Change in Trash Contractors in store for Village Residents

The Village of Manchester officially awarded their garbage contract to BFI at their Monday, February 6th meeting. BFI will replace Laidlaw who has been the Village's contractor for the past five years.

Although several companies had been contacted and some of them showed interest in the bidding process, by the deadline only BFI and Laidlaw had entered official bids. A third company, D's Container Service, declined the opportunity to bid as they felt the cost of maintaining \$5 million in liability insurance was too high. The Village remained firm that the policy was a necessary portion of the bid.

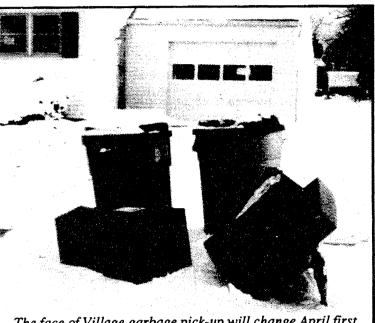

"We think we are offering Village residents the best service at the best price," commented Jeff Wallace after the council accepted BFI's bid.

The current cost per month to residents is \$7.20 according to our month-to-month contract with Laidlaw, which has been extended since September 1994. With Laidlaw continuing our pick-up, the cost would still have been \$7.20 per month, increasing to \$7.56 in 1996 and \$8.03 in 1997.

BFI's bid to the Village was \$6.35 the first year, \$6.58 in 1996 and \$6.83 in 1997. So customer costs will decrease by 12% beginning with the April water bill.

Curbside pickup of white goods, which would take place on a quarterly basis, will be covered by the tipping fees we get from the County DPW.

The face of Village garbage pick-up will change April first

"Tipping Fees" or "host fees" are received by each community based on population from waste contractors, for the privilege of using a landfill based in that locality. Washtenaw County's Arbor Hills owned by BFI and therefore BFI must pay 3% per year of their annual gate revenues. Arbor Hills is the state's largest landfill and takes in more than \$30 million per year at the gate.

The fees help communities to pay for local recycling programs, pickup of roadside dumping, household hazardous waste collection and public education programs. Manchester's case, receiving in the neighborhood of \$10,000 in tipping fees means that the village will have funds available to handle the costs of these special pick-ups, including compostables.

"Compostables are probably the most complex of the issues we faced in outlining the services we as a village needed," admits Wallace. BFI's bid on this item of the contract was higherthan Laidlaw's. As many may be aware, beginning on March 1, 1995 it will no longer be permissible to place any compostable materials in landfills in the state of Michigan. Therefore, alternate means of dealing with the problem need to be sought.

Alternatives currently being used by some residents include shredder/chipper machines, mulching mowers, and home composting. However, these alternatives are not viable for every resident. Many people cannot afford or simply don't want the expensive machines available. Others may not want to bother with or don't have room for a compost pile in their yard.

Wallace notes that 33 gal-Landfill in Salem Township is lon double layer paper bags will be available for purchase at local stores, for fall leaf pickup, small branches, etc. This is part of the Village's agreement with BFI - that the compostables will be bagged in paper. Grocery bags will also be acceptable, but if you have a lot of leaves, they may not be practical. The contract calls for four events at Village discretion. "Even paying the \$3800 out of our pockets, should the tipping fees not materialize for any reason, the costs could be offset by our savings by not picking up leaves ourselves," adds Wallace. The Vac-all used for leaf pickups is not really made for that activity, he explained. Using DPW employees and prisoners more effectively during those months, and not having repair bills to the vac-all caused by leaf pickups, will certainly offset the cost of BFI pickup.

A mailing list will be deveoped, using the names of all people who receive a Village water bill. From this list, BFI will circulate a flyer explaining the changes in pickup which will commence on April 1. Those who own rental property have a responsibility to inform their tenants of changes in policy. According to the terms of the contract, BFI will also establish and publish an 800-number for reporting problems.

Manchester Community Schools **Board of Education**

Manchester Community Schools' Board of Education meetings are scheduled to be held in the High School Media Center on the third Monday of each month. Meetings begin at 7:45 PM. Special meetings are also held throughout the year to discuss issues that arise.

We here at the Enterprise try to address the school board on issues which we feel are important to the community. But maybe we don't reflect your point of view. Some of you have come in and shared your concerns and questions with us. We hope you will also share those ideas with the members of the School Board. They are OUR elected trustees to run OUR Schools.

Your Board members for the 1994-95 school year are:

President: Paul Kluwe 428-2000 Vice President: Bruce Abbott 428-8805 Treasurer: Wayne Winzenz 428-7125 Secretary: Patricia Sahakian 428-7029 Trustees: John Hochstetler 428-9100 John Ochs 769-6031 Joseph Turk 428-9260

If you have any concerns about our schools, please feel free to contact any of these members of your school board to discuss your ideas.

Michigan Livestock Exchange Hosts February Chamber Meeting

Have you ever wondered just how Manchester's Michigan Live Stock Exchange operates? Now you have a special opportunity to find out mor about the business - which is linked with others in Indiana and Ohio - when Chamber of Commerce Member Michigan Live Stock hosts our February meeting.

We'll gather at the Live Stock office (9610 M-52) at 11:AM on Wednesday, February 22nd, and enjoy a complete tour, with plenty of opportunities to ask questions. The Live Stock Exchange runs a regular auction every Monday, plus managing direct sales daily, and also conducting on-farm auctions.

There will also be a very brief Chamber business meeting.

After our meeting and tour, all Chamber members are welcome to stay for lunch at Kim's Kountry Kitchen, the restaurant located right on the Live Stock Exchange grounds. We'll order off the menu (no reservations required), and Kim's will be offering two specials priced under \$5.00

Make it a point to come and see how one of our larger local businesses operates!

Second Front Page: Home Delivery

The Egg Lady Cometh

When we were all a bit vounger, delivery people were common. Before the days of Meijers and 24 hour convenience stores, and before the time when we would drive to Ann Arbor at the drop of a hat, there were people whose trade was service and home delivery.

Remember them? The ice man - for those who remember when refrigerators were "ice boxes"? Then there was the milk man. I know our family had a milk man but I don't have a clear recollection of him, although I remember the insulated metal box which sat on the porch. Returnable milk bottles were put out at night and replaced with fresh milk in the morning. I do remember the Twin Pines Milkman who came to my grandma's house. "Mike" came probably twice a week with not only milk but ice cream and other dairy products. Mike was part of life at grandma's house. Later, his son, "Young Mike" took over the route.

Believe it or not, we still have our own version of Mike, the Twin Pines milk man, here in Manchester. Instead, though, we have Dorothy, the egg lady. Dorothy Mahrle is the traditional farmer's wife who brings her eggs to town weekly. She has been doing home delivery for over 25 years in Manchester and Saline.

Dorothy and her husband, Floyd, live in Bridgewater Township on their farm. Some 125 chickens provide them, and much of the rest of the community, with eggs. "I usually deliver

between 30 - 40dozen eggs a week, Dorothy told us.

Dorothy and Floyd have always been farmers. Although at one time Floyd was also employed at Double A Products, they still

farmed. "What I couldn't do during the day, he would do when he came home at night, " Dorothy explains.

Although they never had a family of their own, Floyd and Dorothy's farm was for several years a haven for the foster children who lived with them. Their longest term as foster parents was 5-1/2 years, and they still hear from a couple of those "children" several times a year.

Many people probably don't realize there is a difference between farm eggs and

store bought ones, but those of us who are "spoiled" by Dorothy's eggs sure notice it. When we have to buy eggs from the store, it is easy to tell which is which. And iust knowing that the eggs you eat for Saturday breakfast could have been laid as recently as, say, Friday morning, really gives a perspective on "freshness".

As recently as a few years ago, Dorothy was one of several "egg people" in the community. With the retirement of Elvin and Lena Meyer Freedom Township a while back, Dorothy remains the only home (or office!) egg delivery person in Manchester. Others in the area may still hang out a sign inviting you to stop by.

Floyd's been what it

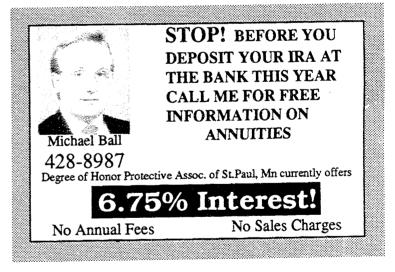

over the past year, so some Marsha Johnson Chartrand

of of the older hens who aren't laying as well didn't get replaced last fall. Consequently. Dorothy has slowed her own pace - there just aren't as many eggs to deliver some Fridays. But things look to be improving, and come spring, she'll probably get some new pullets and her customers can once again look forward to a bounty of eggs.

When you see Dorothy on the streets and side roads of Manchester, remember the health hasn't tradition she represents - and be glad that we live here, ought to be where that tradition survives.

Out & About

Gar's back, probably to the chagrin of garlene who so ably filled my space and apparently her own with all that pigging out!

9300 plus miles and six weeks on the Chrysler odometer, not to mention my backside, which is 9300 miles broader. The weather was cold and snowing when I departed and very cold and snowing when I returned so things in Michigan hadn't changed much.

Traveling the southwest and western states was a great treat. Temperatures varied from 8 below zero at the Grand Canyon to 80 degrees in Phoenix. California, San Francisco, was rain, rain and more rain. Remembering the TV news showing the earthquake damage in 89 Hooked around for visible signs of the damage. Other than one two level expressway which had not been reopened or apparently rebuilt there was nothing evident to show a quake had occurred.

At a little bagel shop, up the street from the motel, I asked two customers if they remembered the quake and what they were doing at the time. One responded that the bed started to shake and shook for 45 seconds or more. I couldn't get up! I was on the bed against the wall and was showered with pictures and knick-knacks from a shelf. I was unable to comprehend what was happening, for a moment, then I thought the house was going to collapse around me.

The other person setting at the table was becoming very nervous and beads of sweat appeared on his forehead. He said; I have been in Korea and Viet Nam, wounded twice, in several fire fights, served on the police force and was shot at; but never, in all my experiences, have I felt so helpless and so terrified at the time. I have been unable to sell my condo for what I have invested or I would be out of here.

East of San Francisco at Kelsey, family friends have a beautiful home overlooking the Sacramento Valley. I stayed a few days with them. Last fall a fire, set by an arsonist, came within just a few hundred feet of their home. The burned trees stand stark and naked, brush burned and ground still bare gave witness to another of California's tragedies. It truly is a beautiful state but buy property on the east side of the San Andreas fault and some day you will have ocean front land and view.

Love Michigan. Would some one please turn up the HEAT!

Dear Editor,

A few months ago I wrote a "letter to the editor". At that time I had become tired and dissolutioned in looking for a contractor to do some remodeling on our old farmhouse. When I gave my letter to Emory he said he would print it but he also gave me a few more names. Well I called the first name, not expecting much, but surprise! he called me back. Not only did he call but he showed up at the house to look at what I wanted on the day and time he said he would. And then he actually called three days later with an estimate! I could not be happier, because as I sit here and write this they are here cutting a wall apart to make more room for our family. Steve Melcher is the Manchester contractor I called and Steve and his brother Dave are here creating a "silk purse out of a sows ear". I find Steve and Dave to be honest, considerate, hard working and dependable. Although Steve and Dave are here doing the work it is only fair that I mention that Mike Wackenhut saw my article and called me. He also came to the house when he sid he would. Once again thank you to Steve and Dave Melcher for their quality customer service as well as a quality job.

Sharon Township Proposed Synopsis Regular Board Meeting

February 2, 1995

The meeting was called to order at 8:00 PM by Supervisor Savage. All other Board Members were present. The Zoning Inspector, Planning Chairman, Vice Chair, and five township residents and Michigan Consolidated Gas Representative Ganz were also present.

Minutes of the 1/5/95 meeting were read and approved as read.

The treasurer's report was read and approved.

The Supervisor reported that SEV for residential property increased by 5.5% and agricultural 4.8%. However, the proposal A cap for inflation is 2.6% which is the limit for Taxable Value Increases.

Motion made, supported, and carried the Township pay fees to retain John Savage and Lorraine Dunny as certified assessors.

The Michigan Consolidated Gas Franchise Ordinance as revised by Attorney Laidlaw was read by the Supervisor. Motion made and supported the Township pass this ordinance. Roll call vote taken with all members voting yes.

Trustee Blumenauer reported the gravel roads have been very hard to maintain this winter because of extreme changes in temperature. Our road committee and other board members will meet with County Road Officials this month to outline road improvements for 1995. The Road Commission has proposed new guidelines for driveway and approach installations.

The Material Extraction Ordinance proposed for adoption by area townships was discussed. Motion made, supported and carried this document be reviewed by our attorney for possible needed revisions.

Zoning Inspector Bruce Thomson reported three land use permits issued during January. He stated he has problems verifying past land splits because of absence of records.

Sandra Thomson presented a plan for revising the Zoning Ordinance by integrating amendments, omitting language that is now obsolete, and research minutes for possible omissions, that should have been listed as amendments. Estimated time 6 months, cost \$3,000. Motion made, supported, and carried to proceed with the work.

Planning Chairman Tom Lavender reported Robert Burkhardt will represent the Planning Commission on the Zoning Board of Appeals for term ending 1/1/97.

Property Tax Poverty Exemption will be acted on during the March Township Board Meeting.

Recycling update was given by the Supervisor.

There will be a county Department of Public Works meeting at Sharon Townhall on February 23. Public is welcome.

Savage, Feldkamp, and Dunny attended the MTA convention in Detroit recently.

There were other items not requiring Board action.

Outstanding bills were presented and all ordered paid by The Board. Being no further business the meeting was adjourned by the Supervi-

Submitted by Duane R. Haselschwerdt Approved by John A. Savage

OBITUARIES

Walter E. Blumenauer

Walter E. Blumenauer, 74, of Manchester, passed away at Chelsea Community Hospital on February 7, 1995. Walter was born in Sharon Township on June 7, 1920, the son of Theodore & Bertha (Ernst) Blumenauer. On December 6, 1941 he was married to Elsie Loeffler and she survives.

Walter was a member of Zion Lutheran Church and a member of Washtenaw Farm Bureau. He was a former employee of the Michigan Livestock Exchange. Walter spent his working years as a farmer in the Sharon and Freedom Township areas.

Besides his wife, Elsie, Walter is also survived by two sons, Mark & Shirley Blumenauer and Loren & Sharon Blumenauer, both of Manchester: three daughters. Ruth Blumenauer at home, Joyce & Roy Lockhart of Jackson, and Alice & Jerry Merritt of Jonesville; twelve grandchildren; 10 step grandchildren; five great grandchildren; one brother, Willard & Ruth Blumenauer; one sister. Doris & Bob Eisenhauer; and one sister in law, Thelma Blumenauer, all of Manchester.

Walter was preceded in death by his parents, and one brother, Erwin.

The Blumenauer family received callers at the Jenter-Braun Funeral Home on Thursday, February 9, and funeral services were held on Friday, February 10 at 1:30 PM from the Zion Lutheran Church with interment in Zion Lutheran Cemetery following. Rev. David Hendricks ter new year. was the officiant.

Those wishing an expresfamily may make memorial contributions to Individualized Home Nursing Care, Inc., Zion Lutheran Church, or the Blumenauer Family.

Rudolph W. Boelter

Rudolph W. Boelter, 85, of Brooklyn, formerly of Manchester, passed away at his home on February 8, 1995. Rudolph was born in Ecorse, Michigan, on July 2, 1909, the son of Herman & Augusta (Priess) Boelter. Rudolph spent over 25 years with the Washtenaw County Road Commission before retiring. He was a member of St. Paul's United Church of Christ in Saline.

Rudolph is survived by two brothers, Marvin (& Hilda) Boelter of Tecumseh and Herman (& Rubena) Boelter of Manchester; two sisters, Esther (& Robert) Luckhardt of Manchester and Myrtle Boelter of Lansing; and several nieces & nephews.

Rudolph was preceded in death by his parents, and four sisters, Edna, Lillian, Evelyn & Elsie.

The Boelter family received callers at the Jenter-Braun Funeral Home in Manchester on Friday, February 10th. Funeral services were held on Saturday at 11 AM. Interment will take place at Oak Grove Cemetery, Taylor, Michigan, at a later

Those wishing an expression of sympathy may make memorial contributions to Hospice of Lenawee or St. Paul's United Church of Christ in Saline.

The New Year is a starting point, but it doesn't remain new very long. Soon it will be on its way to becoming an old year. Now is the time to make it a bet-

God knows your propensities and possibilities. He knows what sion of sympathy for Walter's you should do and where you should be. In life's earliest choices and later changes, none can guide as He.

God knows your future. You may presume, but He can predict. He's always in charge. He loves you and wants what's best for you.

Place your hand into His hand and experience His guidance and guardianship.

Meetings

Manchester Area **Historical Society**

The February meeting of the Manchester Area Historical Society will be held on Tuesday, February 21 at 7:30 PM at the Blacksmith Shop, E. Main Street, Manchester.

Our topic for the evening will be Railways. Del Ludwick and Glenn Lehr will share with us their memories of the trains through Manchester and Celia Davison of Clinton, president of the Southern Michigan Railroad Association, will tell us about the creation and activities of that Association. We hope that some members of the audience will also share memories or anecdotes.

We look forward to an interesting evening with refreshments being served afterwards. Nonmembers are always welcome at our meetings, too.

King's Volunteers

The Manchester King's Volunteers will met on February 23rd at 1:00 PM at the Manchester United Methodist Church.

Nellie Uphaus will be hostess. assisted by Elta Clark. Olive Feldkamp will lead devotions.

Guests are always welcome.

Masonic Lodge

Manchester Lodge #148 will hold an Entered Apprentice Degree, Monday, February 20th at 7:30 PM

The American Legion Auxiliary met at the Legion Home on February 8 with 21 members present. The meeting was called to order by President Schiel. Roll Call was taken by the Secretary and the minutes of the February 8, 1995 meeting were read, corrected and approved.

Joyce Stein brought several Valentine cards to meeting for signature of membership which she will forward to patients at V.A. Hospital in Ann Arbor. Also, Joyce is asking for volunteers to work bingo party at V.A. Hospital in March and also to bring personal care items to March meeting for distribution to patients at this time.

Plans underway for Auxiliary 75th Anniversary dinner/ dance. Invitations will be mailed and notice placed in local newspapers with details.

Refreshment committee for March meeting will be Judy Hoeft, Linda Jacob and Mara Knasiak.

The meeting was adjourned at 8:30 PM with a prayer by our Interim Chaplain Vivian Middlemiss.

Childbirth Method Taught in Local Classes To be Featured on **National Talk Show**

On Thursday, February 16, 1995, The Susan Powter Show will discuss "Birthing" and will feature "The Bradley Method". Classes are available from your locally Certified instructors, one is Isabelle Yingling. The show will air locally on Channel 4 at 12:30 PM

The Bradley Method offers a course in childbirth education which is unlike any other. Bradley classes teach couples how to give birth naturally. Their comprehensive course takes expectant parents through a study of the natural process of birth. Couples are taught how to work with their body to avoid unnecessary pain and how to make their labors as efficient as possible.

The Bradley Method encourages active participation of the husband (or other person of the mother's choosing) as coach. The classes provide excellent coach's training. The simple, effective techniques taught in Bradley classes can turn any caring partner into a great labor coach.

Bradley classes stress the importance of natural childbirth as a goal. Bradley classes prepare couples for the challenge of labor and birth so well that they are able to boast an amazing 87% unmedicated rate. This is a success rate that no other childbirth method can match.

Parenting Workshops

EFFECTIVE PARENTING FOR THE 90's is a five part workshop series presented by the Community Resource Center and Manchester's Drug Free Schools committee. The workshop is scheduled for February 15, 1995 6:45 at Emanuel United Church of Christ Dining room. Request for Information Forms are available in school offices, local churches, banks, and the Community Resource Center. Fill out the form and drop off or mail to the CRC. The cost is \$15.00 per person and \$10 for additional family members. Baby Sitting will be provided.

Pre-registration is important, so that enough materials are available for the class.

Workshop units will include information in the following areas:

• The importance of parents as role models

· How to establish a basis for the development of capable people through nurturing and affirmation.

· The importance of early effective parenting to prevent problem behavior from developing.

· How to deal with specific behavioral issues such as curfews, grounding, and grades at school.

· How to encourage the development of healthy self esteem

Plus much, much more!

One comment from a parent who participated in the December workshop was, "I'm listening to my kids better. They are precious and I want to treat them that way. I appreciate them more and they talk to me

Another person remarked that in addition to affecting changes at home, you get to meet a lot of other parents and spend some pleasant evenings working together.

The goal of the workshop is to assist parents with development of skills that can be used in the day to day management of families while creating an environment of love, support, and encouragement for their children.

Manchester Summer Little League

At the conclusion of the 1994 Manchester Summer Baseball/Softball season. coaches, parents and even the coordinator hired to direct the program expressed unhappiness of the state of our program. Throughout the fall of 1994, interested coaches and parents attended several meetings in which it was decided to reorganize our summer baseball/softball

In past years, the summer recreation department had hired a coordinator who would oversee and direct the baseball/softball program. There had been five different coordinators in the previous six years. This had helped to fester a program lacking in direction, continuity, growth and instruction. Mr. John Riske has served as coordinator for the past two years; and he has had a positive impact. Through his honesty he has shed light on many of the problems we have mentioned above.

Last year there were about 370 children involved in the summer baseball/softball program. As our community grows, so too will the number of children involved. To make this a positive experience for the children, we need your Support, input, effort and patience to accomplish the goal.

This year's board members are: President, Mark Roberts; Vice President, Ron Punches; Treasurer, Steve McCalla; Trustees Mike Leverett, Dennis Rose, Phil Maly, Wayne Tervo and Terry Walter.

Campbell- Diuble Wedding

CAMPBELL-DIUBLE

Angela Campbell and Scott Diuble exchanged wedding vows August 13,1994 at Bethel United Church of Christ in Manchester.

The ceremony, performed by Rev. Richard Hardy, united the daughter of Andrew and June Campbell of Manchester, with the son of Ronald and Peggy Diuble of Ann Arbor.

Honor attendants were Sherry Rickelmann, friend of the couple, of Roseville, California (formerly of Manchester) and Jeff Butts, friend of the couple, of Saline.

Serving as bridesmaids were Cheryl Blumenauer, friend of the couple, of Manchester; Denise Blumenauer, friend of the couple, of Manchester; Molly McGuire, friend of the couple, of Manchester; and Karla Lutton, friend of the couple, of Manchester. Tiffany Weisenreder of Saline, was the flower girl.

Groomsmen included Kevin Ernst, friend of the couple, of Ann Arbor; Dan Blumenauer, friend of the couple, of Manchester; Dan Campbell, brother of the bride, of Manchester; and Bryan Diuble, brother of the groom, of Ann Arbor. Ushers were Michael Diuble, brother of the groom, of Ann Arbor and Kevin Diuble, brother of the groom, of Ann Arbor. Justin Winter, cousin of the groom, of Saline, was the ring bearer.

Following the ceremony, a reception was held at the Washtenaw Farm Council Grounds in Saline. Hostesses for the reception were Kathy Feldkamp of Manchester, Jennifer Bailey of Manchester; and Lori Kind of Saline. The wedding cake was cut and served by Liz Swaney, the bride's aunt, of Saline; Linda Roberts, the groom's aunt, of Ohio; and Judy Balyeat, friend of the bride, of Tecumseh.

The newlyweds spent their honeymoon in the Caribbean on a cruise. They now reside in Manchester.

Bailey's WATER (ARE 102 W. Logan Tecomoch 423-3515

by T.V. Ludwick

"The blue-and-white license plates that have hung on Michigan's cars and trucks for more than a decade are on their way out." This is a quote from Secretary of State Candice Miller and taken from the AA News. Whoopee, you say and though graphic design plates would add 50 to 80 cents to the current \$1 cost each, don't we all ask "Now, what will it actually cost us?" Time will tell and we really do need new ones, do you agree? She also states that current plates, in use since 1983, are boring and don't reflect Michigan's beauty. Some of us proudly displayed those 1976 Water Wonderland/wavy plates for some time on fronts of our vehicles. Are there some out there yet? Watch for a contest for best design and she hopes to announce details on a change before July. Now the problem of getting our old ones out of the brackets, ha ha.

Thursday, February 16: Exercise is getting fun at the Center since Milda's back. In answering her question "How far do we have to go?", she was given some unusual quips. Come and enjoy while you grunt and groan a little to Pat Patrick's steady routine. It begins at 10: 30 for 4 more sessions. Then, to Emanuel for lunch for seniors. Numbers of all who are 55 or older are growing and we welcome you, too. Our 'Mood Swing' lady cook is serving whatever her current mood dictates today, as it is Chef's Choice. Call Linda (ahead) at 428-8359, or Jan (before 10:30 on meal days) at 428-7630 to reserve your spot. Bingo follows at the Center, come.

Friday, February 17: Senior bus pickup begins at 6 PM to go to enjoy the Saline Senior Card Party. Call Erma Alber at 428-8707 and reserve on the bus. We do appreciate your many hours on the phone. Thanks, Erma.

Monday, February 20: A shopping trip is planned at Meijer's and Oak Valley Center in Ann Arbor. Bus pickup starts at 9 and you may go along by calling Erma.

Tuesday, February 21: We will have one of Jan and crew's specialities today meat loaf. It sounds like something "We'd eat at home", no way! The servings you get are not what you'd dish out at home. They are big, big and you always have plenty to eat to go along with their entrees (talk of groaning because you've overdone). We honestly can't believe we get so much food for such a reasonable price of \$2.50! Bulk shopping and some more management we aren't aware of, we are told. You are missing out if you don't come. Come to the Center to help out with current activities at

Thursday, February 23: Exercise Class begins at 10:30, see you there. Cooks will prepare chicken curry for our culinary enjoyment and you will love it. Then, on to bingo at the Center for all you who love it. Isn't it hard to believe that this month is nearly over? Of course, it is 2 or 3 days briefer in duration than other months, but where, oh, where do these months go? I'm eagerly awaiting the snowdrops' annual pushups through the snow. Come on, now!

Brooklyn Living Center to co-Sponsor **Euchre Tournament**

Teacher Profiles

Mrs. Janice Little

Janice Little of Klager Elementary School teaches second grade. She has been teaching for 25 years, 23 of which have been in Manchester. The other two years she taught in Chelsea.

Mrs. Little attended MSU for 4 years. She became a teacher so that she could help young children become better learners. Her parents felt that she should go to college to better herself.

The best thing about teaching for Mrs. Little is working with children, which she has always loved to do. There is no down side to teaching for Mrs. Little. Ten years from now, she would like to see the results of her work and to see her three Grandchildren grow.

Thank you, Mrs. Little, for doing the job you love so well.

Mr. Richard Fielder

Richard Fielder has taught at the Middle School for 19 years now. He received his degree at Eastern Michigan University. He also earned his Master's Degree there.

According to Dick, the best thing about teaching is, "When you see a kid finally learn a concept that they have been struggling with." The worst part of teaching for Mr. Richard is coming across kids who don't want to learn.

Mr. Fielder became a teacher originally just to coach, but now enjoys teaching more than coaching. Ten years from now he plans on being retired. That will give him time to do even more community work. Thank you, Mr. Fielder, for all your effort and time! P. Chapin

Selections from Mr. Krzyzaniak's & Mrs. Van Raden's Fourth Grade Composition Group

There are four seasons in one year: Summer, Spring, Winter, Fall.

During Winter, snow is on the ground. Kids are building snowmen. Thicker blankets are on the beds. Icicles are on houses It is too cold!

When Spring comes, all the flowers start to bloom. No more snow is on the ground. Birds and butterflies come to live again.

Next, Summer arrives. All the plants are green again. Kids are in pool all day. No more thick blankets are on the beds. It is too warm.

When Fall comes, no more leaves are on the trees. All the kids are raking leaves. The air is getting colder. Winter will be here soon.

Middle School Students Named Local Winners in Essay Contest

Three students from Manchester Middle School in Manchester have been named local winners in the 26th annual America & Me Essay Contest, sponsored by Farm Bureau Insurance.

The three students, who earned the first, second and third place awards for their school, are Elise Geyer, first; April Dixon, second; and Cheryl Pfaus, third. All three received award certificates for their achievement. As the school's first place winner, Elise Geyer's name will also be engraved on a plaque for permanent display in the school.

Elise's first place essay now advances to the state level competition, from which the top ten essays in Michigan will be selected. The top ten statewide winners, who will be announced in May, will receive plaques and U.S. savings bonds valued from \$500 to \$1,000. In addition, the top ten essayists will be honored at a banquet in Lansing and at a meeting with Michigan's top governmental leaders in late May.

A team of finalist judges that includes top governmental leaders will determine the top statewide winners.

Several thousand eighth grade students from almost 425 Michigan schools participated in the 1994-95 America & Me Essay Contest, which was conducted with the help of Farm Bureau Insurance agents across the state. The topic of the 1994-95 contest was "Why My Education Is Important To The Future Of America."

Started in 1968 and open to all Michigan eighth grade students, the contest encourages Michigan youngsters to explore their roles in America's future. As sponsor of the contest, Farm Bureau Insurance has earned 11 national awards from the Freedoms Foundation at Valley Forge.

JV Volleyball

The JV Volleyball Team has celebrated another win on February 9th. The Flying Dutchmen defeated Columbia Central: 15serving enabled the Dutchmen to take strong leads and then earn the win. Leading scorers were: Stacy Mann, 10; Michelle Schaible, 5; Karen Goodell, 5; Kelly Parr, 4; Jennifer Mann, 4; and Pam Preston, 4. The team has significantly improved their serving percentages throughout the season.

Outstanding setting was also a major contribution to the win. Pam Preston was 89% with 25 successful sets. Carmen Kapa was 81% with 13 sets. Often, setters are "looked over" in the game of volleyball due to the excitement of hits and kills by other team members. However, setting is very important in maintaining continuous contact with the ball and providing a set ball for the hitters. Setters work hard to "save" balls, therefore, they must be quick and energetic. Our 3 designated setters (Pam Preston, Carmen Kapa, and Stefanie Schulz) are outstanding athletes and contribute unique skills that are required for setters in the sport of volley-

Excellent hitting and block-6, 7-15, and 15-7. Consistent ing attempts were made by: Michelle Schaible, 6 hits, 3 kills, and 1 block; Becky Butterfield, 4 hits and 2 blocks; and Stacy Mann, 3 hits, 4 kills, and 1 block. Successful passing contributions were made by Karen Goodell with 9 and Michelle Schaible with 4.

> Many times statistics don't quite cover outstanding players who contribute to the success of teamwork. Ceara Brown excelled in all areas; serving 100% with 5 attempts and scoring 3 points. Joanna Dettling has improved throughout the season and recently has excelled as a front row hitter. She contributed 1 hit and 1 kill in the game against Columbia Central. Another key player is Sarah Gould. She contributes good passes, serves, hits, and most importantly teamwork. Ms. Gould is quite consistent and possesses outstanding athletic skills. She contributed 3 hits and 1 ace point. Lizzy Steele is a consistent passer and server. She assisted with 2 successful passes.

Varsity V-ballers go down

Last Thursday, the 9th, our Varsity Girls' Volleyball team faced the Addison Panthers at home.

The first game was tough for the Dutchwomen. The streaky behavior of Manchester caused the team to fall short.

The Dutchmen had to rebound in the second game to avoid an early defeat. The Lady Dutch turned up the heat and crushed the Panthers.

Now the match was to be decided in the third and final game. The Lady Dutch, after steamrolling Addison, dropped way behind, 13 - 5. Manchester's determination did not falter, however, and Manchester began coming back. Unfortunately the comeback was not enough and Manchester fell to the Panthers.

Manchester's next game is Saturday at Pickney. Be there to support your Dutchmen. -Patrick Chapin

Manchester Wrestling

decided to get down to some wrestling with Grass Lake, jumping out to a huge 24-5 lead after Jay collected five points dominating his foe. This will be the last home win of his Manchester career; he's still trying to close in on his hundredth

Ryan Eiss was our next winner as he came out with a big pin in the third period against a tough warrior. This, however, would be the last match for both the brothers, as well as for Steve Spurr for the week. All three would miss league because of the flu which really hurt, considering all three had a chance to win their weight classes. Bryan Duvall looked really good, as he tore apart a kid he had really never dominated before. But things were different this time, as a technical felled him by a score of 16-0 in the second period.

Joe Tobias brought us even closer with a pin. By this time the score was reading 30-22 in favor of Grass Lake with only four weight classes left.

Dustin Williams had his kid on his back for the whole first period but he couldn't quite finish him off; still getting his three points for a 7-2 victory. Ed Cruz knew what he had to do, and he pulled through for the team as he got an early first period pin to bring us ahead by a point. Knowing that we had to give up another 6 at 215, it came down to the heavy weight. With the big crowed that turned out, getting to the last couple matches we narrowed the margin. Brian Ash stepped out on the matt and pinned as the crowd went crazy. We came from behind in our most exciting match of the year, finish-

With Parent's Night over, we ing our regular season record at 9-

As Saturday came rolling along we took eight kids to Napoleon where we did well, bringing home two league cham-

Bryan Duvall beat Mike Burkhardt of East Jackson 4-3 in a close and exciting final, giving Bryan his second career League crown. Brian Ash also brought home the gold as he pinned both of his opponents on the way to his title. Joe Tobias came close but couldn't quite pull off the upset as he lost 4-3 in the finals to Jeff Schwartz of Napoleon who was a State qualifier last year. Our only other placer on the day was Ed who fought off the flu and came back to get revenge for an early season loss, advancing to the finals where he fell 10-3 in a match were he really gained a lot of confidence. Considering the kid beat him by 14 points last time they wrestled. Even though our other three wrestlers didn't place, they all wrestled hard. They were Adam Corwin, Severin Ritter and Dustin Williams.

Next week we've got our Districts. If we don't fare well there, it could be a short season for some of the kids. Hopefully we wrestle well in team Districts on Wednesday at Grass Lake. The meet starts at 5:00 so we can still practice as a team, even if some of our kids don't make it out of Individuals on Saturday at Napoleon, which starts at 10:00.

In closing I would like to thank everybody who came up to our last home meet and really brought excitement to the match. I think that really makes the kids feel good to see that many people cheering them on. Hope to see you at next week's big events.

Middle School Volleyball

The Middle School 7th Grade Volleyball team scrimmaged with Michigan Center last Monday. For the purposes of the scrimmage, the teams played 10-minute periods.

After six sets, the Seventh Grade girls were elated to be declared the victors in their first outing. The scores were 15-4.9-5, 11-5, 4-9, 10-4, and 11-8.

Scoring was led by Chrissy Abbott with 15, followed by Diana Dillon - 8, Rhonda Johnson and Brandy Aiken -5, Ellen Supers, Kari Binder and Meghann Way with 4 apiece, Erin Wiley, Annie Hinkley, and Danielle Croghan with 3, Elizabeth Sodt and Rachel Fleck with 2 points and Erin Fox with 1.

The girls are coached by Angie Diuble.
