## Construction Worker Electrocuted in Accident

A potentially serious accident occurred during the construction of a pole barn on West Austin Road on Monday morning.

Fire Chief Gary Wiedmayer reports that the contractors were trying to set roof trusses for the pole barn with a truck crane. The crane was positioned on the east side of the pole barn under construction. In an attempt to drag the trusses with the crane a cable was attached to the trusses and the crane lifting cable was used to drag the trusses closer to the pole building. During the process the crane boom lifting cable came into contact with the high tension line.

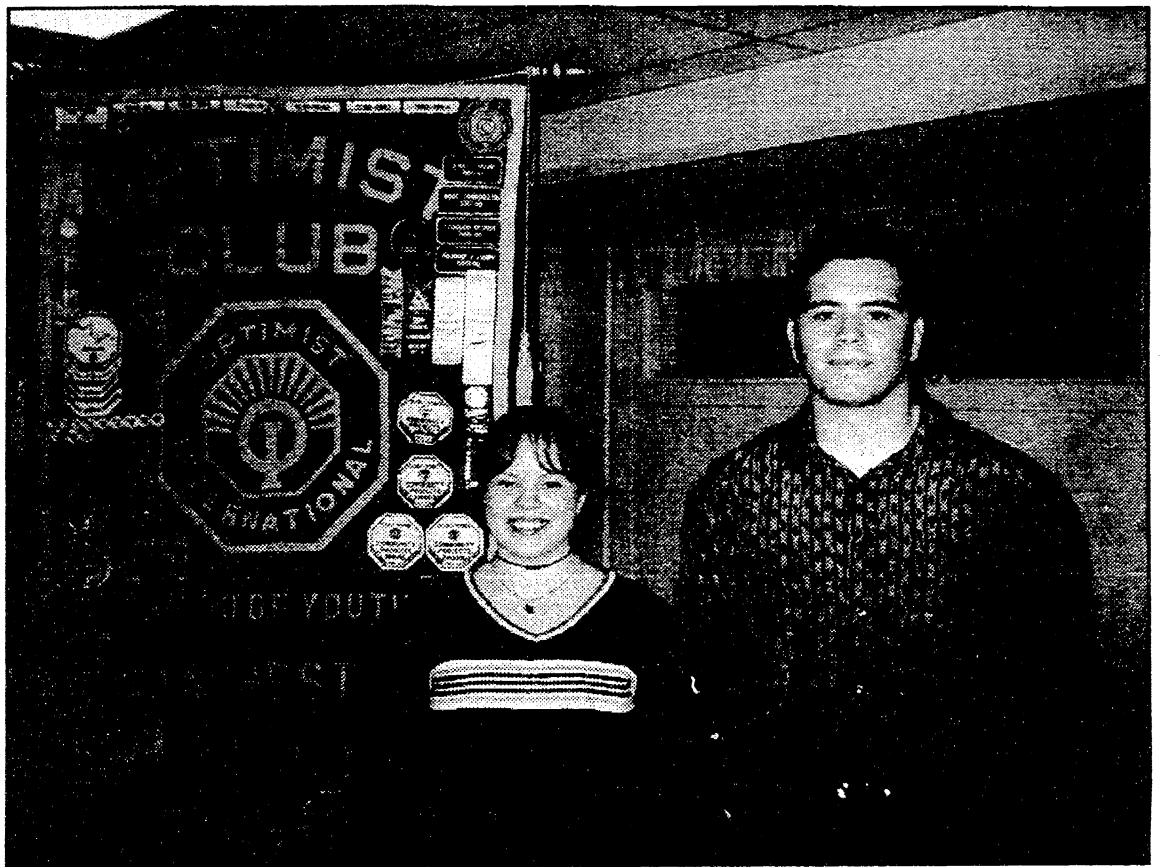

The cables contacted with the nearby power line and the electricity jumped, grounded across the lifting cable from the power lines to the cable of the crane. The victim apparently was holding onto a chain connected to the crane cable and the roof trusses. The electrical connection between the high tension line, down the crane cable, into the attaching chain then through the victim created a circuit which was completed through the victim's body.

"The electricity grounded in a 24-year-old man, who was alert and conscious when we arrived," reported Wiedmayer. "His father, who was operating the crane, had already administered CPR." On-site witnesses from the construction crew said, "Without the victim's father being able to administer CPR or knowing how to properly administer the procedure he would have been gone."

The young man, who lives in Saline, was transported to University of Michigan Hospital with several exit wounds, and it was unknown at press time whether internal injuries were involved in the accident.

Wiedmayer noted that electricity will jump from one spot to another, and reminded us that it is always best to stay far away from downed power lines or any other live wires. You do not have to physically touch a line to be electrocuted, as this young man's unfortunate experience proves.

## The Future of America Lies in Today's Youth

Jenny Manwaring and Matt Laskowski, the Optimist representatives to Girls and Boys State. Lindsay Jacob represented the American Legion Auxiliary, and Lindsay Hosmer was selected but unable to attend.

Some of you may have heard that the Manchester Optimist Club and the American Legion and Auxiliary #117 sent students to Boys & Girls State. You may wonder what these programs are all about.

Boys and Girls State are government simulation programs. This year's participants from Manchester were Jenny Manwaring, Lindsay

Jacob, and Matt Laskowski. All three students thoroughly enjoyed their experiences at Boys and Girls State.

Boys State was held at Michigan State University while Girls State was held at Central Michigan University. All three participants agreed that the dorms and other facilities were very nice. However, the girls agreed that the boys had more free time and

more facilities opened to them.

Everyone learned a great deal about Michigan's state government system. Matt Laskowski said, "I learned that the United States does have the best government in the world; however, it's far from perfect. My generation

## Feasting on Success

### Moveable Feast Purchased by Manchester Couple

by Marsha Johnson Chartrand

When Dan & Carol Huntsbarger of Manchester purchased The Moveable Feast in June, they were taking over an Ann Arbor tradition of 20 years of "feasts," as well as a 125-year-old mansion which is a local landmark. After a month spent in intensive renovation and redecorating, the Huntsbargers were ready to open their doors with an expanded menu and something "new to be experienced."

On Liberty Avenue, with a breathtaking view of downtown Ann Arbor, walking into the Moveable Feast is just the beginning of an interesting dining experience. Greeting you as you walk in the door is an antique French tile stove in a tiny alcove under the stairs, which hides a coat rack from general view. Fresh flowers adorn the foyer and the tables in each dining room, reminiscent of an earlier style of fine dining - but you won't forget that it's the 1990's as you look around, nor while you peruse the menu.

To your left is one of the main

rooms. One small, private room can hold 8-10 for a small dinner party. This room is known as the Christensen room, named for the artist whose work which is "a little left of reality" graces the walls.

Two other larger dining rooms, which can each seat 20-30 comfortably, can also be used for business meetings and other functions. "Because we provide complete catering, we can provide these services and these rooms during the week, for meeting space and are considering a marketing package to expand our business to corporations and organizations who might utilize this kind of atmosphere," explains Dan.

Complete catering has always been a specialty at the Moveable Feast, and it is a role in which Dan is very comfortable. After seven years at the Gandy Dancer in Ann Arbor, six as the General Manager, Dan is experienced in many aspects of food service. At the Moveable Feast, catering is a big part of their business appeal. "We cater a lot of

Carol & Dan Huntsbarger are the new owners of The Moveable Feast in Ann Arbor

thought of acquiring more Victorian homes and turning them into fine restaurants," says Dan. A further dream is being able to purchase a large facility, again preferably an "interesting" Victorian-style residence, and use it as a home base for the catering portion of his business.

The history of the Peter Brem mansion is one which obviously fascinates both Dan and Carol. Peter Brem was one of the first brewers in Ann Arbor in the 1800's, and was the first to build his estate on what is now known as the Old West Side. "The property abstract dates back to 1832," explains Dan, and the area was farmed for many years prior to Brem purchasing it for his home. Photos of the Brem family and the mansion in its prime are mounted on the wall of the foyer for visitors to see. Following the last of the Brem family to live in the home, it was sold to the Odd Fellows, a fraternal organization of traveling craftsmen, and remained the Odd Fellows hall for many years, until Pat Pooley purchased it some 20 years ago and converted it into The Moveable Feast.

"I have known and respected Pat for many years, and I heard from a mutual friend that she was considering retiring," Dan continues by way of explaining their acquisition of the restaurant this year. "This friend planted the seed, and we began talking about it almost two years ago."

"It was good timing - I've always wanted to own my own restaurant; yet I didn't want a storefront on Main Street," he notes. "This fit the bill perfectly."

Besides the restaurant (currently serving dinners, Monday through Saturday), and their extensive catering business, The Move-

able Feast also has a bakery which is another substantial portion of their market. Commercial and wholesale accounts throughout southeastern Michigan, including the Merchant of Vino and the Produce Station, make it a busy place indeed - so busy, that Dan and Carol have decided to close the retail shop in Kerrytown within a month.

About fifteen full time and 30 part time staff help Dan and Carol to accomplish everything, and keep it running smoothly. Many new staff members have joined The Moveable Feast over the past few months, who share Dan's philosophies of food and of business. "I'm very pleased with the people we have on board; I know they'll uphold the standards we've set." He anticipates fine tuning things over the next couple of months.

"and by the first of the year I'll really be enjoying myself."

The Moveable Feast's menu changes seasonally to reflect their use of the freshest product available, and the accompaniments fit the season. "We'll be reprinting the menu completely four times a year, and we'll make subtle adjustments throughout each three month season." Dan also enjoys getting "real interactive" with food and servers often bring samples of new creations to share with diners.

"We don't limit our menu to any certain kind of cuisine, so it reflects a global essence," Dan adds. "The new directions we've taken our menu have been really well received."

"Dining should be a relaxing event," Dan comments. So it is that the atmosphere at The Moveable Feast is comfortable, and no dress code is enforced, although it remains evident that dressing down is the exception rather than the rule. The prices are also competitive, for such a unique dining experience. A change from the prior owner's policy of reservations-only seating, the restaurant now encourages walk-in diners as well as those requesting a reserved table. Relax a bit more with one of their fifteen wines by the glass or one of the 450 bottles in their dual-controlled oak wine cooler. The muted colors and quiet, bluesy background music add to a easy-going ambiance.

And so, Manchester can lay claim to a little bit of Ann Arbor's history as well as its future. An exciting time for Dan and Carol Huntsbarger lies ahead. And hopefully, their home town will enjoy offering its support to their new venture.

A bay window with a cozy table provides a comfortable spot for fine dining at the Moveable Feast

dining rooms, a beautiful large room with bay windows and simple but elegant furnishings. On the right is the Brem lounge area, named for the original owners of the mansion, with a comfortable atmosphere. "Although we envisioned this as a martini bar and a spot to relax, many of our customers enjoy an opportunity to eat in here," commented Dan. With 15 different martinis on their list, and another bay window with a view of downtown, it's easy to see why it's a popular spot to dine.

The stairway straight ahead leads to three other upstairs dining

weddings and offer 'one stop shopping' as part of our package," says Dan. "We offer specialty ice carving (something Manchester has come to enjoy each year at the Winter Festival), have connections with florists, and can even line up entertainment." Although many of these receptions are held at outside facilities, their home location can host small and private receptions. Another recent coup was catering the inaugural dinner for the new president of the University of Michigan, Lee Bollinger.

"I'd like to entertain the

Intimate dining in the Christensen Room upstairs at the Moveable Feast

### Out of the Pen

- by garlene

Reach garlene via e-mail at <garlene@juno.com>.

Life in a small town isn't always rosy, but garlene has found that it means there's always something to talk about. In the newspaper business that is considered a good thing. News is news, and whether it's good news or bad news it seems our duty to report on it.

This doesn't always make everyone happy. Well, garlene isn't the first one to say that you can't please everybody, nor will she be the last to say so. Sometimes the things that happen, even in a quiet small town, aren't always agreeable.

There have been times when we have been compelled

to report on news which didn't make us particularly happy, either. None of us enjoys writing a story on a relationship gone sour which ended in violence; or a destructive spree which left a school in shambles; or young people arrested for possession with intent to deliver illegal substances; or sexual harassment in the workplace. These and other stories which we have been criticized for publishing, are still news. They are still facts of life, however unfortunate.

At the **Enterprise** we aren't exactly the paparazzi,

although we do appear with our cameras at what some might consider inopportune moments. And sometimes a police report will pique our interest and so we will include a story which has an effect on the community as a whole.

This doesn't mean we're picking on any one group of people, whether it be youth, adult, or any special interests. It just means we're doing our job.

It's what we'll continue to do. And hey, if you're talking about us, you must be reading us. We like that. Stay tuned.

**Editorial** - a statement of opinion in a newspaper, or on radio or TV by an editor or publisher.

**Opinion** - a belief not based on certainty but on what seems true or probable. What is thought on any matter or subject; judgement or belief resting on grounds insufficient to produce certainty.

This is an Editorial/Opinion Page. Views expressed on this page are the opinions of the writer(s).

### Out & About

- by gar

Just returned from Yellowstone National Park and Grand Teton National Park and they truly are beautiful National treasurers. Going there in the off season probably was the proper time of year to visit. Park Rangers indicated that during summer months, traffic congestion and accommodations are very real problems.

We flew into Salt Lake and drove north to the west entrance. The first night was spent in Mammoth Hot Springs. Wildlife apparently migrate down from the high country in Mid September and we were pleased to see most of the game that inhabit the park. Road construction within the park restrict movement and we were unable to access Old Faithful from the north. We did get to see Old Faithful and many other hot springs from the south end of the park. We stayed at Yellowstone Inn one night and

Lake Yellowstone is magnificent. The nights were cool but daytime temperatures were very comfortable.

Fire scars remain from the 1988 fire that destroyed about 85% of the trees. New tree growth is evident but the growth is very slow because of the short growing season. We headed south out of Yellowstone through Grand Teton and the mountain scenery was magnificent. We followed U.S. Route 89 south and the drive was worth the white knuckle moments where construction work was ongoing. Some of the roads were not as good as Austin Roads worst sections.

If you wish to visit some of our national treasures, I highly recommend going in mid September after school is in session and the heavy traffic volumes are reduced.

Dear Hunters,

I am making an assumption that the owners of two well-groomed hunting dogs with collars and tags that happened upon our property Saturday, September 13 are hunters. These dogs were around our neighborhood both Saturday and Sunday of that weekend. We didn't get concerned about them until we saw them again on Sunday, when we realized that they were probably lost and without owners.

My eight year old son had a pet rabbit, which we kept outside in a wire/wood cage next to the garage. She was fine when he went out to feed and water her Sunday morning. When we came home from church, the dogs were on our property again, and ran back into the wooded area. We discussed our concern for the dogs and decided we would attempt to catch them and call the owners. We believed they had strayed from their owners while hunting.

We left for brunch, as we do almost every Sunday. As we drove through town, my son mentioned his concern for his rabbit - that the dogs might try to get Sparkles. I responded by saying she was safe and the dogs would not bother his pet.

How wrong I was. When we arrived home at around 1 PM Sunday Zachary ran out to his pet's pen to find the wire bent open and fur all over. As he came around the garage, his eyes filled with tears, I knew something had happened. We hunted for Sparkles and I found her in the wooded lot where the dogs had been, lying lifeless.

How do you tell an eight year old that someone else's pet has killed his pet? How do you justify it? We put a lost/found ad in the paper last week hoping someone would respond and received no calls.

It is hard to blame the dogs, for they are trained to hunt. But to a young person who loses their pet, where else will he lay the blame? Is the owner responsible for not keeping their hunting dogs under control, or did the dogs get loose? Being well-groomed dogs, it seems the owner would have been out looking for them.

I would like the owner of these dogs to explain the accident which took an eight year old's pet, correctly penned, from his own property. You face the tear filled eyes and apologize for your pet's actions - it ain't easy.

To all hunters - please keep your animals controlled; if they stray from you, hunt them down until you find them and notify the neighbors in the area. We hunted for several hours on Sunday without finding the dogs again, or locating their owners.

Signed a tear filled eight year old and family.  
Zachary Benedict

## Public Notice to Constituencies

The Washtenaw County Agricultural Lands and Open Space Task Force will be conducting a third public hearing in relation to their Preliminary Report. The primary purpose of the public hearing is to receive public comment and opinion on the draft recommendations. This public hearing will include a presentation and the opportunity for members of the public to comment.

**Public Hearing: October 1, 1997, Lincoln High School Cafeteria, 7425 Willis Road, Augusta Township**

The Task Force has been charged by the Washtenaw County Board of Commissioners with developing recommendations for a Farmland and Open Space Preservation Program to be presented to the Board of Commissioners for review in December 1997. In developing its recommendations, the Task Force must consider existing federal, state, county and local policies, resources and tools, including tools used successfully in other jurisdictions and suggest strategies that will maximize effective use of these policies and tools in a program of coordinated policies that can be administered at all levels of local government.

The Task Force invites members of the public, local government bodies, agencies and officials, and organizations and constituencies which have a particular interest in or which are affected by land use policies, to participate in the public hearing process. Copies of the Preliminary Report are available at the Washtenaw County Metropolitan Planning Commission Office, the Washtenaw County Web-site (<http://www.co.washtenaw.mi.us>), local township halls, as well as the local libraries.

*The County of Washtenaw will provide reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting to individuals with disabilities at the meeting/hearing upon seven (7) days' notice to the County of Washtenaw. Individuals with disabilities requiring auxiliary aids or service should contact the County of Washtenaw by writing or calling the following: Annette Miller, Human Resources, 220 N. Main Street, PO Box 8645, Ann Arbor, Michigan 48017-8645, (313)994-2410, TDD#(313)994-1733.*

Posted in compliance with the Open Meetings Act, PA 267 of 1976.

For more information, please contact the Washtenaw County Planning Department Planning Department at 313/994-2435, 110 N. Fourth Ave., PO Box 8645, Ann Arbor MI 48107-8645

## NOTICE OF PUBLIC HEARING MANCHESTER VILLAGE ZONING BOARD OF APPEALS

OCTOBER 20, 1997 - 7:45 P.M.

Notice is hereby given that the Manchester Village Zoning Board of Appeals will hold a public hearing on Monday, October 20, 1997 at 7:45 p.m. at the Village Hall, 120 S. Clinton St., Manchester, Michigan.

The purpose of the public hearing is to receive comments on the application for a dimensional variance from Laura Ober for the property located at 121 Main St. and presently owned by Charles and Sandra King. The application asks for a variance on off-street parking and a 7 foot setback variance for the handicap ramp to allow them to conduct a preschool and childcare center at the 121 Main St. property.

If you would like to comment on the variance application and are unable to attend the hearing, you may send written comments to: Karen Tucker, Village Clerk, Village of Manchester, 120 S. Clinton St., Manchester, MI 48158, or deliver them in person no later than 4:00 p.m. on October 20, 1997.

Karen Tucker, Village Clerk  
9-19-97

## NOTICE OF PUBLIC HEARING MANCHESTER VILLAGE COUNCIL

OCTOBER 20, 1997 - 8:00 P.M.

Notice is hereby given that the Manchester Village Council will hold a public hearing on Monday, October 20, 1997 at 8:00 p.m. at the Village Hall, 120 S. Clinton St., Manchester, Michigan.

The purpose of the public hearing is to receive comments on the application for a conditional use permit from Laura Ober for the property located at 121 Main St. and presently owned by Charles and Sandra King. The application asks for a conditional use permit to conduct a preschool and childcare center at the 121 Main St. property.

If you would like to comment on the conditional use permit application and are unable to attend the hearing, you may send written comments to: Karen Tucker, Village Clerk, Village of Manchester, 120 S. Clinton St., Manchester, MI 48158, or deliver them in person no later than 4:00 p.m. on October 20, 1997.

Karen Tucker, Village Clerk  
9-19-97

## BRIDGEWATER TOWNSHIP PLANNING COMMISSION

### Minutes of Regular Meeting

Mr. Greg Hodges presented materials to comply with several of the Special Land Use conditions for expansion of Rustic Glen Golf Club from 9 to 18 holes. Mr. Hodges expects additional information to be forthcoming in the near future.

An application for a Special Land Use permit for a riding stable to be located at 9898 Kies road, Manchester was accepted from Garry and Peggy Schleicher. A public hearing on the request was scheduled for the next regular meeting.

A Temporary Dwelling Permit extension was approved for Ronald Elliott for property located at 12045 Bemis road, Manchester.

It was reported that the Township Planning consultant has completed changes to the updated Zoning Ordinance and the Private Road Ordinance. The ordinances have been forwarded to the Township Board for approval.

The next regular meeting is October 13, 1997 at 7:30 PM.

Wade Peacock  
Secretary

## CROSSING GUARDS PROVIDED

The Village of Manchester provides school crossing guards for the safety of Manchester Community School District children. The crossing guards are in four locations for the time periods as described below:

M-52 at Klager 8:00 a.m. until 8:55 a.m.  
3:00 p.m. until 3:30 p.m.

M-52 at Main 8:00 a.m. until 8:50 a.m.  
3:00 p.m. until 3:40 p.m.

M-52 at Duncan 8:00 a.m. until 8:45 a.m.  
3:00 p.m. until 3:40 p.m.

M-52 at Wolverine 8:00 a.m. until 8:45 a.m.  
2:55 p.m. until 3:45 p.m. (or until the after  
noon bus drops off the children)

**PARENTS:** Please be advised that it is important that your children leave in a timely manner so that their crossing can be supervised and they can safely reach school in the morning and home in the afternoon. Please remind them to use the corners with crossing guards - the Village and the Schools cannot be responsible for children who do not use the supervised locations.

## FREEDOM TOWNSHIP FALL CLEAN-UP DAY

Saturday, Sept. 27, 1997

9:00 AM. - 2:00 PM.

9/11, 9/18, 9/25

## FREEDOM TOWNSHIP PUBLIC HEARING on Growth Management Plan

Notice is hereby given for a public hearing of the Freedom Township Planning Commission for Tuesday, September 30, 1997 at 7:30 PM at the Freedom Townhall, 11508 Pleasant Lake Road.

Purpose of the meeting is to present for public consideration a new growth management plan for Freedom Township.

The Plan may be examined prior to the hearing by making an appointment with the Chairman, Stanley Tschiltz (662-9016) or with Secretary, Bob Miller (428-8222)

Freedom Township will provide necessary reasonable auxiliary aids and services such as signers for the hearing impaired and audio tapes or printed materials being considered at the meetings to individuals with disabilities upon five days' notice prior to the meeting to the Freedom Township Clerk, 13785 Pleasant Lake Road, Manchester MI 48158 8/27, 9/24

# Local Government

## NOTICE FREEDOM TOWNSHIP ZONING BOARD OF APPEALS

Notice is hereby given for a public hearing and meeting of the Freedom Township Zoning Board of Appeals on September 29, 1997 at 7:00 PM. in the Freedom Townhall, 11508 Pleasant Lake Road. Purpose of the meeting is for consideration of request for variance from the provisions of the Freedom Township Zoning Ordinance on property at part of SW1/4 of Freedom Township Sec. 35, Tax Code No. , N 14 35 300 008, to build a barn for storage prior to building a house.

Application for variance and all supporting papers can be examined by making an appointment with the Chairman of the Freedom Township Zoning Board of Appeals, Luke Schaible, at (313) 428-9120.

The Freedom Township Board will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting to individuals with disabilities at the meeting or public hearing upon ten days notice to the Freedom Township Board.

Individuals with disabilities requiring auxiliary aids or services should contact the Freedom Township Board by writing or calling the Township Clerk at (313) 428-7241, 13785 Pleasant Lake Road, Manchester, MI 48158

## NOTICE OF PUBLIC HEARING MANCHESTER VILLAGE ZONING BOARD OF APPEALS

OCTOBER 20, 1997  
7:30 P.M.

Notice is hereby given that the Manchester Zoning Board of Appeals will hold a public hearing on Monday, October 20, 1997 at 7:30 p.m. at the Village Hall, 120 S. Clinton St., Manchester, Michigan.

The purpose of the public hearing is to receive comments on the application for dimensional variance from Karen & John Hinkley, 318 Ann Arbor St., Manchester. The application asks for a side yard set-back variance of 10'6" and a variance on the floor area ratio to allow the Hinkley's to build a garage on their property.

If you would like to comment on the variance and are unable to attend the hearing, you may send written comments to: Karen Tucker, Village Clerk, Village of Manchester, 120 S. Clinton St., Manchester, MI 48158, or deliver them in person no later than 4:00 p.m. on October 20, 1997.

Karen Tucker  
Village Clerk  
9-19-97

## FREEDOM TOWNSHIP PROPOSED SYNOPSIS September 9, 1997

The Meeting was called to order with all Board members present. Also present were approximately 30 residents. The minutes of the August regular meeting and public hearing were approved. The Treasurer's report was approved. Various communication and reports requiring no Board action were received. McKune Library has extended the Library contract to Jan. 6, 1998. The Washtenaw County Road Commission was unable to apply a dust layer by the August 31 deadline.

The Planning Commission reported a public hearing will be held September 30 at 7:30 PM to discuss the growth management plan. The Zoning Board of Appeals had met and submitted their findings. Zoning Officer. Lindemann, reported the junk car violation has received court action and should be cleaned up by Sept. 15. Freedom Township Fall Clean-up Day is Sept. 27, from 9 - 2 at the Pleasant Lake School.

Under New Business, the Board discussed the variance application from Waterland Trucking Service, Inc. The variance was acted on section by section as follows: 6.02, 8.01 (Fees)-denied; 6.06(Form of Permit)-denied; 6.07(Compliance with Future Amendments to Ordinance)-denied; 8.02(Annual Report of Material Remedies)- granted; 10.01(Excavation and Restoration Plans)-denied; 11.00(Specific Operation Requirements)-granted with exceptions; 13.01(Extractive Operations)-granted; 13.04(Sunday Operations)-denied; 14.02(Public Roads)-denied; 15.00(Landscaping)-granted; 17.01 (Dumping of Materials on Site)-tabled.

Old Business included approval of the Washtenaw County Board of Public Works Recycling Letter of Agreement with an addendum.

Bills #4897 through #4916 were approved for payment. The meeting was adjourned at 11:30 PM.

Submitted by Julie Schaible, Clerk

Approved by Robert Little, Supervisor

## SHARON TOWNSHIP PLANNING COMMISSION

### Public Hearing and Meeting

On Thursday, October 16, 1997, at 8:00 PM EDT, at the Sharon Township Hall, 18010 Pleasant Lake road, the Sharon Township Planning Commission will hold a Public Hearing to receive comments on the following proposals:

1. An amendment to the Sharon Township Zoning Ordinance adding Section 11.11, "Commercial Communication Towers and Antennae," establishing standards and procedures for the placement, use and eventual removal of such structures, including cellular phone towers.

2. An amendment to the Sharon Township Zoning Ordinance adding Article 4, "Open Space Community District." The proposed amendment provides for the establishment of Open Space Overlay zones and provides standards for housing development within these zones.

Written comments may be sent to Roger Kappler, Chairman, Sharon Township Planning Commission, 19163 Bethel Church Road, Manchester, Michigan 48158, and must be received by October 15, 1997.

The Sharon Township Zoning Ordinance, and a copy of the proposed amendments, may be reviewed, and the Ordinance purchased, by appointment, through Teri Aiuto, Sharon Township Clerk. Call 428-7002.

The regular meeting of the Commission will commence immediately following the Public Hearing.

**Sharon Township Planning Commission**  
Roger Kappler, Chairman 9/25, 10/9

## Fall Indoor Soccer - register now

WideWorld Sports Center, Southeast Michigan's Premiere Indoor Soccer facility, is now accepting registrations for its fall indoor soccer season. The season begins October 20th and runs to December 15th. The registration deadline for all leagues is October 14th. Teams that register by September 30th will receive a \$20 discount on team fees. Individual registrations are welcome. Instructional classes are also available for age levels. For more information, call (313) 913-4625.

## Start Saving those labels, box-tops, and receipts!

Klager School is enrolled again this year in two programs: 1. Box Tops for Education 2. Be True To Your School. The proceeds from these two programs will be used for educational materials for the media center at Klager Elementary School.

The "Box Tops For Education" program provides funds for our school. It's sponsored by General Mills. Cut out the tops of General Mills products (as illustrated) and send them in with your child. There is a special box to place them in the Media Center at Klager. This offer is good throughout the school year. The Be True To Your School program also raises funds for our school. When shopping at Lakeside, Twelve Oaks, Fairlane Town Center and Briarwood malls take your restaurant and store receipts to the "Schoolhouse Booths" and they will be credited to Klager. This offer is good until January 31, 1998.

The Middle School will once again collect Campbell's Soup labels to purchase library and audio/visual equipment. As in the past, you may send labels to school with any middle school student, or use the container at Manchester Market.

Thank you for your participation in these programs.

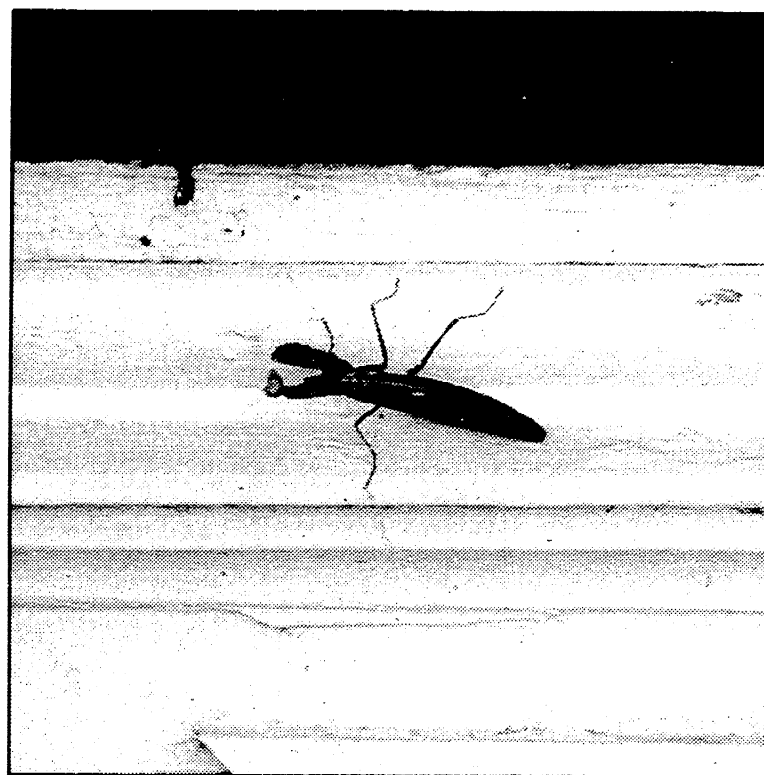

## Perennial Exchange Planned this Weekend

The Manchester Beautification Committee announces their second Perennial exchange. Now is the time to dig up your "extra" perennials and receive an exciting opportunity to trade plants and gardening ideas with other local gardeners. Next spring your garden can take on a whole new look!

This Perennial exchange will be held in front of the Manchester Mill on Sunday, September 28. Come at 1:00 PM with your plants; the exchange will begin at 1:00 and will finish by 2:30 PM.

Also available at the Perennial Exchange will be a chance to order spring-flowering bulbs, which is one of the fundraising projects for the Beautification Committee. Ordering your bulbs from the Beautification Committee will not only make your own yard look prettier next year, but will contribute to the overall beautification efforts in the Manchester community.

For further questions about the Perennial Exchange or the Bulb Sale, you may contact Josie at A&J Travel (428-8307) or Pat Sahakian, (428-7029).

This Praying Mantis, nicknamed "Lucky" by the Enterprise Staff, was found on the outside window of our building a couple of weeks ago. "Lucky" had lost a leg somewhere along the line, and we figured he was pretty lucky to have arrived here. Yet another sign of fall's approach.

## Farmland Preservation Ranks High with Michigan Public

Could the state Legislature be headed in the wrong direction in regards to land-use planning? If the results of a recent survey on the issue are any indication, the answer is an absolute yes.

The survey, conducted by Public Sector Consultants (PSC), a Lansing-based public policy research firm, showed that of the 800 citizens surveyed, 69 percent are concerned about urban sprawl. Fifty percent ranked the loss of farmland as very serious.

"Obviously people are very concerned about water pollution, air pollution and they're also concerned about preserving Michigan's farmland, which is a significant thing when you think about the legislative issues and the public policies that have been debated and voted on recently," said Michigan Farm Bureau Legislative Counsel Scott Everett, referring to recent legislative action on revisions to the state's Subdivision Control Act. Other highlights from the survey include:

- Seventy percent say it's very important to preserve farmland and maintain agricultural lands.

- Seventy-six percent

support restricting development to preserve wetlands and 80 percent support restricting development to protect farmland.

- Seventy-three percent believe conserving open space and protecting natural and scenic resources is a very important goal for land-use planning in Michigan.

- Fifty-eight percent of those surveyed said more land-use planning is needed; only 8 percent think less is needed.

- Less than 50 percent believe that current land-use planning efforts have been successful in encouraging the development and redevelopment of Michigan cities.

Although survey respondents expressed concern over the preservation of farmland, 49 percent also expressed their preference to live on a "large, rural lot." According to Bill

Rustem, PSC's senior vice president, that conflict of values needs to be resolved.

"You can't protect agriculture, you can't protect forestry, you can't protect wildlife habitat and still have everybody living on large, rural lots—it just isn't going to work," Rustem said. "There's a disconnect between what people believe is good public policy and what they are interested in doing in their own personal lives, and that's got to change. People need to understand that there is a personal responsibility that needs to be taken in terms of protecting

those industries and that open space here in Michigan."

Calling the state's Legislature out of touch with the wishes of citizens on land-use planning, Rustem says the survey should send a strong message to Lansing lawmakers.

"The people of Michigan, on the basis of this survey, clearly are concerned about the direction that we're heading," Rustem said. "It's unfortunate that the Legislature hasn't been willing to step up to the plate and really begin to address this big problem."

"People in local communi-

ties see what's happening in their communities every day and know that there's something wrong as we spread out. The Legislature doesn't see that. They're hearing from other interests who want to keep this movement going out and away, because there's economic benefit to certain interests in doing that."

Although the survey did not ask for specific recommendations on how best to preserve farmland, Michigan Farm Bureau President Jack Laurie says the results show there would be widespread public support for purchase of development rights (PDR) programs.

"The general public is interested in preserving farmland and preventing urban sprawl," Laurie said. "We now need to take what we've got and look at opportunities to preserve farmland. We have some real opportunities with the PDR program, which offers us a chance to at least have a process in place that will allow us to keep farmland in production agriculture and address the issue of urban sprawl."

## Greenfield Village Celebrates its Bounty During Fall Harvest Days September 27-28 and October 1-5

Visitors to Greenfield Village this autumn will have the opportunity to witness and experience both the tremendous effort and spirit surrounding the harvest during Fall Harvest Days, September 27 & 28 and October 1-5.

Patrons young and old will get a glimpse of the fascinating machines and inventions that, throughout history, have changed the way society operates on a daily basis. Most of all, visitors are encouraged to join in the bountiful harvest celebration.

Among the activities scheduled:

• **A Spinning of the Wheel:** On the 18th-century Daggett farm, the Daggett family not only had to produce most of their food; but also the fiber and cloth that they needed. See demonstrations of wool dyeing, spinning and weaving as well as producing linen from Greenfield Village's field of flax.

• **Have You Had Your Oats Today?:** Colonial farmers like the Daggetts had to be resourceful and energetic to separate their grain from the straw and chaff. Lend a hand as the village presenters thresh oats and buckwheat using a simple tool called a flail and a winnowing basket.

• **As Strong As An Ox:** Come meet Lewis and Clark, an expert team of Shorthorn oxen from Tillers International. A non-profit organization based in Kalamazoo, Michigan, Tillers International teaches farmers worldwide self reliance by use of such animals. The Tillers handlers will introduce Lewis and Clark and explain the basics of working with teams of oxen. The oxen will not be here Sunday, October 5.

• **Ox Training 101:** Before the speed and power of horses became necessary on 19th-century farms, oxen provided the essential power. Meet Sam and Jeb. Born this spring at Greenfield Village, these two steers will begin their "Oxen Training" during Fall Harvest Days to eventually help the gardens and fields grow.

• **The Turning of the Soil:** Besides harvesting crops, autumn is also the time for farmers to plant. At Firestone Farm the fields need to be ready for the planting of next year's crop of Turkey Red winter wheat. Join in on the preparations! Visitors will see first-hand how work changed for a family like the Firestones as oxen, horses and early tractors took over the grueling task of working the land. Kids can even lend a hand picking stones to make the job easier.

• **Bee a Good Sport:** In the 1880s, the Firestones kept honey bees. Stop by the Firestone cellar and watch as honey is extracted from the hives, a fall tradition. Weekends only.

• **Native American Style:** Native Americans contributed many things that we take for granted today. Learn the traditions and cultures of the Native People through craft demonstrations and dramatic story-telling. On weekends only, enjoy traditional drumming, singing and dancing.

• **Valley of the Corn Husk Dolls:** All it took were a couple husks of corn, good hand and eye coordination, a few twists here, a few pulls there and kids of the 19th century had a new toy on

their hands: The corn husk doll. Kids coming to Fall Harvest Days can make their own corn husk boy or girl. Weekends only.

• **Trimming and All:** Not only is wheat one of the most important grains in the world, you can make some pretty cool stuff with it. Kids visiting the village during the week only can try their hand at creating some unique wheat ornaments perfect for the Christmas tree or just to hang around the house. Not available on the weekends.

• **Swing Your Partner...** Kick it "old school." 19th century to be exact, as the New Old Stock String Band set the stage for some traditional music and dance near the Village Green on weekends only.

If You Go:  
Location: Henry Ford Museum - Greenfield Village is located at Oakwood Boulevard and Village Road in Dearborn, Michigan, just west of the Southfield Freeway (M-39) and south of Michigan Avenue (U.S. 12).

Hours: Museum & Village open 9 AM. to 5 PM. daily.

Admission: Adults \$12.50; senior citizens 62 and over, \$11.50; kids 5 to 12 years old, \$6.25; children under five and members are ad-

mitted free. Special group rates are available.

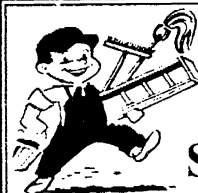

Henry Ford Museum & Greenfield Village provides unique educational experiences based on authentic objects, stories and lives from America's traditions of ingenuity, resourcefulness, and innovation. An AAM (American Association of Museums) accredited museum, the Museum complex is an independent, non-profit educational institution not affiliated with the Ford Motor Company or the Ford Foundation.

OBITUARY

Marie Romelhardt

Marie Romelhardt, age 91, of Ann Arbor, formerly of Pleasant Lake, died September 19. She was born November 21, 1905, the daughter of William & Lydia (Sodt) Kleinschmidt. She was married to Herman F. Romelhardt who preceded her in death on July 25, 1968.

Marie was a member of the Manchester United Methodist Church. She is survived by one son, William Romelhardt of Ann Arbor; six grandchildren; 12 great grandchildren, and a son in law Arthur Blanchard of Pleasant Lake. Besides her husband, she was preceded in death by one daughter, Ruth Blanchard.

Funeral services were held Monday, September 22 at 2 PM at the Jenter-Braun Funeral Home, Manchester with Rev. Thomas A. Davenport officiating. Visitation was held Sunday. Burial in Oak Grove Cemetery, Manchester. Memorials may be made to her church.

## CROP WALK - "YOU ARE THERE!"

In nearly 50 years, Michigan Crop walkers have collected \$27 million dollars in farm commodities, clothing, blankets and cash. Volunteers collected CROP funds for 14 years to the reach the first \$1 million dollars. David Bower has been our CROP Director since 1970.

You may call any one of Manchester's churches or Chairperson, Rev. Tom Davenport (428-8013) to participate in this important annual event. This year's CROP WALK will be on Sunday, October 12 with registration commencing at 1 PM and the walk beginning at 2 PM from MANCHESTER HIGH SCHOOL. Our goal is \$60 per walker for a \$10,000 dollar total contribution. All donations and walkers should pre-collect their funds as last year to expedite our gift to CROP.

The largest donor in the state has been Holland for the 14th consecutive year. Holland is also the 3rd largest CROP city in America. Lansing is the state's second largest contributor. There were six new cities joining the trip this year and it is hoped more will sign up next year.

Don't forget October 12, Sunday afternoon (1 PM registration/2 PM Walk) leaving from Manchester High School. As last year the walk will assume the same distances and route. Remember, "We walk, because they walk!"

- Pastor CARROLL

## Area Churches Join in Christmas In the Village

Manchester United Methodist Church, Emanuel United Church of Christ, St. Mary Catholic Church, St. John's UCC - Rogers Corners, and other local churches are joining in the "Christmas in the Village" festivities scheduled for November 22.

From 10:00 AM to 4:00 PM, local Crafters will be able to rent tables at Emanuel UCC for only \$10. Tables will be provided if requested on the application. Churches will be provided a table for free.

The crafts on display must be home made crafts; and no commercial art or crafts will be accepted. Also, Emanuel Church Women will be raffling a quilt, a hand woven basket, and a silk ribbon picture.

The Manchester United Methodist Church will have baked goods from area churches. This will include a cookie walk, homemade mincemeat, German specialties like lebkuchen, pretzels, springerles, stollen, schnitz brod, Vandenberg fried cakes and more. Soup and sandwiches will also be available.

Don't forget that the downtown merchants are planning a wide variety of special events, including Santa Claus, Christmas carollers, sales, and refreshments. Put November 22 on your calendar and plan to begin your Christmas shopping here at home in Manchester.

## St. Jude Children's Research Hospital Needs Your Help!!

The Manchester Community will be holding a Bike-a-Thon to help the St. Jude Children's Research Hospital in Tennessee raise funds to help terminally ill children throughout the world. St. Jude's was founded by the late entertainer, Danny Thomas, and treats approximately 150 patients every day. It is the first institution established for the sole purpose of conducting basic and clinical research into catastrophic childhood diseases, mainly cancer, and is the largest childhood cancer research center in the United States.

Since it's opening in 1962, it has treated more than 14,500 children from across the United States and 58 foreign countries. St. Jude has approximately 4,000 patients in active status. It treats children without regard to race, religion, creed or ability to pay. St. Jude pays all costs associated with treatment beyond those covered by insurance. Families who

have no insurance are never asked to pay. The hospital's daily operating costs are approximately \$410,000 which are primarily covered by contributions.

There are currently three children from Washtenaw County being treated at St. Jude's Hospital and Manchester wants to help. A Bike-a-Thon will be held Saturday, October 4, and registration will begin at 9:00 AM behind the Emanuel Church, 324 W. Main Street. (Rain date is October 11). A 2 mile course has been clocked but you can ride as far as you wish.

This is not limited to bikes only. We encourage roller blades, skateboards, wheelchairs, golf carts or anything on wheels to participate. Registration begins at 9:00 AM with the bike-a-thon beginning at 9:30 AM. All ages are welcome to join! For more information or to obtain a sponsor form you may contact Katrina Bihlmeyer, 313-429-7527 or Sharman Pfau, 313-428-7754.

## Hospice Seeks Volunteers

Hospice of Washtenaw needs volunteers who can offer assistance with direct patient care, bereavement and office support. Training will begin Wednesday evening October 22, 1997 at the hospice office (806 Airport Blvd, Ann Arbor). Please call Gail Marie at (313) 327-3413 for further information.

## Seeds from the Sower

A father was playing ball with his son after a hard day's work. A neighbor looked over the fence and said, "Bill, aren't you tired?" "Yes," he said, "I am."

"Then why are you playing ball?"

"I'd rather have a backache now," explained the father, "than a heartache later on."

Like Bill, be an attentive parent. Your children need attention. If they don't get it from you, they'll get it from someone else.

Be an available parent. Always be a pattern for them. Be there when they need you to pray for them or to play with them.

Like Bill said, it's better to have a backache now than a heartache later on.

# Equestrian Team Still Leads the District

Erin Makielski, LeAnne Ellsworth, Kelly Parr, Erin Braddock, Western Coach Leslie Buckner, Angie Makielski and Marie Haeussler, await the Western Classes on Sunday. This is where the "tide turned" and the Dutch Equestrians took the lead over Ann Arbor Pioneer. Great Going, girls!

Laura Haeussler, Lisa Burmeister and Marie Haeussler gather round for "Mexican Day" at the Wayne County Fairgrounds on Sunday. The families bring a potluck picnic lunch for the Equestrian girls for each meet, which usually lasts all day.

Well, the Dutch struck again on Sunday. The Manchester Equestrian Team went into a ride meet riding on a 20-point margin of victory from the first meet over their closest competition, Ann Arbor Pioneer High School, and came out victorious. In this meet, they had to ride against six other schools. One of these teams was Huron-New Boston, who happened to be the leader of the Class B teams in District 7.

It was nip and tuck for the first classes, with Ann Arbor ahead of Manchester at the end of the ninth class by 7 points, 70-63. We started the western classes and slowly but surely started our comeback. After two more classes, we were ahead 82-79, never to look back.

This is not to say we won this meet because of our west-

ern riders - no, our Saddle Seat and Hunt Seat riders held their own against the best riders in the area. We have such a diverse group of riders, that we are strong in every phase of riding.

The Manchester team for the most part, are riding mounts which are "back yard" horses. This means the kids take care of them, train them, bathe them, and everything else it takes to get a horse in shape to take them to shows and compete.

Now they are riding against kids from other areas who don't have a place to keep their horses; so they are kept at stables. Many of these horses have trainers and such riding them and keeping them in shape. I'm not saying this is wrong, but I do say it sure makes you feel good when you see our kids competing and winning.

On this meet we came out on top with a total score of 125 points. Ann Arbor Pioneer was second with 98 points, and Huron-New Boston third with 93. Points are earned in three meets, with the team having the highest number of points earned in these meets becoming the district champion. After two

meets, the totals are Manchester 248 and our closest competitor, Ann Arbor Pioneer, 201. Our next meet will be held on September 28 at the Wayne County Fairgrounds in Belleville.

If any of you would like to see your team compete and hopefully earn the District 7

Class A Championship, then by all means come out and cheer your team on. If any 8th graders are interested in seeing what this team is all about, they too are welcome to come out and see if you might be interested in coming aboard next year.

- Coach Len Ellsworth

## RAIN OUT TURNS INTO BLOWOUT

- by Bobby Hayden

On Friday night with Dutchmen fans sitting in the East Jackson parking lot watching the rain come down from the comfort of their own vehicles, and the crazed people from East Jackson sitting on the metal bleachers watching the sky light up, the game was cancelled and rescheduled for Saturday at 7:00 PM.

The first play of the game saw Nick Davis run 47 yards to put the Dutch in Trojan territory on the 20 yardline. East Jackson come up big a defensive stop in holding Manchester to a field goal attempt which the Dutch wouldn't capitalize on.

Manchester, on their next possession, would waste no time in putting the ball in the endzone with a Davis touchdown. This came with 6:32 left in the first quarter to light up the scoreboard 6-0.

The Dutch defense wouldn't be budged and Manchester would get the ball right back with 4:30 left in 1st quarter. The Dutch defense didn't allow a first down in the first quarter.

Manchester would regain control on the Trojan 22 yardline. The Flying Dutchmen would then score on a pass from Rose to VanBogelan and Davis would get the 2 point conversion to make the score 14-0.

The second quarter brought some unusual play. On the second play of the 2nd quarter, East Jackson would make a costly mistake. The center snapped the football over the quarterback's head and the ball rolled into the end zone where Shane Neigebauer recovered it for a Manchester touchdown to make the score 20-0.

Later in the second quarter, the Dutchmen defense gave up their first touchdown of the season. Warner connected with Wright on a 62 yard pass and a few plays later Bradley scored with 7:05 remaining in the second. The score was 20 - 6.

Three and a half minutes later the score would change again - this time in the Dutch's favor. Nick Rose completed a 35 yard pass to Nick Niehaus which got them to East Jackson's 7 yard line. Nick Davis finished the drive with a 7 yard run into the end zone. Coleman added the extra point. The half would end with the score 27 - 6.

In the second half, with 9:20 remaining in the third quarter, Nick Davis scored his third touchdown of the evening with

an impressive 60 yard run. Coleman's foot came through again with the PAT for a 34 - 6 Manchester lead.

Terry Coleman wasn't finished for the night. He intercepted an East Jackson pass in the end zone for a touchback. The next drive down the field would be eventful. While the Trojans had been plagued by penalties all night, on this drive both teams would cause the flag to fly. With the ball on the 31 and Manchester in a third and 29 situation, the Rose to Davis

combo gave the Dutch their final TD of the game. There would be no more scoring in the fourth quarter. Our Flying Dutchmen brought home a 41 - 6 victory.

The Manchester High School football team is now ranked fourth in the state by the Associated Press. Your next chance to see them in action will be this Friday as they take on the Michigan Center Cardinals. This reporter's prediction: Manchester 40 - Michigan Center 6.

## Little Lady Dutch Post First Win

On Wednesday, September 18, the girls 8th grade Lady Dutch basketball team opened the season against the Cardinals of Michigan Center. The Lady Dutch started out fast and strong in the first quarter running out to a lead of 12-0 at the end of the first quarter. In the second quarter both teams battled to a draw with a halftime score of 18-6 in favor of the Lady Dutch. The Cardinals tried to mount a comeback in the third quarter closing the lead to six points before Manchester pushed the lead out to 26-12 at the end of the third quarter. There was no stopping the Lady Dutch in the fourth quarter as the girls ran away with the game. The final score was 38-19. Leading scorers were Sara Johnson with 11, Ashley Schlosser 7, Rachelle Lilienthal 6, Taryn Nye and Annie Wiley added 4 each. The defensive effort was led by Brie Hyde and Kira Davis. Controlling the rebounding were Katie Keller and Kristi Trinkle. The girls play their next three games at home starting with Dexter followed by East Jackson.

-Coach Steve McCalla

## MANCHESTER CROSS COUNTRY

It was a very positive week for the Manchester Cross-Country teams. This week we traveled to Grass Lake on Tuesday for a double dual meet with the host school and Michigan Center. We went in and did what we needed to do to keep our conference goals intact. On Saturday, we went over to Ella Sharp Park in Jackson for the Jackson Invitational. We ran splendidly at one of the top Invitationals in the state.

On Tuesday, the boys ran good races against state ranked grass lake and the cardinals of Michigan Center. Grass Lake proved to be too deep and defeated us by the score of 17 - 42. We were able to handle Michigan center quite easily though and defeated them 18 - 37. Our boys packed up quite nicely with Eli Bragg finishing 5th, Kyle Harris 6th, Jeremy Smith 8th, and Kevin Sahakian 11th. Phillip Krall rounded out our scoring with a 20th place finish. This was the first dual meet of the season for our team and puts our record at 1-1.

The girls team ran good, even paced races to come away with a 1-1 split also. Grass Lake's girls team, also ranked in the state, had too much firepower for our girls to overcome, and defeated us 20-43. We came from behind at the mile mark to overtake Michigan Center by the score of 22 - 33. Leading the way for the Flying Dutch was sophomore Rachel Fleck, who won the first race of her young career. There was no one even close to this talented youngster. Finishing with a strong 11th place run was freshman Jackie Palms. Our third runner was Lauren Adler who put in a great day at Camp Teetonga and finished in 14th place. Rounding out our top five were Erin Fox in 15th place and freshmen Kristen Taddonio in 20th place. Nice job ladies!

At the Jackson Invitational on Saturday, the boys ran true to form and ran some of their best times of the season. They finished 4th in field of 10 schools, up from 7th last year and 10th two years ago. Sophomore Kyle Harris led the way with a 7th place finish and a fine time of 17:45. Junior captain Eli Bragg came flying home in 18:02 to bring home a medal also. Fellow captain Jeremy Smith ran a career best 18:15 to just miss out on medal honors with a 22nd place finish. Sophomore Kevin Sahakian came in with his best time of the year at 18:38, and sophomore Phillip Krall ran a personal best at Ella Sharp Park with a 20:43 to help the Dutchmen to their solid fourth place finish.

The girls team ran outstanding on Saturday in the C/D Division of the Jackson invitational. The girls finished 5th in a field of 12 schools for their best finish of the young season. All of the girls ran personal bests and with no upperclassmen on this team, we saw a glimpse of what the future may hold for our girls team.

Sophomore Rachel Fleck continued to lower her own sophomore record and close in on Pamela Preston's school record with her fine time of 20:59. That was good enough for 3rd place in a field of 78 runners. She was only 5 seconds from second place, and 20 seconds off of first. Sophomore Erin Fox also came flying home with a great time of 23:14, good enough for 27th place. Freshman

Jackie Palms ran an incredible 23:23 to finish 29th and provide us with a strong number 3 runner. Freshman Cassie Clark broke out in a big way with over a minute improvement over her best time to finish 38th in 24:04. Lauren Adler followed closely

behind in 24:05 to secure 39th place. Also running the best time of her young career was Kristen Taddonio with a 25:01. The girls ran fantastic.

On Friday night, our Middle School runners were in action on the two mile course at Ella sharp park. Nathan Bragg ran a smart race and represented our school well with his finish in the field of 242 runners. On the girls side, Natalie Weidmayer brought home a certificate with her finish in the field of 168 runners. April Saxon also finish well in her competitive action. Excellent job, middle schoolers!

### Home Meet Tuesday Night

We'd like take this opportunity to invite you to come to our meet Tuesday on our home course on the athletic complex grounds and in Chi Bro park. It is a huge meet for both the girls

and the boys teams and your support is always appreciated. Past runners Nick Weidmayer, Lin Harris, and Brad Kemner put in a tremendous amount of time and labor this past spring to upgrade our course's condition and it has turned out beautiful. The paths are clear and smooth and we thank you, gentlemen, for your efforts. Our course is beautiful, demanding, and contains a variation of running surfaces, making it one of the most difficult and best courses around. Come on out and see it and support your local teams as we fight for supremacy in the Cascades Conference.

Come help us defeat Vandercook Lake and arch rival Napoleon on Tuesday night at 4:30 for the boys race, and 5:00 for the girls.

- Coach Craig Vitale

## WE ARE THE DUTCHMEN!

Nate Smith carries the ball for a good gain in the 7th grade game last Wednesday.

The chant of the players pounding out of the bus returning to the Middle School late last Wednesday evening told the story.

Game time found the 7th grade team warming up under a warm sun on a day that had started out stormy. The opposing red & white Cardinals had just arrived from Michigan Center. About 20 fans speckled the away stands with at least 100 Dutch supporters answering calls from the enthusiastic 7th grade cheerleaders.

Finally, at 4:45 the captains for the game met at the 50 yard line and the National Anthem played. Too soon though for Joel Makielski who had injured his leg at last weeks scrimmage and re-injured it during warm-ups.

With Josh McCalla at quarterback, most of the first quarter was spent in red & white territory with the Dutch in control. Nate Smith kicked

off to the Cardinals. Josh Reeter, Keith Peasley & Smith made the 1st tackles of their football careers. Within 3 minutes Manchester's David Evilsizer had recovered a Center fumble and Smith had scored. The 2 point conversion failed. Michigan Center's first possession was short and sweet. They recovered their own fumble for 3rd down and 7 yards to go. Ken Schwab caught an ankle to force 4th and 2. Center opted to go for the 1st down but was called for illegal motion. They failed to convert on the 4th and 7. The Cardinals have a good booter and Stephen Jankins covered the punt on his own 23 yard line. This was also whistled back for illegal procedure and the Dutch took over on the Cardinal 36 when the re-kick attempt was bungled. The Dutch offense was stopped on downs. The Dutch defense worried the Cardinals as both Tyler Harvey

and Jack Moore tackled with enthusiasm.

The 2nd Quarter was riddled with fumbles. A bad snap was fumbled and covered by the Dutch at the Michigan Center 27. It was turned back over though as Dutch hands got slippery. Another great Cardinal punt ended their possession. Jankins carried the ball for a couple fine runs, taking the maroon team to the 40 yard line. A couple fumbles later both teams were relieved when the buzzer sounded and the half ended with the score Manchester 6 - Michigan Center -0.

Coach Schick's halftime speech apparently was effective as the Manchester possession culminated in Nathan Neigebauer's back to back runs for 1st down and Smith taking the ball to the zone for 6 points. Jankins scored the 2 point conversion all in the first 4 minutes of the half. The 2nd half of the 3rd quarter saw the first pass

plays of the game- none for yardage, and was all played very deep in Dutch territory. The Cardinals brought down the Dutch in the end zone for the first Center points of the game. On the following Center possession, the Dutch defense turned up the heat to hold off another score.... unfortunately the Cardinals had other ideas. After Evilsizer and a host of Dutch stopped the quarterback keeper and handed them a loss on a pitch back, a red and white short pass and run scored a touchdown and 2 point conversion. The crowd grew quiet as the score narrowed to 14-10.

The Manchester possession was turned over on downs to Michigan Center. They were pulled down for a loss on the 1st play of the series, but a reverse play and two missed tackles turned into a Center touchdown. The big sucking sound heard at the field was a sigh of relief as a holding call brought back the play. Then.. FUMBLE... and the Dutch recover on the Center 33. A Manchester touchdown was also called back for holding, but Smith went 18 yards around the left end to rescore it. The 2 point conversion was also good. Again the Dutch defense stepped up to the plate on the last Center possession as key tackles by Joshua Tobias, Shane Amburgey and Schwab hold off another red and white onslaught, leaving the final score at Manchester-22, Michigan Center-10.

- Julie Schaible

## MIGHTY, MIGHTY DUTCHMEN!

The 8th grade football team's preseason injuries have been numerous. Seth LaRocque's arm fracture and Brent Leverett's wounded knee may well keep them out for the season. Even so, the play mix and quantity of talented athletes attests to this teams depth.

Two quarterbacks, Aaron LaRock and Jeff Punches ably led this team. In the first minute of the game, after Chris Maly's kick-off return to mid-field, Alex Kormendi broke through for a touchdown run. Kormendi also scored the 2 point conversion. In a flurry of fumbles the Cardinal and Dutchmen possessions were short-lived. With Chris Roberts doing some fine tackling, Nathan VanBroda recovered a Center fumble at the 44 yard line. Within 3 plays Center had recov-

ered a Dutch fumble at the 27 yard line. The next play was a Cardinal pass which was intercepted by Karl Schaible. With LaRock at quarterback, Punches' took the ball in on the third play for the score. Ironically, the conversion failed-it was fumbled. Michigan Center's series of plays ended when Ryan Maggetti forced a fumble at the Cardinal 37 yard line. With Punches juking and leaping for first downs, Kormendi went in for the evening's third touchdown. Schaible scored the 2 point conversion on a reverse.

The second quarter saw a trading of possessions with an interesting mix of pass and running plays. Adam Little came out of the game with back spasms and Jacob Sawyer was helped up after being kneed in

the head. A nice kick return by Chris Roberts was called back as Schaible had signaled for a fair catch.

The cheerleaders donned their jackets as the lights came on at the start of the second half. The Dutchmen kicked to the Cardinals but a flag would have them re-kick the ball. Two plays later Sawyer intercepted a Cardinal pass and took it in for the score. Clipping would bring the ball back to the Center 37 yard line though. A couple of runs for no gain brought up 4th down with 7 yards to go. After a Dutch time-out, LaRock's hand-off to Punches resulted in the fourth score. Chris Loud's catch in the end zone capped the score with another 2 points. The Cardinal possession was short-lived and the rest of the quarter saw

LaRock QB-ing and Roberts running. The red & white interior lined stopped the Dutch and at the beginning of the 4th quarter, Sawyer went back to punt. A bad snap sent him scurrying to bring the ball back 35 yards to the 45 yard line, not far enough though. The ball was turned over to the Cardinals.

Michigan Center's fourth quarter would also prove unfruitful. A play after Chris Maly's 20 yard carry, a quick Chris Roberts found a hole and took the ball into the end zone. With only one official covering the whole field the chain gang felt compelled to report that Roberts had stepped out of bounds. The ball was spotted close to goal but the touch down was not to be. The final score- Manchester-30, Michigan Center-0. - JS

## Lady Dutch Varsity Basketball On the Up-Swing

The Lady Dutch Varsity basketball team played Ann Arbor Gabriel Richard last Tuesday, September 16, and outscored them 15-0 in the last four minutes of the first half, to take a 25-11 half-time lead.

Successfully shooting six of seven Free Throws in the last 1:30 of the game, preserved their lead and the score ended up with Manchester 43, and Gabriel Richard 32.

Leading scorer for the Lady Dutch was Julie Porter, with 13 points. Julie was also 7 for 7 from the free throw line. Amy Gall scored 9 points; Marilyn Maher added 7 points, with three steals and was successful in four of five from the free throw line. Jennette Branch contributed 6 points, with 8 rebounds and five steals.

On Thursday, September 18, the Lady Dutch welcomed Napoleon and posted a 55-40 win over the Pirates. Julie Porter again led the Lady Dutch with 17 points. Mary Barrett dunked in 8 points, with 9 rebounds and five steals; Amy Gall scored 7 points against Napoleon; and Ellen Supers and Cortney Whitaker each contributed six points. Cortney also had six rebounds.

This week, the Lady Dutch will travel to Vandercook Lake on Thursday, September 25, and try to build on their victories of the past week. Next Tuesday they will host Vandercook Lake. Come out and show your support for this well-rounded team! The action begins at 5:30 with the JV game, and the Varsity follows immediately after.

-Jenny Manwaring

## School lunch menu

**September 29-October 3**

**Monday, September 29:**

Taco Bell Burrito, Tater Tots, Carrots, Applesauce & milk.

**Tuesday, September 30:**

Chicken Nuggets; Fries; roll with butter; pears; & Milk

**Wednesday, October 1:**

Chicken Tenders, Mashed Potatoes, Gravy, Green Beans, Mandarin oranges & milk

**Thursday, October 2:**

Soft tacos, corn, fruit roll-up & milk.

**Friday, October 3:**

Ollie's Pizza, Salad, Fruit, Jello & milk

## Summary of Board of Education Minutes - September 15, 1997 NOT OFFICIAL MINUTES

The regular meeting of the Manchester Community Schools' board of Education was called to order at 7:33 PM by Vice President Turk.

Members Present: Sahakian, Knouase, Evans, Ochs, Turk; absent: Winzenz, Abbott.

The minutes of the regular meeting of August 18, 1997 were approved as presented. The August treasurer's report was approved with a cash balance in the amount of \$402,795.98; total bills payable of \$587,935.71.

Correspondence included thank you note from Jane-Lee Sellers; card and plant sent to Astrida PUNCHES upon the death of her mother.

Visitor Input:

Cindy Nye presented the Board with fourteen pictures of the track surface for their visual aid when they considered needed repairs.

Bev Dettloff asked if there have been any improvements to the high school science labs in the past few years. Superintendent Niedzwiecki responded that there had been minor repairs such as painting, cabinet repair, surface top repair, and adjustments to the ventilation systems. Mrs. Dettloff also questioned the board on the timeline for reviewing and updating the current science and math curriculums and if funds would be available to purchase the recommended curriculum texts. She encouraged and challenged the board to give this area serious consideration given its impor-

## PRINCIPAL'S CORNER

Bob Smith

Manchester High School has recently emphasized working even harder to develop partnerships within the community to promote the academic success of our students. John Eisley, our athletic director, has worked with parents to design a new, improved 100 minutes system. The 100 minutes system is a method which assists athletes in maintaining a passing grade in all their courses. If a student-athlete is in danger of failing two or more classes, he/she must spend 100 minutes a week studying, or be ineligible to participate in sports.

This program has worked, but in previous years, students worked alone for 100 minutes to improve their academic standing. For a student who has fallen behind or is confused, a million minutes of study time without help might not help. With the assistance of parents and students, the study sessions now have tutors. This assistance has tremendously improved study sessions. Before, athletes had to "pull themselves up by their bootstraps." Now, parents and honor students are providing a helping hand for the occasional boost that is needed.

The location for conducting study sessions has also been moved to one of the new portable units. The learning atmosphere in the media center, the prior site, was often too social after school. Visitors, friends,

tance for our students.

The board approved the hiring of Robert Karolyi, Industrial Arts, Teacher; Heather Wake, Varsity/JV Cheerleading Coach; and Vicki Bolan, Community Education Coordinator.

A 2.5% salary adjustment was approved for the Administrative and Central Office Staff and Superintendent for the 1997-98 fiscal year. Mr. Eisley received an additional incremental adjustment of 3.5%.

Manchester Community Schools' Board of Education ratified the Master Agreement between the Manchester Community Schools' Board of Education and the Manchester Educational Support Personnel Association for 1997-98 and 1998-99 as presented. The two year agreement reflects a 2.5% wage increase each year.

Waivers were granted for Eric Flint, Jason Moriarty, John D. Engelbert Jr. Jason Wolfe was accepted as a tuition student for the 1997-098 school year.

The Board approved the participation resolution for the Preschool Readiness Program as presented.

The athletic participation

and students serving detention were too great a distraction.

This tutoring option is available to all students before and after school. Since the number of students participating is increasing, we'd appreciate having more community volunteers. You don't have to be a genius in every subject. For example, no student wanting a correct answer would ask me a physics question, but I can help a little in English. Finally, don't be surprised to see students eating refreshments ....Anything that will help "lead the horse to water!"

I'm looking forward to another new concept, Buddy Study, which will begin soon, as the sun sets earlier. The plan is to open the media center, serve some chips, cokes, etc., and have the student choose an evening to group study. In my last school this option was especially popular during exam week. George Patak made a suggestion for a similar program here. It's a good idea, and that's why we need parents to help us do a better job.

In other school news, progress reports will be sent this week. This is a good opportunity to evaluate whether your son/daughter needs any of the tutoring services or any other special help which could be extended in order to help them achieve success. I still haven't received any questions or suggestions, but I look forward to any responses to this column.

fee for students residing in the Manchester Community Schools district and attending Washtenaw Technical Middle College will be \$488 per student per sport for the 1997-98 school year per Board action.

The Board approved repair of cracks and the surface of the existing track at an approximate cost of \$14,000 with direction plan replacement track in future years.

John Eisley, Athletic Director presented the Board with an update on the progress of the weight room facility. The project is scheduled to begin September 27, 1997.

Jim Sewell asked if the new facility will be available for all students equally. Currently there is not enough space for everyone and the football team seems to take priority at the expense of our other athletes. Mr. Eisley assured him that the expanded area and equipment should be able to meet the needs of our student body.

John Ochs asked if attendance at all practices is mandatory for athletes when there are conflicts with religion, arts, humanities, etc. he requested that

wee look at the policy in the near future and review how this is handled.

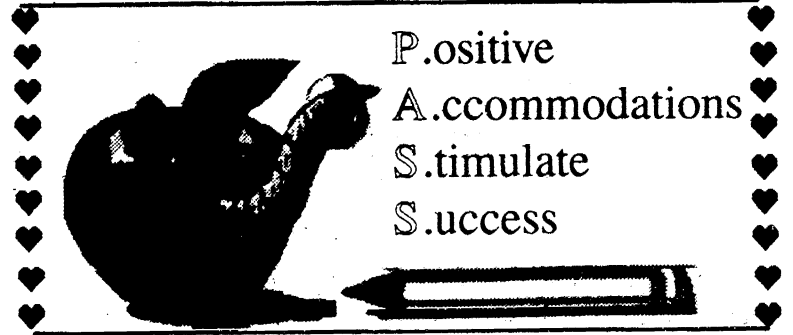

Pat Sahakian informed the Board of the October 2nd town meeting being sponsored by the Chamber of Commerce. The theme will revolve around the question, What kind of place do you want Manchester to be when it grows up?

Mrs. Sahakian also asked the Board to consider a series of town meetings of our own to hear what the community has to say about the job the Board is doing. This will be discussed at the Executive Committee meeting scheduled for October 6, 1997.

The Board entered into closed session at 8:42 PM and returned to open session at 9:03 PM.

The Board of Education approved the agreement between the Board of Education of the Manchester Community Schools, Melinda Trout, and the Manchester Education Association, WLEA/MEA/NEA and authorize the Superintendent to sign said agreement.

The meeting adjourned at 9:05 PM.

## TESTS

Why do our kids take the California Achievement test each year? If they score below the 50% point should I hire a tutor? If they score really high, but do poorly in school, what does that mean? If they score really low, but do good in school, what does that mean? Should my child study for the high school proficiency test? If so, what material do they use to study? If they don't pass the test can they graduate and can they go to college? Do they even have to take the test?

- What are the MEAP tests for? If my child does not receive an award for his/her performance on the MEAP, what can I do to help?
- My child was tested by the school for a learning disability, but didn't qualify for help. What did the tests - test for? What should I do now?
- President Clinton states he wants students to take more standardized tests. Are these tests meant to evaluate each student or are they used to evaluate how well school are teaching?
- Does the school do IQ testing on all of the students? Can I find out what my child's IQ is?
- My child gets really nervous taking these tests in class, can they be given to students outside the school?
- My child has a learning disability in reading, and has her tests read to her, can these tests be read to her also?

Do you have questions about standardized or evaluation tests given to students in schools? Do you know who to ask for answers?

Sandra Dunn is the school psychologist for Manchester Community Schools and on Wednesday, October 1, 1997 at 7 PM she will talk about these tests and answer questions parents have. The meeting will be in the Manchester High School Media Room (formerly called the Library).

Refreshments will be served by the P.A.S.S. group. There is no charge and no pre-registration for this meeting. All are welcome to come.

# MANCHESTER AREA SENIOR CITIZENS News

- by T.V. Ludwick

You hear of the weirdest ideas on television these days. Jan Fox, who was a fellow rider on the senior bus, repeated this that she had heard. The speaker stated that in order to make more acreage for golf, that cemeteries could be covered up so as to play golf on top! "Not this year," he said, "but in the future extra space will be needed for all the players who are interested." I said first "What?" and then added "Not on my family's graves, they're not!" The questions are endless. Thanks, Jan for bringing this to our attention (she didn't say where this information came from, station, etc.).

From L.M. Boyd's column comes this: "Not every poet is impoverished. Take Old Rome's Virgil, known mostly for his Aeneid. He owned a Roman villa with land. Theron, it's recorded, he buried a common housefly after an elaborate funeral with pallbearers and eulogies for the dead pest. A reverence for all life? Not every poet is idealistic, either. The ceremony qualified Virgil's land as tax-free cemetery."

**Thursday, September 25:** Yoga is on Tuesdays. But, come to senior lunch, we are

having Chinese. Our lunches are for all who are 55 or older and are held in Emanuel UCC in the Fellowship Hall. Call in your reservation to Sharman ahead of the dinners at 428-8359, or you may call Jan before 10:30 on meal days at 428-7630 and then come and enjoy the food and fellowship. Bingo is played at the Center at 12:30 for more fun. And, tonight euchre players will gather at the Freedom Township Hall at 7:30 for the monthly senior sponsored card party. If you need a ride out to Pleasant Lake on the senior bus, give Marion Ahrens a call at 428-7865.

**Friday, September 26:** Our neighbors, the Village of Clinton welcomes us at their Fall Festival and you may go today. The bus leaves the Center at 10:30, give Marion a call.

**Tuesday, September 30:** If you are 65 or older, we welcome you to Yoga Class at the Manchester Methodist Church. Our class size is growing and we hope our waist line is getting smaller. We will welcome that good macaroni & cheese that Jan and her crew make and it will be served today for our pleasure at Emanuel. Following

lunch, Kelly Merkle will give a presentation on "Care Choices" and this should prove interesting.

**Thursday, October 2:** That good sauerkraut casserole Jan makes will be enjoyed today. This is the birthday meal to honor all area seniors who are 55 or older and born in the month of October. Come for your Happy Birthday party.

Marion reminds us that there are still vacancies on the bus for the trip to Turkeyville and "Singing in the Rain" on **October 18**. Change of departure time is 9:45 from the Center. If you are interested in this trip, call Marion now!

Our chairperson, Dorothy Willingham reminds us that the Washtenaw County Health Department will be at Emanuel, to administer flu shots on **Thursday, October 16** from 10:30-11:30 AM. Cost is \$7.00 per shot. You on Medicare may see your doctor who in some cases give them free.

And, it's time for our Libras and their horoscope reading: "September 23-October 23: Petty annoyances will not harm your unusual versatility. Don't over look your prophetic insight."

Manchester Area Historical Society

## "Three Days At Gettysburg"

The Manchester Area Historical Society held its annual meeting on Tuesday, September 16, 1997, in the Blacksmith Shop.

The following officers were elected for the 1997-98 year:

President Deb Havens; First Vice President Mike Landauer; Second Vice President Howard Parr; Secretary Betty Cummings; Treasurer Lou Vogel; Trustees Loring Ebersole and Tom Walton; Immediate Past President Reno Feldkamp.

Mike Landauer gave a slide presentation on "Three Days at Gettysburg." The Civil War started on April 12, 1861. The Battle of Gettysburg occurred two years and three months later. Lee started for Pennsylvania on June 10, 1863. His scouts found a shoe factory at Gettysburg and they planned to purchase some much needed

supplies. Union scouts discovered them.

During the Battle of Gettysburg, 150,000 soldiers were killed. After this battle, the tide of the war swung to the Union. Mike took us on a chronological tour of the battlefield.

The opening shots were fired at 5 a.m. on July 1, 1863. It is interesting that the Confederates entered Gettysburg from the north and the Union entered it from the south.

The Confederates far outnumbered the Union troops, but the north had state-of-the-art rifles which gave them an advantage. Also, the cavalry fought on foot. It had never been done before, but that action bought the Union time until reinforcements could arrive. When General Reynolds came with reinforcements, they included the Michigan 24th. They were part of the Iron Brigade.

General Reynolds was killed the first day while directing the placement of his troops. The Union troops were pushed from the field and into town to Cemetery Hill during the afternoon of July 1.

The majority of the fighting occurred on the second day. The Confederates formed a battle line at Emmetsburg Road. The 20th Maine was commanded by Col. Chamberlain. He led a bayonet charge that surprised the Confederates instead of just holding his ground. He received the Congressional Medal of Honor, which originated in the Civil War. The presentation included familiar places such as the Peach Orchard, Culp's Hill, Little Round Top, and the Wheat Field.

We will find out who won the Battle of Gettysburg at the October 21 meeting, when Mike presents Part II.

## Essay Contest Sponsored by Optimist Club

The Manchester Optimist Club will sponsor an essay contest entitled "My Opinion of Freedom." All high school students under the age of 19 years in grades 10, 11 and 12 are eligible to participate. The local club will select a first, second and third place winner in the contest, and the first place entry will automatically be forwarded to the district contest where it will be judged against other club winning entries from Michigan.

The first place, district winner will receive an expense paid four day trip to the Freedoms Foundation in Valley Forge, Pennsylvania in July for the freedom and leadership conference. In addition the Manchester club will award a winner from the local club a \$1,000 college scholarship. The first, second and third place international essay contest winners will win scholarships in the amounts of \$5,000, \$3,000 and \$2,000 respectively.

Any students interested in submitting an essay please contact Connie Widmayer at Sutton Insurance Agency, 136 E. Main, 428-9737 for contest rules and entry form.

Optimist International is one of the largest and most active service organizations, with over 150,000 members in 4,200 Optimist Clubs in the United States, Canada and other nations. Promoting the motto, "Friend of Youth," Optimist clubs conduct service projects which reach six million young people each year.

## Manchester Community Education New Classes Offered

### SANCHIN - RYU PROGRAMS

• **Youth Karate and Self Defense** (ages K-8th grades) Class topics include: self defense, alternatives to fighting, self confidence builder. \$15 for 8 weeks

• **Grace Under Pressure** (a self defense program for women) This class is held in combination with the Sanchin-Ryu class on how to act on a variety of different situations. Learn to act on stressful situations rather than be controlled by them. \$15 for 8 weeks

• **Open/Family Karate** (for all ages). A wonderful family activity or study opportunity for and individual! Taught on an individual basis: stress management, composure and self defense. \$30 for 8 weeks  
Everyone can grow at their own pace!

Classes held on Monday evenings 7 - 9 pm. Call Vicki @ 428-7804

### CHEER AMERICA

**Cheers & Chants // Dance & Pom Pom Routines.**

Cheer America is an exciting cheerleading program for children. Choreographed Pom Pom / Dance routines to improve coordination, physical fitness, flexibility, and improve abilities to work with others.

Learn high school and college cheers, work on jumps, leaps, splits, and many other skills. There will be new and more advanced material for returning students.

\$5.00 per class. Call Vicki for more info. 418-7804

New Registration accepted first 3 weeks of class ages 4 - 15 years.

Classes on Tuesdays 4 - 7 yrs. 6 - 6:45 pm; 8 - 15 yrs. 6:45 - 7:30 pm. at Klager Elementary

### AEROBICS "PLUS" FLOORWORK CLASS

sponsored by Lenawee County YMCA & Manchester Community Education

Instructor Kim Mahrle a certified fitness - exercise instructor will be keeping you in shape with this easy to follow workout done to a variety of music.

**Monday & Wednesdays 6:30 at Klager Gym**

Classes have begun - join in any session.

As low as \$2.75/visit.

For more information call Kim at 517-456-6171.

### MANCHESTER VOLLEYBALL LEAGUE

The Manchester Community Education Department is sponsoring a Fall/Winter Adult Volleyball league. This is a recreational level "B" league for men and women eighteen or older in good physical condition. A team is a minimum of six players, any mix of men and women. The team fee is \$70.

**Matches will be played at the Middle School on Tuesday nights from 7 - 10 pm. The league will last 9 weeks from September 30, 1997 through November 25, 1997.**

Team captains and those wishing to form or join new teams must attend the registration meeting at the Middle School on Tuesday, September 30, at 7 pm.

Teams returning from the previous league will have priority if more than 6 teams register. From 7:30 - 10:00 on this night, the gym will be available for team and officiating practice.

For more info, Call Dave Limbaugh 428-8586.

## Free Nicotine Patches, Nasal Spray For People Who Want to Stop Smoking

Smokers who are ready to quit are invited to participate in a study that will help determine whether the nicotine patch, nicotine nasal spray or both is the most effective in helping people stop smoking.

Nicotine patches and/or nicotine nasal spray will be provided free of charge to eligible study participants.

The study is sponsored by the National Cancer Institute and is offered by St. Joseph Mercy Hospital - Ann Arbor. For more information, please call SJMH at (313) 712-2200.

### STATE OF MICHIGAN PROBATE COURT COUNTY OF WASHTENAW CLAIMS NOTICE - INDEPENDENT PROBATE

File No. 97-111-531-IE. Estate of Mary Malott, Deceased 380-14-8180. TO ALL INTERESTED PERSONS: Your interest in the estate may be barred or affected by the following: The decedent, whose last known address was 18000 Old US 12, Chelsea, MI 48118 died August 25, 1997. An instrument dated July 11, 1997 has been admitted as the will of the deceased.

Creditors of the deceased are notified that all claims against the estate will be forever barred unless presented to the independent personal representative, JOYCE M. MUNRO, 2915 Parkwood, Peoria, IL 61614 or to both the independent personal representative and the Washtenaw County Probate Court, PO Box 8645 Ann Arbor, Michigan, 48107, within four months of the date of publication of this notice. Notice is further given that the estate will be thereafter assigned and distributed to the persons entitled to it.

KEUSCH & FLINTOFT, P.C., attorneys for the Personal Representative.

BY: John P. Keusch, 15927, 119 S. Main Street, PO Box 187, Chelsea, MI 48118 313/475-8671

## MHS Plans Ahead For Fall Drama Club Production

Set aside November 6th and 8th on your calendar! The Drama Club has started early this year, holding auditions for the fall play, *Our Miss Brooks*, during the first week of school. The play is based on the well-known radio serial of the same name. *Our Miss Brooks* will be directed by Mrs. Mary Nosbisch and Miss Carrie VanWasshova, the directing team that created last spring's *Rest Assured*. Many talented actors and actresses are making their high school debut in this play, mingling with more seasoned actors and actresses that you have probably seen in such plays as *Rest Assured* & *Up The Down Staircase*.

Our Miss Brooks is the story of a teacher in a school much like Manchester. Miss Brooks (Alyssa Chartrand) has to deal with putting on the school play; the basketball coach, with whom she alternately feuds and adores (Matt Laskowski); lack of support from other teachers and administrators (Lauren Adler, Hydy Paige, and Mike Santos); a hard-

to-deal-with school board president (Anji Cooper) and her daughter, Rhonda Allen (Erin Braddock), who thinks she can have anything, even the lead role in the play.

The student characters in the play have fantastic lives of their own. Ted Wilder (Peter Schulte) and Jane Drew (Rachel Elliott) are two students who like each other a lot, but something always gets in the way—Rhonda Allen, for instance.

Elsie (Kristen Taddonio), Elaine (Erika Kornow), Sylvia (Sara Cooper), Doris (Elesa Walakonis), Marge (Audrey Luck), Faith (Jenny Manwaring), Stanley (Joe Donnellon) and Martin (James Montgomery) round off the cast of students.

The cast has been working hard for three weeks, through busy sports and work schedules and are progressing at a rapid rate—and having lots of fun in the process! Look forward to a lot of great acting and fun when you take in the play on November 6th and 8th. See you in the audience!

## Our Town Boasts Record Number of Michigan Artists; Two from Manchester

Over three hundred Michigan artists, working in all media, entered the 1997 OUR TOWN. The entries were juried for exhibit by Eugene Michael Pijanowski, associate dean for undergraduate education at the University of Michigan School of Art & Design. Pijanowski reviewed more than 1300 slides before jurying 349 objects by 257 artists into the show. Media represented include painting, photography, jewelry, sculpture, clay and fiber. The artists represent more than 80 Michigan cities.

Manchester can be honored that two local artists have been chosen to exhibit their works in the OUR TOWN show: Nancy Michaelson and Nancy Feldkamp.

The Community House - a non profit center which has been welcoming all people for educational, cultural, social, charity and civic activities since 1923 - sponsors OUR TOWN each year. They do this to help artists market their work and to raise funds for the Community House which receives no public funding and is dependent upon donations, fees and volunteers. In 1996, more than \$100,000 was raised to benefit Community House.

## Small World DuRussel Department Appointed to State Board

Mr. Robert Adler of Clinton recognized an old friend and fellow alum of Bangor High School and Western Michigan University, among the MHS faculty from 1942-43 in last week's paper. Miss Marjorie Merriman, the music teacher, was a 1942 graduate of WMU, and also attended Bangor High School with Mr. Adler.

Also, the picture was contributed by June Jenter from the collection of Richard Spafard, not by Chuck Steele. Thank you, June!

Patrick DuRussel and Dennis Hanson were appointed and Thomas Hansen was reappointed to the Potato Commission, which promotes the Michigan potato industry. All three terms expire July 1, 1999.

DuRussel, of Manchester, is vice president of DuRussel's Potato Farms, Inc. He is appointed to replace David Smith, of Erie, and to represent growers from District 7.

## Wedding Bells Ring

Paul Albert Mahrle and Karen Marie Duffy were married March 22, at Emanuel United Church of Christ in Manchester. The Rev. Dr. Vince Carroll presided.

Parents of the bride are Mary Tampakas and the late Edward Tampakas of Detroit. Parents of the groom are Lorraine Mahrle and the late Melvin Mahrle of Manchester.

Honor attendants were Anne Houle, friend of the bride, of Canton; and John Mahrle, brother of the groom, of Mount Horeb, Wisconsin. The bridesmaids were Colleen Tampakas, sister-in-law of the bride, of Canton, and Kim Mahrle, sister-in-law of the groom, of Manchester. The ushers were Michael Mahrle, brother of the groom, of Manchester, and John Eggleston, friend of the groom, of Manchester.

Junior Bridesmaid was Heather Duffy, daughter of the bride, and Junior groomsman was Matthew Duffy, son of the bride, both of Canton.

Following a reception at the U.A.W. hall in Saline, the couple left for a honeymoon in Hawaii. The couple resides in Canton.

## Dutchmen Firefighters Honor Roll

The Dutchmen Firefighters gratefully acknowledge these donations above and beyond the projected cost of the rescue truck. All funds over the projected cost, will be earmarked for the purchase of a second "Jaws of Life," to be used in conjunction with the new truck.

Your donations are still welcomed, and may be mailed to the Dutchmen Firefighters Association, 275 S. Macomb St., Manchester, MI 48158

## COLLEGE NEWS

### Local Student Graduates From Saint Mary's College

Ann Stephanie Spiess of Manchester, graduated from Saint Mary's College, Notre Dame, Indiana, on May 17, 1997. Her degree of Bachelor of Arts was conferred in an outdoor ceremony in the Court of Le Mans Hall. Spiess was also named to the academic honors list for the Spring 1997 semester. She is a graduate of Father Gabriel Richard H. S., and the daughter of Mr. & Mrs. Timothy Spiess of Manchester.

Saint Mary's College, the nation's premier Catholic women's college, was founded over 150 years ago by the Congregation of the Sisters of the Holy Cross.

### Bihlmeyer participates in Foreign Study Program

Alma College senior Sharon Bihlmeyer of Manchester is one of 18 Alma students taking advantage of opportunities for international study through Alma programs.

Bihlmeyer, a 1994 graduate of Manchester High School, is spending Fall Term at the Universidad Iberoamericana in Mexico City, Mexico. The course work earns academic credit through Alma College. Students can take intensive language classes, working towards fluency. They also have the opportunity to study a variety of subjects, observe Mexican culture, and travel to pre-Columbian archaeological sites and colonial settlements. The classes and activities are conducted mainly in Spanish, and students live with Mexican host families.

Sharon is the daughter of John & Nancy Bihlmeyer of Manchester.

### LOCAL RESIDENT NOW ATTENDING UE

Katherine Tolen of Manchester entered the University of Evansville this fall as a freshman. She is the daughter of James Tolen and Anita Tolen of Manchester.

The University of Evansville is an independent, United Methodist Church affiliated institution located in southwestern Indiana.

## Boys & Girls State

*continued from front page*

is the future, and we can change it for the better."

Thanks to these programs, perhaps this generation can make changes - changes for the best.

In their imaginary "51st State," the youth elected every position from the highest of governor, to the lowest (yet not least important) of Dog Catcher. He or she then learned about the position they held.

Each student made friends who will last a lifetime during their adventure at Boys and Girls State, and walked away with information that can change the future direction of America's government.

Jenny Manwaring expressed her thoughts on the future of Boys and Girls State: "I encourage more organizations to sponsor youth so that more people will have the opportunity to experience such a wonderful program."
