More Lives Lost at Deadly Corner

The barely recognizable remains of the southbound car (above) after the crash victims had been transported, is a vivid reminder of the danger of the Austin/Sharon Hollow intersection. Below, a memorial has been placed to the driver and passenger of the car.

At approximately 1:10 PM Tuesday, October 14, Troopers from the Ypsilanti Post Manchester Detachment were dispatched to a crash on Austin Rd. at Sharon Hollow in Manchester Township. The crash involved a privately owned and operated tractor trailer hauling milk westbound on Austin Rd. and a car southbound on Sharon Hollow.

The preliminary crash investigation showed that the car failed to stop at the stop sign at Sharon Hollow and Austin Rd. As the vehicle entered the intersection, the semi was unable to stop prior to colliding with the southbound vehicle, which was broadsided by the tractor trailer.

Both occupants of the car received fatal injuries: the driver, James Daniel Dvorsky, 20, of Ypsilanti, died at the scene and the passenger, Donny Ray Welch, 20, of Canton, died after being transported. Dvorsky was pinned in the vehicle and Welch was ejected from the vehicle. Only Dvorsky was wearing a seat belt. The pair were employed by Kem-Tec Land Surveyors in their Ann Arbor office, and were in the area to survey property in Manchester Township.

The driver of the semi, who is from Olivet, MI received and reported no injuries and sustained only minor damage to the semi. The tractor trailer was inspected and found to be well maintained with only its rear plate light inoperative.

The crash remains under investigation pending the complete accident investigator's report.

Turn Your Clocks Back Saturday!

Busy Weekend in Manchester

Saturday is a big day for family fun in Manchester. Manchester's Annual Chili Cook-Off is brewing at the American Legion Hall. Rich Diamond of the Aura Inn and Chef Frank of the Black Sheep will be among the many participants challenging each other to great chili. If you have a great one, it is not too late to sign up. See ad on center pages.

A big screen to watch the big game will entertain those wearing green & white or maize & blue. The Legion will open at Noon, and game time is 12:30. Refreshments will be available during the game, and sampling of chili will begin at 5:00 PM. The Mens Club always puts on a good event and the proceeds go right back into the community. Stop down and enjoy the camaraderie.

The Pumpkin Carving Contest is also on Saturday from 11-2 at Chi-Bro Park. Carvers of every age are welcome to join in the excitement. Categories range from preschool to young at heart. You must carve your pumpkin at the park (and your pumpkin will be provided.) We'll have a seed spitting contest and apple bobbing too. Small Town sounds will again provide the background entertainment. Prizes will be awarded for each age category. Judging will be at 2 PM and the carvers can then take their creations home. In case of inclement weather, we will move to Klager School.

You may also wish to check out Shopper's Delight, sponsored by the Girl Scouts - see the announcement page for details.

Plan on spending a fun fall day, right here in Manchester.

Optimist Student of the Month

Rebekah Jackowski is pictured with Optimist President Dave Little, and her parents, Bruce and Donna Jackowski

Rebekah Jackowski, the daughter of Bruce and Donna Jackowski, has been selected as the September "Student of the Month" by the Manchester Optimist Club. Rebekah has demonstrated leadership and diversity by involving herself in many school and community activities. Academically, she is a member of the National Honor Society, and has been on the honor roll all of her high school years. She is a National Science Merit Award Winner. She is involved in MHS Choir, Drama Club, Spanish Club, Student Council, Equations and

Science Academic Games. Rebekah enjoys playing piano, reading, sewing, cooking and drama music. Besides her school activities she is a well known baby sitter and has worked for a sewing company for a year and also worked at the Village Bakery in Chelsea. After graduation, Rebekah's plan's for the future included either attending Eastern or Siena Heights colleges. She plans to major in Pre-Pharmacy and Chemistry. She hopes someday to be a Pharmacist, perhaps in the small town of Manchester.

Fair Board Begins New Leadership

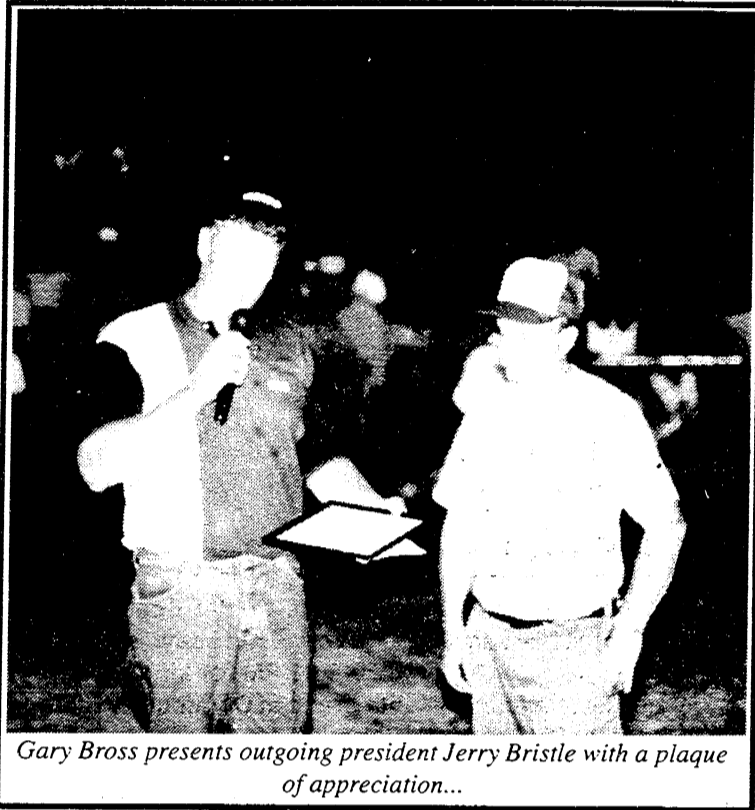

Fair Board Honors Outgoing President

- Marsha Johnson Chartrand

Ten year incumbent Fair Board President Jerry Bristle announced earlier this year that he would step down from that position on the Manchester Community Fair Board. Concluding another successful year for the Fair, after ten years it seemed like a good time to allow "new blood" and, consequently, new ideas to have their time in the spotlight.

At their annual meeting on October 13, the Fair Board elected Gary Bross as President, Kathy Richardson as First Vice President, Jerry Bristle as Second Vice President, and officers Carol Britten (secretary) and Mary Cousino (treasurer) retained their positions. Minnie Fuerstnau was also moved from an Associate Member of the Manchester Community Fair, to Directors status.

Other members of the Fair Board include John Hamilton, Mike Rossettie, Cheryl Ahrens, Kathy Fusilier, and Brenda Bristle. These are the people who make the Manchester Community Fair happen for our community each year, and it is a year-round job which

Gary Bross presents outgoing president Jerry Bristle with a plaque of appreciation...

takes dedication and commitment to produce a successful Fair every July. It is an effort which should be applauded - because without this dedicated core group, we would not have a local Fair. A number of Associate Members also help throughout the year to augment the work that the Directors do.

Jerry has seen a lot of changes in the fair over the years, including the change from August to July, a couple changes in carnival companies, the expansion of the entertainment schedule for the fair week, and in most recent years, new ideas like Old

Timers Cowboy Games and Bull Mania as additional attractions to the fair. And because he has invested so much of himself and his time during his ten-year tenure as President, he decided to remain on the Board to help guide their future direction as well.

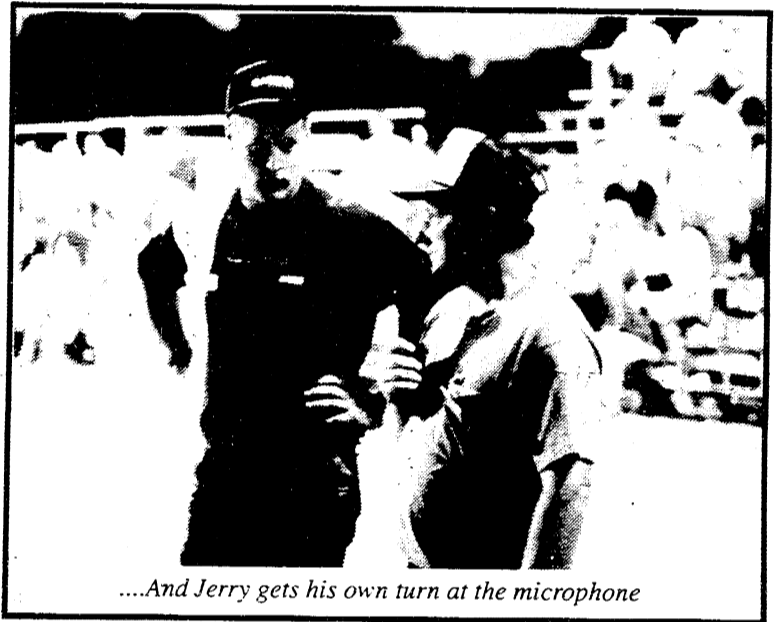

During the Fair week in July, the Board presented Jerry with a plaque of appreciation for his dedication to the Board over the past ten years. His leadership has been an important component of the Fair's growth and success during this time.

Under Gary Bross' direc-

tion, the Fair Board hopes to continue to grow and discover new directions for the future, as the Board looks toward expanding into the next century. Plans are already underway for the 1998 Manchester Community Fair, billed as the "Michigan's Biggest Little Fair." And the plan is to live up to this reputation, once again.

See You At The Fair!

- Marsha Johnson Chartrand

Editorial/Opinion Page

Out of the Pen

- by garlene

garlene has been ruminating on the power of positive words and thoughts lately. Focusing on compliments rather than complaints, she has resolved to hand out more of the former and less of the latter. Somehow, however, those negative thoughts keep cropping up.

Human nature (and perhaps the nature of the swine as well) unfortunately tends toward the negative. garlene has noticed that the times she finds most to complain about, is when she feels most self-righteous. "I'm doing a great job, what's wrong with everyone else?" doesn't always cut it. It helps to realize that none of us is perfect - no matter how much we try to convince ourselves that we are. We've all come up short once in a while.

One of the things we love about our friends is that they will listen to us complain, kvetch, gripe, or grouse - knowing full well that we will return the favor for them on occasion. But garlene also thinks that our friends will be happy - and perhaps even surprised - to hear us say nice things to them instead. Try it, and see what happens!

Life never goes along smoothly and there will be times

Reach garlene via e-mail at <garlene@juno.com>.

when negative feelings overwhelm us. And thank goodness for those friends and family who will listen and empathize and support us through those times. But thank goodness, too, for those who are interested enough in our lives to take that support one step further and give us the positive strokes we need.

"You did a good job." "Thanks for helping me out." "I couldn't have done it without you." "It's nice to see you." "You look great today."

One of garlene's favorite teachers used to say to his students, "Thank you for smiling." Whether or not they were smiling when he said it, this statement could bring a smile to the face of the most sullen student. Sometimes it was only a grimace; but hey, it changed their outlook momentarily. And quite frequently one might find oneself smiling as Mr. B approached, just in anticipation of hearing him say, "Thank you for smiling."

Our words have incredible power. If we use them in a positive manner today, perhaps we can change someone else's day, too.

Letter to the Editor

Dear Editor:

I am responding to the recent letters regarding hunting dogs and hunters.

We might better address irresponsible people - pet owners!

Do not let your pets (cats or dogs) run free and unattended. They may destroy others property, pets or wildlife, frighten people or be in danger of their lives or health. It matters not whether you live in the village or in the country.

Having animals requires a certain responsibility to protect your pets and others' rights.

People are the problem - not their animals.

Out & About

- by gar

It is a sad day in Mudville. The mighty Spartans struck out. With one of the best starts in many, many years, we who bleed green can only feel an immense despondency and an ingrained sense of profound perfidy. What an inept performance. What a debacle!

I sat on the edge of my seat during the last quarter of the game and wondered why we were attempting shoulder tackles, blocking shadows, chasing ghosts and treating the leather spheroid as an enemy. Treating that spheroid as if it was greased and watered, a spheroid that

could not be kicked, passed, caught or held onto. A football expert on WJR this a.m., said the outcome of this Saturday's game with that school south-east of East Lansing, UM (gag) 21 - MSU 10.

Well, folks, that would not surprise me one damn bit. I won't hear or see it, however. I intend to be on the golf course hearing all the boasting from a U of M booster and a Purdue grad.

Lord, what has gar done to deserve this humiliation?

APPROVED PROCEEDINGS MANCHESTER VILLAGE COUNCIL OCTOBER 6, 1997

The regular meeting of the Manchester Village Council was called to order by President Becktel at 7:00 PM. Council members present: Ames, Becktel, Brooks, Conaway, Mahony, Marshall, Way. Also present: Clerk Tucker, Manager Wallace, Gary Wiedmayer-DPW Superintendent, Kathy Kueffner-Manchester Chronicle, Phil and Chris Maly - Boy Scout Troop #426, Norm Walz, Yvonne & Robert Huber, Rob Huber, Ted Mester, Don Limpert, Sue Lackey & Bob Guenzel - WDC.

The minutes of the September 15, 1997 regular meeting were approved as presented on a motion by Marshall, support by Conaway. Vote: Ayes-all. Absent: Way.

The proceedings of the September 15, 1997 regular meeting were approved as presented on a motion by Ames, support by Marshall. Vote: Ayes-all. Absent: Way.

The Agenda was approved as amended on a motion by Mahony, support by Ames. Vote: Ayes-all. Absent: Way.

Council acknowledged the following correspondence:

- A request from the Community Resource Center for the budgeted 1997 funds from the Village. Motion by Becktel, support by Brooks to release the \$1500 budgeted for this fiscal year for the services of the Community Resource Center, and including a request for information from the CRC which would state the exact services the Village residents receive for this contribution and the amount of contributions from Manchester, Bridgewater, Freedom and Sharon Townships. Brooks suggested considering a "one-for-one" match in the future. Roll Call Vote: Ayes-all; Absent: Way.

- Results of the recent Parks Survey.

Chris Maly, Boy Scout Troop #426 approached Council with a request for an Eagle Scout Service Project. He would like to work toward earning his eagle scout badge by installing bat houses in two Village parks. Council felt that it was a worthwhile project and suggested that he attend the next Parks meeting on November 6th for their approval: WDC ANNUAL UPDATE - Bob Guenzel, Chair-Elect of the Washtenaw Development

Council introduced himself to Council and thanked them for their past support of the WDC. He introduced Sue Lackey. Sue gave a synopsis of what the WDC has been up to this past year.

Motion by Marshall, support by Conaway to accept the Treasurer's Report for September, 1997 as presented. Vote: Ayes-all.

Motion by Becktel, support by Mahony to adjourn as Council and convene as Zoning Board of Appeals at 7:25 PM. Vote: Ayes-all.

HUBER VARIANCE REQUEST - The ZBA looked over the revised site plan for the Huber addition. The new plan shows the addition being turned so that the west side yard setback will be 14' instead of 8'. Motion by Ames, support by Mahony to approve the Huber variance for an addition, as presented in the latest drawing, as prepared by Norm Walz. The drawing is to become part of the minutes. Roll Call Vote: Ayes-all.

Motion by Becktel, support by Marshall to adjourn as ZBA and reconvene as Council at 7:37 PM. Vote: Ayes-all.

Motion by Mahony, support by Brooks to approve the payables in the amount of \$48,531.72 as presented. Roll Call Vote: Ayes-all.

DPW REPORT - 1990 DUMP TRUCK REPAIR - The dump truck needs repair to the wheel cylinders. Motion by Brooks, support by Mahony to approve the repair costs in the amount up to \$2200 as quoted by Westside Automotive. Roll Call Vote: Ayes-all. **WATER METER ORDER** - Motion by Mahony, support by Conaway to approve up to \$1464.00 for 24 meters at \$61 each. Roll Call Vote: Ayes-all. **VERNON STREET** - Gary recommended to Council that they make Vernon Street one way between Washington and Clinton, going east. Council asked Gary to get a request for traffic order from the Sheriff Dept. and table this discussion for one month. **RADIOLOGICAL SAMPLE** - The Village has complied with the State monitoring requirement for radiological sample of the water. **PARKS COMMISSION** - Conaway asked for Council's opinion of closing the parks at 1:00 AM until 5:00 AM. There have been complaints on trash, excessive traffic and noise.

1989 TRUCK REPAIR COSTS - Motion by Way, support by Mahony to approve the quote in the amount of \$2185.21 from Manchester Collision for salvage box repair to the 1989 Chevy pickup. Roll Call Vote: Ayes-all. **SET DATE FOR HALLOWEEN** - Motion by Becktel, support by Ames to hold Halloween Trick or Treating on October 31st from 5 PM until 7 PM. Vote: Ayes-all.

Motion by Becktel, support by Way to adjourn at 9:15 PM. Vote: Ayes-all.

Karen Tucker - Village Clerk

Motion by Conaway, support by Marshall to close the parks from 1 AM until 5 AM, Sheriff Dept. to take care of locking the parks. Roll Call Vote: No-Brooks, Yes- Ames, Becktel, Conaway, Mahony, Marshall, Way. **MANAGER REPORT** Wallace reported that the issues with Pilot seem to have been resolved for the time being. They will be putting up a chain at the receiving dock and a sign advising that there will not be any delivery between the hours of 10 PM and 7 AM except in an emergency. **TOWER FENCE** - Wallace still has not received any date from Tower on when construction of the fencing will begin. **CHAMBER PLANNING MEETING** - Wallace, Ames, Brooks and Way reported the success of the Chamber sponsored planning meeting held last week at the high school. They all felt that this was very beneficial for all in attendance. **BRUCE RHEES REVIEW** Motion by Mahony, support by Ames to approve a \$1.00 per hour raise, effective on Bruce's seniority date. Roll Call Vote: Ayes-all. **SUBDIVISION FEE SCHEDULE** Wallace asked Council to set fees for Subdivision Application Review. Motion by Becktel, support by Way to adopt the fees for subdivision review as recommended by the Village Manager and the Village Clerk - Tentative Preliminary Approval = \$1,000, Final Preliminary Approval = \$1,000 and Final Plat Approval Review = \$500. Vote: Ayes-all. **WWTP GENERATOR REPAIR BIDS** Motion by Ames, support by Marshall to accept the bid from Michigan CAT in the amount of up to \$1764 for repair to the generator and yearly maintenance. Roll Call Vote: Ayes-all.

1989 TRUCK REPAIR COSTS - Motion by Way, support by Mahony to approve the quote in the amount of \$2185.21 from Manchester Collision for salvage box repair to the 1989 Chevy pickup. Roll Call Vote: Ayes-all. **SET DATE FOR HALLOWEEN** - Motion by Becktel, support by Ames to hold Halloween Trick or Treating on October 31st from 5 PM until 7 PM. Vote: Ayes-all.

Motion by Becktel, support by Way to adjourn at 9:15 PM. Vote: Ayes-all.

Karen Tucker - Village Clerk

NOTICE OF ADOPTION BRIDGEWATER TOWNSHIP ORDINANCE NUMBER 26 ZONING ORDINANCE REVISION

The Bridgewater Township Board of Trustees adopted ordinance number 26 at its meeting on October 15, 1997. The ordinance is a comprehensive revision of the Bridgewater Township Zoning ordinance. The ordinance contains regulations of land uses in zoning districts throughout the Township. It establishes special land uses and procedures for their approval. It also regulates signs and adult uses. The ordinance will take effect on the thirtieth day following the publication of this notice.

A copy of the complete text of ordinance number 26 may be obtained from Bridgewater Township Clerk, Karen Weidmayer, 13360 E. Austin Rd., Manchester, MI 48158. For appointment, telephone (313) 428-8641. Copies of the ordinance may also be examined at the Saline District Library, the Manchester Township Library and the Clinton Township Library.

**VILLAGE OF MANCHESTER
NOTICE OF CURSIDE
COLLECTION OF WHITE
GOODS**

The Village of Manchester will have its curbside pickup of white goods on MONDAY, NOVEMBER 10, 1997. As part of the Village's contract with BFi, the following white goods will be collected and recycled:

- | | |
|-------------------------|---------------------------|
| kitchen stoves | clothes dryers |
| clothes washers | furnaces |
| humidifiers | hot water heaters |
| trash compactors | dishwashers |
| metal sinks | metal counter tops |
- and other related items.**

NO PORCELAIN ITEMS WILL BE PICKED UP
Call 1-800-968-6679 if you are unsure if they will pickup an item that you propose to put out.

Refrigerators, central air conditioners, window air conditioners and dehumidifiers will be accepted if properly tagged that the freon has been removed by a certified technician.

All white goods for pickup should be placed by the curb by 7:00 AM on Monday, NOVEMBER 10, 1997.

Prostate Disease: What You Should Know

In 1996, more than 40,000 men died from this disease. By the time most men reach age 50, they experience prostatic enlargement and can benefit from medical attention, evaluation and treatment. Urologist Robert H. Moyad, M.D., will discuss the known risk factors, including age, race and family history. He'll also talk about the various levels of treatment, such as behavioral modification, nutrition, medication and surgery. This program is free of charge. Free prostate screening will be available following the program.

Congratulations to our Equestrian Team! We will have full coverage and photos in next week's issue.

Township Seizes Property from Manchester Gravel

A piece of equipment was seized as collateral for delinquent personal property taxes for 1996, from Manchester Gravel, prior to their auction last Thursday. Manchester Township Treasurer Claire Turk indicated that "our attorneys are talking" about the possibility of a jeopardy assessment on accelerated 1997 personal property taxes.

If it is determined that the Township can collect these taxes by a sale of the equipment, an auction will be scheduled.

OBITUARY

Robert A. Jacob

Robert A. Jacob died Octo-ber 15, 1997 at the home of his daughter in Onondaga. He was born on August 23, 1920, the son of Gottlieb and Lillie Jacob in Manchester. He graduated from Manchester High School in 1938 and then attended Michi-gan State University for three years before entering the U.S. Navy, where he served on the destroyer U.S.S. Hailey until the war ended.

He was married for 51 years to Mildred Evelyn Jacob, who survives. He is also survived by one son, Robert (Deborah) Jacob of Howell; four daughters, Kathy (Mik) Curtis of Leslie, Betty (George) Wilder of Ruyard, Shirley (Jim) Prater of Onondaga, Rosanne (Tim) Graves of Battle Creek; one sis-ter Rose (Harold) Winright; and one sister-in-law Vivian Smith. He also has 13 grandchildren and 6 great-grandchildren.

He was preceded in death by a brother, Walter, in 1964.

Robert was cremated and a memorial service was held in his honor at Harmony Baptist Church in Jackson, with Pastor Chuck Turner officiating, on Oc-tober 18, 1997. We will surely miss him.

- by T.V. Ludwick

Sitting at the kitchen window typing I can look out at Herman's maple tree in all its glory. The sun is coming up and the leaves are turning more orange intermixed with the green foliage. It is awesome, an expression we've heard from our youngsters and very apt. Kids do have a way with words, even when they make up new ones that thoroughly confuse us. I respect their need to communicate with each other as I can remember what fun it was to "speak in code" around grown-ups. Pig Latin was a little hard and I never did manage a whole sentence without giggling. Then, we could speak phrases in 'real Latin' to each other in the superior way kids have when they can do something that you can't. You know what? We survived!

Thursday, October 23: The chef is probably working hard on this one, as she always does when she has a choice. Come and be surprised at senior meal at Emanuel UCC dining room at 12 noon for all you who are 55 or older. Please call either Sharman at 428-8359 ahead, or Jan at 428-7630 before 10:30 on meal days for your spot at the dining tables. Then, come to the Center at 12:30 for bingo and continue your fun at Freedom Township Hall at 7:30 PM for the senior sponsored card party for young and old. If you wish to ride out to Pleasant Lake, give Marion Ahrens a

call at 428-7865. The senior bus begins pickup at 6 PM.

Tuesday, October 28: Our Senior Yoga Class is held each Tuesday morning at 9:30 in Hoffer Hall at the Manchester Methodist Church. If you are 65 or older, please join us to work out your aches and pains with gentle exercise. We now have 20 enrolled and there is room for you. Donna is stretching us 'to our limits' (to each person's individual limitations and abilities). Come join us. Meanwhile, back at Emanuel, Jo Simmons (or one of our local nurses) will start taking your blood pressure at 11 AM. And, at 12 noon, Jan, Kathy and Grandma will prepare and serve stuffed green peppers, whee! There will be the 'in-nards' served without those green wrapped around things for you who do not like the little green things. After lunch, there will be a health talk presented.

Thursday, October 30: Jan and crew will serve chuck roast and it is always good and tender. At 12:30 you bingo fans are welcomed to come to the Center and enjoy your fun.

We all welcome Bob and Diana Macfarlane back home to Manchester...we've missed you!

Looking ahead... **Saturday, November 29** at 3 PM at the Croswell Theatre, Adrian, "Joseph & the Amazing Technicolor Dreamcoat" will be presented. This is a biblical story of Joseph, his brethren and the coat of many colors featuring vaudevillian tunes, Country & Western, Calypso, 50's Rock 'n Roll and Pop. This musical promises to be electrifying fun for all. Group tickets are \$13.00 each and **deadline is Wednesday, November 5.** We will stop and eat after the show. Bus will leave the Center at 2:10 PM. Call Marion.

Individualized Hospice is sponsoring a one evening bereavement program to offer support and encouragement to grieving persons as they face the holiday season. "After a Loved One Dies - Getting Through the Holidays" will be held on **Tuesday, November 11** from 7-9 PM at St. Luke Lutheran Church, 4205 Washtenaw, Ann Arbor. There is a \$5 charge for the program and financial assistance is available. Rev. Nancy Doty or Rebecca Knorp can be contacted at 971-0444.

All you Scorpio born folks from October 24-November 21...here's yours: "Your mystical talents will overcome your fatalism and give you a new lease on life".

Senior Programs Offered

Turner Learning Center

Flu season is coming soon and it's time to get prepared. All people over age 65 and those with long-term heart and lung problems or chronic diseases such as diabetes, anemia, kidney disease are recommended to have the flu vaccine. Three flu clinics will be held at the University of Michigan's Turner Geriatric Clinic at the new building, 1500 East Medical Center Drive.

On Saturday, October 25th, 1:00 to 4:00 PM, the clinic will administer flu vaccine as well as present a panel on "Tuning up for Winter." From 1:00-2:00 PM James Ashton-Miller will discuss how to prevent falls and safety tips for winter; Deanna Kierczak will talk about cruises and elderhostel opportunities; Mariko Foulk will advise on preventing winter blues and Donn Davidson will give tips on getting your car ready for winter. The panel will be repeated from 3:00-4:00 PM. A walk around the hospital guided by Nia Aguirre will occur between 2:00 to 3:00. Refreshments will be available and parking is free.

For people with current University of Michigan Medical Center registration and Medicare, the cost will be billed to Medicare on October 25th and Wednesday, November 19th when flu shots will also be given from 2:00-4:00 PM. On Thursday, November 6, 2:00-5:00 PM, the Washtenaw County Department of Human Services will administer flu vaccine to anyone 9 years and older. A donation of \$7.00 is appreciated but not mandatory. Call 764-2557 for information on any of these flu clinics.

Chelsea Community Hospital

Chelsea Community Hospital Behavioral Health Family Education Series presents "As Families Grow Older." This free lecture series provides information and support for families who are dealing with relatives or close friends who need support as they age. Jeff Smith, ACSW and Ilsa Sturis, CNS, of the Geropsychiatry Program at Chelsea Community Hospital Behavioral Health Services will present the first lecture "Dementia, Mental Health and Substance Abuse Concerns with Older Adults" Monday, November 10, 7 PM, in the Hospital Private Dining Room A. Please call (313) 475-4030 for more information and to register for this FREE program

Local Issues

Open Space - Controversial or Not?

Everybody wants it. How can they get it? The idea of "open space" is a hot topic in development planning these days. Sharon Township is currently considering an Open Space Community District ordinance which is generating a lot of attention.

A Planning Commission meeting held last week ended up not being a "public hearing" due to legal issues, but two members of the public attended anyway. Planning Commission chair Roger Kappler noted that "I announced right off that it was not an official Public Hearing and so there was no real discussion." The Hearing is rescheduled for November 20.

After a Public Hearing, the Planning Commission will send a recommendation to the Washtenaw County Planning Commission, and the Open Space Community District will be returned to the Sharon Township Board to be enacted or voted down.

The Open Space Community District ordinance is patterned after similar ordinances across the country, most locally in Livingston County,

according to Roger Kappler. "I don't see it as controversial. It is a guide for development, and a way to preserve 60% of the open space in either agricultural or recreation/conservation. It is totally optional; it's not changing anything. It is providing another option for low-density residential building."

The idea of open space appeals to everyone. It seems that the implementation of open space is the issue. "We are struggling with this one," indicates Sharon Township Supervisor Gary Blades. He notes that members of the public are welcome to attend every meeting held in the township, whether it is a Township Board meeting or a Planning Commission meeting, to make their opinions known.

"This ordinance is still in the planning stages," says Blades, while admitting that the Township Board and Planning Commission have had several discussions about the idea. Most recently, at their October 2 regular board meeting, potential implementation of the ordinance was dis-

cussed briefly. "We are looking to encourage open space in the township, through planning and development."

Blades is proactively seeking input from his constituents regarding open space. He continues to believe that development doesn't need to just "happen to" Sharon Township. "We're looking for ways to preserve open space and encourage different uses of the land. This particular ordinance specifies different housing patterns than our current land use options."

The concept of an Open Space Community District is a "variation on the cluster housing concept," according to Blades, which has been discussed for quite some time in Sharon Township. In the current land use plan, ten-acre lots are mandated by the township. Sometimes, this means property owners end up with one acre of lawn and nine acres of weeds, depending upon the prior use of the land. Occasionally, a farmer will lease a few acres. Other residents prefer to use their "open space" for hunting or other

recreational pursuits. In an Open Space Community District, there would still be only one house for every ten acre parcel, but the homes on these parcels would be "clustered" so that the majority of open space is kept as either agricultural or recreation/conservation. So in a 40 acre plot, there would still be four residences. They would just be placed closer together, on perhaps a five acre portion of this 40 acres, leaving 35 acres open to traditional uses. This can be done with up to 100 acres at a time, occupied by up to ten residences, according to Kappler.

Of course, if the property owners try to lease a 35-acre plot to a farmer, it is much more attractive to the farmer than five - 7 acre plots. And it is certainly much safer for hunters to hunt on a large block of private land than on just a few acres, while their neighbor is horseback riding in their next-door parcel. The problem, according to Blades, is the "community property" usage. "Who is to say that two of the residents would want an agricultural use of the open space, while the other two would rather use it for recreation/conservation?" He continues, "There are times when we have enough trouble with shared driveways; we need to figure out ways to make this joint ownership work."

While the controversial issues "just don't stop," says Blades, "this is a good idea;

the trick is to administer it so that it works for everyone."

Kappler concludes, "The Planning Commission doesn't have a 'silver bullet' in preserving agricultural lands and open space. This ordinance is a tool, and it has worked well in other areas. Our best future lies in having a number of tools for people to decide what is best for our township."

And so the discussion continues. The Public Hearing will be held on Thursday, November 20th. Watch for details forthcoming from the Planning Commission, as notices will be posted and published in coming weeks.

In the coming weeks and months, the residents of Sharon Township will have a chance to make a difference and help decide what is the "best future" for the place they call home.

A Circle of Friends

The Magic Circle. Family Groups. The Wall. Mission: Possible. Carpe Diem. If you have been to Storer Camp or know someone who has, these phrases are probably as familiar to you as your own daily activities. Last weekend, the current 7th grade class, along with high school counselors and teachers Terri Monkewicz, Bill Kindt, Jim Fielder, and Jane-Lee Sellers attended YMCA Storer Camp. The weekend was filled with fun activities designed to promote teamwork, trust and confidence.

The students were set up in randomly chosen "family groups" to get them working together with people they may have not been familiar with, headed by a counselor "mom and dad" or two moms and two dads, depending. With these groups they spent most of the weekend.

The rules at Storer Camp are simple: No slashing (insults), no graping (cliques),

carpe diem (have fun now, don't worry about what comes next), be excellent to each other, and have fun! All the campers and counselors followed these rules to make it a great weekend.

Some of the activities the groups participated in were included in Mission: Possible. Students were given a situation, such as that they were on one log on an ocean full of sharks. They could only stand single file on the log but must switch places without falling in the "water" where sharks would be waiting. Another was Raging River, which consisted of four stumps and two boards which were used to cross all the students from one end of Raging River to another—without being swept away by the current.

One activity that most groups said was tougher than it seemed was Moonwalk. Oh no! Mom and Dad left their hats on the moon. The

only way to get them back is by taking these two long boards with your whole group on them holding ropes and walking to the moon and back. There is only enough gas for one trip, so everyone needs to come and you can't fall off (harder than it sounds) or you have to go back and refuel. My group found that the hardest part was staying on the same step as they moved across the void between the earth and the moon.

One of the easiest for us was the atomic bomb, where you had to get an "Atomic Bomb" (really a tire) over the 10 foot high post without touching the post or the bomb would go off. Luckily, we had lots of tall people in our group!

All these activities led to problem-solving skills that the students could use when they got back to Manchester. For instance, everyone learned to use teamwork and trust others. They carried

these skills into the biggest challenge of the weekend: The Wall. The 10-foot wall stood in the woods and we had to get everyone over it who wanted to—over 50 people. The problem was that each person who was not climbing the wall could not lift a person over. Each person who was climbing could only lift three people. And once you went over the wall, you forfeited all your remaining lifts.

The last person had to find a way to get over without being lifted. Jumping is pretty hard, we found, but in the end all 50 people went over the wall successfully. This challenge was the biggest success of the weekend for most people, they found. They used all the problem-solving skills, trust of others, and teamwork they had learned during the weekend.

As a counselor who knew few of the kids there, I felt really neat getting to know

lots of kids and seeing them gain these skills through the weekend's activities. The kids loved accomplishing all these activities and getting to know each other better through all the activities. The Magic Circle, where Main Counselor Vicki Bauman asked a question of the group and each person had to answer separately, helped the students get to know each other better.

Manchester Middle School has been going to Storer Camp for six years now, and every year it seems to be a bigger success. Everyone involved learns a lot and has endless fun and lasting memories.

Thank you again to Mrs. Monk, Mr. Kindt, Vicki Bauman, and all the other teachers and counselors that participated, and a special thank you to all the kids—you made the weekend worthwhile.

School Gets Clean Audit

President Winzenz convened the regularly scheduled meeting of the Board on Monday, October 20. Present: Abbott, Evans, Knouase, Ochs, Sahakian, Winzenz; Absent: Turk. After minutes of the September 15 and October 6 meetings and the Treasurer's report were approved, correspondence was noted.

The Executive Board of Manchester Band Boosters submitted a letter of concerns to the board of education during the visitor input section of the meeting. High points alluded to the following; "... Enrollment [in band and music programs] has doubled over the last 5 years. Throneberry teaches 245 students, variety of levels, variety of instruments in two separate locations. Increased demand for choir, jazz band, orchestra and assistance needed..." The last paragraph of the letter read, "Given the growing and changing needs of the community, as well as the climate created by schools of choice we would like to request that the issue of a Certified Assistant Band and Choir Director be addressed. We also respectfully request to be on the next School Board Agenda to submit our Goals

Committee's plan for the music program over the next few years, pointing out that a Certified Assistant for the program is vital to continuity and quality. Quite frankly, we are tired of losing our band directors and firmly believe an assistant would create a situation that would enable us to retain Mr. Throneberry and develop expanded excellence in the music program." The letter was signed by Kathy Donnellon, Peggy Paige, Kathy McGuire, Rita Page, Monty Okey and Kathy Roberts, Executive Committee of the Band Boosters.

Later, during the meeting, Bev Dettloff presented the Board with a list of text books used in grades 1 through 8, some of which were acquired in 1988 and 1989. Bev asked the Board for a list of the text books being used at the high school and when they were acquired. Originally there was a planned replacement of books to be acquired in 97/98 and 98/99, about one half of the language arts books were replaced.

The 1996-97 Financial Audit Report was presented by David Fisher of the firm Rehmann and Robson Company. A Fund Equity, (reserve) of some \$560,000 as of June 1997 was reported. Various

footnotes and line items were discussed and that new audit requirements for bonded indebtedness will have to be included in future reports. Mr. Fisher reported that the books are in Very Good Order and that Manchester Schools is in Very Sound Financial Health. Mr. Steve Bland the on-site auditor reported that four items must be strengthened in the future. One good note was reported that some \$39,000 in property tax revenue has been shorted and is due the schools.

The board appointed Matt Seidl as Head Varsity Basketball Coach for the 1997-98 sport season. His salary will be \$5,387 for this year. His coaching background includes seven years as varsity girls Coach at Pinckney High School and several years Varsity Boys basketball coach at both Pinckney and Willow Run High Schools. They also approved the appointment of Jeanne Wojtas as Varsity Cheerleading Coach.

The Board approved waivers of membership for Anthony Allyn Scott Barnes Clark and Maranda Tyler to attend Tecumseh Public Schools and East Jackson Community Schools respectively. A resolution was passed by roll call, authorizing the districts attorneys Thrun, Maatsch and Norberg, P.C. to proceed with the Headlee Amendment Claims

Improvements at Middle School

The new playground equipment at the Middle School has been a lot of fun. Except for the ground under the equipment; it is hard. But that has changed thanks to Mike Foid from Gravel Pit #9 on Pleasant Lake Road in Freedom Township. Mike donated the sand for free and Mike McLennan from McLennan Landscape donated his time and truck to deliver the sand.

Thanks to both Mikes, the ground is a little bit softer.
- Mike Taddonio

MHS Band Rates High

MHS Band is successful once again. The band performed at MSBOA Festival at Jackson Northwest High School on October 11th and received a rating of II. The "II" rating is what we got last year, right? Yes, but this year we were greatly improved over last year and even from the beginning of this year's season.

The band was rated on Music, Marching, and Formation. We received ratings much higher than last year on each, which was our personal goal for the Festival. We came home with "high" II's in all three categories.

The excitement of our own wonderful performance was equaled by the fun of seeing other bands perform and getting ideas and critique to use in further shows and next year.

Come and watch the MHS Band, along with the 7th and 8th grade band members, as they present their final "official" performance of this Marching Band season, this Friday at Parents Night. Pre-game and half-time shows will feature the expanded band. And don't forget the upcoming winter concerts presented by all the bands, from fifth grade on up. You can count on our bands to offer an evening of great music!

-ABC

Bottle Drive Scheduled

The Middle School Enrichment Organization is planning a Bottle Drive at Manchester Market this Saturday, October 25, from 9 AM to 1 PM. This will help provide funds to support the Middle School Enrichment Organization, a parent group dedicated to providing "extras" for Middle School students.

Believing that all students deserve an opportunity to succeed and excel, and display their talents in a wide variety of areas, the Middle School Enrichment Organization is helping to make this happen. Meetings are held monthly on the third Thursday.

Please bring your extra bottles to the Manchester Market this Saturday, to support our Middle School students. Your help is appreciated!

for damages of underfunding special education, transportation, driver's education, and school lunch programs.

The update was presented for final budget from O'Neal Construction showing deletions and adjustments to the building project. At the present time a surplus of \$13,433 in the construction contingency fund is available and potentially \$2,000 to \$5,000 might be available in the Furnishings portion of the construction contract. The savings in the furnishing's portion is from items not ordered by the school. A list is being compiled by the Superintendent to determine what delayed work or furnishings is in order.

Board member Sahakian queried Superintendent Niedzwiecki on the status of awarding a Varsity Letter for Handicapped students. Niedzwiecki responded that a meeting with the coaches and the AD is upcoming to resolve the issue.

The Board set the next meeting on November 17 at 7:00 PM for the regular meeting and 7:30 PM for a Town Meeting so that community members can have an input into our community schools.

Sports

Manchester Cross Country

Last Thursday, the boys and girls cross-country squads took to Ella Sharp Park's course to determine the best of conferences runners and teams. The results were mixed, but the teams came away with some valuable information for next Saturday's regional meet at Ann Arbor Pioneer High School. The boys will take to the starting line at 11:00 AM, and the girls will go off at 12:00 PM. It's sure to be a great meet, so come on out and support our runners as they vie for a spot in the state meet.

The boys team finished a disappointing fourth at the Conference meet. While the placing wasn't what we hoped for, the boys ran some solid times. Sophomore Kyle Harris ran a new school record 17:36 for a 12th place finish and honorable mention All-Conference honors. Senior Jeremy Smith followed close behind in 15th place with a time of 17:40, also bettering the previous record. He also earned honorable mention All Conference honors.

Sophomore Kevin Sahakian ran a career best 18:07 to run as our third man. Eli Bragg hobbled through the race on a sprained ankle to finish 27th. Running the best race of his life was sophomore Phillip Krall. Phillip bettered his previous personal record by 11 seconds as he crossed the line in 20:28. They boys fourth place finish in this meet, along with their second place finish in the dual meet portion of the season, placed them third in the League standings. An excellent job for five guys who have only been running for a couple of years.

The girls team had an outstanding meet in all aspects on Thursday. The girls placed second in the meet behind an outstanding Grass Lake team, which also placed them second overall in the League standings due to their 6-1 dual meet record. Sophomore sensation Rachel Fleck led the way with her new school record time of

20:32. That was good for the runner-up position in the meet. She lost a dual for 1st with Michigan Center's Dana Clayborn, but ran a great race none the less. It is Rachel's first All Conference honor for Cross Country.

Also receiving All-Conference honors for the girls was freshman Jackie Palms. Jackie ran a blistering 21:11 on Ella Sharp's course to finish fifth overall. Jackie's time puts her third all-time in Manchester's girls record book. Sophomore Erin Fox ran her best time of the year to finish 14th. Her time of 21:52 and place earned her an honorable mention All Conference certificate. Joining Erin on the honorable mention list was freshman Cassie Clark who lowered her personal best by over a minute to 22:17. Sophomore Lauren Adler overcame nagging foot injuries to run a solid time of 24:01, good enough for 29th place.

Running a totally fantastic race, and her best race ever, was freshman Kristen Taddonio with a time of 24:09. Kristen finished 30th, the best of any of the 6th runners in the Conference, and better than almost everyone's fifth girl. She even would be the third or fourth girls on numerous teams. This capped off a great League season for these girls, and puts them in good shape for the regional on Saturday. Come see our girls go after the regional crown!

Remember, our quilt raffle is going on. Purchase a ticket for \$1 or 6 for \$5. The drawing will take place at the Christmas In the Village Arts & Crafts show in November. Secondly, the boys and girls regional meet will take place on Saturday, October 25th at Ann Arbor Pioneer High School. They boys race begins at 11:00 AM and the girls race at 12:00 PM. Come see two of the finer cross-country teams in the conference and area compete.

Thanks for your support!

- Coach Craig Vitale

Golf Team Ends Season

On October 2, the Golf Team traveled to Hanked Hills Golf Course for a dual match with Leslie. Both the Varsity and Junior Varsity teams played well, despite the fact they had never played this course before. Ben Grenier paced the Varsity with a 43, followed by Derek Hanselman 47, Chris Benedict 50, and Ted Roberts 52 for a total of 192. Leslie was three shots better with a team total of 189. Justin Preston led the JVs with a 49, with Eric Walter right behind at 50, followed by Brett Maki 54, and Dan Riesterer 58.

The Conference Tournament was played at Concord Hills Golf Course on October 8th. While the scores overall were on the high side, (with only two scores in the 70's (77 & 78), our young team struggled with a total team score of 423. Again, Ben Grenier was low for the team with a 98, followed by Derek Hanselman 106, Ted Roberts 107, and Brett Maki 112. Final Conference standings were: 1) Michigan Center; 2) Hanover Horton; 3) Napoleon; 4) East Jackson; 5) Addison and 6) Manchester.

On Friday, October 10, the Legacy Golf Course outside of Blissfield, hosted the Dutch Class C Regional. The low three teams from this regional would advance to the State Finals. This new Par 72 golf course is a links design, with water, sand & hills.

Local knowledge of this course would help, but unfortunately the team's Practice Round date was a rain-out. The three teams who survived and advanced to the state were two teams from our Conference - Michigan Center 337 and Napoleon 373. Summerfield, with a 356, advanced also. The Dutch at 426 were led by Ben Grenier and Derek Hanselman at 104, Ted Roberts 107, and Brett Maki 111.

Our season saw a very young team improve as their season progressed. With the exception of losing first year senior Derek Hanselman, who played #2 all year, we should have everyone returning and looking forward to next year's competition.

- Coach Dan Galaska

JVs Suffer First Loss

We have all heard the saying, from ABC's Wide World of Sports, "The Thrill of Victory and the Agony of Defeat." Last Thursday our Junior Varsity Football team felt that agony, as they lost their first game of the season to a very good team from Addison by the score of 28-0.

This game of two unbeaten teams, (6-0 records), was closer than the score indicated. Coach Fielder felt his team would need to play four solid quarters to be victorious. Unfortunately (for us), Addison made the plays when it counted and capitalized on four Dutch turnovers, turning three of them into scores.

The first quarter was scoreless. Manchester moved the ball to the Addison 15 yard line, but the drive stopped when a fourth down pass was short. Midway through the second quarter, Addison punted and downed the ball on the Manchester six yard line. On the second play Addison recovered a Dutch fumble at the 3. The Panthers scored when Adam Stiers ran the ball in from the one yard line. The conversion failed and Addison led 6-0.

The Dutch came right back, using the "Ol' Hook & Ladder Play." Jason Flint lateraled the pass he had caught to Pat DuRussel and Pat ran for a first down. With good runs from Pat, the Dutch drove to the Panther 30 yard line. On third down, quarterback Tyler Breilein was blind sided by an Addison player and fumbled. Addison recovered and started back; after one first down they were held, and punted to the Dutch. Mike Conway returned the punt to the Dutch 42 yard line. On the first play, fumble #3 hit the Dutch and Addison recovered. They drove the ball to the Manchester 30 yard line. On third and nine the Panther quarterback threw a perfect pass to the end zone where Brian Haynes made a driving catch to score with 1:04 left in the half. The conversion pass was good and Addison led 14-0.

Manchester received the second half kickoff, but had to start their drive at the 10 yard line due to a clipping penalty. They drove to the 24 where on third and 6 the Addison linebacker intercepted Breilein's pass and returned it to the 6 yard line. The Dutch defense held, throwing the Panthers back. On third down, Jesse Conrad, the Panther running back broke several Dutch tackles and ran 11 yards for the touchdown. With the conversion pass completed the score increased to 22-0, Panthers.

At the end of the third quarter, Addison drove from their 40 yard line to the Junior Dutch 11. On third and 8 they made a nice run to score their fourth and final touchdown. The conversion failed, and the final score was Addison 28, Manchester 0.

Manchester had one final drive in the fourth quarter to get a score. They drove to the Addison 29 yard line with a nice pass completion to Mark Hollosy. But the Panthers' defense held and they took over on downs and were able to run out the clock.

The Dutch defense was led by Jason Flint at linebacker (8 tackles), Pete Dettling at end (5 tackles), and Jason Schaible, who returned from the injury list, to make four tackles from his safety position.

Their key offensive plays this night were performed by Tyler Breilein, Pat DuRussel, Derick Hanewald and Mark Hollosy. Although they didn't score, the JV's were able to move the ball on several occasions.

Well it is back to practice for our next opponent - the Napoleon Pirates. The Junior Varsity Dutch will travel to Napoleon this Thursday evening, where they hope to get back on the winning track.

The "Agony of Defeat" should be a valuable lesson to this team. In sports you only have the next game to better yourself. Let's Go Dutch - Give yourself, and your fans, the "Thrill of Victory."

7TH AND 8TH GRADE HOMECOMING TEAMS TROUNCE THE TROJANS

Playing with the home field advantage sits well with the youngest of Manchester's grid iron soldiers. They seem to like the cooler temperatures too as "real" football weather also came to town. A fumble ended the first Manchester possession but good Dutch defense kept the East Jackson Trojans to only three plays in the 1st quarter. As the buzzer sounded to end the quarter, Josh McCalla at quarterback with Nathan Neigebauer, Nathan Smith and Stephen Jankins running the ball had brought their team to the red zone but were denied on downs.

The opening play of the 2nd Quarter saw a Trojan racing across yard markings for a touchdown. They also scored the conversion on a running play. Taking over on their own 25 yard line, the Manchester offensive line punched holes for Jankin's and Smith's 1st down runs. Coach Schick called a time out after stalling at the 4 yard line. The tactic worked as Neigebauer cut a diagonal path into the end zone. He was brought down in the backfield though on the conversion attempt.

The Blue & White offense were like trees to cut down, but again the Dutch defense led by Kevin Walter and Shane Amburgey, and two illegal motion calls against East Jackson proved too much for the Trojans. The half ended with the pigskin in Dutch possession.

The second half began with a trading of possessions with Manchester tacklers Tyler Harvey and Ken Schwab not letting the Trojans get anywhere. Smith's punts kept the game in Trojan territory, but on their possession, Manchester fumbled at the Trojan 4 yard line and lost the ball. On the next play, though, the Dutch covered a Trojan fumble in the end zone and were awarded 6 points and a four point lead. The conversion attempt failed.

East Jackson steadily marched the ball down field to the Dutch 20 yard line. Push came to shove at 4th and 7 and the Maroon & Gold defense held with Harvey on the tackle. Amburgey woke the crowd up with an 11 yard 1st down run. Smith also ran for a 1st down to put Manchester just short of mid-field. The ball was turned over, though, and the Trojans got off one more play - a run that stopped Maroon & Gold hearts everywhere but was short of the score and the game was "Put in the Books" at Manchester -12, East Jackson -8.

The Eighth Grade team continued their theme of complete domination as two first quarter touchdowns were taken in by Jeff Punches and good conversions were scored by Casey Preuninger and Chris Roberts. Aaron LaRock started at QB. Each Trojan possession was answered by Dutch penetration as Fuerstnau forced a fumble that VonBroda recovered. The LaRock/Sawyer passing class was also in session that night.

Clint Grenier juiced and cut for a touchdown during the second quarter which ended with the ball in Dutch possession and a score of Manchester -22, East Jackson -0.

A second half East Jackson fumble recovery by VonBroda set up another Punches touchdown and Kormendi conversion. Constant pressure by the Dutch defense forced more fumbles and near interceptions and kept the Trojans in their own territory. Manchester took over on downs and Chris Roberts took it in for the TD on the first play of the possession. LaRock was stopped short on a keeper for the conversion. The only East Jackson score of the evening came after Karl Schaible's interception was called back for roughing the passer. Adam Little broke up another pass play. The third straight pass of the series was complete for a Trojan touchdown. Manchester stopped the conversion attempt.

Chris Roberts made a nice return to the 45 yard line to set up the next Dutch TD. With Punches taking snaps, Grenier took the hand-off and turned on the speed for the score. The conversion attempt failed and Sawyer kicked to East Jackson. A subsequent fumble was recovered by Magetti and the Dutch retained possession to the end of the game. Final score-Manchester -42, East-Jackson -6.

Both teams have an open Wednesday night this week. The next and last game of the season is home against Hanover-Horton on October 29th at 4:30. Come on down and catch the action of these talented teams, not to mention the concessions, cheerleaders, infamous chain gang, and our own colorful play by play, by "Voices of the Flying Dutchmen," Joe Tobias and Dale Sawyer.

- Julie Schaible

Dutch Get Nipped by Panthers

On Friday night the battle for the Cascades Conference took place between Manchester and Addison. It was a playoff-like atmosphere as a sizable crowd showed up to witness the festivities.

The Dutchmen come out running on all cylinders. On the opening kick-off, Nick Davis returned it 53 yards to the Addison 27 yard line. On the next play, Kirk Horodeczny rambled 19 yards to put the Dutch inside the 10 yard line. Davis capped off the drive by scoring Manchester's first touchdown of the evening.

Terry Coleman caused Addison to start their first possession on the 20 yard line, as he kicked the ball in the end zone for a touchback.

The Panthers drove the ball down to the Dutch 35 yard line, where misfortune would strike as they fumbled the football. Kirk Horodeczny recovered the ball but the Dutchmen couldn't capitalize on the turnover.

Addison's next possession took them down to the Manchester 9 yard line where the Dutch would stop them on fourth down.

In the second quarter, the Panthers took control of the scoring as #44 Mason scored on a 26 yard scamper for Addison's first score.

The Panthers' defense would stiffen as they forced the Dutch

to punt. The only good thing about this punt is that it landed inside the Addison 10 yard line. But the Panthers drove the pigskin 91 yards with good runs by Mason and eventually capped off the drive with a 21 yard touchdown pass to Mason. The first half would end with the score Addison -13, Manchester-6.

Manchester wished that they could have restarted the third quarter as Addison returned their second half kickoff for an 80 yard touchdown, to widen their margin to 20-6.

The Dutchmen wouldn't give up as they scored a touchdown of their own on a 67 yard pass from Nick Rose to Eric VanBogelen, narrowing the score to 20-12.

Manchester's next possession would see the Dutch move the ball all the way down to the Addison 1 yard line that would set up a big fourth down play. Once again the Dutch would be denied a touchdown by the Addison defense.

The Dutchmen defense came up big in forcing the Panthers to punt. Nick Niehaus contributed a good return to set up a 35 yard touch down gallop by Nick Davis. The Dutch tried for a 2 point conversion to counter the two missed extra points earlier in game, but they would fail once again.

The Panthers came back with a 2:30 minute drive capped off on a quarterback keeper for a touchdown to widen the score to 26-18. Manchester tried their best to come back, but Addison was too tough to handle on the night.

During the third quarter, Davis became the all time leading area career rusher with 3,724 career yards. On the night he had 165 yards on 29 carries. Kirk Horodeczny had 24 yards on 4 carries.

Quarterback Nick Rose was 6 for 11 with 122 total yards. Nick Niehaus caught three passes for 35 yards. Eric VanBogelen caught one pass for 67 yards. Nick Davis caught two passes for 22 yards.

This Friday come watch the seniors play their last home game against our arch rivals, the Napoleon Pirates. Throw out the records - these two teams do not like each other so this is going to be smash mouth football. It will be Parents Night so let's make mama proud. Come on out and pump up the volume. Nobody comes in to our backyard and pushes us around. This reporter's prediction: Manchester 24 - Napoleon 7.

Speaking of rivalries, I'll add another prediction this week: MICHIGAN 28 - michigan state 24.

- Bobby Hayden

7th Grade Basketball

The youngest Lady Dutch basketball team continues their excellent season with a 28-17 win against Vandercook Lake. The girls displayed the finest teamwork and played one of their best games. In this game, 9 of the 13 girls scored.

Leading the way once again was Kate Meyer with 9 points. Also scoring was Cori Chrestensen (4), Julia Steinaway (3), and Michelle Slocum, Sara Tervo, Kristine Smith, Michelle Krutsch, Christine Fairbanks and Liz Okey with two points apiece.

Coach ball says, "The girls have four games left. Come and see some exciting basketball and get a look at the future league champs of Manchester High School."

Organizations

American Legion Auxiliary #117

The monthly meeting of the American Legion Auxiliary was held on October 8, 1997, with 18 members present.

A synopsis of the various committees was given by one of its members.

Members were encouraged to support the Veterans' Day affair on November 7th. Longevity memberships of Legion members will be recognized.

Anyone knowing of changes in addresses of service men or women or anyone joining the service over the past year needs to contact Vivian Middlemiss immediately.

A quota of 133 members has been set for 1998. Anyone knowing of perspective members should contact Phyllis Baker.

Meeting adjourned with refreshments following served by Beth Clouse. November committee is Joyce Golightly, Helen Rigg, and Elaine Steele.

Build A Caring Community

The Manchester United Way Campaign is under way in Manchester and our slogan for this year is "Build a Caring Community." Our goal is \$67,712.00.

The monies will be allocated to the following organizations in the following amounts: Manchester Township Library- \$4500; Manchester Area Recreation- \$4500; Manchester Family Service- \$4500; Manchester Area Senior Citizens Council- \$5000; Manchester Cooperative Pre School- \$2000; Community Resource Center- \$4000; Samaritan Counseling Service- \$2000; American Red Cross- \$10,000; Catholic Social Services of Washtenaw County- \$4000; Child & Family Service- Huron Service for Youth- \$5000; Cystic Fibrosis Foundation- \$1500; Manchester Little League- \$5000; Huron Valley Child Guidance Clinic- \$750; Huron Valley Girl Scout Coun-

cil- \$4100; Salvation Army of Washtenaw County- \$2500; United Way of Michigan- \$3262; Great Sauk Trail Council Boy Scouts- \$4100; and Manchester Salvation Army- \$1000.

You should be able to chart the progress throughout the campaign by the thermometer located in the post office. You may see posters in our local businesses, which are being drawn by students at Klager Elementary School with their interpretation of our slogan.

Our Board of Directors are: Sula Jeffers Horodeczny, Pat Wallace, Lori Voegeding Bradshaw, Ann Pat Wolf, Joyce Golightly, Ann Fowler, Rev. Richard Hardy, Judy Fahey, and Brenda Tinsley Tubbs.

The Board would like to express our sincere appreciation to Sharon Kleinschmidt, Richard Kennedy and Shelly Miller from R D. Kleinschmidts and Kleinschmidt's True Value Hardware for their assistance with the

Poster Contest at Klager, and thermometer transportation/set up. We would also like to thank Al and Kris Currey for preparing labels and Lynn and Marian Voegeding for preparation of the residential mailing

The residential mailing will be our only direct contact with you during this campaign. Please send your contributions in the envelope provided in the mailings or in the event you did not receive an envelop, Please send your donation to the Manchester United Way, Post Office Box 275, Manchester, Michigan 48158.

If you donate at your place of employment, please make sure that you designate your contribution be directed to the Manchester United Way.

It will be difficult for us to reach our goal without the assistance of the entire community. Your contribution is important! Please assist us in our efforts to "BUILD A CARING COMMUNITY."

Manchester United Way hopes you will help them "Build a Caring Community" by contributing to the local United Way effort this year.

If you contribute at your place of business, please note that your contribution be made to the "Manchester United Way" so it does the most good locally. Many Manchester organizations receive their funding from the United Way. Please Give The United Way - and watch the thermometer in the Post Office to keep track of our community's progress

Announcements

Manchester Family Services 1997 Christmas Shop - Family "Adoptions" and Gift Giving

Manchester Family Services will hold the annual "Christmas Shop" on Wednesday, December 10 at the St. Mary's Parish Center, 106 E. Madison St., in Manchester. The "Shop" brings Christmas to families in need in the Manchester community by the charitable contributions from people in the Manchester area. We invite you to participate in this annual Christmas event.

Families and seniors again will have the opportunity to be "adopted" for Christmas by local businesses, organizations, private families or individuals. A list of adoptive persons is available by contacting Joanne Fredal, at 428-8010. Information will be available on gender, age, and gift ideas with a suggested range of spending per individual. Gifts should not be wrapped and must be turned in by December 21st for delivery. As always, all names of persons adopted are kept confidential.

Again this year, to help more people, we encourage you to adopt senior citizens, or purchase gifts that will be distributed at the shop. Donations of money to Manchester Family Service are always accepted, as well.

Donations of gifts (not wrapped), for all ages, infants

to seniors can also be brought to St. Mary's Parish Center on Tuesday, December 9, between the hours of 10:00AM and 7:00PM. Linens and new sweaters, coats, scarves, gloves for winter are also needed.

Canned and non-perishable food items will be collected by the Cub Scouts and Manchester Community Schools. Sorting of food for seventy-five families will be conducted on Tuesday afternoon, December 9. Volunteers are welcome to come help.

In the past, the success of the Shop has been through the generous contributions and help by you the community of Manchester. It brings "Christmas" to families who would not otherwise be able to afford it. We look forward to another successful year in the true spirit of Christmas giving.

Submitted by: Dee Dee Sahakian

National Red Ribbon Celebration Week

The tenth annual National Red Ribbon Celebration will take place the week of October 23 ~ 31, 1997. This campaign uses the red ribbon to symbolize a united and visible commitment to a drug free community and support of drug free youth. The goals of the campaign are to raise awareness of alcohol, tobacco and other drug issues; encourage individual commitment to a drug free life; and promote communication, education and prevention locally and nationally.

It is a Celebration of Freedom from Drugs!

Adults, youth, schools, businesses, media, social service groups, faith communities - all sectors of Ann Arbor will participate! Drug free participants are encouraged to wear or display a red ribbon and/or to tie a ribbon to a visible outside area, and to participate in ongoing prevention activities in whatever way and on whatever level best suits them. People who are not drug free are encouraged to be aware that help is available.

Essay Contest

The Manchester Optimist Club will sponsor an essay contest entitled "My Opinion of Freedom." All high school students under the age of 19 years in grades 10, 11 and 12 are eligible to participate. The local club will select a first, second and third place winner in the contest, and the first place entry will automatically be forwarded to the district contest where it will be judged against other club winning entries from Michigan. The first place, district winner will receive an expense paid four day trip to the Freedoms Foundation in Valley Forge, Pennsylvania in July for the freedom and leadership conference. In addition the Manchester club will award a winner from the lo-

cal club a \$1,000 college scholarship. The first, second and third place international essay contest winners will win scholarships in the amounts of \$5,000, \$3,000 and \$2,000 respectively.

Any students interested in submitting an essay please contact Connie Widmayer at Sutton Insurance Agency, 136 E. Main, 428 9737 for contest rules and entry form.

Optimist International is one of the largest and most active service organizations, with over 150,000 members in 4,200 Optimist Clubs in the United States, Canada and other nations. Promoting the motto, "Friend of Youth," Optimist clubs conduct service projects which reach six million young people each year.

Engagement Announced

Acree-Luckhardt

Gary and Jacqueline Acree are pleased to announce the engagement of their daughter, Brooke Leslie to David Edward Luckhardt, the son of Robert and Barbara Luckhardt, all of Manchester.

Brooke is a graduate of Manchester High School and is employed by Associates in Physical Medicine at St. Joseph Mercy Hospital. David is also a graduate of Manchester High School and is employed by Comar Building Services of Wixom.

Brooke and David plan to be married at Emanuel United Church of Christ on Saturday, December 6, 1997.

COLLEGE NEWS

WMU Announces August Degree recipients

A total of 691 students are on the official list of those who received degrees from Western Michigan University at the end of the summer session of the 1996-97 school year.

Among them were Manchester residents **Kimberly Kay Davis**, daughter of Milton & Lois Davis, who received a BA in German, and **Patrick Tracy** who received a BA in Criminal Justice and Psychology, cum laude.

For students like Manchester's **Kerri Keller**, October 6th's Inauguration of new president Stephen F. Flatt at Lipscomb University was a glimpse into the future.

Keller is one of a record 2,555 students attending Lipscomb University this year who will be affected by several covenants Flatt made during the installation ceremony, titled, "Values and Vision: A Covenant With the Future."

Lipscomb offers more than 100 major programs of study leading to bachelor degrees, and to master degrees in Bible and education, as well as a 1,551-student K-12 school, making it one of the few institutions in the country to offer kindergarten through master's degree in one system.

Lipscomb University is associated with churches of Christ.
