Mary Korican Receives Achievement In Education Award

L-R: Linda Ebersole, Mary & John Korican, Optimist President Jeff Wallace

About five years ago, Manchester Optimists established a program to recognize the achievements of people involved in the education of Manchester youth. Nominations are open to teachers, staff, and administrators. This year, the award was presented to Mary Korican, a familiar and friendly face at our Middle School.

Mary has taught for 37 years and has been in Manchester since 1967. She formerly taught in Britton, Ferndale, Dundee and Tecumseh and has educated students from kindergartners through 8th graders. Club President, Jeff Wallace said she was his all time favorite teacher, and Secretary (former principal) Ted Tapping remembered with a

smile, the peanut butter cream pies her Home Economics students made.

Mary received her degree from Michigan State and says she has enjoyed teaching ever since graduation. At the end of this school year, she plans to retire. Her husband, John, is currently interim principal at the High School, and their son John is an Albion graduate in education.

Linda Ebersole presented the plaque and a \$150 stipend. Club members and guests gave Mary a well deserved standing ovation. When you see her at school or around town, let her know that she is appreciated. Thanks again Mary, for a job well done.

Toxic Bird Nests?

On Thursday, September 14 the fire alarm went off for an early morning run to Tower Automotive. The small fire was discovered to have been caused by a welding torch, used by a contractor, which ignited a bird's nest in the wall of the shop.

What seemed to be a simple call was soon more complex. The fire was extinguished before the arrival of the Manchester Township Fire Department. However, as the final truck was preparing to return to the station, Chief Gary Wiedmayer was alerted that a patient needed medical attention. The Tower employee was complaining of nausea and dizziness from inhaling fumes caused by the fire.

Although no insulation or other seemingly toxic materials had caught fire, several more em-

ployees appeared to have nausea and headaches ostensibly caused by the fire. All EMTs and first responders were called back to the site.

A total of 21 people were transported to three different hospitals. Two more Tower employees

who did not accept transport were treated by EMTs on site. Six ambulances were dispatched from locations in Washtenaw and Lenawee Counties. All patients were treated and released by the respective hospitals. -MJC

JV and Varsity Post Twin Wins

What is Green and White with Maroon and Gold all over it? The Manchester Dutchmen rolling over the Napoleon Pirates!

Thursday, September 14 the Manchester team traveled to Napoleon. It looked as though the game would never be played as the referees showed up late. Once the game was underway it was the Dutchmen all the way.

To cap off Manchester's first drive #89 Terry Coleman ran 55 yards for a touchdown. The kicked extra point was good and the Dutch led 7-0.

Napoleon may have wished that the referees hadn't shown up. The Pirates' drive culmi-

nated in a touchdown; however it was called back due to a clipping penalty. Another touchdown by Napoleon was also called back due to a holding penalty. At the end of the first quarter it was Manchester 7, Napoleon 0.

On another Napoleon drive, a pass was intercepted by #36 Nolan Westcott. Manchester then took over and #10 Mike Meranuck's pass to #30 Nick Niehaus resulted in the next Manchester touchdown. The kicked extra point was no good. At the end of the first half the score was Manchester 13, Napoleon 0.

The beginning of the third quarter, Terry Coleman dropped the kick off. He then picked it up

and ran 86 yards for the touchdown. The extra point kick was good this time and the score was 20-0, Manchester.

The "Dangerous Dutch Defense" this week included, #50 Jesse Jarels, #24 Bill Alber, #36 Nolan Westcott, #77 Levi Smith and #14 Justin Turk. These defensemen and others made Napoleon's drives short lived and non productive.

The last Napoleon drive ended when the ball carrier fumbled the ball and it was recovered by #66 Jon Hochstetler. Terry Coleman ran it in for the touchdown. The extra point try was no good. The final score was Manchester 26, Napoleon

Conquering the Mighty Mac

Ambrose Lentz

Manchester Residents Walk the Bridge

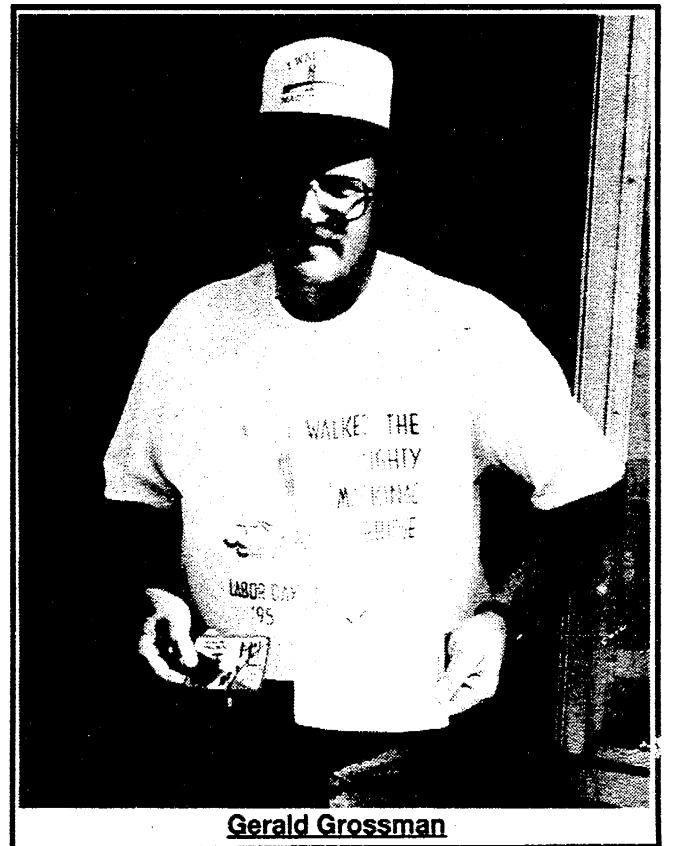

aret and Hannah - and Manchester native Gerald Grossman.

Gerald has accompanied three governors across the Mackinac Bridge in his 23 excursions since 1972 - Milliken, Blanchard, and Engler. He always arrives up north on Saturday and spends both Saturday and Sunday relaxing on his own. For many years, Gerald walked with his father, Dutch Grossman. The past few years, he has walked alone, except for his famous partners.

Ambrose Lentz is another Manchester resident who trekked across the Mighty Mac on his electric cart. He has been wanting to go across for several years, and decided that "this was the time," explains his wife, Wilma.

In preparation for the rigors of the bridge crossing, Ambrose "trained" by clocking his miles and riding up and down Territorial Street. He purchased two brand new batteries - you can't run down on the bridge! (National Guard and other official units are available in the event of any emergency, according to Mackinac Bridge Authority information handed out on site.) Two of his children, Kurt and Shannon, walked with Ambrose, along with several of his grandchildren. Wilma was there to lend moral support - as she always does for Ambrose.

The two east (northbound) lanes on the bridge are used for pedestrians from 7 AM until 9:30 AM and the two west lanes are used by traffic. After 9:30 only one east lane is available to walkers. No one is allowed to start after 11 AM. Labor Day is the only day of the year on

Gerald Grossman

which the public is allowed to walk the bridge. No fee or registration has ever been charged for the bridge walk.

There are probably many more untold stories of Manchesterites on the Mighty Mac. Next year, there are likely to be more. As the tradition grows, there may be hundreds of Manchester folk walking the bridge in years to come.

Will you be one of them?

- Marsha Johnson Chartrand

Labor Day is the traditional time for new beginnings. While heralding the unofficial end to summer, it also indicates that it's time to get back to the activities we have allowed to lapse over the warm summer months - school, clubs, different work schedules, and more. So it seems everyone tries to do something really special each year to mark this occasion.

Many Manchester residents made a new tradition this year by caravanning north to Mackinaw City and St. Ignace to attempt to conquer the Straits of Mackinac on foot. This year is the 38th year that the bridge has hosted a Labor Day Walk. It is a pretty high profile event which is traditionally led by the Governor. This year, Governor Engler was accompanied by his wife, Michelle, their ten-month-old triplet daughters Madeleine, Marg-

Monday morning, between 3:30 and 4 AM, he departs to ride one of the first buses to transport walkers to the north end of the bridge in St. Ignace, which begin at 5:30 AM. The bridge walk begins at 7 AM and Gerald wants to be assured of a good start, on time, and a spot close to the Governor. This year, he was able to get some great video footage of the entire Engler family.

The Emanuel United Church of Christ Youth Group and other Emanuel members took up 55 walkers, and a large contingent of the congregation (75 members in all!), who were participants in a youth-sponsored potluck dinner, a Sunday evening youth vespers service, and a camp out in Mackinaw City before the bridge walk. Eighteen Emanuel Senior Youth members were among the 55 walkers in that group.

Out & About

- by gar

Sometimes I think that we are depriving our children of some of the wonderful natural experiences of life. This evening I walked into the side yard and looked up into the northern sky. The stars are particularly clear and bright in the fall. Perhaps it is because of the crispness of the evenings or maybe it seems that way. Perhaps it could even be the fact that memory serves to enhance the reminiscences of youth.

We more experienced persons, I use that term in lieu of age, were not pressed with today's technology. Computers are wonderful and their capabilities have opened new vistas of life. We have internet, satellites, television, and vast airways of communication. All of these wonderful man made tools at our disposal, but do we have appreciation for nature and the

creation that has been given to us.

Man seems to have developed a devil may care attitude about life. We seem to treasure man made creation and not creation by our maker. When was the last time you looked to the sky and saw the big and little dipper in all their magnificence? When was the last time you pondered the reason for our existence upon this old earth? When was the last time that we gave thanks to our maker for furnishing us with the tools to manufacture modern technology?

It's great to set in front of this little box called a computer and type out a column. But it is even greater to go outside and contemplate God's great creation, which is infinitely more complex and diverse than the compilation of all of our man made creations put together.

The Manchester Enterprise welcomes letters to the Editor, Guest Editorials, and your comments, suggestions and opinions.

We ask that all letters submitted for publication be signed! Should there be extenuating circumstances for withholding your name, we will give that full consideration.

Don't Shirk Your Responsibility!

Which is more important to you, Your Children or Your Job? Recently we at the Enterprise have received questions on school bus stops. After discussion with parents as to their situation, we learned that they have resolved the problem by working with the transportation department. Other parents call to complain about the distance their child has to walk to the bus stop. We have even had complaints about stops within the village limits. I went to school in Manchester and graduated in 1976 (oops just gave away my age) there was no busing in the village - we lived on the edge of the village limits and made it to school by walking, riding our bikes, or Mom would take us once in a while.

The responsibility is the parents to get your child to either school or the bus stop. How important are your children to you? Where have the values gone over the years? Why is it the school's responsibility to be sure your child makes it to the bus stop? Never knew it was theirs before. Those parents who do take the time with their children, aren't commended - it's their responsibility to care for the safety and well-being of their own children.

Many parents make special arrangements with their employers for going in later to get their kids off to school (and the majority of employers are willing to work with parents these days), or day care arrangements are made before and after school. Parents do have to work harder today at juggling schedules than our parents did - but having children creates the responsibility of their care. Inconvenient? Perhaps, but it comes with the territory. We must accept the responsibility for our actions - and especially for our children!

Dear Mr. Garlick:
I would like to offer the following for publication in the Enterprise at your discretion:

HORSE ETIQUETTE FOR CARS ON DIRT ROADS:

The horse population in Manchester is growing rapidly. I'm fortunate enough to own a very street-wise horse and also to have tolerant neighbors who allow me to ride on the perimeters of their fields. However, it is necessary for me as well as many others in our community to ride on the dirt roads. My following advice not only applies to car drivers in consideration of horse riders but in consideration of bicycle riders too. There are also many children on our dirt roads.

SLOW DOWN. We can hear you coming and need a few seconds to prepare ourselves. We like to turn our horses towards the oncoming traffic to eliminate the element of surprise. If a horse can see what is approaching, they're not as fearful. Please keep in mind that the reaction of a fearful horse is to flee.

DON'T SPEED UP AS YOU REACH US. Once again, nice and slow is great. Let's share the road. Think about what a 1,100 pound flying object is going to do to your hood and dashboard, not to mention me and you!

SOMETIMES, IF WE'RE RIDING WITH A LESS EXPERIENCED ROAD HORSE, we like to "sandwich" that horse. All of the common courtesy above applies, but we may need a minute or so to situate ourselves. Or it may not be a convenient place for us to pull off the road or line up for traffic, considering our wonderful hilly roads!

BICYCLE RIDERS - Please announce yourselves when you approach from behind. My horse and I have been frightened many times from silent bicycle riders. All we need to know is that you're there.

Sincerely,
Debby Earhart

Public Hearing Freedom Township Planning Commission

Tuesday, October 3, 1995

The Freedom Township Planning Commission will hold a public hearing to consider the request of Kevin Beckington to re-zone a 6.8 acre parcel of land from A-1, Agricultural to I-1, Limited Industrial. The property is located on Fletcher Rd. near Ellsworth Rd. and runs 450' north from the Green Mfg. Co. property and is currently owned by Dennis Engelbert.

The Public Hearing will be at 7:30 PM at the Freedom Township Hall, 11508 Pleasant Lake Road. Written Comments may be made by addressing them to Chairman Stanley Tschiltz, 3401 Haab Road, Ann Arbor, MI 48103.

Individuals with disabilities requiring auxiliary aids or services should contact the Freedom Township Board by writing or calling the Township Clerk at (313) 428-7241, 13785 Pleasant Lake Road, Manchester, MI 48158

Following the public hearing, the regular meeting at the Planning Commission will be held.

Planning Commission Secretary
Bob Miller

9/7, 9/21

Sharon Township Proposed Synopsis - Regular Board Meeting

September 7, 1995

The meeting was called to order at 8:00 PM by Supervisor John A. Savage. All other Board members were present. Zoning Inspector Thomson, Planning Secretary Cole and four township residents were also present.

Minutes of the 8/3/95 regular meeting were read and approved after a minor correction in the Cemetery Trust Fund total.

Treasurer Dunny read the Treasurer's report. A letter from Manchester Community Resource Center was read in conjunction with this report expressing thanks for the township's donation for 1994-95 and 1995-96 fiscal years. This report was approved.

Trustee Blumenauer reported the township roads received the second application of brine for dust control during August.

Zoning Inspector Thomson reported five land use permits issued during August being for one house, three pole barns and one deck. Land splits, driveways, and junk car removals were discussed by the inspector.

Planning Secretary Cole stated the commission has approved Article 22 and will now study Sign Provision. There will be public hearings in October and November in regard to all changes to the Zoning Ordinance.

Supervisor Savage read a

letter on recycling and presented bills for recycling services. The supervisor met with the County Department of Public Works during which time they inspected the facilities Sharon Township has for recycling and were very satisfied.

Some residents reported receiving letters from the County Road Commission concerning mail boxes the Road Commission requests be moved.

There will be a land use meeting at the Farm Council Facility on September 20.

A letter was read from McKune Memorial Library expressing thanks for our 1994-95 fiscal year donation. Motion made, supported and carried the township give \$400 which was the amount budgeted for McKune for 1995-96 fiscal year.

The Village of Chelsea Fire Department will have a monthly meeting on the 2nd Monday for the townships they serve, for a question and answer period.

There were other discussions not requiring any Board action.

Outstanding bills were presented and all ordered paid by the Board.

Being no further business the meeting was adjourned by the supervisor at 9:15 PM.

Submitted by Duane R. Haselschwerdt, Clerk; Approved by John A. Savage, Supervisor

Bridgewater Township Planning Commission

September 11, 1995

Summary minutes

Proposals to update the Zoning and Subdivision Ordinances have been received from four consulting firms. A Committee was appointed at the August meeting to develop criteria for evaluation and to review the proposals. The committee handed out a summary of their findings, and a discussion of the proposals followed.

The Commission decided to request and oral presentation by three of the firms at a special meeting of the Planning Commission on October 2 and at the regular Commission meeting on October 9. The presentations were subsequently scheduled as follows: Carlisle Associates, October 2 at 8:00 PM; McKenna & Associates, October 2 at 9:00 PM; Birchler/Arroyo Associates, October 9 at 7:30 PM. All meetings will be held at the Township hall.

Review of the Township Plan before beginning update of the ordinances is a high priority. The Plan will be reviewed in sections at the regularly scheduled planning Commission meetings according to the following schedule:

October meeting: Agriculture, Open Space, Environment
November meeting: Residential, Commercial, Industrial
December meeting: Circulation, community facilities

Chairman Fish announced that there will be a community meeting at the Township Hall on Tuesday, September 19 at 7:30 PM. The purpose of the meeting is to present and discuss the proposed alternatives for a long term haul route for Adrian Sand and Stone. Everyone living along the proposed haul routes has been sent a notice of the meeting.

Carol Peacock called to the Commission's attention a Washtenaw County Planning Commission study of sand and gravel resources. The study points out that sand and gravel is a valuable limited resource, and perhaps property owners and local governments should consider preserving known deposits. She said the map included in the study indicates deposits in the Township.

The next meeting is October 9, 1995 at 7:30 PM.

Wade Peacock, Secretary

MANCHESTER TOWNSHIP PLANNING COMMISSION NOTICE OF PUBLIC HEARING

TAKE NOTICE that the Manchester Township Planning Commission will hold a public hearing on the application of Carl & Sharon Curtis for a Conditional Use Permit to allow for the operation of a Bed & Breakfast operation in a single family home on premises presently zoned AR, Agricultural/Recreational District.

Property is located in Sec. 9, Manchester Township, on the East side of Sharon Hollow Rd., approximately 1/2 mile South of Austin Rd.

A public hearing will be held **September 26, 1995, at 8:00 P.M.** at the Manchester Township Hall, 275 South Macomb St., Manchester, Michigan.

Manchester Township Planning Commission

From the Desk of Sgt. Haensler

I would like to write about yielding to school buses. So far, the reports from the school bus drivers have been very encouraging. Very few school bus violations have been logged with us.

I want to remind everyone to give the bus drivers a break. When the red lights are on and flashing, you need to stop your vehicle, and remain stopped as long as the red lights are on. Also, many people are not aware of a portion of the law which states that the registered owner of the vehicle is presumed to be the driver and would receive the violation.

It has been brought to my attention that some citizens are not satisfied with the level of

police service the village receives. As the sergeant in charge of the station, this concerns me. I want to make sure the Sheriff's department is responding to your needs.

I can be contacted at the Manchester Station at (313)428-8829 or (313)971-9036, or by pager (810)316-0062. If you want to write a note you can address it to me, Sgt. Jerry Haensler, 120 S. Clinton St., Manchester, Michigan 48158. Or stop by the *Enterprise* and leave a note in the opinion box, and it will be forwarded to me.

Sheriff Schebil and myself are committed to delivering quality police service to the Village of Manchester, and we welcome your comments.

APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL SEPTEMBER 5, 1995

The regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 PM. Council members present: Becktel, Brooks, Conaway, Marshall, Schaffer, Taepke, Vought (7:14). Also present: Manager Wallace, Clerk Tucker, Gary Wiedmayer-DPW, Sgt. Haensler-WCSD, Mike Briggs, Kathy Kueffner-Manchester Journal.

The minutes of the August 21, 1995 regular meeting were approved as presented on a motion by Marshall, support by Conaway. Vote: Ayes-all. Absent: Vought.

The proceedings of the August 21, 1995 regular meeting were approved as presented on a motion by Conaway, support by Taepke. Vote: Ayes-all. Absent: Vought.

The Agenda was approved as amended with motion by Marshall, support by Conaway. Vote: Ayes-all. Absent: Vought.

Motion by Brooks, support by Conaway to approve the re-

quest for \$1500.00 to the CRC, as budgeted, for the fiscal year 1995/96. Vote: Ayes-all. Absent: Vought.

Motion by Brooks, support by Marshall to accept the Treasurer's Report for August 31, 1995 as presented. Vote: Ayes-all.

Motion by Brooks, support by Conaway to approve the payables in the amount of \$39,440.46 as presented. Roll Call Vote: Ayes-all. Enter Vought 7:14 PM.

SHERIFF REPORT - Motion by Vought, support by Taepke to accept the Sheriff Report as presented. Vote: Ayes-all. Exit Schaffer with Wiedmayer at 8:10 PM. Enter Schaffer at 8:13 PM.

CABLE TV ORDINANCE - Motion by Becktel, support by Vought to adopt Ordinance No. 223, an ordinance to replace Chapter 25 of the Manchester Village Code, which contains the current franchise renewal with Clear Cablevision. Vote:

Ayes-all. The franchise renewal was adopted at the last meeting. This ordinance incorporates the franchise into the code. Schaffer exited briefly.

Motion by Brooks, support by Marshall to continue to have curbside collection of leaves by the DPW as has been done by the Village in the past with the understanding that an alternative method will be in place in the future. Wallace and Wiedmayer will decide on when pickup will take place. Wallace will continue the discussion with the interested farmer. Vote: Ayes-all.

RESOLUTION ON "NO TRUCK" SIGNS FOR PARR RD. - Motion by Becktel, support by Conaway to order the Village Manager to have Parr Rd. between M-52 and Spring Street posted with signs designating it "No Trucks" as soon as possible. Vote: Ayes-all.

Motion by Becktel, support by Vought to adjourn at 9:20 PM. Vote: Ayes-all.

Karen Tucker, Village Clerk

Road Problems

A reader relates: "On September 14, I called County Road to have roads graded after I had been calling for approximately three consecutive weeks. I called and talked with Mr. Pollens and told him the situation I had with our roads NOT being graded for almost 2-1/2 months. He was very polite and told me he would call me personally if my road could not be graded on Friday, September 15th. At approximately 11:00 AM our road had new gravel put down in washboard spots and major potholes, and was being graded the right way, with the big grader.

"Now we will wait until the next rain because I know our road will be in poor condition after a rain. We need DITCHES dug. The road is not worth anything without ditches."

Our reader also told us, "I knew when I moved out here that the roads were unpaved. But there is no reason for them to be in perpetually poor shape." Mr. Pollens' number at the Road Commission is 761-1500.

CROP Walk Comes to Manchester this fall

CROP (originally, Church Rural Overseas Program) is coming to Manchester. CROP is over 40 years old, with a 20 year history in the state of Michigan. In fact, Holland, Michigan, is ranked number 4 on the CROP Walk Hall of Fame list for money raised. Manchester proudly joins the CROP tradition.

in motion to stop hunger, one step at a time, in 1902 locally sponsored CROP Walks. There will be two routes for this year's walk. The first will be about 5 kilometres, beginning at the High School, following

Main Street to Territorial, Macomb, Schleweis, Boetger, Logan, Adrian, and back to Main Street and the High School.

The second route will also begin at the High School, continue down Main Street to the Mill and return to the school. All residents along the CROP Walk route are encouraged to rein in their dogs during the hours of 2-4 PM on Sunday, October 8th.

We hope that you will want to join other members of our community in this "walk" to stamp out hunger. You might discover in your willingness to help others, that walking is a wonderful exercise.

For further information call 313-428-8359 or contact your local pastor for information. See You at the CROP WALK!

All walkers must be sponsored and the participants will raise money from a sponsor(s) to be turned in before or immediately after the walk is completed. Participants 18 years of age and younger must have a waiver signed by a parent or guardian sponsor. No wheels are allowed on the walk except wheel chairs.

Last year, 288,173 walkers put their hearts and soles

Manchester area churches are sponsoring this year's walk for hunger. Sunday, October 8 has been designated as "CROP Walk Day." All participants must register with a 'recruiter' before or on the 8th of October. Your local parish has a list of recruiters or you may contact John Korican at Manchester High School.

Two men were crossing a farmer's field when an angry bull ran after them. They started to run, but they knew he'd catch up with them. So one said, "Pray, John!"

"I know only one prayer," he answered. He cried, "Lord, for what we're about to receive, make us truly grateful."

Funny, isn't it? But the Bible does say, "In everything give thanks."

What - give thanks for problems and pains? Why? Because nothing and no one is outside God's control. And the Bible says, "All things work together for good to them that love God."

Trust Him, and you'll see that your misfortunes become His fortunes to enrich you.

Hazel G. Walker
Hazel G. Walker, 79, of Perrysburg, Ohio, formerly of Manchester, passed away on September 21, 1995.

Hazel was born in Manchester on March 7, 1916 the daughter of Clayton and Willo (Mattern) Parr. On June 3, 1939 she was married to Jesse R. Walker and he preceded her in death on June 13, 1981.

Hazel was a life long member of the Manchester United Methodist Church. She was also a founding member of the Manchester Area Historical Society. Hazel belonged to the Shakespeare Club and the Modern Farmers Farm Bureau. She retired from teaching in the Manchester Area Schools in 1975 and was a member of the National Education Association.

Hazel is survived by one son, Richard Walker of Perrysburg, Ohio; two daughters, Susan (David) Timmerman of Delmar, NY and Nancy (Frank) Kramarczyk of Clarkston, MI; five grandchildren; three brothers, Howard & Lenora Parr, Leslie Parr, and Floyd & Florence Parr, all of Manchester. She was preceded in death by a brother, Stanley.

The Walker family received callers at the Jenter Braun Funeral Home on Wednesday with funeral services held Thursday, September 14 from the Manchester United Methodist Church. Rev. Thomas A. Davenport officiated, assisted by Rev. Patricia Van Wormer. Memorials may be made to Manchester United Methodist Church or the Manchester Area Historical Society.

MANCHESTER AREA SENIOR CITIZENS News

by TV Ludwick

The state of New Jersey has passed a law that will allow new babies and their moms to remain in the hospital for 48 hours after birth. Insurance companies must comply. This is good news to us who are watching family and friends bring their newborns home in 24 hours. Our generation stayed five days and our moms weren't allowed out of bed for two weeks! It was a time for healing and a time for coping. There have been some hardy souls through the ages who almost immediately got 'up and at 'em' (no alternative.) Suppose old-fashioned discipline would do wonders in today's world?

We were introduced to a recent bride's dad as he handed us a small card, entitled: I Am The Father Of The Bride. It stated: "No one seems to be paying much attention to me today, but I can assure you that I'm getting my share of attention. The banks and several businesses are watching me very carefully!"

Thursday, September 21: Jan and loyal crew in Emanuel's kitchen will serve baked fish and they wish to

serve more of you seniors who are 55 or older. We welcome you at noon on each Tuesday and Thursday to come out and enjoy our reasonable senior meals. Where else can you get a good, balanced meal for \$2.50? Best deal in town! Call either Sharman Pfaus at 428-8359 ahead, or Jan at 428-7630 before 10:30 on meal days to place your reservation. You may go to the Center at 12:30 to enjoy bingo on Thursdays.

Friday, September 22: Come along to the Clinton Fall Festival on the senior bus which will leave the Center at 11. Get your bus reservation in by calling Erma Alber at 428-8707. One thing we like about small towns is their friendliness and we, as seniors, won't have far to walk to see the sights and sounds of all the activities. Come along on the bus and you won't worry about having to park your car.

Saturday, September 23: trip to Kensington Park has been postponed (not cancelled as previously reported). Watch for it coming up on October 11.

Tuesday, September 26: Today, beginning at 11 AM, Jo Simmons or one of our

other volunteer area nurses will be on hand to take your blood pressure. Jan Barbour, our cook, likes to take us around the world in tastes and pleasure and will present her Italian casserole at noon lunch. At 12:30, we will hear a presentation on Joint Replacement by a Chelsea Hospital Representative. This is of interest to all who have need of it or have had it done, come on out!

Thursday, September 28: Now, who out there does not like old fashioned chuck roast? Cooks will serve large servings (if you let them) of this tasty dish and trimmings. Also today is the monthly senior sponsored public card party which begins at 7:30 PM at Freedom Township Hall at Pleasant Lake. Senior bus pickup begins at 6 and you may go along by calling Erma first. Light refreshments are also served and you will enjoy this group of euchre players.

Sowtember's Pig Calendar depicts a picture of a small black piglet asking her large mom, "Mama, what's a black sheep?" And, do you suppose they might have a Hocktoberfest Festival celebration?

Fall Session of Arthritis Self Help Course Begins October 16th

People with arthritis can learn how to take a more active role in their own care through the *Arthritis Self Help Course* - a six-week self-management course designed for people with arthritis, their families and friends. The course teaches people with arthritis how to preserve or regain their active lives through discussion and exploration of a wide range of topics including nutrition, fitness, stress and pain management, medications, problem solving techniques, and coping with fatigue and depression.

The fall session of the *Arthritis Self Help Course* begins Monday, October 16th in Room 2440 of the Senior Health Building, 5361 McAuley Drive (located on the campus of St.

Joseph Mercy Hospital). The class will run for six consecutive Monday afternoons from 2:00 - 4:00, beginning October 16th and concluding on November 20th. Group participation and problem solving are vital elements of the course, so participants are encouraged to check their calendars to ensure they will be able to participate in the entire series. Course fee is \$20 which includes course text, *The Arthritis Helpbook*.

The *Arthritis Self Help Course* is led by occupational therapist Yvonne Russell Teske, Ph.D. of Wellstyle, Inc. For more information, or to register for the *Arthritis Self Help Course*, please contact the Ann Arbor Branch of the Arthritis Foundation at (313) 572-3224.

MIDDLE SCHOOL SPORTS

Go Dutch! Go Dutch!

7th Grade Girls Basketball

Front Row L to R; Jackie Palms, Erin Makielski, Nicole Leverett, Stephanie Schleicher, Laura Meyer, Julean Westcott, Mindy Weir. Back Row L to R: Jennifer Heslet, Katherine Horodeczny, Shannon Green, Coach Mark Ball, Ashleigh Sewell, Tristan Kladzyk. Not pictured Amy Preston.

The 7th grade girls basketball team is now in their second week of games. Last week they lost their two games. One against Michigan Center and the other against Addison. The Michigan Center team seemed to be a superior team but the Lady Dutch still played well at the start and the finish of the game - giving up only 6 points each quarter. Typical first game problems were abundant, but they showed tremendous hustle and spirit. Scoring for the Dutch were: Nicole Leverett 5 pts., Katherine Horodeczny 3 pts., Laura Meyer 2 pts. Ashleigh Sewell came up with 2 pts. at the buzzer to end the game on a very exciting and upbeat note.

The second game went much better for the Dutch. They trekked to Addison and came up short but were in the game all the way. Actually the

girls had a 6-0 lead before fouls and official's calls began to pile up against them. The most important thing from the coach's standpoint was the improvement from game one. Of course the girls appreciated the opposing coach and parents telling them that they deserved to win instead of the home team. Scoring for the Lady Dutch were; Nicole Leverett 6 pts., Katherine Horodeczny 4 pts., Amy Preston 3 pts., (this was her first game) and Laura Meyer 2 pts.

As of this time the Lady Dutch have also scrimmaged Ann Arbor St. Francis and Chelsea. The improvement the team has displayed has been encouraging. Their two main goals of learning the game and having fun while improving all season are being met. Good things are in store for this hardworking group of girls.

On Monday, September 11 the 8th grade Lady Dutch Girls Basketball Team opened the season hosting the Michigan Center Cardinals. In a closely contested game, the Lady Dutch came out on the short end by a score of 31-24.

Due to injury and ineligibility the Lady Dutch could dress only six players vs. the 15 who came from Michigan Center. At the end of the first half, the score was Manchester 12, Michigan Center 10.

In the second half, our inability to substitute due to a player fouling out, led to the Lay Dutch defeat. Abra

Wise scored 12, Emily Parr 2, Erin Wiley 4, and Brandy Aiken 6 before fouling out.

On Wednesday, September 13, the 8th graders traveled to Addison to take on the Panthers. The Dutch came out cold, falling behind 16-10. Addison came out hot in the third quarter jumping out to a sixteen point lead.

The Lady Dutch fought back in the fourth quarter, cutting the deficit to 8 before losing the game by a score of 37-27.

Abra Wise led the scoring with a total of 14 points, Brandy Aiken added 12 and Erin Wiley, 1.

8th Grade Girls Basketball

L to R: Abra Wise, Ginger Taylor, Brandy Aiken, Emily Parr, Erin Wiley, Lisa Burmeister, Coach Steve McCalla Not pictured; Ellen Supers Annie Hinkley, Courtney Callaway.

WED. OCT. 18	GRASS LAKE (H)	4:30

Show Your Spirit - Support ALL of our Dutch

I consider myself a sports fan. I grew up with two older brothers who always played, and seemed to excel at, some kind of sport. My Dad and I faithfully trekked to every home and away game to cheer them on, (it made Mom too nervous to watch her boys play). Sunday afternoons were dedicated to watching the sport of the season.

Now I have my own family and two children in sports and we faithfully trek to every event to watch them. But you know the Sunday afternoon pro games have lost their appeal. I am tired of their millions, the strikes, the

holdouts and their whining.

If you want to see something exciting, come to a Manchester sporting event. It is a thrill to watch these kids give 110% ALL the time. When they win their enthusiasm is catching. When they lose you can feel their heartbreak.

These kids are not negotiating million dollar contracts, they are not "holding out" for a better deal and they have not threatened to go on strike. All they do is participate in a sport they love and it shows!

So the next time you would like a heart-stopping, fingernail

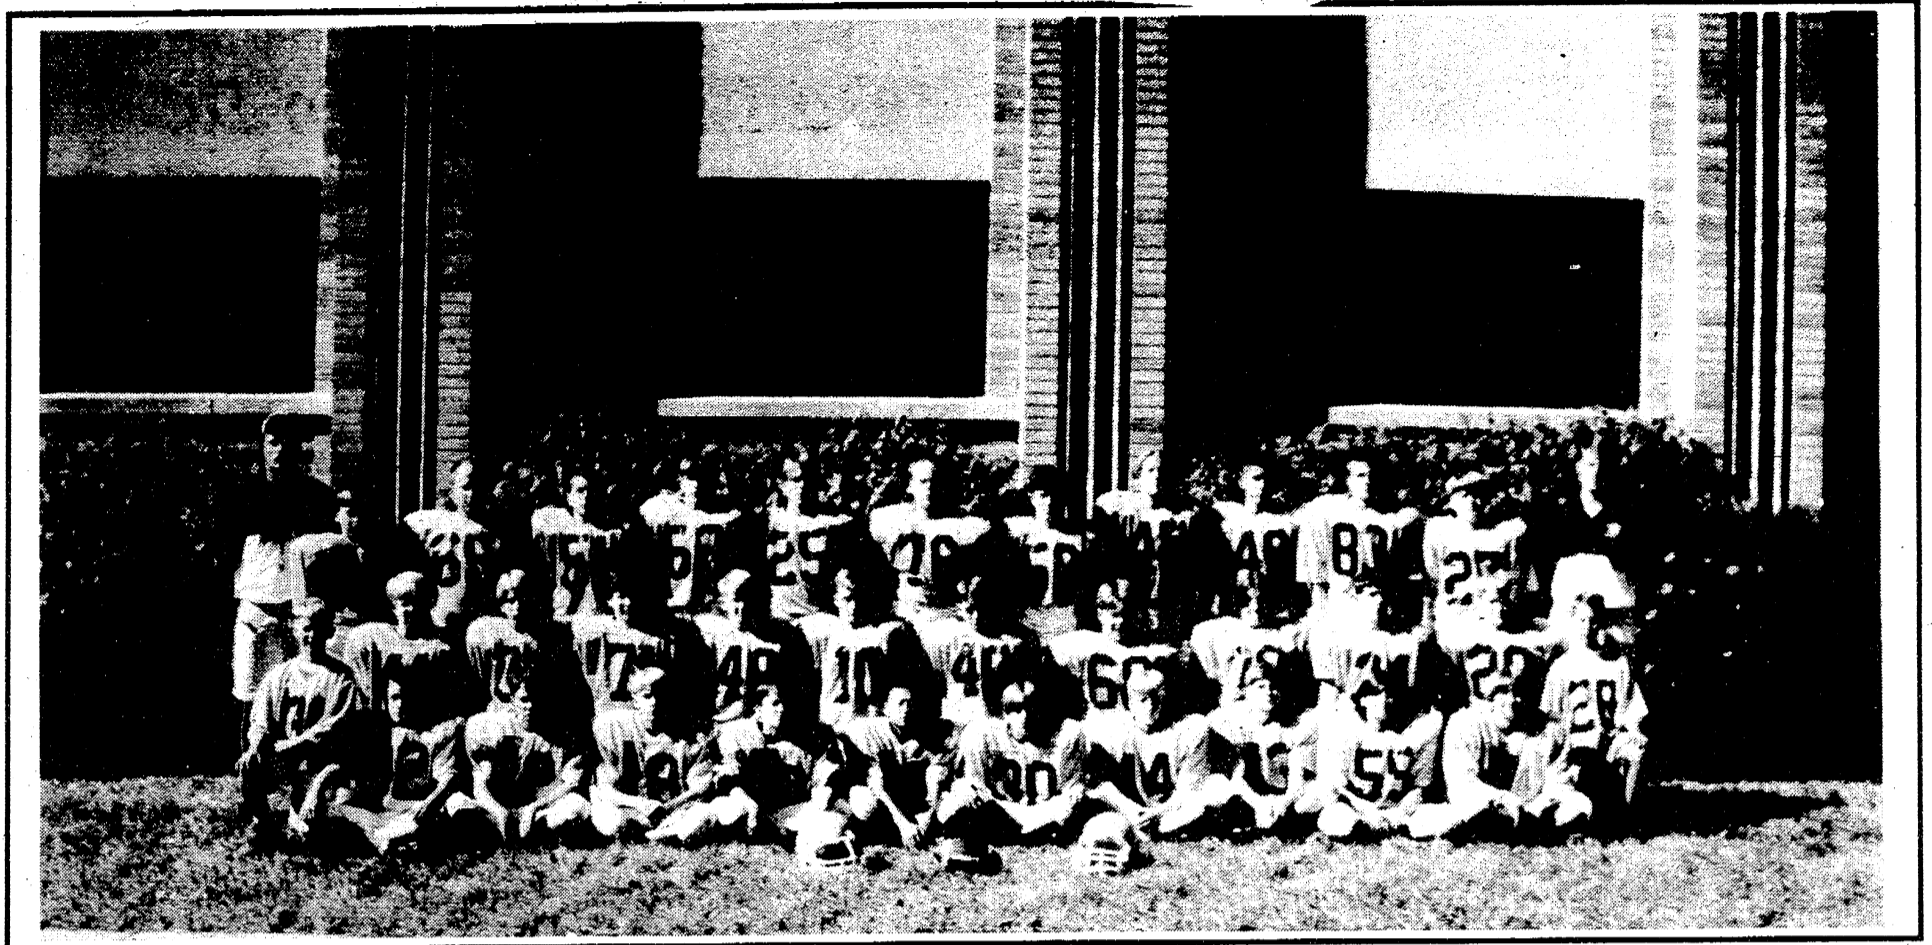

biting experience, come watch a Manchester sport. If the varsity football team is playing an away game, come to the Thursday night JV home game. If these games are too late for you, the Middle School games start at 4:30.

If you don't like football come inside and watch the girls basketball. At this time of the year there is also cross country and golf. All the Manchester sports need your support and it is a lot more exciting than watching pro baseball players scratch themselves or pro football players show off their superbowl ring.

Front Row L to R: Craig VanBogelen, Mike Young, William Robertz, Jonathan Miller, Ryan Kee, Raymond, Jim Collins, Kevin Turk, Eric Walter, Janie Jarels, Holly Horodeczny, Middle Row L to R; Jack Smail, Aaron Strauble, Derrick Smith, Steven Handley, Mike Conway, Brett Maki, Jeffery Holt, David Canter, Nolan Ahrens, Michael Kennedy, Chris Robertz, Manager Back Row L to R; Jeff Gillow, coach, Tony Clay, Andy Jones, Andrew Roberts, Evan Wahl, Brandon Lentz, Justin Knouase, Will Slocum, Devin Golka, John Schneider, James Montgomery, Nick VanBogelen, Coach Jay Gillow. Not pictured; Kevin Binion.

The 7th and 8th grade football teams are gearing up for their season with their opening game Wednesday, September 20 at Vandercook Lake. Both grades have a good turnout this year with 33 youth on the 7th grade team and 30 on the 8th grade team. Practice started the first day of school so the students are beginning to work well together.

The teams had a scrimmage with Clinton and Onsted and the coaches, Curt Fielder, Matt and Tom Fielder - 8th and Jeff and Jay Gillow - 7th, saw a a lot of potential in their teams.

"Both grades look to be competitive this year and will play six games, not all league schools have middle school football. The schedule will be a tough one," stated Coach Curt Fielder, with Chelsea and Jackson Northwest and then the league teams."

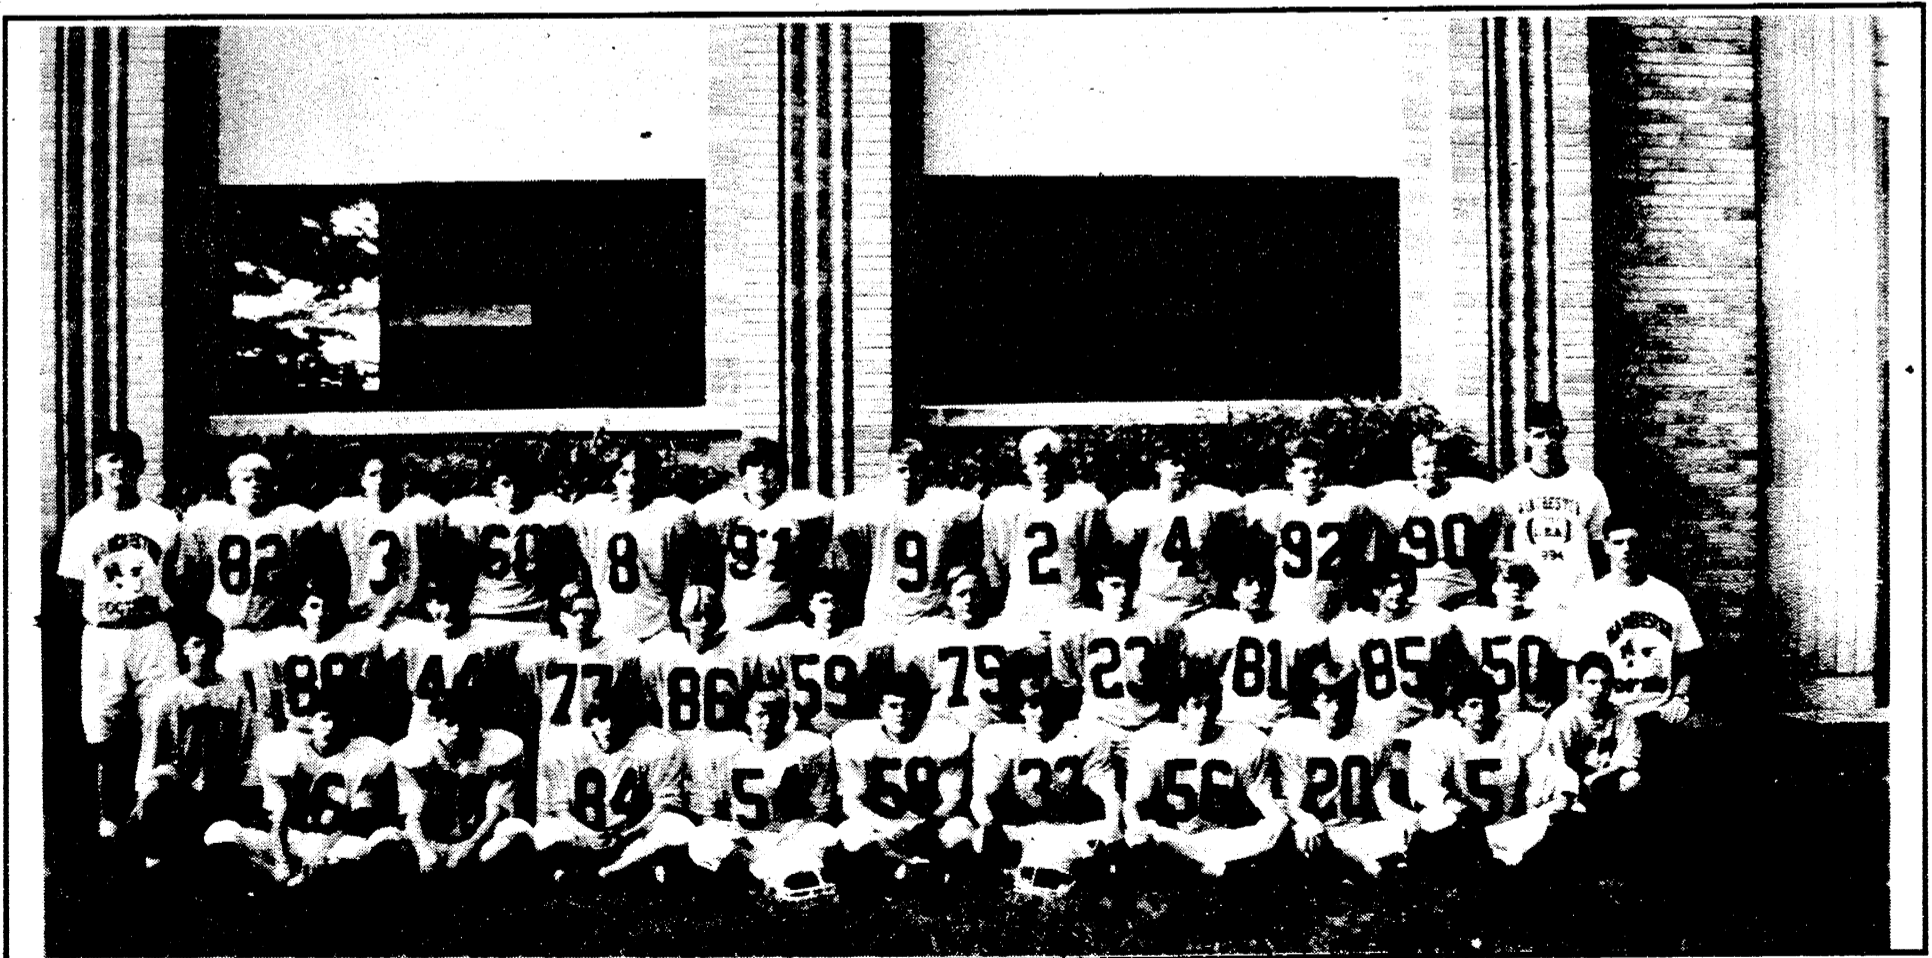

The teams are ready to give the season their best. Go you mighty Dutch and have a great time while you're out there!

School Page Only In Manchester....!

As you drive down Territorial Street on school day mornings, chances are you'll see a big group of students waiting for the school bus. Somewhere tucked in the middle of all those kids you'll find "Grandma Bus Stop." Helen Hosmer (second from the left in the picture), goes out to the bus stop each morning, rain or shine, with her grandchildren, to be sure they make it on the bus okay. You can bet she's there for all the students at that bus stop. She knows them all by name, and this year there are 22 students from Territorial, Macomb, and Schaffer Court who wait at the bus stop.

Not only does Helen greet all the kids in the morning but so does her Pekinese dog Samantha (better known as Sammie by the kids) the mascot. Helen says that Sammie gets all upset if she doesn't get to go down to the bus stop

and see the kids' off in the morning and then she lies around all day waiting for the bus to return so she can play again with the kids.

The students have a great time waiting for the bus. The morning I went to take the picture four or five kids were playing football and few more playing tag. The kids at that bus stop seem to get there earlier just to be with their "bus stop friends."

Other parents come to the bus stop with their children both at this particular stop and several more in town. But "Grandma Hosmer" has been doing this for years. With her own children, when the bus didn't stop in town, she sent them down to the corner of Territorial and Main to catch one of the buses coming in from a country

Helen Hosmer and other mothers watch over the 20+ students who board the bus on Territorial Street each morning. You won't find this kind of community happening just anywhere...only in Manchester!

route. And when the weather was bad Gerry Huber (who lived on the corner than) would let the kids wait in her garage until the bus came. You might say Helen has come full circle at the bus

stop. She also makes sure when the students get off the bus in the afternoon that they make it home okay, and "well if their parents aren't home they just come over to my house until someone gets

home."
THANKS, "GRANDMA BUS STOP," for all the safe keeping and fun you have given over the years to so many kids on Territorial.

- Teresa M. Benedict

The 1995 MHS VISAGE YEARBOOK IS IN!

Graduates or their parents may pick them up from June Weiland at the High School

Manchester Community Schools Board of Education Members

Manchester Community Schools' Board of Education Meetings are scheduled to be held in the High School Media Center on the third Monday of each month. Meetings begin at 7:30 PM. Special meetings are also held throughout the year to discuss issues that arise.

We at the Enterprise try to address the school board on issues which we feel are important to the community. But perhaps we don't reflect YOUR point of view. Some of you have come in and shared your concerns and questions with us. We hope you will also share those ideas with members of the School Board. They are OUR elected officials, entrusted with the responsibility to run OUR schools.

Your Board Members for the 1995-96 School Year Are:

- President:** Paul Kluwe 428-2000
- Vice President:** Joe Turk 428-9260
- Treasurer:** Wayne Winzenz 428-7125
- Secretary:** John Hochstetler 428-9100
- Trustees:** Patricia Sahakian 428-7029
- John Ochs 769-6031
- Bruce Abbott 428-8805

If you have any concerns about our schools, please feel free to contact any of these members of your school board to discuss your ideas.

S.uccess

<p><u>Try reading this?</u> -----></p> <p>This is why people with dyslexia have such a hard time reading.</p> <p>Example of accommodation: books-on-tape</p>	<p>R eaginp i sfunf or som eanb a niphma refor others.</p> <p>(By the way, not only are some letters reversed, but the spacing is often wrong.)</p>
<p><u>Try tracing this</u> -----></p> <p>This is why people with dysgraphia have such a hard time copying material from a book.</p> <p>Example of accommodation: tape recorders</p>	<p>(But use a mirror and only look in the mirror as you are tracing.)</p>
<p><u>Try telling a story</u></p> <p>This is why people with dysnomia have such problems speaking.</p> <p>Example of accommodation: a little extra time and good listeners</p>	<p>"I went to the - uhhhh- football - ummmm- game last night - uhhhh- our team - ummmm- won, 26 to 0."</p> <p>(But don't use any words with the letter "d".)</p>
<p><u>Try adding these numbers</u> ----></p> <p>This is why people with dyscalculia have such a hard time doing simply math tasks.</p> <p>Example of accommodation: a calculator</p>	<p>(OH, by the way - I used the font "Cairo" so the numbers have different symbols, but that shouldn't affect your ability to add, RIGHT!!) Here is the code: 0 = /; 1 = T; 2 = @; 3 = #; 4 = \$; 5 = %; 6 = &; 7 = (C); 8 = *; 9 = x.</p>

These are just four examples of the many types of learning disabilities. If you or someone you know struggles with tasks, like the examples above, there is help. With proper training in the use of accommodations, people with even severe learning disabilities can be very successful. An analogy: many people who wear glasses are considered legally blind without the glasses - these people with their accommodation (glasses) are not blind and aren't even considered disabled!

P.A.S.S. is a student/parent support group. We can help you understand more about learning disabilities. We can help you through the frustration, anxiety and anger of being learning disabled or having a child with a learning disability or other special needs. Call 428-0738 for meeting information or to leave a message.

JV Basketball: Oh, so close!

Last Thursday, our JV Women's Basketball Team took on the Comets of Hanover-Horton. Our JV team had won three straight, but had lost power-player Jennette Branch to the Varsity team.

The first quarter was a battle of flip-flopping lead that was continuously changing. Amy Gall started the Dutchmen off with a field goal. After an excellent steal by Cheryl Pfau, Cortney Whitaker nailed a jumper. Amy Gall followed with a pair of free-throws. Cortney swiped the ball and threw a long pass to Amy so she could sink a lay-up. Amy wasn't done though. She sunk another free-throw before the quarter was up. After eight minutes of play and twelve fouls, the score was Manchester 9, Hanover-Horton 10.

The Lady Dutch surged through the second quarter allowing only seven while scoring thirteen with Cortney Whitaker hitting three free-throws and a jumper and two smooth lay-ups by Amy Gall. Melissa Hoeft and Mary Barrett contributed to the cause with nice defense and teamwork. At half-time, the score stood 22-17.

Manchester got into foul trouble in the third quarter, as they were out-scored 6-12, making the score 28-29. Tracey Staples and Lindsay Hosmer scored on a powerful drive. Cheryl Pfau led the defense with a pair of stuffs. Cortney also scored again.

The final quarter was an exciting race to the finish. Amy Gall took two free-throws, but it was not enough. This foul-plagued game (nineteen fouls for each team) ended 30-34 in favor of Hanover Horton. Amy Gall and Cortney Whitaker were co-MVP's.

- Pat Chapin

Lady Dutch Stomp the Comets

On Thursday, September 14, the Hanover-Horton Comets were pitted against the Manchester Flying Dutchmen. Manchester had not started the season, and with co-Captain Erin Binder, last year's leading scorer, out with a severe injury, things did not look good. Jennette Branch was brought up to Varsity from the JV Team to fill her spot.

The game began with Manchester pulling no punches, letting loose a fury of passes, defense, and offense plays. The Dutchmen were relentless, steal after steal. Manchester jumped out ahead with Michelle Schaible driving to the hoop and scoring. After a nice defensive effort, Stacy Mann drove to the basket and scored as well, even though she was fouled. Jamie Knouase joined in the Comet-bashing with a simply beautiful jump shot. A scoring drive by Hanover-Horton put the Comets on top 6-7.

Then Michelle Schaible exploded down the court beginning Manchester's unstoppable run that would continue throughout the rest of the quarter. Michelle started it off with a long jumper, then topped herself with an even better one. Michelle wasn't through yet. After recovering the ball, she burned three defensive players and drove home yet another shot. An amazing steal by Jessica Porter led to Jamie Knouase scoring on a lay-up. After one quarter, the score was 14-7.

The Comets managed to slow down the second quarter, switching the game into a defensive struggle. Unfortunately,

far too many fouls were committed by both sides with ten for each team! Excellent steals were made by Jennette Branch, Sandi Fielder, and Michelle Schaible. Sandi sunk a field goal for Manchester, and Michelle sunk three free-throws. At the half it was Manchester 19 to Hanover-Horton's 14.

Then Manchester hit into overdrive again! Jamie Knouase sunk a field-goal, followed by a free-throw and yet another great steal. Next came Karen Goodell with a beautiful lay-up and power defense. Michelle Schaible went on a rampage scoring on a pair jump-shots and a berserker defense. Sandi Fielder finished the third quarter with style with a long three-pointer!

Going into the final quarter, Manchester was up 31-21. What could go wrong? Don't ask! The Comets bolted through the slackened defense to score time and again. Karen Goodell sunk a nice shot and kept up the strong defensive hustle, and Michelle with even more thefts. Unfortunately, they couldn't keep the Comets down. With only minutes left, Hanover-Horton brought the score to 34-33, and then they scored again, taking the Dutchmen's once secure lead.

Manchester was not about to go crawl under some rock and go away. Julie Porter sank a free-throw and tied the game at 35. Many rebounds, steals, and time-outs later, Jamie Knouase sunk a pair of crucial free-throws to put Manchester up by two. The tightly knit defense redoubled their efforts. Then

Karen Goodell was fouled. The Comets were getting desperate, their was less than a minute left. She landed a swish putting Manchester up by three, but not out of sorrow's path yet. With only fifteen seconds remaining, Michelle Schaible put Manchester over the top, 39-35. Game over.

Michelle Schaible definitely deserves the night's MVP award with sixteen points and numerous steals and rebounds. Later we caught up with Mr. Wilkins to ask him a few questions.

Manchester Enterprise: What do you think of your team's conversion from last year?

Coach Wilkins: Most of the players have a year of experience under their belt.

Enterprise: What did you think of Thursday's game against the Comets?

Wilkins: We played well under the circumstances, with Erin out and people at new positions, but not as well as we should.

Enterprise: What do you think of the season so far?

Wilkins: The girls are working hard, but still have along way to go. We have had a very difficult schedule so far.

Enterprise: What would you consider the team's strongest element?

Wilkins: Our defense, forcing turnovers and pressuring the opposing team, is our strongest point.

Enterprise: The team's weakest element?

Wilkins: We have to improve our shot, as well as making decisions. Everyone must improve everywhere.

After speaking with Coach Wilkins, we asked co-captain Erin Binder a few questions.

Manchester Enterprise: What exactly is your injury?

Erin Binder: My ACL and MCL ligaments are pulled, along with scratched cartilage. Reconstructive surgery will be needed.

Enterprise: Will you be returning to the team this year?

Binder: No, I am out for the remainder of my entire senior year of sports.

Enterprise: What do you think of the team's progress this year?

Binder: We're a lot more experienced this year and will do better against our conference.

Enterprise: Will you continue to be an active member of the team while injured?

Binder: Yes, definitely. I will be attending all of the games and will remain with the team.

Enterprise: What are you planning on doing after this year?

Binder: I plan to attend Western University and major in Occupational Therapy. I will be participating in Intramural Sports as well.

Keep on fighting, Dutch!
- Patrick Chapin

Golf Team Summary

On September 11, the Varsity played Sand Creek at Woodlawn Golf Club. The team won the match 203 to 241. Ryan Roberts was low with a 50, followed by Jason Barnes (51), Brian Mazur (51), Andy Hughes (51), Dan Kwolek with 54, and Mike Ridenour, 56.

The next day the team traveled to Gracewil Pines Golf Course in Jackson for an all-Conference Match. Hanover-Horton led the way with 158, Michigan Center 171, Napoleon 172, Addison 176, East Jackson 187, and our Varsity at 193. Scores were: Jason Barnes, 44; Mike Ridenour, 48; Ryan Roberts, 49; Dan Kwolek, 52; Bryan Mazur, 54; and Marcus McNamara 57.

September 14, we traveled to Clark Lake Golf Course for a match with Columbia Central. We had a great team performance of 178, but finished nine shots behind Columbia Central who shot a 169.

Ryan Roberts led with a "team season low" and a "personal best" of 41; followed by Mike Ridenour 44, Jason Barnes 46, Brian Mazur 47, Will Roberts 48, and Dan Kwolek with 55.

Congratulations, Ryan!
- Coach Dan Galaska

Cross Country Team Does Well

Last Saturday, the Manchester Cross Country Team attended the Holly Invitational in Springfield Oaks Country Park. The weather was a bit nippy at 60°. Manchester placed seventh out of twenty teams in both the men's division and women's division.

Pam Preston led the women by completing her 3.1 miles in 22:58, placing fourteenth. Rebecca Koffman came in with a time of 24:29; Jill Weidmayer finished with a time of 25:50; and Ahja Zang finished with a time of 27:16. All three received medals. Jennie Sahakian finished with a time of 27:50, Dana Richards came in at 28:05, and Marie Haeussler finished with a time of 28:29.

Nick Weidmayer led the guys with a time of 19:30. Eli Bragg finished at 20:18 and Art Gleason at 20:30. All three medaled. Brad Kemner finished with a time of 21:33; Lin Harris finished in 21:35. Severin Ritter in 22:20; and Adam Corwin completed his run in 23:48.

Great Job Dutch! Keep it Up!

"Winter in Manchester"

"Winter in Manchester" is one of two paintings accepted into the juried "Our Town" show in Birmingham next month

Local Resident to Exhibit in "Our Town" Art Show

Nancy Michaelson

Nancy A. Michaelson moved to Manchester from West Bloomfield three years ago. Since joining the Chelsea Painters and the Ann Arbor Women Painters groups in the spring of this year, she has been encouraged to exhibit her work. In her first half year of public exhibition, she has been juried into three shows and won an honorable mention. She has also participated in the Chelsea Art Fair where she sold two large paintings. She has been commissioned for two others.

For the last twenty five years, Nancy has spent most of

her time raising two sons and was the primary care giver for an invalid. She is happy to be back to pursuing her hopes of creating beautiful and valid art.

Nancy has studied at the Detroit Institute of Art, and received a BS in Art Education from Wayne State University. She has taught in the Novi Public Schools and the Dearborn Heights Public Schools.

"Our Town" is an annual art exhibition and sale of juried work by Michigan artists. It will be held from October 18 to October 22 at The Community House in Birmingham.

Wedding Bells

Weidmayer-Riley

William Ford Riley and Amy Kay Weidmayer were married May 6 at Bethel United Church of Christ in Manchester. Rev. Richard Hardy presided. Parents of the bride are Gary and Karen Weidmayer of Manchester. The parents of the groom are William and Mary Jean Riley of Manchester.

Honor attendants were Jennifer Bailey from Milan and Gary Beuerle from Manchester both friends of the couple. The bridesmaids were Joanne Kemner and Robin Fleck, both friends of the couple from Manchester; Kari Ball, sister of the groom from Manchester; Jody Mitchell, friend of the couple from Ann Arbor; Patti Monroe, cousin of the bride, from Belleville; and Colleen Curley, sister of the groom, from Onsted. The groomsmen were Dan Rigg and Corey Schmitt, both friends of the couple from Manchester; Brian DuPuis from Ann Arbor, also a friend of the couple; Greg Weidmayer, brother of the bride from Manchester; Keith Friday friend of the couple from Whitmore Lake; and Toby Riley, brother of the groom, from Northville. The ring bearers were David and Nicholas Ball, nephews of the groom, from Manchester. The flower girl was Katelyn Curley, niece of the groom, from Onsted.

Following the ceremony a reception was held at The American Legion Hall in Manchester. The couple honeymooned in Cancun, Mexico. They now reside in Manchester.

Morgan Ann Ekovich

Kelly and Tom Ekovich of Mason, Michigan proudly announce the birth of their daughter, Morgan Ann, on September 11, 1995. Morgan weighed 7 pounds, 12 ounces at birth and was 21 inches long.

Grandparents are Karen and Stephen Bristle of Manchester and Phyllis and the late Joseph Ekovich of Mason. Great-grandparents include Elmer and Marion Bristle of Chelsea and Rena Girbach of Saline.

Wishing a Special Couple a happy 40th Anniversary

Road Commission Establishes Mailbox Guidelines

The Washtenaw County Road Commission has recently prepared a handout summarizing guidelines for installing mailboxes or newspaper delivery boxes along County roads. These guidelines were based on national standards prepared by the American Association of State Highway & Transportation Officials (AASHTO).

The Road Commission has grown increasingly concerned in recent years with the hazards caused by non-standard mailboxes. A Michigan Department of State Police study reported there were 1,848 accidents Statewide in 1993 which involved vehicles striking mailboxes. Three fatalities resulted from those accidents. In Washtenaw County in 1994 there were 12,005 accidents with 1,348 resulting from collisions with fixed objects, including 25 crashes with mailboxes. Since 1989, there have been three fatalities resulting from crashes with mailboxes along county roads.

The design of a mailbox and support have a direct correlation

to the damage/injury severity caused by vehicle impact. Massive mailbox structures such as on masonry columns, railroad ties, steel beams, etc. are potential hazards to motorists. Consequently, the Road Commission has prepared guidelines for rural residents to use when installing mailboxes.

Mailboxes should be placed approximately one foot behind the shoulder on paved roads or one foot from the traveled portion of unpaved roads. The mailboxes should be constructed from lightweight material weighing less than 11 pounds. They should be mounted on 4x4 inch or 4-inch diameter wood posts or 2 inch steel pipe. No more than two mailboxes should be placed on a single post. Mailbox structures not meeting these standards are the responsibility of the property owner to remove. Once notification has been provided by the Road Commission. Copies of these guidelines are available from the Road Commission at 555 North Zeeb Road, Ann Arbor, Michigan.

Conference addresses dating violence

According to studies, as many as 50 percent of dating women suffer physical, sexual, emotional or verbal abuse from their dating partners.

To combat this growing trend in dating violence, the Junior League of Ann Arbor (JLAA) and the Dating Violence Project/SAFE House are sponsoring the day-long conference, In Love and In Danger: Preventing Violence in Dating Relationships, Friday, October 13, 9 AM-4 PM., Washtenaw Community College's Morris J. Lawrence Building, 4800 E. Huron River Drive, Ann Arbor.

The conference is intended for individuals concerned about dating violence and its impact on today's youth, such as parents, teachers, counselors, social service and health care providers, legal professionals and advocates, students and others.

The conference agenda will include a keynote address by UCLA professor and author Barrie Levy, a national expert on dating violence. A panel of dating violence survivors will speak about their experiences and suggestions to assist other young people. The afternoon workshop sessions will focus on such topics as: dating violence on college campuses, support groups for teens, legal advocacy for dating violence survivors, safety planning for teens, medical issues in dating violence and intervention with teen perpetrators.

"By educating ourselves and our community about the violence young women experience," says Annemarie Fuller, conference organizer and chair, JLAA Dating Violence Prevention and Education Committee, "we can formulate strategies for our community to address and end violence in dating relationships." The conference fee is \$30 with lunch included. For more information or to register, call 313-973-0242, ext. 225.

In conjunction with this conference, a free Youth Forum will be held on Thursday, October 12, from 7-9 PM in the Washtenaw Community College's Morris J. Lawrence Building, 4800 E. Huron River Drive, Ann Arbor. All area youth are encouraged to attend. For more information, call the number listed above.

The Junior League of Ann Arbor reaches out to women of all races, religion and national origins who demonstrate an interest in and commitment to voluntarism.

The Domestic Violence Project/SAFE House provides services for all survivors of domestic and dating violence regardless of gender or sexual orientation.

Manchester Academy for the Arts Schedules Adult Fall Classes

The Manchester Academy for the Arts is offering three different series of adult classes for fall, beginning the week of September 25.

Defensive Tactics, by Matt Phillips, will be taught on Thursdays from 7-9 PM. Phillips has been a Chelsea law enforcement officer for 13 years and teaches "pressure point" tactics to defend against attackers. These are the same techniques used by police officers and do not require great body strength. "This is the first time this class has been taught to civilians," indicated Susan Morey, of the Academy. Women and teen girls are especially encouraged to sign up for this program. Registration fee is \$40.00 for the four week class.

Drawing on the Right Side of the Brain will be taught by Jim Gould. "If you can sign your name, you can draw," says Gould. This class is for people with no drawing experience and those who wish to improve their drawing ability. You will learn the same highly effective drawing technique outlined in the best selling book of the same name.

Gould has been an Art Instructor and Art Therapist since 1979. Drawing on the Right Side of the Brain will be taught on Wednesdays from 7-9 PM. The registration fee for Drawing on the Right Side of the Brain will be \$45.00.

A Painting Class will be offered on Tuesday evenings from 7-9 PM, taught by Jill Donovan. Entitled, "Painting What You See," Donovan will set up a still life for each class or students may choose to work on a project of their own choosing. Donovan is from Ann Arbor and received her BA in art from Albion College. She has studied worldwide and draws on a wealth of experiences in teaching her classes. **Painting What You See** will be offered for eight weeks at a cost of \$45.00

Classes will be taught at the Manchester Academy for the Arts, which meets on the mezzanine floor of the Emanuel Church hall. Pre-registration is required for all of these classes and class sizes are limited. Please call 428-8600 for more information or to register.

Chelsea Community Hospital Offers Fall Programs

CHELSEA COMMUNITY HOSPITAL, Education Department is offering an interactive education program "Back Sense" for back care basics September 19 and 26 from 7:00-8:30 PM in the Chelsea High School Media Center. This program taught by certified Occupational and Physical Therapists includes body mechanics, healthy back maintenance, guidelines for everyday activities, and management techniques for injury or back problems. For more information and to register call the Education Department 313-475-3935.

HOSPITAL AND AUXILIARY FORM STROKE SUPPORT GROUP

Chelsea Community Hospital and Chelsea Community Hospital Auxiliary are forming a Support Group for stroke survivors, families and friends. It will be open at no charge and will offer both educational sessions and a chance to share problems and concerns with each other.

The leaders of the group will be Hospital Staff, Volunteers and Chelsea Retirement Community Staff. The group plans to bring in professionals to talk about various related topics as well as social gatherings.

The term "Support Group" is very apt; people can feel refreshed by just having someone listen.

For more information on the group, contact Becky at (313) 475-3913.

Organizations

Unit #117 News

The American Legion Auxiliary met at the Legion Home on September 13, 1995 with 21 members. The meeting was called to order by President Walkowe. Roll Call was taken by the Secretary and the minutes of the July 12, 1995 meeting were read, corrected and approved. There was no meeting in August.

Helen Popkey reported need to sort through hospital equipment for repair and/or disposal of some items. She

also will be asking for assistance in winterizing Wurster Park display.

Phyllis Baker reported quota is now 128. We have 94 paid members and she asked that we might recruit new members.

Refreshment committee for October meeting will be Maggie Tapping, Liz Beuerle and Mary Blossom. The meeting was adjourned at 8:45 PM with a prayer by our Chaplain Mary Blossom.

No ideas is so outlandish that it should not be considered with a searching but at the same time with a steady eye.

—Winston S. Churchill

King's Daughters

King's Daughters will meet on September 28th at 1:00 PM at Woodhills Apartments, 521 Territorial Street. Helene Kemner will be hostess, assisted by Olive Feldkamp and Elta Clark.

Please bring your pinking scissors, cards and glue, so we can finish our place mat project. Woodhills is equipped with handicap facilities.

CRC Seeks Volunteers

The mission of the Community Resource Center is to assess the unmet human services in the community and develop a process to meet those needs.

TRANSPORTATION IS A REAL PROBLEM.

The Retired Senior Volunteer Program (RSVP) is willing to contract with the Community Resource Center as a station to coordinate volunteers willing to provide transportation for people when needed. RSVP will cover extra liability insurance and a reimbursement for mileage.

The Community Resource Center is recruiting volunteers, 55 years or older, to assist with transportation for medical appointments, grocery shopping, food stamp pick up, etc.

Please call 428-7722 to volunteer to provide a ride to those in need.

FALL TREE SALE CLOSSES SOON

Orders for tree seedlings offered by the Washtenaw County Soil Conservation District Fall Tree Sale will be accepted until September 29, 1995.

Trees available include: Austrian Pine, Red Pine, White Pine, Blue Spruce, Norway Spruce, White Spruce and Douglas Fir. Additional items available include tree planting bars, tree marking flags, Deer Away repellent, conservation tree and shrub identification guides, t-shirts, bluebird boxes, soil test boxes, life rings and Washtenaw County plat books.

Also available are "Habipaks" which are assortments of trees and shrubs, and are ordered from the National Association of Conservation Districts (NACD). The Washtenaw County SCD is a member of NACD.

Distribution of trees ordered from the District will take place on October 18 and 19 at the Washtenaw Farm Council Grounds, 5055 Ann Arbor-Saline Road. Habipaks will be shipped directly to the purchaser's home.

All purchases help fund conservation work by the Conservation District in Washtenaw County. For more information or to obtain order forms, contact the Soil Conservation District Office, 7203 Jackson Road, Ann Arbor. Telephone (313) 761-6721.

22nd Annual Clinton Fall Festival

Sept. 22, 23, 24. The Village of Clinton, oft times referred to as "The Gateway to the Irish Hills," opens its heart to thousands of visitors who wander throughout the Village streets and Tate Park enjoying the varied events and activities - and good old home town hospitality!

Browse through the juried Arts and Craft booths (250+) located throughout downtown and near the historic Smith Kimball Community Center. The Lost and Fine Arts demonstrators (55+) are in and on the grounds of the Center. New this year are demonstrations on making wooden Forks and Rakes, Candles, and Canoes. Returning demonstrators include Origami, Porcelain Doll, Wood Carving, Broommaking, Hand Tied Lures, Ukrainian Eggs, Tatting, Forging, Striped Hardwood, Butter Churning and many more.

The Entertainment Express (stage) performers are Zeemo the Magician who has become a fixture at the Festival for the younger crowd; the Cottonwood Cloggers; music and humor that often catch the funny bone and the heart off guard by Hayden Carruth; Tae-Kwon-Do and Gymnastics demonstrations; Mulligan Stew presents a wide range of acoustic music; Swight Carroll, singer/Acoustic guitar player is back for an encore performance from last year; the Cranberry Creek trio plays the accordion, stand-up base, cello, hammered and mountain dulcimers, fiddle, flute, guitar, recorders, whistles and other musical gadgetry; and other fine talents.

Tate Park overflows with activities and events, mostly on

Saturday. The Southern Michigan Street Cruisers host the 7th Annual Car Show with over 400 entries - trophies and prizes are presented. The tri-state mini tractor pull and the mini pedal tractor pull activities, the River Raisin Rubber Ducky Race, the children's circus train rides, pony rides, moon walk, etc. draw large crowds. Barbeque Chicken by the Clinton Rotary Club is reason enough to visit the park! A softball tournament runs the weekend and a Beverage Tent with live entertainment in the evening fill out the remaining space at the Park.

The 100 Unit Grand Parade is on Sunday from 2:30-3:30. The Moslem Temple Shriners return again this year with their many entertaining units that delight all ages. Bands, cartoon characters, Ronald McDonald and many other entertaining entries. Come early and mark your spot along the parade route for this popular event!

Train Rides are available throughout the weekend on the Southern Michigan Railroad between Clinton and Tecumseh. New to the Festival is a Balloon Ascension. The local churches provide foods and items for sale. The variety of food vendors (30+) attract adults and children alike.

Shuttle bus rides are free and frequent throughout the weekend with new improved routing this year.

Look for the on-site live radio broadcast by WLEN on Friday downtown and on Saturday by Q-95 FM at the Community Center. Stop by and say hello and let folks know how you're enjoying the Festival.

STATE OF MICHIGAN - PROBATE COURT - COUNTY OF WASHTENAW PUBLICATION NOTICE - DECEASED ESTATE File No. 95-107542-IE. Estate of MARY M. KIRK, deceased 376-40-0765. TO ALL INTERESTED PERSONS: Your interest in the estate may be barred or affected by this hearing.

TAKE NOTICE: On September 5, 1995 in the probate courtroom, Ann Arbor, Michigan before Hon. John N. Kirkendall Judge of Probate, a hearing was held on the petition of Gretchen K. Connors requesting that she be appointed personal representative of Mary M. Kirk who lived at 14180 Schleweis Road, Manchester, Michigan and who died July 31, 1995; and requesting also that the will of the deceased dated March 29, 1968 be admitted to probate.

Creditors of the deceased are notified that all claims against the estate will be forever barred unless presented to the personal representative, or to both the probate court and the personal representative within four months of the date of publication of this notice. Notice is further given that the estate will be thereafter assigned and distributed to the persons entitled to it.

 9 - 6 Tues.-Sun.

0. On Thursday the JV Dutch will travel to Vandercook Lake. Come cheer them on!

You could feel the excitement in the cool night air as the Manchester varsity hosted the Napoleon Pirates.

It looked as though Napoleon would get nothing from their first drive so they punted the ball away. The ball took a bad hop and touched a Manchester player; Napoleon recovered the ball. The first touchdown belonged to the Pirates. The Manchester defense seemed to be confused by Napoleon's line up for the two point conversion. The confusion worked as the Pirates made the 2 points and led 8-0.

Manchester's #3 Nick Davis took the kick off and ran it back 55 yards to set up the Manchester first touchdown. It was #12 Aaron Garrett who banged his way into the end zone. The 2 point conversion pass was broken up and at the end of the first

quarter it was Napoleon 8, Manchester 6.

It just seemed that Napoleon could not come up with a significant drive. Manchester took over and their drive resulted in a touchdown. The 2 point conversion was not good, however Manchester got another chance as Napoleon was called for roughing the passer. In the second attempt the 2 point conversion was good and Manchester led 14-8.

Napoleon was determined to come back. The Pirate quarterback threw a booming pass for a touchdown. This was not to be as the referees called pass interference against Napoleon. Their momentum was stopped cold as on the next play #70 Justin Porter tackled the quarterback behind the line of scrimmage. The next play saw Napoleon fumble the ball and #1 Steve Riske recover it. Manchester took over, and just minutes before halftime Aaron Garrett

ran in for the touchdown. Again the conversion was no good. On Napoleon's drive, Zach Maghes intercepted a pass to end the half with the score Manchester 20, Napoleon 8.

Half time entertainment featured the Manchester High School Marching Band and the Flag Corps. What the band lacks in numbers, they make up for in enthusiasm. The flag corps adds that little extra something, and we enjoyed the twirler, Sarah Patak. It is also nice to have the band sitting in the stands to play the school song after each touchdown and to keep the crowd "up" in general.

The beginning of the third quarter found Nick Davis running in for another Manchester touchdown. Trevor Schleicher kicked the extra point and the Dutch led 27-8.

Napoleon would not give up. The Pirates were about to score when Nick Davis intercepted a pass and ran 90 yards for a Manchester touchdown. The extra point kick was no

good and the score was Manchester 33, Napoleon 8.

The Pirates could not come up with another significant drive. Manchester took over and a Maghes pass to Nick Davis, resulted in the last Manchester touchdown. The extra point attempt failed, and the final score was Manchester 39, Napoleon 8.

This Friday, Manchester will host Vandercook Lake for Manchester's Homecoming. Come support the Dutch and enjoy the half time activities!

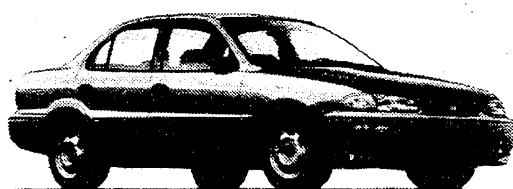

- Lois Hochstetler

THE DINOSAURS OF CHINA

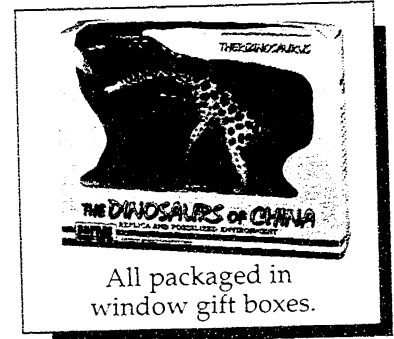

C O L L E C T I O N

More than a hundred different dinosaurs have been discovered in China in recent years. Often strange and different from dinosaurs found in the West, they are providing new insight into our expanding knowledge of life millions of years in the past. Skillfully recreated by renowned artist Ely Kish, every detail is perfectly executed and authentic. Each replica is accompanied by an exclusive fossil background enhancing understanding of these exquisite dinosaurs. Ages 6 and up.

THE CARNEGIE

C O L L E C T I O N

THE CARNEGIE
MUSEUM OF
NATURAL HISTORY

#4535-23 A beautiful way to display your Carnegie Collection. Space provided for additional models in the years to come. Size: 32"x22"x13". Replicas not included. \$75.75

MUSEUM QUALITY AUTHENTIC PREHISTORIC REPLICAS

The original models were sculptured under the guidance of the paleontologists of the Carnegie Museum of Natural History. Each of the dinosaur replicas is exactly to scale, the same size in proportion to each other as when the actual creatures roamed the earth. Every detail is scientifically accurate. Not merely toys...but an unusual selection of hand painted replicas that will stand the test of time. Each replica has its own informational data tag. Ages 5 and up. All models are to 1/40 scale except where noted.

TREASURES

FROM THE RAINFOREST

RED-EYED ▲ TREE FROG

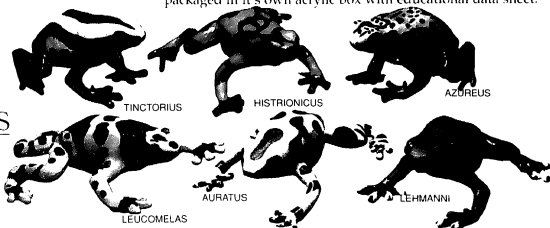

The exquisite colors of this "Beautiful Tree Nymph" are authentically recreated in this scale model replica. #8070-28 \$5.25

Working with the National Aquarium in Baltimore, the Poison Dart Frogs were chosen for reproduction into replicas for both their astounding beauty and ecological peril of the Rainforest of Central and South America. Each model measures from 2.5" to 3.5", packaged in it's own acrylic box with educational data sheet.

POISON DART FROGS

The poison found in the skin of these ► frogs has been used for centuries by the Indians of the Rainforest who coat the tips of their blowgun darts before hunting.

#8020-28 \$25.25/set of 6

Size: 13.75" x 9.5"
#9526-12 \$11.75

◀ **U.S.A. WILDLIFE LOOK INSIDE PUZZLE**

Fun, educational and challenging! Identify each state and the wildlife that lives there. Lift the piece to confirm the answers. Accurate geographical puzzle of the United States of America. State and wild animal names revealed beneath each state. Ages 3 and up. Size: 19.75" x 16.25"
#9528-12 \$22.75. Available August 31, 1995.

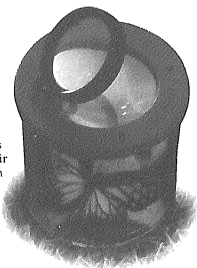

VIEWING SCIENCE & NATURE

THE WORLDS BEST

BUG JAR

Better than a microscope and more fun, too! Inspect insects and small objects at twice their size with the 2x magnification lens. Then fold down the second lens to look at your specimen 4 times larger than the naked eye. 2.5" diameter. Ages 4 and up.

#6518-16 \$4.75

BUG-EYE BUG JAR ▲

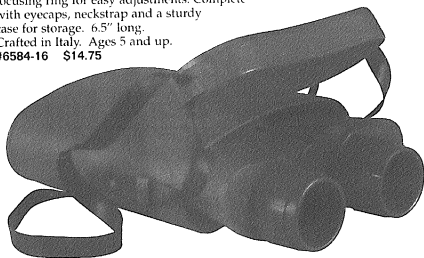

See a bug from the point of view of another bug! The first lens clearly magnifies the object twice. The second lens duplicates the compound eye structure of most insects, creating a mosaic of multiple images. 2.5" diameter. Ages 4 and up. #6558-16 \$5.25

RED BINOCULARS

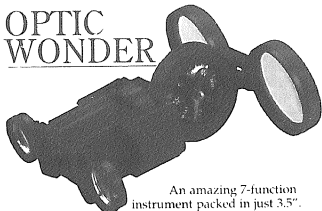

IN A CASE ▼

The perfect binoculars for any adventure! Enlarges 3.5 times, 35 mm hand polished lenses. Central focusing ring for easy adjustments. Complete with eyecaps, neckstrap and a sturdy case for storage. 6.5" long. Crafted in Italy. Ages 5 and up.

#6584-16 \$14.75

OPTIC WONDER

An amazing 7-function instrument packed in just 3.5".

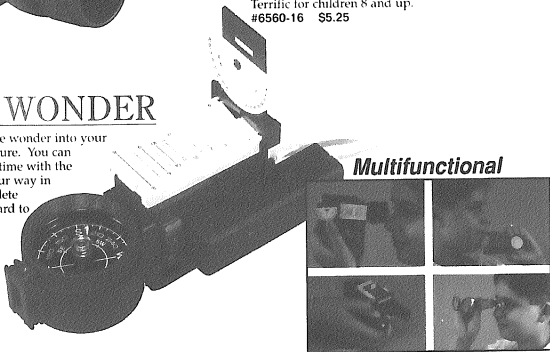

Includes: monocular, binocular, mirror, magnifying mirror, compass, magnifying glass and linen counter. Terrific for children 8 and up.

#6560-16 \$5.25

SUPER OPTIC WONDER

Eleven funtastic functions! Slip this little wonder into your pocket and stroll to your nearest adventure. You can magnify the world around you, tell the time with the sundial, whistle in Morse code, light your way in the dark and much, much more. Complete instructions for all functions and a lanyard to wear around your neck. Only 4.5" long and nothing short of sensational.

Ages 8 and up.
#6562-16 \$12.25

Multifunctional

Authentic

HABITAT COLLECTIONS

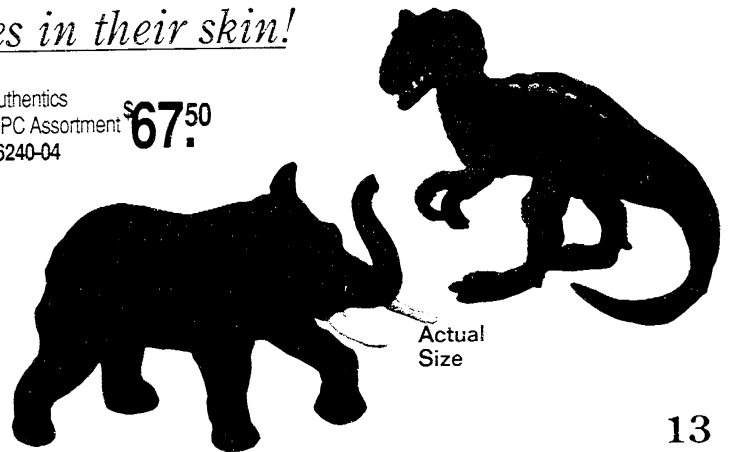

Any child can easily visit the inhabitants of the rainforest, the oceans' depths, the woodlands, the farm or even the primordial past with these realistic, detailed figures. Each figure measures approximately 3" long. Educational data sheet in each box. 48 different subjects poised to come to life. Composed of a sturdy flexible vinyl and hand-painted. Ages 6 and up.
