manchester, MI. 48158.

## Last Day to Register to Vote Monday, February 14, 1994

for  
**SPECIAL ELECTION**  
Tuesday, March 15, 1994

TO: Qualified Electors of Bridgewater, Freedom, Manchester and Sharon Townships  
NOTICE: I will be at my office to register qualified electors and amend registration records:

**Bridgewater Township**  
by appointment or after 4:30 pm  
13360 East Austin Road

**Freedom Township**  
by appointment  
13785 Pleasant Lake Road

**Manchester Township**  
8:30 am-12:30 pm  
275 South Macomb St.

**Sharon Township**  
by appointment  
8440 Chelsea-Manchester Rd.

If you have moved recently, you must amend your registration record.

Election is being held to vote on the following proposition:

### PROPOSAL A

A PROPOSAL TO INCREASE THE STATE SALES AND USE TAX RATES FROM 4% TO 6%. LIMIT ANNUAL INCREASES IN PROPERTY TAX ASSESSMENTS, EXEMPT SCHOOL OPERATING MILLAGES FROM UNIFORM TAXATION REQUIREMENT AND REQUIRE 3/4 VOTE OF LEGISLATURE TO EXCEED STATUTORILY ESTABLISHED SCHOOL OPERATING MILLAGE RATES

The proposed constitutional amendment would:

- 1) Limit annual assessment increase for each property parcel to 5% or inflation rate, whichever is less. When property is sold or transferred, adjust assessment to current value
- 2) Increase the sales/use tax. Dedicate additional revenue to schools.
- 3) Exempt school operating millages from uniform taxation requirement.
- 4) Require 3/4 vote of the legislature to exceed school operating millage rates.
- 5) Activate laws raising additional school revenues through taxation including partial restoration of property tax
- 6) Nullify alternative laws raising school revenues through taxation including an increase in income tax, personal tax exemption increase and partial restoration of property taxes.

Should this proposal be adopted?

Yes   
No

Published in compliance with Sec.498 of Michigan Election Law and M.C.L.A. 211.203(3) that being part of Michigan Property Tax Limitation Act.

Karen Weidmayer, Clerk, Bridgewater Township

Announcements

Tecumseh Youth Theatre announces auditions

Tecumseh Youth Theatre will hold auditions for its March production of THE EMPEROR'S NEW CLOTHES. Students from throughout the area are encouraged to participate. Past participants have come from Tecumseh, Clinton, Britton, Blissfield, Manchester Onsted and beyond. The production is open to all students grades 3 and above and will be directed by Jolly Foster, an Adrian College student.

THE EMPEROR'S NEW CLOTHES is a classic story for young people and contains a very modern message about vanity and morality. The Tecumseh Youth Theatre version was written by Karen Boettcher-Tate and offers parts for 25-35 people. Auditions for the show will be held February 9 and 10 at the Tecumseh Civic Auditorium rehearsal room. Auditions will run from 3 pm until 5 pm although large crowds may prolong the schedule. Preparation for auditions is unnecessary. Ms. Foster will use a variety of improvisational techniques for the show, and prior reading of the script is needless. Participation in the production is free.

As in past Tecumseh Youth Theatre productions, adult and student help will be needed behind the scenes. Those interested in participating in technical aspects of the show or helping with publicity, promotion, etc. may contact the Civic at 423-6617. A public meeting will be held on Sunday February 13 at 2 pm to discuss technical and front of house activities and to continue Long Range Planning for Tecumseh Youth Theatre.

For more information about Tecumseh Youth Theatre or other Tecumseh Civic Auditorium activities, please call the Civic box office at 423-6617.

Consumers Power Increases Telecommunication Capacity

Consumers Power Company's recently upgraded telecommunication system has more than doubled the utility's phone call capacity, allowing customers greater access during outages and other emergencies.

The new system boosts call capacity from 4,400 to 10,000 calls an hour and provides more timely outage restoration information because of faster digital processing equipment, call-overflow capabilities among service centers statewide, additional phone lines and voice response units. "The new system enables our customer service representatives to process more information, more efficiently — which is critical during major storm outages," said Paul A. Elbert, the utility's senior vice president of energy distribution. "The faster we receive information from the field, the more quickly we can restore power."

The system upgrade is part of a commitment Consumers Power made to customers and the Michigan Public Service Commission following the July 7, 1991, storm that left more than half a million people without power. Days after the storm, many remained without power

and thousands had trouble even reaching the state's electric utilities to report the problem.

"The improvements we've made in our telecommunications system are among the many steps Consumers Power is taking to improve customer service," Elbert said.

The telecommunications system upgrade, implemented company-wide last year, features a Rockwell Automated Call Distributor (ACD), Voice Response Unit (VRU) and a statewide 800 customer service phone number. The ACD, the same type of equipment used by television's Home Shopping Network, routes calls to available customer service representatives across the utility's service territory. With the help of the utility's VRU, a customer with a touch-tone phone can report an outage, obtain billing information or determine the nearest pay station, among other options.

Though the telecommunications system is greatly improved, customers attempting to reach the utility during a major outage may get a busy signal. Sometimes as many as 30,000 customers call during the first hour of a storm outage. Please be patient and keep trying.

Historical Society Program Explores the History of Love

"There is only one happiness in life, to love and be loved." George Sand

The Manchester Area Historical Society invites you to join us on February 15, 7:30 pm, at the Blacksmith Shop, for a special commemoration of Valentine's Day, "The History of Love in the 20th Century".

So far no one has dug up a valentine sent from Neanderthal Man to his no-brow sweetie. In fact, no one can be absolutely sure when love was first recognized as a supremely important human experience. However, even if we feel the same emotion as our ancient ancestors, we don't express it the same way — yesteryear's freshly slaughtered deer haunch, a likely expression of favor toward Cro-Magnon maidens, has been replaced with today's computer-chip valentine. What happened in between? With the 21st Century just ahead, it seems an appropriate time to pause briefly to consider the evolution of love in American society.

Our guest speakers will have approximately 10-15 minutes to share with the audience personal memories of their courtship, including their expectations about "perfect romance", the typical kind of date that was popular in their generation, and advice they might have about keeping love alive.

The meeting will begin with a short business update at 7:30pm. The program will be introduced around 7:45 pm with a 10 minute videotape which describes the social environment that shaped American lives in three key time periods: the beginning of the 20th century (early 1900's), the mid-point of the century (1950's) and the era in which today's parents probably grew up (1960's).

The video clips will give some idea of the changing ways Americans lived, the time they had to give to thoughts of romance and courtship, their personal goals, and the way — they were likely to spend time together as couples. The historical backdrop will provide a frame of reference to the personal stories of our speakers, Lou and Elvira Vogel, Mary Smolinski, Renee Wackenhut, April Butterfield and Christine Walter.

The program will be videotaped for inclusion in the Manchester Historical Society Archives, documenting the life and times of our community. If you have any questions, please call 428-8586. Deb Havens

SCOUTS HOLD COURT OF HONOR

BY: Bill Kwolek

Troop 426 held their first court of honor for the 1994 season on January 11. The ceremony honored scouts for rank advancement, earning merit badges, good attendance, and appointments to positions of leadership. Will Roberts and Brad Kemner were promoted to patrol leaders with Jeremiah Tobias and Dave Staten as their assistants. Willy Slocum advanced in both tenderfoot and 2nd Class ranks. Dave Sweeton and Dave Staten received the Communications merit badge, scout Staten also earned the Citizenship in the Country badge, and Jason Campbell was awarded the Safety merit badge. Brad Kemner, Jason Campbell and Dave Sweeton were presented attendance awards.

Assistant Scoutmaster Skip Slocum encouraged the troop's four boys with the Life Scout rank to persevere in their effort toward Eagle. Troop 426 is distinguished in the proportion of Eagle Scouts to lower ranks. The four scouts are all within 2 of the 21 merit badges required. Nationally, only 2% of boys entering Scouting earn the rank of Eagle.

Health Check-ups for Children

Physical exams for children from 2 months-12 years of age are available at the Washtenaw County public Health division's Well Child/Medicaid Screening Clinic. The exams include immunization, lab test and an opportunity to talk with a nurse about the child's health. A donation of \$0 - \$35 is requested.

Exams are also available for Medicaid recipients up to the age of 21 years. The clinic is located at 555 Towner, Ypsilanti, room 110.

A report of the physical exam may be used for day care, school or camp.

# Freshman Basketball Team Offers "Signs for Life" Locally

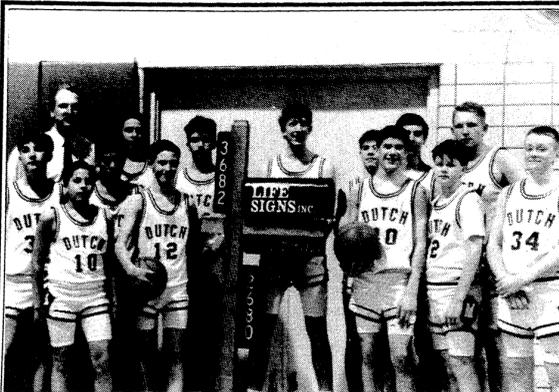

-by Marsha Johnson Chartrand

The Freshman Basketball Team has been working very hard this year, for more reasons than one.

First, they are a team "against the odds". The Freshman Basketball team would not exist if it weren't for the dedication of these students, their parents, and their coach, Marius Grazulis. Funding was cut from the school budget two years ago for Freshman Basketball, along with a few other sports. Only one Freshman made the JV team this year, and if these boys sat out a year, it would be hard for them to get back off the bench next year. So, Freshman basketball has to be self-supporting. They need to raise approximately \$2,000 to fund the sport. The Athletic Boosters are paying the bill, and Freshman parents are paying the Boosters back.

Second, the guys have 6:30 am practices, as long as the season lasts. They (and their parents) get up at ungodly hours so they get to practice around everyone else's schedule. Any of us who regularly get up before 6:am know how hard that can be!

Third, to raise the required amount of money, the guys are selling "Life Signs". These signs, which you have probably seen along the road over the last few months, are intended for the rural community. The intention is to make it easier to find rural homes if it is necessary to make an emergency call. Sgt. Carl Werner stopped in

L-R, front: Angelo Petrino, Ryan Roberts, Nick Woods, Jim Donnellon, Jason Miner. L-R, back: Jon Way, Brad Kemner, Danny Alber, Micah Jefferson, Ben Morgan, Ryan Fielder, Nick Baran, and Landon Burkhardt. BACK: Coach, Marius Grazulis

to let the Enterprise know that the Sheriff Department supports this project 100%. The signs are also strongly endorsed by Acting Fire Chiefs Gale Koebbe and Gary Wiedmayer, of the Manchester Township Fire Department. "Being able to find the house in an emergency can make all the difference in a quick response," commented Sgt. Werner.

Extra Forms for the Life Signs can be picked up at the Sheriff's station in town, and can also be dropped off there. They will make sure the Freshman Basketball Team gets your order. "We will do everything we

can to make this project work. We would love to see everyone have one of these signs," added Werner.

In case you've been living in a cave, and haven't seen the Life Signs, they are made from the reflective green metal used in highway signs. They have white reflective numbers, and attach to a mailbox or any post, letting passers-by or emergency vehicles know where to find you house. According to Rachel Burkhardt, one of the parents who's been putting the signs together as orders come in, "those numbers REALLY stick".

The signs sell for \$20.00

each and include the 6x18 sign, a double set of numbers, and two screws and washers for post installation.

Rachel Burkhardt says, "We couldn't do this without the support of all the parents. Without the parents' support in this fund-raiser, there would be no basketball for

these kids."

Credit also needs to be given to Coach Grazulis, whose own hard work is motivating the players to continue in the face of some pretty difficult circumstances! The boys are gaining experience which will benefit them in future years. Grazulis is in his first year of coaching; we hope it won't be the last.

Adrian College Dean's List

Two Manchester students were among the 255 named to the 1993 Fall Dean's List at Adrian College.

To achieve this honor, a student must maintain a 3.5 grade point average on a 4.0 scale, and carry at least 12 credit hours of classes.

Jason Gillow, a junior majoring in business administration/management, and Matthew Wiethoff, a freshman planning a major in chemistry, were the local students so honored. Jason is a 1991 graduate of Manchester High School, and the son of Robert Gillow of Manchester and Terry Gillow of Saline. Matt is a 1993 graduate of Manchester, and the son of Carol Wiethoff.

Adrian College is a highly regarded, independent liberal arts institution.

Curtain Going Up...

Curtain Going Up!, the Manchester High School spring production, has been cast by Director June Weiland. The play concerns the hilarious obstacles encountered by Miss Burgess, novice play director at the fictional Riverview High School.

Adult roles will feature Christine Walter, Ryan Haskins, Sharon Bihlmeyer, Michael Kessler, Diana Kruse, Jessica Smith, Linda Saunders, and Jennie Sahakian. Student roles will display the talents of Katrina Bihlmeyer, Joe Tobias, Brandi Bradley, Hillary Horodeczny, Andrew Schook, Andrea Clark, Amanda Erskine, Doug Meeks, Katie Tolen, and Mark Schulte.

Mark your calendars now for the March 18 & 19 performances of this delightful comedy for the whole family. Tickets may be purchased from cast members and at the door at each evening.

Benjamin Randall Baker

Randall and Mary Beth (Meyer) Baker announce the birth of their son, Benjamin Randall Baker on December 28, 1993 at 8:59 am.

Benjamin weighed 7 pounds, 13 ounces, and was 19-3/4 inches long.

Benjamin has one sister, Marlena Carol Baker, his proud grandparents are Mr. & Mrs. Bruce Baker of Petersburg, MI, and Mr. & Mrs. Elvin Meyer of Ann Arbor. Great-grandmother is Mrs. Lucille Hallstein of Petersburg.

Justin David Hill

Justin David Hill was born January 27, 1994 at 8:41 pm in St. Joseph Mercy Hospital, Ann Arbor. The son of Steven and Rachel (Young) Hill of Saline, Justin weighed 7 lbs 11 oz and measured 20-1/2 inches at birth.

Grandparents are Harold and Janette Hill of Saline and Linda Young of Ann Arbor.

JUSTIN PORTER NEW MEMBER OF AMERICAN ANGUS ASSOCIATION

Justin Porter, Manchester, Michigan, is a new junior member of the American Angus Association, reports Dick Spader, executive vice president of the national organization with headquarters in St. Joseph, Missouri.

Junior members of the association are eligible to register cattle in the American Angus Association and take part in Association sponsored shows and other national and regional events.

The American Angus Association is the largest beef registry association in the world, with over 24,000 active adult and junior members.

Sweet Adelines

Several members of the Irish Hills Sweet Adelines chorus enjoyed learning and harmonizing at the Lake Erie Region #17 Winter Preserving Harmony Weekend January 28-30 at the Radisson Harbor Inn in Sandusky, Ohio. Guest Faculty Karen Koch, Sweet Adeline International President, was an inspiration to all of them.

Classes included vocal skills and vocal production, choreography, copyright laws, public relations, and arranging. They also enjoyed performances by the Glitz Singing Club, New Renditions, City of Flags chorus, Toledo Seaway chorus and Towns of Harmony chorus.

Donna Burnison and Lois Arnold attended from the Brooklyn/Manchester area, as well as the director, Harold Miller, from Jackson. Six members also attended from Adrian.

The chorus welcomes three new members: Elizabeth Sullins and Joan Sullins from Adrian, and Janet Bayes from Blissfield. Any women who like to sing are encouraged to visit rehearsal and aged to visit rehearsal and start learning new music! Call 265-7024 or 263-5511 for more information, or just come to rehearsal at 7:00 p.m. at the Potter Center in Adrian.

SENIOR CITIZENS NEWS

- by T.V. Ludwick

I suppose I will be glued to the television set shortly to watch our Olympians compete. All that energy they expound makes me tired just watching and these kids do their 'stuff' like professionals. Think of the training! One columnist came up with "Skategate" in describing the attack of one skater on another and we wonder how it will come out. There are still a whole lot of good kids out there doing their jobs without all that publicity, go for it.

Thursday, February 10: Craft class is held at the Center at 9:30. Then Jan and crew are planning a Valentine dinner for us who are 55 or more at Emanuel's dining room at noon. Today is also Chinese New Year (the year of the lion, we hear), do you suppose the cooks will base their meal on one of these? Come see, you never know about Jan. Call in your reservation to Jan at 428-7630 before 10:30 on meal days, or to Linda (ahead) at 428-8359.

Saturday, February 12: Winterfest in Manchester begins in the morning and finishes with a barn dance from 7-11 PM. Come one and all.

Monday, February 14: This is the day to give your sweetie a hug or something special, what will it be? Pig Calendar says: "Swill crazy for you after all these years, Valenswine".

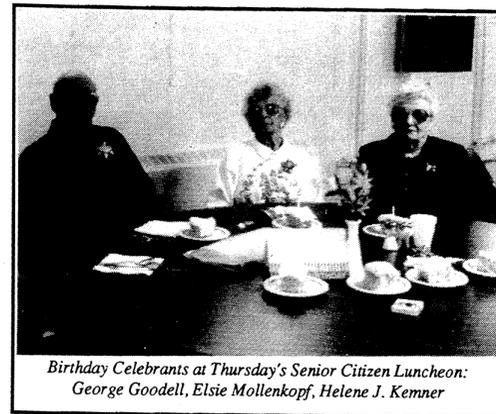

Tuesday, February 15: Shrove Tuesday's clergy's presentation begins at 11:15. The menu for senior meal features BBQ chicken (can 'pig' out on that). Center activities begin at 12:30 and you can help.

Wednesday, February 16: Attend the church of your choice or the community service at Sharon U. M. at 7:30. Six more weeks 'til Easter—time is going fast!

Thursday, February 17: Craft class at 9:30, beef stew at noon with bingo to follow in on the agenda for today.

Looking ahead to Saturday, February 19: Fun night

HYPOTHERMIA - TROUBLE FOR OLDER PEOPLE

Helen Meyer, who also celebrated her February birthday last Thursday

Cold weather can be bothersome for many people, but older persons may especially be at risk for complications. When the body temperature falls, hypothermia results. This condition can be deadly.

"Severe hypothermia can cause an irregular heart-beat leading to heart failure and death," says Dr. Evan Hadley, Associate Director

of Geriatrics, at NIH's National Institute on Aging (NIA).

Accidental Hypothermia, a new pamphlet from the Institute for older people, their families, and friends, outlines safety tips and suggested treatments for hypothermia. Remember these important facts:

• Hypothermia affects older people more often than younger people.

• Hypothermia is dangerous, and should be taken seriously.

• A person suffering from hypothermia is often confused, sleepy, or can have slurred speech.

• Older people are at risk of hypothermia not only in cold weather, but in mildly cool temperatures.

• Alcoholic drinks, certain illnesses, and some medications can affect the body's ability to regulate temperature.

• If you suspect a person to be suffering from hypothermia, keep him or her warm and dry and get immediate medical care.

For a free copy of Accidental Hypothermia, write to the NIA Information Center, P.O. Box 8057, Gaithersburg, MD 20898-8057.

MANCHESTER HIGH SCHOOL BLOODMOBILE

This coming Tuesday, February 15, there will be a bloodmobile at Manchester High School. This drive is for the students who are 17 years old or older.

This is an opportunity for you to give something to someone else and it only costs you some of your time.

Is the thought of donating a pint of blood scary or maybe even a little repulsive? It need not be. You only need to think of the people you will be able to touch by your gift.

So, if you have donated before, come and do it again. If you've never done it, why not give it a try? Bring a friend - the more the merrier.

Hope to see you on Tuesday.

Also, I missed some people who received pins at our October, 1993 bloodmobile. They are Michael Smith and Steven Donham, 1 gallon pins; Jeannine Uphouse, 4 gallon pin; Lynn Gonyer, 6 gallon pin and Elizabeth Gonyer, 8 gallon pin.

The next community-wide bloodmobile will be on Monday, March 7th at Manchester United Methodist Church, from 1 pm until 7 pm. Mark your calendars.

Resolution

WHEREAS, the success and prosperity of this nation and the State of Michigan depends on the quality of education our youth receive from elementary through high school; and

WHEREAS, within an educational environment the school principal is recognized as the instructional leader and as the key factor in effective and productive learning in the classroom; and

WHEREAS, the principal's leadership skills and abilities directly affect the performance of teachers striving to achieve their goal of quality instruction for every student; and

WHEREAS, these professionals not only direct the activities within their school, but also act as the liaison between the school and the community it serves, making sure that parents and taxpayers are aware of the school's undertakings and achievements; and

WHEREAS, the week of February 13 through 19 is dedicated to recognizing the significant contributions of Michigan school principals to their schools and to the education of our youth;

THEREFORE, the Governor of the State of Michigan does hereby declare February 13-19, 1994 as PRINCIPAL'S WEEK in Michigan and encourages all citizens to support the efforts of the school principals in their communities.

PISTONS AND BUILDERS SQUARE KICK-OFF SCHOLARSHIP PROGRAM

The Pistons and Builders Square have teamed up to provide high school students with financial assistance for college. The Builders Square/Detroit Pistons Scholarship Program will award twelve \$1000 college scholarships to local high school seniors.

The program is open to high school seniors who live in counties where Builders Square stores are located, including Washtenaw County. To apply, seniors must submit an application form, a high school transcript, SAT or ACT scores, one letter of recommendation from a faculty member, and an essay (500 words or less) entitled, "The Importance of a College Education." Applications must be received by Thursday, March 31, 1994.

Scholarship applications may be obtained at local Builders Square stores, from high school guidance counselors, or by writing Builders Square/Detroit Pistons Scholarship, Community Relations Department, Two Championship Drive, Auburn Hills, MI 48326. For more information, please contact Robyn Jones or LaShawn Boyce at (810)377-8245.

The Middle School Wants YOU!

The hustle and bustle of Science/Social Studies Fair preparations are again underway at Nellie Ackerson Middle School. Sixth and eighth graders are continuing to do science projects while fifth and seventh graders are doing social studies projects.

These projects will be displayed and evaluated during the week of February 27, with phase 2 judging taking place on Wednesday March 2. We are inviting all who have been judging the fair to continue, but need some new volunteers to assist. If you have some background or interest in science or social studies and can volunteer a few hours of your time on March 2, please contact Nondus Buss at the middle school (428-7442) as soon as possible. Leave a message with the secretary, including whether you wish to judge science or social studies, and you will receive further information. People who judge once almost always always to be invited back again. Join us for an enjoyable experience.

MANCHESTER COMMUNITY SCHOOLS SCHEDULES MAKE-UP DAY

State law requires that all Michigan K-12 public schools be in session at least 178 days per year. As a result of the most recent ice storm and the cancellation of school on January 28th, one day of classes will need to be made up for all Manchester students.

Representatives of the Board of Education and the teachers association have agreed to reschedule the day for Monday, June 13, 1994. Additional cancelled school days will likewise be made up in June.

Klager Kids' Bear Stories!

I have a very special Bear. What makes him so special is that my mom and dad got this bear for me when I was just a little baby. My mom said I slept with my bear every night in my crib. I can't remember this, but I sure do love my bear. Michigan's Summer Institutes Open to 10th and 11th Grades

This summer ten colleges and universities will again host the Michigan State Board of Education Summer Institutes for the Arts, Sciences, and Technology. The institutes team with the excitement and energy generated by some of Michigan's most enthusiastic learners, educators, artists, scientists, and specialists from business and industry. Highly motivated 10th and 11th graders are invited to participate in the Institutes.

Former participants rave about their experience at the Institutes. One 1993 participant said, "This Institute was the best thing that ever happened to me. I encourage anyone to attend." Another said, "This Institute has opened my eyes to what I can be in the future."

The registration fees are supported with State Aid and Carl Perkins Act funds as well as local funds from Manchester's gifted and talented program so students would only pay a \$25.00 fee. Applications may be picked up in the high school guidance office. The deadline for return of the application will be February 28, 1994.

Volleyball

Manchester Whips Warriors 15-2, 15-2

MHS Spikers traveled to Grass Lake High School on January 31st for a quick and painless victory over the Warriors. Manchester dominated the match from the very first service whistle, led by the serving of Amber Burkhardt, Kathleen Baran and April Butterfield. The Dutch never trailed and returned home with yet another Conference victory.

MHS Volleyball Adds Non-Conference Win

Manchester played host to the Eagles of Columbia Central and sent them flying home with a defeat in two games (15-7, 15-8). The Dutch used a powerful offense combined with an aggressive defense. Sarah Riske and Kathleen Baran tied for kills with six each while Tracy LaRue assisted 14. Kathleen also led the team in digs with 7, Laura Alber had 6 digs and Sharon Goodell chipped in five. Liz Bragg led all servers, scoring six points on six aces.

Ida Outlasts Dutch in Tourney Finals

Manchester was defeated by Ida in the finals of the Ida Invitational Saturday, February 5, by the scores of 15-6, 15-5. Coach Barb Stein stated, "...Ida played really well and deserved to win. They have a couple of girls who can really pound the ball!" The Dutch seemed to run out of steam toward the end after defeating Dexter in the semi-finals in three tough games 15-13, 9-15, and 15-6.

Manchester placed second in their pool with a record of 5 wins and three losses to Ypsilanti Lincoln.

Stein praised her defense for being very tough and playing scrappy all day. Stat leaders for the day were: Sarah Riske 51 kills, 12 solo blocks and 48 digs; Kathleen Baran 14 solo blocks, 49 digs and 52 for 54 serving with 30 points; Liz Bragg 23 digs and 34 service points with 15 aces; and Tracy LaRue with 85 assists and 52 for 54 serving. -Adrienne Wallace

JV Basketball

Tuesday, February 1 Manchester 67 Onsted 68

Before a packed house of enthusiastic fans, the junior Dutchmen lost a heart-breaker in overtime. Down seven points at half-time, Manchester stormed back behind the scoring of Zach Maghes to tie the score at 61-61 at the end of regulation play. Besides leading all scorers with 31 points, Maghes contributed to all six of the Dutchmen's overtime points, including a three-pointer. However, they came up one missed free-throw shy to net another overtime. Mike Mann and Aaron Garrett both added ten points apiece and Trevor Schleicher and Joe Hollosy had six points apiece.

Friday, February 4 Manchester 58 Napoleon 57

The J.V. Basketball team had their second thrilling game of the week, only this time with more satisfactory results. With two seconds left on the clock, Mike Mann was fouled as he attempted to unlock a 57-57 score. Missing the front end of a two-shot foul, Mike calmly sank his second attempt as the gym exploded.

Up 39-21 at half-time, the J.V.'s squandered this 18 point lead only to come storming back behind Aaron Garrett's 24 point performance. Garrett hit five 3-point bombs to set the stage for Mann's heroics.

Tuesday, February 1 Manchester 60 Onsted 52

Manchester was facing their second unbeaten team in a row against Onsted and was still without their leading scorer and rebounder, senior Tom Fielder. Tom had severely sprained his ankle. Down 34-37 at the end of the third quarter, the Dutchmen stormed back in the fourth quarter, scoring 26 points to the Wildcats' 15.

Then Mike Barnard hit a three pointer to start a 13-2 attack that the Dutch never relinquished. Henry Earhart and Matt Fielder pounded the ball inside while Troy Niehaus picked up all eleven of his points.

"We got it to the open man," coach John Wilkins said of the winning drive. We got some nice interior passing and inside shots. We handled the press and that was a key. We had one bad stretch at the beginning of the second quarter, but everyone played a solid game. The kids felt they had to redeem themselves after the loss [to Hanover-Horton].

Manchester switched its defenses during the first half, but kept to a 2-3 zone after the intermission and limited Onsted to 22 points.

Brandon Woods led Manchester with 14 points, three assists and five steals. Niehaus added 13 rebounds and three assists. Fielder had 13 points, Bamard 9 and Earhart contributed 7. Onsted can be very proud of their fans. Not only are they very vocal but are also knowledgeable about the game; a true "sixth man" advantage.

Friday, February 4 Manchester 51 Napoleon 41

The first time the Dutchmen faced Napoleon this season, back in early December, Napoleon bombed Manchester with three pointers. This time the Pirates' perimeter shooting was shut down with only three connections all night.

Brandon woods had an outstanding game, leading all scorers with 25 points and with 13 rebounds and four steals. He hit a basked with the first half ending at the buzzer. Brandon also showed the home crowd a new weapon in his arsenal: The "high rainbow".

"Offensively, we started out real slow," stated coach John Wilkins. "But we played real well defensively. Defense won it for us. When you hold someone to 41 points, you better win." Wilkins got great playing time from Andy Winzenz, who hustled at both ends of the court and scored 11 rebounds. Mike Barnard dished out five assists.

If at first you don't succeed, try, try again. BUT Don't beat a dead horse.

MANCHESTER WRESTLING

As I looked at the schedule at the beginning of the year, I thought to myself this would be a great time to evaluate our Wrestling team. With Addison the 4th ranked team in the State, Chelsea and Lumen Christi which are both Class B schools and the last squad would be a Class A powerhouse, Belleville.

Addison would be our first test; which I thought we passed, even though the score didn't seem that way. We went down by the score of 48-18. Steve Spurr got things going with an early first period pin, followed by Jay Eiss with another pin. After these two matches things started getting exciting. Ryan Eiss took one of Addison's State qualifiers down to the last seconds of the 3rd period before losing on a controversial call at the end - which would have tied his match - but instead he lost 6-4. Our next Barn Bumer came at 135 as Mike Bunn took another State qualifier into the closing seconds of the 3rd period only to come up short on a great effort, losing 4-2. Brent Woods finished out our scoring with a pin of Randy Mapes (who had placed 8th in the state last year) in a good match.

Even though they didn't win, Mike Croghan and Bryan Duvall both had good matches. For me, the best thing to come out of this was a compliment I received from the Addison coaches on how well our kids had wrestled that night; which is nice to hear from opposing coaches. Saturday rolled around and I was very optimistic about our chances, even though we had tough competition. Lumen Christi was our first foe as we

scored early and often to build a lead with wins from Steve, Jay, Ryan and Joe Tobias followed by Brent, Bryan, Mike Croghan and Eric Anderson as we came away with victory by the score of 43-26. Next came the shel-lacking from Belleville. This team is definitely for real, as they came out and handed us a defeat by the score of 41-18. Our only winners were Jay Eiss with a pin while Ryan Eiss and Joe Tobias won on points and Eric Anderson closed out the scoring with a pin. To let you know how good Belleville was, they beat our three top wrestlers even though our kids wrestled tough against them.

Last but not least came the most exciting match of the day, as we battled Chelsea in a close one all the way to the finish - getting wins from Steve, Brent and Bryan who all rebounded well after tough losses to Belleville, collecting two pins and a hard fought win. It all came down to the big boys as Brian Ash stepped out on the mat with the Dutch trailing by two points. Needing a victory in his match to win the meet, he came through with flying colors pinning his opponent in the second period and securing the victory for the Dutch.

This brings our season record to 13-5. We had three undefeated wrestlers Saturday with Jay Eiss, Joe Tobias, and Eric Anderson winning all their matches. Next week, we finish up our league with Vandercook Lake on Wednesday and the league Tournament in Michigan Center on Saturday where wrestling begins at 10:00. See you there.

## Local Student puts Theory into Practice

by Marsha Johnson Chartrand

When Rebekah Jackowski learned the Heimlich maneuver a few weeks ago in Health Class, she never dreamed she would be using it in a dramatic rescue effort.

Rebekah was just sitting at the bakery after school last Wednesday, "telling Sandy about my Science Fair project", when suddenly they noticed three-year-old Brittany Boughton choking on a piece of hard candy. Her grandmother, Bonnie Colter, was trying desperately to dislodge the candy by hitting her on the back, and turning her upside down. Unfortunately, this was only helping momentarily; as the piece became dislodged, Brittany would breathe in and the candy would get stuck again.

Rebekah "just wanted to help Brittany," and remembered the instruction she had received in Ms. Gay Perry's health class right at the end of the last marking period. While Bonnie quickly took Brittany's jacket off, Rebekah grabbed her from behind and performed the Heimlich on her. The candy came out right away.

"It was great that Rebekah knew what she was doing," said Sandy King. "Brittany could not breathe at all and it was very frightening. I had dialed 911 while Rebekah began helping. Fortunately, it wasn't needed."

According to Ms. Perry, teaching the Heimlich maneuver is part of the Michigan Health Model for eighth graders. "It is

Rebekah Jackowski and Bonnie Colter. Grandmother Bonnie was so grateful, she brought Rebekah flowers on Thursday.

Brittany Boughton is fine now, thanks to Rebekah's quick action.

Ms. Gay Perry, Middle School Health teacher

particularly gratifying to have one of my students learn this and be able to save a life with it." Most eighth grade students will find their basic health program advantageous while baby-sitting or otherwise being around small children.

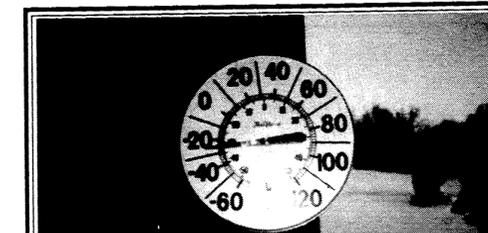

How does the heroine feel about the publicity she's receiving from family, friends and the community? "Everyone is making a big deal about it. It really wasn't a big deal; I just did it because I wanted to help Brittany."

"It really made Ms. Perry's day, when I told her about it though. She told a lot of people,

and now everyone at school is asking about it."

Rebekah was getting a lot of attention at school and the bakery on Thursday. She seemed rather embarrassed by the scrutiny, as would any 14-year-old. But her actions are deserving of special notice.

This story points out the importance of learning Heimlich and other basic first aid techniques, especially CPR. None of us knows when we may be called upon to do something dramatic in an everyday situation. Knowing how to respond can make the difference between a happy ending and tragedy.

It wasn't long ago that the thermometer looked like this. With warm weather we haven't seen for two months arriving this week, we can finally enjoy the outdoors again.

## First Winter Festival attracts a Cool Crowd

A dragon captured in ice captured first place in the Ice Carving contest - artistry by Chef Dan Huntsbarger of the Gandy Dancer in Ann Arbor

The Manchester Chamber of Commerce sponsored the first Winter Festival in Manchester last Saturday. Activities were planned to feature Manchester as the beautiful Victorian Village it is.

On Main Street, visitors to the Gazebo were treated to a display of fanciful, elaborate ice artistry. Judges from the Manchester High School art class, Andrea Clark and Kathleen Battle, selected the

winners. Dragon, First place - by Chef Dan Huntsbarger of the Gandy Dancer; Cat and Birds, second place - by Chef Todd Stapnowski of Maude's in Ann Arbor, and Swan & Angel, Third place - by Chef Dave Woodring of Chelsea Community Hospital. Prizes were contributed by Manchester merchants, including A & J Travel, Wash on Wheels and Haarers Meeting Place. (Cont. page 8 & 9)
