Have an All American Holiday!

July 4 is a great time to have All-American fun with your family and friends. This year, having the holiday fall on a Friday provides a full weekend of summer activities in and around Manchester.

Begin on the evening of Thursday, July 3, with the Gazebo Concert at 7:30 PM, in Wurster Park. Grab your lawn chair or your blankets, and a picnic basket if you wish. Meet Abraham Lincoln (also known as Bill Ames). Listen to patriotic music, provided by the Napoleon Lion's Club Band and our own Manchester Community Brass Band.

The kids can lead the way with flags, from the Gazebo to the Fireworks held at Dusk in Carr Park. Manchester's fireworks display is always changing and always growing. We're proud to have some of the greatest fireworks around!

If you're itching to attend a parade on the Fourth of July, you can still have an opportunity to catch a great boat parade out at Pleasant Lake. You can observe from the Aura Inn, or participate by calling Fredonia Store (428-8960) to obtain a boat number. The parade starts at Hoon Point, progresses westward to Happy Hollow, and circles the lake, ending up back at the Roberts house on Pleasant Shore Drive.

Judges will determine the most creative, the most patriotic, and the most colorful boats. See you there!

Have a safe and fun Fourth of July Holiday.

MANCHESTER TOWNSHIP LIBRARY A Championship Pitch

Brent Long, son of Jayne and Chris Long of Manchester, pitched the first ball for the Mud Hens game on Saturday, June 21. Brent attended the Mud Hens' game with the Manchester Little League on Little League Day. He plays for the minor league Mets. Read about Family Day held at the Ball Park (Kirk Park, that is) June 28, on page 13.

The Fair Is Coming...

The Old Timers Cowboy Games will return to the Manchester Community Fair next Thursday, July 10 at 8:00 p.m. So for a show you won't forget, mark it on your calendar NOW!

Get ready, for the community is invited to bring their horses along and participate - the more the merrier! Bring your horses, mules, ponies, or whatever you ride. The past two years have proven to be a great success for the games, and this year should be no different.

These good natured games are full of safe, fun activities for both horse and rider. Games include the Balloon race, Musical stalls, Pick-up man, Apple bobbing, Egg & Spoon race, Barrel race, and Back to back.

The entry fee is only \$5 for each horse and rider. Premiums are also awarded! Call Jim Hone at 428-8266 with any questions.

Complete Fair Coverage Continues on Pages 9-11, inside!

Manchester Chicken Broil

44 Years and Still Counting

In the early summer of 1953, a number of members of the Exchange Club of Manchester got together at Stanton "Pat" Roesch's home at Pleasant Lake. They grilled some chickens and decided it tasted pretty good. How about a fund-raising dinner? It was, in fact, the inaugural Chicken Broil.

The Exchange Club, precursor to today's Optimist Club, was the original sponsoring organization of the Broil. Their purpose, back in 1954, was to erect a fence around the Athletic Field (currently Alumni Field opposite the middle school.)

Although it was another year before the "official" Manchester Annual Chicken Broil was initiated in August of 1954, the men who attended this meeting are among some of the most familiar names in Manchester's recent history.

Combining Dr. Howard Zindel's recipe with Ludy Klager's chickens and a variety of side servings, including coleslaw, chips, radishes and a beverage, was a combination that worked forty-four years ago, and continues to work today. Although the Klager chickens are no longer to be found, the high quality birds in this year's chicken broil will keep you coming back next year, and the year after that...

Forty-four years later, the number of men and boys who work on the Chicken Broil has increased greatly from the group shown here. Our original Broil attracted a few thousand attendees; these days, the tally is usually around 14,000.

Although most of the Exchange Club members pictured at right are no longer with us, their vision of community service, fellowship, and great chicken dinners, still lives on. They would be proud of the Chicken Broil the way it is today.

Pictured are Earl Koebbe, Willard Mann, Robert Masten, Alvin Clark, Robert Hamilton, Stanton "Pat" Roesch, Herman Kuebler,

Fred Atkinson, Dan Boutell, Ken Kouba, Ray Kerr, Dutch Wurster, Toss Knorpp, Millard Uphaus, Carl Tuberon, Nelson Short, Ed Kirk, L.V. Kirk, Dan Boutell, Royal Davidter, Rollie Grossman, Luther Klager, Orville Way, Allen Luckhardt, Charles Eisenhauer, and Waldo Marx.

Also among the planning committee members, but not included in the photograph above were Dr. J.R. Jones, Roscoe Lannom, Earl Mann, Ed Galloway, Walter Vogt, Tom Walton, Carl Schaible, George Merriman, Franklin Reck, and Donald Sutton.

These days the Chicken Broil helps finance such projects as the purchase and renovation of the Blacksmith Shop, new shelves for the Manchester Township Library, park purchases and equipment, athletic equipment and development, and much more. Next year's funds have been pledged to the Fire Department for the new Rescue Truck (\$15,000); to the planned Weight Facility at the High School (\$25,000), and to more acquisitions for Chi-Bro Park (\$7,000). The tradition of

community service continues for the Manchester Annual Chicken Broil. Over the years, a total of over \$200,000 has been donated to various community projects

Many thanks to Ted Tapping and Simon Steele for the historical background, and for identifying many of the members of the Exchange Club. Those with whom I have been acquainted, have changed just slightly since the photo was taken in 1953.

Out of the Pen

- by garlene

Sometimes garlene reads something which strikes her right where she lives. The story she's about to tell you could have been found in "Chicken Soup for the Soul," but instead she found it in a small simple newsletter for sows like herself.

"I'll be Hot Skatin™ Barbie® doll, and you can be a paper clip," said my daughter as we sat down to play one of her favorite board games. The original game pieces were lost long ago. Maybe it was my offbeat sense of humor, but it got me to laugh...the story of my life: Someone else is always Hot Skatin™ Barbie®, and I'm always the paper clip.

"As Hot Skatin™ Barbie® zipped around the board with her perpetual lipsticked smile, her glittery, form-fitting exercise clothes, and those long, flowing locks of hair, my little paper clip was barely visible; in fact, several times I had to search long and hard for it. But during the process my thoughts evolved from humor to some pretty deep pondering.

"Stop and think about

what paper clips do: They hold things together. A combination of individual papers, often meaningless alone, when joined with others and firmly attached, become a powerful little bunch of papers.

"Where would we all be without 'paper clips?' Hot Skatin™ Barbie® may be flashy and stylish, but she's not real, and she doesn't do much. If I found her in my daughter's room, buried under a pile of junk, she would still be smiling. How many of us could say the same?"

We could be hurt at being relegated to "paper clip" status, but when garlene thought about this article she figured, she is pretty darned proud to be a paper clip. It's not such a bad thing to be. How many Hot Skatin™ Barbies do we need in this world, anyways? And what happens to those Hot Skatin™ babes in the end? She'll settle for paper clip any day.

Sure, she might get bent out of shape every once in a while...but she can still hold things together.

RE: Letter of appreciation

On behalf of the staff and patrons of the new Black Sheep Tavern, we would like to publicly express our appreciation to Ron Burrows of Manchester Floors. Ron installed carpeting for us prior to our April opening, and it's made a significant difference in the ambiance of the restaurant.

Ron kept a careful eye on the original installation, and over time was not pleased with the visibility of the seams. On his insistence, and at his expense, the original carpeting was removed last Monday and replaced with brand new stock. The new installation is gorgeous, not a seam to be seen, and we thank Ron and his staff for their time, expense and attention to detail. Our community is truly the beneficiary of having Manchester Floors as a merchant and neighbor.

Sincerely,

Tracey Reed, Kathy Tobias, and Diana Beckler-Rhoton

PROPOSED SYNOPSIS Public Hearing - Manchester Township Board

on the proposed General Fund and Special Fund budgets,
held June 23, 1997:

The public hearing was called to order at 8:03 PM. All board members were present. There were no citizens present.

Line item revenues and expenditures for the General Fund budget and for all Special Funds for fiscal year 1997-98 were reviewed and discussed. After discussion, it was moved and supported to close the public hearing at 8:38 PM.

PROPOSED SYNOPSIS of a special meeting of the Manchester Township Board, held Monday, June 23, 1997:

The meeting was called to order at 8:38 PM by Supervisor Mann with all board members present. The purpose of the special meeting was to adopt the fiscal year 1997-98 budgets and to discuss replacement of the Fire Department base radio.

A resolution, adopting the 1997-98 budgets for the fiscal year July 1, 1997 to June 30, 1998, for the General Fund and all Special Funds, was approved. Fire Chief Wiedmayer was authorized to purchase a base radio for the Fire Department.

There being no further business to come before the board, the meeting adjourned at 9:22 PM. Minutes of these meetings may be viewed at the township office during normal office hours, which are Monday, Tuesday, Wednesday and Friday, from 8:30 AM to noon.

Around Town

Say, what a lot of Kids there are!

Chapters & Verses, and the Black Sheep Restaurant helped children (and adults) celebrate Cat in the Hat's 40th birthday last Saturday right here in Manchester. The birthday bash included story telling, guitar and cello playing by Ms. Tracey (pictured below) and a special green eggs and ham lunch at the Black Sheep.

With so many children, parents, great food and stories, the birthday party was certainly a success. And this is only the beginning! Chapters & Verses seems committed to bringing many more fun, entertaining events to the community.

The more that you read,
the more things you will know
The more that you learn,
the more places you'll go.

Manchester's Summer Blood Drive

It appears that not only by the calendar, but also by the temperature, SUMMER HAS ARRIVED.

This means that it is time for all of Manchester to mark your calendars for July 14. This is the date of the Summer blood drive. It will be held at the American Legion Hall, with donation times from 1 PM until 7 PM. Our goal is to collect at least 85 pints of blood.

The ladies of the American Legion Auxiliary will be the hosting volunteers, with Marilyn LaRock as the chairperson of the day.

According to the powers that be in Detroit, there will be some kind of celebration. Why? Because Manchester, in October, will be receiving an 'Award of Merit', in Denver. We were nominated for this award under the "group" category. Congratulations to all of the people who have ever donated blood or been a volunteer worker. It is because of you that Manchester is being honored.

If you would like to sign up to be a donor this time, look for your recruiter at your place of work, your local church or for the Red Cross boxes that have been placed in Kleinschmidt's Hardware Store, Manchester Market, Baker's Dozen, First of America, Comerica or Great Lakes National Bank.

Your signing up is important so that the schedule can be filled out. Makes sure that when you fill out your card or the recruiter contacts you, that you give your phone number. That way if your time needs to be changed, we can call you.

Thanks for all your support in the past. Just think of all the people that you have helped. Maybe even to the point of saving someone's life.

If you would like to call and make an appointment to donate, you can call either Marilyn LaRock, 428-8849, or Marja Warner, 428-9506.

See you on July 14 at the American Legion Hall.

Gazebo Concert Series Continues with a Patriotic Theme

We're in the midst of another wonderful series of concerts at the Gazebo, in the heart of Manchester. The committee has once again presented a variety of entertainment - each concert is a delight!

The Napoleon Lion's Club Band and Manchester's own Community Band will help you get in the patriotic spirit on July 3 at 7:30 PM. Bill Ames will also appear - as Abraham Lincoln. Be sure to bring the children so they can get their flag and participate in the parade which will be led by one of the band members. The children can then lead the way to Carr Park for the fireworks! Thank you to the Kiwanis Club for sponsoring this evening.

The Napoleon Lions Club Band, formed in 1983, plays a wide selection of music ranging from serious to novelties to patriotic and marches. The Manchester Community Band will play a variety of patriotic and march tunes to set the tone for the fireworks later in the evening.

The following two weeks, the Gazebo Concert Series will take a break and we invite you to enjoy the entertainment provided at Alumni Memorial Field during the Manchester Community Fair and the Manchester Chicken Broil on Thursday, July 10 and Thursday, July 17. We'll see you back at the Gazebo on Thursday, July 24. Manchester's own Michael Hough and his partner David Tamulevich, as the acclaimed "Mustard's Retreat" will be a concert you can bring the family to enjoy.

As always, the gazebo concert will go on rain or shine! In case of inclement weather, the concerts will be held at St. Mary Parish Center.

Donations are requested from the attendees at each concert and by special appeals to the public, but have never been enough to cover musicians' fees. We hope that additional groups and individuals will consider sponsoring these concerts, and will help bring music to Manchester.

The Gazebo Concert Committee wishes to take this opportunity to thank a number of organizations and individuals who have contributed to this year's concerts and helped make it all possible. The Kiwanis Club, the Manchester Men's Club, Emil Jacob Post No. 117, Chelsea Print & Graphics, Sharon House Bed & Breakfast, Ron & Carol Driessche, Debra Christian, Dennis Kittle, Carol Rose Kahn, Carol & George Boone, Tom Kladzyk, Geraldine Mulrenin, Marilyn Minick, Catherine Peckham and Sandra Szufnar for their donations and sponsorships. We also thank all of those who have attended the concerts and helped to fill the baskets with their contributions.

SEEDS FROM THE SOWER®
Michael A. Guido
Minister, Georgia

Two Boy Scouts were on a hike. One said to the other, "Speaking for myself, I'm clean, kind, honest, — and lost."

It's sad to be lost in the forest, but it's sadder to be lost to the Father. While you suffer, He suffers more.

He doesn't wait for you to seek Him. Lovingly, the Bible says, "The Son of Man has come to seek and to save the lost."

He has come to you - where the battle is the fiercest, where the tears are the bitterest, where the load is the heaviest.

Turn around, and you'll find yourself in the pardoning, protecting, providing arms of the Lord. You'll turn, won't you?

A Week of Miracles in Manchester

Manchester United Methodist Church, 201 Ann Arbor St., will again hold their Vacation Bible School from July 21-25. All children are invited to participate and walk through "A Week of Miracles."

Come join us as characters tell the vivid stories of the works of Jesus. The kids will hear of the great healings from "the village healer." They will dance as guests at the wedding at Cana. They will visit a traditional Hebrew home on bread baking day and hear of the feeding of the multitudes.

This year's VBS promises to be the best yet! We will begin our tour each evening at 6:30 and end at 8:15. Pre-registration is requested, but not required. Please call the church office (428-8495) or Tina Zimmerman (428-0576) for more information or to register.

Obituary

John A.C. Swainson, 93 of Port Huron passed away on June 29, 1997 after a long battle with Alzheimers.

John was born in Learnington Ontario on June 19, 1904 the son of Thomas and Lily (Oper) Swainson. In 1923 he was married to Edna Burley and she preceded him in death in 1979. He was a life member of the Masonic Blue Lodge of Port Huron.

John is survived by his son Thomas (Marge Green) Swainson of Port Huron, daughter Carol Whitehead of Okemos, sister Teresa (John) Hind of London, Ont., daughter-in-law Alice Swainson of Manchester, eight grandchildren including Kristina (Louis) Way of Manchester, and sixteen great grandchildren. Besides his wife, John was also preceded in death by his son John Swainson, and sister Marjorie Pirrie.

The 53rd Manchester Community Fair

Come One, Come All - Join the Fair Parade!

"A Carrousel Of

Memories"

The 53rd Annual Manchester Community Fair will be held July 8-12, 1997. The Theme for the Fair is "A Carrousel of Memories."

The Fair starts on Tuesday, July 8, with a Parade at 6:30 PM. Carol Britten will be honored as Parade Marshal. Follow the parade of floats, fire trucks, and many more entries, as it winds its way through downtown Manchester back to the Fairgrounds on Alumni Memorial Field, at the corner of Vernon and Wolverine Streets. As soon as the Parade arrives at the Fairgrounds, a Fair Queen will be chosen from the twelve contestants who were judged

during the day. In the Entertainment Pavilion at 8:00 PM, there will be a demonstration by the Chelsea Tae Kwon Do.

Wednesday, July 9 is Manchester Market Day at the Fair. Everyone can ride all day, from 1:00 PM until closing, for only \$10 and a coupon from the flyer that Manchester Market has made available. At 1:30 PM there will be Pet judging. Atticus Sumner and the Cottonwood Cloggers will be performing at 7:00 PM and "Small Town Sounds" at 8:00 PM, in the Entertainment Pavilion. The Second Annual Bull mania by A Bar Bucking Bulls will be at 7:30 PM along with a Mini-Mule Pull.

Thursday, July 10 is Senior Citizens Day and all who are 62 years or older will be admitted free until 5:00 PM. A program especially for Seniors will be held at 1:30 PM. It's another Manchester Market Day - their coupons will be honored for \$10 all-day rides again today. Atticus Sumner and the Cottonwood Cloggers will make a return engagement at the Entertainment Pavilion at 7:00 PM. Watch the boys and girls sell their lambs, steers, and Swine at the Annual Auction beginning at

8:00 PM. We also welcome back the Old Timers Cowboy Games, and in the entertainment pavilion a band known as "Step Aside."

Friday, July 11 is Kids Day at the Fair, and they can ride all they want for only \$8 from 1:00-6:00 PM, courtesy of the Manchester Community Fair. Don't miss the Classic Tractor Pull at 1:00 PM, the Antique Tractor Pull at 5:00 PM and the Pony Pull at 6:30 PM. At 7:00 PM, Atticus Sumner and the Cottonwood Cloggers will make one more appearance in the Entertainment pavilion, and then at 8:00 PM we present the "Happy Harpers Harmonicas."

Saturday, July 12 will be started off at 10:00 AM with a program full of interest at the Ladies Day activities. The Large Tractor Pull starts at noon and continues into the evening. Also, starting at noon and continuing until 6 PM, is Ann Arbor News Day. Ride all you want for \$8 with a coupon from the Ann Arbor News. There's a horseshoe pitch contest at 1:30 PM and a Pedal Pull for youth and adults at 3:30 PM. There are two North American Flyball Demonstrations at 7:00 and 8:00 PM. In the Entertainment Pavilion, the "Country Stompers will perform at 7 PM and 9 PM, with a dance revue at 8 PM.

On the Midway, all week, will be Crown Amusements, Inc. presenting rides for all ages.

The Manchester Community Fair Board invites you to come and enjoy, "Michigan's Biggest Little Fair."

The Fair Parade is one of the highlights of each summer. Floats, Fire trucks, antique cars and classic cars, bicycles and bands, from miniature vehicles to giant horses...there is something everyone can enjoy.

This year promises to be better than ever. A new addition to the fair parade is a group of Shriners from Battle Creek.

Kids, decorate your bicycles! There will be prizes for the best decorated bikes. Remember, to get a prize you will want to bear in mind the fair's theme, "A Carrousel of Memories."

Another way to participate in the parade is to join the Washtenaw Community College entourage. Staff, Alums and Friends of the college are invited to join other marchers from the Manchester area in the Fair Parade. Free t-shirts will be distributed to the first ten marchers. For more information, call Janet Hawkins at 973-3623.

Carol A. Britten, Parade Marshal

The 53rd Annual Manchester Community Fair will honor Carol A. Britten as this year's parade marshal. Carol has been on the Manchester Community Fair Board for seventeen years and secretary for fifteen years. Carol was elected to the Board of the Michigan Association of Fairs & Exhibitions as the Zone 2 Director, representing eighteen fairs in the southeast corner of Michigan. In 1996 she was elected as vice-president of the M.A.F.E. Board and on January 18th of this year was elected president. While being on the Board, Carol has visited over twenty fairs each year and has continued to dedicate an enormous amount of time on the Manchester Fair Board!

This year Carol will ride in the parade with the Renders in a horse-drawn wagon, instead of in the traditional convertible. Look for her on Tuesday, July 8th! Congratulations, Carol, and many thanks from the Manchester Community.

THE COMMUNITY RESOURCE CENTER - BUILDING A HEALTHY COMMUNITY AT THE FAIR

The Community Resource Center theme for the 1997 Manchester Community Fair Booth, sponsored by Pyramid Office Supply, is "building a healthy community". The Manchester Coalition for Health, the local unit of the Washtenaw County Health Improvement Plan (HIP) is using the Manchester Community Fair as the forum to sponsor an event including programs that recognize Seniors, Ladies and Kids on their designated Fair days.

Chelsea Community Hospital, St. Joseph Mercy Health Systems and Washtenaw

County Public Health will conduct free blood pressure, Cholesterol and hearing screenings and helmet/bike safety education. On display in the booth will be educational information about cardiovascular health, adult immunizations, breast and prostate cancer, depression, exercise and alcohol, tobacco and other drug use.

Each evening during the Fair, from 7:00 - 10:00 PM, volunteers will be available to provide visitors with free blood pressure check and other health information.

Drawings for prizes will be available to children and

adults who participate in booth activities. Prizes include bike helmets, beanie babies, gift certificates, books, a blood pressure pump, a Women's Night Out, and other great prizes. Anyone, 18 and older can participate in a special Saturday Night Drawing by answering a short survey available at the booth.

The Manchester Coalition for Health will introduce the Health Van to the community during the Fair Parade. Tuesday evening, after the parade, and on Thursday afternoon, the Van will be located near the Exhibit Building on the fair grounds. Audiology screenings, Blood pressure checks and cardiac risk appraisals will be conducted in the Health Van.

Ladies Day at the Fair - Always a Favorite!

This year's Ladies Day at the Manchester Community Fair will not disappoint those who have become accustomed to the excitement and entertainment offered at the Fair on Saturday morning. Ladies Day is especially for women, ages 18 and up.

Included in this year's program will be educational demonstrations by Healing Hands II Massage Therapy and Nancy's Herb Pantry, both in the interests of your better health; for relaxation, catch the golf tips presented by Ted Curley; and for sheer entertainment, be sure to see Deputy Carlos Garcia whose magic always delights audiences.

The Committee has been hard at work for months to make this the best Ladies Day ever! Goodie bags for the first 250 women in attendance will make sure everyone's a winner (this is twice the number of goodie bags offered last year!). Included in the goodie bags are surprises donated by local businesses. In addition, throughout the morning, drawings will be held for a variety of great prizes, all donated by local business and individuals, including the Grand Prize Drawing which will award one lucky person a trip! You **must** be present to win, so be sure to arrive on time and stay until the end!

Come on down to the fair on Saturday morning, and take some well deserved time for yourself. Join us at 10 AM in the Pavilion.

Riding in Style in this Year's Parade

This year, Parade Marshal Carol Britten will be riding in style in a horse-drawn vehicle driven by David Render. The Render family is shown here on Mackinac Island early in June, when they participated (by invitation) in the Lilac Festival Parade on the Island. The Renders, of Hy-Lite Farms, have been participating in the Lilac Festival Parade for several years and always enjoy their time on Mackinac Island. "I was a little bit self-conscious about being on my own," explains Carol. "In other years, I've always ridden with the rest of the members of the Fair Board, and we throw out candy for the kids; there's something to do. I was a little apprehensive about riding alone."

Carol continued, "I had seen the Renders for several years at the State Fair and it was suggested I ask them to escort me. They were happy to do so." Carol still isn't sure about the type of vehicle she'll be riding in, but the break from tradition should be pleasant for all.

Mobile ED Productions Summer Science Camp

The Manchester Community Education is sponsoring a Summer Science Camp for boys and girls ages 7 to 13 for a week-long adventure. The camp runs from July 14th to the 18th at Manchester Middle School from 9:30 am to 2:00 PM everyday.

The Summer Science Camp program's objective is to show children a fun and exciting way to look at science. The camp covers a different topic each of the five days. Some examples of these themes may include:

Astronomy: Children see the solar system given in a slide presentation. The night sky of the Northern Hemisphere is seen by the participants in a large inflatable dome or portable planetarium. Stories of Greek mythology as they relate to the constellations are presented. Other activities include the shooting off of real rockets and the building of star finders. It re-

sults in an exciting learning experience for the children.

Is it Magic or Chemistry?

This day long event gives young students the opportunity to see magic performed by a professional magician, but the magic being done is all chemistry. Students will have their own opportunity to learn how to do these fascinating chemistry experiments. They will then demonstrate them to their fellow students. Hand outs are given so students can take their own ideas home and fool their brothers and sisters as well as their parents.

This program is limited to 35 children because of the hands-on experiments. The cost of the program is \$85.00. A check, along with name, address, and telephone number may be sent to:

Accelerated Reader Summer Program

Klager Elementary is trying to keep the spirit of reading alive throughout the summer by opening up the computer lab and library cart on select dates. Students grades first through fourth, as well as outgoing fourth graders are encouraged to attend.

By opening up for the summer, students will be able to keep reading and accumulate points to spend in the Accelerated Reader Store next year. A variety of Accelerated Reading books will be available on the cart, students being able to check out books and return them the following week. Students are also encouraged to visit the Manchester Community Library and their own home libraries for Accelerated Reader books.

Students must be accompanied by a parent (no dropping off and picking up) and the same rules apply for the summer program as they do during the school year.

The schedule for the summer program is 9:00 am to 11:00 am on July 2nd, July 9th, July 16th, July 23rd, and July 30th. At these times children may check out books and take Accelerated Reader Tests. This is a great way to spend time with your child and an opportunity to let your child receive points for the AR store next year. The program will be available at the middle school next year, so next year's fifth graders can also get a head start on the points.

Don't forget to bring your child in for fun and a great learning experience!

Mandatory Fall Sports Pre-season Parents Meeting

The Manchester Athletic Department is hosting a Mandatory Fall Sports Pre-Season Parents Meeting for all parents whose children will be participating in a fall sport. The goal is to have at least one parent of each participating athlete attend. The meeting will be held on Wednesday, August 6, 1997 in the High School Gym at 7:00 PM.

The meeting will allow parents to get to know the coaches who will be working with their sons or daughters, learn about state and local rules relating to athletics, and learn about insurances and Saline Physical Therapy. Parents are asked to bring the \$20.00 Insurance Fee at this time (checks payable to Manchester Community Schools). Parents will also learn about the letter requirements for each sport, have an opportunity to join the Manchester Athletic Booster Club, and learn about team and individual pictures.

The general objective of the evening is to acquaint parents with the total athletic program and a question and answer period will be held for inquiries to the Athletic Director and coaches. After the program the Athletic Booster Club will hold its August meeting, and interested persons are encouraged to attend.

The Mothers of Baseball ("M.O.B.") had a popular booth at Family Day, selling refreshments (and providing shade!) to those in attendance. With over 200 participants in Little League this year, the day was well attended and a good time was had by all!

The Second Annual Family Day at the Ball Park was another unqualified success. All day on Saturday was pretty much dedicated to baseball in Kirk Park. From the t-ball games in the early morning, till the last game ended after 8 PM, the fields were alive with activity.

Live announcers provided "color" and trivia throughout the day, as the teams' All Stars each played two innings of ball.

Red, white and blue decorations surrounded the field and the rainbow of jerseys from the various teams, created a palette of colors that was constantly changing.

Thanks to the Mothers of Baseball (M.O.B.) and to the Manchester Little League for sponsoring this fun activity for all. See you next year, at the Ball Park!

Young Peoples Citizenship Seminar

Manchester High School student **Stanley Ernst** (at left) recently attended the Young People's Citizenship Seminar, held June 16-20 at Calvin College in Grand Rapids. The 30-year-old annual seminar is sponsored by Michigan Farm Bureau. Students earned scholarships from their county Farm Bureau organizations and local businesses to attend. (also pictured Josh Powers and Jill Wesolowski) Over 200 Michigan high school juniors and seniors were selected to participate in the program. Highlights of the five-day seminar included Vic Verchereau humorously explaining "My America" and award-winning speaker Robert Rowland discussing the "Moral Foundation of Freedom." Other major contributors to the program included Detroit Lions tight end David Sloan, motivational speaker Maxine Cain, holocaust survivor Erna Blitzer Gorman and Rep. Ken Sikkema.

Military News

Navy Seaman Recruit **Eric M. Moore**, son of Linda L. Moore of Sharon Hollow Road, Manchester, Mich., recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill.

During the eight-week program, Moore completed a variety of training which included classroom study and practical instruction on naval customs, first aid, fire fighting, water safety and survival, and shipboard and aircraft safety.

Moore and other recruits also received instruction on the Navy's core values — honor, courage and commitment — and how to apply them in their military performance and personal conduct. Moore joins 55,000 men and women who will enter the Navy this year from all over the country.

He is a 1996 graduate of Lenawee Christian School in Adrian.

Alma College to host Michigan Summer Institute

More than 125 Michigan high school students will explore the topic "Medical Sciences and the Arts in the 21st Century" during two intensive weeks at Alma College, July 6-19, 1997. Manchester High School senior **Lindsay Jacob** will be among them. Lindsay will be studying the topic, "DNA Fingerprinting."

Instructors at Alma's Summer Institute, one of seven institutes sponsored by the Michigan State Board of Education, will utilize art therapy, chemistry, computer technology, dance, DNA fingerprinting, drama, forensic science, music and physiology to give students a hands-on experience in many fields. The arts-oriented classes will be held in the Clack Art building and the Heritage Center for the Performing Arts. Science classes will be conducted in the Dow Science Center and the Ronald O. Kapp laboratory wing.

Selected through their high schools, intermediate school districts and the summer institute sites, the students will spend mornings involved in their intensive course. Afternoon exploratory courses will give students the opportunity to sample various disciplines, crafts and personal growth offerings in the community.

Special guests to the institute include soprano Diane Penning-Koperski, who appeared recently with the Alma Symphony Orchestra; Gaylord Acker, formerly of the Institute for the Advancement of Prosthetics; Joe Rogers, of Wildlife Recovery; and Jay Siegel, a professor in the Forensic Science Department at Michigan State University. Other evening programs feature a varsity-level quiz bowl competition and a student talent show.

Residence hall counselors will lead evening discussions about such issues as euthanasia, abortion, animal rights and other program-related themes. Rounding out the program are several off campus trips, including a Lugnuts baseball game and a visit to the Michigan Historical Museum in Lansing.

Congratulations, Lindsay, on a great opportunity to expand your horizons this summer!

MANCHESTER AREA SENIOR CITIZENS News

Is it possible to have oat bugs this early? I have noticed a few very small black moving things the size of thread moving around in the house now that the windows are open. Can you remember the year that they were even in our picture frames? Suppose it's about time for them again.

From our down-home Stryker Advance-Reporter and the many years ago column comes this from June 13, 1907: "1816, the year without a summer. The record of the weather in the northern states for that fateful year follows—March was cold and stormy. Vegetation had gotten along well in April, when real winter set in. Snow and sleet fell on 17 different days in May. In June there was frost or snow every night but three. The snow was five inches deep for several days in succession in the interior of New York and from ten inches to three feet in Vermont and Maine. July was cold and frosty; ice formed as thick as window panes every one of the New England states. August was still worse, ice formed nearly an inch in thickness and killed nearly every green thing in the United States. In the spring of 1817, corn which had been kept over from the crop of 1815, sold for from \$5 to \$10 per bushel, the

buyers purchasing for seed." And we thought spring would never come this year!

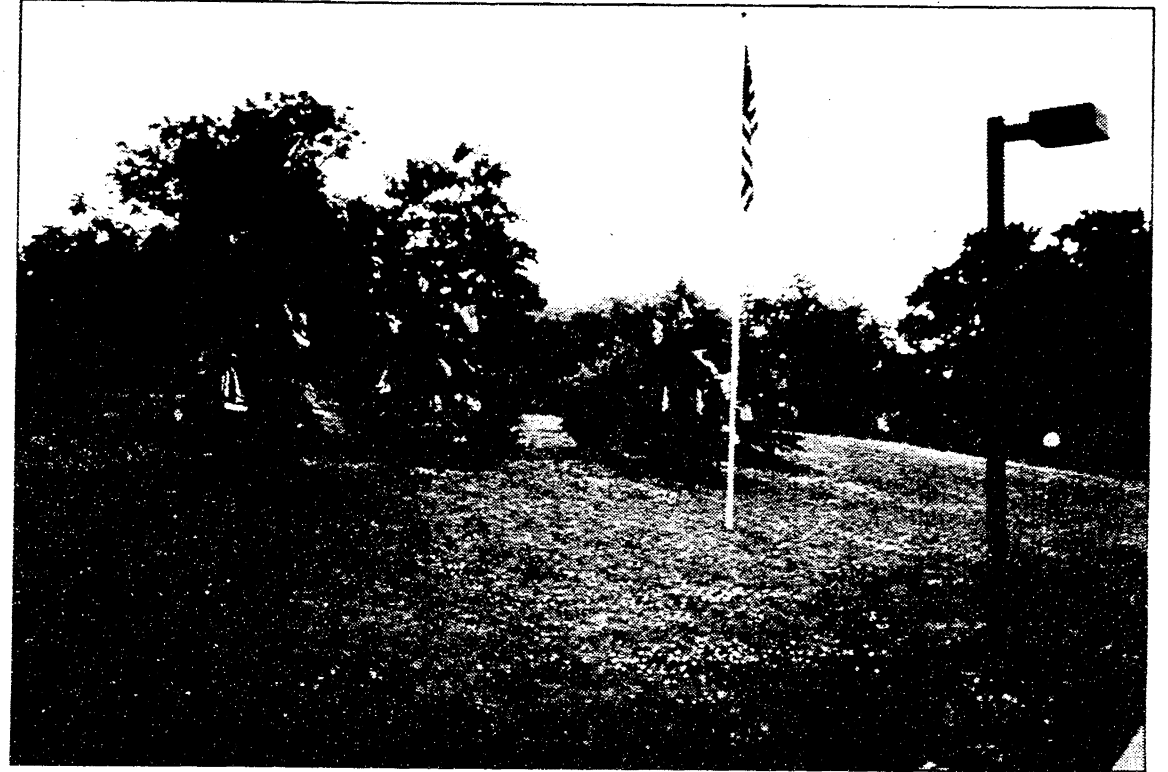

Thursday, July 3: Our July-August Trumpeter is ready and you may pick up your copy at the Senior Center, 214 North Macomb St. today from 9:00-11:00 AM and at 1:00-3:00 PM when it is open. Then, off to Carr Park at dusk for fireworks.

Monday, July 7: Senior bus pickup begins at 9:30 for shopping at Adrian. There will be discount shopping, so bring your own bag for this. Call Marion Ahrens at 428-7865 for your bus ride.

Tuesday, July 8: Our great Manchester Fair begins today. If you'd like to ride in the senior bus in the parade, be at the Center at 5:45. Remember, there is no council meeting today.

Thursday, July 10: This afternoon beginning at 1 PM, Senior Day at the Fair begins for all who are 62 or older who will get in free until 5 PM. Free bingo and prizes will await these seniors, so come on out. This is also the day for the ice cream social at Bethel UCC and pickup will start at 3:30 to go out to the corner of Bethel Church and Schneider Rds.

We, as seniors wish to thank and congratulate our Fair Board and all the volunteers who make our fair so enjoyable for all of us. It's

Your Urinary System

- from Nancy's Herb Pantry in the Mill

The steam rolled out from the engine as he frantically hosed water onto his motor and radiator. What is the problem? An overheated engine? NO. Out of Gas? NO. Bad spark plugs? NO. Clogged up radiator? YES. You mean to tell me that stopped up system caused all those problems and stopped you right in the middle of a busy day? Yes, sure did.

Let me explain. When the cleansing and cooling system of the body gets congested or inflamed and clogged up, every function of the system is going to suffer and fail to perform as it should. So it is with our kidneys; though they are not like a car's radiator, they do affect every function of our bodies.

The kidneys regulate the amount of dissolved substances in the blood and eliminate waste products that accumulate. They also draw out and store certain necessary material so we do not discharge the nutrients before they are used. The kidneys are custodians or protectors of the body's supplies of glu-

cose (blood sugar), potassium, phosphate, calcium, chloride, carbonate, and sulphate. In addition to this function they eliminate nitrogenous waste (urea) and other toxic poisons. When we fail to drink sufficient water, this waste is so toxic that it burns or inflames the bladder - causing endless kidney, bladder and muscular back disorders. Remember, the kidneys are blood filters.

Many people use herbs such as Hydrangea. This fine diuretic and cathartic seems to cleanse the urinary system and assist in clearing stones and gravel from the kidney and bladder. Uva Ursi is one of the fine astringent herbs that has a strong affinity for the urinary system. It's diuretic effect and antiseptic properties make it one of the favorite herbal foods for urinary disorders. This herb helps to soothe and smooth muscles and reduced reaction to pain stimulus.

Watermelon seed is an old time herb for increasing urine flow. It lubricates and mends weak areas of the uri-

nary system. Dandelion needs no introduction. It produces a mucilage which soothes and draws toxins out, eliminating infections and building the system with rich minerals. This herb helps rebuild the tissue and restore damage.

When one has kidney and bladder problems the entire system is affected, especially the heart area. Herbs such as Siberian Ginseng and Dong Quai assist the body in helping build a strong heart to fight off the toxic waste due to overworked kidneys. Did you know that most people who suffer from blood pressure generally have urinary weaknesses? The Chinese and ancient herbalists used Ginseng and Dong Quai to support these areas of need.

All of these fine herbs along with several herbal combinations by Nature's Sunshine Products, give us a NATURAL ALTERNATIVE for better health.

Don't forget the Manchester Community Fair - I'll be in the Merchants Tent. See you there.

- Nancy

RADIO SHACK PRODUCTS AVAILABLE AT HEYDLAUFF'S OF CHELSEA

Local residents looking to buy computers, cellular phones and other electronic equipment may no longer have to drive to Ann Arbor or Jackson to get them.

Heydlauff's Appliance & Electronics store has entered into an agreement with Radio Shack to sell Radio Shack products in downtown Chelsea.

"Radio Shack approached us," said Heydlauff's owner George Heydlauff. "They expressed an interest in offering their products locally and they picked us to work with."

Heydlauff's will now contain a Radio Shack department inside me store. The display of Radio Shack products measures 500 square-feet. "It's really like a store within an existing store," says Steve Eiseman, hired to run the new department.

By becoming a Radio Shack dealer Heydlauff's will now contain 1,700 of Radio Shacks most popular items and have access to their full line of over 180,000 products. Heydlauff's will, of course, continue selling their full line of appliance products; General Electric, Maytag, Jenn-Air and Amana as well as RCA TV & Electronic products.

Quality products and exceptional product support are just two reasons why Heydlauff's chose to sell Radio Shack Products. The new product categories provide Heydlauff's with items their customers were asking for. Products such as phones and phone accessories, more electronic equipment and hardware, computer items, car stereos, CB's & scanners and much more.

Radio Shack's slogan "You've got questions, We've got answers," is a philosophy we have lived by for over 60 years. "We've always prided ourselves on being able to help answer questions our customers have on appliances and electronics. Service is a very important part of our business." Mark Heydlauff explained.

Radio Shack is the number one retailer in cellular phones and the number one retailer of direct to home mini dish satellite systems in America. "This adds to our current product mix and enhances our offerings in other product categories. We are excited about the addition of Radio Shack items to our store."

Heydlauff's Radio Shack products are in stock and they plan to have a Grand-Opening sale for the Radio Shack line sometime this summer.

"We've done fairly well for the first few days that the display has been opened in our store," Mark said. "The response has been good around town. People we've talked to seem happy to see Radio Shack products available in town."
